MEMORANDUM

Public Works Division

FROM: Roy Sanchez, Director

DATE: August 28th, 2006

RE: Agenda Submission / Information Memo

The attached BOCC agenda item is to award Public Works vehicles and equipment that were damaged by Hurricane Wilma's flood waters to the highest bidder or to the next highest and acceptable bidder should higher bidders fail to complete transactions after reasonable notification and time limits.

After requesting and receiving BOCC approval to go out for bids, they were opened 8/17/06 and 8/22/06.

After reviewing of all bids, it was determined all bids are acceptable.

All titled vehicles will be sold as is, with "Certificate of Destruction" titles only, thus prohibiting them from being driven again on Florida's public roadways.

The Fleet Management Department's recommendation is to award all Public Works surplus vehicles and equipment to the highest bidder or to the next highest and acceptable bidder should higher bidders fail to complete transactions after reasonable notification and time limits.

Thank you.
