Dear Community Leaders, Businesses and Organizations,

Be the Change of the Florida Keys is writing you to request financial support for upcoming Challenge Days scheduled for Key West, Marathon and Coral Shores High Schools in January.

We need to raise $4,000.00 in community to provide this powerful training to our students in Monroe County.

This powerful workshop creates incredible connections among students, teachers, parents, administrators, counselors and community members. It also students to unite, honor each other and transform peer pressure into peer support!! Challenge Day has been featured on the Oprah Winfrey Show, Teen Files Documentary and MTV.

In addition to financial support, we are also looking for caring responsible adults to volunteer for the day.

Challenge Days are scheduled throughout the Keys and are as follows:
