**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Division: County Administrator

Bulk Item: Yes  No

Staff Contact Person/Phone #: Lisa Tennyson x4444

---

**AGENDA ITEM WORDING:**

Presentation by Florida Department of Environmental Protection to discuss the Department's 2016 legislative budget request to address the safety conditions of the historic pedestrian bridges along the Florida Keys Overseas Heritage Trail, and approval of County Commission resolution supporting FDEP's legislative budget request.

---

**ITEM BACKGROUND:**

Florida DEP, working with FDOT is preparing to seek a funding appropriation through a legislative budget request to address issues related to the condition of the pedestrian bridges in the Florida Keys.

The amount of the budget request is \$13.5M for the following:

- \$5M for removal of most severely damaged/crumbling sections of cantilevers;
- \$5M for a comprehensive study (including a preliminary project screening and scoping) of the condition of all 23 bridges and repair/rehabilitation options;
- \$3.5M for restoration of the Bahia Honda scenic overlook.

Main issues:

- 23 historic bridges (subset of the 42 bridges along US1);
- 14 of the bridges have cantilevers, 9 do not;
- 6 of the bridges have been closed;
- Crumbling cantilever sections pose hazards to trail users and boaters;
- Crumbling cantilever sections pose environmental impacts to the National Marine Sanctuary waters;
- Bridges are on the National Register of Historic Places;
- Bridges are the property of FDEP's Division of State Lands; they do not fall within the FDOT right-of-way.

These bridges are an essential part of the Florida Keys Overseas Heritage Trail. The Florida Keys Overseas Heritage Trail Master Plan (completed in 2000) was prepared by Monroe County in partnership with FDEP, FDOT, and the National Park Services to fulfill the expressed vision by Monroe County citizens to have a continuous trail along US 1 spanning the length of the Keys. As such, completion of the trail is a high priority for the County, FDEP and other project stakeholders.

County commissioners, staff, and lobbyists have been meeting with DEP and DOT and advocating for funding for these bridges for the past two years, since DEP's bridge closure was released in 2014.

Attached is a resolution expressing support for the legislative budget request.

Also attached are back-up materials including FDEP's maps and current status of the bridges, FDEP project description and preliminary environmental discussion, and FDEP's Senate committee presentation.

RESOLUTION NO. \_\_\_\_\_ - 2016

**A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA EXPRESSING SUPPORT FOR FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION'S 2016 LEGISLATIVE BUDGET REQUEST IN THE AMOUNT OF \$13.5 MILLION TO ADDRESS THE SIGNIFICANT SAFETY CONDITIONS AND ENVIRONMENTAL IMPACTS OF THE 23 HISTORIC PEDESTRIAN BRIDGES ALONG THE FLORIDA KEYS OVERSEAS HERITAGE TRAIL; AND PROVIDING DISTRIBUTION INSTRUCTIONS AND AN EFFECTIVE DATE.**

**WHEREAS**, there are 23 historic bridges that currently serve as part of the Florida Keys Overseas Heritage Trail and they span approximately 63 miles in Monroe County extending from East Rockland Key at Rockland Channel Bridge (MM 9.8), the southernmost bridge, to Lower Matecumbe Key at Channel #2 Bridge (MM 73), the northernmost historic bridge; and

**WHEREAS**, the 23 bridges are a subset of 42 bridges originally constructed as part of the Overseas Railroad, completed in 1912; and

**WHEREAS**, in the early 1940s, the Overseas Railroad was converted to the Overseas Highway, and as part of this the 13-foot wide railroad bridges were widened using steel and concrete cantilevers to 27 feet to accommodate two lane vehicular traffic; and

**WHEREAS**, in the early 1980's the historic bridges were decommissioned to vehicular traffic as new, parallel vehicular bridges were constructed by FDOT as part of US1; and

**WHEREAS**, the 23 bridges remain on the National Register of Historic Places; and

**WHEREAS**, the 23 bridges are an essential part of the Florida Keys Overseas Heritage Trail. The Florida Keys Overseas Heritage Trail Master Plan (completed in 2000) was prepared by Monroe County in partnership with FDEP, FDOT, and the National Park Services to fulfill the expressed vision by Monroe County citizens to have a continuous trail along US 1 spanning the length of the Keys; and

**WHEREAS**, based on bridge inspection reports conducted in 2012-2013 by FDEP and a review of the reports conducted in 2013 by FDOT, the 23 historic bridges along the Florida Keys Overseas Heritage Trail, have been determined to be "structurally deficient" and have deteriorated to various states of disrepair, especially the cantilevered deck slab overhangs on many of the bridges which are deteriorated and crumbling; and

**WHEREAS**, the bridges now pose safety issues for both trail users and boaters such that bridge closures, and hence closure of the Florida Keys Overseas Heritage Trail, have already occurred due to public safety concerns and signs warning boaters of falling debris have additionally been placed at various bridge locations; and

**WHEREAS**, the bridge conditions also pose environmental hazards as the debris of the deteriorating bridge elements is falling into the Florida Keys National Marine Sanctuary which is also classified as Outstanding Florida Waters, and the entire sanctuary is considered a Habitat Area Particular Concern due

to its important ecological role in the life cycles of federally managed fish species, and is critical habitat for a number of listed species federal refuges, and the bridges span state refuges, parks and FDEP-designated aquatic preserves; and

WHEREAS, Florida DEP, working with FDOT, has prepared a legislative budget request in the amount of \$13.5 million, the primary focus of which is to address the integrity issues of the bridge structures in order to improve safety conditions for trail users and boaters; and

WHEREAS, the FDEP legislative budget request will allocate funds toward the removal of the most severely deteriorated cantilever/overhang sections of the bridges and for a Project Development and Environment study that will further examine improvement options, costs, and funding sources to address the deficiencies of the 23 bridges; and

WHEREAS, this project is intended address significant safety and environmental hazards and to to reinstate the use of the historic bridges for recreational purposes by allowing for the completion of the trail, meeting the goals of the Florida Keys Overseas Heritage Trail Master Plan.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA THAT:**

1. Monroe County fully endorses Florida Department of Environmental Protection's 2016 Legislative Budget Request and wishes to express its gratitude for the support of the Florida Departments of Environmental Protection and Transportation, the Legislature, and the Governor.
2. The Clerk is directed to send copies of this resolution to:
  - a. Governor Rick Scott;
  - b. The Monroe County Legislative Delegation;
  - c. President Andy Gardiner, Florida Senate;
  - d. Speaker Steve Crisafulli, Florida House of Representatives;
  - e. Florida DEP Secretary Jon Steverson; and
  - f. Florida DOT Secretary Jim Boxold.
3. This resolution shall take effect upon adoption.

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 20th day of January, 2016.

## Purpose and Need

### Purpose and Need

The purpose of this project is to address safety conditions pertaining to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Over the years, the historic bridges have deteriorated to various states of disrepair. The bridges now pose safety issues for both trail users and boaters, as well as environmental hazards. In addition, the bridges were built to standards that do not meet current state requirements, thereby categorizing them as "Functionally Obsolete". The Project Development and Environment (PD&E) Study will further examine improvement options, costs, and funding sources to address the deficiencies of the twenty-three bridges. The PD&E Study will also evaluate 1) retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks, as well as 2) the potential reconnection (through the addition of a new structural component to fill the existing span gap) of the historic South Pine Channel Bridge, to allow for the completion of the Florida Department of Environmental Protection's (FDEP) Florida Keys Overseas Heritage Trail. It should be noted that four of the twenty-three historic bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] contain span gaps or navigational breaks in order to meet United States Coast Guard (USCG) 40' and 65' vertical clearance navigational requirements as they traverse USCG designated navigable waterways. Inclusion of a trail facility on these four bridges will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. The need for the project is based on the following primary and secondary criteria:

### PRIMARY CRITERIA

#### STRUCTURAL AND FUNCTIONAL DEFICIENCIES

Based on Bridge Inspection Reports conducted in 2012 - 2013 by FDEP and a review of the Bridge Inspection Reports conducted in 2013 by FDOT, the twenty-three Florida Keys Historic Bridges have been determined to be "Structurally Deficient" [defined as bridge elements that are found to be in poor condition or worse].

While the overall condition of the substructure of the twenty-one concrete spandrel arch bridges is satisfactory [receiving a National Bridge Inventory (NBI) General Condition Rating (GCR) of 6 (with 0 as failed condition and 9 as excellent condition)], the overall condition of the superstructure (deck slab overhangs and transverse steel I-beams) of each bridge ranges from fair to imminent failure [with NBI GCRs of 5 or lower] categorizing the superstructure as Structurally Deficient. The deck slab overhangs on numerous bridges have deteriorated so badly that portions of the overhangs are threatening to collapse into the water (the Niles Channel Bridge has already experienced this in 2011). Of major concern are the concrete spalls on the underside of the deck slab overhangs, exposing a significant amount of corroded reinforcing steel. Likewise, several of the transverse steel I-beams have deteriorated to a point where they are beyond reasonable repair; failure of the steel I-beams is imminent. Generally, the transverse steel I-beams remain present on bridges that have had the deck slab overhangs removed. The exposed steel I-beams show evidence of corrosion, and severe rust stains are present where the beams meet the face of the concrete spandrel arches (substructure). Corrosion and rust is additionally

evident at locations where the transverse steel I-beams have been cut back to reflect the original 13-foot width of the bridges. Further, five of the bridges still have an abandoned utility pipe attached to the side of the concrete spandrel arches. The pipe and pipe supports are in very poor condition. Even where the utility pipe has been removed, corroded pipe supports remain.

The substructures of both the Bahia Honda Bridge and Seven Mile Bridge range from satisfactory to poor condition. However, the steel truss and steel girder superstructure sections of the Bahia Honda Bridge range from imminent failure to failed condition [with NBI GCRs of 1 or 0]. Similarly, the deck slab overhangs and steel girder superstructure segment of the Seven Mile Bridge range from imminent failure to failed condition [with NBI GCRs of 1 or 0].

It should also be noted that the handrails along the bridges are currently substandard as they do not meet the minimum FDOT height requirement of 42" for pedestrian and bicycle railings. This substandard element poses a concern related to trail user safety along the bridges and, thereby, categorizes the bridges as "Functionally Obsolete".

The primary focus of this project is to address the integrity issues of the bridge structures in order to improve safety conditions for trail users and boaters. Bridge closures (and hence closure of the Florida Keys Overseas Heritage Trail) have already occurred due to public safety concerns. Signs warning boaters of falling debris have additionally been placed at various bridge locations. The proposed bridge improvements (repair/rehabilitation versus removal of deteriorating cantilevered road deck) are specifically intended to:

- Prevent the collapse of the deck slab overhangs and transverse steel I-beams (and, hence, falling debris into the surrounding sensitive environment);
- Remove corroded steel within the concrete spandrel arches to promote long term rehabilitation of the substructure and prevent further concrete substructure spalling;
- Address the functionally obsolete handrails of the bridges as they do not comply with current FDOT design standards; and
- Enhance the overall aesthetics of the bridges by addressing corroded, cracking, and deteriorating bridge elements.

## **SECONDARY CRITERIA**

### **NATURAL RESOURCES**

Another need for the project is to reduce adverse impacts to the highly sensitive surrounding natural environment and associated resources (protected waters, habitats, and species) as a result of falling debris from the deteriorating cantilevered road deck of the bridges.

The bridges span the Florida Keys National Marine Sanctuary which encompasses the Florida Keys, federal refuges (e.g., Key Deer National Wildlife Refuge), state parks (e.g., Bahia Honda and Long Key), and FDEP designated aquatic preserves (e.g., Coupon Bight Aquatic Preserve at Big Pine Key). The Florida Keys National Marine Sanctuary is classified as Special Waters Outstanding Florida Waters, and the entire sanctuary is considered a Habitat Area of Particular Concern due to its important ecological role in the life cycles of federally managed fish species. Accordingly, submerged aquatic vegetation (seagrass), mangrove swamp habitat, coral and coral reefs, live/hard bottom, and sand/mud bottom found within the sanctuary serve as Essential Fish Habitat for several federally-managed fish species and their prey. The Florida Keys National Marine Sanctuary further provides important and/or critical habitat for a number of listed species such as the West Indian manatee, various species of sea turtles, the American crocodile, and elkhorn and staghorn corals. It should additionally be noted that the bridges span Bahia Honda State Park, also classified as Other Outstanding Florida Waters, and several Verified Impaired Florida Waters.

As indicated through the above-identified features, the habitats and waters surrounding the bridges are highly protected. The proposed bridge improvements are intended to provide a holistic approach to addressing the falling debris of the deteriorating bridge elements, thereby reducing potential adverse impacts (and more so cumulative adverse effects) to surrounding wildlife, habitat, and water resources. The FDOT and FDEP are interested in seeking blanket biological opinions from resource agencies in order to address concerns regarding the issuance of permits as well as associated mitigation strategies as a result of improvements in a comprehensive manner.

## **RECREATIONAL USE**

While the twenty-three historic bridges currently serve as part of the Florida Keys Overseas Heritage Trail, the trail facility is incomplete. Completion of the trail over the last several years has been a challenge due to the deteriorating condition of the superstructure of each bridge, particularly as portions of the deck slab overhangs on numerous bridges have collapsed or are threatening to collapse into the water. For this reason, some of the bridges or spans of the bridges have been converted to fishing piers or have been closed for public access.

The Florida Keys Overseas Heritage Trail Master Plan (completed in 2000) was prepared by Monroe County in partnership with FDEP, FDOT, and the National Park Service to fulfill the expressed vision by Monroe County citizens to have a continuous trail along US Highway 1 spanning the length of the Florida Keys in order to 1) enhance community recreational opportunities, 2) provide safe non-motorized transportation to schools and businesses, and 3) enable residents and visitors to enjoy natural resources along US Highway 1 (such as federal refuges and state parks). As such, completion of the Florida Keys Overseas Heritage Trail is a top priority for citizens of the area, Monroe County, FDEP, and other project stakeholders. The project is intended to:

- Reinstate the use of the historic bridges for recreational purposes by allowing for the completion of the trail;
- Meet goals of the Florida Keys Overseas Heritage Trail Master Plan and several other local plans; and
- Enhance recreational opportunities for both trail users and boaters by addressing the integrity issues of the bridge structures to improve safety conditions.

Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated as part of the PD&E Study.

## **Project Description**

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, the project will also evaluate 1) retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks, as well as 2) the potential reconnection (through the addition of a new structural component to fill the existing span gap) of the historic South Pine Channel Bridge. These improvements are ultimately intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Department of Environmental Protection's (FDEP) Florida Keys Overseas Heritage Trail, a shared-use path supporting recreational activities. It should be noted that four of the twenty-three historic bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] contain span gaps or navigational breaks in order to meet United States Coast Guard (USCG) 40' and 65' vertical clearance navigational requirements as they traverse USCG designated navigable waterways. Inclusion of a trail facility on these four bridges will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

The twenty-three Florida Keys Historic Bridges span approximately 63 miles in Monroe County extending from East Rockland Key at Rockland Channel Bridge (Mile Marker 9.8), the southernmost historic bridge, to Lower Matecumbe Key at Channel #2 Bridge (Mile Marker 73.0), the northernmost historic bridge. The twenty-three bridges are a subset of forty-two bridges originally constructed as part of the Overseas Railroad, completed in 1912. The bridges are considered property of the FDEP's Division of State Lands Board of Trustees of the Internal Improvement Trust Fund as they serve as part of the FDEP's Florida Keys Overseas Heritage Trail. The bridges do not fall within Florida Department of Transportation (FDOT) right-of-way.

The bridges are additionally a component of the Florida Keys Scenic Highway corridor and parallel existing US Highway 1, which connects the islands of the Florida Keys to the mainland. While the twenty-three historic bridges are not included on Florida's Strategic Intermodal System (SIS) network, they span or are in proximity to a designated SIS facility (Atlantic Intracoastal Waterway).

An ETDM Programming Screen is being conducted for this project by the FDOT in cooperation with the FDEP. Although, FDOT is leading the ETDM screening event, FDEP is serving as the lead agency on the project. FDOT and FDEP, in coordination with other state and federal agencies, will review the twenty-three bridges as a single resource (and, therefore, as one project) in order to facilitate a more holistic approach in addressing the bridge deficiencies. As such, the range of improvement options, costs, and funding sources to address the deficiencies of the bridges will be explored in detail and refined during the Project Development and Environment (PD&E) Study. Use of the bridges for recreational purposes will also be considered during the PD&E Study. Information resulting from the ETDM screening event is intended to inform the scope and cost of the PD&E Study. Currently, FDEP plans to seek state funding to conduct the PD&E Study through a Legislative Budget Request in January 2016. While other potential sources to fund remaining project phases are unknown at this time, the project will maintain eligibility to receive future state and federal funding.

#### **BACKGROUND**

The twenty-three historic bridges were constructed in the early 1900s as part of the Key West Extension of the Florida East Coast Railway (also known as the Overseas Railroad). All of the historic bridges, with the exception of the Bahia Honda Bridge and the majority of the Seven Mile Bridge, are of concrete spandrel arch construction. The Bahia Honda Bridge and a portion of the Seven Mile Bridge consist of steel trusses and steel plate girders, respectively. While each historic bridge varies in length, all were originally built to a standard width of 13 feet.

In the late 1930s/early 1940s, the Overseas Railroad was converted to the Overseas Highway. As such, the 13-foot wide railroad bridges were widened to 27 feet (out-to-out) or 22 feet (curb-to-curb) to accommodate two vehicular travel lanes and railings, doubling the width of the traffic bed. Transverse steel I-beams, spaced 10 feet apart, were laid across the width of the concrete spandrel arch railroad bridges to cantilever over the sides. These beams supported concrete overhang slabs and railings constructed from old Florida East Coast Railway track. A similar deck was constructed over the steel plate girders of the Seven Mile Bridge and on top of the steel trusses of the Bahia Honda Bridge.

In the early 1980s, the historic bridges were decommissioned to vehicular traffic as new, parallel vehicular bridges were constructed by the FDOT as part of US Highway 1. The twenty-three historic bridges that remain are listed on the National Register of Historic Places.

Currently, the bridges exist in various conditions as a result of rehabilitation projects over the years. Based on Bridge Inspection Reports conducted in 2012 - 2013 by FDEP and a review of the Bridge Inspection Reports conducted in 2013 by FDOT, a total of fourteen bridges still have overhangs; four of these fourteen bridges [Ohio-Missouri Bridge, Ohio-Bahia Honda Bridge, Missouri-Little Duck Bridge, and Lower Sugarloaf Bridge] have been prioritized for immediate attention as the overhangs are in imminent failure condition. Accordingly, the deck slab overhangs have been entirely

removed from seven of the bridges and partially removed from the Seven Mile Bridge. Some of the bridges have been rehabilitated in an attempt to preserve their historic character, keeping the corroded deck slab overhangs and transverse steel I-beams intact. In some cases, the rehabilitation method involved adding Carbon Fiber Reinforced Polymer (CFRP) / Near Surface Reinforcement along the top surface of the center deck slab, continuous into the overhang slabs, to prevent the overhang slabs from collapsing. In addition, at least one bridge had additional steel braces added to support the deck slab overhangs. Further, some of the bridges or spans of the bridges have been converted to fishing piers, or spans of some bridges have been removed to allow channel breaks for navigational purposes.

It should be noted that while the twenty-three historic bridges serve as part of the Florida Keys Overseas Heritage Trail, the trail facility is currently incomplete. In 2000, Monroe County (in partnership with FDEP, FDOT, and the National Park Service) prepared the Florida Keys Overseas Heritage Trail Master Plan to fulfill the expressed vision by Monroe County citizens to have a continuous trail along US Highway 1 spanning the length of the Florida Keys in order to 1) enhance community recreational opportunities, 2) provide safe non-motorized transportation to schools and businesses, and 3) enable residents and visitors to enjoy natural resources along US Highway 1. As such, completion of the Florida Keys Overseas Heritage Trail is a top priority for citizens of the area, Monroe County, FDEP, and other project stakeholders. Once work to repair/rehabilitate and/or remove deteriorating bridge elements has been performed, improvements intended to allow for the incorporation of a future trail facility on the historic bridges (to complete the Florida Keys Overseas Heritage Trail) will be evaluated as part of the PD&E Study.

**ATTACHMENT 1: Bridge Inventory** in the EST presents the existing conditions, repairs that have been performed to date, and potential improvements proposed for each bridge.

#### **PROJECT SET-UP**

Due to the fact that the twenty-three historic bridges [presented as twenty-three individual feature segments in the Environmental Screening Tool (EST)] will be reviewed as a single resource, one ETDM Project has been established in the EST. However, for management and reporting purposes of EST data, the twenty-three bridges have been divided into three geographic clusters. Each cluster of bridges corresponds to an EST alternative. The three clusters (or EST alternatives) are defined below.

#### *Alternative 1- East Rockland Key to Big Pine Key*

The twelve bridges that compose Cluster 1 or Alternative 1, the southernmost historic bridges extending from East Rockland Key (south) to Big Pine Key (north), include:

- Rockland Channel Bridge (Feature 1)
- Shark Channel Bridge (Feature 2)
- Saddlebunch #5 Bridge (Feature 3)
- Saddlebunch #4 Bridge (Feature 4)
- Saddlebunch #3 Bridge (Feature 5)
- Saddlebunch #2 Bridge (Feature 6)
- Lower Sugarloaf Bridge (Feature 7)
- Park Channel Bridge (Feature 8)
- Bow Channel Bridge (Feature 9)
- Kemp Channel Bridge (Feature 10)
- Niles Channel Bridge (Feature 11)
- South Pine Channel Bridge (Feature 12)

### *Alternative 2- Big Pine Key to Marathon*

The six bridges that compose Cluster 2 or Alternative 2, the more central historic bridges extending from Big Pine Key (south) to Marathon (north), include:

- Spanish Harbor Bridge (Feature 13)
- Bahia Honda Bridge (Feature 14)
- Ohio-Bahia Honda Bridge (Feature 15)
- Ohio-Missouri Bridge (Feature 16)
- Missouri-Little Duck Bridge (Feature 17)
- Seven Mile Bridge (Feature 18)

### *Alternative 3- Marathon to Lower Matecumbe Key*

The five bridges that compose Cluster 3 or Alternative 3, the northernmost historic bridges extending from Marathon (south) to Lower Matecumbe Key (north), include:

- Toms Harbor Channel Bridge (Feature 19)
- Toms Harbor Cut Bridge (Feature 20)
- Long Key Bridge (Feature 21)
- Channel #5 Bridge (Feature 22)
- Channel #2 Bridge (Feature 23)

### **TRANSPORTATION PLAN CONSISTENCY**

While existing US Highway 1 bridge improvements and projects to retrofit various Florida Keys Historic Bridges to include segments of the Florida Keys Overseas Heritage Trail are identified in the FY 2016 - FY 2020 FDOT Work Program, the State Transportation Improvement Program (STIP), and the Monroe County Comprehensive Plan 2010-2030 Update, uniform enhancements to address the structural and functional deficiencies of the twenty-three historic bridges are not reflected in the referenced plans.

Several local plans [including the Lower Keys Livable Communities Plan, US-1 Corridor Enhancement Plan, Florida Scenic Highway Interpretive Master Plan and Corridor Management Plan, Monroe County Bicycle and Pedestrian Plan, and the Florida Keys Overseas Heritage Trail (FKOHT) Master Plan] currently classify the completion of the Florida Keys Overseas Heritage Trail (extending from Mile Marker 0 to Mile Marker 106.5 using the twenty-three historic bridges) as a priority project. However, the FKOHT Master Plan also recommends the removal of the deck slab overhangs from all bridges where overhangs remain with the exception of two bridges. The Bow Channel Bridge and the Ohio-Missouri Bridge are proposed to be maintained to reflect the historical character of the old Overseas Highway. The Seven Mile Bridge and Bahia Honda Bridge are additionally recommended to be preserved.

Once the scope for the Florida Keys Historic Bridges PD&E Study is complete, FDOT will work to modify the FDOT Work Program and STIP to ensure the identified bridge improvements are included in these above-referenced documents. These two documents will additionally be updated to reflect funding required for future project phases (Design and Construction) based upon the refined improvements, costs, and funding sources determined as a result of the PD&E Study. FDOT and FDEP will also coordinate with Monroe County, and the various municipalities along the project corridor, to ensure that the Florida Keys Historic Bridges project is consistent with the respective local comprehensive plans.

### **Summary of Public Comments**

Summary of Public Comments is not available at this time.

#### **Justification**

A Public Involvement Plan (PIP) will be prepared and conducted during the PD&E phase of this project.

## Planning Consistency Status

## Social and Economic

### Land Use Changes

#### Project Level

##### Comments:

Degree of Effect: **None**

The twenty-three bridges span several communities such as Big Coppitt Key, Cudjoe Key, Marathon, Duck Key, and Islamorada, Village of Islands. Land uses primarily surrounding the bridges include conservation, recreational, and residential classifications with limited commercial, vacant, industrial, and institutional activities. Land designated for military use is also present; this includes the Key West Naval Air Station near Rockland Channel Bridge at the southernmost project extent. The bridges are additionally located in the Florida Keys Area of Critical State Concern (ACSC), a land use designation applied to the Florida Keys due to development pressures within a highly sensitive natural environment. The Florida Keys ACSC includes the local governments of unincorporated Monroe County; the Cities of Marathon, Layton, and Key Colony Beach; and Islamorada, Village of Islands. According to the Future Land Use Maps of Monroe County; the City of Marathon; and Islamorada, Village of Islands, the project area is anticipated to remain relatively unchanged.

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Given that the proposed improvements at this time are to be predominantly confined to the bridges themselves, no impacts or changes to proximate land uses are anticipated.

#### Alternative Level

**Alternatives:** #1 East Rockland Key-Big Pine Key, #2 Big Pine Key-Marathon, #3 Marathon-Lower Matecumbe Key

**Degree of Effect:** None

##### Comments:

Refer to Project PED Comments.

## Social

### Project Level

##### Comments:

Degree of Effect: **Minimal**

The twenty-three bridges span several communities such as Big Coppitt Key, Cudjoe Key, Marathon, Duck Key, and Islamorada, Village of Islands. Land uses primarily surrounding the bridges include conservation, recreational, and residential classifications with limited commercial, vacant, industrial, institutional, and military activities. It should be noted that the twenty-three historic bridges are listed in the National Register of Historic Places (NRHP) as part of the Overseas Highway and Railway Bridges Historic District (also a Florida Site File Resource Group) and as part of the Florida Site File Historic Bridges record. Other community features reported within the 200-foot project buffer include: the Boy Scouts of America Brinton Environmental Center, two additional Florida Site File resource groups (one is listed in the NRHP), two Florida Site File archaeological or historic sites, seven Florida Site File historic standing structures, seven historic parcels, Florida Keys Ecosystem Management Area, Florida Keys National Marine Sanctuary, Florida Keys Ecosystem Florida Forever Board of Trustees Project, a Comprehensive Everglades Restoration Plan project, Key Deer National Wildlife Refuge and Great White Heron National Wildlife Refuge, eight Florida Managed Areas [including the Florida Keys Overseas Heritage Trail (also a designated Florida State Park)], Pigeon Key Park, Seven Mile Bridge Wayside Park Boat Ramp, ten marine facilities, Florida Keys Overseas Paddling Trail (part of the Florida Circumnavigational Saltwater Paddling Trail), one

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

planned Office of Greenways and Trails (OGT) multi-use trail opportunity/hiking trail priority, and two planned OGT paddling trail opportunities. Compared to the demographic characteristics for Monroe County, the 500-foot project buffer contains a larger White population percentage, a higher percentage of individuals age 65 and above, and a dramatically lower percentage of housing units with no vehicle available; the median family income also ranges from \$31,120 to \$148,750 compared to \$66,152 for Monroe County as a whole. In addition, the buffer area contains a notable Hispanic population percentage (14.4%) in relation to the county percentage (20.6%). Further, Limited English Proficiency (LEP) accommodations will be required during public involvement efforts of the Project Development phase as 7.74% or 1,034 persons within the census block groups containing the project "speak English less than very well" [new public involvement guidance suggests that consideration be given to the number or proportion of LEP persons in the eligible service population/affected area, the frequency of which LEP individuals may come into contact with project development activities, the importance of the proposed project service/action to LEP individuals, and resources available].

Currently, pedestrian and bicycle access to nearby residences, businesses, and recreational amenities is limited to portions of some of the bridges as a result of gaps in the bridge spans and safety conditions due to falling debris from deteriorating cantilevered road deck. Boater access to community features is also limited as a result of the falling debris. This project is anticipated to benefit residents and visitors of the area by addressing safety conditions associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. By restoring the viability of the Florida Keys Overseas Heritage Trail as a recreational asset of the area, connectivity to adjacent communities is expected to be improved, thereby enhancing social interaction. However, community cohesion could be affected short-term as a result of intermittent closures to the bridges during the proposed work. Overall impacts on the social environment and community cohesion are anticipated to be minimal. A Sociocultural Effects Evaluation will be conducted to better determine potential impacts to adjoining communities.

### Relocation Potential

#### Project Level

**Comments:**

**Degree of Effect:** N/A / No Involvement

The twenty-three bridges are primarily surrounded by conservation, recreational, and residential land uses with limited commercial, vacant, industrial, institutional, and military activities. Currently, pedestrian and bicycle access to nearby residences, businesses, and recreational amenities is limited to portions of some of the bridges as a result of safety conditions and gaps in the bridge spans.

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Given that the proposed improvements at this time are to be predominantly confined to the bridges themselves, no residences or businesses are anticipated to be relocated. For these reasons, no involvement regarding relocation potential is anticipated.

### Farmlands

# DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

## Project Level

### Comments:

Degree of Effect: **N/A / No Involvement**

No farmlands are reported within the 200-foot project buffer. According to the Future Land Use Maps of Monroe County; the City of Marathon; and Islamorada, Village of Islands, the project area is anticipated to continue to support conservation, recreational, and residential uses with limited commercial, vacant, industrial, institutional, and military activities. In addition, some of the bridges are within or are adjacent to the Urbanized Areas of Key West, Big Pine Key, Marathon, and Key Largo.

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Given that no farmlands are reported within the vicinity of the project and the fact that the proposed improvements at this time are to be predominantly confined to the bridges themselves, no impacts to or involvement regarding farmlands is anticipated.

**Degree of Effect:** N/A / No Involvement

### Comments:

Refer to Project PED Comments.

## Aesthetic Effects

### Project Level

#### Comments:

Degree of Effect: **Substantial**

Current vehicular views from existing US Highway 1 are of the twenty-three historic bridges (which consist of unique concrete spandrel arch, steel plate girder, and steel truss structures). Other features contributing to the aesthetic environment include several recreational amenities (such as the Florida Keys National Marine Sanctuary and the Key Deer National Wildlife Refuge) as well as additional historic and archaeological resources. At the pedestrian level, views of the historic bridges are often of cracked road decks and corroded steel I-beams.

The proposed bridge improvements are anticipated to address 1) aesthetic aspects of the existing bridges by repairing/rehabilitating and/or removing deteriorating elements of the bridges (i.e., corroded steel I-beams and utility pipes, cracking/spalling concrete decks, etc.), as well as 2) safety conditions with the replacement of standard handrails. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. If the existing cantilevered road deck of the bridges is completely removed or other elements of the bridge structures are dramatically altered/removed, visual impacts could be a concern to surrounding communities as the overhangs, concrete spandrel arches, steel plate girders, and steel trusses are considered contributing aspects of the bridges' aesthetic quality and historic physical integrity. The removal, replacement, or installation of handrails on the bridges could additionally impact the historical significance of the structures. The modification or removal of bridge structure elements could also alter the existing viewshed of the Florida Keys Scenic Highway. For these reasons, substantial involvement regarding aesthetic effects is anticipated.

# DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

## Project Level

### Comments:

Degree of Effect: **Minimal**

The twenty-three bridges span several communities such as Big Coppitt Key, Cudjoe Key, Marathon, Duck Key, and Islamorada, Village of Islands. Land uses primarily surrounding the bridges include conservation, recreational, and residential classifications with limited commercial, vacant, industrial, institutional, and military activities. Businesses along the bridges primarily support tourism as they consist of marine uses, dining establishments, real estate firms, and lodging facilities. The bridges, themselves, also serve as a tourist attraction due to their unique, historic designs. According to the October 2013 Economic Impact Assessment for the Florida Park System, the bridges (as they encompass the Florida Keys Overseas Heritage Trail) welcomed 1,983,489 visitors, generating a total of \$91,253,872 to the local Florida Keys economy. As such, the bridges are critical in sustaining visitor services and the local economy.

Currently, pedestrian and bicycle access to nearby residences, businesses, and recreational amenities is limited to portions of some of the bridges as a result of gaps in the bridge spans and safety conditions due to falling debris from deteriorating cantilevered road deck. Boater access to community features is also limited as a result of the falling debris. This project is anticipated to enhance access to businesses and tourist attractions by addressing safety conditions associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. By restoring the viability of the Florida Keys Overseas Heritage Trail as a recreational asset of the area, connectivity to proximate businesses and area destinations is expected to be enhanced. However, access to these features could temporarily be affected as a result of intermittent closures to the bridges during the proposed work. For these reasons, minimal economic effects as a result of the project are anticipated.

## Mobility

### Project Level

#### Comments:

Degree of Effect: **Minimal**

The twenty-three bridges span several communities (such as Big Coppitt Key, Cudjoe Key, Marathon, Duck Key, and Islamorada, Village of Islands) providing pedestrian and bicycle access to nearby residences, businesses, and recreational amenities. The bridges serve as part of the Florida Keys Overseas Heritage Trail and also run parallel to and cross the Atlantic Intracoastal Waterway (a navigable waterway that supports interstate commerce and is listed as part of Florida's Strategic Intermodal System), as well as the Gulf Deep Water Spur and Florida Shallow Water Spine (other navigable waterways). The bridges are additionally within the vicinity of one Transportation Disadvantaged Service Provider Area (Guidance Clinic of the Middle Keys), ten marine facilities, the Florida Keys Overseas Paddling Trail (part of the Florida Circumnavigational Saltwater Paddling Trail), one planned Office of Greenways and Trails (OGT) multi-use trail opportunity/hiking trail priority (Florida Keys Overseas Heritage Trail), and two planned OGT paddling trail opportunities (Florida Keys Paddling Trail and Florida Circumnavigational Saltwater Paddling Trail).

It should be noted that spans of some of the bridges have been removed to allow channel breaks for navigational purposes. In addition, some of the bridges or spans of the bridges have been converted to fishing piers. As such, pedestrian and bicycle access to nearby residences, businesses, and recreational amenities is currently limited to portions of some of the bridges as a result of gaps in the bridge spans and safety conditions due to falling debris from deteriorating cantilevered road deck. Boater access to community features is also limited as a result of the falling debris. This project is anticipated to benefit trail users and boaters of the area by addressing mobility and access issues, as well as safety conditions, associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge,

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. By restoring the viability of the Florida Keys Overseas Heritage Trail as a transportation facility, pedestrian and bicycle mobility and access to proximate community features and area destinations are expected to be enhanced. However, pedestrian, bicycle, and boater mobility and access could be affected short-term as a result of intermittent closures to the bridges during the proposed work. Overall impacts to mobility are anticipated to be minimal.

## Cultural

### Section 4(f) Potential

#### Project Level

### Comments:

**Degree of Effect:** Substantial

Potentially protected Section 4(f) resources reported within the 200-foot project buffer include: the twenty-three historic bridges [listed in the National Register of Historic Places (NRHP) as part of the Overseas Highway and Railway Bridges Historic District (also a Florida Site File Resource Group) and part of the Florida Site File Historic Bridges record]; two other Florida Site File resource groups [Pigeon Key Historic District (listed in the NRHP) and Old State Road 4A (a historic linear resource)]; two Florida Site File archaeological or historic sites [Niles Channel and Spanish Harbor Bridge - both not yet evaluated by the State Historic Preservation Officer (SHPO)]; seven Florida Site File historic standing structures (six potentially eligible for listing in the NRHP, one ineligible for listing in the NRHP - all seven not yet evaluated by the SHPO); seven historic parcels; Florida Keys Ecosystem Management Area; Florida Keys National Marine Sanctuary; Florida Keys Ecosystem Florida Forever Board of Trustees Project; a Comprehensive Everglades Restoration Plan project; Key Deer National Wildlife Refuge and Great White Heron National Wildlife Refuge; eight Florida Managed Areas [Naval Air Station Key West, Florida Keys Wildlife and Environmental Area, Saddlebunch Key Sanctuary, Saddlebunch Keys, Key Deer National Wildlife Refuge, Monroe County Managed Areas, Bahia Honda State Park, and Florida Keys Overseas Heritage Trail (also a designated Florida State Park)]; Pigeon Key Park; Seven Mile Bridge Wayside Park Boat Ramp; ten marine facilities; Florida Keys Overseas Paddling Trail (part of the Florida Circumnavigational Saltwater Paddling Trail); the Atlantic Intracoastal Waterway, Gulf Deep Water Spur, and Florida Shallow Water Spine (navigable waterways); one planned Office of Greenways and Trails (OGT) multi-use trail opportunity/hiking trail priority (Florida Keys Overseas Heritage Trail); and two planned OGT paddling trail opportunities (Florida Keys Paddling Trail and Florida Circumnavigational Saltwater Paddling Trail).

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. It should also be noted that FDEP plans to seek state funding to conduct the PD&E Study through a Legislative Budget Request in January 2016; while other potential sources to fund remaining project phases are unknown at this time, the project will maintain eligibility to receive future state and federal funding.

Substantial involvement regarding Section 4(f) potential is anticipated for the following reasons: 1) the potential replacement of original material and additional extensive improvements needed resulting in the alteration of the historic physical integrity and historical significance of the bridges, which are listed on the National Register of Historic Places (NRHP), 2) the presence of and potential effects to previously recorded and unrecorded historic and archaeological resources [which will need to be reevaluated/evaluated for NRHP-eligibility] within the project vicinity, and 3) potential temporary impacts on pedestrian, bicycle, and boater access to and enjoyment of area recreational amenities during the proposed project work.

## Historic and Archaeological Sites

### Project Level

#### Comments:

Degree of Effect: **Substantial**

The twenty-three historic bridges are part of the Florida Site File Historic Bridges record and are listed in the National Register of Historic Places (NRHP) as part of the Overseas Highway and Railway Bridges Historic District (also a Florida Site File Resource Group). Other historic and archaeological resources located within the 200-foot project buffer include: two Florida Site File resource groups [Pigeon Key Historic District (listed in the NRHP) and Old State Road 4A (a historic linear resource)], two Florida Site File archaeological or historic sites [Niles Channel and Spanish Harbor Bridge - both not yet evaluated by the State Historic Preservation Officer (SHPO)], seven Florida Site File historic standing structures (six potentially eligible for listing in the NRHP, one ineligible for listing in the NRHP; all seven not yet evaluated by the SHPO), seven historic parcels, and eighteen Florida Site File field survey project boundaries.

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

Although the project area has been previously surveyed as part of other projects, it has not been subjected to a comprehensive survey. Therefore, there is a possibility that additional unrecorded historic and archaeological resources are present within the project vicinity. While the repair/rehabilitation option is intended to preserve the historic character of the bridges, due to the severe deteriorated condition of the bridges, the replacement of original material and additional extensive improvements needed could result in substantial impacts to the bridges. Likewise, the removal of the deteriorating cantilevered road deck could result in substantial impacts to the bridges as the overhangs are considered a contributing part of the bridges' historic physical integrity and historical significance. It should be noted that the Florida Keys Overseas Heritage Trail Master Plan (prepared in 2000) recommends restoring the bridges to their original width of 13 feet with the removal of the deck slab overhangs, where feasible. The Plan also recommends preserving at least two of bridges "as examples of the era when they served as the highway linking the Keys to the mainland and the remarkable ingenuity of using the old railroad tracks as railing". A Cultural Resource Assessment Survey (CRAS), in coordination with the Monroe County Certified Local Government, will be performed to determine potential impacts to the above-identified resources and any NRHP-eligible unrecorded cultural features noted in the project area. Based on preliminary coordination with the Florida Department of State Division of Historical Resources and the SHPO, a Programmatic Agreement or Memorandum of Agreement will be considered to address the bridges holistically.

## Recreation Areas

### Project Level

#### Comments:

Degree of Effect: **Minimal**

Recreation areas/features that are present within the 200-foot project buffer include: Florida Keys Ecosystem Management Area; Florida Keys National Marine Sanctuary; Florida Keys Ecosystem Florida Forever Board of Trustees Project; a Comprehensive Everglades Restoration Plan project; Key Deer National Wildlife Refuge and Great White Heron National Wildlife Refuge; eight Florida Managed Areas [Naval Air Station Key West, Florida Keys Wildlife and Environmental Area, Saddlebunch Key Sanctuary, Saddlebunch Keys, Key Deer National Wildlife Refuge, Monroe County Managed Areas, Bahia Honda State Park, and Florida Keys Overseas Heritage Trail (also a designated Florida State Park)]; Pigeon Key Park; Seven Mile Bridge Wayside Park Boat Ramp; ten marine facilities; Florida Keys Overseas Paddling Trail (part of the Florida Circumnavigational Saltwater Paddling Trail); the Atlantic Intracoastal Waterway, Gulf Deep Water Spur, and Florida Shallow Water Spine (navigable waterways); one planned Office of Greenways and Trails (OGT) multi-use trail opportunity/hiking trail priority (Florida Keys Overseas Heritage Trail); and two planned

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

OGT paddling trail opportunities (Florida Keys Paddling Trail and Florida Circumnavigational Saltwater Paddling Trail).

It should be noted that pedestrian and bicycle access to recreational amenities along the Florida Keys Overseas Heritage Trail is currently limited to portions of some of the bridges as a result of gaps in the bridge spans and safety conditions due to falling debris from deteriorating cantilevered road deck. Boater access to recreational amenities is also limited as a result of the falling debris. This project is anticipated to benefit trail users and boaters of the area by addressing connectivity and access issues, as well as safety conditions, associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. By restoring the viability of the Florida Keys Overseas Heritage Trail as a recreational asset of the area, pedestrian and bicycle connectivity and access to additional recreational amenities and area destinations are expected to be enhanced. However, pedestrian, bicycle, and boater access to recreational amenities could be affected short-term as a result of intermittent closures to the bridges during the proposed work. Overall impacts to recreation areas/features as a result of the project are anticipated to be minimal.

## Natural

### Wetlands

#### Project Level

**Comments:**

**Degree of Effect: Moderate**

The National Wetlands Inventory database identifies 686.7 acres of estuarine wetlands and 111.1 acres of marine wetlands within the 200-foot project buffer. The SFWMD Wetlands 2008 database identifies 15.0 acres of mangrove swamp wetlands, 1.6 acres of saltwater marshes-halophytic herbaceous prairie wetlands, and 12.0 acres of tidal flats within the same buffer area. Mangrove-dominated wetlands occur along the shorelines adjacent to many of the bridge termini. These communities consist of high quality stands of red mangrove and stands of mixed red, black, and white mangrove and buttonwood. Mangroves also exist directly alongside some of the bridges in shallow water areas of the lower Keys (e.g., Saddlebunch Bridges). In addition, seagrass beds interspersed with patch reefs and macroalgal communities (which are intermingled with hard and soft corals and sponges) are present in varying densities in shallower waters surrounding many of the bridges.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Where removal of the cantilevered road deck is proposed, shading impacts and potential damage to benthic resources as a result of falling debris will be reduced. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

Moderate involvement regarding wetland resources is anticipated due to the potential for in-water work, use of a barge to perform the proposed bridge improvements, and/or possible shading effects as a result of adding a new structural component to fill the existing span gap of the historic South Pine Channel Bridge. Avoidance and minimization measures, such as top-down or bridge mounted construction, will be considered. A Wetland Evaluation Report (including a Benthic Resource Assessment/seagrass survey) will additionally be prepared to determine overall potential impacts to area wetlands.

### Alternative Level

## Water Quality and Quantity

### Project Level

**Comments:**

**Degree of Effect:** Minimal

The following resources associated with water quality and quantity are reported within the 200-foot project buffer: Florida Keys National Marine Sanctuary, which encompass all of the Florida Keys and is classified as "Special Waters" Outstanding Florida Waters; Bahia Honda State Park, which is classified as Other Outstanding Florida Waters; several Verified Impaired Florida Waters [Big Pine Key (WBID 6012A) for copper and mercury, Saddlebunch Keys (WBID 6013A) for mercury, Cudjoe Key (WBID 6013C) for copper and mercury, US Naval Air Station Key West (WBID 6014C) for mercury, Vaca Key (WBID 6011A) for copper and mercury, Long Beach (WBID 6012D) for mercury, Bahia Honda State Park (WBID 6018) for mercury, Bahia Honda Oceanside (WBID 8080B) for bacteria, Long Key (WBID 6010) for mercury, Duck Key (WBID 6016) for mercury, Lower Matecumbe Key (WBID 6019) for copper and mercury, Annie's Beach (WBID 8084B) for bacteria, Florida Bay - Middle Keys (WBID 8077) for mercury, Gulf of Mexico - Monroe County: Bahia Honda - Cudjoe Key (WBID 8075) for mercury, Gulf of Mexico - Monroe County: Marathon (WBID 8076) for mercury, Atlantic Ocean - Monroe County: Bahia Honda - Cudjoe Key (WBID 8080) for mercury, Atlantic Ocean - Monroe County: Marathon (WBID 8081 and 8082) for mercury, and Atlantic Ocean - Monroe County: Long Key (WBID 8083) for mercury]; and Other Rocks (a principal aquifer of the State of Florida). In addition, Coupon Bight Aquatic Preserve at Big Pine Key is located within the vicinity of the project and is considered part of the Florida Keys National Marine Sanctuary.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Where removal of the cantilevered road deck is proposed, potential damage to benthic resources and adverse water quality effects as a result of falling debris will be reduced. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

The overall project will be designed to meet state water quality and quantity standards. Best Management Practices, along with catchment structures or curtains, will also be employed to prevent sediment/turbidity/contaminants/other foreign material from entering surrounding waters as a result of the proposed work. As these waters are afforded a higher level of protection, all relevant agency coordination will take place and permits obtained to meet the more stringent water quality treatment and attenuation requirements (specifically pertaining to stormwater) associated with discharge to Outstanding Florida Waters or impaired waters. Currently, an Environmental Resource Permit is anticipated for this project; additional permits through the Florida Keys National Marine Sanctuary and/or Florida Department of Environmental Protection (FDEP) [such as the need for a FDEP National Pollutant Discharge Elimination System permit with a Stormwater Pollution Prevention Plan] are also likely. Based on the foregoing, minimal involvement regarding water quality and quantity is anticipated. A Water Quality Impact Evaluation will be conducted to determine potential impacts to water quality and quantity.

## Floodplains

### Project Level

**Comments:**

**Degree of Effect:** N/A / No Involvement

According to DFIRM 100-Year Floodplain data, the 200-foot project buffer is located within 40.0 acres of Flood Zone AE and 375.3 acres of Flood Zone VE; both are designated Special Flood Hazard Areas.

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

This project will address safety conditions due to structural and functional deficiencies associated with the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Although there is a notable amount of 100-year floodplain within the vicinity of the project, floodplain encroachment is typically not an issue in areas affected by coastal flooding. In addition, given that the proposed improvements at this time are to be predominantly confined to the bridges themselves, no involvement regarding floodplains is anticipated.

### **Wildlife and Habitat**

#### **Project Level**

**Comments:**

**Degree of Effect:** Moderate

The following wildlife and habitat resources are located within the 200-foot project buffer: Florida Keys Ecosystem Management Area; Florida Keys National Marine Sanctuary; Florida Keys Ecosystem Florida Forever Board of Trustees Project; a Comprehensive Everglades Restoration Plan project; Key Deer National Wildlife Refuge and Great White Heron National Wildlife Refuge; eight Florida Managed Areas [Naval Air Station Key West, Florida Keys Wildlife and Environmental Area, Saddlebunch Key Sanctuary, Saddlebunch Keys, Key Deer National Wildlife Refuge, Monroe County Managed Areas, Bahia Honda State Park, and Florida Keys Overseas Heritage Trail (also a designated Florida State Park)]; critical habitat for the American crocodile, elkhorn and staghorn corals, piping plover, and rice rat; geographic range of the American crocodile, Key deer, Lower Keys marsh rabbit, piping plover, roseate tern, Schaus swallowtail butterfly, Miami blue butterfly, West Indian manatee, loggerhead and other species of sea turtles, smalltooth sawfish, shorebird nesting locations, and Miami-Dade Keys Plants; designated Rare and Imperiled Fish habitat for the mangrove rivulus; and occurrences of Garber's spurge and the Martial scrub hairstreak butterfly. The project area also contains environmentally sensitive shorelines, continuous seagrass beds, and mangrove swamp habitat.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Where removal of the cantilevered road deck is proposed, shading impacts and potential damage to benthic resources as a result of falling debris will be reduced. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

Moderate involvement regarding wildlife and habitat resources is anticipated due to the potential for in-water work, use of a barge to perform the proposed bridge improvements, and/or potential disturbance of possible nesting or loafing sites for various bird species. An Endangered Species Biological Assessment will be conducted to determine potential impacts to area wildlife and habitat resources. Best Management Practices and agency specifications (such as National Marine Fisheries Service Sea Turtle and Smalltooth Sawfish Construction Conditions, United States Fish and Wildlife Service Standard Manatee Conditions for In-Water Work, and Florida Fish and Wildlife Conservation Commission Sea Turtle Lighting Guidelines) will also be implemented to reduce potential impacts. Section 7 consultation is additionally anticipated as this consultation (informal) has been required on previous Florida Keys Overseas Heritage Trail Programmatic Categorical Exclusion projects. Based on this consultation, it is hoped that a Programmatic Biological Opinion (to address all twenty-three bridges as a single resource) could be issued by each jurisdictional agency.

## Coastal and Marine

### Project Level

#### Comments:

Degree of Effect: **Moderate**

The historic bridges are located in both the Florida Bay Estuarine Drainage Area and Vero Beach Coastal Drainage Area and run parallel to and cross the Atlantic Intracoastal Waterway. Coastal and marine resources reported within the 200-foot project buffer include: the Florida Keys National Marine Sanctuary, which encompasses all of the Florida Keys and is classified as "Special Waters" Outstanding Florida Waters; Bahia Honda State Park, which is classified as Other Outstanding Florida Waters; Little Knockemdown/Torch Keys Complex, Sugarloaf Sound, Saddlebunch Keys, and Channel Key Coastal Barrier Resource System Units and Key Deer/White Heron and Bahia Honda Key Coastal Barrier Resource System Otherwise Protected Areas; 798.5 acres of submerged lands; 31,553.0 linear feet of environmentally sensitive shorelines; and 203.7 acres of continuous seagrass beds and 508.3 acres of discontinuous seagrass beds. The Coupon Bight Aquatic Preserve at Big Pine Key is also located within the vicinity of the bridges. Submerged aquatic vegetation (seagrass), mangrove swamp habitat, coral and coral reefs, live/hard bottom, and sand/mud bottom serve as Essential Fish Habitat in the project area for several federally-managed fish species and their prey. Managed species for these types of Essential Fish Habitat include: shrimp; spiny lobster; snapper/grouper (includes other families of fish - e.g., grunts); dolphin/wahoo; coastal migratory pelagics (e.g., cobia, mackerel); and highly migratory species (e.g., nurse shark). Further, the entire Florida Keys National Marine Sanctuary is considered a Habitat Area of Particular Concern due to its important ecological role in the life cycles of federally managed fish species.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Where removal of the cantilevered road deck is proposed, shading impacts and potential damage to benthic resources as a result of falling debris will be reduced. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

Moderate involvement regarding coastal and marine resources is anticipated due to 1) potential impacts from improvement related disturbances (i.e., debris, dust, contaminants, etc. as a result of the repair/rehabilitation and/or removal of deteriorating cantilevered road deck), and 2) possible shading effects from potential in-water work, use of a barge to perform the proposed bridge improvements, and/or the addition of a new structural component to fill the existing span gap of the historic South Pine Channel Bridge. Avoidance and minimization measures, such as top-down or bridge mounted construction, will be considered. An Essential Fish Habitat Assessment (including a Benthic Resource Assessment/seagrass survey), Endangered Species Biological Assessment, and Wetland Evaluation Report (or a combined Natural Resources Evaluation Report) will be performed to determine potential impacts to area coastal and marine resources and further coordinated with appropriate state and federal resource agencies.

## Physical

### Noise

#### Project Level

#### Comments:

Degree of Effect: **Minimal**

The twenty-three historic bridges are primarily surrounded by conservation, recreational, and residential land uses with limited commercial, vacant, industrial, institutional, and military activities. There are no eye clinics, laser facilities, hospitals/healthcare facilities, or senior care facilities (features that are typically sensitive to noise and vibration effects) within the vicinity of the project.

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

This project is anticipated to benefit residents and visitors of the area by addressing safety conditions associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Noise and vibration levels could temporarily increase during the repair/rehabilitation and/or removal of deteriorating cantilevered road deck, affecting nearby residences and businesses and the enjoyment of proximate recreational amenities. However, given that the proposed improvements at this time are to be predominantly confined to the bridges themselves, overall noise and vibration related impacts as a result of the project are anticipated to be minimal. A Noise Study Report will be prepared to better determine potential impacts to adjoining communities.

**Comments:**

Degree of Effect: **None**

The twenty-three bridges are not located within a USEPA-designated Air Quality Maintenance or Non-Attainment Area for any of the four pollutants [nitrogen oxides, ozone, carbon monoxide, and small particulate matter] specified by the USEPA in National Ambient Air Quality Standards. Therefore, the Clean Air Act conformity requirements do not apply to this project at this time.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. While potential temporary impacts to air quality could occur as a result of emissions from equipment and dust generated from repair/rehabilitation and/or removal of deteriorating cantilevered road deck, as well as construction of new impervious surface stemming from bridge repair/rehabilitation work, no permanent effects to air quality are anticipated. Catchment structures, along with Best Management Practices and Florida Department of Transportation Standard Specifications for Road and Bridge Construction, will be employed to reduce potential air quality impacts. In addition, an Air Quality Technical Memorandum will be prepared to determine potential effects to air quality.

### **Contamination**

#### **Project Level**

**Comments:**

Degree of Effect: **Moderate**

The following potential sources of contamination are reported within the 200-foot project buffer: one hazardous waste facility, two petroleum contamination monitoring sites, two storage tank contamination monitoring sites, and one Super Act Risk Source. Further, hazardous materials (e.g., creosote, lead, asbestos) could potentially be associated with elements of the existing bridges.

## DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT DRAFT

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Moderate involvement regarding contamination is anticipated due to the proposed removal of potentially hazardous bridge elements and/or disturbance of proximate potential contamination sources during repair/rehabilitation work (particularly if new impervious surface is constructed). A Contamination Screening Evaluation Report will be prepared to determine potential contamination effects, as well as any required materials testing of the bridge elements.

### Infrastructure

#### Project Level

**Comments:**

**Degree of Effect:** Minimal

The following infrastructure-related features are reported within the 200-foot project buffer: ten marine facilities, one FM tower structure, two solid waste facilities, and one USEPA water quality data monitoring station. Some of the bridges additionally have abandoned utility pipes and hangers affixed to the walls of the concrete spandrel arches that are in critical condition due to corrosion. Based on recent bridge inspection reports, removal of these abandoned utility pipes and hangers is recommended to protect the structural integrity of the concrete spandrel arches.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. Given that the proposed improvements at this time are to be predominantly confined to the bridges themselves, minimal impacts to surrounding infrastructure-related resources are anticipated.

### Navigation

#### Project Level

**Comments:**

**Degree of Effect:** Minimal

The twenty-three historic bridges run parallel to and cross the Atlantic Intracoastal Waterway (a navigable waterway that supports interstate commerce and is listed as part of Florida's Strategic Intermodal System) as well as the Gulf Deep Water Spur and Florida Shallow Water Spine (other navigable waterways). Currently, there are gaps in the spans of seven bridges (Kemp Channel Bridge, Niles Channel Bridge, South Pine Channel Bridge, Spanish Harbor Bridge, Bahia Honda Bridge, Seven Mile Bridge and Channel #5 Bridge) for navigational purposes.

It should be noted that boater access to community features and area destinations is limited at this time as a result of safety conditions due to falling debris from deteriorating cantilevered road deck. This project is anticipated to benefit boaters of the area by addressing mobility and access issues, as well as safety conditions, associated with the structural and functional deficiencies of the

majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to United States Coast Guard (USCG) navigational standards. Navigation could be affected short-term as a result of intermittent closures to the bridges during the proposed work. For these reasons, minimal impacts to navigation are anticipated. Any proposed new bridge construction will meet horizontal and vertical clearance requirements set forth by the USCG. Based on preliminary coordination with the USCG, a comprehensive approach will be developed regarding the bridge improvements in order to address navigational issues pertaining to the historic bridges holistically. A Navigation Study, Bridge Questionnaire/Waterway Vessel Survey, and Bridge Hydraulics Report will be performed as needed to determine potential effects to navigation.

## Special Designations

### **Special Designations: Outstanding Florida Waters**

#### **Project Level**

##### **Comments:**

**Degree of Effect:** Minimal

The twenty-three historic bridges span the Florida Keys National Marine Sanctuary, which encompass all of the Florida Keys and is classified as "Special Waters" Outstanding Florida Waters. Bahia Honda State Park, which is classified as Other Outstanding Florida Waters, is also located within the 200-foot project buffer. The Coupon Bight Aquatic Preserve at Big Pine Key is additionally located within the vicinity of the project and is considered part of the Florida Keys National Marine Sanctuary.

This project will address the issue of falling debris from deteriorating cantilevered road deck associated with the structural and functional deficiencies of the majority of the twenty-three Florida Keys Historic Bridges through repair/rehabilitation and/or removal options. Where removal of the cantilevered road deck is proposed, potential damage to benthic resources and adverse water quality effects as a result of falling debris will be reduced. Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards.

The overall project will be designed to meet state water quality and quantity standards. Best Management Practices, along with catchment structures or curtains, will also be employed to prevent sediment/turbidity/contaminants/other foreign material from entering the water as a result of the proposed work. As these waters are afforded a higher level of protection, all relevant agency coordination will take place and permits obtained to meet the more stringent water quality treatment and attenuation requirements (specifically pertaining to stormwater) associated with discharge to Outstanding Florida Waters or impaired waters. Construction methodologies to minimize impacts to Outstanding Florida Waters will also be considered. Based on the foregoing, minimal involvement regarding these specially designated resources is anticipated.

## Special Designations: Scenic Highways

### Project Level

#### Comments:

Degree of Effect: **Substantial**

The Florida Keys Scenic Highway corridor stretches along existing US Highway 1 from Mile Marker 110, north of the Jewish Creek Bridge, to Mile Marker 0 in Old Town Key West. The scenic highway corridor also extends five miles on each side of US Highway 1, encompassing all of the Florida Keys (including natural features, communities, and the twenty-three historic bridges). In 2009, the Florida Keys Scenic Highway was designated as an All-American Road, the highest status in the National Scenic Byways System and one of only thirty-one in the whole country.

The proposed bridge improvements are anticipated to address aesthetic aspects of the existing bridges by repairing/rehabilitating and/or removing deteriorating elements of the bridges (i.e., corroded steel I-beams and utility pipes, cracking/spalling concrete decks, etc.). Once repair/rehabilitation and/or removal options have been analyzed to address the deteriorating bridge elements, improvements intended to allow for the incorporation of a future trail facility on the historic bridges to complete the Florida Keys Overseas Heritage Trail [i.e., retrofitting the Florida Keys Historic Bridges (without existing trail) to scenic overlooks and reconnecting the historic South Pine Channel Bridge to fill the existing span gap] will be evaluated. The inclusion of trail on four of the bridges [Niles Channel Bridge, Bahia Honda Bridge, Seven Mile Bridge, and Channel #5 Bridge] will be evaluated through a separate study due to the challenges associated with building new bridge structural components to USCG navigational standards. If the existing cantilevered road deck of the bridges is completely removed or other elements of the bridge structures are dramatically altered/removed, visual impacts to the scenic highway could be a concern as the overhangs, concrete spandrel arches, steel plate girders, and steel trusses are considered contributing aspects of the bridges' aesthetic quality and historic physical integrity. The modification or removal of bridge structure elements could also alter the existing viewshed of the Florida Keys Scenic Highway. For these reasons, substantial involvement regarding scenic highways is anticipated.

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Sustainability/Projects

Bulk Item: Yes  No

Staff Contact /Phone #: Rhonda Haag, 453-8774

---

**AGENDA ITEM WORDING:** Ratification of Amendment No. 6, which now includes previously omitted Exhibits A-6 and B-6 to the Contract For *Engineering, Design And Permitting Services of the Demonstration Projects*, with AMEC Foster Wheeler Environment and Infrastructure, Inc. approved as Item M7 on the December 9, 2015 regularly scheduled board meeting.

---

**ITEM BACKGROUND:** Amendment #6 was passed by the BOCC on December 9, 2015 regularly scheduled board meeting. Subsequent to passage it was determined that two exhibits (A-6 and B-6) were missing from the BOCC agenda backup. Attached as backup is the complete Amendment No. 6 with the omitted exhibits. Nothing in this complete package changes the intent of the original amendment. This amendment authorizes (1) an extension of time from December 31, 2015 to July 31, 2016; (2) updates the travel expenses to reflect the revisions to the Monroe County travel expense rates; and (3) reallocates \$42,437.30 from the design services for Canal #459 (culvert requiring Navy approval) to *General Project Management Services* instead. The Contract value remains unchanged. The authorization is retroactive to December 9, 2015.

(1) The three largest demonstration projects have been either completed or are underway. The schedule for the remaining demonstration projects, #277 culvert, and #266 and #287 air curtains, was delayed to allow the organic removal and backfilling projects to be completed first. An extension of time is requested to allow AMEC time to perform Construction Engineering Inspection services for the remaining demonstration projects.

(2) Travel expenses are updated to reflect the revisions to the Monroe County rates as approved by the BOCC on March 18, 2015.

(3) The contract extension requires a reallocation of \$42,437.30 from the task for *design of the (Navy) culvert* to the task for *ongoing demonstration project management services*, i.e. RESTORE support, homeowner coordination, project status reports, invoice review and preparation, assisting the County's project manager with canal workshop presentation materials, meeting presentations, meeting minutes, etc. These services provided are in lieu of an FTE (full time equivalent) that otherwise would have been necessary to support the canal restoration program.

Note that staff is recommending that the design services for Canal #459 (culvert requiring Navy approval), be placed on hold until additional funds are available. There are two other demonstration culvert projects, #277 Tropical Bay and #472 Geiger Key. The Canal #459 culvert project will be addressed when future funds are available.

---

**PREVIOUS RELEVANT BOCC ACTION:**

- 12-11-13: Approval to advertise an RFQ for the design and permitting of the canal demo projects.
- 02-19-14: Approval to negotiate a contract for the design and permitting of the canal demo projects.
- 05-21-14: Approval of contract with AMEC for design, permitting, field assessment tasks including bathymetric surveys, mangrove assessment, tidal studies for hydraulic modeling and geotechnical studies; project

management and engineering support during construction for six (6) of the seven (7) demonstration canals in unincorporated Monroe County. The Eden Pines "Pumping" project was not yet included.

- 9-17-14: Approval of a Grant Agreement S-0723 from the Florida Department of Environmental Protection (FDEP) for funding of services for engineering construction support services and the installation of a culvert on Canal #472 Geiger Key that is the 3rd ranked canal demonstration project in the Canal Management Master Plan for culvert installation. The project will be funded up to \$100,000 in funds provided by FDEP, the County will fund the remainder.
- 9-17-14: Approval of Amendment No 1 to provide additional services related to engineering support during construction for the 3rd ranked culvert demonstration project at Canal #472 Geiger Key as funded under DEP grant S-0723.
- 2-18-15: Approval of Amendment No. 2 to change the company name from AMEC Environment & Infrastructure, Inc. to Amec Foster Wheeler Environment & Infrastructure, Inc. and add the subcontractor 'Davis Environmental Solutions'
- 5-20-15: Approval of Amendment No. 3 to extend the contract expiration date from June 30, 2015 to December 31, 2015 at no additional cost to the County.
- 7-15-15: Approval of Scribner error correction to Amendment No. 3.
- 7-15-15: Approval of Amendment No. 4 to provide additional funds for Construction Administration and Construction Engineering Inspection Services for the Organic Removal project at Canal #266 in Big Pine, and add overall project management services from July 16, 2015 through December 31, 2015.
- 10-21-15: Approval of Amendment No. 5 to increase the scope of services at Canal #290 in the Avenues in Big Pine Key for additional budget for Construction Administration and Construction Engineering Inspection services.
- 12-09-15 Amendment #6 was passed and is revised by this amendment on January 20, 2016

OMB Form Revised 2/27/01 MCP #2

AMENDMENT NO. 6  
TO THE CONTRACT  
FOR ENGINEERING, DESIGN AND PERMITTING SERVICES  
FOR THE CANAL DEMONSTRATION PROJECTS

THIS AMENDMENT NO. 6, dated December 9, 2015, is entered into between the County and the CONSULTANT, to the Contract For *Engineering, Design And Permitting Services*, dated the 21<sup>st</sup> day of May, 2014, as amended September 17, 2014 (A1), February 18, 2015 (A2), May 20, 2015 (A3), July 15, 2015 (A4) and October 21, 2015 (A5) by and between Monroe County Board of County Commissioners, "COUNTY," and AMEC Foster Wheeler Environment & Infrastructure, Inc., "AMEC".

WITNESSETH:

WHEREAS, much engineering and administrative coordination work has been performed under the Contract and the three largest demonstration projects are complete or underway with the remaining air curtain and culvert projects in the process of procurement; and

WHEREAS, an extension to the overall schedule of the demonstration projects is required to allow time for development of the remaining project solicitations, coordination of the permitting, coordination with the County and construction engineering and inspection (CEI) services; and

WHEREAS, the estimated construction completion date for the current demonstration projects, with the exception of the Canal #459 (culvert requiring Navy approval), is July 31, 2016; and

WHEREAS, an extension of time is required to extend the Contract from December 31, 2015 to July 31, 2016; and

WHEREAS, travel expenses need to be updated to reflect the revisions to the Monroe County rates as approved by the BOCC on March 18, 2015; and

WHEREAS, a reallocation of task funds is required for AMEC to provide additional overall project management administration and coordination services for the extended contract period.

NOW, THEREFORE, in consideration of mutual promises, covenants and contracts stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and AMEC agree as follows:

1. Article 2.1.2 is hereby DELETED and REPLACED with the following:

2.1.2 This CONTRACT is effective on the 21<sup>st</sup> day of May, 2014 and shall extend through July 31, 2016. Travel expenses as detailed in **Exhibit B-6** are updated to reflect the revisions to the Monroe County rates. AMEC shall provide the deliverables as specified in **Exhibit A-6 “Revised Deliverable Schedule”** and shall submit invoices following **Exhibit B-6 “Revised Schedule of Values”**.

2. AMEC will provide the ongoing scope of services as specified in **Exhibit C-6 “AMEC FOSTER WHEELER’S SCOPE OF SERVICES”** attached and made a part of this AMENDMENT No. 6.

3. This AMENDMENT No. 6 reallocates \$42,437.30 from the engineering design services for Canal #459 (culvert requiring Navy approval) to General Project Management Services instead, specifically Tasks 3-7. The design services for Canal #459 (requiring Navy approval) will not be completed until additional funds are located and BOCC approval received. The overall CONTRACT value remains the same at Seven Hundred Eighty Four Thousand Four Hundred Forty Six Dollars and Fourteen Cents (\$784,446.14).

4. All other provisions of the Contract For Engineering, Design And Permitting Services, dated the 21st day of May, 2014, as amended September 17, 2014 (A1), February 18, 2015 (A2), May 20, 2015 (A3), July 15, 2015 (A4) and October 21, 2015 (A5) not inconsistent herewith, shall remain in full force and effect.

**THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK.**

IN WITNESS WHEREOF, each party caused this AMENDMENT NO. 6 to be executed by its duly authorized representative on the day and year first above written.

| Geophysical Equipment (GPR Equipment)                                                                                      | \$1,000.00/day (min 2 days)                                                 |
| Underwater Camera Equipment/Video up to 50 feet depth and low turbidity                                                    | \$1,900.00/day                                                              |
| Environmental Monitoring & Sampling Equipment (dust, OVA, Air monitoring, Noise Meter, Light Meter)                        | \$100.00 to \$450.00/day<br>Depending upon the equipment and scale required |
| Special equipment or supplies, permits, shipping charges, special printing or other items not customarily provided by Amec | Actual cost x 1.15                                                          |

**D. Communications**

In-house costs for long distance phone, telex, telecopier, postage – project labor charges x 5%

**III. Subcontract**

Subcontract services will be invoiced at a cost multiplied by 1.15

**EXHIBIT C-6**  
**AMEC FOSTER WHEELER'S SCOPE OF SERVICES**

**A. Project Management During Implementation of the Installation of Canal Restoration Demonstration Projects consisting of the Canal #290 Organic Removal, Canal #266 Air Curtain Installation, Canal #287 Air Curtain Installation and Canal #277 Culvert Installation**

**1. Scope of Work:**

AMEC will provide general project management services for a 7 month period extending from January 1, 2016 through July 31, 2016 for overall management during the construction of the Canal Restoration Projects including: Canal #290 organic removal, Canal #266 and #287 Air Curtains, and Canal #277 culvert. A cost has been included based upon providing a project manager for approximately 20% of the time during the 7 month time frame. This task will include RESTORE coordination, client communications, attendance at meetings, homeowner coordination, preparation of project updates, assistance with preparation of materials and attendance at the upcoming Canal BOCC Workshop, and monthly invoicing. This scope extends the services included in the Amendment No. 4 which currently terminates on December 31, 2015.

**2. Overall Project Management Deliverables:**

- . Monthly project status reports and monthly invoices detailing work activities performed within the month.
- . Canal Workshop presentation materials
- . Meeting presentations
- . Meeting minutes.

**3. Project Management Budget: \$ 42,437.30**

The attached spreadsheet provides the labor details. Additional staff may be utilized on these projects, as needed, per the Contract Schedule of Values also attached.

**4. Completion Date: July 31, 2016**

**TOTAL ALL TASKS: \$42,437.30**

|                                                                                              |              |               |                                                                                       |            |

| CADD/Draftsperson (includes PC/CAD) I                                                        | \$66.00/hour  |
| CADD/Draftsperson (includes PC/CAD) II                                                       | \$101.00/hour |
| Admin I                                                                                      | \$40.00/hour  |
| Admin II                                                                                     | \$52.00/hour  |

**C. Surveying Services**

|                      |              |
|----------------------|--------------|
| Field Surveyor I     | \$43.00/hour |
| Field Surveyor II    | \$47.00/hour |
| Survey Technician I  | \$67.00/hour |
| Survey Technician II | \$72.00/hour |
| Survey Chief         | \$75.00/hour |

**D. Information Management**

|                          |               |
|--------------------------|---------------|
| Software Engineer        | \$92.00/hour  |
| Data Technician          | \$132.00/hour |
| Senior Software Engineer | \$162.00/hour |
| Business Analyst         | \$132.00/hour |

**E. Contract Labor**

From time to time, Amec Foster Wheeler retains outside Professional and Technical labor on a temporary basis to meet peak workload demands. Such contract labor will be charged at 10% markup.

**II. Expenses**

**A. Travel Expenses**

1. Transportation: Company pickup truck/personal vehicle, per mile – current allowable rate per County and Florida State Statutes
  - a. Company pickup truck per day - \$75.00
  - b. Common carrier or car rental multiplies by (to be the amounts authorized by Section 112.062, Florida Statutes)
2. Per Diem Expenses: direct expenses in accordance with Florida State Statutes

**B. Disposal of Hazardous Waste Samples**

Samples of waste will be disposed by permitted methods after a determination is made that the waste is defined by RCRA to be hazardous. Due to the requirements for some hazardous assessments, disposal and invoicing of incurred expenses may take place after invoicing of the originally contracted work.

**C. Equipment / Other Expenses**

(Does not include personnel)

|                                                                                                                            |                                                                             |
|----------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| Digital Field Documentation Equipment (cameras, water level & measuring tape, GPS units, etc.)                             | \$75.00/day (min 2 days)                                                    |
| Geophysical Equipment (GPR Equipment)                                                                                      | \$1,000.00/day (min 2 days)                                                 |
| Underwater Camera Equipment/Video up to 50 feet depth and low turbidity                                                    | \$1,900.00/day                                                              |
| Environmental Monitoring & Sampling Equipment (dust, OVA, Air monitoring, Noise Meter, Light Meter)                        | \$100.00 to \$450.00/day<br>Depending upon the equipment and scale required |
| Special equipment or supplies, permits, shipping charges, special printing or other items not customarily provided by Amec | Actual cost x 1.15                                                          |

**D. Communications**

In-house costs for long distance phone, telex, telecopier, postage – project labor charges x 5%

**III. Subcontract**

Subcontract services will be invoiced at a cost multiplied by 1.15

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Sustainability

Bulk Item: Yes  No

Staff Contact Person: Rhonda Haag, 453-8774

---

**AGENDA ITEM WORDING:** Rescission of Item M8 from the December 9, 2015 regularly scheduled board meeting due to a scrivener's error and Approval of Amendment No. 6 with Erin L. Deady, P.A. for a pilot project on integrating design of stormwater, tidewater and road elements in two communities for sea level rise adaptation and to extend the contract.

---

**ITEM BACKGROUND:** This Amendment No. 6 was previously approved as item M8 at the December 09, 2015 BOCC meeting however part of a WHEREAS clause was inadvertently deleted from the agenda item creating an inconsistency in the amendment. The 7<sup>th</sup> Whereas clause previously read as follows;

WHEREAS, this "pilot effort" will define acceptable levels of service for future flood risk in two communities in the Keys which were heavily impacted by recent extreme high tides in October 2015. Once acceptable levels of service are defined, possible strategies for those roadways in the two pilot communities will include a rough order of magnitude preliminary project dialogue;

The 7<sup>th</sup> WHEREAS clause now correctly reads as follows;

WHEREAS, this "pilot effort" will define acceptable levels of service for future flood risk in two communities in the Keys which were heavily impacted by recent extreme high tides in October 2015. Once acceptable levels of service are defined, possible strategies for those roadways in the two pilot communities will include a rough order of magnitude preliminary opinion of probable construction ("OPC") cost estimate for proposed strategies to enable later project dialogue;

The amendment amends the schedule and scope of services to develop policy and design alternatives in two pilot communities to be selected, for reducing the effects of tidal flooding, stormwater, and long term sea level rise supporting more resilient infrastructure features focused on alleviating flooding on roadways. Additional tasks and coordination under this Amendment No. 6 will be completed by August 1, 2016.

---

**PREVIOUS RELEVANT BOCC ACTION:**

**7-17-13:** Approval to advertise an RFP to develop a Sustainability Action Plan with Climate Change and Energy Savings Initiatives. The RFP included a request for the base Sustainability Plan plus any optional services that would help the County prepare for a fully sustainable future.

**10-16-13:** Approval to negotiate both the sustainability base contract and the additional climate modeling services.

**11-20-13:** Approval of the contract with climate change and energy savings elements.

**03-19-14:** Approval of Amendment No. 1 to modify task and deliverables schedule.

**02-18-15:** Approval of Amendment No. 2 to add outreach components for sea level rise workshops in the middle and lower Keys.

**07-15-15:** Approval of Amendment No. 3 which was a schedule revision with no additional deliverables.

**09-16-15:** Approval of Amendment No. 4 which was added a single modeling run.

**10-21-15:** Approval of Amendment No. 5 to add additional modeling tasks and extend the contract to January 2016.

**12-09-15:** Approval of Amendment No. 6 for a pilot project on integrating design of stormwater, tidewater and road elements in two communities for sea level rise adaptation and to extend the contract.

---

**CONTRACT/AGREEMENT CHANGES:** Adding new services for tidal flooding planning for two demonstration areas.

---

**STAFF RECOMMENDATIONS:** Approval.

**AMENDMENT NO. 6  
TO THE CONTRACT FOR  
DEVELOPMENT OF A SUSTAINABILITY ACTION PLAN  
WITH ENERGY AND CLIMATE CHANGE INITIATIVES  
BETWEEN  
MONROE COUNTY  
AND ERIN L. DEADY, P.A.**

THIS AMENDMENT NO. 6, effective as of December 9, 2015, made to the AGREEMENT dated December 11, 2013, as amended April 16, 2014 (A1), February 18, 2015 (A2), July 15, 2015 (A3), September 16, 2015 (A4), and October 21, 2015 (A5) is made and entered into this by MONROE COUNTY ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040 and ERIN L. DEADY P.A., ("CONSULTANT"), whose address is 1111 Hypoluxo Road, Suite 207, Lantana, FL 33462.

**WITNESSETH**

**WHEREAS**, the COUNTY has engaged the services of the CONSULTANT to develop the COUNTY'S Sustainability Action Plan and to provide sea level rise modeling and outreach services; and

**WHEREAS**, the CONSULTANT has provided successful sea level rise modeling and public outreach meetings for residents of the Keys; and

**WHEREAS**, the County experienced abnormally high tides in the month of October 2015 and anticipates more frequent and higher street flooding in the future related to sea level rise; and

**WHEREAS**, the County desires to start preparing for more nuisance and inundation events given that future of sea level rise impacts will impact roads; and

**WHEREAS**, this amendment proposes work consistent with preliminary recommendations already developed in the GreenKeys Sustainability Plan and will include future flood risk from sea level rise in capital planning and comprehensively integrate stormwater, tidal flooding and road design features to prepare for additional tidal flooding events in the future; and

**WHEREAS**, this amendment will also help define alternative levels of service for consideration by the County that account for future tidal risk based on modeling already completed in the GreenKeys Planning effort as well as near term modeling to occur in conjunction with a National Oceanic and Atmospheric Administration ("NOAA") grant the County is anticipated to receive beginning in 2016; and

**WHEREAS**, this "pilot effort" will define acceptable levels of service for future flood risk in two communities in the Keys which were heavily impacted by recent extreme high tides in October 2015. Once acceptable levels of service are defined, possible strategies for those roadways in the two pilot communities will include a rough order of magnitude preliminary opinion of probable construction ("OPC") cost estimate for proposed strategies to enable later

project dialogue; and

**WHEREAS**, the COUNTY desires to modify the AGREEMENT to define Existing Tidal/Stormwater Inundation Areas in two pilot communities; define Future Tidal Inundation Areas in two pilot communities; identify Level of Service and Design Response Alternatives in two pilot communities and establish Response Policies for two pilot communities; and

**WHEREAS**, the parties agree to extend the date of the Agreement to August 1, 2016 to allow for the completion of services under this AMENDMENT NO. 6 only, but still complete the work included in A-5 by January 31, 2016;

**NOW, THEREFORE**, for and in consideration of the mutual covenants and promises as hereinafter set forth and of the faithful performance of such covenants and conditions, the COUNTY and CONSULTANT do hereby agree as follows:

1. CONSULTANT shall provide the additional services as described in the Scope of Services **Exhibit A-6** attached, including the spread sheet attachment, which is attached hereto and made a part of this agreement.
2. This Amendment No. 6 shall create new deliverables and extend the contract by 184 days to August 1, 2016. CONSULTANT shall provide the deliverables outlined in **Exhibit B-6**. Deliverables provided for A-5 shall be finalized by January 31, 2016, after direction is provided at the January 13, 2016 Board of County Commissioner workshop on sea level rise and the Draft GreenKeys Sustainability Plan.
3. This AMENDMENT NO. 6 provides additional funds in the amount of Ninety Eight Thousand Eight Hundred and Seventy Three Dollars (\$98,873.00). Payment will be made according to the Deliverable Schedule attached as **Exhibit B-6**.

REMAINDER OF THIS PAGE PURPOSELY LEFT BLANK

IN WITNESS WHEREOF, the parties hereto have caused these present to be executed on the \_\_\_\_\_ day of \_\_\_\_\_ 2015.

(SEAL)

**MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**

Attest: **Amy Heavilin, CLERK OF MONROE COUNTY, FLORIDA**

By \_\_\_\_\_  
Deputy Clerk

By: \_\_\_\_\_  
Mayor

APPROVED AS TO FORM  
PEDRO J. MERCADO  
ASSISTANT COUNTY ATTORNEY  
Date 12/2/15

## EXHIBIT A-6

### STATEMENT OF WORK

#### Scope of Services

The CONSULTANT will assist the County with building on what has already been accomplished under the CONTRACT on the GreenKeys Plan. In addition to the services previously listed in the CONTRACT, the CONSULTANT will provide the following additional project tasks identified below:

#### Project Introduction

Monroe County communities have been experiencing regular flooding from storm water ponding and tidal conditions, a concern that will likely be exacerbated by expected increases in sea level rise. This work effort is focused on conducting a pilot study with the intent of determining actions that could be taken to maintain an appropriate level of service along roadways within two communities when considering the combined effects of stormwater, tidal inundation and sea level rise. The communities to be assessed will include the Shaw Drive / Adams neighborhood in Key Largo and one other community in another part of Monroe County to be identified later.

This work effort will take advantage of earlier efforts conducted within the county to define the risks from sea level rise and tidal flooding. The work effort is organized to develop a full understanding of inundation, both currently and longer term – followed by the development of engineering responses and policy recommendations. It is assumed for this scope of work that some specific data elements, specifically LIDAR topographic data, including derived topographic data layers – will be available for use.

The scope of work to complete this work is outlined below:

#### **Task 1.0 - Project Management**

The work effort for this task shall consist of the following coordination efforts among the county project manager and the CONSULTANT. Actions under this task shall consist of:

- 1) Bi-weekly conference calls to provide project updates among team members.
- 2) Two in-person meetings at key milestone points to discuss preliminary findings. Those milestone points will be:
  - a. At the conclusion of the development of the engineering recommendations
  - b. To discuss pre-final report recommendations

#### **Task 2.0 Define Existing Tidal/Stormwater Inundation Areas**

A critical first effort to developing a response to existing and future flooding concerns will be the development of spatial data that reflects conditions today in the two pilot neighborhoods. This will allow for the development of future flood risk given future sea level rise projections. This work shall include:

- 1) Developing mapping (based on existing data developed for the GreenKeys Plan) for tidal conditions based on available spatial data
- 2) Refinement of this mapping based on community input and/or anecdotal information provided by County representatives and stakeholders with knowledge of the conditions in the neighborhoods
- 3) Identify inundation levels for various conditions, including regular and high tides predicted to be more frequent with future sea level rise. The effort shall include the identification of the probabilities of such events (daily, monthly, annually, etc.) as this will be an important consideration in later level of service discussions.

Deliverable: GIS mapping and shapefiles which represent community inundation levels, including identified probability levels based on existing work completed in the GreenKeys effort and that will be updated or refined as necessary with new data.

### **Task 3.0 Define Future Tidal Inundation Areas**

Inundation levels for today will change given projected future sea level rise values identified in the GreenKeys Planning effort. The primary intent of this task is to develop an understanding of how those sea level rise projections will impact inundation in the two subject pilot communities. The specific work efforts to be completed under this task include:

- 1) Utilize sea level rise values for 2030 and 2060 to identify rates of change that can be applied by decade to define the timeframe of future inundation
- 2) Develop inundation levels that reflect those future values and identify how they may impact the inundation in each of the two pilot communities

At the conclusion of task 3, the data from tasks 2 and 3 will be combined to determine an estimate of probability of flooding for the two neighborhoods, as well as the water levels associated with each of those probabilities as a means of providing data by which important policy decisions on levels of service delivery can be made in the future.

### **Task 4.0 Identify Level of Service and Design Response Alternatives**

These steps to define potential responses to future flood risk from sea level rise include the development of a level of service policy to guide potential investment decisions, and the development of conceptual engineering design strategies/alternatives for reducing/eliminating inundation on community roadways. The activities to be completed under this task include:

- 1) Discuss policy with County officials to identify appropriate targets for inundation levels based on alternatives to be developed by the Project Team. This dialogue would be expected to include the identification of various levels and how often a roadway should be allowed to be inundated, as well as what design features and costs should be considered in alleviating those future conditions.

- 2) The development of County owned and maintained roadway design options for the two pilot neighborhoods and to analyze those design options that reduce or eliminate regular inundation in neighborhoods. Design options will need to consider:
  - a. Drainage options, relative elevations, water table, position in surge/flooding areas and potential environmental considerations for design.

The outcome of this effort will be the identification of conceptual design options that could be carried forward to reduce or eliminate flooding based on the judgment of a team of professional engineers specializing in roadway and coastal design. The proposed strategies will include a rough order of magnitude preliminary opinion of probable construction (“OPC”) cost estimate for proposed strategies to enable later project dialogue.

**Deliverable:** Draft and final findings memorandum outlining the dialogue on level of service and also those preliminary design recommendations identified for each community.

#### **Task 5.0 Establish Response Policies for pilot communities**

Findings from this effort will help to define a method to determine roadway inundation levels associated with sea level rise countywide. The County’s response and how decisions may be made will be dependent on a few key actions. Those actions include how the County prioritizes those improvements for implementation countywide and any regulatory framework actions that could be taken. This effort serves as a pilot effort to begin making similar decisions based on future sea level rise projections countywide. The activities to be undertaken for this task include:

- 1) Establishing a decision matrix, based on level of service dialogue from task 4 above which may also be enhanced by efforts stemming from a forthcoming NOAA grant to launch in early 2016.
- 2) The identification, by the County, of any funding to be made available for improvements in communities.
- 3) Identification of methods to prioritize projects when compared, to enable countywide efforts to improve facilities given limited available funds.
- 4) The modification of any current rules or ordinances that govern the development of the County roadway system and any proposed changes to them based on study findings.

**Deliverable:** Draft and final report on policies and prioritization recommendations

**Final Due Date:** July 30, 2016

# Exhibit B-6- Task and Deliverables Breakdown

| Tasks            | Deliverables                                                                                                                                                                                                                                                                                    | Dates   | ELD PA/Stetson | Other        | Budget          |

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Sustainability and Projects

Bulk Item: Yes X No     

Staff Contact /Phone #: Rhonda Haag, 453-8774

---

**AGENDA ITEM WORDING:** Approval to enter into Amendment No. 2 to a contract with Casa Operating Lessee Inc., d/b/a Casa Marina, A Waldorf Astoria Resort, for conference hosting and implementation services for the *7th Annual Southeast Florida Regional Climate Change Summit* to authorize \$13,065.72 for additional food and beverage services and audio visual services in support of the Summit, for a total not to exceed amount of \$179,437.76.

---

**ITEM BACKGROUND:** The Summit was hosted on December 1-3, 2015 by Monroe County on behalf of the *Southeast Florida Regional Climate Change Compact*. The number of summit registrations was anticipated not to exceed 400. More than 420 registered, therefore additional food and beverage was required. In addition, a snack break was added to Day 3 of the event during the morning, as the event did not end until after 1:00 p.m., and no lunch was offered. Additional audio visual services were necessary to support the use of two conference rooms for speakers and guests.

To date \$184,400 has been received by the County or the SFRPC from registration fees and sponsor donation fees. All sponsor fees have been received, late registration fees are still being collected. Pre-payment in the amount of \$166,500 was paid to the Casa on 11/23/15, which included \$35,000 for AV. The County has a FY16 budget of \$50,000 for Summit Expenses.

- Sponsor donations and registration fees will be used to fund the *food and beverage services fee* of \$153,854.80.
- Budgeted funds will be used to fund the *audio visual services fee* of \$38,648.58.
- Remaining sponsor donations and registration fees will be used to help fund other summit expenses such as speaker expenses.

---

**PREVIOUS RELEVANT BOCC ACTION:**

04-15-15: Authorize entering into a contract with the Casa Marina

11-17-15: Authorized entering into Amendment No. 1 for a total not to exceed amount of \$166,500.

---

**CONTRACT/CONTRACT CHANGES:** Changes vis-à-vis the original Agreement:

1. Resort charge (\$6,960) is eliminated;
2. Food and beverage charges increases (attributable an increase in estimated head count);
3. Additional audio visual charges.

---

**STAFF RECOMMENDATIONS:** Approval

---

**AGENDA ITEM WORDING:** Approval to enter into a contract with Douglas N. Higgins, Inc. for \$423,957.00 for installation of a 60-inch circular concrete reinforced pipe culvert in order to increase the natural tidal flushing. The culvert will be placed to connect a dead end canal located between Warbler and Killdeer Lanes and the main canal, which also dead ends, that parallels Sunrise Drive. This Canal is labeled #277 and is located in Tropical Bay Estates, Big Pine Key.

---

**ITEM BACKGROUND:** Proposals were opened December 29, 2015. Three proposals were received; the low proposal received was for \$423,957.00 from Douglas N. Higgins, Inc. which is less than the budgeted amount of \$450,000.

The Canal #277 Culvert project is part of the *Canal Restoration Demonstration Program*, and is designed to evaluate the cost and effectiveness of *installation of a culvert* to enhance the natural tidal flushing and increase the dissolved oxygen in the canal system. This project is the sixth of the County's specified seven demonstration canal projects.

## AGREEMENT

Between Owner and Contractor  
Monroe County BOCC

---

### AGREEMENT

Made as of the **20th Day of January 2016**

BETWEEN the Owner: Monroe County Board of County Commissioners  
1100 Simonton Street  
The Gato Building, Room 2-205  
Key West, Florida 33040

And the Contractor:

For the following Project: **CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

This Agreement represents one of the canal restoration demonstration projects approved by the Monroe County BOCC, whose public purpose is to improve the water quality in Monroe County.

### SCOPE OF WORK

#### 1. Project Overview

The Scope of Work consists of installation of 60-inch circular concrete reinforced pipe culvert connecting two segments of Canal #277 located in Tropical Bay Estates, Big Pine Key. The culvert connection is designed to increase the natural tidal flow and increase the dissolved oxygen levels in the canal water.

#### 2. General Project Intent and Scope

Provide all labor, supervision, engineering, materials, supplies, equipment, tools, transportation, surveying, layout, and protection for the proper execution and completion of all the work in accordance with the Contract Documents. The Work shall include but not be limited to that shown on the Drawings and detailed in the Technical Specifications included in the Request for Proposal.

#### 3. General Requirements

- A. Construction work times shall be limited to:  
8AM to 6PM Mon-Fri, excluding holidays
- B. Contractor needs to be aware of weather and location and plan accordingly.
- C. Contractor must remain aware of the community residences and plan accordingly. Coordination of each day's works shall be done in advance with approval from AMEC/Engineer.

- D. The Scope of Work shall include, but not be limited to, all work shown and listed in the Project Drawings, Technical Specifications, and report of Geotechnical Exploration Details as provided in the Request for Proposal Exhibits A, B and C. The Contractor is required to provide a complete job as contemplated by the drawings and specifications, which are a part of this proposal package. The Contractor shall furnish all labor, supervision, materials, power, tools, equipment, supplies and any other means of construction necessary or proper for performing and completing the Scope of Work, unless otherwise specifically stated.

**Monroe County has made all reasonable efforts to obtain the required permits for this project.** If the Contractor is aware of another permit that is required, it is up to them to obtain it.

### **SPECIAL PROVISIONS**

The following Special Provisions are intended to clarify the scope of work, or highlight features of the work, or modify, change, add to, or delete from the General Scope of this Proposal Package.

1. All licenses required in order to perform the scope of work in the specified location, shall be procured and maintained by the contractor and his subcontractors. Contractor shall submit copies to AMEC prior to notice to proceed. Contractor's license shall accompany proposal.
2. Contractor is to review General Requirements for additional responsibilities required in order to perform this Work.
3. If in the event of conflicting, or overlapping requirements in any area of the proposal documents, technical specifications, or drawings, the most stringent condition shall be proposed and constructed. Notify Sustainability / Projects Director in any event, in order to not compromise the Owner's right to make appropriate decisions.
4. Prior to the initiation of excavation activities, the centerline end points of the culvert identified in the drawings shall be located by a licensed surveyor and marked using a method that will remain identifiable until the demolition of the canal headwall is initiated. During the installation of the culvert, alignment checks shall be completed to confirm that a deviation from the centerline end point greater than one foot will not occur. Re-alignment of the culvert shall be approved in writing prior to deviating from the excavation footprint.
5. Contractor shall maintain As-Built Drawings, (Record Drawings per Section 01720), of his work progression.
6. Contractor will be responsible for following the permit conditions in the South Florida Water Management District, US Army Corp of Engineers, Florida Keys National Marine Sanctuary and Monroe County Building Permits.
7. Contractor shall provide suitable storage container, and be responsible for disposal off-site of all debris and trash.
8. The Contractor shall repair all damage and restore all properties within the project footprint to original or better than pre-construction conditions, including

County right of way and roads. For roads, repairs shall be provided only for items beyond normal wear and tear. No additional cost to the County shall be allowed.

9. The Contractor shall coordinate with Owner's representative on available hours for Job Site access. Job site will have limited 8AM-6PM work hours Mon-Friday. Contractor will need to schedule work shifts typically from 8AM-6PM weekly. Any change to the agreed upon schedule must be obtained in writing with a minimum of 72 hr advanced notice.
9. Coordination of each days works shall be done in advance with approval from AMEC / Engineer.

---

The Engineer is: Amec Foster Wheeler Environment & Infrastructure  
Greg Corning  
5845 NW 158<sup>th</sup> Street  
Miami Lakes, Florida 33014  
314-920-8359

---

The Owner and Contractor agree as set forth below.

**ARTICLE 1**  
**The Contract Documents**

The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary and other Conditions), the RFP and its attachments/exhibits, Drawings, Specifications, Proposal Documents, Addenda issued prior to execution of this Agreement, together with the response to RFP and all required insurance documentation, and Modifications issued after execution of this Agreement. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. An enumeration of the Contract Documents, other than Modifications, appears in Article 9. In the event of a discrepancy between the documents, precedence shall be determined by the order of the documents as just listed.

**ARTICLE 2**  
**The Work of this Contract**

The Contractor shall execute the entire Work described in the Contract Documents, except to the extent specifically indicated in the Contract Documents to be the responsibility of others, or as follows:

| Division | Subcontractor               | Contact    | Telephone        | Address                                       |
|----------|-----------------------------|------------|------------------|-----------------------------------------------|
| 1        | Affordable Asphalt          | Mike Woods | (305) 393 - 2109 | 99198 Overseas Highway, Key Largo, FL 33037   |
| 1        | Tri-County Pavement Marking | Paul       | (786) 412-5037   | 1400 SW 27 <sup>th</sup> Ave, Miami, FL 33145 |

**ARTICLE 3**

**Date of Commencement and Substantial Completion**

3.1 The date of commencement is the date to be fixed in a notice to proceed issued by the Owner.

The Contractor shall accomplish Substantial Completion of the construction of the culvert at Canal #277 within Sixty (60) calendar days from Notice to Proceed for the completion of the installation. The time or times stipulated in the contract for completion of the work of the contract or of specified phases of the contract shall be the calendar date or dates listed in the milestone schedule.

Liquidated damages will be based on the Substantial Completion Date for all work, modified by all approved extensions in time as set forth by the Sustainability/Projects Director's signature of approval on the Certificate of Substantial Completion. The liquidated damages table below shall be utilized to determine the amount of liquidated damages.

| <b><u>CONTRACT AMOUNT</u></b>  | <b><u>FIRST<br/>15 DAYS</u></b> | <b><u>SECOND<br/>15 DAYS</u></b> | <b><u>31ST DAY &amp;<br/>THEREAFTER</u></b> |
|--------------------------------|---------------------------------|----------------------------------|---------------------------------------------|
| Under \$50,000.00              | \$50.00/Day                     | \$100.00/Day                     | \$250.00/Day                                |
| \$50,000.00-99,999.00          | 100.00/Day                      | 200.00/Day                       | 750.00/Day                                  |
| <b>\$100,000.00-499,999.00</b> | <b>200.00/Day</b>               | <b>500.00/Day</b>                | <b>2,000.00/Day</b>                         |
| \$500,000.00 and Up            | 500.00/Day                      | 1,000.00/Day                     | 3,500.00/Day                                |

The Contractor's recovery of damages and sole remedy for any delay caused by the Owner shall be an extension of time on the Contract.

**ARTICLE 4**  
**Contract Sum**

4.1 The owner shall pay the Contractor in current funds for the Contractor's performance of the Contract for Installation of the culvert installation for the Contract Sum of **Four Hundred Twenty Three Thousand Nine Hundred Fifty Seven Dollars (\$ 423,957.00)**, subject to additions and deductions as provided in the Contract Documents.

4.2 The Contract Sum is based upon the following alternates, if any, which are described in the Contract Documents and are hereby accepted by the Owner: **No Alternates**

**ARTICLE 5**  
**Progress Payments**

5.1 Based upon Applications for Payment submitted by the Contractor to the Sustainability / Projects Director, and upon approval for payment issued by the Sustainability / Projects Director, and Engineer, the Owner shall make progress payments on account of the Contract Sum to the contractor as provided below and elsewhere in the Contract Documents.

5.2 The period covered by each Application for payment shall be one calendar month ending on the last day of the month, or other time interval approved by the Sustainability / Projects Director.

5.3 Payment will be made by the Owner in accordance with the Florida Local Government Prompt Payment Act, section 218.735, Florida Statutes.

5.4 Each Application for Payment shall be based upon the Schedule of Values submitted by the Contractor in accordance with the Contract Documents. The Schedule of Values shall allocate the entire Contract Sum among the various portions of the Work and be prepared in such form and supported by such data to substantiate its accuracy as the Sustainability / Projects Director may require. This schedule, unless objected to by the Sustainability / Projects Director, shall be used as a basis for reviewing the Contractor's Applications for Payment.

5.5 Applications for Payment shall indicate the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

5.6 Subject to the provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

5.6.1 Take that portion of the Contract Sum properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Work by the share of the total Contract Sum allocated to that portion of the Work in the Schedule of Values, less retainage of Ten Percent 10%. Pending final determination of cost to the owner of changes in the Work, amounts not in dispute may be included in Applications for Payment. The amount of credit to be allowed by the Contractor to the Owner for a deletion or change which results in a net decrease in the Contract Sum shall be the net cost to the Owner, less Overhead, Profit and Documented Costs incurred prior to the change Request, as indicated in the corresponding line item in the Approved Schedule of Values for that line item as confirmed by the Sustainability Program Manager. When both additions and credits covering related Work or substitutions are involved in a change the allowance for overhead and profit shall be figured on the basis of net increase, if any, with respect to that change.

5.6.2 Add that portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction (or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing), less retainage;

5.6.3 Subtract the aggregate of previous payments made by the Owner; and

5.6.4 Subtract amounts, if any, for which the Sustainability Program Manager has withheld or nullified a Certificate for Payment as provided in Paragraph 9.5 of the General Conditions.

5.7 Retainage of 10% will be withheld in accordance with section 218.735 (8)(b), Florida Statutes.

5.8 Reduction or limitation of retainage, if any, shall be as follows: Monroe County is exempt from and not subject to Florida Statutes 255.078, "Public Construction Retainage". Reduction or limitation of retainage, if any, shall be reduced incrementally at the discretion of and upon the approval of the Sustainability / Projects Director.

**ARTICLE 6**  
**Final Payment**

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when (1) the Contract has been fully performed by the Contractor except for the Contractor's responsibility to correct nonconforming Work as provided in Subparagraph 12.2.2 of the General Conditions and to satisfy other requirements, if any, which necessarily survive final payment, and (2) a final approval for payment has been issued by the Sustainability Program Manager. Such final payment shall be made by the Owner not more than 20 days after the issuance of the final approval for payment. The following documents (samples in section 1027) are required for Final Payment:

- (1) Application and Certificate for Payment
- (2) Continuation Sheet
- (3) Certificate of Substantial Completion
- (4) Contractor's Affidavit of Debts and Claims
- (5) Contractor's Affidavit of Release of Liens
- (6) Final Release of Lien
- (7) Contractor shall provide two (2) hard copies in tabulated divided binders and one (1) saved electronically tabbed and indexed in Adobe Acrobat file (.PDF) format delivered on a downloadable CD/DVD or flash drive of all the following but not limited to:

- A. Project Record Documents (As Built Documents).
- B. Operating and maintenance data, instructions to the Owner's personnel.
- C. Warranties, bond and guarantees.
- D. Keys and keying schedule.
- E. Spare parts and maintenance materials.
- F. Electronic copies of approved submittals
- G. Evidence of payment and final release of liens and consent of surety to final release (includes final release from all utilities and utility companies).

**ARTICLE 7**  
**Miscellaneous Provisions**

7.1 Where reference is made in this Agreement to a provision of the General Conditions or another Contract Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

7.2 Payment shall be made according to the Florida Local Government Prompt Payment Act and Monroe County Code.

7.3 Temporary facilities and services: As described in Article 34 of the General Conditions

7.4 Monroe County's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Board of County Commissioners.

7.5 A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to public entity, may not be awarded or perform work as contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

#### 7.6 INSURANCE REQUIREMENTS.

##### 7.6.1 GENERAL INSURANCE REQUIREMENTS.

Prior to the commencement of work governed by this contract (including the pre-staging of personnel and material), the Contractor shall obtain, at his/her own expense, insurance as specified below, which are made part of this contract. The Contractor will ensure that the insurance obtained will extend protection to all Sub-Contractors engaged by the Contractor. As an alternative, the Contractor may require all Subcontractors to obtain insurance consistent with the attached schedules.

The Contractor will not be permitted to commence work governed by this contract (including pre-staging of personnel and material) until satisfactory evidence of the required insurance has been furnished to the County as specified below. Delays in the commencement of work, resulting from the failure of the Contractor to provide satisfactory evidence of the required insurance, shall not extend deadlines specified in this contract and any penalties and failure to perform assessments shall be imposed as if the work commenced on the specified date and time, except for the Contractor's failure to provide satisfactory evidence.

The Contractor shall maintain the required insurance throughout the entire term of this contract and any extensions specified in any attached schedules. Failure to comply with this provision may result in the immediate suspension of all work until the required insurance has been reinstated or replaced. Delays in the completion of work resulting from the failure of the Contractor to maintain the required insurance shall not extend deadlines specified in this contract and any penalties and failure to perform assessments shall be imposed as if the work had not been suspended, except for the Contractor's failure to maintain the required insurance.

The Contractor shall provide, to the County, as satisfactory evidence of the required insurance, either:

- Certificate of Insurance
- or
- A certified copy of the actual insurance policy.

The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this contract.

All insurance policies must specify that they are not subject to cancellation, nonrenewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

The acceptance and/or approval of the Contractor's insurance shall not be construed as relieving the Contractor from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, its employees and officials will be included as "Additional Insured" on all policies, except for Workers' Compensation.

In addition, the County will be named as an Additional Insured and Loss Payee on all policies covering County-owned property.

#### 7.6.2 WORKERS' COMPENSATION INSURANCE REQUIREMENTS

Prior to the commencement of work governed by this contract, the Contractor shall obtain Workers' Compensation Insurance with limits sufficient to respond to the applicable state statutes.

In addition, the Contractor shall obtain Employers' Liability Insurance with limits of not less than:

- WC1:
- \$100,000 Bodily Injury by Accident
- \$500,000 Bodily Injury by Disease, policy limits
- \$100,000 Bodily Injury by Disease, each employee

WCUSLH US Longshoremen & Harbor Workers Act - NOT REQUIRED

WCJA Federal Jones Act – NOT REQUIRED

Coverage shall be maintained throughout the entire term of the contract. Coverage shall be provided by a company or companies authorized to transact business in the state of Florida.

If the Contractor has been approved by the Florida's Department of Labor, as an authorized self-insurer, the County shall recognize and honor the Contractor's status. The Contractor may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on the Contractor's Excess Insurance Program.

If the Contractor participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the Contractor may be required to submit updated financial statements from the fund upon request from the County.

#### 7.6.3 GENERAL LIABILITY INSURANCE REQUIREMENTS

Prior to the commencement of work governed by this contract, the Contractor shall obtain General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- \* Premises Operations
- \* Products and Completed Operations

- \* Blanket Contractual Liability
- \* Personal Injury Liability
- \* Expanded Definition of Property Damage

The minimum limits acceptable shall be:

GL3 \$1,000,000 Combined Single Limit (CSL)

An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, if coverage is provided on a Claims Made policy, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County. If the Contractor has an Occurrence Form policy then the above referenced period for which claims may be reported extending for a minimum of twelve (12) months following the acceptance of work by the County does not apply.

The Monroe County Board of County Commissioners shall be named as Additional Insured on all policies issued to satisfy the above requirements.

#### 7.6.4 VEHICLE LIABILITY INSURANCE REQUIREMENTS

Recognizing that the work governed by this contract requires the use of vehicles, the Contractor, prior to the commencement of work, shall obtain Vehicle Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum, liability coverage for:

- \* Owned, Non-Owned, and Hired Vehicles

The minimum limits acceptable shall be:

VL3 \$1,000,000 Combined Single Limit (CSL)

The Monroe County Board of County Commissioners shall be named as Additional Insured on all policies issued to satisfy the above requirements.

#### 7.6.5 WATERCRAFT / POLLUTION LIABILITY

NOT REQUIRED

7.7 MISCELLANEOUS: The following items are included in this contract:

a) Contractor shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the County or Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, the Contractor shall repay the monies together with interest calculated pursuant to Sec. 55.03, FS, running from the date the monies were paid to Contractor.

b) **Governing Law, Venue, Interpretation, Costs, and Fees:** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and Contractor agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. The Parties waive their rights to trial by jury. The County and Contractor agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding, pursuant to Section XVI of this agreement.

c) **Severability.** If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Contractor agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

d) **Attorney's Fees and Costs.** The County and Contractor agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings.

e) **Binding Effect.** The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Contractor and their respective legal representatives, successors, and assigns.

f) **Authority.** Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law. Each party agrees that it has had ample opportunity to submit this Contract to legal counsel of its choice and enters into this agreement freely, voluntarily and with advice of counsel.

g) **Claims for Federal or State Aid.** Contractor and County agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

h) **Adjudication of Disputes or Disagreements.** County and Contractor agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration.

i) **Cooperation.** In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement,

County and Contractor agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. County and Contractor specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

j) Nondiscrimination. County and Contractor agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. County or Contractor agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 1201 Note), as maybe amended from time to time, relating to nondiscrimination on the basis of disability; 10) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

k) Covenant of No Interest. County and Contractor covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

l) Code of Ethics. County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

m) No Solicitation/Payment. The County and Contractor warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Contractor agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

n) **Public Access.** The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this Agreement; and the County shall have the right to unilaterally cancel this Agreement upon violation of this provision by Contractor. Contractor is required to:

- (1) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- (2) Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- (4) Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

o) **Non-Waiver of Immunity.** Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the Contractor and the County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

p) **Privileges and Immunities.** All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the County, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

q) **Legal Obligations and Responsibilities: Non-Delegation of Constitutional or Statutory Duties.** This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the County, except to the extent permitted by the Florida constitution, state statute, and case law.

r) **Non-Reliance by Non-Parties.** No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Contractor agree that neither the County nor the Contractor or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any

particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

s) Attestations. Contractor agrees to execute such documents as the County may reasonably require, to include a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement.

t) No Personal Liability. No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

u) Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

v) Hold Harmless and Indemnification. Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, Contractor shall defend, indemnify and hold the COUNTY and the COUNTY's elected and appointed officers and employees harmless from and against (i) any claims, actions or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of Contractor or any of its employees, agents, contractors or other invitees during the term of this Agreement, (B) the negligence or willful misconduct of Contractor or any of its employees, agents, sub-contractors or other invitees, or (C) Contractor's default in respect of any of the obligations that it undertakes under the terms of this Agreement, except to the extent the claims, actions, causes of action, litigation, proceedings, costs or expenses arise from the intentional or sole negligent acts or omissions of the COUNTY or any of its employees, agents, contractors or invitees (other than Contractor). Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the County by virtue of any deficiency or ambiguity in the plans and specifications provided by the Contractor, the Contractor agrees and warrants that the Contractor shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The first ten dollars (\$10.00) of remuneration paid to the Contractor is for the indemnification provided for the above.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this AGREEMENT.

w) Section Headings. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

x) Agreements with Subcontractors. In the event that the Contractor subcontracts any or all of the work in this project to any third party, the Contractor specifically agrees to identify the COUNTY as an additional insured on all insurance policies required by the County. In addition, the Contractor specifically agrees that all agreements or contracts of any nature with his subcontractors shall include the COUNTY as additional insured.

y) Florida Green Building Coalition Standards. Monroe County requires its buildings to conform to Florida Green Building Coalition standards.

Special Conditions, if any are detailed in Section 00990 of the Request for Proposal for this Project.

#### **ARTICLE 8** **Termination or Suspension**

8.1 The Contract may be terminated by the Owner as provided in Article 14 of the General Conditions.

#### **ARTICLE 9** **Enumeration of Contract Documents**

9.1 The Contract Documents, except for Modifications issued after execution of this Agreement, are enumerated as follows: (Insert information here).

a) Drawings:

b) Project Manual:

9.1.1 The Agreement is this executed Standard Form of Agreement Between Owner and Contractor.

9.1.2 The General Conditions are the General Conditions of the Contract for Construction.

9.1.3 The Supplementary and other Conditions of the Contract are those contained in the Request for Proposal dated: November 2015.

9.1.4 The Addenda, if any, are as follows:

| <u>Number</u> | <u>Date</u> |
|---------------|-------------|
| Addendum No 1 | 11/25/2015  |
| Addendum No 2 | 12/08/2015  |
| Addendum No 3 | 12/21/2015  |

9.1.5 The Alternates, if any, are as follows:

Alternate No. 1: Not Applicable

This Agreement is entered into as of the day and year first written above and is executed in at least four original copies of which one is to be delivered to the Contractor. Execution by the Contractor must be by a person with authority to bind the entity.

SIGNATURE OF THE PERSON EXECUTING THE DOCUMENT MUST BE NOTARIZED AND WITNESSED BY ANOTHER OFFICER OF THE ENTITY.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 00750 - GENERAL CONDITIONS OF THE CONTRACT**

**1.0 GENERAL PROVISIONS**

**1.1 Basic Definitions**

**1.1.1 The Contract Documents:** The Contract Documents consist of the Agreement between Owner and Contractor, Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications, addenda issued prior to execution of the Contract, Owners proposal documents, other documents listed in the Agreement and Modifications issued after execution of the Contract, and the Contractor's proposal and supporting documentation. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a Construction Change Directive or (4) a written order for a minor change in the Work issued by AMEC/Engineer.

**1.1.2 The Contract:** The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. The Contract may be amended or modified only by a Modification. The Contract Documents shall not be construed to create a contractual relationship of any kind (1) between the Engineer and Contractor, (2) between Sustainability / Projects Director and Contractor, (3) between the AMEC/Engineer and Sustainability / Projects Director, (4) between the Owner and a Subcontractor or (5) between any persons or entities other than the Owner and Contractor. The Owner shall, however, be entitled to enforce the obligations under the Contract intended to facilitate performance of the duties of Sustainability / Projects Director and AMEC/Engineer.

**1.1.3 The Work:** The term "Work" means the construction and services required by the Contract Documents, whether completed or partially completed, and includes all other labor, materials, equipment and services provided or to be provided by the Contractor to fulfill the Contractor's obligations. The Work may constitute the whole or a part of the Project.

**1.1.4 The Project:** The Project is the total construction of which the Work performed under the Contract Documents may be the whole or a part and which may include construction by other Contractors and by the Owner's own forces including persons or entities under separate contracts not administered by Sustainability / Projects Director.

**1.1.5 The Drawings:** The Drawings are the graphic and pictorial portions of the Contract Documents, wherever located and whenever issued, showing the design, location and dimensions of the Work, generally including plans, elevations, sections, details, schedules and diagrams.

**1.1.6 The Specifications:** The Specifications are that portion of the Contract Documents consisting of the written requirements for materials, equipment, construction systems, standards and workmanship for the Work, and performance of related services.

**1.1.7 The Project Manual:** The Project Manual is the volume usually assembled for the Work which may include the proposal requirements, sample forms, Conditions of the Contract and Specifications.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**1.2 Execution, Correlation and Intent**

1.2.2 Execution of the Contract by the Contractor is a representation that the Contractor has visited the site, become familiar with local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

1.2.3 The intent of the Contract Document is to include all items necessary for the proper execution and completion of the Work by the contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the intended results.

1.2.4 Organization of the Specifications into divisions, sections and articles, and arrangement of Drawings shall not control the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade.

1.2.5 Unless otherwise stated in the Contract Documents, words which have well-known technical or construction industry meanings are used in the Contract Documents in accordance with such recognized meanings.

1.2.6 Where on any of the drawings a portion of the Work is drawn out and the remainder is indicated in outline, the parts drawn out shall also apply to all other like portions of the Work.

**1.3 Ownership and Use of Engineer's Drawings, Specifications and Other Documents**

1.3.1 The Drawing, Specifications and other documents prepared by the AMEC/Engineer are instruments of the Engineer's service through which the Work to be executed by the Contractor is described. The Contractor may retain one contract record set. Neither the Contractor nor any Subcontractor, Sub-subcontractor or material or equipment supplier shall own or claim a copyright in the Drawings, Specifications and other documents prepared by the AMEC/Engineer. All copies of them, except the Contractor's record set, shall be returned or suitably accounted for to AMEC/Engineer on request, upon completion of the Work. The Drawings, Specifications and other documents prepared by the Engineer, and copies thereof furnished to the Contractor, are for use solely with respect to the Project. They are not to be used by the Contractor or any Subcontractor, Sub-subcontractor or material or equipment suppliers unless they are granted a limited license to use and reproduce applicable portions of the Drawings, Specifications and other documents prepared by the Engineer appropriate to and for use in the execution of their Work under the Contract Documents. All copies made under this license shall bear the statutory copyright notice, if any, shown on the Drawings, Specifications and other documents prepared by the Engineer. Submittal or distribution to meet official regulatory requirements or for other purposes in connection with this Project is not to be construed as publication in derogation of copyright or other reserved rights

1.3.2 Unless otherwise provided in the Contract Documents, the Contractor will be furnished, two (2) original sealed copies and one (1) electronic copy of Drawings, Specifications and the Project Manual free of charge for the execution of the Work. Additional copies may be obtained from AMEC/Engineer at a fee of \$5.00 per page for full size drawings (.25 per page for written specifications or 11"x 17" drawings).

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**1.4 Capitalization**

1.4.1 Terms capitalized in these General Conditions include those which are (1) specifically defined, (2) the titles of numbered articles and identified references to Paragraphs, Subparagraphs and Clauses in the document or (3) the titles of other documents published by the American Institute of Architects.

**1.5 Interpretation**

1.5.1 In the interest of brevity the Contract Documents frequently omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement.

**2.0 OWNER**

**2.1 Definition**

2.1.1 The Owner is Monroe County. The term "Owner" means the Owner or the Owner's authorized representative.

**2.2 Information and Services Required of the Owner**

2.2.2 Not applicable

2.2.3 Not applicable

2.2.4 Information or services under the Owner's control shall be furnished by the Owner with reasonable promptness to avoid delay in orderly progress of the Work.

2.2.5 Unless otherwise provided in the Contract Documents, the Contractor will be furnished two (2) original sealed copies and one (1) electronic copy of Drawings, Specifications and the Project Manual free of charge for the execution of the Work as provided in Subparagraph 1.3.2.

2.2.6 The Owner shall forward all communications to the Contractor through Sustainability / Projects Director and may contemporaneously provide the same communications to the Engineer.

2.2.7 The foregoing are in addition to other duties and responsibilities of the Owner enumerated herein and especially those in respect to Article 6 (Construction by Owner or by Other Contractors), Article 9 (Payments and Completion) and Article 11 (Insurance and Bonds).

**2.3 Owner's Right to Stop the Work**

2.3.1 If the Contractor fails to correct Work which is not in accordance with the requirements of the contract Documents as required by Paragraph 12.2 or persistently fails to carry out Work in accordance with the Contract Documents, the Owner, by written order signed personally or by an agent specifically so empowered by the Owner, may order the Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, the right of

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

the Owner to stop the Work shall not give rise to a duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity.

**2.4 Owner's Right to Carry Out the Work**

2.4.1 If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a three-day period after receipt of written notice from the Owner to commence and continue correction of such default or neglect with diligence and promptness, the Owner may after such three-day period give the Contractor a second written notice to correct such deficiencies within a three-day period. If the Contractor within such second three-day period after receipt of such second notice fails to commence and continue to correct any deficiencies, the Owner may, without prejudice to other remedies the Owner may have, correct such deficiencies. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due the Contractor the cost of correcting such deficiencies, including compensation for another contractor or subcontractor or Sustainability / Projects Director's and Engineer's and their respective consultants' additional services and expenses made necessary by such default, neglect or failure. If payments then, or thereafter, due the Contractor are not sufficient to cover such amounts, the Contractor shall pay the difference to the Owner. In the event of clean-up issues, Owner has right to provide a minimum of 24 hours' notice. In the event of safety issues determined to be of a serious nature, as determined by AMEC/Engineer, notice will be given, and contractor is required to rectify deficiency immediately.

**3.0 CONTRACTOR**

**3.1 Definition**

3.1.1 The Contractor is the person or entity identified as such in the Agreement and is referred to throughout this Agreement as if singular in number. The term "Contractor" means the Contractor or the Contractor's authorized representative.

3.1.2 The plural term "Contractors" refers to persons or entities who perform construction under Conditions of the Contract that are administered by Sustainability / Projects Director, and that are identical or substantially similar to these Conditions.

**3.2 Review of Contract Documents and Field Conditions by Contractor**

3.2.1 The Contractor shall carefully study and compare the Contract Documents with each other and with information furnished by the Owner pursuant to Subparagraph 2.2.2 and shall at once report to AMEC/Engineer errors, inconsistencies or omissions discovered. The Contractor shall not be liable to the Owner, Sustainability / Projects Director or AMEC/Engineer for damage resulting from errors, inconsistencies or omissions in the Contract Documents unless the Contractor recognized such error, inconsistency or omission and knowingly failed to report it to AMEC/Engineer. If the Contractor performs any construction activity knowing it involves a recognized error, inconsistency or omission in the Contract Documents without such notice to AMEC/Engineer, the Contractor shall assume appropriate responsibility for such performance and shall bear an appropriate amount of the attributable costs for correction.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

3.2.2 The Contractor shall take field measurements and verify field conditions and shall carefully compare such field measurements and conditions and other information known to the Contractor with the Contract Documents before commencing activities. Errors, inconsistencies or omissions discovered shall be reported to AMEC/Engineer at once.

3.2.3 The Contractor shall perform the Work in accordance with the Contract Documents and submittals approved pursuant to Paragraph 3.12.

### **3.3 Supervision and Construction Procedures**

3.3.1 The Contractor shall supervise and direct the Work, using the Contractor's best skill and attention. The Contractor shall be solely responsible for and have control over construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under this Contract, subject to overall coordination of AMEC/Engineer as provided in Subparagraphs 4.6.3 and 4.6.5.

3.3.2 The Contractor shall be responsible to the Owner for acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and other persons performing portions of the Work under a contract with the Contractor.

3.3.3 The Contractor shall not be relieved of obligations to perform the Work in accordance with the Contract Documents either by activities or duties of Sustainability / Projects Director or AMEC/Engineer in its administration of the Contract, or by test, inspections or approvals required or performed by persons other than the Contractor.

3.3.4 The Contractor shall inspect portions of the Project related to the Contractor's Work in order to determine that such portions are in proper condition to receive subsequent work.

3.3.5 The Contractor shall verify that the Construction Documents being worked with are the most recent and updated available, including all Addenda information. Also the Contractor will perform the work strictly in accordance with this contract.

### **3.4 Labor and Materials**

3.4.1 Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

3.4.2 The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

3.4.3 The Contractor is responsible for the conduct of his employees at all times. Misconduct, destruction of property, unsafe practices, or violation of any Federal or State regulations including abuse of alcohol or drugs, will be cause for permanent dismissal from the project. If any Contractor's employee is determined to be detrimental to the Project, as deemed by AMEC/Engineer, the Contractor will remove and/or replace the employee at the request of

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

AMEC/Engineer. Employees dismissed from the project will be transported from the job site at the Contractor's expense.

3.4.4 The Contractor shall be totally responsible for the security of his work, materials, equipment, supplies, tools, machinery, and construction equipment.

3.4.5 The Contractor shall be responsible for complete, timely and accurate field measurements as necessary for proper coordination, fabrication and installation of his materials and equipment. The Contractor agrees to cooperate with AMEC/Engineer, if required, to accommodate any discovered variations or deviations from the Drawings and Specifications so that the progress of the Work is not adversely affected.

### 3.5 Warranty

3.5.1 The Contractor warrants to the Owner, Sustainability / Projects Director and AMEC/Engineer that materials and equipment furnished under the Contract will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work will be free from defects not inherent in the quality required or permitted, and that the Work will conform with the requirements of the Contract Documents. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. The Contractor's warranty excludes remedy for damage or defect caused by abuse, modifications not executed by the Contractor, improper or insufficient maintenance, improper operation, or normal wear and tear under normal usage. If required by AMEC/Engineer, the Contractor shall furnish satisfactory evidence as to the kind and quality of materials and equipment.

### 3.6 Taxes

3.6.1 The Contractor shall pay sales, consumer, use and similar taxes for the Work or portions thereof provided by the Contractor which are legally enacted when bids are received or negotiations concluded, whether or not yet effective or merely scheduled to go into effect.

### 3.7 Permits, Fees and Notices

3.7.1 The County and/or the Engineer/AMEC have applied for the applicable environmental and County permits. The Contractor shall secure and pay for licenses, inspections, testing, and surveys required by Federal, State, or Municipal entities having jurisdiction over the project for the proper execution and completion of the Work which are customarily secured after execution of the Contract and which are legally required at the time bids are received.

3.7.2 The Contractor shall comply with and give notices required by laws, ordinances, rules, regulations and lawful orders of public authorities bearing on performance of the Work.

3.7.3 It is not the Contractor's responsibility to ascertain that the Contract Documents are in accordance with applicable laws, statutes, ordinances, building codes, and rules and regulations. However, if the Contractor observes that portions of the Contract Documents are at variance therewith, the Contractor shall promptly notify Sustainability / Projects Director,

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

AMEC/Engineer and Owner in writing, and necessary changes shall be accomplished by appropriate Modification.

3.7.4 If the Contractor performs Work knowing it to be contrary to laws, statutes, ordinances, building codes, and rules and regulations without such notice to Sustainability / Projects Director, AMEC/Engineer and Owner, the Contractor shall assume full responsibility for such Work and shall bear the attributable costs.

**3.8 Not applicable**

**3.9 Superintendent**

3.9.1 The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Work. The superintendent shall represent the Contractor, and communications given to the superintendent shall be as binding as if given to the Contractor. Important communications shall be confirmed in writing. Other communications shall be similarly confirmed on written request in each case. The superintendent shall be satisfactory to AMEC/Engineer and shall not be changed except with the consent of AMEC/Engineer, unless the superintendent proves to be unsatisfactory to the Contractor or ceases to be in his employ.

**3.10 Contractor's Construction Schedule**

3.10.1 The Contractor, promptly after being awarded the Contract, shall prepare and submit for the Owner's and AMEC/Engineer's information and Sustainability / Projects Director's approval a Contractor's Construction Schedule for the Work. Such schedule shall not exceed time limits current under the Contract Documents, shall be revised at appropriate intervals as required by the conditions of the Work and Project, shall be related to the entire Project construction schedule to the extent required by the Contract Documents, and shall provide for expeditious and practicable execution of the Work. This schedule, to be submitted within 7 days after Notice to Proceed, shall indicate the dates for the starting and completion of the various stages of construction, shall be revised as required by the conditions of the Work, and shall be subject to Sustainability / Projects Director's approval.

3.10.2 The Contractor shall cooperate with AMEC/Engineer in scheduling and performing the Contractor's Work to avoid conflict, delay in or interference with the Work of other Contractors or the construction or operations of the Owner's own forces.

3.10.4 The Contractor shall conform to the most recent schedules.

3.10.5 AMEC/Engineer will schedule and conduct a project meeting at a minimum of one meeting per week in each month which the Contractor shall attend. At this meeting, the parties can discuss jointly such matters as progress, scheduling, and problems.

**3.11 Documents and Samples at the Site**

3.11.1 The Contractor shall maintain at the site for the Owner one record copy of the Drawings, Specifications, addenda, Change Orders and other Modifications, in good order and marked

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

currently to record changes and selections made during construction, and in addition approved Shop Drawings, Product Data, Samples and similar required submittals. These shall be available to Sustainability / Projects Director and AMEC/Engineer and shall be delivered to AMEC/Engineer for submittal to the Owner upon completion of the Work.

**3.12 Shop Drawings, Product Data and Samples**

3.12.1 Shop Drawings are drawings, diagrams, schedules and other data specially prepared for the Work by the Contractor or a Subcontractor, Sub-subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Work.

3.12.2 Product Data are illustrations, standard schedules, performance charts, instructions, brochures, diagrams and other information furnished by the Contractor to illustrate materials or equipment for some portion of the Work.

3.12.3 Samples are physical examples which illustrate materials, equipment or workmanship and establish standards by which the Work will be judged.

3.12.4 Shop Drawings, Product Data, Samples and similar submittals are not Contract Documents. The purpose of their submittal is to demonstrate for those portions of the Work for which submittals are required the way the Contractor proposes to conform to the information given and the design concept expressed in the Contract Documents. Review by AMEC/Engineer is subject to the limitations of Subparagraph 4.6.12.

3.12.5 The Contractor shall review, approve and submit to AMEC/Engineer, in accordance with the schedule and sequence approved by Sustainability / Projects Director, Shop Drawings, Product Data, Samples and similar submittals required by the Contract Documents. The Contractor shall cooperate with AMEC/Engineer in the coordination of the Contractor's Shop Drawings, Product Data, Samples and similar submittals with related documents submitted by other Contractors. Submittals made by the Contractor which are not required by the Contract Documents may be returned without action.

3.12.6 The Contractor shall perform no portion of the Work requiring submittal and review of Shop Drawings, Product Data, Samples or similar submittals until the respective submittal has been approved by AMEC/Engineer. Such Work shall be in accordance with approved submittals.

3.12.7 By approving and submitting Shop Drawings, Product Data, Samples and similar submittals, the Contractor represents that the Contractor has determined and verified materials, field measurements and field construction criteria related thereto, or will do so, and has checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.

3.12.8 The Contractor shall not be relieved of responsibility for deviations from requirements of the Contract Documents by AMEC/Engineer approval of Shop Drawings, Product Data, Samples or similar submittals unless the Contractor has specifically informed Sustainability / Projects Director and AMEC/Engineer in writing of such deviation at the time of submittal and AMEC/Engineer has given written approval to the specific deviation. The Contractor shall not be relieved of responsibility for errors or omissions in Shop Drawings, Product Data, Samples or similar submittals by AMEC/Engineer's approval thereof.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

3.12.9 The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data, Samples or similar submittals, to revisions other than those requested by Sustainability / Projects Director and AMEC/Engineer on previous submittals.

3.12.10 Informational submittals upon which AMEC/Engineer are not expected to take responsive action may be so identified in the Contract Documents.

3.12.11 When professional certification of performance criteria of materials, systems or equipment is required by the Contract Documents, AMEC/Engineer shall be entitled to rely upon the accuracy and completeness of such calculations and certifications.

3.12.12 If materials specified in the Contract Documents are not available on the present market, the Contractor may submit data on substitute materials to AMEC/Engineer for approval by the Owner.

### **3.13 Use of Site**

3.13.1 The Contractor shall confine operations at the site to areas permitted by law, ordinances, permits and the Contract Documents and shall not unreasonably encumber the site with materials or equipment.

3.13.2 The Contractor shall coordinate the Contractor's operations with, and secure the approval of, AMEC/Engineer before using any portion of the site.

### **3.14 Cutting and Patching**

3.14.1 The Contractor shall be responsible for cutting, fitting or patching required to complete the Work or to make its parts fit together properly; He shall also provide protection of existing work as required.

3.14.2 The Contractor shall not damage or endanger a portion of the Work or fully or partially completed construction of the Owner's own forces or of other Contractors by cutting, patching, excavating or otherwise altering such construction. The Contractor shall not cut or otherwise alter such construction by other Contractors or by the Owner's own forces except with written consent of AMEC/Engineer, Owner and such other contractors: such consent shall not be unreasonably withheld. The Contractor shall not unreasonably withhold from the other Contractors or the Owner the Contractor's consent to cutting or otherwise altering the Work. When structural members are involved, the written consent of Sustainability / Projects Director shall also be required. The Contractor shall not unreasonably withhold from AMEC/Engineer or any separate contractor his consent to cutting or otherwise altering the Work.

3.14.3 The Contractor shall arrange for any blockouts, cutouts, or openings required for the installation of his materials and equipment and the execution of his work, whether or not shown or indicated on the Drawings. The Contractor shall be further responsible for sealing and/or finishing, in an acceptable fashion and meeting any applicable code requirements, and such block-out, cutout opening, or other hole in any fire-related floor, ceiling, wall, security wall, or any other finished surface.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**3.15 Cleaning Up**

3.15.1 The Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Contract. At completion of the Work the Contractor shall remove from and about the project waste materials rubbish, the Contractor's tools, construction equipment, machinery and surplus materials. Clean up shall be performed to the satisfaction of the Owner or AMEC/Engineer.

3.15.2 If the Contractor fails to clean up as provided in the Contract Documents, AMEC/Engineer may do so with the Owner's approval and the cost thereof shall be charged to the Contractor.

**3.16 Access to Work**

3.16.1 The Contractor shall provide the Owner, Sustainability / Projects Director and AMEC/Engineer access to the Work in preparation and progress wherever located.

**3.17 Royalties and Patents**

3.17.1 The Contractor shall pay all royalties and license fees. The Contractor shall defend suits or claims for infringement of patent rights and shall hold the Owner, Sustainability / Projects Director and AMEC/Engineer harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process or product of a particular manufacturer or manufacturers is required by the Contract Documents. However, if the Contractor has reason to believe that the required design, process or product is an infringement of a patent, the Contractor shall be responsible for such loss unless such information is promptly furnished to the AMEC/Engineer and Sustainability / Projects Director.

**3.18 Indemnification and Hold Harmless**

3.18.1 Hold Harmless and Indemnification. Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, the Contractor covenants and agrees that he shall indemnify and hold the COUNTY and the COUNTY's elected and appointed officers and employees harmless from and against (i) claims, actions or causes of action, (ii) litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) costs or expenses that may be asserted against, initiated with respect to, or sustained by the County and the COUNTY's elected and appointed officers and employees and the property owner upon which the work is performed from liabilities damages, losses and costs, including but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor and persons employed or utilized by the indemnifying party in the performance of the construction contract. The monetary limitation of liability under this contract shall be not less than \$1 million per occurrence pursuant to F. S. 725.06. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

In the event the completion of the project (including the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay.

In the event the completion of the project (including the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay.

The first ten dollars (\$10.00) of remuneration paid to the Contractor is for the indemnification provided for above.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

#### **4.0 ADMINISTRATION OF THE CONTACT**

##### **4.1 Amec Foster Wheeler/Engineer**

4.1.1 The Amec Foster Wheeler/Engineer is the person lawfully licensed to practice engineering or any entity lawfully practicing engineering identified as such in the Agreement and is referred to throughout the Contract Documents as if singular in number.

##### **4.2 Sustainability / Projects Director**

4.2.1 Sustainability / Projects Director is the person identified as such in the Agreement and is referred to throughout the Contract Documents. The term "Sustainability / Projects Director" means Monroe County Sustainability Program Manager or Sustainability / Projects Director's authorized representative.

4.3 Duties, responsibilities and limitations of authority of Sustainability / Projects Director and Amec Foster Wheeler/Engineer as set forth in the Contract Documents shall not be restricted, modified or extended without written consent of the Owner, Sustainability / Projects Director, Engineer and Contractor. Consent shall not be unreasonably withheld.

4.4 In case of termination of employment of Engineer, the Owner shall appoint an Engineer whose status under the Contract Documents shall be that of the former Architect/Engineer.

##### **4.5 Not Used**

##### **4.6 Administration of the Contract**

4.6.1 Sustainability / Projects Director and AMEC/Engineer will provide administration of the Contract as described in the Contract Documents, and will be the Owner's representatives (1) during construction, (2) until final payment is due and (3) with the Owner's concurrence, from time to time during the correction period described in Paragraph 12.2. Sustainability / Projects

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Director and AMEC/Engineer will advise and consult with the Owner and will have authority to act on behalf of the Owner only to the extent provided in the Contract Document, unless otherwise modified by written instrument in accordance with other provision of the Contract.

4.6.2 AMEC/Engineer will determine in general that the Work is being performed in accordance with the requirements of the Contract Documents, will keep the Owner informed of the progress of the Work, and will endeavor to guard the Owner against defects and deficiencies in the Work.

4.6.3 AMEC/Engineer will provide for coordination of the activities of other Contractors and of the Owner's own forces, if any, with the Work of the Contractor, who shall cooperate with them. The Contractor shall participate with other Contractors or subcontractors and AMEC/Engineer Owner in reviewing their construction schedules when directed to do so. The Contractor shall make any revisions to the Construction schedule deemed necessary after a joint review and mutual agreement. The construction schedules shall constitute the schedules to be used by the Contractor, other Contractors, AMEC/Engineer and the Owner until subsequently revised.

4.6.4 Not used.

4.6.5 AMEC/Engineer will visit the site at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of the completed Work and to determine in general if the Work is being performed in a manner indicating that the Work, when completed, will be in accordance with the Contract Documents. However, AMEC or Sustainability / Projects Director will not be required to make exhaustive or continuous onsite inspections to check quality or quantity of the Work. On the basis of on-site observations of AMEC/Engineer, AMEC will keep the Owner informed of progress of the Work, and will endeavor to guard the Owner against defects and deficiencies in the work.

4.6.6 Sustainability / Projects Director and AMEC/Engineer will not have control over or charge of and will not be responsible for construction means, method, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, since these are solely the Contractor's responsibility as provided in Paragraph 3.3, and neither will be responsible for the Contractor's failure to carry out the Work in accordance with the Contract Documents. Neither Sustainability / Projects Director nor AMEC/Engineer will have control over, or charge of, or be responsible for acts or omissions of the Contractor, Subcontractors, or their agents or employees, or of any other persons performing portions of the Work.

4.6.7 Communications Facilitating Contract Administration. Except as otherwise provided in the Contract Documents or when direct communications have been specially authorized, the Owner and Contractor shall communicate through Sustainability / Projects Director, and shall contemporaneously provide the same communications to the AMEC/Engineer. Communications by and with the Engineer's consultants shall be through the Engineer. Communications by and with Subcontractors and material suppliers shall be through the Contractor. Communications by and with other Contractors shall be through Sustainability / Projects Director and shall be contemporaneously provided to the AMEC/Engineer.

4.6.8 AMEC/Engineer will review and certify all Applications for Payment by the Contractor, including final payment. AMEC/Engineer will assemble each of the Contractor's Applications for Payment with similar Applications from other Contractor into a Project Application for Payment. After reviewing and certifying the amounts due the Contractors, the Project Application for

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Payment, along with the applicable Contractors' Applications for Payment, will be processed by Sustainability / Projects Director.

4.6.9 Based on AMEC/Engineer's observations and evaluations of Contractors' Applications for Payment, AMEC/Engineer will certify the amounts due the Contractors and will issue a Project Approval for Payment.

4.6.10 AMEC/Engineer will have authority to reject Work which does not conform to the Contract Documents, and to require additional inspection or testing, in accordance with Subparagraphs 13.5.2 and 13.5.3, whether or not such Work is fabricated, installed or completed, but will take such action only after notifying Sustainability / Projects Director. Subject to review, Sustainability / Projects Director will have the authority to reject Work which does not conform to the Contract Documents. Whenever AMEC/Engineer considers it necessary or advisable for implementation of the intent of the Contract Documents, AMEC/Engineer have authority to require additional inspection or testing of the work in accordance with Subparagraphs 13.5.2 and 13.5.3, whether or not such Work is fabricated, installed or completed. The foregoing authority of Sustainability / Projects Director will be subject to the provisions of Subparagraphs 4.6.18 through 4.6.20 inclusive, with respect to interpretations and decisions of AMEC/Engineer. However, neither AMEC/Engineer's nor Sustainability / Projects Director's authority to act under this Subparagraph 4.6.10 nor a decision made by either of them in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of AMEC/Engineer or Sustainability / Projects Director to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees, or other persons performing any of the Work.

4.6.11 AMEC/Engineer will receive from the Contractor and review and approve all Shop Drawings, Product Data and Samples, coordinate them with information received from other Contractors, and review those recommended for approval. AMEC/Engineer's actions will be taken with such reasonable promptness as to cause no delay in the Work of the Contractor or in the activities of other Contractors or the Owner.

4.6.12 AMEC/Engineer will review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. AMEC/Engineer's action will be taken with such promptness consistent with the constraints of the project schedule so as to cause no delay in the Work of the Contractor or in the activities of the other Contractors, the Owner, or Sustainability / Projects Director, while allowing sufficient time to permit adequate review. Review of such submittals is not conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of the Contractor as Contractor as required by the Contract Documents. AMEC/Engineer's review of the Contractor's submittals shall not relieve the Contractor of the obligations under Paragraphs 3.3, 3.5 and 3.12. AMEC/Engineer's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by AMEC/Engineer, of any construction means, methods, techniques, sequences or procedures. AMEC/Engineer's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

4.6.13 Sustainability / Projects Director will prepare Change Orders and Construction Change Directives, in consultation with AMEC/Engineer.

4.6.14 Following consultation with AMEC/Engineer, Sustainability / Projects Director will take appropriate action on Change Orders or Construction Change Directives.

4.6.16 The Contractor will assist AMEC/Engineer in conducting inspections to determine the dates of Substantial completion and final completion, and will receive and forward to AMEC/Engineer written warranties and related documents required by the Contract and assembled by the Contractor. AMEC/Engineer will review and approve a final Project Application for Payment upon compliance with the requirements of the Contract Documents.

4.6.17 AMEC/Engineer will provide one or more project representatives to assist in carrying out their responsibilities at the site. The duties, responsibilities and limitations of authority of such project representatives shall be as set forth in an Exhibit to be incorporated in the Contract Documents.

4.6.18 AMEC/Engineer will interpret and decide matters concerning performance under and requirements of the Contract Documents on written request of the Owner or Contractor. AMEC/Engineer's response to such requests will be made with reasonable promptness and within any time limits agreed upon. If no agreement is made concerning the time within which interpretations required of Engineer shall be furnished in compliance with this Paragraph 4.6, then delay shall not be recognized on account of failure by Engineer to furnish such interpretations until 15 days after written request is made for them.

4.6.19 Interpretations and decisions of Sustainability / Projects Director will be consistent with the intent of and reasonably inferable from the Contract Documents and will be in writing or in the form of drawings. When making such interpretations and decisions, Sustainability / Projects Director will endeavor to secure faithful performance by both Owner and Contractor, will not show partiality to either and will not be liable for results of interpretations or decisions so rendered in good faith.

4.6.20 Sustainability / Projects Director's decisions on matters relating to aesthetic effect will be final if consistent with the intent expressed in the Contract Documents.

#### **4.7 Claims and Disputes**

4.7.1 **Definition.** A Claim is a demand or assertion by one of the parties seeking, as a matter of right, adjustment or interpretation of Contract terms, payment of money, and extension of time or other relief with respect to the terms of the Contract. The term "Claim" also includes other disputes and matters in question between the Owner and Contractor arising out of or relating to the Contract. Claims must be made by written notice. The responsibility to substantiate Claims shall rest with the party making the claim.

4.7.2 **Meet and Confer.** The Contractor and Sustainability / Projects Director shall try to resolve the claim or dispute with meet and confer sessions to be commenced within 15 days of the dispute or claim. Any claim or dispute that the parties cannot resolve shall be decided by the Circuit Court, 16<sup>th</sup> Judicial Circuit, Monroe County, Florida.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**4.7.3 Time Limits on Claims.** Claims by either party must be made within 21 days after occurrence of the event giving rise to such Claim or within 21 days after the claimant first recognizes the condition giving rise to the Claim, whichever is later. Claims must be made by written notice. An additional Claim made after the initial Claim has been implemented by Change Order will not be considered unless submitted in a timely manner. This notice is not a condition precedent to any other legal action or suit.

**4.7.4 Continuing Contract Performance.** Pending final resolution of a Claim unless otherwise agreed in writing the Contractor shall proceed diligently with performance of the Contract and the Owner shall continue to make payments in accordance with the Contract Documents.

**4.7.5 Waiver of Claims: Final Payment.** The making of final payment shall constitute a waiver of Claim by the Owner except those arising from:

- .1 liens, Claims, security interests or encumbrances arising out of the Contract and unsettled;
- .2 failure of the Work to comply with the requirements of the Contract Documents; or
- .3 terms of special warranties required by the Contract Documents.

**4.7.6 Claims for Concealed or Unknown Conditions.** If conditions are encountered at the site which are (1) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, then notice by the observing party shall be given to the other party promptly before conditions are disturbed and in no event later than 21 days after first observance of the conditions. Sustainability / Projects Director will promptly investigate such conditions, and the parties will follow the procedure in paragraph 4.7.2.

**4.7.7 Claims for Additional Cost.** If the Contractor wishes to make Claim for an increase in the Contract Sum, written notice as provided herein shall be given before proceeding to execute the Work. Prior notice is not required for Claims relating to an emergency endangering life or property arising under Paragraph 10.3 If the Contractor believes additional cost is involved for reasons including but not limited to (1) a written interpretation from Sustainability / Projects Director, (2) a written order for a minor change in the Work issued by AMEC/Engineer, (3) failure of payment by the Owner, (4) termination of the Contract by the Owner, (5) Owner's suspension or (6) other reasonable grounds, Claim shall be filed in accordance with the procedure established herein.

**4.7.8 Claims for Additional Time.**

**4.7.8.1** If the Contractor wishes to make Claim for an increase in the Contract Time, written notice as provided herein shall be given.

**4.7.8.2** If adverse weather conditions are the basis for a Claim for additional time, such Claim shall be documented by data substantiating that weather conditions were abnormal for the period of time and could not have been reasonably anticipated, and that weather conditions had an adverse effect on the scheduled construction.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

**4.7.9 Injury or Damage to Person or Property.** If either party to the Contract suffers injury or damage to person or property because of an act or omission of the other party, of any of the other party's employees or agents, or of others for whose acts such party is legally liable, written notice of such injury or damage, whether or not insured, shall be given to the other party within a reasonable time not exceeding 21 days after first observance. The notice shall provide sufficient detail to enable the other party to investigate the matter. If a Claim for additional cost or time related to this Claim is to be asserted, it shall be filed as provided in Subparagraphs 4.7.7 or 4.7.8.

**5.0 SUBCONTRACTORS**

**5.1 Definitions**

5.1.1 A Subcontractor is a person or entity who has a direct contract with the Contractor to perform a portion of the Work at the site. The term "Subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include other Contractors or subcontractors of other Contractors.

5.1.2 A Sub-subcontractor is a person or entity who has a direct or indirect contract with a Subcontractor to perform a portion of the Work at the site. The term "Sub-subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Sub-subcontractor or an authorized representative of the Sub-subcontractor.

**5.2 Award of Subcontracts and Other Contracts for Portions of the Work**

5.2.1 Unless otherwise stated in the Contract Documents or the bidding requirements, the Contractor, as soon as practicable after award of the Contract, shall furnish in writing to Sustainability / Projects Director for review by the Owner and Sustainability / Projects Director the names of persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for each principal portion of the Work. Sustainability / Projects Director will promptly reply to the Contractor in writing stating whether or not the Owner or Sustainability / Projects Director, after due investigation, has reasonable objection to any such proposed person or entity. Failure of Sustainability / Projects Director to reply promptly shall constitute notice of no reasonable objection.

5.2.2 The Contractor shall not contract with a proposed person or entity to which the Owner or Sustainability / Projects Director has made reasonable and timely objection. The Contractor shall not be required to contract with anyone to whom the Owner or Sustainability / Projects Director has made reasonable objection.

5.2.3 If the Owner or Sustainability / Projects Director refuses to accept any person or entity on a list submitted by the Contractor in response to the requirements of the Contract Documents, the Contractor shall submit an acceptable substitute; however, no increase in the Contract Sum shall be allowed for any such substitution.

5.2.4 The Contractor shall not change a Subcontractor, person or entity previously selected if the Owner or Sustainability / Projects Director makes reasonable objection to such change.

**5.3 Subcontractual Relations**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

5.3.1 By appropriate written agreement, the Contractor shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities which the Contractor, by these Documents, assumes toward the Owner or Sustainability / Projects Director. Each subcontract agreement shall preserve and protect the rights of the Owner or Sustainability / Projects Director under the Contract Documents with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights. When appropriate, the Contractor shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Contractor shall make available to each proposed Subcontractor, copies of the Contract Documents which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement which may be at variance with the Contract Documents. Subcontractors shall similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors.

**5.4 Contingent Assignment of Subcontracts**

5.4.1 Each subcontract agreement for a portion of the Work is assigned by the Contractor to the Owner provided that:

.1 assignment is effective only after termination of the Contract by the Owner for cause pursuant to Paragraph 14.2 and only for those subcontract agreements which the Owner accepts by notifying the Subcontractor in writing; and

.2 assignment is subject to the prior rights of the surety, if any, obligated under public construction bond covering the Contract.

i. If the work has been suspended for more than 30 days, the Subcontractor's compensation shall be equitably adjusted.

**6.0 CONSTRUCTION BY OWNER OR BY OTHER CONTRACTORS**

**6.1 Owner's Right to Perform Construction with Own Forces and to Award Other Contracts**

6.1.1 The Owner reserves the right to perform construction or operations released to the Project with the Owner's own forces, which include persons or entities under separate contracts not administered by Sustainability / Projects Director. The Owner further reserves the right to award other contracts in connection with other portions of the Project or other construction or operations on the site under Conditions of the Contract identical or substantially similar to these including those portions related to insurance and waiver or subrogation.

6.1.2 When the Owner performs construction or operations with the Owner's own forces including persons or entities under separate contracts not administered by Sustainability / Projects Director, the Owner shall provide for coordination of such forces with the Work of the Contractor who shall cooperate with them.

6.1.3 It shall be the responsibility of the Contractor to coordinate his work with the work of other contractors on the site. The Owner and Sustainability / Projects Director shall be held harmless for any and all costs associated with improper coordination.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**6.2 Mutual Responsibility**

6.2.1 The Contractor shall afford the Owner's own forces, AMEC/Engineer and other contractors' reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities, and shall connect and coordinate the Contractor's construction and operations with theirs as required by the Contract Documents.

6.2.2 If part of the Contractor's Work depends for proper execution or results upon construction or operations by the Owner's own forces or other contractors, the Contractor shall, prior to proceeding with that portion of the Work, promptly report to any apparent discrepancies or defects in such other construction that would render it unsuitable for such proper execution and results. Failure of the Contractor so to report shall constitute an acknowledgment that the Owner's own forces or other contractors' completed or partially completed construction is fit and proper to receive the Contractor's Work, except as to defects not then reasonably discoverable.

6.2.3 Costs caused by delays or by improperly timed activities or defective construction shall be borne by the Contractor. The Contractor's sole remedy as against the Owner for costs caused by delays or improperly timed activities or defective construction shall be an extension of time.

6.2.4 The Contractor shall promptly remedy damage wrongfully caused by the Contractor to completed or partially completed construction or to property of the Owner or other contractors as provided in Subparagraph 10.2.5.

6.2.5 Claims and other disputes and matters in question between the Contractor and other contractors shall be subject to the provisions of Paragraph 4.7 provided the other contractors have reciprocal obligations.

6.2.6 The Owner and other contractors shall have the same responsibilities for cutting and patching as are described for the Contractor in Paragraph 3.14.

6.2.7 Should the Contractor contend that he is entitled to an extension of time for completion of any portion or portions of the work, he shall, within (72) hours of the occurrence of the cause of the delay, notify Sustainability / Projects Director in writing, of his contention: setting forth (A) the cause for the delay, (B) a description of the portion or portions of work affected thereby, and (C) all details pertinent thereto. A subsequent written application for the specific number of days of extension of time requested shall be made by the Contractor to Sustainability / Projects Director within (72) hours after the delay has ceased to exist.

.1 It is a condition precedent to the consideration or prosecution of any claim for an extension of time that the foregoing provisions be strictly adhered to in each instance and, if the Contractor fails to comply, he shall be deemed to have waived the claim.

.2 The Contractor agrees that whether or not any delay, regardless of cause, shall be the basis for an extension of time he shall have no claim against the Owner or Sustainability / Projects Director for an increase in the Contract price, nor a claim against the Owner or Sustainability / Projects Director for a payment or allowance of any kind for damage, loss or expense resulting from delays; nor shall the Contractor have any claim for damage, loss or expense resulting from interruptions to, or suspension of, his work to enable other contractors to perform their work. The only remedy available to the Contractor shall be an extension of time.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**6.3 Owner's Right to Clean Up**

6.3.1 If a dispute arises among the Contractor, other contractors and the Owner as to the responsibility under their respective contracts for maintaining the premises and surrounding area free from waste materials and rubbish as described in Paragraph 3.15, the Owner may clean up and allocate the cost among those responsible as Sustainability / Projects Director determines to be just.

**7.0 CHANGES IN THE WORK**

**7.1 Changes**

7.1.1 Changes in the Work may be accomplished after execution of the Contract, and without invalidating the Contract, by Change Order, Construction Change Directive or order for a minor change in the Work, subject to the limitations stated in this Article 7 and elsewhere in the Contract Documents.

7.1.2 A Change Order shall be based upon agreement among the Owner, Sustainability / Projects Director, AMEC/Engineer and Contractor; a Construction Change Directive requires agreement by the Owner and Sustainability / Projects Director and may or may not be agreed to by the Contractor; an order for a minor change in the Work may be issued by AMEC/Contractor alone.

7.1.3 Changes in the Work shall be performed under applicable provisions of the Contract Documents, and the Contractor shall proceed promptly, unless otherwise provided in the Change Order, Construction Change Directive or order for a minor change in the Work.

7.1.4 If unit prices are stated in the Contract Documents or subsequently agreed upon, and if quantities originally contemplated are so changed in a proposed Change Order or Construction Change Directive that application of such unit prices to quantities of Work proposed will cause substantial inequity to the Owner or Contractor, the applicable unit prices shall be equitably adjusted.

**7.2 Change Orders**

7.2.1 A change Order is a written instrument prepared by AMEC/Engineer and signed by the Owner, Sustainability / Projects Director and Contractor stating their agreement upon all of the following:

- .1 a change in the Work;
- .2 the amount of the adjustment in the Contract Sum, if any; and
- .3 the extent of the adjustment in the Contract Time, if any.

7.2.2 The cost or credit to the Owner resulting from a change in the Work shall be determined in one or more of the following methods:

- .1 mutual acceptance of lump sum properly itemized and supported by sufficient substantiating data to permit evaluation and payment, and approved by the appropriate authority in writing;

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

.2 unit prices stated in the Contract Documents or subsequently agreed upon, and approved by the appropriate authority in writing;

.3 cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed or percentage fee;

.4 or by method provided in subparagraph 7.2.3.

7.2.3 If none of the methods set forth in Clauses 7.2.1 or 7.2.2 is agreed upon, the Contractor, provided a written order signed by the Owner or Sustainability / Projects Director is received, shall promptly proceed with the Work involved. The cost of such Work shall then be determined by daily force accounts in a form acceptable to the Owner and Sustainability / Projects Director. The daily force account forms shall identify Contractor and /or Subcontractor personnel by name, total hours for each man, each piece of equipment and total hours for equipment and all material(s) by type for each extra Work activity claim. Each daily force account form shall be signed by the designated Sustainability / Projects Director representative no later than the close of business on the day the Work is performed to verify the items and hours listed. Extended pricing of these forms shall be submitted to Sustainability / Projects Director with all supporting documentation required by Sustainability / Projects Director for inclusion into a change order. Unless otherwise provided in the Contract Documents, cost shall be limited to the following: cost of materials, including sales tax and cost of delivery; cost of labor, including social security, old age and unemployment insurance, and fringe benefits required by agreement or custom; works' or workmen's compensation insurance; and the rental value of equipment and machinery. Markups for overhead and profit will be in accordance with subparagraph 7.2.4. Pending final determination of cost, payments on account shall be made as determined by Sustainability / Projects Director. The amount of credit to be allowed by the Contractor for any deletion or change, which results in a net decrease in the Contract Sum, will be the amount of the actual net cost to the Owner as confirmed by Sustainability / Projects Director. When both additions and credits covering related Work or substitutions are involved in any one change, the allowance for overhead and profit shall be figured on the basis of the net increase, if any with respect to that change.

7.2.4 The actual cost of Changes in the Work may include all items of labor or material, power tools, and equipment actually used, utilities, pro rata charges for foreman, and all payroll charges such as Public Liability and Workmen's Compensation Insurance. No percentage for overhead and profit shall be allowed on items of Social Security and Sales Tax. If deductions are ordered the amount of credit shall be net cost to Owner as defined in section 5.6.1 of the Contract. Items considered as overhead shall include insurance other than that mentioned above, bond or bonds, superintendent, timekeeper, clerks, watchmen, use of small tools, miscellaneous supplies, incidental job costs, warranties, and all general home/field office expenses. The actual cost of Changes in the Work (other than those covered by unit prices set forth in the Contract Documents) shall be computed as follows:

.1 if the Contractor performs the actual Work, the maximum percentage mark-up for overhead shall be five percent (5%) and the maximum percentage for profit shall be five percent (5%);

.2 if the Subcontractor performs the actual Work, the subcontractor's percentage mark-up for overhead and profit shall be a maximum addition of ten percent (10%). If the Contractor

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

does not perform the Work, the maximum mark-up for managing the Work will be five percent (5%);

3. If the Subcontractor performs part of the actual Work, his percentage mark-up for overhead and profit shall be a maximum addition of ten percent (10%) on his direct Work only. If the Contractor performs part of the actual Work, his percentage mark-up for overhead and profit shall be a maximum addition of ten percent (10%) on his direct Work only.

7.2.5 The Contractor shall furnish to the Owner through Sustainability / Projects Director, an itemized breakdown of the quantities and prices used in computing the value of any change that might be ordered. Any additional supporting documentation requested by Sustainability / Projects Director such as certified quotations or invoices shall be provided by the Contractor to Sustainability / Projects Director at no additional cost to the Owner.

7.2.6 If the Contractor claims that any instructions given to him by AMEC/Engineer, by drawings or otherwise, involve extra Work not covered by the Contract, he shall give Sustainability / Projects Director written notice thereof within five (5) days after the receipt of such instructions and before proceeding to execute the work, except in emergencies endangering life or property, in which case the Contractor shall proceed in accordance with Paragraph 10.3.

.1 The written notice to Sustainability / Projects Director for the Extra Work shall include a complete description of the extra Work, the total cost and a detailed cost breakdown by labor, material and equipment for each additional activity required to be performed. Mark-ups shall be limited as specified elsewhere in this Article.

.2 Except as otherwise specifically provided, no claim for additional cost shall be allowed unless the complete notice specified by this subparagraph is given by the Contractor.

7.2.7 Unless otherwise agreed in writing, the Contractor shall carry on the Work and maintain its progress during any dispute or claim proceeding, and Owner shall continue to make payments to the Contractor in accordance with the Contract Documents. Disputes unresolved shall be settled in accordance with subparagraph 4.7. The Contractor shall maintain completed daily force account forms in accordance with subparagraph 7.2.3 for any dispute or claim item.

### 7.3 Authority

7.3.1 AMEC/Engineer will have authority to order minor changes in the Work not involving adjustment in the Contract sum or extension of the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes shall be effected by written order issued through AMEC/Engineer and shall be binding on the Owner and Contractor. The Contractor shall carry out such written order promptly.

## 8.0 TIME

### 8.1 Definitions

8.1.1 Unless otherwise provided, Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

8.1.2 The date of commencement of the Work is the date established in the Agreement. The date shall not be postponed by the failure to act of the Contractor or of persons or entities for which the Contractor is responsible.

8.1.3 The date of Substantial Completion is the date certified by Sustainability / Projects Director in accordance with Paragraph 9.8.

8.1.4 The term "day" as used in the Contract Documents shall mean calendar day unless otherwise specifically defined.

8.1.5 The Owner/Sustainability / Projects Director shall be the final judge as to whether Substantial Completion has been achieved and certifies the date to the Contractor.

## **8.2 Progress and Completion**

8.2.1 Time limits stated in the Contract Documents are of the essence of the Contract. By executing the Agreement the Contractor confirms that the Contract Time is a reasonable period for performing the Work.

8.2.2 The Contractor shall not knowingly, except by agreement or instruction of the Owner in writing, prematurely commence operations on the site or elsewhere prior to the effective date of insurance required by Article 11 to be furnished by the Contractor. The date of commencement of the Work shall not be changed by the effective date of such insurance.

8.2.3 The Contractor shall proceed expeditiously with adequate forces and shall achieve Substantial Completion within the Contract Time.

## **8.3 Delays and Extensions of Time**

8.3.1 If the Contractor is delayed, at any time, in the progress of the Work by any act or neglect of the Owner, Sustainability / Projects Director, or the AMEC/Engineer, or by any employee of either, or by any separate contractor employed by the Owner, or by changes ordered in the Work, or by fire, unusual delay in transportation, adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Contractor's control, or by delay authorized by the Owner, Sustainability / Projects Director, or by any other cause which Sustainability / Projects Director determines may justify the delay, then the Contract Time shall be extended by no cost Change Order for such reasonable time as Sustainability / Projects Director may determine, in accordance with subparagraph 6.2.7.

8.3.2 Any claim for extension of time shall be made in writing to Sustainability / Projects Director not more than Seventy-two (72) hours after the commencement of the delay in accordance with paragraph 6.2.7; otherwise it shall be waived. Any claim for extension of time shall state the cause of the delay and the number of days of extension requested. If the cause of the delay is continuing, only one claim is necessary, but the Contractor shall report the termination of the cause for the delay within seventy-two (72) hours after such termination in accordance with paragraph 6.2.7; otherwise, any claim for extension of time based upon that cause shall be waived.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

8.3.3 No claim for an increase in the Contract Sum for either acceleration or delay will be allowed for extensions of time pursuant to this Paragraph 8.3 or for other changes in the Construction Schedules.

8.3.4 If the Project is delayed as a result of the Contractor's refusal or failure to begin the Work on the date of commencement as defined in Paragraph 8.1.2, or his refusal or failure to carry the Work forward expeditiously with adequate forces, the Contractor causing the delay shall be liable for, but not limited to, delay claims from other Contractors which are affected.

## **9.0 PAYMENTS AND COMPLETION**

### **9.1 Contract Sum**

9.1.1 The Contract Sum is stated in the Agreement and, including authorized adjustments, is the total amount payable by the Owner to the Contractor for performance of the Work under the Contract Documents.

### **9.2 Schedule of Values**

9.2.1 Before submittal of the first Application for Payment, the Contractor shall submit to AMEC/Engineer, a schedule of values allocated to various portions of the Work, prepared in such form and supported by such data to substantiate its accuracy as AMEC/Engineer may require. This schedule, unless objected to by Sustainability / Projects Director, shall be used as a basis for reviewing the Contractor's Applications for Payment.

### **9.3 Applications for Payment**

9.3.1 At least fifteen days before the date established for each progress payment, the Contractor shall submit to AMEC/Engineer an itemized Application for Payment for Work completed in accordance with the schedule of values. Such application shall be notarized and supported by such data substantiating the Contractor's right to payment as the Owner or Sustainability / Projects Director may require, such as copies of requisitions from Subcontractors and material suppliers, and reflecting retainage if provided for elsewhere in the Contract Documents.

.1 Such applications may include request for payment on account of changes in the Work which have been properly authorized by Construction Change Directives but not yet included in Change Orders.

.2 Such applications may not include requests for payment of amounts the Contractor does not intend to pay to a Subcontractor or material supplier because of a dispute or other reason.

9.3.2 Unless otherwise provided in the Contract Documents, payments shall be made on account of materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work. If approved in advance by the Owner, payment may similarly be made for materials and equipment suitably stored off the site at a location agreed upon in writing. Payment for materials and equipment stored on or off the site shall be conditioned upon compliance by the Contractor with procedures satisfactory to the Owner to establish the

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Owner's title to such materials and equipment or otherwise protect the Owner's interest, and shall include applicable insurance, storage and transportation to the site for such materials and equipment stored off the site.

9.3.3 The Contractor warrants that title to all Work covered by an Application for Payment will pass to the Owner no later than the time of payment. The Contractor further warrants that upon submittal of an Application for Payment all Work for which approval for payment have been previously issued and payments received from the Owner shall, to the best of the Contractor's knowledge, information and belief, be free and clear of liens, claims security interests or encumbrances in favor of the Contractor, Subcontractors, material suppliers, or other persons or entities making a claim by reason of having provided labor, materials and equipment relating to the Work. All Subcontractors and Sub-subcontractors shall execute an agreement stating that title will so pass, upon their receipt of payment from the Contractor. The warranties are for the administrative convenience of the Owner only and do not create an obligation on the part of the Owner to pay directly any unpaid subcontractor, laborer or materialmen. Such persons must seek payment from the Contractor or his public construction bond surety only.

#### 9.4 Approval for Payment

9.4.1 AMEC/Engineer will assemble a Project Application for Payment by combining the Contractor's applications with similar applications for progress payments from other Contractors and certify the amounts due on such applications.

9.4.2 After the AMEC/Engineer's receipt of the Project Application for Payment, AMEC/Engineer will either recommend approval to the Sustainability / Projects Director for the Application for Payment, with a copy to the Contractor, for such amount as AMEC/Engineer recommends to the Sustainability / Projects Director is properly due, or notify the Contractor in writing of AMEC/Engineer's reasons for withholding approval in whole or in part as provided in Subparagraph 9.5.1

9.4.3 The issuance of a separate Approval for Payment will constitute representations made by AMEC/Engineer to the Owner, based on their individual observations at the site and the data comprising the Application for Payment submitted by the Contractor, that the Work has progressed to the point indicated and that, to the best of AMEC/Engineer's knowledge, information and belief, quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to results of subsequent tests and inspections, to minor deviations from the Contract Documents correctable prior to completion and to specific qualifications expressed by AMEC/Engineer. The issuance of a separate Approval for Payment will further constitute a representation that the Contractor is entitled to payment in the amount approved. However, the issuance of a separate Approval for Payment will not be a representation that AMEC/Engineer has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed the Contractor's construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment or (4) made examination to ascertain how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**9.5 Decisions to Withhold Approval**

9.5.1 AMEC/Engineer may decline to approve an Application for Payment if, in his opinion, the application is not adequately supported. If the Contractor and AMEC/Engineer cannot agree on a revised amount, AMEC/Engineer shall process the Application for the amount it deems appropriate. AMEC/Engineer may also decline to approve any Application for Payment because of subsequently discovered evidence or subsequent inspections. It may nullify, in whole or part, any approval previously made to such extent as may be necessary in its opinion because of: (1) defective Work not remedied; (2) third party claims filed or reasonable evidence indicating probable filing of such claims; (3) failure of the Contractor to make payments properly to Subcontractors or for labor, materials, or equipment; (4) reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum; (5) damage to AMEC/Engineer, Sustainability / Projects Director, the Owner, or another contractor working at the project; (6) reasonable evidence that the Work will not be completed within the contract time; (7) persistent failure to carry out the Work in accordance with the Contract Documents.

No payment shall be made to the Contractor until certificates of insurance or other evidence of compliance by the Contractor, with all the requirements of Article 11, have been filed with the Owner and Sustainability / Projects Director.

9.5.2 When the above reasons for withholding approval are removed, approval will be made for amounts previously withheld.

**9.6 Progress Payments**

9.6.1 After AMEC/Engineer has issued an Approval for Payment, the Owner shall make payment in the manner and within the time provided in the Contract Documents, and shall so notify AMEC/Engineer. From the total of the amount determined to be payable on a progress payment, a retainage in accordance with the Florida Local Government Prompt Payment Act, Chapter 218, Florida Statutes will be deducted and retained by the Owner until the final payment is made. The balance of the amount payable, less all previous payments, shall be approved for payment. .1 It is understood and agreed that the Contractor shall not be entitled to demand or receive progress payment based on quantities of Work in excess of those provided in the proposal or covered by approved change orders, except when such excess quantities have been determined by AMEC/Engineer and Sustainability / Projects Director to be a part of the final quantity for the item of Work in question.

.2 No progress payment shall bind the Owner to the acceptance of any materials or Work in place, as to quality or quantity. All progress payments are subject to correction at the time of final payments.

9.6.2 The Contractor shall promptly pay each Subcontractor, upon receipt of payment from the Owner, out of the amount paid to the Contractor on account of such Subcontractor's portion of the Work, the amount to which said Subcontractor is entitled, reflecting percentages actually retained from payments to the Contractor on account of such Subcontractor's portion of the Work. The Contractor shall, by appropriate agreement with each Subcontractor, require each Subcontractor to make payments to Sub-subcontractors in similar manner.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

9.6.3 AMEC/Engineer will, on request, furnish to a Subcontractor, if practicable, information regarding percentages of completion or amounts applied for by the Contractor and action taken thereon by the Owner and Sustainability / Projects Director on account of portions of the Work done by such Subcontractor.

9.6.4 Neither the Owner nor Sustainability / Projects Director shall have an obligation to pay, or to see to, the payment of money to a Subcontractor except as may otherwise be required by law.

9.6.5 Payment to material suppliers shall be treated in a manner similar to that provided in Subparagraphs 9.6.2, 9.6.3 and 9.6.4.

9.6.6 A progress payment, or partial or entire use or occupancy of the Project by the Owner shall not constitute acceptance of Work not in accordance with the Contract Documents.

9.6.7 All material and work covered by partial payments made shall thereupon become the sole property of the Owner, and by this provision shall not be construed as relieving the Contractor from the sole responsibility for the materials and Work upon which payments have been made or the restoration for any damaged material, or as a waiver of the right of the Owner or Sustainability / Projects Director to require the fulfillment of all the terms of the Contract.

9.6.8 Except in case of bona fide disputes, or where the Contractor has some other justifiable reason for delay, the Contractor shall pay for all transportation and utility services not later than the end of the calendar month following that in which services are rendered and for all materials, tools, and other expendable equipment which are delivered at the site of the Project. The Contractor shall pay to each of his Subcontractors, not later than the end of the calendar month in which each payment is made to the Contractor, the representative amount allowed the Contractor on account of the Work performed by the Subcontractor. The Contractor shall, by an appropriate agreement with each Subcontractor, also require each Subcontractor to make payments to his suppliers and Sub-subcontractors in a similar manner.

## **9.7 Substantial Completion**

9.7.1 Substantial Completion is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so the Owner can occupy or utilize the Work for its intended use.

9.7.2 When the Contractor considers that the Work, or a portion thereof which the Owner agrees to accept separately, is substantially complete, the Contractor and AMEC/Engineer shall jointly prepare a comprehensive list of items to be completed or corrected. The Contractor shall proceed promptly to complete and correct items on the list. Failure to include an item on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents. Upon receipt of the list, AMEC/Engineer will make an inspection to determine whether the Work or designated portion thereof is substantially complete. If the inspection discloses any item, whether or not included on the list, which is not in accordance with the requirements of the Contract Documents, the Contractor shall, before issuance of the Certificate of Substantial Completion, complete or correct such item upon notification by AMEC/Engineer. The Contractor shall then submit a request for another inspection by AMEC/Engineer, to determine Substantial Completion. When the Work or designated portion

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

thereof is substantially complete, AMEC/Engineer will prepare a Certificate of Substantial Completion, shall establish responsibilities of the Owner and Contractor for security, maintenance, heat, utilities, damage to the Work and insurance, and shall fix the time within which the Contractor shall finish all items on the list accompanying the Certificate. Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be submitted to the Owner and Contractor for their written acceptance of responsibilities assigned to them in such Certificate.

9.7.3 Upon Substantial Completion of the Work or designated portion thereof and upon application by the Contractor and certification by AMEC/Engineer and Sustainability / Projects Director, the Owner shall make payment, reflecting adjustment in retainage, if any, for such Work or portion thereof as provided in the Contract Documents.

#### **9.8 Partial Occupancy or Use**

9.8.1 The Owner may occupy or use any completed or partially completed portion of the Work at any stage when such portion is designated by separate agreement with the Contractor, provided such occupancy or use is consented to by the insurer as required under Subparagraph 11.3.1 and authorized by public authorities having jurisdiction over the Work. Such partial occupancy or use may commence whether or not the portion is substantially complete, provided the Owner and Contractor have accepted in writing the responsibilities assigned to each of them for payments, retainage if any, security, maintenance, heat, utilities, damage to the Work and insurance, and have agreed in writing concerning the period for correction of the Work and commencement of warranties required by the Contract Documents. When the Contractor considers a portion substantially complete, the Contractor and AMEC/Engineer shall jointly prepare a list as provided under Subparagraph 9.8.2. Consent of the Contractor to partial occupancy or use shall not be unreasonably withheld. The stage of the progress of the Work shall be determined by written agreement between the Owner and Contractor or, if no agreement is reached, by decision of Sustainability / Projects Director.

9.8.2 Immediately prior to such partial occupancy or use, the Owner, Sustainability / Projects Director, AMEC/Engineer and Contractor shall jointly inspect the area to be occupied or portion of the Work to be used in order to determine and record the condition of the Work.

9.9.3 Unless otherwise agreed upon, partial occupancy or use of a portion or portions of the Work shall not constitute acceptance of Work not complying with the requirements of the Contract Documents.

#### **9.9 Final Completion and Final Payment**

9.9.1 Upon completion of the Work, the Contractor shall forward to AMEC/Engineer a written Notice that the Work is ready for final inspection and acceptance and shall also forward to AMEC/Engineer a final Contractor's Application for Payment. Upon receipt, AMEC/Engineer will promptly make such inspection. When AMEC/Engineer finds the Work acceptable under the Contract Documents and the Contract fully performed, AMEC/Engineer will promptly issue a final Approval for Payment stating that to the best of their knowledge, information and belief,

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

and on the basis of their observations and inspections, the Work has been completed in accordance with terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor and noted in said final Approval is due and payable. AMEC/Engineer's final Approval for Payment will constitute a further representation that conditions listed in Subparagraph 9.10.2 as precedent to the Contractor's being entitled to final payment have been fulfilled.

9.9.2 Neither final payment nor any remaining retained percentage shall become due until the Contractor submits to AMEC/Engineer and Sustainability / Projects Director (1) an affidavit that payrolls, bills for materials and equipment, and other indebtedness connected with the Work for which the Owner or the Owner's property might be responsible or encumbered (less amounts withheld by Owner) have been paid or otherwise satisfied, (2) a certificate evidencing that insurance required by the Contract Documents to remain in force after final payment is made, is currently in effect and will not be canceled or allowed to expire until at least 30 days' prior written notice has been given to the Owner, (3) a written statement that the Contractor knows of no substantial reason that the insurance will not be renewable to cover the period required by the Contract Documents, (4) consent of surety, if any, to final payment and (5), if required by the Owner, other data establishing payment or satisfaction of obligations, such as receipts, releases and waivers of liens, claims, security interests or encumbrances arising out of the Contract. The following documents (samples included in section 1027) are required for Final Payment:

- (1) Application and Certificate for Payment
- (2) Continuation Sheet
- (3) Certificate of Substantial Completion
- (4) Contractor's Affidavit of Debts and Claims
- (5) Contractor's Affidavit of Release of Liens
- (6) Final Release of Lien
- (7) Contractor shall provide two (2) hard copies in tabulated divided binders and one (1) saved electronically tabbed and indexed in Adobe Acrobat file (.PDF) format delivered on a downloadable CD/DVD of all the following but not limited to:

- A. Project Record Documents (As Built Documents).
- B. Operating and maintenance data, instructions to the Owner's personnel.
- C. Warranties, bond and guarantees.
- D. Keys and keying schedule.
- E. Spare parts and maintenance materials.
- F. Electronic copies of approved submittals
- G. Evidence of payment and final release of liens and consent of surety to final release (includes final release from all utilities and utility companies).

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

9.9.3 Acceptance of final payment by the Contractor, a Subcontractor or material supplier shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final Application for Payment. Such waivers shall be in addition to the waiver described Subparagraph 4.7.5.

**9.10 Payment of Subcontractors**

9.10.1 Any requirement of this Article 9 that the Contractor furnish proof to the Owner or Sustainability / Projects Director that the subcontractors and materialmen have been paid is for the protection and convenience of the Owner only. Unpaid subcontractors and materialmen may only seek payment from the Contractor and the surety that provided the Contractor's Public Construction Bond. **The Contractor must insert this paragraph 9.10 in all its contracts with subcontractors and materialmen.**

**10.0 PROTECTION OF PERSONS AND PROPERTY**

**10.1 Safety Precautions and Programs**

10.1.1 The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the Contract. The Contractor shall submit the Contractor's safety program to AMEC/Engineer for review, approval and coordination with the safety programs of other Contractors.

10.1.2 In the event the Contractor encounters on the site material reasonably believed to be asbestos or polychlorinated biphenyl (PCB) which has not been rendered harmless, the Contractor shall immediately stop Work in the area affected and report the condition to the Owner, Sustainability / Projects Director and AMEC/Engineer in writing. The Work in the affected area shall not thereafter be resumed except by written agreement of the Owner and Contractor if in fact the material is asbestos or polychlorinated biphenyl (PCB) and has not been rendered harmless. The Work in the affected area shall be resumed in the absence of asbestos or polychlorinated biphenyl (PCB), or when it has been rendered harmless, by written agreement of the Owner and Contractor.

10.1.3 The Contractor shall not be required pursuant to Article 7 to perform without consent any Work relating to asbestos or polychlorinated biphenyl (PCB).

10.1.5 If reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and report the condition to AMEC/Engineer and Sustainability / Projects Director in writing. The Owner, Contractor and Sustainability / Projects Director shall then proceed in the same manner described in Subparagraph 10.1.2.

10.1.6 The Owner shall be responsible for obtaining the services of a licensed laboratory to verify a presence or absence of the material or substance reported by the Contractor and, in the event such material or substance is found to be present, to verify that it has been rendered harmless. Unless otherwise required by the Contract Documents, the Owner shall furnish in writing to the Contractor, AMEC/Engineer and Sustainability / Projects Director the names and qualifications of persons or entities who are to perform tests verifying the presence or absence of such material or substance or who are to perform the task of removal or safe containment of

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

such material or substance. The Contractor, AMEC/Engineer and Sustainability / Projects Director will promptly reply to the Owner in writing stating whether or not any of them has reasonable objection to the persons or entities proposed by the Owner. If the Contractor, AMEC/Engineer or Sustainability / Projects Director has an objection to a person or entity proposed by the Owner, the Owner shall propose another to whom the Contractor, AMEC/Engineer and Sustainability / Projects Director have no reasonable objection.

**10.2 Safety of Persons and Property**

10.2.1 The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to:

.1 employees on the Work and other persons who may be affected thereby;

.2 the Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's Subcontractors or Sub-subcontractors;

.3 other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction; and

.4 construction or operations by the Owner or other Contractors.

10.2.2 The Contractor shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons or property or their protection from damage, injury or loss.

10.2.3 The Contractor shall erect and maintain, as required by existing conditions and performance of the Contract, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent sites and utilities.

10.2.4 When use or storage of explosives or other hazardous materials or equipment or unusual methods are necessary for execution of the Work, the Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel.

10.2.5 The Contractor shall promptly remedy damage and loss to property referred to in Clauses 10.2.1.2, 10.2.1.3, 10.2.1.4 caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Clauses 10.2.1.2, 10.2.1.3 and 10.2.1.4, except damage or loss attributable to acts or omissions of the Owner, Sustainability / Projects Director or AMEC/Engineer or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Paragraph 3.18.

10.2.6 The Contractor shall designate a responsible member of the Contractor's organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Owner, AMEC/Engineer or Sustainability / Projects Director.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

10.2.7 The Contractor shall not load or permit any part of the construction or site to be loaded so as to endanger its safety.

**10.3 Emergencies**

10.3.1 In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's discretion, to prevent threatened damage, injury or loss. Additional compensation or extension of time claimed by the Contractor on account of an emergency shall be determined as provided in Paragraph 4.7 and Article 7.

**10.4 Site Specific Safety Plan**

See Section 00970 for minimum requirements of job site safety plan.

**11.0 INSURANCE AND BONDS**

11.1.1 Prior to commencement of Work governed by this contract (including the pre-staging of personnel and material), the Contractor shall obtain, at its own expense, insurance as specified in the schedule set forth in Section 00110 Bid Form which are made part of this Agreement. The Contractor will ensure that the insurance obtained will extend protection to all subcontractors engaged by the Contractor. As an alternative the Contractor may require all subcontractors to obtain insurance consistent with the attached schedules.

11.1.2 The Contractor will not be permitted to commence Work governed by the Agreement (including pre-staging of personnel and material) until satisfactory evidence of the required insurance has been furnished to the County as specified below. Delays in the commencement of Work resulting from the failure of the Contractor to provide satisfactory evidence of the required insurance shall not extend deadlines specified in this Agreement and any penalties and failure to perform assessments shall be imposed as if the Work commenced on the specified date and time, except for the Contractor's failure to provide satisfactory evidence of insurance.

11.1.3 The Contractor shall maintain the required insurance throughout the entire term of this contract and any extensions specified in any attached schedules. Failure to comply with this provision may result in the immediate suspension of all Work until the required insurance has been reinstated or replaced. Delays in the completion of Work resulting from the failure of the Contractor to maintain the required insurance shall not extend deadlines specified in this Agreement and any penalties and failure to perform assessments shall be imposed as if the Work commenced on the specified date and time, except for the Contractor's failure to provide satisfactory evidence of insurance.

11.1.4 The Contractor shall provide, to the County in care of Sustainability / Projects Director as satisfactory evidence of the required insurance, either:

Certificate of Insurance

Or

A certified copy of the actual insurance policy

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

11.1.5 The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this Contract.

11.1.6 All insurance policies must specify that they are not subject to cancellation, nonrenewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

11.1.7 The acceptance and/or approval of the Contractor's insurance shall not be construed as relieving the Contractor from any liability or obligation assumed under this contract or imposed by law.

11.1.8 The Monroe County Board of County Commissioners, its employees and officials will be included as "Additional Insured" on all policies, except for Worker's Compensation.

11.1.9 In addition, the County will be named as an additional insured and loss payee on all policies covering County-owned property.

11.1.10 Any deviations from these General Insurance Requirements must be requested in writing on the County prepared form entitled "Request for Waiver of Insurance Requirements" and approved by the Monroe County's Risk Manager.

**11.2 Builder's Risk Insurance: Not Required**

**11.3 Public Construction Bond**

11.3.1 The Owner shall require the Contractor to furnish a Public Construction Bond in the form provided by the Owner as a guarantee for the faithful performance of the Contract (including guarantee and maintenance provisions) and the payment of all obligations arising thereunder. The Public Construction Bond shall be in an amount at least equal to the contract price. This contract is subject to the provisions of Section 255.05, Florida Statutes, which are incorporated herein.

## **12.0 UNCOVERING AND CORRECTION OF WORK**

### **12.1 Uncovering of Work**

12.1.1 If a portion of the Work is covered contrary to AMEC/Engineer's request or to requirements specifically expressed in the Contract Documents, it must, if required in writing by AMEC/Engineer, be uncovered for their observation and be replaced at the Contractor's expense without change in the Contract Time.

12.1.2 If a portion of the Work has been covered which AMEC/Engineer has not specifically requested to observe prior to its being covered, AMEC/Engineer may request to see such Work and it shall be uncovered by the Contractor, if such Work is in accordance with the Contract Documents, costs of uncovering and replacement shall, by appropriate Change Order, be charged to the Owner, if such Work is not in accordance with the Contract Documents, the Contractor shall pay such costs unless the condition was caused by the Owner or one of the other Contractors in which event the Owner shall be responsible for payment of such costs.

### **12.2 Correction of Work**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

12.2.1 The Contractor shall promptly correct Work rejected by AMEC/Engineer or failing to conform to the requirements of the Contract Documents, whether observed before or after Substantial Completion and whether or not fabricated, installed or completed. The Contractor shall bear costs of correcting such rejected Work, including additional testing and inspections and compensation for AMEC/Engineer's services and expenses made necessary thereby.

12.2.2 If, within one year after the date of Substantial Completion of the Work or designated portion thereof, or after the date for commencement of warranties established under Subparagraph 9.9, or by terms of an applicable special warranty required by the Contract Documents, any of the Work is found to be not in accordance with the requirements of the Contract Documents, the Contractor shall correct it promptly after receipt of written notice from the Owner to do so unless the Owner has previously given the Contractor a written acceptance of such condition. This period of one year shall be extended with respect to portions of Work first performed after Substantial Completion by the period of time between Substantial Completion and the actual performance of the Work. This obligation under this Subparagraph 12.2.2 shall survive acceptance of the Work under the Contract and termination of the Contract. The Owner shall give such notice promptly after discovery of the condition.

12.2.3 The Contractor shall remove from the site portions of the Work which are not in accordance with the requirements of the Contract Documents and are neither corrected by the Contractor nor accepted by the Owner.

12.2.4 If the Contractor fails to correct nonconforming Work within a reasonable time, the Owner may correct it in accordance with Paragraph 2.4. If the Contractor does not proceed with correction of such nonconforming Work within a reasonable time fixed by written notice from AMEC/Engineer, the Owner may remove it and store the salvageable materials or equipment at the Contractor's expense. If the Contractor does not pay costs of such removal and storage within ten days after written notice, the Owner may upon ten additional days' written notice sell such materials and equipment at auction or at private sale and shall account for the proceeds thereof, after deducting costs and damages that should have been borne by the Contractor, including compensation for AMEC/Engineer's services and expenses made necessary thereby. If such proceeds of sale do not cover costs which the Contractor should have borne, the Contract Sum shall be reduced by the deficiency. If payments then or thereafter due the Contractor are not sufficient to cover such amount, the Contractor shall pay the difference to the Owner.

12.2.5 The Contractor shall bear the cost of correcting destroyed or damaged construction, whether completed or partially completed, of the Owner or other Contractors caused by the Contractor's correction or removal of Work which is not in accordance with the requirements of the Contract Documents.

12.2.6 Nothing contained in this Paragraph 12.2 shall be construed to establish a period of limitation with respect to other obligations which the Contractor might have under the Contract Documents. Establishment of the time period of one year as described in Subparagraph 12.2.2, relates only to the specific obligation of the Contractor to correct the Work, and has no relationship to the time within which the obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Contractor's liability with respect to the Contractor's obligations other than specifically to correct the Work.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**12.3 Acceptance of Nonconforming Work**

12.3.1 If the Owner prefers to accept Work which is not in accordance with the requirements of the Contract Documents, the Owner may do so instead of requiring its removal and correction, in which case the Contract Sum will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

**13.0 MISCELLANEOUS PROVISIONS**

**13.1 Governing Law**

13.1.1 The contract shall be governed by the laws of the State of Florida. Venue for any claims or disputes arising under this contract shall be in the Circuit Court of the 16th Judicial Circuit of the State of Florida.

**13.2 Successors and Assigns**

13.2.1 The Owner or Sustainability / Projects Director (as the case may be) and the Contractor each binds himself, his partners, successors, assigns, and legal representatives of such other party in respect to all covenants, agreements, and obligations contained in the Contract Documents. Neither party to the Contract shall assign the Contract or sublet it as a whole without the written consent of the other.

13.2.2 The Contractor shall not assign any monies due or to become due under this Contract without prior written consent of the Owner or Sustainability / Projects Director.

**13.3 Written Notice**

13.3.1 Any written notices or correspondence given pursuant to this contract shall be sent by United States Mail, certified, return receipt requested, or by courier with proof of delivery. Notice shall be sent to the following persons:

For Contractor:

Douglas N. Higgins, Inc.  
3390 Travis Pointe Road, Suite A  
Ann Harbor, MI 48108

For Owner: **Sustainability / Projects Director**  
**102050 Overseas Highway, Ste. 246**  
**Key Largo, FL 33037**

**County Administrator**  
**1100 Simonton St., Ste. 2-205**  
**Key West, FL 33040**

**13.4 Rights and Remedies**

13.4.1 Duties and obligations imposed by the Contract Documents and rights and remedies available there under shall be in addition to and not a limitation of duties, obligations, rights and remedies otherwise imposed or available by law.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

13.4.2 No action or failure to act by the Owner, Sustainability / Projects Director, AMEC/Engineer or Contractor shall constitute a waiver of a right or duty afforded them under the contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach there under, except as may be specifically agreed in writing.

**13.5 Tests and Inspections**

13.5.1 Tests, inspections and approvals of portions of the Work required by the Contract Documents or by laws, ordinances, rules, regulations or orders of public authorities having jurisdiction shall be made at an appropriate time. Unless otherwise provided, the Contractor shall make arrangements for such tests, inspections and approvals with an independent testing laboratory or entity acceptable to the Owner, or with the appropriate public authority, and shall bear all related costs of tests, inspections and approvals. The Contractor shall give AMEC/Engineer timely notice of when and where tests and inspections are to be made so AMEC/Engineer may observe such procedures. The Owner shall bear costs of test, inspections or approvals which do not become requirements until after bids are received or negotiations concluded.

13.5.2 If AMEC/Engineer, Sustainability / Projects Director, Owner or public authorities having jurisdiction determine that portions of the Work require additional testing, inspection or approval not included under Subparagraph 13.5.1, AMEC/Engineer will, upon written authorization from the Sustainability / Projects Director or Owner, instruct the Contractor to make arrangements for such additional testing, inspection or approval by an entity acceptable to the Owner, and the Contractor shall give timely notice to AMEC/Engineer of when and where tests and inspections are to be made so AMEC/Engineer may observe such procedures. The Owner shall bear such costs except as provided in Subparagraph 13.5.3.

13.5.3 If such procedures for testing, inspection or approval under Subparagraphs 13.5.1 and

13.5.2 reveal failure of the portions of the Work to comply with requirements established by the Contract Documents, the Contractor shall bear all costs made necessary by such failure including those of repeated procedures and compensation for AMEC/Engineer's services and expenses.

13.5.4 Required certificates of testing, inspection or approval shall, unless otherwise required by the Contract Documents, be secured by the Contractor and promptly delivered to AMEC/Engineer.

13.5.5 If AMEC/Engineer is to observe tests, inspections or approvals required by the Contract Documents, AMEC/Engineer will do so promptly and, where practicable, at the normal place of testing.

13.5.6 Test or inspections conducted pursuant to the Contract Documents shall be made promptly to avoid unreasonable delay in the Work.

**13.7 Commencement of Statutory Limitation Period**

13.7.1 The statute of limitations applicable to this contract are as provided in Section 95.11 (3) (C), Florida Statutes.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**14.0 TERMINATION OR SUSPENSION OF THE CONTRACT**

**14.1 Termination by the Owner for Cause**

14.1.1 The Owner may terminate the Contract if the Contractor:

- .1 persistently or repeatedly refuses or fails to supply enough properly skilled workers or proper materials;
- .2 fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the Subcontractors;
- .3 persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction;

or

- .4 Otherwise is guilty of substantial breach of a provision of the Contract Documents.

14.1.2 When any of the above reasons exist, the Owner, after consultation with AMEC/Engineer., and upon certification by Sustainability / Projects Director that sufficient cause exists to justify such action, may without prejudice to any other rights or remedies of the Owner and after giving the Contractor and the Contractor's surety, if any, 72 hours written notice, terminate employment of the Contractor and may, subject to any prior rights of the surety:

- .1 take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Contractor;
- .2 accept assignment of subcontracts pursuant to Paragraph 5.4; and
- .3 finish the Work by whatever reasonable method the Owner may deem expedient.

14.1.3 When the Owner terminates the Contract for one of the reasons stated in Subparagraph

14.1.1, the Contractor shall not be entitled to receive further payment until the Work is finished.

**14.2 Suspension or Termination by the Owner for Convenience**

14.2.1 The Owner may, without cause, order the Contractor in writing to terminate, suspend, delay or interrupt the Work in whole or in part for such period of time as the Owner may determine.

14.2.2 In the event of Termination the Owner shall pay for work completed to date of Termination.

**END SECTION 00750**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 00970 - PROJECT SAFETY AND HEALTH PLAN**

**REGULATIONS AND POLICIES**

A. Every Contractor and Subcontractor employed on the Project shall comply with all applicable local, State, and Federal safety and health regulations and with Monroe County safety and health policies as described herein.

The Contractor shall comply with OSHA (Occupational Safety and Health Administration) Parts 1910 and 1926, Construction Industry Standards and Interpretations, and with this supplement.

Requests for variances or waiver from this supplement are to be made to the Contracting Officer in writing supported by evidence that every reasonable effort has been made to comply with the contractual requirements. A written request for a waiver or a variance shall include—

- (1) Specific reference to the provision or standard in question;
- (2) An explanation as to why the waiver is considered justified; and
- (3) The Contractor's proposed alternative, including technical drawings, materials, or equipment specifications needed to enable the Contracting Officer to render a decision.

No waiver or variance will be approved if it endangers any person. The Contractor shall not proceed under any requested revision of provision until the Contracting Officer has given written approval. The Contractor is to hold and save harmless Monroe county Florida free from any claims or causes of action whatsoever resulting from the Contractor or subcontractors proceeding under a waiver or approved variance.

Copies of OSHA Parts 1910 and 1926, Construction Industry Standards and Interpretations, may be obtained from:

U.S. Government Printing Office Bookstore

**GENERAL CONTRACTOR REQUIREMENTS**

**SAFETY PROGRAM**

Each Contractor and sub-contractor is to demonstrate that he or she has facilities for conducting a safety program commensurate with the work under contract. The Contractor is to submit in writing a proposed comprehensive site specific safety program for approval to the Contracting Officer for Monroe County before the start of construction operations.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

The program is to specifically state what provisions the Contractor proposes to take for the health and safety of all employees, including subcontractors and rental equipment operators. The program shall be site specific and provide details relevant to the work to be done, the hazards associated with the work, and the actions that will be necessary to minimize the identified hazards.

The Safety Program will also be required to provide emergency contact person, emergency planning and a personnel evacuation plan for any hurricane evacuation event.

### **1.2 PRECONSTRUCTION SAFETY MEETING**

Representatives for the Contractor are to meet with the Contracting Officer (CO) or the CO's representative before the start of construction to discuss the safety program and the implementation of all health and safety standards pertinent to the work under this contract.

### **1.3 JOINT SAFETY POLICY COMMITTEE**

The Contractor or designated on-site representative is to participate in monthly meetings of a joint Safety Policy Committee with AMEC/Engineer and Contractor supervisory personnel. At these meetings the Contractor's project manager and the Contracting Officer will review the effectiveness of the Contractor's safety effort, resolve current health and safety problems, and coordinate safety activities for upcoming work.

### **1.4 SAFETY PERSONNEL**

Each Contractor is to designate a competent supervisory employee satisfactory to the Contracting Officer to administer the safety program.

The Mandatory Safety and Health Rules shall be posted in a conspicuous location along with the OSHA and Emergency Phone Number posters.

### **1.5 SAFETY MEETINGS**

A minimum of one "on-the-job" or "toolbox" safety meeting is to be conducted each week by all field supervisors or foremen and attended by mechanics and all construction personnel at the jobsite.

The Contractor is to also conduct regularly scheduled supervisory safety meetings at least monthly for all levels of job supervision.

Each Contractor and Subcontractor shall be expected to indoctrinate his employees as to the safety and health requirements of this project and to enforce adherence to safe work procedures.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Each Contractor and Subcontractor shall cooperate fully with all other contractors in their respective safety and health programs.

1.6 SAFETY INSPECTION

The Contractor shall perform frequent and regular safety inspections of the jobsite, materials, and equipment, and shall correct deficiencies.

Good housekeeping shall be observed at all times. Waste, debris, and garbage shall be removed daily or placed in appropriate waste containers. All materials, tools, and equipment shall be stored in a safe and orderly fashion. Each contractor shall donate 10% of their staff to a crew that will convene every Friday at 1:00 pm for a joint site clean-up effort not to exceed duration of three hours.

In summary, there will be a three-part clean-up plan.

1. The first part consists of the contractor cleaning up on a daily basis, his workstations, and his trade work.
2. The second part consists of the general clean-up, the concerted effort by all trade contractors working on the project. A minimum of one (1) crew is to be utilized by each contractor, or 10%, whichever is more.
3. The third part consists of the Owner cleaning up for a particular trade contractor should adequate notice not compel him to clean up his work. In this case, the appropriate contractors will be back charged.

Shortly after the award of the contract and prior to the beginning of work, an Activity Hazard Analysis (phase plan) shall be prepared by the contractor and submitted to Monroe County for approval. The analysis will address the hazards for each activity to be performed in that phase and will present the procedures and safeguards necessary to eliminate the hazards or reduce the risk to an acceptable level. A phase is defined as an operation involving a type of work presenting hazards not experienced in previous operations or where a new subcontractor or work crew is to perform work. The analysis will be discussed by the contractor and Monroe County on-site representatives at the Preparatory Inspection Meeting. Work will not proceed on that phase until the Activity Hazard Analysis (phase plan) has been accepted by Monroe County.

If Monroe County notifies any Contractor of any noncompliance with the provisions of this program, the Contractor shall make all reasonable efforts to immediately correct the unsafe conditions or acts. Satisfactory corrective action shall be taken within the specified time. If the Contractor or Subcontractor refuses to correct unsafe or unhealthy conditions or acts, Monroe County shall take one or more of the following steps:

- a. Cease the operation or a portion thereof.
- b. Stop payment for the work being performed.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

- c. Correct the situation using other forces and back charge the Contractor expenses incurred.
- d. Increase withholding in proportional increments for that given pay period.

**1.7 FIRST AID TRAINING**

Every Contractor foreman's work crew must include an employee who has a current first aid certificate from the, American Red Cross, or other Monroe County-approved organization.

**1.8 REPORTS**

Each Contractor is to maintain an accurate record of all job-related deaths, diseases, or disabling injuries. The records shall be maintained in a manner approved by the Contracting Officer. A copy of all reports is to be provided to the Contracting Officer.

All fatal or serious injuries are to be reported immediately to the Contracting Officer, and every assistance is to be given in the investigation of the incident, including submission of a comprehensive narrative report to the Contracting Officer. Other occurrences with serious accident potential, such as equipment failures, slides, and cave-ins, must also be reported immediately.

The Contractor is to assist and cooperate fully with the Contracting Officer in conducting accident investigations. The Contracting Officer is to be furnished all information and data pertinent to investigation of an accident.

**1.9 CERTIFICATION OF INSURANCE**

Contractors are to provide the Contracting Officer or his or her authorized representative with certificates of insurance before the start of operations indicating full compliance with State Worker's Compensation statutes, as well as other certificates of insurance required under the contract.

**2.0 FIRST AID AND MEDICAL FACILITIES**

**2.1 FIRST AID KITS**

A 16-unit first aid kit approved by the American Red Cross is to be provided at accessible, well-identified, locations at the ratio of at least 1 kit for each 25 employees. The first aid kits are to be moisture proof and dust tight, and the contents of the kits are to be replenished as used or as they become ineffective or outdated.

**2.2 EMERGENCY FIRST AID**

At least one employee certified to administer emergency first aid must be available on each shift and duly designated by the Contractor to care for injured employees. The names of the certified employees shall be posted at the jobsite.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**2.1 COMMUNICATION AND TRANSPORTATION**

Prior to the start of work, the Contractor is to make necessary arrangements for prompt and dependable communications, transportation, and medical care for injured employees.

**2.2 FIRST AID AND MEDICAL REPORTS**

The Contractor is to maintain a record system for first aid and medical treatment on the jobsite. Such records are to be readily available to the Contracting Officer and are to include--

(a) A daily treatment log listing chronologically all persons treated for occupational injuries and illnesses;

(b) Cumulative record of injury for each individual;

(c) Monthly statistical records of occupational injuries, classified by type and nature of injury; and

(d) Required records for worker's compensation.

**2.5 SIGNS AND DIRECTIONAL MARKINGS**

Adequate identification and directional markers are to be provided to readily denote the location of all first aid stations.

**2.3 EMERGENCY LISTING**

A listing of telephone numbers and addresses of doctor, rescue squad, hospital, police, and fire departments is to be provided at all first aid locations.

**3.0 PHYSICAL QUALIFICATIONS OF EMPLOYEES:**

**3.1 GENERAL REQUIREMENTS**

Persons employed throughout the contract are to be physically qualified to perform their assigned duties. Employees must not knowingly be permitted or required to work while their ability or alertness is impaired by fatigue, illness, or any other reason that may jeopardize themselves or others.

**No personal radios or stereos will be allowed on the job-site.**

**3.2 HOIST OPERATORS**

Operators of cranes, cableways, and other hoisting equipment shall be examined annually by a physician and provided with a certification stating that they are physically qualified to safely operate hoisting equipment. The Contractor is to submit a copy of each certification to the Contracting Officer.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**3.3 HEAVY EQUIPMENT OPERATORS**

It is recommended that operators of trucks and heavy construction equipment be given physical examinations to determine if they are physically qualified to perform their assigned work without endangering themselves or others.

**3.4 MOTOR VEHICLE OPERATORS**

Operators of motor vehicles engaged primarily in the transportation of personnel are to be 18 years of age or older and have a valid state operator's permit or license for the equipment being operated. The operators must have passed a physical examination administered by a licensed physician within the past year showing that they are physically qualified to operate vehicles safely.

**4.0 PERSONAL PROTECTIVE EQUIPMENT:**

**4.1 HARDHAT AREAS**

The entire jobsite, with the exception of offices, shall be considered a hardhat area. All persons entering the area are, without exception, required to wear hardhats. The Contractor shall provide hardhats for visitors entering hardhat areas.

**4.1.1 LABELS**

Hardhats shall bear a manufacturer's label indicating design compliance with the appropriate ANSI (American National Standards Institute) standard.

**4.2 POSTING**

Signs at least 3 by 4 feet worded as follows with red letters (minimum 6 inches high) and white background shall be erected at access points to designated hardhat areas:

**CONSTRUCTION AREA - HARDHATS REQUIRED BEYOND THIS POINT**

These signs are to be furnished and installed by the Contractor at entries to shops, construction yards, and job access points.

**4.3 SAFETY GOGGLES (DRILLERS)**

**4.3.1 DRILLERS AND HELPERS.**

Drillers and helpers operating pneumatic rock drills/concrete saws must wear protective safety goggles.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**5.0 MACHINERY AND MECHANIZED EQUIPMENT:**

**5.1 SAFE CONDITION**

Before any machinery or mechanized equipment is initially used on the job, it must be inspected and tested by qualified personnel and determined to be in safe operating condition and appropriate for the intended use. Operators shall inspect their equipment prior to the beginning of each shift. Any deficiencies or defects shall be corrected prior to using the equipment. Safety equipment, such as seatbelts, installed on machinery is to be used by equipment operators.

**5.2 TAGGING AND LOCKING**

The controls of power-driven equipment under repair are to be locked. An effective lockout and tagging procedure is to be established, prescribing specific responsibilities and safety procedures to be followed by the person or persons performing repair work. Mixer barrels are to be securely locked out before permitting employees to enter them for cleaning or repair.

**5.3 HAUL ROADS FOR EQUIPMENT**

**5.3.1 ROAD MAINTENANCE**

The Contractor shall maintain all roadways, including haul roads and access roads, in a safe condition so as to eliminate or control dust and ice hazards. Wherever dust is a hazard, adequate dust-laying equipment shall be available at the jobsite and utilized to control the dust.

**5.3.2 SINGLE-LANE HAUL ROADS**

Single-lane haul roads with two-way traffic shall have adequate turnouts. Where turnouts are not practical, a traffic control system shall be provided to prevent accidents.

**5.3.3 TWO-WAY HAUL ROADS**

On two-way haul roads, arrangements are to be such that vehicles travel on the right side wherever possible. Signs and traffic control devices are to be employed to indicate clearly any variations from a right-hand traffic pattern. The road shall be wide enough to permit safe passage of opposing traffic, considering the type of hauling equipment used.

**5.3.4 DESIGN AND CONSTRUCTION OF HAUL ROADS**

Haul road design criteria and drawings, if requested by the Contracting Officer, are to be submitted for approval prior to road construction. Sustained grades shall not exceed 12 percent and all curves shall have open-sight line with as great a radius as practical. All roads shall be posted with curve signs and maximum speed limits that will permit the equipment to be stopped within one-half the minimum sight distance.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

5.3.5 OPERATORS.

Machinery and mechanized equipment shall be operated only by authorized qualified persons.

5.3.6 RIDING ON EQUIPMENT

Riding on equipment by unauthorized personnel is prohibited. Seating and safety belts shall be provided for the operator and all passengers.

5.3.7 GETTING ON OR OFF EQUIPMENT

Getting on or off equipment while the equipment is in motion is prohibited.

5.3.8 HOURS OF OPERATION.

Except in emergencies, an equipment operator shall not operate any mobile or hoisting equipment for more than 12 hours without an 8-hour rest interval away from the job.

5.4 POWER CRANES AND HOISTS (TRUCK CRANES, CRAWLER CRANES, TOWER CRANES, GANTRY CRANES, HAMMERHEAD CRANES, DERRICKS, CABLEWAYS, AND HOISTS)

5.4.1 PERFORMANCE TEST

Before initial onsite operation, at 12-month intervals, and after major repairs or modification, power cranes, derricks, cableways, and hoists must satisfactorily complete a performance test to demonstrate the equipment's ability to safely handle and maneuver the rated loads. The tests shall be conducted in the presence of a representative of the Contracting Officer. Test data shall be recorded and a copy furnished the Contracting Officer.

5.4.2 PERFORMANCE TEST—POWER CRANES (Crawler mounted, truck mounted and wheel mounted)

The performance test is to be carried out as per ANSI requirements. The test is to consist of raising, lowering, and braking the load and rotating the test load through 360° degrees at the specified boom angle or radius. Cranes equipped with jibs or boom-tip extensions are to be tested using both the main boom and the jib, with an appropriate test load in each case.

5.4.3 PERFORMANCE TEST—DERRICKS, GANTRY CRANES, TOWER CRANES, CABLEWAYS, AND HOISTS, INCLUDING OVERHEAD CRANES

This equipment is to be performance tested as per ANSI requirements.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

5.4.4 BOOM ANGLE INDICATOR

Power cranes (includes draglines) with booms capable of moving in the vertical plane shall be provided with a boom angle indicator in good working order.

5.4.5 CRANE TEST CERTIFICATION.

The performance test required by 5.4.2 and 5.4.3 is fulfilled if the Contractor provides the Contracting Officer a copy of a certificate of inspection made within the past 12 months by a qualified person or by a government or private agency satisfactory to the Contracting Officer.

5.4.6 POSTING FOR HIGH VOLTAGE LINES

A notice of the 10-foot (or greater) clearance required by OSHA 1926.550, Subpart N, shall be posted in the operator's cab of cranes, shovels, boom-type concrete pumps, backhoes, and related equipment.

5.4.7 BOOM STOPS

Cranes or derricks with cable-supported booms, except draglines, shall have a device attached between the gantry of the A-frame and the boom chords to limit the elevation of the boom. The device shall control the vertical motions of the boom with increasing resistance from 83° or less, until completely stopping the boom at not over 87° above horizontal.

5.4.8 SAFETY HOOKS

Hooks used in hoisting personnel or hoisting loads over construction personnel or in the immediate vicinity of construction personnel shall be forged steel equipped with safety keepers. When shackles are used under these conditions, they shall be of the locking type or have the pin secured to prohibit turning.

5.5.1 ROLLOVER PROTECTIVE STRUCTURES

OSHA 1926, Subpart W, Overhead Protection, Sections 1001 and 1002 are applicable regardless of the year in which the equipment was manufactured and regardless of the struck capacity of the equipment.

5.5.2 EQUIPMENT REQUIRING ROPS

The requirement for ROPS meeting 5.5.1 above applies to crawler and rubber-tired tractors such as dozers, push-and-pull tractors, winch tractors, tractors with backhoes, and mowers; off-highway, self-propelled, pneumatic-tired earthmovers, including scrapers, motor graders and loaders; and rollers, compactors, water tankers (excluding trucks with cabs). These requirements shall also apply to agricultural and industrial tractors and similar equipment.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

### 5.5.3 EQUIPMENT REQUIRING SEATBELTS

The requirements for seatbelts as specified in OSHA Subpart O, Motor Vehicles, Mechanized Equipment, and Marine Operations, Section 1926.602 shall also apply to self-propelled compactors and rollers, and rubber-tired skid-steer equipment.

### 5.6 LIFT PLAN

A Crane Lift or concrete boom truck Plan is required for any crane lift on a Monroe County project.

Lifts exceeding 75% of the cranes stability / structural capacity chart, requiring movement of a crane carriage with the load, personnel platforms, sensitive loads (long lead time, cost), loads requiring two (or more) hooks, work over occupied facilities or work involving encroachment on public rights of way are considered critical. These lifts must be authorized in advance.

Critical crane lift plans, if authorized, may have to be reviewed by a professional engineer (the contractor shall budget the PE review within project budget). Additionally, a critical lift JHA shall be submitted with the crane lift plan.

Crane Lift Plans must be submitted at least 48 hours (2 business days) prior to mobilization – 5 days for critical and helicopter lifts.

Crane Lift Plans must be based on "worst case" combination of load weight with chart deductions and lift radius for a specific crane configuration in a specific location.

The Crane Lift Plan may be valid for more than one day, as long as the configuration, location, maximum expected load, and maximum expected radius does *not* change. Use multiple lift plans for multiple locations.

The Crane Lift Plan must be *COMPLETE* along with attachments – see Section 5 for the required Attachments.

All rigging devices *MUST* bear the name of the manufacturer and be certified as to their capacity. Custom-fabricated devices (lifting beams, spreader bars, etc.) may be acceptable with proper PE stamp or proof testing as required by applicable standards. Capacities shall be marked and legible on all such devices.

Work that is not anticipated in the Crane Lift Plan, but may arise due to site conditions (moving equipment, loading materials onto floors, etc.) must be reviewed with Monroe County prior to hoisting. Changes affecting crane configuration and / or location may require the Crane Lift Plan to be amended.

The contractor is responsible to visit the site prior to the lift date to review documentary information pertaining to the site, which is maintained by Monroe County.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

The contractor is responsible (determining adequacy, supplying and installing) for all supporting material (as defined within 29 CFR 1926.1402) necessary for the crane lift.

The contractor is responsible to obtain all information that is necessary to develop a power line safety plan.

The contractor is responsible to train all personnel involved in the Assembly / Disassembly and or Crane Lift.

The contractor must provide the following information along with the Crane Lift Plan:

- Competent / Qualified Person Designation Forms for A/D Director, Operator, Rigger, Signal Person
- Load Chart (complete with notes)
- Range Chart
- Dimension Illustration and Specifications for Crane
- Lightning and Wind Restrictions (from operators manual)
- Area (Quadrant) of Operation Diagram
- Operator's License, Operators Training Information, USDOT Medical Certification, OSHA 10/30 Hour Course Completion Cards, as may be required by the project.
- Jurisdictional Registration, if required
- JHA for Assembly / Disassembly of Crane, Severe Weather, Truck Load / Unload, Etc.
- JHA for Power Line Encroachment
- 3rd Party Inspection Certification and Report – see Crane Lift Plan for requirements (Note: The inspector shall be certified with the CCAA).
- Weights of Materials
- Rigging Plan
- Logistics Plan

The contractor shall comply with the Site Specific Safety Plan.

The contractor / Crane Company / Rigging Company is responsible for the accuracy of plan and inspections. This planning process has been established to help ensure proper coordination between Contractor, subcontractors and Monroe County.

No warranty or certification of the suitability of this plan is accepted by Monroe County. It is the responsibility of the Contractor/Subcontractor and the Crane Operator to ensure that they and their employees are qualified, competent, properly equipped and properly trained to perform the activities outlined in this plan.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

**6.0 LADDERS AND SCAFFOLDING:**

**6.1 LADDERS.**

OSHA 1926, Subpart L - Section 450. Ladders shall be used as work platforms only when use of small hand tools or handling of light material is involved. No work requiring lifting of heavy materials or substantial exertion shall be done from ladders.

**6.2 SCAFFOLDING. OSHA 1926, Subpart L - Section 451**

Scaffolds, platforms or temporary floors shall be provided for all work except that which can be done safely from the ground or similar footing.

**6.3 SAFETY BELTS, LIFELINE, AND LANYARDS. OSHA 1926, Subpart E, Section 104**

Lifelines, safety belts and lanyards independently attached or attended, shall be used when performing such work as the following when the requirements of 6.1 or 6.2 above cannot be met.

(a) Work on stored material in hoppers, bins, silos, tanks, or other confined spaces.

(b) Work on hazardous slopes, structural steel, or poles; erection or dismantling of safety nets, tying reinforcing bars; and work from Boatswain's chairs, swinging scaffolds, or other unguarded locations at elevations greater than 6 feet.

(c) Work on skips and platforms used in shafts by crews when the skip or cage does not block the opening to within 1 foot of the sides of the shaft, unless cages are provided.

**7.0 FIRE PROTECTION**

A. Every Contractor and Subcontractor employed on the Project shall exercise good construction practices to prevent fire. It shall be the responsibility of the Contractor to insure that general fire protection facilities are adequate for his work and to provide additional fire protection facilities and devices, including fire extinguishers as required by their scope of work.

**8.0 WORK NEAR ENERGIZED ELECTRICAL LINES OR OTHER UTILITIES**

A. It shall be the Contractor's sole and exclusive responsibility:

(a) To provide personnel capable of working adjacent to energized electrical lines or other utilities

(b) To provide adequate, safe and properly maintained equipment

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

(c) To conduct all of his work in accordance with the safety rules and regulations prescribed by the National Electric Code, National Electric Safety Code, H30, and Safety Rules for Installation and Maintenance of Electrical Supply and Communication Lines Hand Book 81, Occupational Safety and Health Act of 1970, as well as other safety codes in effect at the site of construction and as specified elsewhere herein, or as are generally applicable to the type of work being performed

(d) To continuously supervise and inspect the work being performed to assure that the requirements of (a), (b), and (c) above are complied with, and nothing in these Contract Documents shall be held to mean that any such responsibility is the obligation of the Owner or AMEC/Engineer or Sustainability / Projects Director.

#### **9.0 BARRICADES, WARNING DEVICES AND LIGHTING**

A. The Contractor shall be solely responsible for providing temporary ladders, guard rails, warning signs, barricades, night guard lights, and deck or floor closures required in connection with his work to comply with Federal, State and local safety requirements. The Contractor shall be solely and exclusively responsible for the design, construction, inspection and maintenance of such facilities at all times.

B. It shall be the responsibility of the Contractor to provide additional temporary lighting, if needed to maintain safe conditions.

C. It shall be the sole and exclusive responsibility of the Contractor to provide a safe place to work for all laborers and mechanics and other persons employed on or in connection with the project, and nothing in these Contract Documents shall be construed to give any of such responsibility to the Owner, AMEC/Engineer, or Sustainability / Projects Director.

D. The Contractor shall provide a security fence around the area of the Work so as to prevent entry into the Work area by unauthorized personnel and the general public. The fence shall have fence post bases that eliminate the need to penetrate the ground for support.

#### **10.0 HAZARDOUS MATERIALS**

10.1 In the event the Contractor encounters on the site material reasonably believed to be asbestos or polychlorinated biphenyl (PCB) which has not been rendered harmless, the Contractor shall immediately stop Work in the area affected and report the condition to the Owner, Sustainability / Projects Director, and AMEC/Engineer in writing. The Work in the affected area shall not thereafter be resumed except by written agreement of the Owner and Contractor if in fact the material is asbestos or polychlorinated biphenyl (PCB) and has not been rendered harmless. The Work in the affected area shall be resumed in the absence of asbestos

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

or polychlorinated biphenyl (PCB), or when it has been rendered harmless, by written agreement of the Owner and Contractor.

10.1.1 The Contractor shall not be required pursuant to Article 7 to perform without consent any Work relating to asbestos or polychlorinated biphenyl (PCB).

10.1.2 If reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and report the condition to AMEC/Engineer and Sustainability / Projects Director in writing. The Owner, Contractor and Sustainability / Projects Director shall then proceed in the same manner described in Subparagraph 10.1

10.1.3 The Owner shall be responsible for obtaining the services of a licensed laboratory to verify a presence or absence of the material or substance reported by the Contractor and, in the event such material or substance is found to be present, to verify that it has been rendered harmless. Unless otherwise required by the Contract Documents, the Owner shall furnish in writing to the Contractor, AMEC/Engineer and Sustainability / Projects Director the names and qualifications of persons or entities who are to perform tests verifying the presence or absence of such material or substance or who are to perform the task of removal or safe containment of such material or substance. The Contractor, AMEC/Engineer and Sustainability / Projects Director will promptly reply to the Owner in writing stating whether or not any of them has reasonable objection to the persons or entities proposed by the Owner. If the Contractor, AMEC/Engineer or Sustainability / Projects Director has an objection to a person or entity proposed by the Owner, the Owner shall propose another to whom the Contractor, AMEC/Engineer and Sustainability / Projects Director have no reasonable objection.

## 10.2 Safety of Persons and Property

10.2.1 The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to:

- .1 employees on the Work and other persons who may be affected thereby;
- .2 The Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's Subcontractors or Sub-subcontractors;
- .3 other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction; and
- .4 construction or operations by the Owner or other Contractors

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

10.2.2 The Contractor shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons or property or their protection from damage, injury or loss.

10.2.3 The Contractor shall erect and maintain, as required by existing conditions and performance of the Contract, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent sites and utilities.

10.2.4 When use or storage of explosives or other hazardous materials or equipment or unusual methods are necessary for execution of the Work, the Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel.

10.2.5 The Contractor shall promptly remedy damage and loss to property referred to in Clauses 10.2.1.2, 10.2.1.3, 10.2.1.4 caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Clauses 10.2.1.2, 10.2.1.3 and 10.2.1.4, except damage or loss attributable to acts or omissions of the Owner, Sustainability / Projects Director or AMEC/Engineer or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Paragraph 3.18.

10.2.6 The Contractor shall designate a responsible member of the Contractor's organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Owner or Sustainability / Projects Director.

10.2.7 The Contractor shall not load or permit any part of the construction or site to be loaded so as to endanger its safety.

## **11.0 EMERGENCIES**

11.1 In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's discretion, to prevent threatened damage, injury or loss. Additional compensation or extension of time claimed by the Contractor on account of an emergency shall be determined as provided in Paragraph 4.7 and Article 7

**END SECTION 00970**

**SECTION 00980 - CONTRACTOR QUALITY CONTROL PLAN**

**1.1 AMEC/Engineer DUTIES AND RESPONSIBILITIES**

- A. AMEC/Engineer will monitor all work performed by the Contractor and assist the Contractor with his conformance of the work to the Contract Drawings and Specifications.

**1.2 CONTRACTOR'S DUTIES AND RESPONSIBILITIES**

- A. The Contractor is responsible for the quality of the work performed by his work force on this project as well as the quality of the material, equipment and supplies furnished by him to be incorporated into the work.
- B. The Contractor will provide a Quality Control Plan for approval and designate a Quality Control Representative who will be on site at all times while the respective Contractor's work is in progress and will have the authority and responsibility to accept or reject items of work. The Contractor's Quality Control Representative may delegate his duties but the primary responsibility and authority will rest on him.
- C. The Contractor's Quality Control Representative will coordinate the submittal of all shop drawings, product data and samples to AMEC/Engineer. Any submittal that is at variance to the contract requirements must be identified as such and transmitted to AMEC/Engineer for submittal and approval by the Owner. No work requiring submittal of a shop drawing, product data or sample shall commence until the submittal has been reviewed and approved by AMEC/Engineer.
- D. The Contractor will bear the responsibility of scheduling all required testing and inspections by the designated material-testing laboratory, in a timely fashion, to prevent needless cancellations and delays of work activities. Any costs caused by untimely notification shall be borne by the Contractor.
- E. The Contractor's Quality Control Representative will review his drawings, procurement documents and contracts to insure that the technical information provided and all work performed is in accordance with the latest revisions of the Contract Drawings and Specifications.
- F. The Contractor's Quality Control Representative will perform an inspection upon receipt at the site of the work of all materials, equipment and supplies including those furnished to him by the Owner. Notes from this inspection will be filled out on the appropriate form and included with the Contractor Daily Quality Control Report. Items which are damaged or not in conformance with the respective submittals, quality standards, contract drawings and specifications shall be brought to the attention of Monroe County representative AMEC/Engineer on site and then will be identified and segregated from accepted items. Items thus

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

identified will not be incorporated into the work until corrective action acceptable to AMEC/Engineer is completed. Items determined unsalvageable will be removed from the job site. These items shall be noted as deficient in the applicable section of the Contractor Daily Quality Control Report.

**1.3 INSPECTION AND TESTING**

**A. INSPECTION PLAN**

Sustainability / Projects Director utilizes a multi-point inspection plan for each separate feature of work to be performed under this Contract, i.e., work described by each division of the technical provision section of the contract specifications. This plan consists of the following:

1. Preparatory Inspection—Prior to commencing the work, the Contractor's Quality Control Representative will meet with Sustainability / Projects Director's representative AMEC/Engineer and check the following items at a minimum for conformance:
  - (a) Approval of shop drawings and submittals.
  - (b) Approval of inspection and test reports of materials and equipment to be utilized.
  - (c) Completion of previous operations of preliminary work.
  - (d) Availability of materials and equipment required.
  - (e) Potential utility outages.
  - (f) Any other preparatory steps dependent upon the particular operation.
  - (g) Quality standards.
  - (h) Safety or environmental precautions to be observed. (Phase Hazard)

Note: AMEC/Engineer will record the minutes to this inspection meeting and distribute accordingly.

2. Initial Inspection—Upon completion of a representative sample of a given feature of the work, the Contractor's Quality Control Representative will meet with Sustainability / Projects Director's representative AMEC/Engineer and check the following items at a minimum for conformance:
  - (a) Workmanship to established quality standards.
  - (b) Conformance to contract drawings and specifications.
  - (c) Construction methods, equipment and tools utilized.
  - (d) Materials and articles utilized.
  - (e) Adequacy of testing methods.
  - (f) Adequacy of shop drawings.
  - (g) Adequacy of safety or environmental precautions.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Note: AMEC/Engineer will record the minutes to this inspection meeting and distribute accordingly.

3. Follow-up Inspections—The Contractor's Quality Control Representative will inspect the work daily to assure the continuing conformance of the work to the workmanship standards established during the preparatory and initial inspections.

Additionally, as a part of the follow-up inspection, sign-off sheets will be utilized as often as possible. The intent of these sheets is to achieve concurrence from other trade contractors and responsible parties that ensuing work can indeed commence over underlying work. This will prevent oversights and omissions which could elevate costs. Sign-off sheets shall be used for, but not be limited to, concrete, drywall, ceilings, painting, roofing substrates and flooring. These reports are to be generated by the Contractor and submitted to AMEC/Engineer Superintendent for approval prior to the start-up of work.

Failure to generate a sign-off sheet or to attain proper signatures prior to covering up underlying work may affect payment for that piece of work if ensuing problems are detected or not. This disciplinary action shall be carried out via the Nonconformance Report. (See Section 1.4.B of this plan.)

Note: The Contractor shall be responsible to record these inspections and all other project related activities encountered throughout the day on the Contractor Daily Quality Control Report.

4. Completion Inspections—Upon completion of a given feature of the work, the Contractor's Quality Control Representative will meet with the Sustainability / Projects Director representative AMEC/Engineer, if he so desires to attend, to perform an inspection of the completed work. Nonconforming items will be identified and corrected prior to commencement of the next operation.

Note: The Contractor shall conduct and report corrections of this inspection which shall be a required submittal.

5. Follow-On Inspections—Upon execution of the contractor's completion inspection in elements of the work which result in concealment; such as, ceiling and drywall installations, the Contractor shall schedule and conduct multi-trade or singular inspections prior to covering installation.

Note: AMEC/Engineer will record the minutes to this inspection meeting.

6. Pre-Final Inspection—Upon substantial completion of the project work AMEC/Engineer shall coordinate and conduct a universal inspection of all areas and elements of the work. The Sustainability / Projects Director may be represented if she so desires. This inspection shall be completed

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

at least (15) days prior to the final substantial completion inspection which shall be conducted by AMEC/Engineer. All deficiencies and incomplete work should be completed prior to the final substantial completion inspection.

**B. OPERATION AND CHECK OUT TESTING**

The Contractor will provide personnel and equipment to perform the operational tests and check-out of the equipment, facilities or equipment constructed, fabricated or installed under this Contract. The Sustainability / Projects Director representative AMEC/Engineer will coordinate and witness all such tests. Notification should be given at least ten (10) days in advance of the scheduled tests.

**C. FINAL INSPECTION**

AMEC/Engineer will coordinate and attend all final inspections of the work. The Sustainability / Projects Director may be represented if she so desires. Prior to requesting a final inspection, all tests for the equipment and systems must be completed.

See Section 01700 for contract closeout.

**1.4 REPORTING**

Maintaining accurate and retrievable records is extremely important in the Quality Assurance Program. These records will act as a main source of information in the present and in the future for the entire Sustainability / Projects Director team. The main report that will be utilized to provide this information is the Daily Quality Control Report. Nonconformance Reports may also be issued.

**A. DAILY QUALITY CONTROL REPORT**

The Daily Quality Control Report shall be used to document the summary of daily inspection activities performed by the Contractor's designated Quality Control Representative. It shall include any of the steps of inspection that are performed that day, all test monitoring and any rework of nonconforming items. The daily Quality Control Report section of the Daily Superintendent's Report will be routinely used for daily reporting requirements. When the magnitude or complexity necessitates such, a more separate and comprehensive form will be used. Reference Contractor's Daily Report, and as needed Contractor Daily Quality Control Report, Section 01385.

**B. NONCONFORMANCE REPORT**

Nonconformance Reports will be issued for work that is found to be in nonconformance with the contract documents or the referenced quality standards. The report will be issued by Sustainability / Projects Director.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

It is not the intent to routinely and repeatedly issue nonconformance reports, but to issue them only after normal enforcement standards have been exhausted, or if the work performed is a detriment to the project.

A copy of the Nonconformance Report will be forwarded to the Site Project Manager for his information and/or action. It should also be included in the Contractor's Daily Quality Report package for general review.

Nonconformance Reports will be signed off once the deficient item or items have adequately been corrected. This will be done by the issuing Superintendent and Project Manager. These sign-offs will be included with a corresponding corrective action taken. Significant nonconformance needs to be addressed to prevent recurrence. The signed-off report will also be submitted for review.

Work activities affected by a Nonconformance Report will proportionally counter-affect payments. Whether that be partial or full retainage will be left up to the discretion of Sustainability / Projects Director.

#### **1.5 AUDITS**

- A. Sustainability / Projects Director may choose at its option to perform Contractor audits of their Contractor Quality Control Plan at any time. Reports of these audit results will be forwarded to the Project Manager for his action. Any action items noted during an audit for the Contractor will be followed up and documented to insure compliance and avoid recurrence.

#### **1.6 SUMMARY**

The intention of this plan is to create a system of checks and balances that will minimize delays caused by rework and a lack of planning and maximize production and insure that the finished product is one that the entire construction team can pride themselves in. These goals can be achieved by giving the Owner exactly what he has bought. The Owner will expect no more and through Quality Assurance, the construction team will provide no less.

**END SECTION 00980**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 00990 - SPECIAL CONDITIONS**

1. Construction shall be conducted in such a manner as to cause the least possible interruption to normal County business. Necessary access to and from adjacent buildings and the parking area shall be provided at all times.
2. Contractor shall take all means necessary to contain dust and debris as an integral part of the work.
3. Weather intrusion and unauthorized access to the Project Site due to construction activities shall be prevented by the Contractor's careful scheduling of work, or other means satisfactory to the Owner.
4. Contractor shall coordinate construction activities as necessary to avoid security or safety concerns at the Project Site.
5. Information shown on the Drawings is assembled from numerous record information sources and may be inaccurate or incomplete. Contractor shall make such field visits or investigations as are necessary to prepare an accurate and complete bid. Claims for extra work or expense after bid closing which are due to reasonably foreseeable circumstances shall be denied and shall remain the sole risk and expense of the Contractor. Field measured dimensions shall be obtained by the Contractor prior to placing orders for fabrications or prefabricated materials. Adjustments, delays, re-fabrications, or replacement materials due to inaccurate information are the sole responsibility of the Contractor.
6. **SITE SURVEY**
  - A. The Plat of Survey or other survey data, are available in the Office of the Sustainability / Projects Director for review, and are for the general information of the contractor. The data contained was prepared by AMEC/Engineer for the design of the project, and neither the Owner nor AMEC/Engineer, nor Sustainability / Projects Director make any representation, guarantee of warranty as to the accuracy or completeness of data indicated, expressed or implied.
  - B. Proposers shall visit the site; make their own investigations, assumptions and conclusions as to the nature and extent of existing surface and overhead conditions affecting the work. Neither the Owner nor AMEC/Engineer, nor Sustainability / Projects Director will be responsible for additional type or extent of work required to be performed under the Contract due to any assumptions or conclusions by the successful proposer based upon the survey information provided.

**END SECTION 00990**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01010 - SUMMARY OF THE WORK**

**1 Project Overview**

The Scope of Work consists of installation of 60-inch circular concrete reinforced pipe culvert connecting two segments of Canal #277 located in Tropical Bay Estates, Big Pine Key. The culvert connection is designed to increase the natural tidal flow and increase the dissolved oxygen levels in the canal water.

**2 General Project Intent and Scope**

Provide all labor, supervision, engineering, materials, supplies, equipment, tools, transportation, surveying, layout, and protection for the proper execution and completion of all the work in accordance with the Contract Documents. The Work shall include but not be limited to that shown on the Drawings and detailed in the Technical Specifications if any included in this Contract.

**SPECIAL PROVISIONS**

The following Special Provisions are intended to clarify the scope of work, or highlight features of the work, or modify, change, add to, or delete from the General Scope of this Proposal Package.

1. All licenses required in order to perform the scope of work in the specified location, shall be procured and maintained by the contractor and his subcontractors. Contractor shall submit copies to Sustainability / Projects Director prior to notice to proceed. Contractor's license shall accompany proposal.
2. Contractor is to review General Requirements for additional responsibilities required in order to perform this Work.
- 3.. If in the event of conflicting, or overlapping requirements in any area of the proposal documents, technical specifications, or drawings, the most stringent condition shall be proposed and constructed. Notify Sustainability / Projects Director in any event, in order to not compromise the Owner's right to make appropriate decisions.
4. Contractor shall maintain As-Built Drawings, (Record Drawings per Section 01720), of his work progression.
6. The Contractor shall not store materials, tools or debris in areas of the project site without written permission. Contractor shall provide suitable storage container, and be responsible for disposal off-site of all debris and trash.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

7. The Contractor shall coordinate with Owner's representative on available hours for Job Site access. Job site will have limited 8AM -6PM work hours. Contractor will need to schedule work shifts typically from 8AM- 6PM weekly. Any change to agreed upon schedule must be obtained in writing with a minimum of 72 hr advanced notice.
8. Coordination of each days works shall be done in advance with approval from County.

**3 Protection**

- A. The Contractor shall use every available precaution to provide for the safety of property owner, visitors to the site, and all connected with the work under the Contract.
- B. All existing facilities both above and below ground shall be protected and maintained free of damage. Existing facilities shall remain operating during the period of construction unless otherwise permitted. All access roadways must remain open to traffic unless otherwise permitted.
- C. Barricades shall be erected to fence off all construction areas from operations personnel and the general public. Fence posts shall have bases that eliminate the need to penetrate the ground for support.
- D. Safety Requirements
  1. All application, material handling, and associated equipment shall conform to and be operated in conformance with OSHA safety requirements.
  2. Comply with federal, state and local and owner fire and safety requirements.
  3. Advise owner whenever work is expected to be hazardous to owner employees and/or operations.
  4. Maintain proper fire extinguisher within easy access whenever power tools, roofing kettles, and torches are being used.

**4 Housekeeping**

1. Keep materials neat and orderly.
2. Remove scrap, waste and debris from project area daily.
3. Maintenance of clean conditions while work is in progress and cleanup when work is completed shall be in strict accordance with the "General Conditions" of this contract.
4. Maintain Fire protection during construction

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

5. Housekeeping required on a daily basis

**END SECTION 01010**

**SECTION 01015 - CONTRACTOR'S USE OF PREMISES**

**PART 1 – GENERAL**

**1.1 DESCRIPTION**

A. Work included: This Section applies to situations in which the Contractor or his representatives including, but not necessarily limited to, suppliers, subcontractors, employees, and field engineers, enter upon Owner's property.

Related work: Documents affecting work of this Section include, but are not limited to, General Conditions, Supplementary Conditions, and Sections in Division 1 of these Specifications.

**1.2 QUALITY ASSURANCE**

A. Promptly upon award of the Contract, notify all pertinent personnel regarding requirements of this Section.

Require all personnel who will enter upon the Owner's property certify their awareness of and familiarity with requirements of this Section.

**1.3 SUBMITTALS**

Maintain an accurate record of names and identification of all persons entering upon Owner's property in connection with Work of this Contract, including times of entering and times of leaving, and submit a copy of the record to Owner daily.

**1.4 TRANSPORTATION FACILITIES**

A. Provide adequate protection for curbs and sidewalks over which trucks and equipment pass to reach job site.

Contractor's vehicles:

1. Require Contractor's vehicles, vehicles belonging to employees of Contractor, and all other vehicles entering upon Owner's property in performance of Work of Contract, to use only the Access Route approved in advance by Owner.

Do not permit such vehicles to park on any street or other area of Owner's property except in the area approved by Owner as "Contractor's Parking Area."

**1.5 SECURITY**

- A. Restrict access of all persons entering upon the Owner's property in connection with work to the Access Route and to actual site of the work.

**END SECTION 01015**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01027 - APPLICATION FOR PAYMENT**

**1. SUMMARY**

This section provides procedures for preparation and submittal of Applications for Payment.

**2. FORMAT**

The Application for Payment including the Continuation Sheet is the required format for submitting invoices. A copy of these forms is included in this section. The Owner reserves the right to modify the format to better suit his internal accounting system.

**3. SUBMITTAL PROCEDURES**

- A. The initial Application for Payment will not be processed until the Contractor's Construction Schedule, Schedule of Values, and the Initial Submittal Schedule have been received, reviewed and approved by Sustainability / Projects Director.
- B. Submit an updated Construction Schedule and Submittal Schedule and a Partial Release of Lien with each Application for Payment.
- C. Payment shall be made according to the Local Government Prompt Payment Act, Sec. 218.70 et seq. Florida Statutes.
- D. Monroe County makes every effort to meet the payment schedule. It is requested that the contractor not make any calls to any County office inquiring about payment until the twentieth (20<sup>th</sup>) day after submission of the pay request.

**4. MONTHLY PAY REQUEST PROCEDURE**

- A. AMEC/Engineer to review as-builts as to current additions, corrections, etc., prior to monthly approval to ensure as-builts are current.

**5. FINAL PAY PROCEDURE**

- A. To help expedite the final payment, it is necessary for AMEC/Engineer to have a correct and complete package of documents 20 days in advance of requested pay date.
- B. A minimum of ten (10) working days is required from receipt of correct documents for Sustainability / Projects Director to obtain necessary signatures and submit project for Final Payment. Contractor shall submit all required forms and releases to AMEC/Engineer. The following documents (samples attached) are required for Final Payment:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- (1) Application and Certificate for Payment
- (2) Continuation Sheet
- (3) Certificate of Substantial Completion
- (4) Contractor's Affidavit of Debts and Claims
- (5) Contractor's Affidavit of Release of Liens
- (6) Final Release of Lien

Also, all warranties and guarantees required by Contract, "As-Built" drawings, including red-lined site plan, submittal documents, certification that all utility bills (i.e., electric, local water) have been paid, and a complete list of subcontractors with addresses and phone numbers must be submitted prior to final payment in both bound paper and electronic PDF form on CD/DVD.

- C. It is the Contractor's responsibility to ensure the completeness of the Final Pay Package. Incompleteness will result in delay of Final Pay. Final Pay Requests will not be processed until all the required documents are received by Monroe County Sustainability / Projects Director. Final Pay Request must be submitted no later than 30 days after final project completion and acceptance.**

**6. SUBSTANTIATING DATA**

- A. When the Owner's Representative requires substantiating information, submit data justifying dollar amounts in question.
- B. Provide one copy of data with cover letter for each copy of submittal. Indicate Application number, date, line item by number and description.

The undersigned hereby certifies that to the best of the undersigned's knowledge, information and belief, except as listed below, the Releases or Waivers of Lien attached hereto include the Contractor, all Subcontractors, all suppliers of materials and equipment, and all performers of Work, labor or services who have or may have liens or encumbrances or the right to assert liens or encumbrances against any property of the Owner arising in any manner out of the performance of the Contract referenced above.

EXCEPTIONS:

SUPPORTING DOCUMENTS ATTACHED HERETO:

1. Contractor's Release or Waiver of Liens, conditional upon receipt of final payment.
2. Separate Releases or Waivers of Liens from Subcontractors and material and equipment suppliers, to the extent required by the Owner, accompanied by a list thereof.

**SECTION 01030 - ALTERNATES**

**PART 1 – GENERAL**

**1.1 RELATED DOCUMENTS**

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and other Division-1 Specification Sections, apply to this Section.

**1.2 SUMMARY**

- A. This Section specifies administrative and procedural requirements for Alternates.
- B. Definition: An alternate is an amount proposed by Proposer and stated on the Proposal Form for certain construction activities defined in the Proposal Requirements that may be added to or deducted from Base Proposal amount if the Owner decides to accept a corresponding change in either the installation or methods described in Contract Documents.
- C. Coordination: Coordinate related Work and modify or adjust adjacent Work as necessary to ensure that Work affected by each accepted Alternate is complete and fully integrated into the project.
- D. Notification: Immediately following the award of the Contract, prepare and distribute to each party involved, notification of the status of each Alternate. Indicate whether Alternates have been accepted, rejected or deferred for consideration at a later date. Include a complete description of negotiated modifications to Alternates.
  - 1. Include as part of each Alternate, miscellaneous devices, accessory objects and similar items incidental to or required for a complete installation whether or not mentioned as part of the Alternate.

**END SECTION 01030**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01040 - PROJECT COORDINATION**

**PART I - GENERAL**

**1.1 RELATED DOCUMENTS**

- A. Drawings and general provisions of Contract, including General and Supplementary Conditions and other Division 1 Specification Sections, apply to this Section.

**1.2 SUMMARY**

- A. This Section specifies administrative and supervisory requirements of the Contractor necessary for Project coordination including, but not necessarily limited to:
  - 1. Coordination
  - 2. Administrative and supervisory personnel
  - 3. General installation provisions
  - 4. Cleaning and protection
- B. Field engineering is included in Section 01050 "Field Engineering".
- C. Progress meetings, coordination meetings and pre-installation conferences are included in Section 01200 "Project Meetings".
- D. Requirements for the Contractor's Construction Schedule are included in Section 01301 "Submittals".

**1.3 COORDINATION**

- A. Coordination: Coordinate construction activities included under various Sections of these Specifications to assure efficient and orderly installation of each part of the Work. Coordinate construction operations included under different Sections of the Specifications that are dependent upon each other for proper installation, connection, and operation.
  - 1. Where installation of one part of the Work is dependent on installation of other components, either before or after its own installation, schedule construction activities in the sequence required to obtain the best results.
  - 2. Where availability of space is limited, coordinate installation of different components to assure maximum accessibility for required maintenance, service and repair.
  - 3. Make adequate provisions to accommodate items scheduled for later installation.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- B. Where necessary, prepare memoranda for distribution to each party involved outlining special procedures required for coordination. Include items as required notices, reports, and attendance at meetings.
  - 1. Prepare similar memoranda for the Owner and separate Contractors where coordination of their work is required.
- C. Administrative Procedures: Coordinate scheduling and timing of required administrative procedures with other construction activities to avoid conflicts and ensure orderly progress of the Work. Such administrative activities include, but are not limited to, the following:
  - 1. Preparation of schedules
  - 2. Installation and removal of temporary facilities
  - 3. Delivery and processing of submittals
  - 4. Progress meetings
  - 5. Project Close-out activities
- D. Conservation: Coordinate construction activities to ensure that operations are carried out with consideration given to conservation of energy, water, and materials.
  - 1. Salvage materials and equipment involved in performance of, but not actually incorporated in, the Work. Refer to other sections for disposition of salvaged materials that are designated as Owner's property.

1.4 SUBMITTALS

- A. Coordination Drawings: Prepare and submit coordination Drawings where close and careful coordination is required for installation of products and materials fabricated off-site by separate entities, and where limited space availability necessitates maximum utilization of space for efficient installation of different components.
  - 1. Show the interrelationship of components shown on separate Shop Drawings.
  - 2. Indicate required installation sequences.
  - 3. Comply with requirements contained in Section 01301 "Submittals".
- B. Staff Names: Within five (5) calendar days of Notice to Proceed, submit a list of the Contractor's principal staff assignments, including the Superintendent and other personnel in attendance at the site; identify individuals, their duties and responsibilities; list their addresses and telephone numbers.
  - 1. Post copies of the list in the Project meeting room, the temporary field office, and at each temporary telephone.

PART 2 – PRODUCTS (Not Applicable)

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

PART 3 – EXECUTION

3.1 GENERAL INSTALLATION PROVISIONS

Inspection of Conditions: Require the Installer of each major component to inspect both the substrate and conditions under which Work is to be performed. Do not proceed until unsatisfactory conditions have been corrected in an acceptable manner.

Manufacturer's Instructions: Comply with manufacturer's installation instructions and recommendations, to the extent that those instructions and recommendations are more explicit or stringent than requirements contained in Contract Documents.

Inspect materials or equipment immediately upon delivery and again prior to installation. Reject damaged and defective items.

Provide attachment and connection devices and methods necessary for security Work. Secure Work true to line and level. Allow for expansion and building movement.

Visual Effects: Provide uniform joint widths in exposed Work. Arrange joints in exposed Work to obtain the best visual effect. Refer questionable choices to Engineer for final decision.

Recheck measurements and dimensions, before starting each installation.

Install each component during weather conditions and Project status that will ensure the best possible results. Isolate each part of the completed construction from incompatible material as necessary to prevent deterioration.

Coordinate temporary enclosures with required inspections and tests, to minimize the necessity of uncovering completed construction for that purpose.

Mounting Heights: Where mounting heights are not indicated, install individual components at standard mounting heights recognized within the industry for the particular application indicated. Refer questionable mounting height decisions to Engineer for final decision.

3.1 CLEANING AND PROTECTIONS

A. During handling and installation, clean and protect construction in progress and adjoining materials in place. Apply protective covering where required to ensure protection from damage or deterioration at Substantial Completion.

B. Clean and maintain completed construction as frequently as necessary through the remainder of the construction period. Adjust and lubricate operable components to ensure operability without damaging effects.

C. Limiting Exposures: Supervise construction activities to ensure that no part of the construction completed or in progress, is subject to harmful, dangerous, damaging, or otherwise deleterious exposure during the construction period. Where applicable, such exposures include, but are not limited to, the following:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

LIMITING EXPOSURES

1. Excessive static or dynamic loading
2. Excessive Internal or external pressures
3. Excessively high or low temperatures
4. Thermal shock
5. Excessively high or low humidity
6. Air contamination or pollution
7. Water
8. Solvents
9. Chemicals
10. Light
11. Radiation
12. Puncture
13. Abrasion
14. Heavy traffic
15. Soiling, staining and corrosion
16. Bacteria
17. Rodent and Insect Infestation
18. Combustion
19. Electrical current
20. High speed operation
21. Improper lubrication
22. Unusual wear or other misuse
23. Contact between incompatible materials
24. Destructive testing
25. Misalignment
26. Excessive weathering
27. Unprotected storage
28. Improper shipping or handling
29. Theft
30. Vandalism

END SECTION 01040

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01045 - CUTTING AND PATCHING**

PARTS 1, 2 and 3 – Not Applicable.

**END SECTION 01045**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01050 - FIELD ENGINEERING**

**PART 1- GENERAL**

**1.1 RELATED DOCUMENTS**

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and other Divisions 1 Specification Sections, apply to this Section.

**1.2 SUMMARY**

- A. General: This Section specifies administrative and procedural requirements of the Contractor for field-engineering services including, but not limited to, the following:

1. Land survey work.
2. Civil-engineering services.
3. Damage surveys.
4. Geotechnical monitoring.

- B. Related Sections: The following Sections contain requirements that are related to this Section:

1. Division 1 Section "Coordination" for procedures for coordinating field engineering with other construction activities.
2. Division 1 Section "Submittals" for submitting Project record surveys.
3. Division 1 Section "Project Closeout" for submitting final property survey with Project Record Documents and recording of Owner-accepted deviations from indicated lines and levels.

**1.3 SUBMITTALS**

- A. Certificates: Submit a certificate signed by the land surveyor or professional engineer certifying the location and elevation of improvements.
- B. Project Record Documents: Submit a record of Work performed and record survey data as required under provisions of "Submittals" and "Project Closeout" Sections.

**1.4 QUALITY ASSURANCE**

- A. Surveyor Qualifications: Engage a land surveyor registered in the state where the Project is located, to perform required land-surveying services.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- B. Engineer Qualifications: Engage an engineer of the discipline required, licensed in the state where the Project is located, to perform required engineering services.

PART 2 - PRODUCTS (Not Applicable)

PART 3 - EXECUTION

3.1 EXAMINATION

- A. Identification: The Owner will identify existing control points and property line corner stakes.
- B. Verify layout information shown on the Drawings, in relation to the property survey and existing benchmarks, before proceeding to lay out the Work. Locate and protect existing benchmarks and control points. Preserve permanent reference points during construction.
  - 1. Do not change or relocate benchmarks or control points without prior written approval. Promptly report lost or destroyed reference points or requirements to relocate reference points because of necessary changes in grades or locations.
  - 2. Promptly replace lost or destroyed Project control points. Base replacements on the original survey control points.
- C. Establish and maintain a minimum of 2 permanent benchmarks on the site, referenced to data established by survey control points.
  - 1. Record benchmark locations, with horizontal and vertical data, on Project Record Documents.
- D. Existing Utilities and Equipment: The existence and location of underground and other utilities and construction indicated as existing are not guaranteed. Before beginning site work, investigate and verify the existence and location of underground utilities and other construction.
  - 1. Prior to construction, verify the location and invert elevation at points of connection of sanitary, sewer, storm sewer, and water-service piping.

3.2 PERFORMANCE

- A. Work from lines and levels established by the property survey. Establish benchmarks and markers to set lines and levels at each story of construction and elsewhere as needed to locate each element of the Project. Calculate and measure required dimensions within indicated or recognized tolerances. Do not scale Drawings to determine dimensions.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1. Advise entities engaged in construction activities of marked lines and levels provided for their use.
  2. As construction proceeds, check every major element for line, level, and plumb.
- B. Surveyor's Log: Maintain a surveyor's log of control and other survey work. Make this log available for reference.
1. Record deviations from required lines and levels, and advise AMEC/Engineer when deviations that exceed indicated or recognized tolerances are detected. On Project Record Drawings, record deviations that are accepted and not corrected.
  2. On completion of foundation walls, major site improvements, and other work requiring field-engineering services, prepare a certified survey showing dimensions, locations, angles, and elevations of construction and site work.
- C. Site Improvements: Locate and lay out site improvements, including pavements, stakes for grading, fill and topsoil placement, utility slopes, and invert elevations.
- D. Building Lines and Levels: Locate and lay out batter boards for structures, building foundations, column grids and locations, floor levels, and control lines and levels required for mechanical electrical work.
- E. Existing Utilities: Furnish information necessary to adjust, move, or relocate existing structures, utility poles, lines, services, or other appurtenances located in or affected by construction. Coordinate with local authorities having jurisdiction.

**END SECTION 01050**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01200 - PROJECT MEETINGS**

PART 1 - GENERAL

1. SUMMARY

A. Section includes:

1. Project meetings

2. AMEC/ENGINEER'S RESPONSIBILITY

A. AMEC/Engineer shall schedule and administer pre-construction meeting, periodic progress meetings, and specially called meetings throughout progress of the Work.

1. Prepare agenda for meetings.
2. Provide notice of each meeting 24 hours in advance of meeting date, or provide as much advance notice as possible.
3. Make physical arrangements for meetings.
4. Preside at meetings.
5. Record the minutes; include significant proceedings and decisions.
6. Reproduce and distribute copies of minutes.
  - a. To participants in the meeting.
  - b. To parties affected by decisions made at the meeting.
  - c. To Monroe County staff as needed.

B. Representatives of the Contractors, subcontractors and suppliers attending meetings shall be qualified and authorized to act on behalf of the entity each represents.

C. The Engineer and the Owner's Representative may attend meetings to ascertain that the Work is expedited consistent with the Contract Documents and construction schedules.

3. PRE-CONSTRUCTION MEETING

A. Location: A central site designated by AMEC/Engineer.

B. Attendance:

1. Monroe County Sustainability / Projects Director designee.
2. AMEC/Engineer and his professional consultants (as required).
3. The Contractor's Superintendent.
4. Major subcontractors.
5. Major suppliers.
6. Others as appropriate.

C. Suggested Agenda:

1. Distribution and discussion of:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- a. List of major subcontractors and suppliers.
- b. Projected Construction Schedules.
2. Critical Work sequencing.
3. Major equipment deliveries and priorities.
4. Project Coordination.
  - a. Designation of responsible personnel.
5. Procedures and processing of:
  - a. Field decisions.
  - b. Bid requests.
  - c. Submittals.
  - d. Change Orders.
  - e. Applications for Payment.
6. Adequacy of distribution of the Contract Documents.
7. Procedures for maintaining Record Documents.
8. Use of premises:
  - a. Office, work and storage areas.
  - b. The Owner's requirements.
9. Construction facilities, controls and construction aids.
10. Temporary utilities.
11. Safety and first-aid procedures.
12. Security procedures.
13. Housekeeping procedures.
14. Distribute meeting minutes within (3) days.

4. PERIODIC PROGRESS MEETINGS

- A. The Contractor's Project Manager and/or Superintendent shall be required to attend a periodic scheduled meeting.
- B. Location of the meetings: A central site designated by AMEC/Engineer, typically it will be at the project site.
- C. Attendance:
  1. Monroe County Sustainability / Projects Director designee
  2. AMEC/Engineer and his professional consultants as needed.
  3. Contractors as appropriate to the agenda.
  4. Suppliers as appropriate to the agenda.
  5. Others.
- D. Suggested Agenda:
  1. Distribute meeting minutes.
  2. Approval of the minutes.
  3. Review of Work progress since previous meeting.
  4. Field observations, problems, conflicts, Requests for Information (RFI).
  5. Problems which impede Construction Schedule.
  6. Review of off-site fabrication, delivery schedules.
  7. Corrective measures and procedures to regain projected schedule.
  8. Revisions to Construction Schedule.
  9. Progress, schedule, during succeeding Work period.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

10. Coordination of schedules.
11. Review submittal schedules.
12. Maintenance of quality standards.
13. Pending changes, substitutions and Change Order Requests (COR).
14. Review proposed changes for:
  - a. Effect on Construction Schedule and on completion date.
  - b. Effect on other contracts of the Project.
15. Other business.

E. Revisions to minutes:

1. Unless published minutes are challenged in writing prior to the next regularly scheduled progress meeting, they will be accepted as properly stating the activities and decisions of the meeting.
2. Persons challenging published minutes shall reproduce and distribute copies of the challenge to all indicated recipients of the particular set of minutes.
3. Challenge to minutes shall be settled as priority portion of "old business" at the next regularly scheduled meeting.

**END SECTION 01200**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01301 - SUBMITTALS**

PART 1 - GENERAL

1.1 SUMMARY

A. Section includes:

1. The Contractor shall submit to AMEC/Engineer, shop drawings, product data, certifications and samples required by the technical sections.
2. The Contractor shall prepare and submit a separate schedule listing dates for submission and dates for review.

B. Related Sections:

1. Section 00750 - GENERAL CONDITIONS
2. Individual submittals required: refer to each specific section, for certifications, shop drawings, product data and sample requirements.

1.2 SUBMITTAL SCHEDULE

A. The Contractor shall submit within five (5) days of Notice to Proceed, and prior to proceeding with the site work, a preliminary "Submittal Schedule" to Sustainability / Projects Director and AMEC/Engineer for review, modification and response. No payment applications will be processed prior to finalizing the submittal schedule. The "Submittal Schedule" shall contain the following information for all required submittals on both paper and electronic PDF.

1. Specification Section number and name.
2. Specification Section paragraph identification which describes submittal requirement.
3. Submittal information required, (i.e., sample, test data, shop drawing, etc.).

B. The Contractor shall also supply the following dates in order to meet the project schedule.

1. Date submittal is scheduled to be submitted.
2. Date contractor has scheduled to order material or equipment or the submittal item.
3. Date contractor has scheduled delivery to job-site of material or equipment or the submittal item.
4. Add any remarks or unique items that Sustainability / Projects Director and AMEC/Engineer should be aware of.

C. The Contractor shall allow a minimum of two (2) days for review of submittal by Sustainability / Projects Director and AMEC/Engineer (in calendar days).

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- D. The submittal master record will then be used to track submittals within the process.
- 1.3 SHOP DRAWINGS - Not applicable
- 1.4 PRODUCT DATA
- A. Product data such as catalog cuts, brochures or manufacturer's sheets will be submitted and adequately identified to AMEC/Engineer. Submit four (4) copies of product data to AMEC/Engineer.
- B. Modify product data sheets to delete information which is not applicable to the Project. Provide additional information if necessary to supplement standard information.
- C. The contractor shall submit seven (7) sets to AMEC/Engineer. AMEC/Engineer will check and return five (5) copies to the Contractor after review.
- 1.5 SAMPLES
- A. Provide samples to illustrate materials, equipment or workmanship, and to establish standards by which completed work may be judged.
- B. Construct mock-ups as required by the technical sections, at the Project Site in a location designated by AMEC/Engineer. Construct mock-ups, including adjacent work required, to demonstrate the final appearance of the Work.
- C. The contractor shall submit (3) samples to AMEC/Engineer and (1) will be returned to the contractor after review/return from AMEC/Engineer.
- 1.6 CERTIFICATIONS
- A. Provide certifications as required by various technical sections on the Contractor's letterhead stationery. Certifications shall be identified to this Project, dated and bear Contractor's signature in the same format used for the Owner/Contractor agreement.
- B. Clearly identify the materials referenced and state that the material and the intended installation methods, where applicable, are in compliance with the Contract Documents. Attach manufacturer's affidavits where applicable.
- C. The Contractor shall submit one (1) original, one (1) electronic and two (2) hardcopies to AMEC/Engineer. AMEC/Engineer will retain two (2) sets and the balance returned to the Contractor after review.
- 1.7 THE CONTRACTOR'S RESPONSIBILITIES
- A. Before making submittals to AMEC/Engineer, review each submittal, make changes or notations as necessary to conform to the Contract Documents, identify such review with review stamp and forward reviewed submittal with

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

comments to AMEC/Engineer for review. Return submittals not meeting Contract requirements to subcontractors and do not forward such submittals to AMEC/Engineer.

- B. Submit catalog sheets, product data, shop drawings and where specified, submit calculations, material samples, color chips or charts, test data, warranties and guarantees all at the same time for each submittal item.
- C. Verify field measurements and product catalog numbers or similar data.
- D. Clearly identify on the submittal and transmittal to AMEC/Engineer in writing of deviations in submittals from the requirements of the Contract Documents.
- E. After AMEC/Engineer's review, distribute copies with one copy to be maintained at the Project Site for reference use and other copies distributed to suppliers and fabricators.
- F. Do not begin the Work which requires submittals until return of submittals with AMEC/Engineer's stamp and initials indicating review.
- G. The Contractor's responsibility for errors and omissions in submittals is not relieved by AMEC/Engineer's review of submittals.
- H. The Contractor's responsibility for deviations in submittals from requirements of the Contract Documents is not relieved by AMEC/Engineer review of submittals unless AMEC/Engineer gives written acceptance of specific deviations.

1.8 AMEC/ENGINEER'S RESPONSIBILITIES

- A. AMEC/Engineer will review submittals with reasonable promptness, checking only for conformance with the design compliance of the Project and compliance with information given in the Contract Documents.
- B. AMEC/Engineer will make changes or notations directly on the submittal, identify such review with his review stamp, obtain and record the Record File copy and return the submittal to the Contractor, with copies to AMEC/Engineer.
- C. AMEC/Engineer will return to the Contractor, without review, all submittals not bearing the Contractor's review stamp or not showing it has been reviewed by the Contractor.

**END SECTION 01301**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01310 - PROGRESS SCHEDULES**

**PART 1 - GENERAL**

**1.1 SUMMARY**

**A. Section includes:**

1. Contractor submission of Progress schedules
2. Contractor submission of Revisions to schedules

**B. Related sections:**

1. Scope of work.

**C. Description:**

1. Progress Schedules: promptly after award of the Contract and prior to proceeding with the site work, prepare and submit to Sustainability / Projects Director and AMEC/Engineer for approval, construction progress schedules for the work, with sub-schedules of related activities which are essential to its progress. Also incorporate manpower loading related to each activity on the construction schedule.
2. Revisions to Schedule: submit revised/updated progress schedules with each payment application.

**1.2 FORMAT**

- A. Prepare Progress Schedules, Contractor to submit format of schedule for approval by Sustainability / Projects Director and AMEC/Engineer.**

**1.3 CONTENT**

- A. Indicate complete sequence of construction by activity, with dates for beginning and completion of each element of construction.**
- B. Identify work of separate stages and other logically grouped activities.**
- C. Provide sub-schedules to define critical portions of the entire schedule.**

**1.4 REVISIONS TO SCHEDULES**

- A. Indicate progress of each activity to date of submittal, and projected completion date of each activity.**
- B. Identify activities modified since previous submittal, major changes in scope, and other identifiable changes.**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1. Major changes in scope.
2. Activities modified since previous submission.
3. Revised projections of progress and completion.
4. Other identifiable changes.

C. Provide a narrative report as needed to define:

1. Problem areas, anticipated delays and the impact on the schedule.
2. Corrective action recommended and its effect.
3. The effect of changes on schedules of other prime contractors.

1.5 SUBMITTALS

A. Submit initial schedules within five (5) days after receipt of the Contract Notice to Proceed.

1. Sustainability / Projects Director and AMEC/Engineer will review schedules and return approved copy.
2. Submit revised Progress Schedules with each Application for Payment.

1.6 DISTRIBUTION

A. Distribute copies of the reviewed schedules to:

1. Job site file.
2. Subcontractors.
3. Other concerned parties.

B. Instruct recipients to report promptly to the Contractor, in writing, any problems anticipated by the projections shown in the schedules.

Note: It is not incumbent upon Sustainability / Projects Director or AMEC/Engineer to notify the Contractor when to begin, to cease, or to resume work nor to give early notice of faulty or defective work, or in any way to superintend so as to relieve the Contractor of responsibility or of any consequence of neglect or carelessness.

**END SECTION 01310**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01370 - SCHEDULE OF VALUES**

**PART 1 - GENERAL**

**1.1 SUMMARY**

- A. Section includes: Contractor submission of a Schedule of Values.
1. The Schedule of Values allocated to the various portions of the Work shall be submitted to Sustainability / Projects Director within five (5) days after Notice to Proceed.
  2. No item in the Schedule of Values shall exceed \$25,000.00 without prior approval from Monroe County Sustainability / Projects Director.
  3. Upon request of Sustainability / Projects Director, revise and/or support the values with data which will substantiate their correctness.
  4. The Schedule of Values forms the basis for the Contractor's Applications for Payment.
  5. The Schedule of Values shall be the basis for the amount of credit to be allowed by the Contractor to the Owner as per 5.6.1 of the Contract.

**1.2 FORM AND CONTENT OF SCHEDULE OF VALUES**

- A. Type schedule on AIA G703 Form; the Contractor's standard forms and automated printout will be considered by Sustainability / Projects Director upon the Contractor's request. Identify schedule with:
1. Title of Project and location
  2. Architect/Engineer
  3. Name and Address of the Contractor
  4. Contract designation
  5. Date of submission
- B. List the installed value of the component parts of the Work in sufficient detail to serve as a basis for computing values for progress payments during construction.
- C. Follow the Specifications as the format for listing component items.
1. Identify each line item with the number and title of the respective major section of the Specifications.
- D. Itemize separate line item cost for each of the following general cost items:
1. Mobilization.
  2. Bonds, Insurance and Permits.
  3. Clean-up.
  4. Submittals.
  5. Safety.
- E. For each major line item list sub-values of major products or operations under the item.
- F. For the various portions of the Work:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1. Include a directly proportional amount of the Contractor's overhead and profit for each item.
  2. for items on which progress payments will be requested for stored materials, break down the value into:
    - a. The cost of the materials, delivered and unloaded, with taxes paid.
    - b. The total installed value.
    - c. Attach vendor invoices.
    - d. No progress payments will be made for any materials stored off site.
  3. Submit a sub-schedule for each separate stage of work specified
- G. The sum of values listed in the schedule shall equal the total Contract Sum.

1.3 REVIEW AND SUBMITTAL

- A. After review by Sustainability / Projects Director, revise and resubmit schedule (and Schedule of Material Values) as required.
- B. Resubmit revised schedule in same manner.

**END SECTION 01370**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01385 - DAILY CONSTRUCTION REPORTS**

PART 1 - GENERAL

1.1 SUMMARY

A. Section includes:

1. Requirement for Daily Construction Reports by the General Contractor.
2. Scheduled submission times for Daily Construction Reports.

1.2 FORM AND CONTENT OF DAILY CONSTRUCTION REPORTS

A. Daily Construction Reports shall be submitted by the General Contractor performing work on the project. We have provided a form for your use at the end of this section. If you chose to use your own form, all the information asked for on the Daily Construction Report form included in this section, must be included on your form. Items to be addressed on the Report are:

1. Title of Project
2. Name of Contractor
3. Date and day of Report information. For example, you performed work on Thursday, February 14, 2008, so you would therefore use "Thursday, 2/14/08." This holds true even if you did not complete filling out the Report until Friday, 2/15/08.
4. Contract designation.
5. Note any major Shipments received on that particular day.
6. Note major equipment used that day.
7. Note manpower used, and designate what trades. For example, if you were the mechanical contractor, you would also list how many insulators, pipe fitters, etc., that you were also managing, even if they were subcontractors. In addition, list the names of the subcontractors that were on-site that day.
8. Note any deficiencies in your work, and corrective actions taken to resolve the deficiencies.
9. Note any safety violations discovered, whether or not caused by your forces.
10. Provide a full description of work performed that day, by all subcontractors, and or employees, currently working on the project. Furthermore, be sure to include any problems or unusual conditions discovered.
11. Report is to be signed by the authorized representative of the contractor, and should the signature not be legible, print the name of the signer next to the signature.

1.3 SCHEDULE OF SUBMITTING DAILY REPORTS

A. Daily Reports are to be submitted to AMEC/Engineer at the regularly scheduled Project Meetings. Contractors are to submit the original of their report, and

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

should keep a copy for their records. AMEC/Engineer or Sustainability Manger photocopying facilities are not to be used in the reproduction for submission of the reports.

- B. Should contractor fail to comply with these instructions, the contractor's payment application for the following month will be held in abeyance until such time the contractor properly submits the delinquent reports.

**SECTION 01395 - REQUEST FOR INFORMATION (RFI)**

**PART 1 - GENERAL**

**1.1 SUMMARY**

**A. Section includes:**

1. Notification to AMEC/Engineer and Sustainability / Projects Director in the event errors, field conflicts, and omissions are found in the Contract Documents or clarifications are necessary.
2. Utilization of (RFI) form.

**B. Related Sections:**

1. General Conditions Article 2.3
2. General Conditions Article 8.3.2
3. General Conditions Article 12.3

**1.2 FORM AND CONTENT OF REQUEST FOR INFORMATION**

- A. All errors, field conflicts, and omissions in the Contract Documents shall be brought to the attention of AMEC//Engineer and Sustainability / Projects Director immediately. If clarifications are necessary, the request is to be conveyed to AMEC/Engineer and Sustainability / Projects Director. AMEC/Engineer and Sustainability / Projects Director will respond to the Contractor. The RFI is a tool established to provide expedient clarifications of contract drawings, specifications or field conflicts. It is not meant to be a substitute for good communication.
- B. The RFI is not meant for formal notification of extra work. Reference General Conditions paragraph 8.3.2 and 12.3 (see Supplementary General Conditions), when formal correspondence is required for formal notification of time extensions, and for cost change notifications.
- C. The responses provided on the RFI form to the Contractor are considered by the Owner to be clarifications and/or minor changes in the Work not involving an adjustment in the Contract Sum or an extension of the Contract time per Paragraph 12.4 of the Contract General Conditions. Should the Contractor consider the RFI response requires extra work, notification in accordance with Paragraph 12.3.1 of the Supplementary General Conditions is required.

**1.3 UTILIZATION OF RFI FORM**

- A. The RFI form to be utilized is included at the end of this section, if you wish to use a form of your own; it must contain the same information requested on our form.

**SECTION 01400 - QUALITY CONTROL**

**PART 1 - GENERAL**

**1.1 RELATED DOCUMENTS**

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions, and other Division 1 Specification Sections, apply to this Section.

**1.2 SUMMARY**

- A. This Section includes administrative and procedural requirements for quality control services.
- B. Quality control services include inspections, tests, and related actions, including reports performed by Contractor, by independent agencies, and by governing authorities. They do not include contract enforcement activities performed by Architect.
- C. Inspection and testing services are required to verify compliance with requirements specified or indicated. These services do not relieve Contractor of responsibility for compliance with Contract Document requirements.
- D. Requirements of this Section relate to customized fabrication and installation procedures, not production of standard products.
  - 1. Specific quality control requirements for individual construction activities are specified in the Sections that specify those activities. Requirements in those Sections may also cover production of standard products.
  - 2. Specified inspections, tests, and related actions do not limit Contractor's quality control procedures that facilitate compliance with Contract Document requirements.
  - 3. Requirements for Contractor to provide quality control services required by Owner, or authorities having jurisdiction are not limited by provisions of this Section.
- E. Related Sections: The following Sections contain requirements that are related to this Section:
  - 1. Division 1 Section "Cutting and patching" specifies requirements for repair and restoration of construction disturbed by inspection and testing activities.
  - 2. Division 1 Section "Submittals" specifies requirements for development of a schedule of required tests and inspections.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1.3 RESPONSIBILITIES

- A. The contractor shall be responsible to secure, provide, and pay for all inspections, test, and other quality-control services specified and required by the contract or governing authorities. Costs for these services are included in the Contract Sum. Any reference in the Contract Documents, Drawings, Front End Documents or Technical Specifications indicating the Owner is responsible to secure and pay for testing shall be disregarded and rendered null and void.
1. Where individual Sections specifically indicate that certain inspections, tests, and other quality-control services are the Contractor's responsibility, the Contractor shall employ and pay a qualified independent testing agency to perform quality-control services. Costs for these services are included in the Contract Sum.
    - a. Where the Owner has engaged a testing agency for testing and inspecting part of the Work, and the Contractor is also required to engage an entity for the same or related element, the Contractor shall not employ the entity engaged by the Owner, unless agreed to in writing by the Owner.
- B. Re-testing: The Contractor is responsible for re-testing where results of inspections, tests, or other quality-control services prove unsatisfactory and indicate noncompliance with Contract Document requirements, regardless of whether the original test was Contractor's responsibility.
1. The cost of re-testing construction, revised or replaced by the Contractor, is the Contractor's responsibility where required tests performed on original construction indicated noncompliance with Contract Document requirements.
- C. Associated Services: Cooperate with agencies performing required inspections, tests, and similar services, and provide reasonable auxiliary services as requested. Notify the agency sufficiently in advance of operations to permit assignment of personnel. Auxiliary services required include, but are not limited to, the following:
1. Provide access to the Work.
  2. Furnish incidental labor and facilities necessary to facilitate inspections and tests.
  3. Take adequate quantities of representative samples of materials that require testing or assist the agency in taking samples.
  4. Provide facilities for storage and curing of test samples.
  5. Deliver samples to testing laboratories.
  6. Provide the agency with a preliminary design mix proposed for use for materials mixes that require control by the testing agency.
  7. Provide security and protection of samples and test equipment at the Project Site.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- D. Duties of the Testing Agency: The independent agency engaged to perform inspections, sampling, and testing of materials and construction specified in individual Sections shall cooperate with the Architect and the Contractor in performance of the agency's duties. The testing agency shall provide qualified personnel to perform required inspections and tests.
1. The agency shall notify AMEC/Engineer, the Sustainability / Projects Director and the Contractor promptly of irregularities or deficiencies observed in the Work during performance of its services.
  2. The agency is not authorized to release, revoke, alter, or enlarge requirements of the Contract Documents or approve or accept any portion of the Work.
  3. The agency shall not perform any duties of the Contractor.

#### 1.4 SUBMITTALS

- A. Unless the Contractor is responsible for this service, the independent testing agency shall submit a certified written report, in duplicate, of each inspection, test, or similar service to AMEC/Engineer and Sustainability / Projects Director. If the Contractor is responsible for the service, submit a certified written report, in duplicate, of each inspection, test, or similar service through the Contractor.
1. Submit additional copies of each written report directly to the governing authority, when the authority so directs.
  2. Report Data: Written reports of each inspection, test, or similar service include, but are not limited to, the following:
    - a. Date of issue.
    - b. Project title and number.
    - c. Name, address, and telephone number of testing agency.
    - d. Dates and locations of samples and tests or inspections.
    - e. Names of individuals making the inspection or test.
    - f. Designation of the Work and test method.
    - g. Identification of product and Specification Section.
    - h. Complete inspection or test data.
    - i. Test results and an interpretation of test results.
    - j. Ambient conditions at the time of sample taking and testing.
    - k. Comments or professional opinion on whether inspected or tested Work complies with Contract Document requirements.
    - l. Name and signature of laboratory inspector.
    - m. Recommendation on re-testing.

#### 1.5 QUALITY ASSURANCE

- A. Qualifications for Service Agencies: Engage inspection and testing service agencies, including independent testing laboratories, that are pre-qualified as complying with the American Council of Independent Laboratories"

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Recommended Requirements for Independent Laboratory Qualification" and that specialize in the types of inspections and tests to be performed.

1. Each independent inspection and testing agency engaged on the Project shall be authorized by authorities having jurisdiction to operate in the state where the Project is located.

PART 2 - PRODUCTS (Not Applicable)

PART 3 - EXECUTION

3.1 REPAIR AND PROTECTION

- A. General: Upon completion of inspection, testing, sample taking and similar services, repair damaged construction and restore substrates and finishes. Comply with Contract Document requirements for Division 1 Section "Cutting and Patching".
- B. Protect construction exposed by or for quality-control service activities, and protect repaired construction.
- C. Repair and protection is Contractor's responsibility, regardless of the assignment of responsibility for inspection, testing, or similar services.

**END SECTION 01400**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01410 - TESTING LABORATORY SERVICES**

**PART 1 - GENERAL**

**1.1 SUMMARY**

**A. Section Includes:**

1. Selection and payment
2. The Contractor submittals
3. Testing laboratory responsibilities
4. Testing laboratory reports
5. Limits on testing laboratory authority
6. The Contractor responsibilities
7. Schedule of inspections and tests

**B. Section Includes:**

1. Section 00750 - GENERAL CONDITIONS
2. Section 01700 - CONTRACT CLOSEOUT
3. Section 01800 - SOIL BORING DATA
4. Individual Specification Sections: inspections and tests required, and standards for testing.

**1.2 SELECTION AND PAYMENT**

**A.** The Contractor shall be responsible to secure and pay for all testing services of a qualified independent testing laboratory to perform specified inspections and testing as indicated in Technical Specification Sections and as required by the contract or any governing authorities. Any reference in the Contract Documents, Drawings, Front End Documents or Technical Specification indicating the Owner is responsible to secure and pay for testing shall be disregarded and rendered null and void.

**B.** Employment of testing laboratory shall in no way relieve the Contractor of obligation to perform the Work in accordance with requirements of the Contract Documents.

**1.3 QUALITY ASSURANCE**

**A.** Testing laboratory: authorized to operate in the State of Florida.

**B.** Testing laboratory staff: maintain a full time registered Engineer on staff to review services.

**C.** Testing Equipment: calibrated at reasonable intervals with devices of accuracy traceable to either National Bureau of Standards (NBS) standards or accepted values of natural physical constants.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- D. Meet "Recommended Requirements for Independent Laboratory Qualification," published by American Council of Independent Laboratories.

1.4 TESTING LABORATORY RESPONSIBILITIES

- A. Test samples of mixes.
- B. Provide qualified personnel at the Site. Cooperate with AMEC/Engineer and the Contractor in performance of services.
- C. Perform specified inspection, sampling, and testing of products in accordance with specified standards.
- D. Ascertain compliance of materials and mixes with requirements of the Contract Documents.
- E. Promptly notify AMEC/Engineer and the Contractor of observed irregularities or non-conformance of the Work or products.
- F. Perform additional inspections and tests required by the AMEC/Engineer.

1.5 TESTING LABORATORY REPORTS

- A. After each inspection and test, promptly submit copies of testing laboratory report to AMEC/Engineer and Contractor.
- B. Include:
  - 1. Date issued
  - 2. Project title and number
  - 3. Name of inspector
  - 4. Date and time of sampling or inspection
  - 5. Identification of product and Specifications Section
  - 6. Location in the Project
  - 7. Type of inspection or test
  - 8. Date of test
  - 9. Results of test
  - 10. Conformance with the Contract Documents
- C. When requested by AMEC/Engineer, provide interpretation of test results.

1.6 LIMITS ON TESTING LABORATORY AUTHORITY

- A. The testing laboratory may not release, revoke, alter, or enlarge on requirements of the Contract Documents.
- B. The testing laboratory may not approve or accept any portion of the Work.
- C. The testing laboratory may not assume any duties of the Contractor.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- D. The testing laboratory has no authority to stop the Work.

1.7 THE CONTRACTOR RESPONSIBILITIES

- A. Deliver to the testing laboratory at designated location, adequate samples of materials proposed to be used which require testing, along with proposed mix designs.
- B. Cooperate with testing laboratory personnel, and provide access to the Work and to the manufacturer's facilities.
- C. Provide incidental labor and facilities to provide access to the Work to be tested, to obtain and handle samples at the Site or at source of products to be tested, to facilitate tests and inspections, storage and curing of test samples.
- D. Notify AMEC/Engineer and the testing laboratory 24 hours prior to expected time for operations requiring inspection and testing services.
- E. Employ services of a separate qualified testing laboratory and pay for additional samples and tests which are beyond the specified requirements.

1.8 RETEST RESPONSIBILITY

- A. Where the results of required inspections, tests, or similar services prove unsatisfactory and do not indicate compliance with the requirements of the Contract Documents, the cost for any re-tests shall be the responsibility of the Contractor.

**END SECTION 01410**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01421 - REFERENCE STANDARDS AND DEFINITIONS**

PART 1 – GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings and general provisions of Contract, including General and Supplementary Conditions and other Division 1 Specifications Sections, apply to this Section.

1.2 DEFINITIONS

- A. General: Basic Contract definitions are included in the conditions of this Contract.
- B. Indicated: The term "indicated" refers to graphic representations, notes or schedules on the Drawings, or other Paragraphs or Schedules in the Specifications, and similar requirements in the Contract Documents. Where terms such as "shown", "noted", "scheduled", and "specified" are used, it is to help the reader locate the reference; no limitation on location is intended.
- C. Directed: Terms such as "directed", "requested", "authorized", "selected", "approved", "required", and "permitted" mean "directed by AMEC/Engineer", "requested by AMEC/Engineer", and similar phrases.
- D. Approve: The term "approved", where used in conjunction with AMEC/Engineer's action on the Contractor's submittals, applications, and requests, is limited to AMEC/Engineer's duties and responsibilities as stated in the Conditions of the Contract.
- E. Regulation: The term "regulations" includes laws, ordinances, statutes, and lawful orders issued by authorities having jurisdiction, as well as rules, conventions, and agreements within the construction industry that control performance of the Work.
- F. Furnish: The term "furnish" is used to mean "supply and deliver to the Project site, ready for unloading, unpacking, assembly, installation, and similar operations."
- G. Install: The term "install" is used to describe operations at project site including the actual "unloading, unpacking, assembly, erection, placing, anchoring, applying, working to dimension, finishing, curing, protecting, cleaning, and similar operations."
- H. Provide: The term "provide" means "to furnish and install, complete and ready for the intended use."
- I. Installer: An "Installer" is the Contractor or an entity engaged by the Contractor, either as an employee, subcontractor, or contractor of lower tier for performance of a particular construction activity, including installation, erection, application, and similar operations. Installers are required to be experienced in the operations they are engaged to perform.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1. The term "experienced", when used with the term "Installer", means having a minimum of five previous projects similar in size and scope to this Project, being familiar with the special requirements indicated, and having complied with requirements of the authority having jurisdiction.
  2. Trades: Use of titles such as "carpentry" is not intended to imply that certain construction activities must be performed by accredited or unionized individuals of a corresponding generic name, such as "carpenter". It also does not imply that requirements specified apply exclusively to tradespersons of the corresponding general name.
  3. Assignment of Specialists: Certain Sections of the Specifications require that specific construction activities shall be performed by specialists who are recognized experts in the operations to be performed. The specialists must be engaged for those activities, and assignments are requirements over which the Contractor has no choice or option. Nevertheless, the ultimate responsibility for fulfilling Contract requirements remains with the Contractor.
    - a. This requirement shall not be interpreted to conflict with enforcement of building codes and similar regulations governing the Work. It is also not intended to interfere with local trade union jurisdictional settlements and similar conventions.
- J. Project Site is the space available to the contractor for performance of construction activities, either exclusively or in conjunction with others performing other work as part of the Project. The extent of the Project site is shown on the Drawings and may or may not be identical with the description of the land on which the Project is to be built.
- K. Testing Laboratories: A "testing laboratory" is an independent entity engaged to perform specific inspections or tests, either at the Project Site or elsewhere, and to report on and, if required, to interpret results of those inspection or tests.

1.3 SPECIFICATION FORMAT AND CONTENT EXPLANATION

- A. Specification Format: These Specifications are organized into Divisions and Sections based on the Construction Specifications Institute's 16-Division format and MASTER FORMAT numbering system.
- B. Specification Content: This specification uses certain conventions in the use of language and the intended meaning of certain terms, words, and phrases when used in particular situations or circumstances. These conventions are explained as follows:
  1. Abbreviated Language: Language used in Specifications and other Contract Documents is the abbreviated type. Words and meanings shall be interpreted as appropriate. Words that are implied, but not stated shall be interpolated as the sense required. Singular words will be interpreted as plural and plural words interpreted as singular where applicable and the context of the Contract Documents so indicates.
  2. Imperative and streamlined language is used generally in the Specifications. Requirements expressed in the imperative mood are to

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

be performed by the Contractor. At certain locations in the text, for clarity, subjective language is used to describe responsibilities that must be fulfilled indirectly by the Contractor, or by others when so noted.

- a. The words "shall be" shall be included by inference wherever a colon (:) is used within a sentence or phrase.

#### 1.4 INDUSTRY STANDARDS

- A. **Applicability of Standards:** Except where the Contract Documents include more stringent requirements, applicable construction industry standards have the same force and effect as if bound or copied directly into the Contract Documents to the extent referenced. Such standards are made a part of the Contract Documents by reference.
- B. **Publication Dates:** Comply with the standard in effect as of the date of the Contract Documents.
- C. **Conflicting Requirements:** Where compliance with two or more standards is specified, and the standards may establish different or conflicting requirements for minimum quantities or quality levels. Refer requirements that are different, but apparently equal, and uncertainties to Sustainability / Projects Director for a decision before proceeding.
  1. **Minimum Quantity or Quality Levels:** The quantity or quality level shown or specified shall be the minimum provided or performed. The actual installation may comply exactly with the minimum quantity or quality specified, or it may exceed the minimum within reasonable limits. In complying with these requirements, indicated numeric values are minimum or maximum, as appropriate for the context of the requirements. Refer uncertainties to AMEC/Engineer for a decision before proceeding.
- D. **Copies of Standards:** Each entity engaged in construction on the Project is required to be familiar with industry standards applicable to that entity's construction activity. Copies of applicable standards are not bound with the Contract Documents.
  1. Where copies of standards are needed for performance of a required construction activity, the Contractor shall obtain copies directly from the publications source.
- E. **Abbreviations and Names:** Trade association names and titles of general standards are frequently abbreviated. Where such acronyms or abbreviations are used in the Specifications or other Contract Documents, they mean the recognized name of the trade association, standards generating organization, authority having jurisdiction, or other entity applicable to the context of the text provision. Refer to the "Encyclopedia of Associations", published by Gale Research Co., available in most libraries.
- F. **Abbreviations and Names:** Trade association names and titles of general standards are frequently abbreviated. The following abbreviations and acronyms, as referenced in the Contract Documents, mean the associated names. Names and addresses are subject to change and are believed, but are

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

not assured, to be accurate and up-to-date as of the date of the Contract Documents.

Washington, DC 20210

**END SECTION 01421**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01500 - TEMPORARY FACILITIES**

**PART 1 – GENERAL**

**1.1 DESCRIPTION**

- A. Work included: Provide temporary facilities needed for the Work including, but not necessarily limited to:
  - 1. Temporary utilities such as water, electricity, and telephone.
  - 2. Field office for the Contractor's personnel.
  - 3. Sanitary facilities.
  - 4. Enclosures such as tarpaulins, barricades, and canopies.
  - 5. Temporary fencing of the construction site as required for public and employee safety.
  - 6. Project sign.
  
- B. Related Work:
  - 1. Documents affecting work of this Section include, but are not necessarily limited to Supplementary Conditions, and Sections in Division 1 of these Specifications.

**1.2 PRODUCT HANDLING**

- A. Maintain temporary facilities and controls in proper and safe condition throughout progress of the Work.

**PART 2 - PRODUCTS**

**2.1 FIELD OFFICES AND SHEDS**

- A. Contractor's facilities:
  - 1. Not Applicable
  
- B. Sanitary facilities:
  - 1. Provide temporary sanitary facilities in the quantity required for use by all personnel.
  - 2. Maintain in a sanitary condition at all times.

**2.2 ENCLOSURES**

- A. Provide and maintain for the duration of construction all scaffolds, tarpaulins, canopies, warning signs, steps, platforms, bridges, and other temporary construction necessary for proper completion of the Work in compliance with pertinent safety and other regulations.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- B. Upon completion of the Work, remove job signs.
- C. Except as otherwise specifically approved by the Owner, do not permit other signs or advertising on the job site.

2.3 TEMPORARY FENCING

- A. Provide and maintain for the duration of construction a temporary fence or barricade of design and type needed to prevent entry onto the Work by the public.

2.4 PROJECT SIGNS:

- A. Prior to start of construction, mount a project sign on a 4'x8' sheet of plywood. Securely fasten the sign to the building or posts set in the ground as approved by Sustainability / Projects Director. A design provided by, or approved by Sustainability / Projects Director will include, but not necessarily be limited to: the project name; the Owner's name; major tenant's names; the Contractor's name, address, and telephone number, and the Engineer's name, address, and telephone number.

PART 3 – EXECUTION

3.1 MAINTENANCE AND REMOVAL

- A. Maintain temporary facilities and controls as long as needed for safe and proper completion of the Work.
- B. Remove such temporary facilities, to include existing mobile home, and controls as rapidly as progress of the Work will permit, or as directed by the Owner.

**END SECTION 01500**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01520 - CONSTRUCTION AIDS**

**PART 1 - GENERAL**

**1.1 SUMMARY**

- A. Section includes:
1. Construction aids
  2. Temporary enclosures

**1.2 REQUIREMENTS OF REGULATORY AGENCIES**

- B. Comply with Federal, State and local codes and regulations.

**PART 2 - PRODUCTS**

**2.1 MATERIALS - GENERAL**

- A. Materials may be new or used, suitable for the intended use and shall not violate requirements of applicable codes and standards.

**2.2 CONSTRUCTION AIDS**

- A. The Contractor shall be responsible for furnishing, installing, maintaining, and removing on completion of the Work all scaffolds, staging, ladders, stairs, ramps, runways, platforms, railings, chutes, and other such facilities and equipment required by his personnel to insure their safety and facilitate the execution of the Work.
1. The Contractor shall comply with all Federal, State and local codes, laws and regulations governing such construction aids.
  2. The Contractor shall relocate such construction aids as required by the progress of construction, by storage or work requirements, and to accommodate the legitimate requirements of the Owner or AMEC/Engineer or other separate contractors employed at the site.
  3. The Contractor shall completely remove temporary scaffolds, access, platforms, and other such materials, facilities, and equipment, at the completion of the Work or when construction needs can be met by the use of the permanent construction, provided AMEC/Engineer has approved and authorized such use. The Contractor shall clean up and shall repair any damage caused by the installation or by the use of such temporary construction aids. The Contractor shall restore any permanent facilities used for temporary purposes to their specified condition.

The foregoing obligations of the Contractor are in addition to his obligations under Article 10 of the General Conditions.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

2.3 TEMPORARY ENCLOSURES

- A. The Contractor shall be responsible for installing the permanent closure in an opening in an exterior wall and shall be responsible for installing, maintaining, and removing, as the Work progresses, a temporary weather-tight enclosure for that opening as necessary to provide acceptable working conditions, to provide weather protection for interior materials, to allow for effective temporary heating and/or cooling, and to prevent entry of unauthorized persons.
1. The Contractor shall install such temporary enclosures as soon as is practical after the opening is constructed or as directed by AMEC/Engineer.
  2. Temporary enclosures shall be removable as necessary for the Work and for handling of materials.
  3. Temporary enclosures shall be completely removed when construction needs can be met by the use of the permanent closures.
  4. The Contractor responsible for providing, maintaining, and removing the temporary enclosure shall clean and shall repair any damage caused by the installation of such enclosure.
  5. The Contractor shall remain responsible for insuring that his work, material, equipment, supplies, tools, machinery, and construction equipment is adequately protected from damage or theft and shall provide, maintain and remove such additional temporary enclosures as may be deemed necessary.

The foregoing obligations of the Contractor are in addition to his obligations under Article 10 of the General Conditions.

**END SECTION 01520**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01550 - ACCESS ROADS AND PARKING AREAS**

- A. The Contractor shall be responsible for installing and maintaining, until the completion of his Work any temporary access roads or parking facilities required by his Work, other than that which has been provided or required by the Owner. The Contractor shall remove temporary access roads and parking facilities and restore the areas to original or required grades.
- B. Any Contractor excavating across an access road or parking area shall back-fill and compact his excavation and resurface the road or parking area to match the existing surface. The Contractor shall comply with all applicable Specifications when so doing.

**END SECTION 01550**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01560 - TEMPORARY CONTROLS**

**PART 1 - GENERAL**

**1.1 SUMMARY OF WORK BY THE CONTRACTOR**

**A. Section Includes:**

1. Water control
2. Dust control
3. Erosion and sediment control
4. Pollution control

**B. Related sections:**

1. SCOPES OF WORK

**1.2 WATER CONTROL**

**A. Contractor shall grade site to drain.**

**B. Protect site from puddling or running water. Provide water barriers to protect site from soil erosion. Maintain excavations free of water. Provide, operate, and maintain pumping equipment.**

**1.3 DUST CONTROL**

**A. Execute the Work by methods to minimize raising dust from construction operations.**

**B. Provide positive means to prevent airborne dust from dispersing into atmosphere.**

**1.4 EROSION AND SEDIMENT CONTROL**

**A. Plan and execute construction by methods to control surface drainage from cuts and fills, from borrow and waste disposal areas. Prevent erosion and sedimentation.**

**B. Minimize amount of bare soil exposed at one time.**

**C. Provide temporary measures such as berms, dikes, and drains, to prevent water flow.**

**D. Construct fill and waste areas by selective placement to avoid erosive surface silts or clays.**

**E. Inspect earthwork to detect evidence of erosion and sedimentation; promptly apply corrective measures.**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1.5 POLLUTION CONTROL

- A. Provide methods, means, and facilities to prevent contamination of soil, water, and atmosphere from discharge of noxious, toxic substances, and pollutants produced by construction operations.

**END SECTION 01560**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01590 - FIELD OFFICES AND SHEDS**

- A. The Contractor shall furnish, install, and maintain a temporary field office if required by Sustainability / Projects Director and AMEC/Engineer for his use, the use of his employees, and the use AMEC/Engineer during the construction period. The location of the Field Office shall be determined by Sustainability / Projects Director and AMEC/Engineer.
- B. The Contractor shall furnish, install, and maintain temporary storage and work sheds to adequately protect his work, materials, equipment, supplies, tools, machinery, and construction equipment from damage and theft.
- C. The Contractor shall arrange his field office and sheds so as not to interfere with the construction. The locations of field offices and sheds shall be coordinated with Sustainability / Projects Director and AMEC/Engineer. The type, size and location of field offices and sheds are subject to approval by Sustainability / Projects Director and AMEC/Engineer.
- D. The Contractor shall arrange and pay for temporary electricity and telephone service for his field office and sheds, if he should require such services.
- E. The Contractor shall relocate his field office and sheds as directed by Sustainability / Projects Director, at no additional cost to the Owner.
- F. The Contractor shall remove his field office and sheds on completion of the Work or when directed by Sustainability / Projects Director and AMEC/Engineer. The Contractor shall remove all debris and rubbish and shall leave the area in a clean and orderly condition.

**END SECTION 01590**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01595 - CONSTRUCTION CLEANING**

**PART 1 - GENERAL**

**1.1 SUMMARY OF WORK PERFORMED BY THE CONTRACTOR**

- A. Section includes:
1. Cleaning during progress of work.

**1.2 DISPOSAL REQUIREMENTS**

- A. Conduct cleaning and disposal operations to comply with codes, ordinances, regulations, and anti-pollution laws.
1. Do not burn or bury rubbish and waste materials on Project Site.
  2. Do not dispose of volatile wastes such as mineral spirits, oil or paint thinner in storm or sanitary drains.

**PART 2 - PRODUCTS**

**2.1 MATERIALS**

- A. Use only those cleaning materials which will not create hazards to health or property and which will not damage surfaces.
- B. Use only those cleaning materials and methods recommended by manufacturer of the surface material to be cleaned.
- C. Use cleaning materials only on surfaces recommended by cleaning material manufacturer.
- D. Sweeping compounds used in cleaning operations shall leave no residue on concrete floor surfaces that may affect installation of finish flooring materials.

**PART 3 - EXECUTION**

**3.1 DURING CONSTRUCTION**

- A. Execute cleaning to keep the Work, the Site and adjacent properties free from accumulations of waste materials, rubbish and windblown debris, resulting from construction operations.
- B. Provide on-site containers for the collection of waste materials, debris, and rubbish.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- C. Dispose of waste materials, debris and rubbish off site at a state permitted disposal site.
- D. Trash containers shall be provided by Contractor and located in trash accumulation areas designated by AMEC/Engineer. Contractor each day shall collect and deposit in the containers, all rubbish, waste materials, debris, and other trash from his operations, including any trash generated by his employees during lunch periods or coffee breaks. Shipping dunnage is also to be removed by the contractor. Paper, boxes and bulk packaging shall be folded or cut into reasonable sizes and shapes as appropriate and confined to prevent loss of trash due to wind relocation. Full trash containers shall be disposed and replaced as necessary to maintain above requirements and/or as directed by AMEC/Engineer. Contractor shall use properly licensed solid waste hauling vendors, licensed to operate in Monroe County.

**END SECTION 01595**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01600 - MATERIAL AND EQUIPMENT**

PART 1 - GENERAL

1.1 SUMMARY OF WORK PERFORMED BY THE CONTRACTOR

- A. Section includes:
1. Products
  2. Transportation and handling
  3. Storage and protection
  4. Security

1.2 PRODUCTS

- A. Products: means new material, machinery, components, equipment, fixtures, and systems forming the Work. Products do not include machinery and equipment used for preparation, fabrication, conveying and erection of the Work. Products may also include existing materials or components required for reuse.
- B. Do not use materials and equipment removed from existing premises, except as specifically permitted by the Contract Documents.
- C. Provide interchangeable components of the same manufacturer, for similar components.

1.3 TRANSPORTATION AND HANDLING

- A. The Contractor shall be responsible for the transportation of all materials and equipment furnished under this contract. Unless otherwise noted, the Contractor shall also be responsible for loading, receiving and off-loading at the site all material and equipment installed under this Contract, whether furnished by the Contractor or the Owner. The Contractor shall be responsible for coordinating the installation within the buildings of equipment that is too large to pass through finished openings.
- B. Transport and handle products in accordance with manufacturer's instructions.
- C. Promptly inspect shipments to assure that products comply with requirements, quantities are correct, and products are undamaged.
- D. Provide equipment and personnel to handle products by methods to prevent soiling, disfigurement, or damage.

1.4 STORAGE AND PROTECTION

The Contractor shall be responsible for the proper storage of all materials, supplies, and equipment to be installed under this Contract. Materials stored on

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

site but not adequately protected will not be included in estimates for payment. Except for materials stored within designated and approved storage sheds, vans, or trailers, the Contractor shall not bring onto nor store in any manner at the site any materials and equipment which will not be incorporated into the permanent Work within seven (7) days from the delivery date. The Contractor shall be responsible for arranging and paying for the use of property off the site for storage of materials and equipment as may be required.

1.5 SECURITY

- A. The Contractor shall be totally responsible for the security of his work, materials, equipment, supplies, tools, machinery, and construction equipment.

**END SECTION 01600**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01630 - POST-CONTRACT SUBSTITUTIONS**

PART 1 - GENERAL

1.1 SUMMARY

A. Section includes:

1. Post-proposal substitutions

1.2 SUBSTITUTIONS

A. Base Proposal shall be in accordance with the Contract Documents.

B. After the end of the proposal period, substitution requests, from the successful Proposer, will be considered only in the case of:

1. Product unavailability.
2. Other conditions beyond the control of the Contractor.

C. Submit a separate request for each substitution. Support each request with the following information:

1. Complete data substantiating compliance of proposed substitution with requirements stated in Contract Documents:
  - a. Product identification, including manufacturer's name and address.
  - b. Manufacturer's literature, identifying:
    - 1) Product description.
    - 2) Reference standards.
    - 3) Performance and test data.
  - c. Samples, as applicable.
  - d. Name and address of similar projects on which product has been used and date of each installation.
2. Itemized comparison of the proposed substitution with product specified, listing significant variations.
3. Data relating to changes in construction schedule.
4. Effects of substitution on separate contracts.
5. List of changes required in other work or products.
6. Accurate cost data comparing proposed substitution with product specified.
  - a. Amount of net change to Contract Sum.
7. Designation of required license fees or royalties.
8. Designation of availability of maintenance services, sources of replacement materials.

D. Substitutions will not be considered for acceptance when:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

1. A substitution is indicated or implied on shop drawings or product data submittals without a formal request from Proposer.
  2. Acceptance will require substantial revision of Contract Documents.
  3. In judgment of AMEC/Engineer the substitution request does not include adequate information necessary for a complete evaluation.
  4. Requested directly by a subcontractor or supplier.
- E. Do not order or install substitute products without written acceptance of AMEC/Engineer.
- F. AMEC/Engineer will determine acceptability of proposed substitutions.
- G. No verbal or written approvals other than by Change Order will be valid.

1.3 CONTRACTOR'S REPRESENTATION

- A. In making formal request for substitution the Contractor represents that:
1. The proposed product has been investigated and it has been determined that it is equivalent to or superior in all respects to the product specified.
  2. The same warranties or bonds will be provided for the substitute product as for the product specified.
  3. Coordination and installation of the accepted substitution into the Work will be accomplished and changes as may be required for the Work to be complete will be accomplished.
  4. Claims for additional costs caused by substitution which may subsequently become apparent will be waived by the Contractor.
  5. Complete cost data is attached and includes related costs under the Contract, but not:
    - a. Costs under separate contracts.
    - b. Sustainability / Projects Director's costs for redesign or revision of Contract Documents.

1.4 POST-PROPOSAL SUBSTITUTION FORM

- A. The form is attached to this section.
- B. Substitutions will be considered only when the attached form is completed and included with the submittal with back-up data.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

**POST-PROPOSAL SUBSTITUTION FORM**  
TO: AMEC/Engineer

We hereby submit for your consideration the following product instead of the specified item for the above project:

DRAWING NO: \_\_\_\_\_ DRAWING NAME: \_\_\_\_\_

| SPEC. SEC. | SPEC. NAME | PARAGRAPH | SPECIFIED ITEM |
|------------|------------|-----------|----------------|
| _____      | _____      | _____     | _____          |

Proposed Substitution: \_\_\_\_\_

Attach complete information on changes to Drawings and/or Specifications which proposed substitution will require for its proper installation.

Submit with request necessary samples and substantiating data to prove equal quality and performance to that which is specified. Clearly mark manufacturer's literature to indicate equality in performance.

The undersigned certifies that the function, appearance and quality are of equal performance and assumes liability for equal performance, equal design and compatibility with adjacent materials.

Submitted By:

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Fill in Blanks Below:

- A. Does the substitution affect dimensions shown on Drawings?  
Yes \_\_\_\_\_ No \_\_\_\_\_ If yes, clearly indicate changes: \_\_\_\_\_  
\_\_\_\_\_
- B. Will the undersigned pay for changes to the building design, including engineering and detailing costs caused by the requested substitution?  
Yes \_\_\_\_\_ No \_\_\_\_\_ If no, fully explain: \_\_\_\_\_  
\_\_\_\_\_
- C. What effect does substitution have on other Contracts or other trades?  
\_\_\_\_\_
- D. What effect does substitution have on construction schedule?  
\_\_\_\_\_
- E. Manufacturer's warranties of the proposed and specified items are:  
\_\_\_\_\_ Same \_\_\_\_\_ Different. Explain: \_\_\_\_\_  
\_\_\_\_\_
- F. Reason for Request:  
\_\_\_\_\_
- G. Itemized comparison of specified Item(s) with the proposed substitution; list significant variations:  
\_\_\_\_\_
- H. This substitution will amount to a credit or extra cost to the Owner of: \_\_\_\_\_  
\_\_\_\_\_ dollars (\$\_\_\_\_\_).
- I. Designation of maintenance services and sources:  
\_\_\_\_\_

(Attach additional sheets if required.)

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01640 - PRODUCT HANDLING**

PART I--GENERAL

- 1.1 DESCRIPTION: THE CONTRACTOR SHALL BE RESPONSIBLE FOR
- A. Work included. Protect products scheduled for use in the Work by means including, but not necessarily limited to, those described in this Section.
  - B. Related work:
    - 1. Documents affecting work of this Section include, but are not necessarily limited to, General Conditions, Supplementary Conditions, and Sections in Division of these Technical Special Provisions.
    - 2. Additional procedures also may be prescribed in other Sections of these Technical Special Provisions.
- 1.2 QUALITY ASSURANCE
- A. Include within the Contractor's quality assurance program such procedures as are required to assure full protection of work and materials.
- 1.3 MANUFACTURERS' RECOMMENDATIONS
- A. Except as otherwise approved by Sustainability / Projects Director, determine and comply with manufacturers' recommendations on product handling, storage, and protection.
- 1.4 PACKAGING
- A. Deliver products to the job site in their manufacturer's original container, with labels intact and legible.
    - 1. Maintain packaged materials with seals unbroken and labels intact until time of use.
    - 2. Promptly remove damaged material and unsuitable items from the job site, and promptly replace with material meeting the specified requirements, at no additional cost to the Owner.
  - B. AMEC/Engineer may reject as non-complying such material and products that do not bear identification satisfactory to AMEC/Engineer as to manufacturer, grade, quality, and other pertinent information.
- 1.5 PROTECTION
- A. Protect finished surfaces through which equipment and materials are handled.

**CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL**

- B. Provide protection for finished floor surfaces in traffic area prior to allowing equipment or materials to be moved over such surfaces.
- C. Maintain finished surfaces clean, unmarred, and suitably protected until accepted by the Owner.

**1.6 REPAIRS AND REPLACEMENTS**

- A. In event of damage, promptly make replacements and repairs to the approval of AMEC/Engineer and at no additional cost to the Owner.
- B. Additional time required to secure replacements and to make repairs will not be considered by AMEC/Engineer and Sustainability / Projects Director to justify an extension in Contract Time of Completion.

**END SECTION 01640**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01700 - CONTRACT CLOSEOUT**

**PART 1 – GENERAL**

**1.1 PROJECT TERMINATION**

- A. The Contract requirements are met when construction activities have successfully produced, in this order, these three terminal activities:
1. Substantial Completion
  2. Final Completion
  3. Final Payment

**1.2 NOTICE OF SUBSTANTIAL COMPLETION**

- A. Contractor shall submit to AMEC/Engineer when work is substantially complete:
1. A written notice that the Work, or designated portion thereof, is substantially complete.
  2. Request Substantial Completion Observation at a mutually agreeable date.
  3. Certifications of systems and testing/balancing final reports.
  4. Submit evidence of compliance with requirements of governing authorities:
    - a. Certificate of Occupancy (or Completion)
    - b. Certificates of Inspection as applicable:
      - 1) Electrical systems if required by Code
- B. Within a reasonable time after receipt of such notice, the Owner and the Contractor will make an observation to determine the status of completion.
- C. Should the Owner determine that the work is not substantially complete, the following will occur:
1. The Owner will promptly notify the Contractor in writing, giving the reasons.
  2. The Contractor shall remedy the deficiencies in the Work, and send a second written notice of substantial completion to the Owner.
  3. The Owner will re-observe the Work.
- D. When the Owner concurs that the Work is substantially complete, the following will occur:
1. AMEC/Engineer will prepare a Certificate of Substantial Completion accompanied by the Punch List of items to be completed or corrected, as verified and amended by Sustainability

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- / Projects Director. Contract responsibilities are not altered by inclusion or omission of required Work from the punch list.
2. The Owner will submit the certificate to the contractor for written acceptance of the responsibilities assigned to them in the certificate.
- E. Contractor shall complete or correct items identified on the punch list and required by the Contract requirements within time limit established by the certificate.

1.3 FINAL COMPLETION

- A. To attain final completion, the Contractor shall complete activities pertaining to substantial completion, complete Work on punch list items and submit written request to the Owner for final inspection within thirty (30) calendar days of date of substantial completion.
- B. When the Work is complete, the Contractor shall submit written certification that:
1. The Contract Documents have been reviewed.
  2. Work has been inspected for compliance with the Contract Documents.
  3. Work has been completed in accordance with the Contract Documents.
  4. Equipment and systems have been tested in the presence of the Owner's representative and are operational.
  5. Work is completed and ready for final observation.
- C. The Owner and the Contractor will make an inspection to verify the status of completion with reasonable promptness after receipt of such certification.
- D. Should the Owner consider that the Work is incomplete or defective:
1. The Owner will promptly notify the Contractor in writing, listing the incomplete or defective work.
  2. The Contractor shall take immediate steps to remedy the stated deficiencies and send a second written certification to the Owner that the Work is complete.
  3. The Owner will re-inspect the Work.
- E. When the Work is acceptable under the Contract Documents as determined by the Owner, the Owner will request the Contractor to make close-out submittals. Warranties & Guarantees for everything will begin at Substantial Completion.

1.4 THE CONTRACTOR'S CLOSEOUT SUBMITTALS TO THE OWNER

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

Contractor shall provide two (2) hard copies in tabulated divided binders and one (1) saved electronically tabbed and indexed in Adobe Acrobat file (.PDF) format delivered on a downloadable CD/DVD or flash drive of the all the following but not limited to:

- A. Project Record Documents (As Built Documents).
- B. Operating and maintenance data, instructions to the Owner's personnel.
- C. Warranties, bond and guarantees.
- D. Keys and keying schedule.
- E. Spare parts and maintenance materials.
- F. Electronic copies of approved submittals
- G. Evidence of payment and final release of liens and consent of surety to final release (includes final release from all utilities and utility companies).

1.5 FINAL ADJUSTMENT OF ACCOUNTS

- A. Submit a final statement of accounting to the Owner.
- B. Statement shall reflect adjustments to the Contract Sum:
  - 1. The original Contract Sum
  - 2. Additions and deductions resulting from:
    - a. Previous Change Orders
    - b. Allowances
    - c. Deductions for uncorrected Work
    - d. Deductions for Liquidated Damages
    - e. Deductions for Re-inspection Payments
    - f. Other Adjustments
- C. The Owner will prepare a final Change Order, reflecting adjustments to the Contract Sum which were not previously made by Change Orders.

1.6 FINAL APPLICATION FOR PAYMENT

- A. The Contractor shall submit the final Application for Payment in accordance with procedures and requirements stated in the Conditions of the Contract.

**END SECTION 01700**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01710 - FINAL CLEANING**

**PART 1 - GENERAL**

**1.1 SUMMARY**

- A. Section includes:  
1. Contractor's cleaning at completion of Work

**1.2 DISPOSAL REQUIREMENTS**

- A. Conduct cleaning and disposal operations to comply with codes, ordinances, regulations, and anti-pollution laws.  
1. Do not burn or bury rubbish and waste materials on the Project Site.  
2. Do not dispose of volatile wastes such as mineral spirits, oil or paint thinner in storm or sanitary drains.

**PART 2 - PRODUCTS**

**2.1 MATERIALS**

- A. Use only those cleaning materials which will not create hazards to health or property and which will not damage surfaces.  
B. Use only those cleaning materials and methods recommended by manufacturer on the surface material to be cleaned.  
C. Use cleaning materials only on surfaces recommended by cleaning material manufacturer.

**PART 3 - EXECUTION**

**3.1 DUST CONTROL**

- A. Handle materials in a controlled manner with as little handling as possible.

**3.2 FINAL CLEANING**

- A. Employ skilled workmen for final cleaning.  
B. Remove grease, mastic, adhesives, dust, dirt, stains, fingerprints, labels, and other foreign materials from sight-exposed interior and exterior surfaces.  
C. Polish glossy surfaces to a clear shine.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- D. Broom clean exterior paved surfaces; rake clean other surfaces of the grounds.
- E. Prior to final completion, or the Owner occupancy, conduct an inspection of sight-exposed interior surfaces, exterior surfaces and work areas, to verify that the entire Work is clean.
- F. Clean tunnels and closed off spaces of packing boxes, wood frame members and other waste materials used in the Construction.
- G. Remove temporary labels and stickers from fixtures and equipment. Do not remove permanent name plates, equipment model numbers and ratings.
- H. Remove from the Site all items installed or used for temporary purposes during construction.
- I. Restore all adjoining areas to their original or specified condition.

**END SECTION 01710**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01720 - PROJECT RECORD DOCUMENTS**

PART 1 - GENERAL

1.1 SUMMARY

A. Contractor shall:

1. Maintain at the job site one copy of:
  - a. Record Contract Drawings
  - b. Record Project Manual
  - c. Coordination drawings
  - d. Addenda
  - e. Reviewed shop drawings
  - f. Change Orders
  - g. Other modifications to the Contract
  - h. Field test records

1.2 GENERAL

- A. Store documents in cabinets in temporary field office, apart from documents used for construction.
- B. Maintain documents in clean, dry, legible condition.
- C. Do not use Project Record Documents for construction purposes.
- D. Make documents available for inspection by AMEC/Engineer.
- E. Failure to maintain documents up-to-date will be cause for withholding payments.
- F. Obtain from Sustainability / Projects Director (at no charge) two sets of the Contract Documents for Project Record Documents including:
  1. Specifications with all addenda.
  2. Two complete sets of black-line prints of all Drawings.

1.3 RECORDING

- A. Label each document "Project Record".
- B. Keep record documents current.
- C. Do not permanently conceal any work until required information has been recorded.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

D. Contract Drawings:

1. Required information may, as an option, be entered on a "working set" and then at completion of Project transfer the information to final submitted "Project Record" set.
2. Legibly mark to record actual construction:
  - a. Depths of various elements of foundation in relation to survey data.
  - b. Horizontal and vertical location of underground utilities and appurtenances referenced to permanent surface improvements.
  - c. Location of Internal utilities and appurtenances concealed in construction referenced to visible and accessible features of structure.
  - d. Field changes of dimension and detail.
  - e. Changes made by Change Order or Construction Change Directive.
  - f. Details not on original Contract Drawings.

E. Specifications and Addenda:

1. Legibly mark up each Section to record:
  - a. Manufacturer, trade name, catalog number and supplier of each product and item of equipment actually installed.
  - b. Changes made by Change Order or Construction Change Directive.
  - c. Other items not originally specified.

F. Conversion of schematic layouts:

1. Arrangement of conduits, circuits, piping, ducts and similar items are in most cases shown schematically on the Drawings.
2. Legibly mark to record actual construction:
  - a. Dimensions accurate to within 1" on the centerline of items shown schematically.
  - b. Identify each item, for example, "cast iron drain" "galvanized water".
  - c. Identify location of each item, for example, "under slab", "in ceiling plenum", "exposed".
3. AMEC/Engineer may waive requirements of schematic layout conversion, when in his opinion, it serves no beneficial purpose. Do not, however, rely on waivers being issued except when specifically issued by AMEC/Engineer in writing.

1.4 SUBMITTAL

- A. At completion of Project, deliver Project Record Documents to AMEC/Engineer prior to request for final payment.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL  
#277 TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- B. Accompany submittal with transmittal letter, in duplicate, containing:
1. Date
  2. Project title and Project number
  3. The Contractor's name and address
  4. Title and number of each record document
  5. Certification that each document as submitted is complete and accurate.
  6. Signature of the Contractor, or his authorized representative.

**END SECTION 01720**

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

**SECTION 01730 - OPERATION AND MAINTENANCE DATA**

PART 1 – GENERAL - Not Applicable

**END SECTION 01730**

**SECTION 01740 - WARRANTIES**

**PART 1 – GENERAL**

**1.1 RELATED DOCUMENTS**

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and other Specification Sections, apply to this Section.

**1.2 SUMMARY**

- A. This Section includes administrative and procedural requirements for the Contractor for warranties required by the Contract Documents, including manufacturer's standard warranties on products and special warranties.
  - 1. Refer to the General Conditions for terms of the Contractor's period for correction of the Work.
- B. Related Sections: Not Applicable
- C. Disclaimers and Limitations: Manufacturer's disclaimers and limitations on product warranties do not relieve the Contractor or the warranty on the Work that incorporates the products. Manufacturer's disclaimers and limitations on product warranties do not relieve suppliers, manufacturers, and subcontractors required to countersign special warranties with the Contractor.
- D. Separate Prime Contracts: Each prime contractor is responsible for warranties related to its own contract.

**1.3 DEFINITIONS**

- A. Standard products warranties are preprinted written warranties published by individual manufacturers for particular products and are specifically endorsed by the manufacturer to the Owner.
- B. Special warranties are written warranties required by or incorporated in the Contract Documents, either to extend limits provided by standard warranties or to provide greater rights for the Owner.

**1.4 WARRANTY REQUIREMENTS**

- A. Related Damages and Losses: When correcting failed or damaged warranted construction, remove and replace construction that has been damaged as a result of such failure or must be removed and replaced to provide access for correction of warranted construction.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- B. Reinstatement of Warranty: When Work covered by a warranty has failed and been corrected by replacement or rebuilding; reinstate the warranty by written endorsement. The reinstated warranty shall be equal to the original warranty with an equitable adjustment for depreciation.
- C. Replacement Cost: Upon determination that Work covered by a warranty has failed, replace or rebuild the Work to an acceptable condition complying with requirements of the Contract Documents. The Contractor is responsible for the cost of replacing or rebuilding defective Work regardless of whether the Owner has benefited from use of the Work through a portion of its anticipated useful service life.
- D. Owner's Recourse: Expressed warranties made to the Owner are in addition to implied warranties and shall not limit the duties, obligations, rights, and remedies otherwise available under the law. Expressed warranty periods shall not be interpreted as limitations on the time in which the Owner can enforce such other duties, obligations, rights or remedies.
- E. Where the Contract Documents require a special warranty, or similar commitment on the Work or part of the Work, the Owner reserves the right to refuse to accept the Work, until the Contractor presents evidence that entities required to countersign such commitments are willing to do so.

1.5 SUBMITTALS

- A. Submit written warranties to Sustainability Program Manager prior to the date certified for Substantial Completion. If the Sustainability Program Manager's Certificate of Substantial Completion designates a commencement date for warranties other than the date of Substantial Completion for the Work, or a designated portion of the Work, submit written warranties upon request of Sustainability Program Manager.
- B. When the Contract Documents require the Contractor, or the Contractor and a subcontractor or supplies manufacturer to execute a special warranty, prepare a written document that contains appropriate terms and identification, ready for execution by the required parties. Submit a draft to the Owner, through Project Management, for approval prior to final execution..
- C. Form of Submittal: At Final Completion compile 2 copies of each required warranty properly executed by the Contractor, or by the Contractor, subcontractor, supplier, or manufacturer. Organize the warranty documents into an orderly sequence.
- D. Bind warranties and bonds in heavy-duty, commercial-quality, durable 3-ring, vinyl-covered loose-leaf binders, thickness as necessary to accommodate contents, and sized to receive 8 ½ x 11" (115-by-280-mm) paper.
  - 1. Provide heavy paper dividers with celluloid covered tabs for each separate warranty. Mark the tab to identify the product or installation.

CULVERT INSTALLATION, WATER QUALITY IMPROVEMENT PROJECT, CANAL #277  
TROPICAL BAY ESTATES, BIG PINE KEY, MONROE COUNTY, FL

- Provide a typed description of the product or installation, including the name of the product, and the name, address, and telephone number of the installer.
2. Identify each binder on the front and spine with the typed or printed title "WARRANTIES", Project title or name, and name of the Contractor.
  3. When warranted construction requires operation and maintenance manuals, provide additional copies of each required warranty, as necessary, for inclusion in each required manual.
  4. Provide one complete electronic copy on CD/DVD
  5. Warranties will be submitted with the final project closure package

**AMENDMENT 1 TO AGREEMENT FOR PROFESSIONAL SERVICES**

This Amendment 1 to the Agreement for Professional Services is made and entered into this 20 day of October, 2015 between Monroe County ("County"), a political subdivision of the State of Florida, and Eric N. Udell ("Consultant") for expert server, storage, and IT consulting services.

**WHEREAS**, the County and Consultant entered into an agreement for professional services on November 18<sup>th</sup>, 2014 for a term of one (1) year with an effective date of December 6, 2014; and

**WHEREAS**, the County and Consultant desire to extend the agreement for professional services for an additional one (1) year period; and

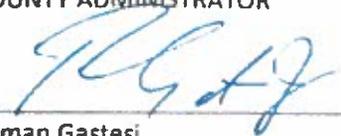

**WHEREAS**, the annual amount of the contract \$48,000.00 and thus within the County Administrator's signatory authority of \$50,000.00;

**NOW THEREFORE**, COUNTY AND CONSULTANT in consideration of the mutual covenants contained herein, agree as follows:

1. SECTION IV. PERIOD OF SERVICE shall be amended to extend the period of service for one (1) additional year to December 6, 2016.
2. All other terms and conditions of the Agreement remain in effect and unchanged.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment to the Agreement as of the date first written above.

## **AGREEMENT FOR PROFESSIONAL SERVICES**

**THIS AGREEMENT**, with agreement # EU2014-001 and an effective date of 12/6/14, is made as of this 18th day of November, 2014, between Monroe County ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040 and Eric N. Udell ("CONSULTANT"), whose address is 263 Ships Way, Big Pine Key, Florida 33043, for expert server, storage and IT consulting services.

**WHEREAS**, CONSULTANT was the Server Administrator for Monroe County for 2 years until December 5th, 2014, and a Senior Systems Analyst for 6 1/2 years prior thereto, and has specific knowledge which the COUNTY may need in connection with Information Technology (IT) systems including applications, servers and storage systems (SANs) which are operated by the COUNTY, and other items of importance to Monroe County; and

**WHEREAS**, COUNTY desires to engage CONSULTANT to provide consulting services in matters where his experience and knowledge of County IT infrastructure will provide significant assistance to the Director of Information Technology and IT staff in carrying out their responsibilities to and representation of Monroe County; and

**WHEREAS**, CONSULTANT desires to render these Services as described in SECTION I, Scope of Services;

**NOW, THEREFORE**, COUNTY and CONSULTANT in consideration of the mutual covenants contained herein, agree as follows:

### **SECTION I. SCOPE OF SERVICES**

CONSULTANT will provide IT consulting services as requested by the Director of Information Technology or his designee or the County Administrator or his designee, and necessary related research and investigation solely on behalf of COUNTY.

### **SECTION II. COMPENSATION**

Compensation for CONSULTANT'S Services under this Agreement shall be at the rate of \$60.00 per hour, not to exceed \$48,000.00.

### **SECTION III. PAYMENT**

Payments will be made periodically, but no more frequently than monthly, in arrears, upon presentation of an invoice in accordance with the Local Government Prompt Payment Act. Consultant will NOT be reimbursed for any travel or other expenses.

Documentation of work performed shall be submitted by consultant and authorized by the COUNTY in writing with backup documentation as required by the Clerk of Court. The COUNTY's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the Board of County Commissioners and the approval of the Board members at the time of contract initiation and its duration.

If the CONSULTANT's duties or obligations are materially changed by written amendment to this Agreement after execution of this Agreement, compensation due to the CONSULTANT may be equitably adjusted, either upward or downward.

#### **SECTION IV. PERIOD OF SERVICE**

This Agreement shall become effective on December 6, 2014, provided that all parties have executed the agreement, and shall continue in effect for one year. This Agreement may be terminated by either party, with or without cause, upon thirty (30) days written notice to the other party. This Agreement may be modified or extended only in writing and if approved by the Board of County Commissioners. Any extension hereof may be subject to such changes in terms as the parties agree.

#### **SECTION V. INDEPENDENT CONTRACTOR**

At all times and for all purposes under this agreement CONSULTANT is an independent Contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed so as to find CONSULTANT or any of his employees, subs, servants, or agents to be employees of the Board of County Commissioners of Monroe County.

#### **SECTION VI. EQUIPMENT AND TOOLS**

CONSULTANT, as an independent contractor, will provide the equipment and tools necessary to perform the CONSULTANT's obligations under this agreement. The COUNTY will provide to the CONSULTANT the necessary secure remote access to its internal networks, user ids, passwords and logon credentials during the duration of this agreement.

#### **SECTION VII. HOLD HARMLESS**

COUNTY and CONSULANT acknowledge that COUNTY does not waive immunity nor does COUNTY agree to hold the CONSULTANT harmless. Furthermore, CONSULTANT covenants and agrees to indemnify and hold harmless Monroe County Board of County Commissioners from any and all claims for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, and expenses which arise out of, in connection with, or by reason of services provided by CONSULTANT occasioned by the negligence, errors, or other wrongful act of omission of CONSULTANT, its employees, or agents.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement. Failure of CONSULTANT to comply with the requirements of this section shall be cause for immediate termination of this agreement.

#### **SECTION VIII. NON-WAIVER OF IMMUNITY**

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the CONSULTANT and the COUNTY in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the COUNTY be required to contain any provision for waiver.

## **SECTION IX. MAINTENANCE OF RECORDS**

CONSULTANT shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the COUNTY or Clerk determines that monies paid to CONSULTANT pursuant to this Agreement were spent for purposes not authorized by this Agreement, the CONSULTANT shall repay the monies together with interest calculated pursuant to Sec. 55.03, FS, running from the date the monies were paid to CONSULTANT.

## **SECTION X. CONTROLLING LAW**

This Agreement is to be governed by the law of the State of Florida. Venue shall be in Monroe County.

## **SECTION XI. SEVERABILITY**

If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term or condition shall not be construed by the other party as a waiver of any subsequent breach of the same provision, term or condition.

## **SECTION XII. PUBLIC ACCESS**

The COUNTY and CONSULTANT shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the COUNTY and CONSULTANT in conjunction with this Agreement; and the COUNTY shall have the right to unilaterally cancel this Agreement upon violation of this provision by CONSULTANT.

Pursuant to F.S. 119.0701, Consultant and its subcontractors shall comply with all public records laws of the State of Florida, including but not limited to:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by Monroe County in order to perform the service.
- (b) Provide the public with access to public records on the terms and conditions that Monroe County would provide the records and at a cost that does not exceed the cost provided in Florida Statutes, Chapter 119 or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- (d) Meet all requirements for retaining public records and transfer, at no cost, to Monroe County all public records in possession of the consultant upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Monroe County in a format that is compatible with the information technology systems of Monroe County.

### **SECTION XIII. NONDISCRIMINATION**

CONSULTANT and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. CONSULTANT or COUNTY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681- 1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290cc-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 1201 Note), as maybe amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 13, Article VI, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

### **SECTION XIV. ASSIGNMENT/SUBCONTRACT**

CONSULTANT shall not assign or subcontract its obligations under this agreement to others, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County and CONSULTANT, which approval shall be subject to such conditions and provisions as the Board may deem necessary. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or sub shall comply with all of the provisions of this agreement. Unless expressly provided for therein, such approval shall in no manner or event be deemed to impose any additional obligation upon the board

### **SECTION XV. COMPLIANCE WITH LAW AND LICENSE REQUIREMENTS**

In providing all services/goods pursuant to this agreement, CONSULTANT shall abide by all statutes, ordinances, rules and regulations pertaining to, or regulating the provisions of, such services, including those now in effect and hereinafter adopted. Any violation of said statutes, ordinances, rules and regulations shall constitute a material breach of this agreement and shall entitle the Board to terminate this Agreement. CONSULTANT shall possess proper licenses to perform work in accordance with these specifications throughout the term of this Agreement. The CONSULTANT shall be registered with the

Florida Secretary of State as a sole proprietor and submit a W-9 to the COUNTY.

**SECTION XVI. NOTICE**

Any notices sent by the parties shall be deemed to have been duly served if delivered in person to the individuals and addresses listed below, or if delivered or sent by first class mail, certified, return receipt, or by courier with proof of delivery. All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the CONSULTANT. The correspondence shall be directed to:

FOR COUNTY:

Mr. Robert Ward, IT Director  
P.O. Box 1026  
Key West, Florida 33041

FOR CONSULTANT:

Eric Udell  
263 Ships Way  
Big Pine Key, Fl. 33043

## **SECTION XVII. NO THIRD PARTY BENEFICIARIES**

Nothing contained herein shall create any relationship, contractual or otherwise, with or any rights in favor of, any third party.

## **SECTION XVIII. BINDING EFFECT**

The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the COUNTY and CONSULTANT and their respective legal representatives, successors, and assigns.

## **SECTION XIX. AUTHORITY**

Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

## **SECTION XX. ADJUDICATION OF DISPUTES OR DISAGREEMENTS**

COUNTY and CONSULTANT agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. COUNTY and CONSULTANT specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

## **SECTION XXI. COVENANT OF NO INTEREST**

CONSULTANT and COUNTY covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

## **SECTION XXII. CODE OF ETHICS**

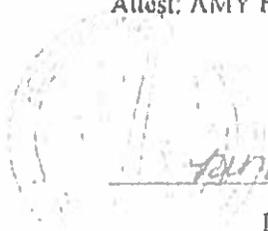

COUNTY agrees that officers and employees of the COUNTY recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

## **SECTION XXIII. EXECUTION**

This Agreement, including any exhibits included herein, constitutes the entire Agreement between CONSULTANT and COUNTY, and supersedes and controls over all prior written or oral understandings. This Agreement may be amended, supplemented or modified only by a written instrument duly executed by the parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first written above.

### Introductory Pricing

You are receiving special Introductory Pricing. Your Minimum Payment for Products identified in the Pricing Detail table below will be adjusted during the Introductory Pricing period as set forth in the Pricing Detail table, and will be different from the Minimum Payment during the balance of this Agreement. The Pricing Detail table illustrates how the Minimum Payment will be affected during the Introductory Pricing period.

Terms and Conditions

**INTRODUCTION:**

**1. NEGOTIATED CONTRACT.** The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

**GOVERNMENT TERMS:**

**2. REPRESENTATIONS & WARRANTIES.** This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Equipment) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Equipment is essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement; and (6) all payments due and to become due under this Agreement are payable from sources other than ad valorem taxes. Your payment is due within 45 days of the invoice date.

**3. FUNDING.** This provision is applicable to governmental entities only. You intend to remit and reasonably believe that moneys in an amount sufficient to remit all payments due and to become due during the Term can and will lawfully be appropriated and made available to permit your continued utilization of the Products and the performance of its essential function during the Term. The person in charge of preparing your budget will include in each of your fiscal budgets a request for the payments due and to become due under this Agreement in such fiscal period. You acknowledge that appropriation of moneys for payment required under this Agreement is a governmental function that you cannot contractually commit to in advance, and this Agreement does not constitute: (1) a multiple fiscal year direct or indirect debt or financial obligation; (2) an obligation payable in any fiscal year beyond the fiscal year for which funds are lawfully appropriated; or (3) an obligation creating a pledge of or a lien on your tax or general revenues. If your governing board does not approve an appropriation of funds at any time during the Term for payments due and to become due for a fiscal year during the Term, you will have the right terminate this Agreement on the last day of the

fiscal period for which sufficient appropriations were received without penalty or expense to you, except as to the portion of payments required hereunder for which funds have been appropriated and budgeted. If you elect to terminate this Agreement, you will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date). At least 30 days prior to the end of your fiscal year, your chief executive officer (or legal counsel) will certify in writing that (a) despite reasonable efforts to obtain sufficient appropriations, funds have not been appropriated for the ensuing fiscal period, and (b) you have exhausted all funds legally available for the payment of amounts due and to become due under this Agreement. To the extent permitted by applicable law, you will not use this non-appropriation provision as a substitute for convenience termination.

**PRICING PLAN/OFFERING SELECTED:**

**4. FIXED PRICING.** If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the initial Term of this Agreement.

**GENERAL TERMS & CONDITIONS:**

**5. REMOTE SERVICES.** Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to Customer's network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit to Customer Releases for Software and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Data will be transmitted to and from Customer in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download the content of any Customer documents or other information residing on or passing through the Equipment or Customer's information management systems. Customer grants the right to Xerox, without charge, to conduct Remote Data Access for the purposes described above. Upon Xerox's request, Customer will provide contact information for Equipment such as name and address of Customer contact and IP and physical addresses/locations of Equipment. Customer will enable Remote Data Access via a method prescribed by Xerox, and Customer will provide reasonable assistance to allow Xerox to provide Remote Data Access. Unless Xerox deems Equipment incapable of Remote Data Access, Customer will ensure that Remote Data Access is maintained at all times Maintenance Services are being performed.

Financial Information

**6. TAX TREATMENT.** Xerox has accepted this Agreement based on your representation that Xerox may claim any interest paid by you as exempt from federal income tax under Section 103(c) of the Internal Revenue Code ("Code"). You will comply with the information reporting requirements of Section 149(e) of the Code. Such compliance includes the execution of 8038-G or 8038-GC Information Returns. You appoint Xerox as your agent to maintain, and Xerox will maintain, or cause to be maintained, a complete and accurate record of all assignments of this Agreement in form sufficient to comply with the book entry requirements of Section 149(a) of the Code and the regulations thereunder from time to time. Should Xerox lose the benefit of this exemption as a result of your failure to comply with or be covered by Section 103(c) the Code or the regulations thereunder, then, subject to the availability of funds and upon demand by Xerox, you will pay Xerox an amount equal to its loss in this regard. You shall provide Xerox with a properly prepared and executed copy of US Treasury Form 8038 or 8038-GC.

Sub-Total: \$121,017  
 Discounts: (\$77,853)  
 Annual Payment: \$14,388

**Standard Conditions**

1. By signing this Order Form, you are offering to purchase the products and services listed above. Your offer to purchase becomes a binding commitment upon acceptance by Socrata, and is not subject to the issuance of any further purchase orders, confirmations or other events. Socrata Products and Services descriptions can be viewed in Appendix 1
2. Socrata Standard Terms and Conditions apply, and may be viewed in Appendix 2.
3. The shipping address listed above will be used to determine the appropriate taxing jurisdiction of the products and services purchased.
4. Special conditions override standard conditions in the event of an inconsistency.

**Special Conditions**

- The term of this Agreement is for an initial period of 2/27/2015 – 2/26/2018.
- Each annual payment by Monroe County is contingent upon annual appropriation by its Board of County Commissioners.
- This order form represents reserved pricing for the Monroe County in support of being an early adopter for Socrata Open Data Platform, Open Budget, and Open Expenditures.
- Socrata would like to promote via a press release and social media outlets the launch of the Monroe County Open Data Platform, Open Budget, and Open Expenditures services once they've gone live to the public. Final text is subject to Monroe County's approval.

**Remittance**

To complete this addendum, please complete any open fields above relating to Customer, sign and date the form, and either 1) scan and email the completed form to [steve.ellsworth@socrata.com](mailto:steve.ellsworth@socrata.com) or 2) fax the completed form to (206) 452-2010.

## Glossary of Terms

### Dataset

A dataset is a single physical collection of information, typically modeled as a table of rows and columns of data. Each Socrata Dataset contains queryable data and metadata that is controlled by the dataset publisher. A dataset may have zero or more views – filtered views, maps, charts, calendars or forms. These visualizations are unlimited, whether created by the Customer or their end-users and do not count as datasets.

The following type of datasets count towards the plan's dataset limit:

- Datasets created from an external database using the Socrata API
- Datasets created by uploading a data file (e.g. csv, xls...etc.)
- Datasets that are links to other web resources – referred to as "External Datasets"
- Datasets created by uploading non-data files (ZIP, PDF, ...etc.)
- Datasets created by uploading geospatial files including KML/KMZ, shapefiles. Each of these geospatial files may contain up to 5 layers.

The list above applies to any published dataset, whether shared publicly or privately.

The following types of datasets do not count towards the plan's dataset limit:

- File attachments that are added to any published dataset
- Datasets created as a result of the Socrata ArcGIS Connector
- Federated datasets from an external domain
- Datasets that are still in Working Copy mode and have not yet been published
- Datasets created as mashups from other existing datasets.

Socrata and the Customer may agree to break up a very large dataset into multiple smaller datasets to improve performance, without counting these towards the plan's limit.

### Open Data API

Application Programming Interface (API) allows authorized computer programs to read and write data from the Socrata system over the Internet. A Socrata Open Data API is automatically created for every published dataset or view.

### Premium API

Enterprise-class APIs, created in Socrata API Foundry, to provide scalable, reliable and secure data APIs to mission-critical cloud and mobile applications. Premium APIs can be customized, managed, throttled, and analyzed by Administrators. They also provide full API-specific documentation, client code for developers, an live API console, and an automatically generated API catalog.

## Usage Limitations

|                                     |           |
|-------------------------------------|-----------|
| <b>Storage:</b>                     | Unlimited |
| <b>Bandwidth</b>                    | 5 TB      |
| <b>API Calls per Month</b>          | 100M      |
| <b>Geocoding Requests per month</b> | 500,000   |

### Socrata Open Data Platform

The Socrata Open Data Platform enables government leaders to deliver on their transparency and digital government initiatives with unprecedented speed and costs savings. The Portal offers a complete software-as-a-service platform that unlocks the organization's data from its legacy silos and puts it into people's hands. It simplifies the entire data lifecycle, from capture and collection to distribution and consumption. Key Open Data Portal functionality includes:

- **Socrata DataSpace:** An elastic cloud-based data storage, indexing and retrieval service that simplifies data management and automatically optimizes access for a wide variety of data sources.
  - **Socrata Data Publishing Services:** Easy-to-use tools for publishing and updating data from spreadsheets, file systems and transactional databases, including real-time automated publishing.
  - **Socrata Data Discovery and Visualization:** Consumer friendly interfaces that make it easy to discover data, explore it online, visualize it with charts and maps, and share it with others.
  - **Socrata Open Data API (SODA):** An open, standards-based API that automatically provides RESTful access and an expressive query language for every dataset.
  - **Socrata Open Data Federation Services:** A game-changing technology that enables two or more organizations to exchange and aggregate their data, with one click.
  - **Socrata Data Player:** A web widget that allows government agencies to embed live data, maps and charts on their agency websites.
  - **Socrata Sitewide Analytics:** Real-time analytics on usage, distribution and traffic patterns for each dataset in the Open Data Portal.
  - **Socrata Mondara:** Extends the open data experience to geospatial data that was previously only accessible to GIS experts. Mondara makes it easy for the other 99% of users to create rich online maps instantly, and use this valuable data to power location-based services.
  - **Socrata API Foundry:** a powerful wizard-based application that simplifies the creation, deployment and management of enterprise-class APIs for mission-critical cloud and mobile applications. It dynamically creates an API catalog featuring documentation, client code libraries, and an interactive test console for each API to help developers discover, explore, and start using your APIs right away. It also includes enterprise-class capabilities for IT administrators to control fine-grained API access and security, management of application tokens, throttling, and API analytics to monitor trends and usage patterns in real-time.
-

## **Socrata API Foundry**

Socrata API Foundry offers data-rich organizations a powerful new way to modernize their data integration infrastructure, participate in the data economy, and support developer ecosystems around their data. API Foundry extends any enterprise system or data source with Application Programming Interfaces (APIs) that can be created and deployed in minutes to internal IT programmers, partner organizations, or external developer communities.

Socrata API Foundry includes powerful features that simplify the creation, deployment, and management of developer-ready APIs, including:

- A wizard-based application that allows a business analyst to create, customize, and deploy an API in minutes, from virtually any data source.
- Dynamic creation of an API catalog featuring documentation, client code libraries and an interactive test console for each API, to help developers discover, explore and start using your APIs right away.
- Enterprise-class capabilities for IT administrators to control fine-grained API access and security, manage application tokens, and allocate API resources in real-time.
- Internet-scale SLAs to support API deployments for mission-critical web and mobile applications and other enterprise integration interfaces.
- API analytics to monitor trends and application usage patterns in real-time.

(API Foundry can be sold and deployed as a standalone product or seamlessly integrated into any Socrata product, including the Open Data Portal.)

## **Socrata Open Data Apps**

As a complementary solution to the Socrata Open Data Platform, Socrata also delivers Socrata Open Data Apps. These apps are ready-to-deploy consumer apps that are purpose built for specific high-value datasets.

- **Open Budget:** A ready-to-deploy app that lets citizens explore their government's budget, along every step of the process, and at every level of the allocation hierarchy. Users, with and without budget data expertise, are able to understand how the budget impacts their interests and their neighborhood, via an intuitive and location-aware UX. For use with Socrata Open Data Portal and as part of the Socrata Financial Transparency Suite of apps that used together, provide an end-to-end view of the flow of public money. Includes up to 15 hours of professional services.
- **Open Expenditures:** A ready-to-deploy app that provides easy, intuitive ways for any user to explore and visualize their government's expenditures, by department, by type, and by vendor, for any given date range. The intuitive consumer-style user interface allows users to visualize trends, compare expenditures across departments, find total spend by vendor, and drill-down to the checkbook-level data.

## **Professional Services and Support**

### **Open Data Launch Packages**

The Socrata Client Services Methodology (CSM) will allow us to quickly and efficiently deploy your Open Data solution. As part of the CSM process the Socrata team will guide you from project kickoff and charter through to Go-live and launch. This service includes a Program Manager to lead the deployment, a Socrata Designer to work with you to design your Open Data Portal, and a Socrata Data Analyst will help you identify, transform, load, and visualize your data. The Socrata data analyst will help you curate your datasets for quality and will pay special attention to visual presentation and end consumer result. Weekly meetings will be run by the Socrata team throughout your deployment and up until your launch date, to assure success and deliver the anticipated results.

---

Specific deliverables of your open data launch include:

**Open Data Launch Package - Starter, Includes:**

- Project charter
- (1) Kickoff call and up to (6) weekly meetings through launch date
- DNS and SSL setup
- Site skinning, styling, and CSS
- Custom header and footer
- Integration of "suggest a dataset" functionality
- Administrative training
- Training on the upload of your first dataset via Socrata University
- Real-time integrated help connector for support.socrata.com
- Enrollment in Socrata University 101, 201 and API 101 classes
- Initial data upload of up to 5 datasets
- Data curation of up to 10 datasets
- Custom Social Data Player styling and configuration
- Graphic Design and implementation of your home page stories
- Graphic Design and implementation of your home page featured datasets

Total professional services hours not to exceed 25 hours in aggregate among Socrata staff.

This package also includes the help from our marketing and public relations team to help you with your public launch. Including a PR kit, support for a kickoff event, and open data collateral to share with internal staff.

**Open Data Applications Launch Package, Includes:**

**Open Budget:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data Ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

**Open Expenditures:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data Ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

Total professional services hours not to exceed 30 hours in aggregate among Socrata staff.

---

### **Socrata Basic Customer Support Packages**

The Socrata Basic Customer Support Package includes the following elements. This package does not include support for customizations performed by Customer.

Elements include:

- Access to the Socrata knowledge base via the support portal at [support.socrata.com](http://support.socrata.com)
  - Access to the Socrata Community portal
  - 8:00am to 5:00pm PT Email and Phone support
  - Four-hour response window during business hours
-

---

## Appendix 2: Socrata General Terms & Conditions

### 1. Definitions

The terms defined below or elsewhere in this Agreement will have their respective meanings when used in this Agreement.

"Confidential Information" means any information that a receiving party knows or has reason to know is confidential or propriety information of the disclosing party. However, Confidential Information does not include any information that: (a) was known to the receiving party prior to receiving the same from the disclosing party in connection with this Agreement; (b) is independently developed by the receiving party; (c) is acquired by the receiving party from another source without restriction as to use or disclosure; or (d) is or becomes part of the public domain through no fault or action of the receiving party.

"Customer" means the party signing the Order Form, including all employees, agents, representatives or contractors who use the Service on behalf of Customer.

"Customer Content" means any datasets, discussion forums, and other interactive areas, features or services which Customer creates, posts or stores or uploads to the Site, including, without limitation, any content, messages, materials, data, datasets, data structures, spreadsheets, entries, information, text, music, sound, photos, video, graphics, code or other items or materials that Customer has not designated as private.

"Order Form" means the order form to which these terms are attached, which describes the Services to be purchased by Customer and the prices therefor.

"Private Customer Content" means Customer Content that Customer designates as private through the Socrata User Interface ("Socrata UI"). Private Customer Content will be treated as Confidential Information.

"Site" means the Customer web properties using the Socrata software applications under this Agreement.

"User" means any third party end user (who is not an employee, agent, representative or contractor of Customer) that accesses the Site.

"User Content" means any datasets, discussions, saved views and visualizations, comments and other data posted or submitted by a User in any discussion forums or other interactive areas through use of the Customer Content on a Site for which Socrata provides Services hereunder.

### 2. Limited License; Changes

(a) License to Customer. Customer is hereby granted a limited, nonexclusive, non-sublicensable, non-transferable license to access and use the Site, the online Socrata software applications made available by Socrata, if any, for use by Customer with the Site ("Site Applications") and the Services, including the right to load, store and display Customer Content on the Site. The license is subject to the

---

---

terms of this Agreement and does not include the right to: (i) operate or use the Site or the Site Applications on behalf of other entities or persons (e.g., operate as a service bureau) other than as may be approved by Socrata; (ii) modify, reverse engineer or otherwise make any derivative uses of the Site or the Site Applications, or any portion thereof; or (iii) use of the Site, the Site Applications or the Services other than for their intended purposes. Customer will use the Site, Site Applications and the Services in conformance with applicable laws, rules and regulations including, without limitation, all applicable privacy laws. Any use of the Site, the Site Applications or the Services other than as specifically authorized herein, without the prior written permission of Socrata, is strictly prohibited and may result in Socrata terminating the license.

(b) **Changes to Service.** Socrata regularly upgrades and updates the Services and Site Applications. This means that the Services and Site Applications are continually evolving. Some of these changes will occur automatically, while others may require Customer to schedule and implement the changes. The changes may also mean that Customer needs to upgrade its equipment in order to make efficient use of the Services. Socrata will provide Customer with advance notification in this case.

### **3. Customer Password; Access to Private Customer Data**

(a) **Customer Passwords.** Customer agrees to (i) maintain the security of Customer's password or key provided by Socrata to access and load Customer Content on the Site; and (ii) accept all risks of unauthorized access to the Customer Content or other information Customer provides to Socrata. Customer is responsible for all activity that occurs under Customer's account, and Customer should not share Customer's password with any third party.

(b) **Private Customer Content Access.** The Customer, using Socrata UI, will control access of Users to Private Customer Content. The Services will restrict permissions to such Private Customer Content accordingly. Socrata is not responsible for verifying the identities of anyone using log-in credentials to access the Private Customer Content, and shall have no liability for any unauthorized access.

### **4. Fees; Payment**

Customer agrees to pay the fees described in the Order Form during the term of this Agreement ("Service Fees"). Platform Fees entitle Customer to certain data storage and data delivery levels each month, as measured in 'bytes' and detailed on the Order Form. If Customer exceeds the applicable Services monthly usage limits, Socrata will notify Customer of such overage. Customer will either take steps to keep its usage under the applicable limits, or engage with Socrata to upgrade the Service to the appropriate usage level. If Customer exceeds the monthly usage limits for 3 consecutive months during the term of this Agreement and has not engaged with Socrata to upgrade the Service to the appropriate usage level, Socrata may terminate the Services by written notice to Customer. Socrata may suspend Customer's access to the Service if Customer fails to pay Service Fees. Customer will reimburse Socrata for the reasonable travel related costs it incurs in connection with this Agreement, provided Customer has pre-approved said travel.

Payment is due within thirty (30) days of invoice. If Socrata has the legal obligation to pay or collect taxes for which Customer is responsible, the appropriate amount will be invoiced to and paid by Customer, unless Customer provides Socrata with a valid tax exemption certificate authorized by the

---

---

appropriate taxing authority. If any charges are not received from Customer by the due date, then at Socrata's discretion, (a) such charges may accrue late interest at the rate of 1% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

## 5. Confidentiality

Each party reserves any and all right, title and interest that it may have in or to any Confidential Information that it may disclose to the other party under this Agreement. The receiving party will protect Confidential Information of the disclosing party against any unauthorized use or disclosure to the same extent that the receiving party protects its own Confidential Information of a similar nature against unauthorized use or disclosure, but in no event will use less than a reasonable standard of care to protect such Confidential Information. The receiving party will use any Confidential Information of the disclosing party solely for the purposes for which it is provided by the disclosing party. This paragraph will not be interpreted or construed to prohibit: (a) any use or disclosure which is necessary or appropriate in connection with the receiving party's performance of its obligations or exercise of its rights under this Agreement or any other agreement between the parties; (b) any use or disclosure required by applicable law (e.g., pursuant to a government order, applicable securities laws or legal process), provided that the receiving party uses reasonable efforts to give the disclosing party reasonable advance notice thereof (e.g., so as to afford the disclosing party an opportunity to intervene and seek an order or other appropriate relief for the protection of its Confidential Information from any unauthorized use or disclosure); or (c) any use or disclosure made with the consent of the disclosing party.

## 6. Customer Content

(a) **Customer Content.** Customer is solely responsible for all Customer Content and the use of the interactive areas of the Site by Customer. Customer agrees not to post, upload to, transmit, distribute, store, create or otherwise publish through the Site (including in its datasets) Customer Content that is (i) libelous, defamatory, obscene, pornographic, indecent, lewd, suggestive, harassing, threatening, invasive of privacy or publicity rights, abusive, inflammatory, fraudulent or otherwise objectionable; (ii) would constitute, encourage or provide instructions for a criminal offense, violate the rights of any party, or that would otherwise create liability or violate any local, state, national or international law; (iii) may infringe any patent, trademark, trade secret, copyright or other intellectual or proprietary right of any party; or (iv) contains the private information of any third party, including, without limitation, Social Security numbers and credit card numbers. By posting any Customer Content, Customer represents and warrants that Customer has the lawful right to distribute and reproduce such Customer Content.

(b) **No Liability for Content.** Socrata takes no responsibility and assumes no liability for any Customer Content or User Content posted, stored or uploaded on the Site or Services by Customer or any third party, or for any loss or damage thereto, nor is Socrata liable for any mistakes, defamation, slander, libel, omissions, falsehoods, obscenity, pornography or profanity that Customer and its end users may encounter. Customer's reliance on any content that it obtains through use of the Site, the Site Applications and the Services is at Customer's own risk.

---

---

(c) **Removal of Content: Violations.** Although Socrata has no obligation to screen, edit or monitor any of the Customer Content or other non-Socrata provided content posted on the Site or to the Services, SOCRATA RESERVES THE RIGHT, AND HAS ABSOLUTE DISCRETION, TO REMOVE, SCREEN OR EDIT ANY CONTENT POSTED OR STORED ON THE SITE OR UPLOADED TO THE SERVICES AT ANY TIME AND FOR ANY REASON WITHOUT NOTICE OR TO REQUIRE CUSTOMER TO DO THE SAME, AND CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE. Any use of the Site, the Site Applications or the Services in violation of the foregoing violates this Agreement and may result in, among other things, termination or suspension of Customer's right to use the Site, the Site Applications and the Services.

## **7. Ownership; Licenses from Customer**

(a) **Customer Content.** Customer owns all Customer Content, including any intellectual property rights therein, but excluding the Suggestions described in Section 8 below.

(b) **Socrata Ownership.** Socrata solely owns the intellectual property in the Site and the Site Applications. Unless explicitly stated herein, nothing in this Agreement will be construed as conferring any license to Customer of any other intellectual property rights of Socrata or its third party licensors or suppliers, whether by estoppel, implication or otherwise.

(c) **Licenses from Customer.**

(i) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, sub-licensable royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Customer Content (excluding Private Customer Content) in connection with Socrata's provision of Services to Customer or to Socrata's provision of services to users. Customer understands that once content has been provided to users, Socrata has limited ability to restrict or control that content.

(ii) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Private Customer Content solely in connection with Socrata's provision of Services to Customer.

(d) **Customer Marks.** Customer grants Socrata and its affiliates and sublicensees the right to display and use Customer's name, trademark and/or logos provided by Customer (the "Customer Marks") in connection with the Customer Content and the Site. All goodwill associated with Socrata's use of the Customer Marks will inure to the benefit of Customer.

## **8. Suggestions**

By submitting suggestions or feedback to Socrata regarding the Site, the Site Applications or the Services, Customer agrees that such items submitted do not contain confidential or proprietary information; and Customer hereby grants Socrata an irrevocable, unlimited, royalty-free and fully-paid perpetual license to use such items for any business purpose.

---

---

## 15. Term; Termination; Survival

(a) **Term.** The term of this Agreement is as set forth on the Order Form. Thereafter, the Agreement will automatically renew for successive 12-month periods unless either party gives notice within 60 days of the end of the then-current term.

(b) **Termination.** If either party breaches this Agreement and does not cure such breach within 30 days of receipt of written notice from the other party of such breach, the non-breaching party may, without notice and in its sole discretion, suspend Customer's use of the Site, Site Applications and the Services (with respect to Socrata) or terminate this Agreement (with respect to both Customer and Socrata). Upon termination, Socrata will take down the Site, Site Applications and Services (as applicable), delete any Customer Content stored on its systems (provided that Socrata may keep one copy of the Customer Content for archival purposes in the event of any future actions arising out of the Agreement) and delete any publishers and administrators unique to Customer's domain. CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE.

(c) **Survival.** Sections 1, 4, 5 6(a), 6(b), 7(a), 7(b), 8, 12, 14, 15(b), 15(c) and 16-23 shall survive termination of this Agreement.

## 16. Limitation of Liability

IN NO EVENT WILL SOCRATA, ITS DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY DIRECT, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR ANY OTHER DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF USE, LOSS OF PROFITS OR LOSS OF DATA, WHETHER IN AN ACTION IN CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE) OR OTHERWISE. IN NO EVENT WILL THE AGGREGATE LIABILITY OF SOCRATA, WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), PRODUCT LIABILITY, STRICT LIABILITY OR OTHER THEORY EXCEED ANY FEES CUSTOMER PAID TO SOCRATA IN THE 12 MONTHS PRIOR TO THE DATE ON WHICH THE CLAIM AROSE.

## 17. Applicable Law and Venue

This Agreement will be governed by and construed in accordance with the laws of [CUSTOMER JURISDICTION], without resort to its conflict of law provisions. Each party agrees that any action at law or in equity arising out of or relating to this Agreement will be filed only in the state and federal courts located in [CUSTOMER JURISDICTION] and each party hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction of such courts over any suit, action or proceeding arising out of this Agreement.

## 18. Arbitration

CUSTOMER AND SOCRATA AGREE THAT THE SOLE AND EXCLUSIVE FORUM AND REMEDY FOR ANY AND ALL DISPUTES AND CLAIMS RELATING IN ANY WAY TO OR ARISING OUT OF THIS AGREEMENT, THE SITE, THE SITE APPLICATIONS AND/OR THE SERVICES WILL BE FINAL AND BINDING ARBITRATION, except that with respect to any claims that a party has infringed upon or violated or threatened to infringe upon or violate the other party's patent, copyright, trademark or trade

---

---

secret rights, then the parties acknowledge that arbitration is not an adequate remedy at law and that injunctive or other appropriate relief may be sought arbitration under this Agreement will be conducted by a mutually agreed upon arbitration body under the American Arbitration Association ("AAA"). The location of the arbitration will be in Seattle, Washington and the allocation of costs and fees for such arbitration will be determined in accordance with such AAA Rules and will be subject to the limitations provided for in the AAA Consumer Rules (for consumer disputes). The arbitrator's award will be binding and may be entered as a judgment in any court of competent jurisdiction.

In no event will any claim, action or proceeding by Customer related in any way to the Site, the Site Applications and/or the Services be instituted more than three (3) year after the cause of action arose.

#### **19. Notices**

Any notice provided pursuant to this Agreement will be in writing and will be deemed given (a) if by receipted email or facsimile, upon electronic confirmation thereof; (b) if by hand delivery, upon receipt thereof; (c) if by prepaid, certified or registered mail or courier, upon confirmation of the delivery of such mail by return receipt or signature confirmation; or (d) if by next day delivery service, upon such delivery. All notices to Customer will be addressed to the address and person designated on the Order Form. All notices to Socrata will be addressed to Socrata, Inc., 83 King Street, Suite 107, Seattle, WA 98104 Attn: VP Finance and Administration; Fax: 206-452-2010.

#### **20. Assignment**

Neither this Agreement nor any interest in this Agreement may be assigned by Customer without prior express written approval of Socrata.

#### **21. Severability**

If any portion of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all the remaining terms, will remain in full force and effect as if such invalid or unenforceable portion had never been included. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the greatest extent possible.

#### **22. Entire Agreement**

This Agreement terminates and supersedes all prior understandings and agreements of the parties regarding the Site, the Site Applications, the Services and the other subject matter hereof. This Agreement may be modified only by a further writing that is duly executed by both parties. This Agreement does not alter in any way the terms or conditions of any other agreement Customer may have with Socrata, or its subsidiaries or affiliates, for other products, services or otherwise.

### Standard Conditions

1. By signing this Order Form, you are offering to purchase the products and services listed above. Your offer to purchase becomes a binding commitment upon acceptance by Socrata, and is not subject to the issuance of any further purchase orders, confirmations or other events. Socrata Products and Services descriptions can be viewed in Appendix 1
2. Socrata Standard Terms and Conditions apply, and may be viewed in Appendix 2.
3. The shipping address listed above will be used to determine the appropriate taxing jurisdiction of the products and services purchased.
4. Special conditions override standard conditions in the event of an inconsistency.

### Special Conditions

- The term of this Agreement is for an initial period of 2/27/2015 – 2/26/2018.
- This order form represents reserved pricing for the Monroe County in support of being an early adopter for Socrata Open Data Platform, Open Budget, and Open Expenditures.
- Socrata would like to promote via a press release and social media outlets the launch of the Monroe County Open Data Platform, Open Budget, and Open Expenditures services once they've gone live to the public. Final text is subject to Monroe County's approval.

**Glossary of Terms**

**Dataset**

A dataset is a single physical collection of information, typically modeled as a table of rows and columns of data. Each Socrata Dataset contains queryable data and metadata that is controlled by the dataset publisher. A dataset may have zero or more views – filtered views, maps, charts, calendars or forms. These visualizations are unlimited, whether created by the Customer or their end-users and do not count as datasets.

The following type of datasets count towards the plan's dataset limit:

- Datasets created from an external database using the Socrata API
- Datasets created by uploading a data file (e.g. csv, xls...etc.)
- Datasets that are links to other web resources – referred to as "External Datasets"
- Datasets created by uploading non-data files (ZIP, PDF, ...etc.)
- Datasets created by uploading geospatial files including KML/KMZ, shapefiles. Each of these geospatial files may contain up to 5 layers.

The list above applies to any published dataset, whether shared publicly or privately.

The following types of datasets do not count towards the plan's dataset limit:

- File attachments that are added to any published dataset
- Datasets created as a result of the Socrata ArcGIS Connector
- Federated datasets from an external domain
- Datasets that are still in Working Copy mode and have not yet been published
- Datasets created as mashups from other existing datasets.

Socrata and the Customer may agree to break up a very large dataset into multiple smaller datasets to improve performance, without counting these towards the plan's limit.

**Open Data API**

Application Programming Interface (API) allows authorized computer programs to read and write data from the Socrata system over the internet. A Socrata Open Data API is automatically created for every published dataset or view.

**Premium API**

Enterprise-class APIs, created in Socrata API Foundry, to provide scalable, reliable and secure data APIs to mission-critical cloud and mobile applications. Premium APIs can be customized, managed, throttled, and analyzed by Administrators. They also provide full API-specific documentation, client code for developers, an live API console, and an automatically generated API catalog.

**Usage Limitations**

|                              |           |
|------------------------------|-----------|
| Storage:                     | Unlimited |
| Bandwidth                    | 5 TB      |
| API Calls per Month          | 100M      |
| Geocoding Requests per month | 500,000   |

---

## Appendix 1: Socrata Products and Services Descriptions

### Subscription Services

#### Socrata Open Data Platform

The Socrata Open Data Platform enables government leaders to deliver on their transparency and digital government initiatives with unprecedented speed and costs savings. The Portal offers a complete software-as-a-service platform that unlocks the organization's data from its legacy silos and puts it into people's hands. It simplifies the entire data lifecycle, from capture and collection to distribution and consumption. Key Open Data Portal functionality includes:

- **Socrata DataSpace:** An elastic cloud-based data storage, indexing and retrieval service that simplifies data management and automatically optimizes access for a wide variety of data sources.
  - **Socrata Data Publishing Services:** Easy-to-use tools for publishing and updating data from spreadsheets, file systems and transactional databases, including real-time automated publishing.
  - **Socrata Data Discovery and Visualization:** Consumer friendly interfaces that make it easy to discover data, explore it online, visualize it with charts and maps, and share it with others.
  - **Socrata Open Data API (SODA):** An open, standards-based API that automatically provides RESTful access and an expressive query language for every dataset.
  - **Socrata Open Data Federation Services:** A game-changing technology that enables two or more organizations to exchange and aggregate their data, with one click.
  - **Socrata Data Player:** A web widget that allows government agencies to embed live data, maps and charts on their agency websites.
  - **Socrata Sitewide Analytics:** Real-time analytics on usage, distribution and traffic patterns for each dataset in the Open Data Portal.
  - **Socrata Mondara:** Extends the open data experience to geospatial data that was previously only accessible to GIS experts. Mondara makes it easy for the other 99% of users to create rich online maps instantly, and use this valuable data to power location-based services.
  - **Socrata API Foundry:** a powerful wizard-based application that simplifies the creation, deployment and management of enterprise-class APIs for mission-critical cloud and mobile applications. It dynamically creates an API catalog featuring documentation, client code libraries, and an interactive test console for each API to help developers discover, explore, and start using your APIs right away. It also includes enterprise-class capabilities for IT administrators to control fine-grained API access and security, management of application tokens, throttling, and API analytics to monitor trends and usage patterns in real-time.
-

---

## **Socrata API Foundry**

Socrata API Foundry offers data-rich organizations a powerful new way to modernize their data integration infrastructure, participate in the data economy, and support developer ecosystems around their data. API Foundry extends any enterprise system or data source with Application Programming Interfaces (APIs) that can be created and deployed in minutes to internal IT programmers, partner organizations, or external developer communities.

Socrata API Foundry includes powerful features that simplify the creation, deployment, and management of developer-ready APIs, including:

- A wizard-based application that allows a business analyst to create, customize, and deploy an API in minutes, from virtually any data source.
- Dynamic creation of an API catalog featuring documentation, client code libraries and an interactive test console for each API, to help developers discover, explore and start using your APIs right away.
- Enterprise-class capabilities for IT administrators to control fine-grained API access and security, manage application tokens, and allocate API resources in real-time.
- Internet-scale SLAs to support API deployments for mission-critical web and mobile applications and other enterprise integration interfaces.
- API analytics to monitor trends and application usage patterns in real-time.

(API Foundry can be sold and deployed as a standalone product or seamlessly integrated into any Socrata product, including the Open Data Portal.)

## **Socrata Open Data Apps**

As a complementary solution to the Socrata Open Data Platform, Socrata also delivers Socrata Open Data Apps. These apps are ready-to-deploy consumer apps that are purpose built for specific high-value datasets.

- **Open Budget:** A ready-to-deploy app that lets citizens explore their government's budget, along every step of the process, and at every level of the allocation hierarchy. Users, with and without budget data expertise, are able to understand how the budget impacts their interests and their neighborhood, via an intuitive and location-aware UX. For use with Socrata Open Data Portal and as part of the Socrata Financial Transparency Suite of apps that used together, provide an end-to-end view of the flow of public money. Includes up to 15 hours of professional services.
- **Open Expenditures:** A ready-to-deploy app that provides easy, intuitive ways for any user to explore and visualize their government's expenditures, by department, by type, and by vendor, for any given date range. The intuitive consumer-style user interface allows users to visualize trends, compare expenditures across departments, find total spend by vendor, and drill-down to the checkbook-level data.

## **Open Data Launch Packages**

The Socrata Client Services Methodology (CSM) will allow us to quickly and efficiently deploy your Open Data solution. As part of the CSM process the Socrata team will guide you from project kickoff and charter through to Go-live and launch. This service includes a Program Manager to lead the deployment, a Socrata Designer to work with you to design your Open Data Portal, and a Socrata Data Analyst will help you identify, transform, load, and visualize your data. The Socrata data analyst will help you curate your datasets for quality and will pay special attention to visual presentation and end consumer result. Weekly meetings will be run by the Socrata team throughout your deployment and up until your launch date, to assure success and deliver the anticipated results.

---

Specific deliverables of your open data launch include:

**Open Data Launch Package - Starter. Includes:**

- Project charter
- (1) Kickoff call and up to (6) weekly meetings through launch date
- DNS and SSL setup
- Site skinning, styling, and CSS
- Custom header and footer
- Integration of "suggest a dataset" functionality
- Administrative training
- Training on the upload of your first dataset via Socrata University
- Real-time integrated help connector for support.socrata.com
- Enrollment in Socrata University 101, 201 and API 101 classes
- Initial data upload of up to 5 datasets
- Data curation of up to 10 datasets
- Custom Social Data Player styling and configuration
- Graphic Design and implementation of your home page stories
- Graphic Design and implementation of your home page featured datasets

Total professional services hours not to exceed 25 hours in aggregate among Socrata staff.

This package also includes the help from our marketing and public relations team to help you with your public launch. Including a PR kit, support for a kickoff event, and open data collateral to share with internal staff.

**Open Data Applications Launch Package. Includes:**

**Open Budget:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

**Open Expenditures:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

Total professional services hours not to exceed 30 hours in aggregate among Socrata staff.

### **Socrata Basic Customer Support Packages**

The Socrata Basic Customer Support Package includes the following elements. This package does not include support for customizations performed by Customer.

Elements include:

- Access to the Socrata knowledge base via the support portal at [support.socrata.com](http://support.socrata.com)
  - Access to the Socrata Community portal
  - 8:00am to 5:00pm PT Email and Phone support
  - Four-hour response window during business hours
-

---

## Appendix 2: Socrata General Terms & Conditions

### 1. Definitions

The terms defined below or elsewhere in this Agreement will have their respective meanings when used in this Agreement.

"Confidential Information" means any information that a receiving party knows or has reason to know is confidential or proprietary information of the disclosing party. However, Confidential Information does not include any information that: (a) was known to the receiving party prior to receiving the same from the disclosing party in connection with this Agreement; (b) is independently developed by the receiving party; (c) is acquired by the receiving party from another source without restriction as to use or disclosure; or (d) is or becomes part of the public domain through no fault or action of the receiving party.

"Customer" means the party signing the Order Form, including all employees, agents, representatives or contractors who use the Service on behalf of Customer.

"Customer Content" means any datasets, discussion forums, and other interactive areas, features or services which Customer creates, posts or stores or uploads to the Site, including, without limitation, any content, messages, materials, data, datasets, data structures, spreadsheets, entries, information, text, music, sound, photos, video, graphics, code or other items or materials that Customer has not designated as private.

"Order Form" means the order form to which these terms are attached, which describes the Services to be purchased by Customer and the prices therefor.

"Private Customer Content" means Customer Content that Customer designates as private through the Socrata User Interface ("Socrata UI"). Private Customer Content will be treated as Confidential Information.

"Site" means the Customer web properties using the Socrata software applications under this Agreement.

"User" means any third party end user (who is not an employee, agent, representative or contractor of Customer) that accesses the Site.

"User Content" means any datasets, discussions, saved views and visualizations, comments and other data posted or submitted by a User in any discussion forums or other interactive areas through use of the Customer Content on a Site for which Socrata provides Services hereunder.

### 2. Limited License; Changes

(a) **License to Customer.** Customer is hereby granted a limited, nonexclusive, non-sublicensable, non-transferable license to access and use the Site, the online Socrata software applications made available by Socrata, if any, for use by Customer with the Site ("Site Applications") and the Services, including the right to load, store and display Customer Content on the Site. The license is subject to the

---

terms of this Agreement and does not include the right to: (i) operate or use the Site or the Site Applications on behalf of other entities or persons (e.g., operate as a service bureau) other than as may be approved by Socrata; (ii) modify, reverse engineer or otherwise make any derivative uses of the Site or the Site Applications, or any portion thereof; or (iii) use of the Site, the Site Applications or the Services other than for their intended purposes. Customer will use the Site, Site Applications and the Services in conformance with applicable laws, rules and regulations including, without limitation, all applicable privacy laws. Any use of the Site, the Site Applications or the Services other than as specifically authorized herein, without the prior written permission of Socrata, is strictly prohibited and may result in Socrata terminating the license.

(b) **Changes to Service.** Socrata regularly upgrades and updates the Services and Site Applications. This means that the Services and Site Applications are continually evolving. Some of these changes will occur automatically, while others may require Customer to schedule and implement the changes. The changes may also mean that Customer needs to upgrade its equipment in order to make efficient use of the Services. Socrata will provide Customer with advance notification in this case.

### 3. Customer Password; Access to Private Customer Data

(a) **Customer Passwords.** Customer agrees to (i) maintain the security of Customer's password or key provided by Socrata to access and load Customer Content on the Site; and (ii) accept all risks of unauthorized access to the Customer Content or other information Customer provides to Socrata. Customer is responsible for all activity that occurs under Customer's account, and Customer should not share Customer's password with any third party.

(b) **Private Customer Content Access.** The Customer, using Socrata UI, will control access of Users to Private Customer Content. The Services will restrict permissions to such Private Customer Content accordingly. Socrata is not responsible for verifying the identities of anyone using log-in credentials to access the Private Customer Content, and shall have no liability for any unauthorized access.

### 4. Fees; Payment

Customer agrees to pay the fees described in the Order Form during the term of this Agreement ("Service Fees"). Platform Fees entitle Customer to certain data storage and data delivery levels each month, as measured in 'bytes' and detailed on the Order Form. If Customer exceeds the applicable Services monthly usage limits, Socrata will notify Customer of such overage. Customer will either take steps to keep its usage under the applicable limits, or engage with Socrata to upgrade the Service to the appropriate usage level. If Customer exceeds the monthly usage limits for 3 consecutive months during the term of this Agreement and has not engaged with Socrata to upgrade the Service to the appropriate usage level, Socrata may terminate the Services by written notice to Customer. Socrata may suspend Customer's access to the Service if Customer fails to pay Service Fees. Customer will reimburse Socrata for the reasonable travel related costs it incurs in connection with this Agreement, provided Customer has pre-approved said travel.

Payment is due within thirty (30) days of invoice. If Socrata has the legal obligation to pay or collect taxes for which Customer is responsible, the appropriate amount will be invoiced to and paid by Customer, unless Customer provides Socrata with a valid tax exemption certificate authorized by the

---

appropriate taxing authority. If any charges are not received from Customer by the due date, then at Socrata's discretion, (a) such charges may accrue late interest at the rate of 1% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

## 5. Confidentiality

Each party reserves any and all right, title and interest that it may have in or to any Confidential Information that it may disclose to the other party under this Agreement. The receiving party will protect Confidential Information of the disclosing party against any unauthorized use or disclosure to the same extent that the receiving party protects its own Confidential Information of a similar nature against unauthorized use or disclosure, but in no event will use less than a reasonable standard of care to protect such Confidential Information. The receiving party will use any Confidential Information of the disclosing party solely for the purposes for which it is provided by the disclosing party. This paragraph will not be interpreted or construed to prohibit: (a) any use or disclosure which is necessary or appropriate in connection with the receiving party's performance of its obligations or exercise of its rights under this Agreement or any other agreement between the parties; (b) any use or disclosure required by applicable law (e.g., pursuant to a government order, applicable securities laws or legal process), provided that the receiving party uses reasonable efforts to give the disclosing party reasonable advance notice thereof (e.g., so as to afford the disclosing party an opportunity to intervene and seek an order or other appropriate relief for the protection of its Confidential Information from any unauthorized use or disclosure); or (c) any use or disclosure made with the consent of the disclosing party.

## 6. Customer Content

(a) **Customer Content.** Customer is solely responsible for all Customer Content and the use of the interactive areas of the Site by Customer. Customer agrees not to post, upload to, transmit, distribute, store, create or otherwise publish through the Site (including in its datasets) Customer Content that is (i) libelous, defamatory, obscene, pornographic, indecent, lewd, suggestive, harassing, threatening, invasive of privacy or publicity rights, abusive, inflammatory, fraudulent or otherwise objectionable; (ii) would constitute, encourage or provide instructions for a criminal offense, violate the rights of any party, or that would otherwise create liability or violate any local, state, national or international law; (iii) may infringe any patent, trademark, trade secret, copyright or other intellectual or proprietary right of any party; or (iv) contains the private information of any third party, including, without limitation, Social Security numbers and credit card numbers. By posting any Customer Content, Customer represents and warrants that Customer has the lawful right to distribute and reproduce such Customer Content.

(b) **No Liability for Content.** Socrata takes no responsibility and assumes no liability for any Customer Content or User Content posted, stored or uploaded on the Site or Services by Customer or any third party, or for any loss or damage thereto, nor is Socrata liable for any mistakes, defamation, slander, libel, omissions, falsehoods, obscenity, pornography or profanity that Customer and its end users may encounter. Customer's reliance on any content that it obtains through use of the Site, the Site Applications and the Services is at Customer's own risk.

---

---

(c) **Removal of Content: Violations.** Although Socrata has no obligation to screen, edit or monitor any of the Customer Content or other non-Socrata provided content posted on the Site or to the Services, SOCRATA RESERVES THE RIGHT, AND HAS ABSOLUTE DISCRETION, TO REMOVE, SCREEN OR EDIT ANY CONTENT POSTED OR STORED ON THE SITE OR UPLOADED TO THE SERVICES AT ANY TIME AND FOR ANY REASON WITHOUT NOTICE OR TO REQUIRE CUSTOMER TO DO THE SAME, AND CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE. Any use of the Site, the Site Applications or the Services in violation of the foregoing violates this Agreement and may result in, among other things, termination or suspension of Customer's right to use the Site, the Site Applications and the Services.

## 7. Ownership; Licenses from Customer

(a) **Customer Content.** Customer owns all Customer Content, including any intellectual property rights therein, but excluding the Suggestions described in Section 8 below.

(b) **Socrata Ownership.** Socrata solely owns the intellectual property in the Site and the Site Applications. Unless explicitly stated herein, nothing in this Agreement will be construed as conferring any license to Customer of any other intellectual property rights of Socrata or its third party licensors or suppliers, whether by estoppel, implication or otherwise.

### (c) **Licenses from Customer.**

(i) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, sub-licensable royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Customer Content (excluding Private Customer Content) in connection with Socrata's provision of Services to Customer or to Socrata's provision of services to users. Customer understands that once content has been provided to users, Socrata has limited ability to restrict or control that content.

(ii) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Private Customer Content solely in connection with Socrata's provision of Services to Customer.

(d) **Customer Marks.** Customer grants Socrata and its affiliates and sublicensees the right to display and use Customer's name, trademark and/or logos provided by Customer (the "Customer Marks") in connection with the Customer Content and the Site. All goodwill associated with Socrata's use of the Customer Marks will inure to the benefit of Customer.

## 8. Suggestions

By submitting suggestions or feedback to Socrata regarding the Site, the Site Applications or the Services, Customer agrees that such items submitted do not contain confidential or proprietary information; and Customer hereby grants Socrata an irrevocable, unlimited, royalty-free and fully-paid perpetual license to use such items for any business purpose.

---

---

## 9. Infringement

In accordance with the Digital Millennium Copyright Act (DMCA) and other applicable law, Socrata has adopted a policy of terminating, in appropriate circumstances and at Socrata's sole discretion, Users and Customers who are deemed to be repeat infringers. Socrata may also at its sole discretion limit access to the Services and Site and/or terminate the accounts Customer if Socrata receives complaints that the Customer Content infringes any intellectual property rights of others, whether or not there is any repeat infringement.

## 10. Support

Socrata will provide support to Customer in accordance with Socrata's general support services described at <http://support.socrata.com/home>.

## 11. Publicity

Socrata may use the Customer Marks on Socrata's website, on publicly available customer lists, and in media releases to identify Customer as a customer of Socrata. Subject to pre-publication review, Customer may agree to participate with Socrata in the development and publication of a press release announcing the launch of the Services, a case study and reasonable requests for participation in live events highlighting Customer's use of the Services.

## 12. Representations and Warranties

Customer represents and warrants that (a) Customer owns and controls all of the rights to the Customer Content or Customer otherwise has the right to post such Customer Content to the Site; (b) the Customer Content is accurate and not misleading; and (c) the use and posting of the Customer Content does not violate this Agreement and will not violate any rights of or cause injury to any person or entity. Customer acknowledges and agrees that Socrata may collect and analyze the data and data structures Customer or any User posts on the Site, whether private or public, and Customer's other activities on the Site in order to tailor the Services on Socrata to individual user needs and interests and make the Services the best possible user experience.

## 13. Reserved.

## 14. Warranty Disclaimer

THE SITE, SITE APPLICATIONS AND THE SERVICES ARE PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED. SOCRATA DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT AS TO THE INFORMATION, CONTENT AND MATERIALS IN THE SITE. WHILE SOCRATA WILL ATTEMPT TO MAKE CUSTOMER'S ACCESS AND USE OF THE SITE, SITE APPLICATIONS AND SERVICES SAFE, SOCRATA CANNOT AND DOES NOT REPRESENT OR WARRANT THAT THE SITE, SITE APPLICATIONS OR SERVICES ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS THAT ARE OUTSIDE SOCRATA'S REASONABLE CONTROL.

---

---

**15. Term; Termination; Survival**

(a) **Term.** The term of this Agreement is as set forth on the Order Form. Thereafter, the Agreement will automatically renew for successive 12-month periods unless either party gives notice within 60 days of the end of the then-current term.

(b) **Termination.** If either party breaches this Agreement and does not cure such breach within 30 days of receipt of written notice from the other party of such breach, the non-breaching party may, without notice and in its sole discretion, suspend Customer's use of the Site, Site Applications and the Services (with respect to Socrata) or terminate this Agreement (with respect to both Customer and Socrata). Upon termination, Socrata will take down the Site, Site Applications and Services (as applicable), delete any Customer Content stored on its systems (provided that Socrata may keep one copy of the Customer Content for archival purposes in the event of any future actions arising out of the Agreement) and delete any publishers and administrators unique to Customer's domain. **CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE.**

(c) **Survival.** Sections 1, 4, 5 6(a), 6(b), 7(a), 7(b), 8, 12, 14, 15(b), 15(c) and 16-23 shall survive termination of this Agreement.

**16. Limitation of Liability**

IN NO EVENT WILL SOCRATA, ITS DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY DIRECT, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR ANY OTHER DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF USE, LOSS OF PROFITS OR LOSS OF DATA, WHETHER IN AN ACTION IN CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE) OR OTHERWISE. IN NO EVENT WILL THE AGGREGATE LIABILITY OF SOCRATA, WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), PRODUCT LIABILITY, STRICT LIABILITY OR OTHER THEORY EXCEED ANY FEES CUSTOMER PAID TO SOCRATA IN THE 12 MONTHS PRIOR TO THE DATE ON WHICH THE CLAIM AROSE.

**17. Applicable Law and Venue**

This Agreement will be governed by and construed in accordance with the laws of [CUSTOMER JURISDICTION], without resort to its conflict of law provisions. Each party agrees that any action at law or in equity arising out of or relating to this Agreement will be filed only in the state and federal courts located in [CUSTOMER JURISDICTION] and each party hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction of such courts over any suit, action or proceeding arising out of this Agreement.

**18. Arbitration**

CUSTOMER AND SOCRATA AGREE THAT THE SOLE AND EXCLUSIVE FORUM AND REMEDY FOR ANY AND ALL DISPUTES AND CLAIMS RELATING IN ANY WAY TO OR ARISING OUT OF THIS AGREEMENT, THE SITE, THE SITE APPLICATIONS AND/OR THE SERVICES WILL BE FINAL AND BINDING ARBITRATION, except that with respect to any claims that a party has infringed upon or violated or threatened to infringe upon or violate the other party's patent, copyright, trademark or trade

---

secret rights, then the parties acknowledge that arbitration is not an adequate remedy at law and that injunctive or other appropriate relief may be sought arbitration under this Agreement will be conducted by a mutually agreed upon arbitration body under the American Arbitration Association ("AAA"). The location of the arbitration will be in Seattle, Washington and the allocation of costs and fees for such arbitration will be determined in accordance with such AAA Rules and will be subject to the limitations provided for in the AAA Consumer Rules (for consumer disputes). The arbitrator's award will be binding and may be entered as a judgment in any court of competent jurisdiction.

In no event will any claim, action or proceeding by Customer related in any way to the Site, the Site Applications and/or the Services be instituted more than three (3) year after the cause of action arose.

#### **19. Notices**

Any notice provided pursuant to this Agreement will be in writing and will be deemed given (a) if by receipted email or facsimile, upon electronic confirmation thereof; (b) if by hand delivery, upon receipt thereof; (c) if by prepaid, certified or registered mail or courier, upon confirmation of the delivery of such mail by return receipt or signature confirmation; or (d) if by next day delivery service, upon such delivery. All notices to Customer will be addressed to the address and person designated on the Order Form. All notices to Socrata will be addressed to Socrata, Inc., 83 King Street, Suite 107, Seattle, WA 98104 Attn: VP Finance and Administration; Fax: 206-452-2010.

#### **20. Assignment**

Neither this Agreement nor any interest in this Agreement may be assigned by Customer without prior express written approval of Socrata.

#### **21. Severability**

If any portion of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all the remaining terms, will remain in full force and effect as if such invalid or unenforceable portion had never been included. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the greatest extent possible.

#### **22. Entire Agreement**

This Agreement terminates and supersedes all prior understandings and agreements of the parties regarding the Site, the Site Applications, the Services and the other subject matter hereof. This Agreement may be modified only by a further writing that is duly executed by both parties. This Agreement does not alter in any way the terms or conditions of any other agreement Customer may have with Socrata, or its subsidiaries or affiliates, for other products, services or otherwise.

---

**23. U.S. Government Restricted Rights.**

The Site, Site Applications and Services are commercial products, developed at private expense, and provided with restricted rights. Use, reproduction, release, modification or disclosure of the Site, Site Applications and Services, or any part thereof, including technical data, by the United States Government is restricted in accordance with Federal Acquisition Regulation ("FAR") 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement ("DFARS") 227.7202 for military agencies.

All primary values quoted in USD

Pricing is valid until: [redacted] at 5:00pm PST

Sub-Total: \$121,017  
 Discounts: (\$77,853)

Annual Payment: \$14,388

**Standard Conditions**

1. By signing this Order Form, you are offering to purchase the products and services listed above. Your offer to purchase becomes a binding commitment upon acceptance by Socrata, and is not subject to the issuance of any further purchase orders, confirmations or other events. Socrata Products and Services descriptions can be viewed in Appendix 1
2. Socrata Standard Terms and Conditions apply, and may be viewed in Appendix 2.
3. The shipping address listed above will be used to determine the appropriate taxing jurisdiction of the products and services purchased.
4. Special conditions override standard conditions in the event of an inconsistency.

**Special Conditions**

- The term of this Agreement is for an initial period of 2/27/2015 – 2/26/2018.
- This order form represents reserved pricing for the Monroe County in support of being an early adopter for Socrata Open Data Platform, Open Budget, and Open Expenditures.
- Socrata would like to promote via a press release and social media outlets the launch of the Monroe County Open Data Platform, Open Budget, and Open Expenditures services once they've gone live to the public. Final text is subject to Monroe County's approval.

To complete this addendum, please complete any open fields above relating to Customer, sign and date the form, and either 1) scan and email the completed form to [steve.ellsworth@socrata.com](mailto:steve.ellsworth@socrata.com) or 2) fax the completed form to (206) 452-2010.

## Glossary of Terms

### **Dataset**

A dataset is a single physical collection of information, typically modeled as a table of rows and columns of data. Each Socrata Dataset contains queryable data and metadata that is controlled by the dataset publisher. A dataset may have zero or more views – filtered views, maps, charts, calendars or forms. These visualizations are unlimited, whether created by the Customer or their end-users and do not count as datasets.

The following type of datasets count towards the plan's dataset limit:

- Datasets created from an external database using the Socrata API
- Datasets created by uploading a data file (e.g. csv, xls...etc.)
- Datasets that are links to other web resources – referred to as "External Datasets"
- Datasets created by uploading non-data files (ZIP, PDF, ...etc.)
- Datasets created by uploading geospatial files including KML/KMZ, shapefiles. Each of these geospatial files may contain up to 5 layers.

The list above applies to any published dataset, whether shared publicly or privately.

The following types of datasets do not count towards the plan's dataset limit:

- File attachments that are added to any published dataset
- Datasets created as a result of the Socrata ArcGIS Connector
- Federated datasets from an external domain
- Datasets that are still in Working Copy mode and have not yet been published
- Datasets created as mashups from other existing datasets.

Socrata and the Customer may agree to break up a very large dataset into multiple smaller datasets to improve performance, without counting these towards the plan's limit.

### **Open Data API**

Application Programming Interface (API) allows authorized computer programs to read and write data from the Socrata system over the Internet. A Socrata Open Data API is automatically created for every published dataset or view.

### **Premium API**

Enterprise-class APIs, created in Socrata API Foundry, to provide scalable, reliable and secure data APIs to mission-critical cloud and mobile applications. Premium APIs can be customized, managed, throttled, and analyzed by Administrators. They also provide full API-specific documentation, client code for developers, an live API console, and an automatically generated API catalog.

## Usage Limitations

|                                     |           |
|-------------------------------------|-----------|
| <b>Storage:</b>                     | Unlimited |
| <b>Bandwidth</b>                    | 5 TB      |
| <b>API Calls per Month</b>          | 100M      |
| <b>Geocoding Requests per month</b> | 500,000   |

## Appendix 1: Socrata Products and Services Descriptions

### Subscription Services

#### Socrata Open Data Platform

The Socrata Open Data Platform enables government leaders to deliver on their transparency and digital government initiatives with unprecedented speed and costs savings. The Portal offers a complete software-as-a-service platform that unlocks the organization's data from its legacy silos and puts it into people's hands. It simplifies the entire data lifecycle, from capture and collection to distribution and consumption. Key Open Data Portal functionality includes:

- **Socrata DataSpace:** An elastic cloud-based data storage, indexing and retrieval service that simplifies data management and automatically optimizes access for a wide variety of data sources.
  - **Socrata Data Publishing Services:** Easy-to-use tools for publishing and updating data from spreadsheets, file systems and transactional databases, including real-time automated publishing.
  - **Socrata Data Discovery and Visualization:** Consumer friendly interfaces that make it easy to discover data, explore it online, visualize it with charts and maps, and share it with others.
  - **Socrata Open Data API (SODA):** An open, standards-based API that automatically provides RESTful access and an expressive query language for every dataset.
  - **Socrata Open Data Federation Services:** A game-changing technology that enables two or more organizations to exchange and aggregate their data, with one click.
  - **Socrata Data Player:** A web widget that allows government agencies to embed live data, maps and charts on their agency websites.
  - **Socrata Sitewide Analytics:** Real-time analytics on usage, distribution and traffic patterns for each dataset in the Open Data Portal.
  - **Socrata Mondara:** Extends the open data experience to geospatial data that was previously only accessible to GIS experts. Mondara makes it easy for the other 99% of users to create rich online maps instantly, and use this valuable data to power location-based services.
  - **Socrata API Foundry:** a powerful wizard-based application that simplifies the creation, deployment and management of enterprise-class APIs for mission-critical cloud and mobile applications. It dynamically creates an API catalog featuring documentation, client code libraries, and an interactive test console for each API to help developers discover, explore, and start using your APIs right away. It also includes enterprise-class capabilities for IT administrators to control fine-grained API access and security, management of application tokens, throttling, and API analytics to monitor trends and usage patterns in real-time.
-

## Socrata API Foundry

Socrata API Foundry offers data-rich organizations a powerful new way to modernize their data integration infrastructure, participate in the data economy, and support developer ecosystems around their data. API Foundry extends any enterprise system or data source with Application Programming Interfaces (APIs) that can be created and deployed in minutes to internal IT programmers, partner organizations, or external developer communities.

Socrata API Foundry includes powerful features that simplify the creation, deployment, and management of developer-ready APIs, including:

- A wizard-based application that allows a business analyst to create, customize, and deploy an API in minutes, from virtually any data source.
- Dynamic creation of an API catalog featuring documentation, client code libraries and an interactive test console for each API, to help developers discover, explore and start using your APIs right away.
- Enterprise-class capabilities for IT administrators to control fine-grained API access and security, manage application tokens, and allocate API resources in real-time.
- Internet-scale SLAs to support API deployments for mission-critical web and mobile applications and other enterprise integration interfaces.
- API analytics to monitor trends and application usage patterns in real-time.

(API Foundry can be sold and deployed as a standalone product or seamlessly integrated into any Socrata product, including the Open Data Portal.)

## Socrata Open Data Apps

As a complementary solution to the Socrata Open Data Platform, Socrata also delivers Socrata Open Data Apps. These apps are ready-to-deploy consumer apps that are purpose built for specific high-value datasets.

- **Open Budget:** A ready-to-deploy app that lets citizens explore their government's budget, along every step of the process, and at every level of the allocation hierarchy. Users, with and without budget data expertise, are able to understand how the budget impacts their interests and their neighborhood, via an intuitive and location-aware UX. For use with Socrata Open Data Portal and as part of the Socrata Financial Transparency Suite of apps that used together, provide an end-to-end view of the flow of public money. Includes up to 15 hours of professional services.
- **Open Expenditures:** A ready-to-deploy app that provides easy, intuitive ways for any user to explore and visualize their government's expenditures, by department, by type, and by vendor, for any given date range. The intuitive consumer-style user interface allows users to visualize trends, compare expenditures across departments, find total spend by vendor, and drill-down to the checkbook-level data.

## **Professional Services and Support**

### Open Data Launch Packages

The Socrata Client Services Methodology (CSM) will allow us to quickly and efficiently deploy your Open Data solution. As part of the CSM process the Socrata team will guide you from project kickoff and charter through to Go-live and launch. This service includes a Program Manager to lead the deployment, a Socrata Designer to work with you to design your Open Data Portal, and a Socrata Data Analyst will help you identify, transform, load, and visualize your data. The Socrata data analyst will help you curate your datasets for quality and will pay special attention to visual presentation and end consumer result. Weekly meetings will be run by the Socrata team throughout your deployment and up until your launch date, to assure success and deliver the anticipated results.

---

Specific deliverables of your open data launch include:

**Open Data Launch Package - Starter. Includes:**

- Project charter
- (1) Kickoff call and up to (6) weekly meetings through launch date
- DNS and SSL setup
- Site skinning, styling, and CSS
- Custom header and footer
- Integration of "suggest a dataset" functionality
- Administrative training
- Training on the upload of your first dataset via Socrata University
- Real-time integrated help connector for support.socrata.com
- Enrollment in Socrata University 101, 201 and API 101 classes
- Initial data upload of up to 5 datasets
- Data curation of up to 10 datasets
- Custom Social Data Player styling and configuration
- Graphic Design and implementation of your home page stories
- Graphic Design and implementation of your home page featured datasets

Total professional services hours not to exceed 25 hours in aggregate among Socrata staff.

This package also includes the help from our marketing and public relations team to help you with your public launch. Including a PR kit, support for a kickoff event, and open data collateral to share with internal staff.

**Open Data Applications Launch Package. Includes:**

**Open Budget:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

**Open Expenditures:**

- Creation of project charter including goals for go-live
- App Activation
- (1) Kickoff call and up to (3) meetings through launch date
- DNS setup
- Administrative training on the app including content management
- Training and education on the app and on the data schema including supporting documentation
- Training and education on data ingress and our toolset, including DataSync™
- Data integration services within scope of total hours budget
- Assistance in training on the upload of your first dataset via Socrata University
- Enrollment in Socrata University 101, 201, API, and Integration Classes

Total professional services hours not to exceed 30 hours in aggregate among Socrata staff.

---

---

### **Socrata Basic Customer Support Packages**

The Socrata Basic Customer Support Package includes the following elements. This package does not include support for customizations performed by Customer.  
Elements include:

- Access to the Socrata knowledge base via the support portal at [support.socrata.com](http://support.socrata.com)
- Access to the Socrata Community portal
- 8:00am to 5:00pm PT Email and Phone support
- Four-hour response window during business hours

---

## Appendix 2: Socrata General Terms & Conditions

### 1. Definitions

The terms defined below or elsewhere in this Agreement will have their respective meanings when used in this Agreement.

"Confidential Information" means any information that a receiving party knows or has reason to know is confidential or proprietary information of the disclosing party. However, Confidential Information does not include any information that: (a) was known to the receiving party prior to receiving the same from the disclosing party in connection with this Agreement; (b) is independently developed by the receiving party; (c) is acquired by the receiving party from another source without restriction as to use or disclosure; or (d) is or becomes part of the public domain through no fault or action of the receiving party.

"Customer" means the party signing the Order Form, including all employees, agents, representatives or contractors who use the Service on behalf of Customer.

"Customer Content" means any datasets, discussion forums, and other interactive areas, features or services which Customer creates, posts or stores or uploads to the Site, including, without limitation, any content, messages, materials, data, datasets, data structures, spreadsheets, entries, information, text, music, sound, photos, video, graphics, code or other items or materials that Customer has not designated as private.

"Order Form" means the order form to which these terms are attached, which describes the Services to be purchased by Customer and the prices therefor.

"Private Customer Content" means Customer Content that Customer designates as private through the Socrata User Interface ("Socrata UI"). Private Customer Content will be treated as Confidential Information.

"Site" means the Customer web properties using the Socrata software applications under this Agreement.

"User" means any third party end user (who is not an employee, agent, representative or contractor of Customer) that accesses the Site.

"User Content" means any datasets, discussions, saved views and visualizations, comments and other data posted or submitted by a User in any discussion forums or other interactive areas through use of the Customer Content on a Site for which Socrata provides Services hereunder.

### 2. Limited License; Changes

(a) **License to Customer.** Customer is hereby granted a limited, nonexclusive, non-sublicensable, non-transferable license to access and use the Site, the online Socrata software applications made available by Socrata, if any, for use by Customer with the Site ("Site Applications") and the Services, including the right to load, store and display Customer Content on the Site. The license is subject to the

---

terms of this Agreement and does not include the right to: (i) operate or use the Site or the Site Applications on behalf of other entities or persons (e.g., operate as a service bureau) other than as may be approved by Socrata; (ii) modify, reverse engineer or otherwise make any derivative uses of the Site or the Site Applications, or any portion thereof; or (iii) use of the Site, the Site Applications or the Services other than for their intended purposes. Customer will use the Site, Site Applications and the Services in conformance with applicable laws, rules and regulations including, without limitation, all applicable privacy laws. Any use of the Site, the Site Applications or the Services other than as specifically authorized herein, without the prior written permission of Socrata, is strictly prohibited and may result in Socrata terminating the license.

(b) **Changes to Service.** Socrata regularly upgrades and updates the Services and Site Applications. This means that the Services and Site Applications are continually evolving. Some of these changes will occur automatically, while others may require Customer to schedule and implement the changes. The changes may also mean that Customer needs to upgrade its equipment in order to make efficient use of the Services. Socrata will provide Customer with advance notification in this case.

### 3. Customer Password; Access to Private Customer Data

(a) **Customer Passwords.** Customer agrees to (i) maintain the security of Customer's password or key provided by Socrata to access and load Customer Content on the Site; and (ii) accept all risks of unauthorized access to the Customer Content or other information Customer provides to Socrata. Customer is responsible for all activity that occurs under Customer's account, and Customer should not share Customer's password with any third party.

(b) **Private Customer Content Access.** The Customer, using Socrata UI, will control access of Users to Private Customer Content. The Services will restrict permissions to such Private Customer Content accordingly. Socrata is not responsible for verifying the identities of anyone using log-in credentials to access the Private Customer Content, and shall have no liability for any unauthorized access.

### 4. Fees; Payment

Customer agrees to pay the fees described in the Order Form during the term of this Agreement ("Service Fees"). Platform Fees entitle Customer to certain data storage and data delivery levels each month, as measured in 'bytes' and detailed on the Order Form. If Customer exceeds the applicable Services monthly usage limits, Socrata will notify Customer of such overage. Customer will either take steps to keep its usage under the applicable limits, or engage with Socrata to upgrade the Service to the appropriate usage level. If Customer exceeds the monthly usage limits for 3 consecutive months during the term of this Agreement and has not engaged with Socrata to upgrade the Service to the appropriate usage level, Socrata may terminate the Services by written notice to Customer. Socrata may suspend Customer's access to the Service if Customer fails to pay Service Fees. Customer will reimburse Socrata for the reasonable travel related costs it incurs in connection with this Agreement, provided Customer has pre-approved said travel.

Payment is due within thirty (30) days of invoice. If Socrata has the legal obligation to pay or collect taxes for which Customer is responsible, the appropriate amount will be invoiced to and paid by Customer, unless Customer provides Socrata with a valid tax exemption certificate authorized by the

---

appropriate taxing authority. If any charges are not received from Customer by the due date, then at Socrata's discretion, (a) such charges may accrue late interest at the rate of 1% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

## 5. Confidentiality

Each party reserves any and all right, title and interest that it may have in or to any Confidential Information that it may disclose to the other party under this Agreement. The receiving party will protect Confidential Information of the disclosing party against any unauthorized use or disclosure to the same extent that the receiving party protects its own Confidential Information of a similar nature against unauthorized use or disclosure, but in no event will use less than a reasonable standard of care to protect such Confidential Information. The receiving party will use any Confidential Information of the disclosing party solely for the purposes for which it is provided by the disclosing party. This paragraph will not be interpreted or construed to prohibit: (a) any use or disclosure which is necessary or appropriate in connection with the receiving party's performance of its obligations or exercise of its rights under this Agreement or any other agreement between the parties; (b) any use or disclosure required by applicable law (e.g., pursuant to a government order, applicable securities laws or legal process), provided that the receiving party uses reasonable efforts to give the disclosing party reasonable advance notice thereof (e.g., so as to afford the disclosing party an opportunity to intervene and seek an order or other appropriate relief for the protection of its Confidential Information from any unauthorized use or disclosure); or (c) any use or disclosure made with the consent of the disclosing party.

## 6. Customer Content

(a) **Customer Content.** Customer is solely responsible for all Customer Content and the use of the interactive areas of the Site by Customer. Customer agrees not to post, upload to, transmit, distribute, store, create or otherwise publish through the Site (including in its datasets) Customer Content that is (i) libelous, defamatory, obscene, pornographic, indecent, lewd, suggestive, harassing, threatening, invasive of privacy or publicity rights, abusive, inflammatory, fraudulent or otherwise objectionable; (ii) would constitute, encourage or provide instructions for a criminal offense, violate the rights of any party, or that would otherwise create liability or violate any local, state, national or international law; (iii) may infringe any patent, trademark, trade secret, copyright or other intellectual or proprietary right of any party; or (iv) contains the private information of any third party, including, without limitation, Social Security numbers and credit card numbers. By posting any Customer Content, Customer represents and warrants that Customer has the lawful right to distribute and reproduce such Customer Content.

(b) **No Liability for Content.** Socrata takes no responsibility and assumes no liability for any Customer Content or User Content posted, stored or uploaded on the Site or Services by Customer or any third party, or for any loss or damage thereto, nor is Socrata liable for any mistakes, defamation, slander, libel, omissions, falsehoods, obscenity, pornography or profanity that Customer and its end users may encounter. Customer's reliance on any content that it obtains through use of the Site, the Site Applications and the Services is at Customer's own risk.

---

(c) **Removal of Content; Violations.** Although Socrata has no obligation to screen, edit or monitor any of the Customer Content or other non-Socrata provided content posted on the Site or to the Services, SOCRATA RESERVES THE RIGHT, AND HAS ABSOLUTE DISCRETION, TO REMOVE, SCREEN OR EDIT ANY CONTENT POSTED OR STORED ON THE SITE OR UPLOADED TO THE SERVICES AT ANY TIME AND FOR ANY REASON WITHOUT NOTICE OR TO REQUIRE CUSTOMER TO DO THE SAME, AND CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE. Any use of the Site, the Site Applications or the Services in violation of the foregoing violates this Agreement and may result in, among other things, termination or suspension of Customer's right to use the Site, the Site Applications and the Services.

#### 7. **Ownership; Licenses from Customer**

(a) **Customer Content.** Customer owns all Customer Content, including any intellectual property rights therein, but excluding the Suggestions described in Section 8 below.

(b) **Socrata Ownership.** Socrata solely owns the intellectual property in the Site and the Site Applications. Unless explicitly stated herein, nothing in this Agreement will be construed as conferring any license to Customer of any other intellectual property rights of Socrata or its third party licensors or suppliers, whether by estoppel, implication or otherwise.

(c) **Licenses from Customer.**

(i) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, sub-licensable royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Customer Content (excluding Private Customer Content) in connection with Socrata's provision of Services to Customer or to Socrata's provision of services to users. Customer understands that once content has been provided to users, Socrata has limited ability to restrict or control that content.

(ii) During the term of this Agreement, Customer grants Socrata and its affiliates a nonexclusive, royalty-free right to use, reproduce, modify, adapt, publish, create derivative works, distribute, perform and display any Private Customer Content solely in connection with Socrata's provision of Services to Customer.

(d) **Customer Marks.** Customer grants Socrata and its affiliates and sublicensees the right to display and use Customer's name, trademark and/or logos provided by Customer (the "Customer Marks") in connection with the Customer Content and the Site. All goodwill associated with Socrata's use of the Customer Marks will inure to the benefit of Customer.

#### 8. **Suggestions**

By submitting suggestions or feedback to Socrata regarding the Site, the Site Applications or the Services, Customer agrees that such items submitted do not contain confidential or proprietary information; and Customer hereby grants Socrata an irrevocable, unlimited, royalty-free and fully-paid perpetual license to use such items for any business purpose.

---

**9. Infringement**

In accordance with the Digital Millennium Copyright Act (DMCA) and other applicable law, Socrata has adopted a policy of terminating, in appropriate circumstances and at Socrata's sole discretion, Users and Customers who are deemed to be repeat infringers. Socrata may also at its sole discretion limit access to the Services and Site and/or terminate the accounts Customer if Socrata receives complaints that the Customer Content infringes any intellectual property rights of others, whether or not there is any repeat infringement.

**10. Support**

Socrata will provide support to Customer in accordance with Socrata's general support services described at <http://support.socrata.com/home>.

**11. Publicity**

Socrata may use the Customer Marks on Socrata's website, on publicly available customer lists, and in media releases to identify Customer as a customer of Socrata. Subject to pre-publication review, Customer may agree to participate with Socrata in the development and publication of a press release announcing the launch of the Services, a case study and reasonable requests for participation in live events highlighting Customer's use of the Services.

**12. Representations and Warranties**

Customer represents and warrants that (a) Customer owns and controls all of the rights to the Customer Content or Customer otherwise has the right to post such Customer Content to the Site; (b) the Customer Content is accurate and not misleading; and (c) the use and posting of the Customer Content does not violate this Agreement and will not violate any rights of or cause injury to any person or entity. Customer acknowledges and agrees that Socrata may collect and analyze the data and data structures Customer or any User posts on the Site, whether private or public, and Customer's other activities on the Site in order to tailor the Services on Socrata to individual user needs and interests and make the Services the best possible user experience.

**13. Reserved.**

**14. Warranty Disclaimer**

THE SITE, SITE APPLICATIONS AND THE SERVICES ARE PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED. SOCRATA DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT AS TO THE INFORMATION, CONTENT AND MATERIALS IN THE SITE. WHILE SOCRATA WILL ATTEMPT TO MAKE CUSTOMER'S ACCESS AND USE OF THE SITE, SITE APPLICATIONS AND SERVICES SAFE, SOCRATA CANNOT AND DOES NOT REPRESENT OR WARRANT THAT THE SITE, SITE APPLICATIONS OR SERVICES ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS THAT ARE OUTSIDE SOCRATA'S REASONABLE CONTROL.

---

**15. Term; Termination; Survival**

- (a) **Term.** The term of this Agreement is as set forth on the Order Form. Thereafter, the Agreement will automatically renew for successive 12-month periods unless either party gives notice within 60 days of the end of the then-current term.
- (b) **Termination.** If either party breaches this Agreement and does not cure such breach within 30 days of receipt of written notice from the other party of such breach, the non-breaching party may, without notice and in its sole discretion, suspend Customer's use of the Site, Site Applications and the Services (with respect to Socrata) or terminate this Agreement (with respect to both Customer and Socrata). Upon termination, Socrata will take down the Site, Site Applications and Services (as applicable), delete any Customer Content stored on its systems (provided that Socrata may keep one copy of the Customer Content for archival purposes in the event of any future actions arising out of the Agreement) and delete any publishers and administrators unique to Customer's domain. **CUSTOMER IS SOLELY RESPONSIBLE FOR CREATING BACKUP COPIES OF AND REPLACING ANY CUSTOMER CONTENT POSTED OR STORED ON THE SITE AT CUSTOMER'S SOLE COST AND EXPENSE.**
- (c) **Survival.** Sections 1, 4, 5 6(a), 6(b), 7(a), 7(b), 8, 12, 14, 15(b), 15(c) and 18-23 shall survive termination of this Agreement.

**16. Limitation of Liability**

IN NO EVENT WILL SOCRATA, ITS DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY DIRECT, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR ANY OTHER DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF USE, LOSS OF PROFITS OR LOSS OF DATA, WHETHER IN AN ACTION IN CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE) OR OTHERWISE. IN NO EVENT WILL THE AGGREGATE LIABILITY OF SOCRATA, WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, WHETHER ACTIVE, PASSIVE OR IMPUTED), PRODUCT LIABILITY, STRICT LIABILITY OR OTHER THEORY EXCEED ANY FEES CUSTOMER PAID TO SOCRATA IN THE 12 MONTHS PRIOR TO THE DATE ON WHICH THE CLAIM AROSE.

**17. Applicable Law and Venue**

This Agreement will be governed by and construed in accordance with the laws of [CUSTOMER JURISDICTION], without resort to its conflict of law provisions. Each party agrees that any action at law or in equity arising out of or relating to this Agreement will be filed only in the state and federal courts located in [CUSTOMER JURISDICTION] and each party hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction of such courts over any suit, action or proceeding arising out of this Agreement.

**18. Arbitration**

CUSTOMER AND SOCRATA AGREE THAT THE SOLE AND EXCLUSIVE FORUM AND REMEDY FOR ANY AND ALL DISPUTES AND CLAIMS RELATING IN ANY WAY TO OR ARISING OUT OF THIS AGREEMENT, THE SITE, THE SITE APPLICATIONS AND/OR THE SERVICES WILL BE FINAL AND BINDING ARBITRATION, except that with respect to any claims that a party has infringed upon or violated or threatened to infringe upon or violate the other party's patent, copyright, trademark or trade

secret rights, then the parties acknowledge that arbitration is not an adequate remedy at law and that injunctive or other appropriate relief may be sought. Arbitration under this Agreement will be conducted by a mutually agreed upon arbitration body under the American Arbitration Association ("AAA"). The location of the arbitration will be in Seattle, Washington and the allocation of costs and fees for such arbitration will be determined in accordance with such AAA Rules and will be subject to the limitations provided for in the AAA Consumer Rules (for consumer disputes). The arbitrator's award will be binding and may be entered as a judgment in any court of competent jurisdiction.

In no event will any claim, action or proceeding by Customer related in any way to the Site, the Site Applications and/or the Services be instituted more than three (3) year after the cause of action arose.

#### **19. Notices**

Any notice provided pursuant to this Agreement will be in writing and will be deemed given (a) if by receipted email or facsimile, upon electronic confirmation thereof; (b) if by hand delivery, upon receipt thereof; (c) if by prepaid, certified or registered mail or courier, upon confirmation of the delivery of such mail by return receipt or signature confirmation; or (d) if by next day delivery service, upon such delivery. All notices to Customer will be addressed to the address and person designated on the Order Form. All notices to Socrata will be addressed to Socrata, Inc., 83 King Street, Suite 107, Seattle, WA 98104 Attn: VP Finance and Administration; Fax: 206-452-2010.

#### **20. Assignment**

Neither this Agreement nor any interest in this Agreement may be assigned by Customer without prior express written approval of Socrata.

#### **21. Severability**

If any portion of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all the remaining terms, will remain in full force and effect as if such invalid or unenforceable portion had never been included. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the greatest extent possible.

#### **22. Entire Agreement**

This Agreement terminates and supersedes all prior understandings and agreements of the parties regarding the Site, the Site Applications, the Services and the other subject matter hereof. This Agreement may be modified only by a further writing that is duly executed by both parties. This Agreement does not alter in any way the terms or conditions of any other agreement Customer may have with Socrata, or its subsidiaries or affiliates, for other products, services or otherwise.

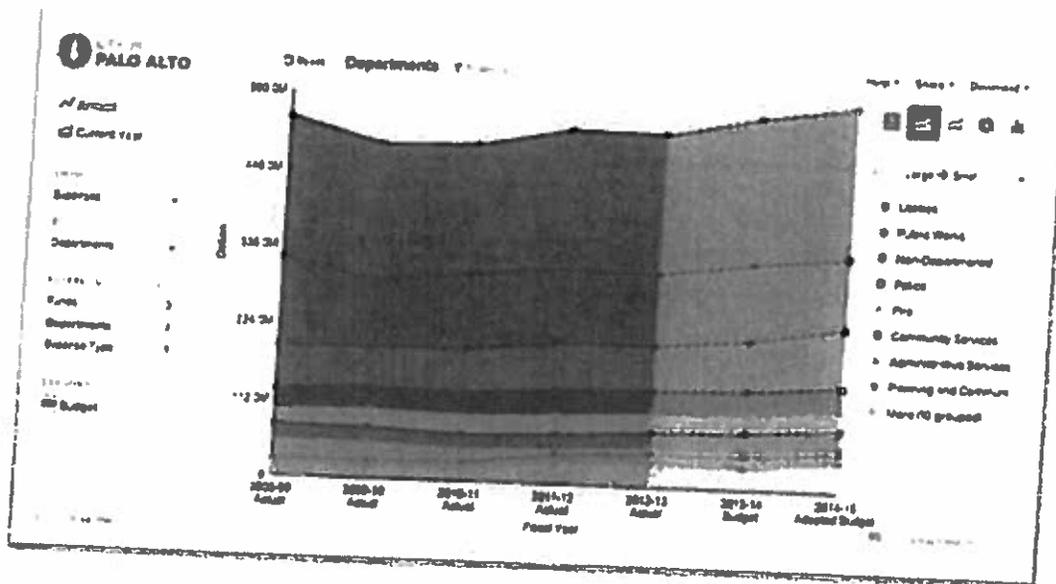

---

**23. U.S. Government Restricted Rights.**

*The Site, Site Applications and Services are commercial products, developed at private expense, and provided with restricted rights. Use, reproduction, release, modification or disclosure of the Site, Site Applications and Services, or any part thereof, including technical data, by the United States Government is restricted in accordance with Federal Acquisition Regulation ("FAR") 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement ("DFARS") 227.7202 for military agencies.*

## Summary

The OpenGov Platform is the world's most powerful management reporting and financial transparency tool for governments. The Platform visualizes County financial data on the web, matching General Ledger data to the Chart of Accounts and enabling users to generate their own graphs and charts with a few clicks of a mouse. Users can drill-down to the object or project level, filter data by fund, department, or object code and instantly compare operations to budget. See for yourself: <http://info.opengov.com/opengov-in-5-minutes>

## OpenGov Delivers

- Powerful Internal Financial Analysis
- Dynamic Financial Presentations
- Engaging Public Transparency

## Return on Investment

- Data Driven Decisions
- Saved Staff Time
- Enhanced Public Trust

## The OpenGov Advantage

- Available Anytime, Anywhere on the Web
- Both Internal Analysis And Public Transparency
- Specialized for Financial Data, The Most Complex And Important Data
- Compatible With All Financial Systems
- Rapid Implementation

## Customer Success

More than 190 governments all over the country and internationally have joined OpenGov. Here are some examples of their success:

"The City Council - across the board - said they wanted more reports like this. OpenGov is more informative than basic audit reports. It sets a new standard. I've never seen our Council so excited about financial data presentation."

- Kim Sarkovich, Assistant City Manager/CFO Rocklin, CA

"OpenGov helps the Town of Atherton save hundreds of hours each year communicating financial information to council and the community."

- George Rodricks, City Manager Atherton, CA

"We are currently updating our 10 year financial strategic plan for the City of Thousand Oaks, and the 10 years of historical data on the OpenGov platform will prove to be extremely valuable during this process."

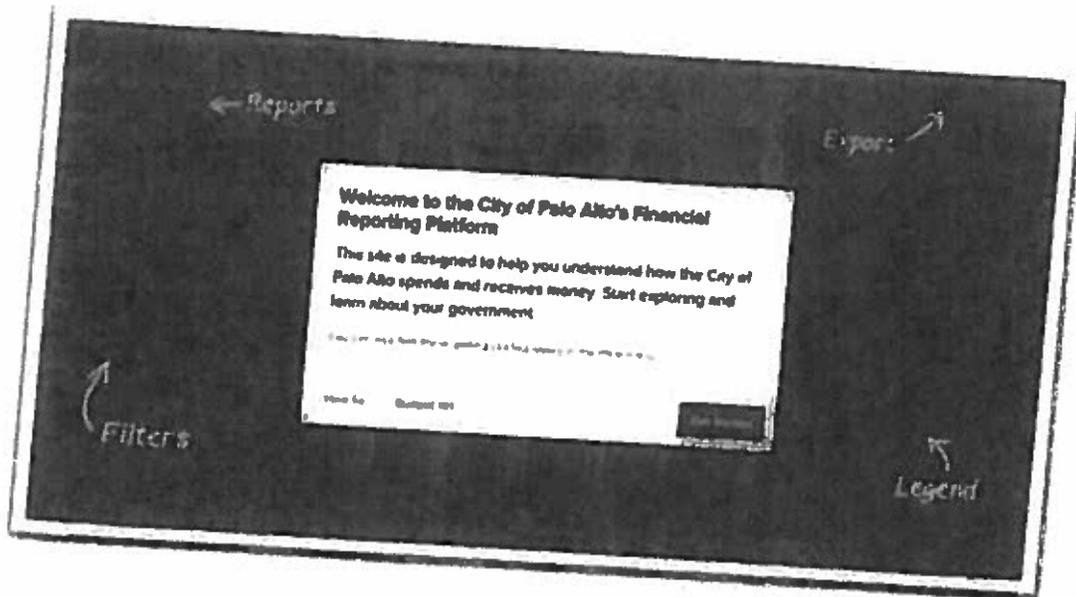

- Jamie Boscarino, Finance Director Thousand Oaks, CA

"The trust this builds in our community is priceless."

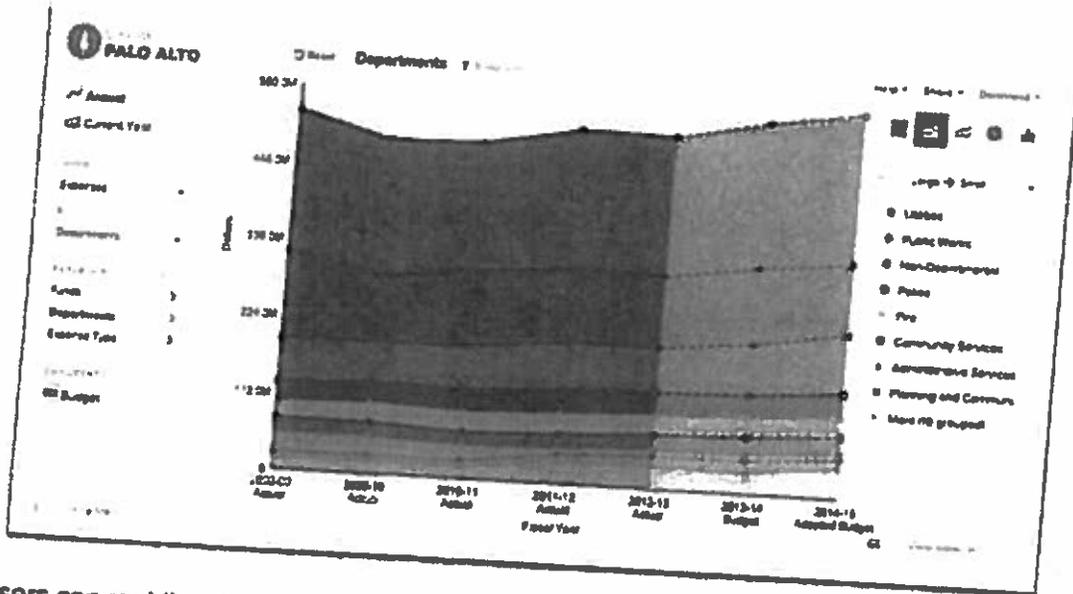

- James Keene, City Manager Palo Alto, CA

### Intuitive User Experience

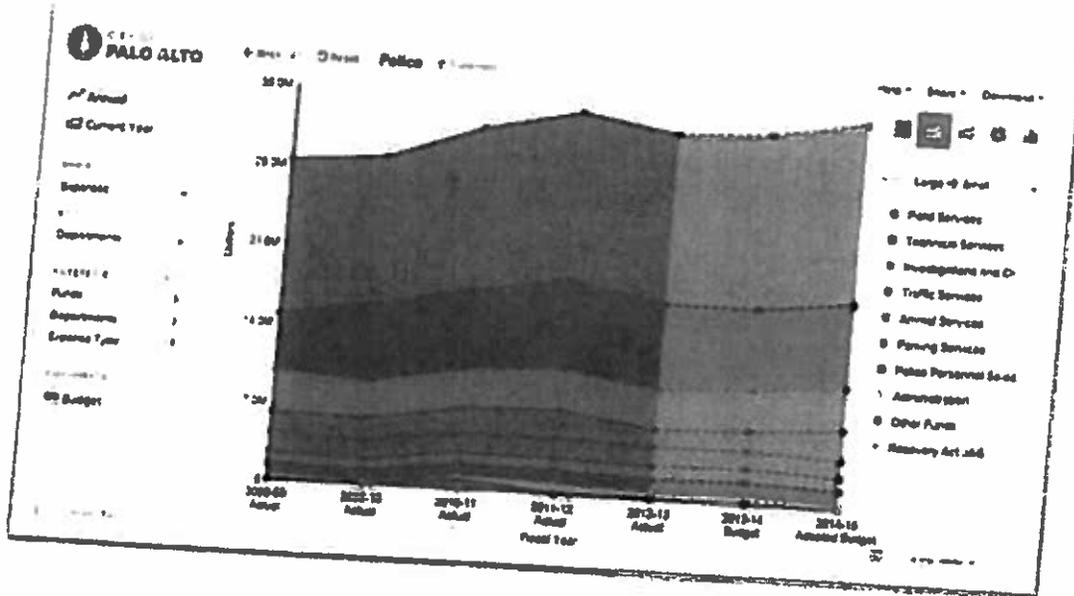

When a user first visits the OpenGov Platform, he or she sees a welcome screen that orients the user to the site.

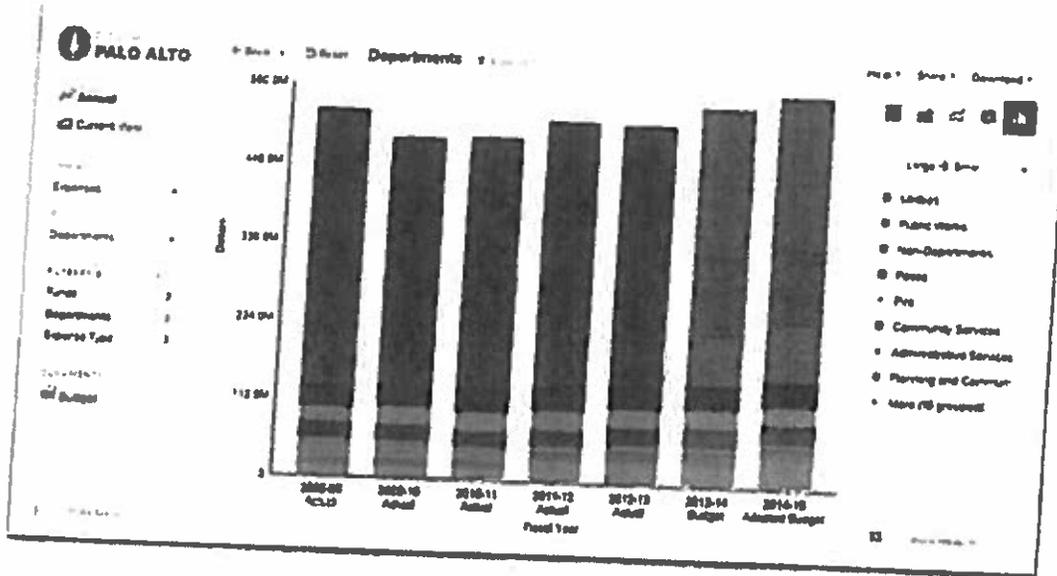

Users then see a visual, high-level summary of where the organization is receiving funding from, and how those funds are being spent.

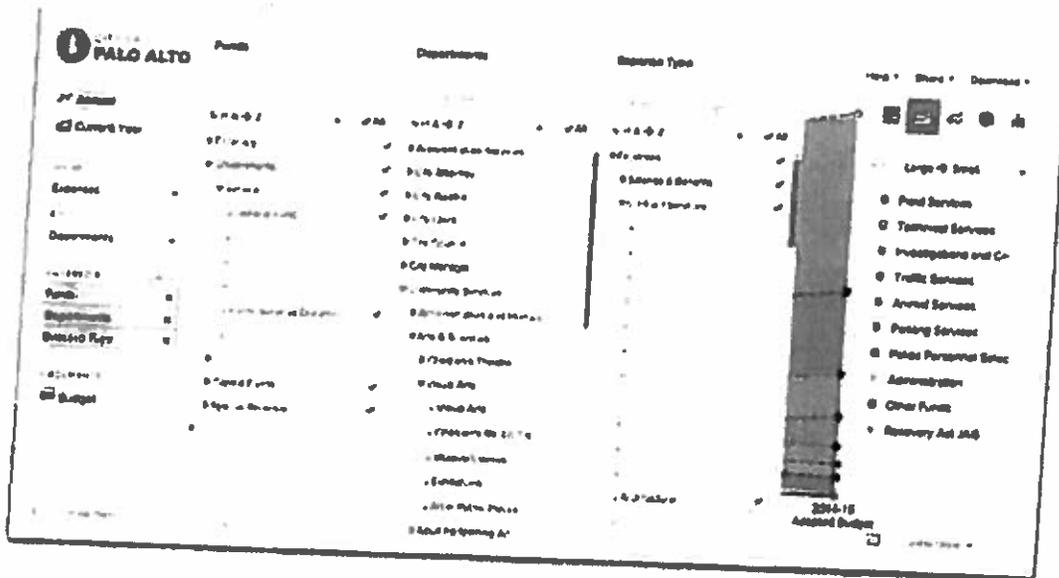

Users can rapidly drill-down to the details by simply clicking on the subject of interest.

Users can view multiple types of graphs, including stacked line, stacked percentage, line, bar, and pie charts.

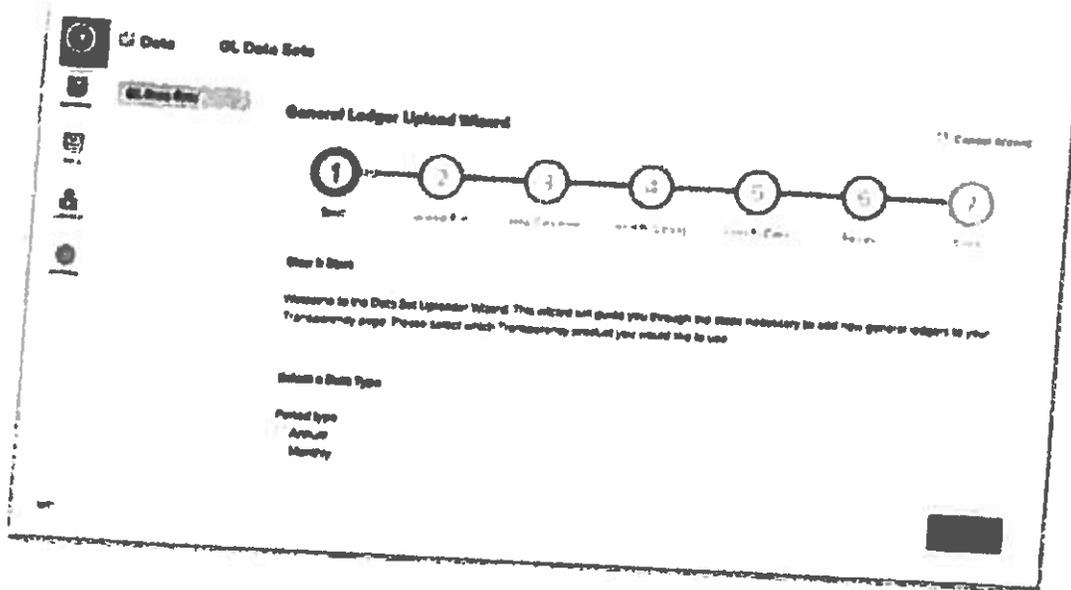

Users can also filter the data by fund, department, or expense or revenue type and export tables and graphs as images and spreadsheets.

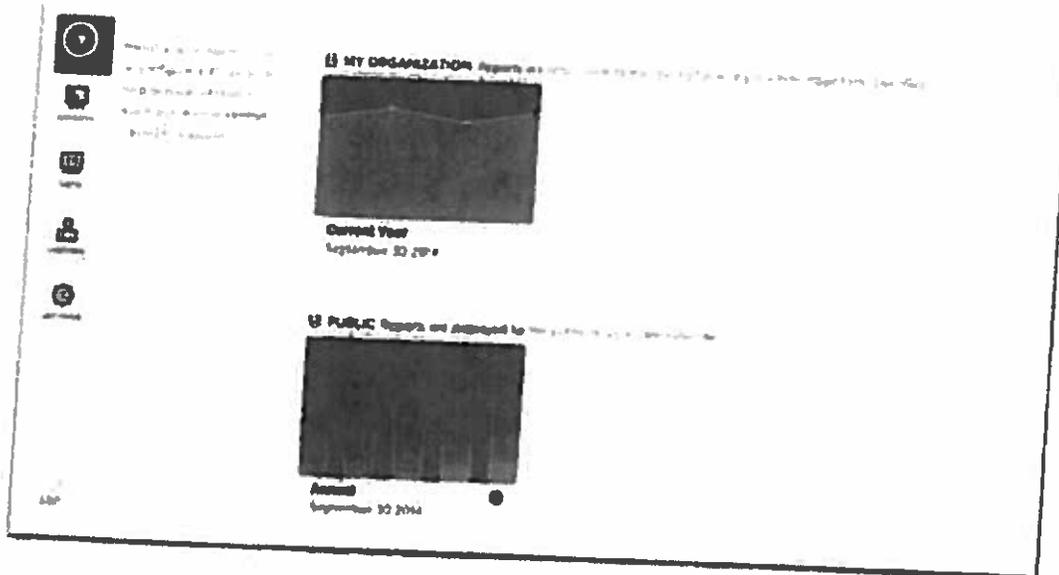

**Customer Control**

The County will have full control over its site through OpenGov's Control Panel. The Control Panel allows users with administrator privileges to view visitor analytics and upload new data at any time.

Administrators can also edit reports and make them public or private so they are viewable only by County staff. Users with password access can view private versions of each report.

### Powerful Reports

OpenGov will implement four reports:

- **Annual:** Visualize trends in spending and revenue data. Drill-down to the object or project level.
- **Current Year:** Compare actual spending in the current year to budget and to prior years.
- **Balance Sheet:** See the County's assets, liabilities, and equities in graphical and tabular form.
- **Transactions:** Analyze the County's transactions through a tabular view that links each transaction to the County's Chart of Accounts.

The County can create a public and a private version of each report.

### **Cutting Edge Technology**

OpenGov sites are securely hosted on Amazon AWS cloud servers and are accessible from any computer with an internet connection and a web browser anywhere in the world. The public can easily access the County's OpenGov site from a link on the County's website.

OpenGov's powerful software will allow the County to:

- Analyze data through a user-friendly interface designed to make complex data accessible to every citizen, staff member, and elected official.
- View data in multiple graphical formats: stacked line, percentage stacked line, trend line, bar graph, and pie chart – as well as tabular formats.
- View and analyze data according to the structure the County's own Chart of Accounts.
- Filter data by simultaneously by fund, department, expense type and any other category present in the County's Chart of Accounts and view data at any level.
- Display information for multiple departments, division, funds, or financial categories on the same graph.
- Compare current year spending trends to budget and to historical spending trends.
- Download general ledger data to image, table, or spreadsheet.
- View educational and tutorial content designed to introduce users to municipal finance.
- Enable access by unlimited users 24/7.

### **Rapid Onboarding**

The OpenGov Platform deploys quickly with minimal effort by County staff. Sites can be ready for release in a matter of weeks with just hours of work from County staff.

The OpenGov Platform uses off-the-shelf reports from any ERP or accounting system. The County will provide data in Excel or CSV format using the same reports employed for monthly budget to actual reports or for audits as part of the year end evaluation process. Our staff does not need to access your internal accounting system, we simply port the data to the Platform to build your site.

OpenGov will perform the necessary data work required to construct the site and will also maintain and host the County's site for the duration of the contract. OpenGov will also provide all necessary support and training. An OpenGov Account Manager will be available for phone support regarding the product and any technical issues.

OpenGov's Technical Services Division will construct the County's site. Our Technical Services Division is led by professionals with decades of combined experience in municipal finance and has guided 160+ governments through the site building process.

OpenGov will follow project management best practices in building and maintaining the County's site. The key milestones are as follows:

1. Kick-off Call with OpenGov's Technical Services Division and the County's team, during which OpenGov will guide the County through the data export process.
2. The County sends OpenGov a data sample.
3. OpenGov's Technical Services Division reviews the sample and provides feedback.
4. The County sends its data export.
5. OpenGov prepares a draft site for customer review. The draft site is private and not open to the public.
6. The County provides comments on the draft site and OpenGov implements the comments.
7. The County approves the site. OpenGov provides training for staff as needed.

#### **Costs**

The County will pay OpenGov a flat annual fee of \$34,500 for this software service. There is no onboarding fee if the County signs before January 1, 2015. After December 31<sup>st</sup> 2014, there will be a \$8,625 implementation fee.

This price includes:

- OpenGov's Annual, Current Year, Balance Sheet, and Transactions Views.
- Site hosting on multigeographic, redundant Amazon cloud servers.
- Site maintenance.
- Data updates.
- Technical support.
- Training webinars.

## Ferda-Elaine

---

**From:** Historic Florida Keys Foundation <hfkf@bellsouth.net>  
**Sent:** Monday, December 14, 2015 8:51 AM  
**To:** Ferda-Elaine  
**Subject:** Fw: Historic Preservation Commission - résumé

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Hi Elaine,  
Anne-Marie Victor-Howe is interested in serving on the HPC. She is highly qualified and would make a great candidate for our vacant position. Please let me know if we can get her on the January BOCC agenda.

Thanks, Diane

**ANNE-MARIE VICTOR-HOWE**

149 Sunrise Drive, Tavernier, FL 33070

(305) 916-0041

[amvhowe@gmail.com](mailto:amvhowe@gmail.com)

**EMPLOYMENT**

**Peabody Museum of Archaeology and Ethnology, Harvard University,  
Cambridge, MA**

**Curatorial Associate for North American Ethnology, 1993-2003.**

- Researching, analyzing and interpreting objects in the Peabody's North American ethnographic collection;
- Lecturing about ethnographic objects;
- Facilitating research visits by scholars and Native American artists;
- Writing grants for funding from a variety of government (e.g., U.S. National Park Service) and non-profit organizations;
- Initiating and leading the commission of a new totem pole for the Peabody Museum, carved by a Tlingit master carver;
- Coordinating the ceremony and protocol for installing the new pole at the Peabody;
- Video recording repatriation of the old pole to Alaska;
- Curating and writing *Rainmakers from the Gods; Hopi Katsinam*, exhibits at Tozzer Library (Harvard) and online;
- Initiating and coordinating a lecture and demonstration of Mid-Columbia basketry weaving by an Upper Chinook artist;
- Giving lecture tours of selected exhibits to Dartmouth College graduate students;
- Tutoring Harvard University, Harvard Divinity School, and University of Massachusetts undergraduate and graduate students;
- Supervising Harvard College student internships in anthropology at the Peabody Museum.
- Researching and analyzing historical photos of Northwest Coast subjects in the Peabody Museum's archives;
- Researching and writing assessments of Native American objects requested by the tribes under the Native American Graves and Repatriation Act (NAGPRA);
- Researching and writing extended descriptions of nine objects for *Arts of Diplomacy, Lewis and Clark Indians Collections*, a book about the Peabody Museum of Archaeology and Ethnology's collections of ethnographic objects from the Lewis and Clark Expedition;

**State of Alaska, Department of Fish and Game, Juneau, Alaska, 1991-1993**  
**Subsistence Specialist.** Researched and analyzed subsistence use patterns of the Tlingit, Haida, and Tsimshian; researched historic and modern Tlingit and Haida trade patterns; wrote a report on Tlingit and Haida trading activities.

**University of Alaska Museum, Fairbanks, Alaska, 1986-1991**

**Associate Curator of Ethnology.** Researched the ethnographical and archaeological collection of Otto Geist, an Alaskan naturalist, ethnographer and archaeologist; implemented an exhibit and gave several lectures about Geist.

## CONSULTING

**Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA**

**Research Associate, Arts and Sciences, 2003 to present.** Researched and wrote *Feeding the Ancestors: Tlingit Carved Horn Spoons*. Extensive consultation in Alaska with Tlingit, Haida, and Tsimshian elders, scholars, and carvers, and analysis and interpretation of the objects themselves and many photographs and videos. The book:

- Presents carved spoons collected in Alaska in the late nineteenth century;
- Introduces the collectors and describes how these and other ethnographic objects were acquired;
- Explains the manufacture and function of traditional spoons;
- Tells the clan stories associated with figures carved on the spoons' handles;
- Provides a detailed account of a post-funeral ceremony or "potlatch";
- Demonstrates how the spoons were used as a crucial medium through which food was transferred to humans and the spirit of the deceased;
- Describes traditional shamanic uses of Tlingit carved horned spoons.

**Smithsonian Institution, Washington, DC, Consultant, 2003-2004.**

Researched and wrote an assessment of objects in the collections of the National Museum of Natural History, Smithsonian Institution, requested by Tlingits under the Native American Graves Protection and Repatriation Act (NAGPRA).

**Consultant for private collections, 2003 to present**

Researched and wrote reports for collections in the United States and Europe.

## EDUCATION

**Sorbonne University, Paris.** *The Whale Hunting Rituals of the Siberian Yupiq and the Inupiaq, Bering Strait, Alaska*, Doctorat (Ph.D.) 1987, cultural anthropology. Based on former studies, including published and unpublished literature, drawings made by a Siberian Yupik woman during the winter of 1927-28 at her camp at North East Cape, historical photographs and videos,, and my field research between 1980 and 1986, the thesis describes and analyses whale hunting and its rituals in the villages of Gambell on St. Lawrence Island in the Bering Sea, and Point Hope, on the northwest coast of Alaska, between Kotzebue and Point Barrow. It explains that whaling is a cosmogonical enterprise in which men and animals are partners, respectful of each other's lives.

**Sorbonne University, Paris.** *Songs and Dances of the St. Lawrence Island Eskimos*. Diplome d'Etudes Approfondies (DEA) (Master Degree) 1985, cultural anthropology, The thesis describes the songs and dances as they were learned and performed by the islanders before 1900. It is based on my field research in 1980. It shows that dances and songs were a vehicle for spiritual activities and were also held for recreational or social entertainment. Both dances and songs were the product of the perception and an intimate knowledge of the natural world.

**Ecole des Hautes Etudes et Sciences Sociale, Paris.** *Traditional Inupiaq Music and Dances, Kotzebue, Alaska*. Diplome d'Etudes Approfondies (D.E.A.) (Master Degree) 1976, cultural anthropology. Based on field research and a video recording of traditional dances and

performances of traditional subsistence activities, the thesis examines the status of traditional dances in present-day society.

## PUBLICATIONS

*Feeding the Ancestors: Tlingit Carved Horn Spoons (book: 117 pages, illustrated).* Peabody Museum Press, Harvard University, May, 2007.

Researched and wrote 6 extended articles—*Basketry Whalers' Hats, Root-Gathering Basket (Sally Bag), Woman's Fiber Skirt, Black-Rimmed Hat, Top Hat and Sailor's Cap, Chinook Cradles*—in *Arts of Diplomacy, Lewis and Clark Indians Collection*, a book about the Peabody's collections of ethnographic objects from the Lewis and Clark Expedition Castle McLaughlin, Peabody Museum of Archaeology and Ethnology, Harvard University, 2003.

*Harvest and Trade of Herring Eggs on Kelp in a Haida Community, Prince of Wales Island, Southeast Alaska.* Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 2002.

*What Repatriation is all about.* In *Cultural Survival Quarterly*, Spring 2002.

*Xuts: Chief of the Woods and the Tlingit of North America.* In *Forest and Civilizations*, edited by Yoshinori Yasuda. Roli Books Pvt., New Delhi, 2001.

Contributor: *Ecology, Harvest, and Use of Harbor Seals and Sea Lions: Interview Materials from Alaska Native Hunters.* Alaska Department of Fish and Game Publications, Division of Subsistence, Juneau, Alaska, 1999.

*Rainmakers from the Gods: Hopi Katsinam at the Peabody Museum.* In *Symbols*, publication of the Peabody Museum of Archaeology and Ethnology and the Department of Anthropology, Harvard University Press, 1998.

Contributor: *Subsistence Use Patterns in Southeast Alaska: Summary of Thirty Communities.* Martha F. Betts, Robert F. Schroeder, Thomas F. Thornton and Anne-Marie Victor. Alaska Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 1996.

Contributor: *Tlingit Seal Hunting.* Alaska Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 1994.

Contributor: *The Subsistence Harvest of Harbor Seal and Sea Lions by Alaska Natives in 1993.* Technical Paper No. 233, Part 2. Alaska Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 1993.

Contributor: *The Subsistence Harvest of Harbor Seal and Sea Lion by Alaska Natives in 1992.* Technical Paper No. 229, Part 1. Alaska Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 1993.

Contributor: *Harvest and Use of Herring Roe in Southeast Alaska Communities.* Robert F. Schroeder, Mathew Kookesh, Anne-Marie Victor. Alaska Department of Fish and Game Publication, Division of Subsistence, Juneau, Alaska, 1993.

*Dance and Songs of the St. Lawrence Island Eskimo.* In *Etudes/Inuit/Studies*, University Laval, Quebec, 1992.

*Pathfinders of the Universe: Inupiaq and Siberian Yupik Dances.* In *Proceedings of the International Symposium on the Comparative Studies of the Music, Dances, and Games of the Northern Peoples*, Hokkaido University of Education Publication, Sapporo, Japan, 1992.

*Symbolic Elements of Whale Hunting.* In *Etudes/Inuit/Studies*, University Laval, Quebec, 1988.

## ASSESSMENTS

*The Native American Graves Protection and Repatriation Act, a Federal law passed in 1990, provides a process for museums and federal agencies to return certain categories of Native American cultural items to lineal descendants, culturally affiliated Indian tribes, and Native Hawaiian organizations. I prepared the following assessments of ethnographic objects for museums and other institutions.*

Assessment of Tlingit Objects Requested for Repatriation as Objects of Cultural Patrimony and Sacred Objects in the National Museum of Natural History, Smithsonian Institution. R. Eric Hollinger, Betsy Bruenuner and Anne-Marie Victor-Howe. NMNH, Smithsonian Institution, 2005.

Assessment of nine Tlingit Objects Requested for Repatriation as Objects of Cultural Patrimony and Sacred Objects in the Peabody Museum of Archaeology and Ethnology, Harvard University, 1998.

Assessment of Hawaiian red and yellow feather capes, respectively from the 'Iiwi and 'ō'ō birds, cloaks, and helmets of Hawaiian warriors worn in the traditional Hawaiian society by members of the chief class, in the Peabody Museum of Archaeology and Ethnology, 1998.

Assessment of the Hopi Sunflower Collection Requested for Repatriation as Objects of Cultural Patrimony and Sacred Objects in the Peabody Museum of Archaeology and Ethnology, Harvard University, 1997.

Assessment of fifty-two Hupa Objects Requested for Repatriation as Objects of Cultural Patrimony and Sacred Objects in the Peabody Museum of Archaeology and Ethnology, Harvard University, 1997.

Assessment of a Blackfoot Beaver Bundle Requested for Repatriation as Object of Cultural Patrimony and Sacred Objects in the Peabody Museum of Archaeology and Ethnology, Harvard University, 1996.

Assessment of a collection of wooden False Masks and corn husk masks of the Haudenosaunee medicine societies, the Six Nations Iroquois Confederacy, in the Peabody Museum of Archaeology and Ethnology, 1995.

Assessment of a collection of wampum of the Haudenosaunee, Six Nations Iroquois Confederacy, in the Peabody Museum of Archaeology and Ethnology, 1995.

## RESEARCH

**The Tlingit, Haida, and Tsimshian carved spoons collection at the Peabody Museum of Archaeology and Ethnology, Harvard University.** Field research in villages and towns of southeast Alaska, 2001-2007.

**The Lewis and Clark's collection of ethnographic objects at the Peabody Museum of Archaeology and Ethnology, Harvard University.** Basketry objects, technique and designs, harvesting and processing of fibers, observation of traditional food plant gathering, Root Festival: Warm Springs Reservation, Oregon, mid-Columbia, lower-Columbia, Lummi Reservation, Washington, 1999-2001.

**The northwest coast ethnographic collection at the Peabody Museum of Archaeology and Ethnology, Harvard University, Seattle Art Museum; Royal British Columbia**

**Museum, University of British Columbia, Victoria; British Columbia Museum of Anthropology, Vancouver, British Columbia, 1998.**

**The Hupa and Karuk collection at the Peabody Museum of Archaeology and Ethnology, Harvard University.** The World Renewal ceremony, the Medicine ceremony, and the War Dance; consultations with the Karuk Reservation and Hupa Reservation, 1996.

**The Hopi collection at the Peabody Museum of Archaeology and Ethnology, Harvard University.** The Flute Ceremony, the Katsinam ceremony; consultation with the Flute priests and elders, First, Second, and Third Mesa, Hopi Reservation, Arizona, 1996-1997.

**Subsistence hunting, fishing, and gathering trade patterns, Department of Fish and Game, State of Alaska.** Hydaburg, Craig, Klawock, Kasaan, Coffman Cove, and Point Baker on Prince of Wales Island, Metlakatla on Annette Island, Wrangell on Wrangell Island, Ketchikan and Saxman on Revillagigedo Island, Hoonah on Chichagof Island, Angoon on Admiralty Island, 1991-1993.

**Whale hunting and whaling ceremonies, University of Alaska, Fairbanks, Alaska, Sorbonne University, Paris.** Barrow, Wrainwright, Point Hope, mainland northwest coast Alaska, Gambell on Saint Lawrence Island, 1980-1988.

**Music and dances of the Inupiaq, Siberian Yupik, and Yupik, University of Alaska, Fairbanks, Alaska, Sorbonne University, Paris.** Research conducted in Barrow, Kotzebue, Nome, Gambell, Bethel, Chevac; 1976-1987; in partnership with Kazuyuki Tanimoto, President of the Hokkaido University of Education, Sapporo, Japan.

## **LECTURES**

**To:** Ferda-Elaine; Diane Silvia  
**Subject:** HPC Board members

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Hi Elaine,

Bert Bender, Ray Rhash, and Alice Allen are willing to serve another term on the HPC.

Jim Clupper does not wish to serve another term.

I have left messages for Donna Bosold but have not heard back yet.

Thanks,  
Diane Silvia

BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY

Meeting Date: January 20, 2016

Department: Sustainability / Projects

Bulk Item: X No     

Staff Contact /Phone #: Rhonda Haag, 453-8774

---

**AGENDA ITEM WORDING:** Approval to enter into a no cost agreement with Joseph J. and Evelyn M. Rambo for a grant of easement and right of entry for use of their property located at Lots 9 and 10, Block 8, Tropical Bay, third addition, Big Pine Key, Parcel Identification Number 00313940-000000, during construction of the canal culvert installation water quality improvement demonstration project at Canal #277, Tropical Bay Estates, Big Pine Key.

---

**ITEM BACKGROUND:** The Rambo parcel is a vacant lot on Canal #277, and is needed for the placement of a culvert to improve the water quality in the canal. An easement for the culvert will run with the land in perpetuity. Additionally, the lot is needed for temporary use as a construction staging area and associated construction work during the culvert installation. The lot will be used to temporarily store culvert materials and other supplies that will be used to install a culvert.

The Property Owner has acknowledged he is aware of the potential danger from construction impacts to his property, and has requested that the project move forward. In exchange for the County's agreement to install the culvert at no cost to the Property Owner, the Property Owner agrees to hold the County harmless from any liability related to the Culvert Installation Project.

The County's Contractor will return the property to its original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas, and replanting of trees affected by the project. The County may terminate the Agreement at any time upon written notice to the Property Owner.

---

**PREVIOUS RELEVANT BOCC ACTION:**

09-16-15: Approval to advertise a *Request for Proposals* for installation of a culvert in Canal #277 located in Tropical Bay Estates in Big Pine Key in order to increase the natural tidal flushing as part of the County's Canal Restoration Demonstration Program.

**HOLD HARMLESS AGREEMENT AND EASEMENT  
BETWEEN MONROE COUNTY, FLORIDA  
AND  
JOSEPH J. AND EVELYN M. RAMBO  
REGARDING THE CANAL #277  
BIG PINE KEY TROPICAL BAY ESTATES CULVERT DESIGN PROJECT**

THIS AGREEMENT (the "Agreement") is made and entered into by Monroe County, Florida, a political subdivision of the State of Florida (the "County"), whose address is 1100 Simonton Street, The Gato Building, Room 205, Key West, FL 33040 and Joseph J. and Evelyn M. Rambo (the "Property Owners"), whose address is 10677 Baldwin Road, Bridgman, MI 49106-9724.

WHEREAS, the Property Owners own certain real property whose Parcel Identification Numbers are 00313940-000000, which property abuts that body of water commonly known Canal #277 (the "Canal") more specifically identified in Exhibit "A" attached hereto and incorporated herein (the "Properties"); and

WHEREAS, the County is not under any obligation to install or maintain the culvert connecting the canals in any way; and

WHEREAS, the Culvert Installation Project is a voluntary project, and the Property Owners have fully agreed to the Culvert Installation Project scheduled for the canal which crosses a section of their Properties, and

WHEREAS, the Property Owners, whose properties abuts the canal, have agreed to assist the County with this demonstration Culvert Installation Project to aid in the improvement of water quality within the Canal (the "Culvert Installation Project"); and

WHEREAS, as part of the Culvert Installation Project, the County will utilize the Property to install one 60 inch concrete reinforced culvert and will make other modifications as required or allowed by permit, for a period of up to six (6) months or until the project is completed, whichever is later, following issuance of a Notice to Proceed to the Contractor, more specifically identified on Exhibit "B" attached hereto and incorporated herein; and

WHEREAS, the County or Contractor, not the Property Owners, will obtain the requisite permits necessary for construction of the project; however the Property Owners may be required to sign certain application or permission forms in order for the contractor to use the Property, and

WHEREAS, the Property Owners, whose property the culvert crosses are aware of the potential danger to their property, the existing shoreline, docks, seawalls, trees and other collateral damage which may not be readily apparent or which may not manifest itself until long after the Culvert Installation Project is completed; and

WHEREAS, in spite of the inherent risks the Property Owners have requested the Culvert Installation Project go forward. The Property Owners, in exchange for the County's agreement to install the culvert, agree to hold the County harmless, now and forever, from any liability related to

the Culvert Installation Project performed within and about the Canal.

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars and other mutual covenants herein provided and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Property Owners shall release, indemnify, defend (with counsel acceptable to the County) and hold harmless the County, their officials, agents, and employees from and against any and all claims, suits, judgments, demands, liabilities, damages, cost and expenses (including but not limited to attorneys' fees, paralegals' fees, consultants' fees and costs at all administrative, pretrial, trial and appellate levels) of any kind or nature whatsoever arising out of or related in any way to the County's installation of a culvert for water quality improvement purposes, including without limitation all claims relating to injury to persons (including death) or to property. The Property Owners acknowledge that their willingness to provide the above indemnities was a specifically bargained for provision of this Agreement and that specific consideration was provided for their respective above indemnities and the County acknowledges that the willingness of the Property Owners to provide the above indemnities was a material factor in the County's willingness to provide improvements to the Canal. This provision survives the termination of this Agreement.

2. During the Culvert Installation Project, a 20 foot wide trench will be excavated to place 1-60 inch reinforced concrete culvert in the trench. Approximately 25 linear feet of the culvert is located on the subject property. During the installation of the culvert an 8 foot wide section of natural rock seawall located along the canal will be removed and replaced with sand-cement bags and rock seawall. The subject property will be used as a temporary construction staging area, which will include equipment and material, during the duration of the project. The Property Owners acknowledge that these dimensions may not be exact but are believed to be close to what will be installed. The contractor will be responsible for replacing in-kind any damage to private property. Specifically, work to be performed on the property is identified on Exhibit "B". The Property Owners, for and in consideration of the mutual covenants previously acknowledged, and of the benefits accruing to Property Owners by the culvert installation, as referenced above, hereby grants and conveys to the County, its agents and assigns, a construction easement and right of entry, attached hereto and made a part hereof as Exhibit "C" over the Property to access and construct the Culvert Installation Project as identified in Exhibit "B." In addition, the Property Owners agree to sign application and/or permission forms as required in order to proceed with the project, such as application to place a culvert on the property.

3. Once the Culvert Installation Project is complete, the Contractor will return the property to its original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas and replacement of trees affected by the project.

4. The Property Owners, in consideration of the mutual covenants previously acknowledged, hereby grants and conveys to the County, an Easement and Right of Entry over the Property and Canal, for the purpose set forth in this Agreement, said Right of Entry given to the

County and their assigns from the date the Notice to Proceed is issued to the contractor.

5. The County may terminate this Agreement at any time upon written notice to the Property Owners, notice is to be mailed to Property Owners at 10677 Baldwin Road, Bridgman, MI 49106-9724. If County terminates prior to construction or if another site is chosen the agreement and easement are null and void; and no consideration will be due from either party. Accordingly, based upon the mutual covenants contained herein, Property Owners may not terminate this Agreement after execution by both parties.

6. The indemnification, defense, and hold harmless provisions contained herein shall survive termination and shall remain in full force and effect with regard to any and all claims, suits, judgments, demands, liabilities, damages, cost and expenses which may arise now or in the future that are determined to be a result of the Culvert Installation Project.

## Proposed Construction Activities

7. The Contractor will return the property to its original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas, and replanting of trees affected by the project.
8. Monroe County, or its agent Amec Foster Wheeler, will photograph the property prior to construction and again after restoration is complete and send the photographs to the Owners. The Owners shall inspect the photographs and/or the properties and advise the County or its agent of restoration concerns which the Owners believe should be alleviated by the contractor. These concerns shall be discussed and resolved between the Owners, the County and the contractor prior to the expiration of the six (6) month construction access period or completion of the project, whichever is later.
9. This easement will run with the land in perpetuity and will be binding on and will inure to the benefit of the parties hereto.
10. The Grantor warrants that it has full power of authority to grant this easement.

**{Remainder of this page left intentionally blank – signature page to follow}**

## Exhibit "C"

### GRANT OF EASEMENT AND RIGHT OF ENTRY

On this 4 day of November 2015, I, Joseph J. and Evelyn M. Rambo ("Owners"), in consideration of the benefits accruing to us, do hereby give, grant, bargain, and release to MONROE COUNTY ("County"), a political subdivision of the State of Florida this Grant of Easement and Right of Entry under, over, across and upon the properties described as Lots 9 and 10, Block 8, Tropical Bay, third addition, according to the plat thereof recorded in plat books, page 81, of the public records of Monroe County, Florida.

1. The Owners do hereby state that they have sufficient authority and title to grant this easement and right of entry.
2. The Owners agree that the property may be used during the County's Culvert Installation Project. During the Culvert Installation Project, a 20 foot wide trench will be excavated to place a 60-inch reinforced concrete culvert in the trench. Approximately 25 linear feet of the culvert is located on the subject property. During the installation of the culvert an 8 foot wide section of natural rock seawall located along the canal will be removed and replaced with sand-cement bags and rock seawall. The subject property will be used as a temporary construction staging area, which will include equipment and material, during the duration of the project. The contractor will be responsible for replacing in-kind any damage to private property. Property Owners acknowledge that these dimensions may not be exact but are believed to be close to what will be installed
3. The Proposed Work to be performed on these properties is generally identified on Exhibit "B" as Proposed Construction Activities; however Owners agree that this is not a complete list of equipment that may be required to accomplish the work and agrees that the amount and type of equipment is to be determined by County in its sole discretion.
4. All work on the Property shall be accomplished under permits acquired by the COUNTY or its agents.
5. Owners shall furnish and maintain the easement area free of any obstruction and shall not construct, place, or allow the placing or construction of any obstruction which would interfere with County's safe or proper installation, operation, maintenance, inspection, or staging and use of equipment located in the easement area.
6. Owners affirm that the area on the Property where the culvert will be placed, on the date of execution of this document, contain no obstruction to the Proposed Work contemplated in this Easement. Any obstruction to the safe or proper operation, maintenance, or staging of equipment located on the land at the beginning of the Project or during the Project not placed on the land by the County or its agents, may be removed by the County at Owner's expense. The COUNTY or its agents shall notify Owner of any such obstruction prior to any action in this regard and allow Owners time to remove obstruction; except for emergency conditions during which the County may require immediate, unobstructed access to the Facilities.

IN WITNESS WHEREOF, the parties have executed this Easement and Right of Entry on this day of \_\_\_\_\_, \_\_\_\_\_.

BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY

Meeting Date: January 20, 2016

Department: Sustainability / Projects

Bulk Item: X No     

Staff Contact /Phone #: Rhonda Haag, 453-8774

**AGENDA ITEM WORDING:** Approval to enter into an Agreement with Michael Bloch and Nancy Chicca-Bloch for a grant of easement and right of entry for use of their properties during construction of the canal culvert installation water quality improvement demonstration project at Canal #277, Tropical Bay Estates, Big Pine Key. Their properties are located at 1757 Watson Boulevard and Lot 1, Block 9, Tropical Bay, Third Addition, Big Pine Key, Florida 33043, Parcel Identification Numbers 00313950-000000 and 00312780-000000.

**ITEM BACKGROUND:** The Bloch properties consist of a vacant lot and private residence with an open side yard located on two sections of Canal #277, which are needed for the placement of a culvert to improve the water quality in the canal. An easement for the culvert will run with the land in perpetuity. Additionally, the parcels are needed for temporary use during construction work of the culvert installation.

The Property Owner has acknowledged he is aware of the potential danger from construction activity to his properties, and has requested that the project move forward. In exchange for the County's agreement to install the culvert at no cost to the Property Owner, the Property Owner agrees to hold the County harmless from any liability related to the Culvert Installation Project.

The County's Contractor will return the properties to their original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas, and replanting of trees affected by the project. The County may terminate the Agreement at any time upon written notice to the Property Owner.

**PREVIOUS RELEVANT BOCC ACTION:**

**HOLD HARMLESS AGREEMENT AND EASEMENT  
BETWEEN MONROE COUNTY, FLORIDA  
AND  
MICHAEL BLOCH AND NANCY CHICCA-BLOCH  
REGARDING THE CANAL #277  
BIG PINE KEY TROPICAL BAY ESTATES CULVERT DESIGN PROJECT**

THIS AGREEMENT (the "Agreement") is made and entered into by Monroe County, Florida, a political subdivision of the State of Florida (the "County"), whose address is 1100 Simonton Street, The Gato Building, Room 205, Key West, FL 33040 and Michael Bloch and Nancy Chicca-Bloch (the "Property Owners"), whose address is 1757 Watson Boulevard, Big Pine Key, Florida 33043.

WHEREAS, the Property Owners own certain real property whose Parcel Identification Numbers are 00313950-000000 and 00312780-000000, which property abuts that body of water commonly known Canal #277 (the "Canal") more specifically identified in Exhibit "A" attached hereto and incorporated herein (the "Properties"); and

WHEREAS, the County is not under any obligation to install or maintain the culvert connecting the canals in any way; and

WHEREAS, the Culvert Installation Project is a voluntary project, and the Property Owners have fully agreed to the Culvert Installation Project scheduled for the canal which crosses a section of their Properties, and

WHEREAS, the Property Owners, whose properties abuts the canal, have agreed to assist the County with this demonstration Culvert Installation Project to aid in the improvement of water quality within the Canal (the "Culvert Installation Project"); and

WHEREAS, as part of the Culvert Installation Project, the County will utilize the Properties to install one 60 inch concrete reinforced culvert and will make other modifications as required or allowed by permit, for a period of up to six (6) months or until the project is completed, whichever is later, following issuance of a Notice to Proceed to the Contractor, more specifically identified on Exhibit "B" attached hereto and incorporated herein; and

WHEREAS, the County or Contractor, not the Property Owners, will obtain the requisite permits necessary for construction of the project; however the Property Owners may be required to sign certain application or permission forms in order for the contractor to use the Properties, and

WHEREAS, the Property Owners, whose properties the culvert crosses are aware of the potential danger to their property, the existing shoreline, docks, seawalls, trees and other collateral damage which may not be readily apparent or which may not manifest itself until long after the Culvert Installation Project is completed; and

WHEREAS, in spite of the inherent risks the Property Owners have requested the Culvert Installation Project go forward. The Property Owners, in exchange for the County's agreement to install the culvert, agree to hold the County harmless, now and forever, from any liability related to

the Culvert Installation Project performed within and about the Canal.

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars and other mutual covenants herein provided and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Property Owners shall release, indemnify, defend (with counsel acceptable to the County) and hold harmless the County, their officials, agents, and employees from and against any and all claims, suits, judgments, demands, liabilities, damages, cost and expenses (including but not limited to attorneys' fees, paralegals' fees, consultants' fees and costs at all administrative, pretrial, trial and appellate levels) of any kind or nature whatsoever arising out of or related in any way to the County's installation of a culvert for water quality improvement purposes, including without limitation all claims relating to injury to persons (including death) or to property. The Property Owners acknowledge that their willingness to provide the above indemnities was a specifically bargained for provision of this Agreement and that specific consideration was provided for their respective above indemnities and the County acknowledges that the willingness of the Property Owners to provide the above indemnities was a material factor in the County's willingness to provide improvements to the Canal. This provision survives the termination of this Agreement.

2. During the Culvert Installation Project, a 20 foot wide trench will be excavated to place 1-60 inch reinforced concrete culvert in the trench. Approximately 125 linear feet of the 60 inch culvert is located on the subject properties. During the installation of the culvert a 32 foot wide section of the natural rock seawall located along the canals will be removed and replaced with sand-cement bags and rock seawall. The Property Owners acknowledge that these dimensions may not be exact but are believed to be close to what will be installed. The contractor will be responsible for replacing in-kind any damage to private property. Specifically, work to be performed on the property is identified on Exhibit "B". The Property Owners, for and in consideration of the mutual covenants previously acknowledged, and of the benefits accruing to Property Owners by the culvert installation, as referenced above, hereby grants and conveys to the County, its agents and assigns, a construction easement and right of entry, attached hereto and made a part hereof as Exhibit "C" over the Properties to access and construct the Culvert Installation Project as identified in Exhibit "B." In addition, the Property Owners agree to sign application and/or permission forms as required in order to proceed with the project, such as application to place a culvert on the property.

3. Once the Culvert Installation Project is complete, the Contractor will return the properties to their original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas and replacement or replanting of trees affected by the project.

4. The Property Owners, in consideration of the mutual covenants previously acknowledged, hereby grants and conveys to the County, an Easement and Right of Entry over the Properties and Canal, for the purpose set forth in this Agreement, said Right of Entry given to the County and their assigns from the date the Notice to Proceed is issued to the contractor.

5. The County may terminate this Agreement at any time upon written notice to the Property Owners, notice is to be mailed to Property Owners at 1757 Watson Boulevard, Big Pine Key, Florida 33043. If County terminates prior to construction or if another site is chosen the agreement and easement are null and void; and no consideration will be due from either party. Accordingly, based upon the mutual covenants contained herein, Property Owners may not terminate this Agreement after execution by both parties.

6. The indemnification, defense, and hold harmless provisions contained herein shall survive termination and shall remain in full force and effect with regard to any and all claims, suits, judgments, demands, liabilities, damages, cost and expenses which may arise now or in the future that are determined to be a result of the Culvert Installation Project.

**Exhibit "C"**

**GRANT OF EASEMENT AND RIGHT OF ENTRY**

On this 15 day of July, I, Michael Bloch and Nancy Chicca-Bloch ("Owners"), in consideration of the benefits accruing to us, do hereby give, grant, bargain, and release to MONROE COUNTY ("County"), a political subdivision of the State of Florida this Grant of Easement and Right of Entry under, over, across and upon the properties described as Lot 1, Block 9, tropical bay, third addition, according to the plat thereof as recorded in plat book 5, page 81 of the public records of Monroe County, Florida. Lots 19, 20, and 21, tropical bay subdivision, according to the plat thereof as recorded in plat book 4, page 106 of the public records of Monroe County, Florida less the northerly 25 feet of lot 21.

1. The Owners do hereby state that they have sufficient authority and title to grant this easement and right of entry.
2. The Owners agree that the properties may be used during the County's Culvert Installation Project. During the Culvert Installation Project, a 20 foot wide trench will be excavated to place a 60-inch reinforced concrete culvert in the trench. Approximately 125 linear feet of the culvert is located on the subject property. During the installation of the culvert a 32 foot wide section of the natural rock seawall located along the canals will be removed and replaced with sand-cement bags and rock seawall. The contractor will be responsible for replacing in-kind any damage to private property. Property Owners acknowledge that these dimensions may not be exact but are believed to be close to what will be installed
3. The Proposed Work to be performed on these properties is generally identified on Exhibit "B" as Proposed Construction Activities; however Owners agree that this is not a complete list of equipment that may be required to accomplish the work and agrees that the amount and type of equipment is to be determined by County in its sole discretion.
4. All work on the Properties shall be accomplished under permits acquired by the COUNTY or its agents.
5. Owners shall furnish and maintain the easement area free of any obstruction and shall not construct, place, or allow the placing or construction of any obstruction which would interfere with County's safe or proper installation, operation, maintenance, inspection, or staging and use of equipment located in the easement area.
6. Owners affirm that the areas on the Properties where the culvert will be placed, on the date of execution of this document, contain no obstruction to the Proposed Work contemplated in this Easement. Any obstruction to the safe or proper operation, maintenance, or staging of equipment located on the land at the beginning of the Project or during the Project not placed on the land by the County or its agents, may be removed by the County at Owner's expense. The COUNTY or its agents shall notify Owner of any such obstruction prior to any action in this regard and allow Owners time to remove obstruction; except for emergency conditions during which the County may require immediate, unobstructed access to the Facilities.

7. The Contractor will return the properties to their original or better condition which includes re-grading, re-sodding or resurfacing of disturbed areas, and replanting of trees affected by the project.
8. Monroe County, or its agent Amec Foster Wheeler, will photograph the property prior to construction and again after restoration is complete and send the photographs to the Owners. The Owners shall inspect the photographs and/or the properties and advise the County or its agent of restoration concerns which the Owners believe should be alleviated by the contractor. These concerns shall be discussed and resolved between the Owners, the County and the contractor prior to the expiration of the six (6) month construction access period or completion of the project, whichever is later.
9. This easement will run with the land in perpetuity and will be binding on and will inure to the benefit of the parties hereto.
10. The Grantor warrants that it has full power of authority to grant this easement.

**{Remainder of this page left intentionally blank – signature page to follow}**

IN WITNESS WHEREOF, the parties have executed this Easement and Right of Entry on this day of NOV 2, 2015.

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Sustainability / Projects

Bulk Item:      No X

Staff Contact /Phone #: Rhonda Haag, 453-8774

---

**AGENDA ITEM WORDING:** Approval of Grant Agreement S-0911 from the Florida Department of Environmental Protection (FDEP) for \$50,000 of funding towards the \$423,957.00 total cost of installation of a culvert on Canal #277 in Tropical Bay Estates on Big Pine Key, one of the original canal demonstration projects.

---

**ITEM BACKGROUND:** The *Water Quality Protection Program Canal Restoration Advisory Subcommittee* recommended award of this grant to Monroe County at its meeting held on August 28, 2015.

The work under this new DEP Agreement S-00911 includes funding of \$50,000.00 for the installation of the culvert at canal #277 on Big Pine Key. Monroe County has an item on the January 20, 2016 BOCC agenda for construction of this culvert, at a total price of \$423,967.00. DEP is funding \$50,000 towards the cost, the County will fund the remaining \$373,957.00. The grant does not require matching funds.

In addition, Monroe County will contract with AMEC to provide construction support services including construction engineering inspections and engineering during construction to ensure that the culvert is installed per design plans and permit requirements.

---

**PREVIOUS RELEVANT BOCC ACTION:** None

---

DEP AGREEMENT NO. S0911

STATE OF FLORIDA  
DEPARTMENT OF ENVIRONMENTAL PROTECTION  
GRANT AGREEMENT  
PURSUANT TO LINE ITEM 1580 OF THE FY15-16 GENERAL APPROPRIATIONS ACT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the MONROE COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is P.O. Box 1980, Key West, Florida 33041 (hereinafter referred to as "Grantee"), a local government, to provide canal water quality restoration for the Tropical Bay Estates Canal #277 Culvert Installation in Monroe County in the Florida Keys National Marine Sanctuary (FKNMS) Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. **TERMS OF AGREEMENT:**

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, Attachment A, Grant Work Plan, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

2. **PERIOD OF AGREEMENT:**

This Agreement shall begin upon execution by both parties and shall remain in effect until June 30, 2016, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. **FUNDING/CONSIDERATION/INVOICING:**

- A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$50,000.00. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee.
- B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement. Changes to approved budget categories within a single task that are less than 10% of the total approved task budget amount will require a formal Change Order to the Agreement. Changes that are 10% or greater of the total approved task budget amount, or changes that transfer funds from one task to another task, or changes that increase or decrease the project's total funding amount will require a formal Amendment to the Agreement.
- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in Attachment A, in accordance with the schedule therein. Reimbursement shall be requested utilizing Attachment B, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: [http://www.myfloridacfo.com/aadir/reference\\_guide/](http://www.myfloridacfo.com/aadir/reference_guide/). All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and

post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to Attachment A must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in Attachment C, Contract Payment Requirements. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable:

i. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. For fixed-price (vendor) subcontracts, the following provisions shall apply:

a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment A. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.

b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.

c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

ii. Travel – All requests for reimbursement of travel expenses by the Grantee's Subcontractors shall be in accordance with Section 112.061, Florida Statutes. Reimbursed for travel by employees of Monroe County or the Monroe County Board of County Commissioners, the Grantee, is not permitted.

E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect,

general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at [http://www.myfloridacfo.com/aadir/reference\\_guide/](http://www.myfloridacfo.com/aadir/reference_guide/).

- F.
  - i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
  - ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
  - iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

4. **ANNUAL APPROPRIATION:**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. **REPORTS:**

The Grantee shall utilize Attachment D, Progress Report Form, to describe the work performed during the reporting period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Progress reports shall be submitted to the Department's Grant Manager no later than twenty (20) calendar days following the completion of the thirty (30) day reporting period. It is hereby understood and agreed by the parties that the reporting period end dates are as follows: February 28, March 31, April 30, May 31 and June 30. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

6. **RETAINAGE:**

Retainage is not required under this Agreement.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

7. **INDEMNIFICATION:**

The Grantee shall save and hold harmless and indemnify the State of Florida, the Board of Trustees of the Internal Improvement Trust Fund, and the Department against any and all liability, claims, judgments or costs of any kind and nature for injury to, or death of any person or persons and for the loss of damage to any property resulting from the use, service, operation or performance of work under the terms of this Agreement, resulting from any negligent act, failure to act, or willful misconduct by the Grantee, his subcontractor, or any of the employees, agents or representatives of the Grantee or subcontractor to the extent allowed by law.

8. **DEFAULT/TERMINATION/FORCE MAJEURE:**

- A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- C. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the Department for unlawful refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes (F.S.), and Section 24(a), Article I, Florida Constitution.
- D. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. **REMEDIES/FINANCIAL CONSEQUENCES:**

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed

for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

**10. RECORD KEEPING/AUDIT:**

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

**11. SPECIAL AUDIT REQUIREMENTS:**

- A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in Attachment E, **Special Audit Requirements**, attached hereto and made a part hereof. Exhibit I to Attachment E summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of Attachment E. A revised copy of Exhibit I must be provided to the Grantee for each amendment

which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of Exhibit 1, the Grantee shall notify the Department's Grants Development and Review Manager at (850) 245-2361 to request a copy of the updated information.

- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment E, Exhibit 1 when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section \_\_.210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

**12. SUBCONTRACTS:**

- A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

**13. PROHIBITED LOCAL GOVERNMENT CONSTRUCTION PREFERENCES:**

- A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:
- i. The contractor's maintaining an office or place of business within a particular local jurisdiction;
  - ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
  - iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
- B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the*

*solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

**14. LOBBYING PROHIBITION:**

In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

**15. COMPLIANCE WITH LAW:**

The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

**16. NOTICE:**

All notices and written communication between the parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient.

**17. CONTACTS:**

The Department's Grant Manager (which may also be referred to as the Department's Project Manager) for this Agreement is identified below:

|                                                |                                 |

| Telephone No.:                              | (305)453-8774                   |
| E-mail Address:                             | Haag-rhonda@monroecoutny-fl.gov |

**18. INSURANCE:**

To the extent required by law, the Grantee will be self-insured against, or will secure and maintain during the life of this Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this project and, in case any work is subcontracted, the Grantee shall require the subcontractor

similarly to provide Workers' Compensation Insurance for all of its employees unless such employees are covered by the protection afforded by the Grantee. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of its employees not otherwise protected.

A. The Grantee shall secure and maintain Commercial General Liability insurance including bodily injury and property damage. The minimum limits of liability shall be \$200,000 each individual's claim and \$300,000 each occurrence. This insurance will provide coverage for all claims that may arise from the services and/or operations completed under this Agreement, whether such services and/or operations are by the Grantee or anyone directly or indirectly employed by the Grantee. Such insurance shall include the State of Florida as an Additional Insured for the entire length of the Agreement.

B. The Grantee shall secure and maintain Commercial Automobile Liability insurance for all claims which may arise from the services and/or operations under this Agreement, whether such services and/or operations are by the Grantee or by anyone directly, or indirectly employed by him. The minimum limits of liability shall be as follows:

\$300,000 Automobile Liability Combined Single Limit for Company Owned Vehicles, if applicable

\$300,000 Hired and Non-owned Liability Coverage

C. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Grantee's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after thirty (30) days written notice (with the exception of non-payment of premium which requires a 10 day notice) to the Department's Procurement Administrator.

D. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Grantee's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after thirty (30) calendar day's written notice (with the exception of non-payment of premium which requires a 10-calendar-day notice) to the Department's Procurement Administrator.

19. **CONFLICT OF INTEREST:**

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

20. **EQUIPMENT:**

Reimbursement for equipment purchases costing \$1,000 or more is not authorized under the terms and conditions of this Agreement.

21. **CHANGE ORDERS:**

The Department may at any time, by written Change Order, make any change in the Grant Manager information, task timelines within the current authorized Agreement period, or make changes that are less than 10% of the total approved task budget (per Paragraph 3). All Change Orders are subject to the mutual agreement of both parties as evidenced in writing. Any change which causes an increase or decrease in the Agreement amount, expiration date of the Agreement, or task costs that are equal to or greater than 10% of the total approved task budget (per Paragraph 3), shall require formal Amendment to this Agreement.

**22. UNAUTHORIZED EMPLOYMENT:**

The employment of unauthorized aliens by any Grantee/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

**23. DISCRIMINATION:**

- A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.
- B. An entity or affiliate who has been placed on the discriminatory vendor list pursuant to section 287.134, F.S., may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and posts the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

**24. LAND ACQUISITION:**

Land acquisition is not authorized under the terms of this Agreement.

**25. PHYSICAL ACCESS AND INSPECTION:**

As applicable, Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, including by any of the following methods:

- A. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
- B. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and
- C. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

**26. EXECUTION IN COUNTERPARTS:**

This Agreement may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

27. **SEVERABILITY CLAUSE:**

This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action hereon or in connection herewith shall be brought in Leon County, Florida.

28. **ENTIRE AGREEMENT:**

This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed, the day and year last written below.

| <b>Project Title: Tropical Bay Estates Canal #277 Culvert Installation</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Project Location:</b> <i>Big Pine Key, Monroe County</i><br>Florida Keys Watershed /HUC= 03090203                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Project Background:</b> <p>The work to be accomplished under this Agreement has been identified by the Canal Restoration Advisory Subcommittee of the Florida Keys National Marine Sanctuary (FKNMS) Water Quality Protection Program (WQPP) as one of the high priority projects to assist with Monroe County canal water quality restorations.</p> <p>Many of the canals in the FKNMS do not meet the State's minimum water quality criteria for dissolved oxygen and contain accumulations of organic debris from the deposition of weed wrack trapped in the dead ends of the canals. This project is a priority of the FKNMS WQPP Steering Committee which recently passed a motion to develop a plan to prioritize canal restoration projects and to identify funding sources for these projects. The tourism economy of the Keys depends largely on clean water and a healthy environment and this project is fully supported by the WQPP Steering Committee and local governments in Monroe County. The successful implementation of this project is also consistent with the goals of the Florida Keys Reasonable Assurance Document that was recently adopted by the Department in order to satisfy the requirements of the Impaired Waters Rule, Chapter 62-303 of the Florida Administrative Code.</p> <p>Monroe County has contracted Amec Foster Wheeler to prepare the final design plans and obtain permits for the installation of the second ranked culvert in the Monroe County demonstration project list which is located at Canal #277 in Tropical Bay Estates in Big Pine Key, Florida Keys. <b>Canal #277 was ranked as having <i>Poor</i> water quality per the Canal Management Master Plan and was selected as a top priority for restoration.</b> The design work is complete and it is anticipated that the permits will be received by the end of January 2016. Monroe County has also contracted Amec Foster Wheeler to assist with the procurement process for the installation contractor and provide construction administrative and engineering inspection services during construction. The construction of this culvert was originally included in the \$5 million canal demonstration funding set aside by Monroe County; however, those funds are running out.</p> <p><b>The work under this Agreement includes a portion of the construction installation costs for the culvert at Canal #277 in Big Pine Key.</b> Monroe County will hire a qualified contractor to perform the installation. The design plans, technical specifications and permits prepared by Amec Foster Wheeler form the basis for the technical scope of work. As indicated above, Monroe County will contract Amec Foster Wheeler to provide construction support services including construction engineering inspections and engineering during construction to ensure that the culvert is installed per design plans and permit requirements.</p> |
| <b>Task Description:</b> <p><b>Task 1: Culvert Installation</b></p> <p>The Grantee will construct the installation of a 60 inch culvert across Watson Boulevard that will hydrologically connect two dead end fingers of the #277 Canal System (refer to <b>Figure 1</b>) in accordance with the final approved design and required permit(s). The top crown of the culvert will be placed at -3.5 NAVD88 in order to be below existing water and sewer lines. The invert of the submerged culvert will be placed at -8.5 NAVD88. The culverts will remain submerged as mean low low water is -1.7 NAVD88. All heavy equipment will be land based. The 60 inch reinforced concrete pipe will extend 200 linear feet under Watson Blvd and connect the two different dead fingers of the #277 canal system. Both ends of the culvert will be fitted with manatee grates and will be constructed in accordance with the Florida Fish and Wildlife Conservation Commission guidelines.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

Floating turbidity barriers and waddles will be installed prior to construction and maintained throughout the project in accordance with performance standards for erosion and sediment control and storm water treatment.

All construction activities will be performed in accordance with the Florida Fish and Wildlife Conservation Commission (FWC) standard manatee conditions for in-water work and the National Oceanic and Atmospheric Association (NOAA) Fisheries construction conditions for sea turtle and smalltooth sawfish.

Materials for the culvert will be brought onsite via existing roads. The contractor will implement a maintenance of traffic plan in accordance with Monroe County and the Florida Department of Transportation (FDOT) and as described in the plans. Any clearing and grubbing will be limited to the areas required to access the site and operate the equipment.

The culvert will be installed using open cut excavation techniques utilizing trench boxes, back-hoe excavator, front end loader, roll off containers, and other similar equipment as required to complete the work. The back-hoe will excavate the overburden material and stockpile it in designated reuse or unusable roll-off containers to minimize erosion and sediment control concerns. Following the aforementioned excavation, trench boxes will be installed to ensure Occupational Safety and Health Administration (OSHA) requirements are being met for worker safety. The contractor will install the 60 inch reinforced concrete pipe as described in the final design plans.

Each end of the culvert will be completed with riprap aprons for slope stability. Site restoration will include roadway repaving, sodding and replanting of landscaping to match pre-existing conditions. All property owners within the footprint of the project have provided their approval of the project.

The Monroe County selected contractor will provide all labor, supervision, materials, supplies, equipment, tools, construction equipment, and transportation for the proper execution and completion of all work as specified in the final approved design plans. Survey and Mapping will conform with the criteria found in 5J-17, F.A.C., pursuant to Chapter 472, F.S. As-built survey certification of the installed culvert will be sealed by the Grantee's Subcontractor's Specialty Engineer and Land Surveyor and Mapper.

**Task 1 Deliverables:** Construction of culvert per approved final design and all required permits as evidenced by: 1) An electronic copy of the final design, including professional certification as applicable; 2) a list of all required permits identifying issue dates and issuing authorities; 3) sated color photographs of the construction site(s) prior to, during, and immediately following completion of the construction task; 4) written verification that the Grantee has received record drawings and any required final inspection report(s) for the project; 5) signed acceptance of the completed work by the Grantee; and 4) signed statement from a Florida Licensed Professional Engineer indicating construction has been completed in accordance with the design.

**Budget:** \$50,000 for contractual services

**Performance Measures:** The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents and specifications. Upon review and written acceptance by the Department's Grant Manager of all deliverables under this task, the Grantee may proceed with payment request submittal.

**Measureable Benefits:** The culvert is designed to increase the natural flushing 11 fold over current conditions. The increase in flushing will add dissolved oxygen to the canal with the goal of eliminating the Department Water Quality Standard Dissolved Oxygen Impairment and improving overall health of the canal for marine life. Florida International University is performing monitoring of this canal to document the restoration effectiveness.

**Task Completion Date:** June 3, 2016

**PROJECT TIMELINE:** The tasks must be completed by the end of each task timeline and all deliverables must be received by the designated due date.

| Task/<br>Deliverable<br>No. | Task/ Deliverable Title                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Task<br>Start<br>Date | Task<br>End<br>Date | Deliverable<br>Due Date/<br>Frequency |

**GRANTEE CERTIFICATION**

Complete Grantee's Certification of Payment Request on Page 2 to certify that the amount being requested for reimbursement above was for items that were charged to and utilized only for the above cited grant activities.

**Grantee's Certification of Payment Request**

I, \_\_\_\_\_,

(Print name of Grantee's Grant Manager designated in the Agreement)

on behalf of \_\_\_\_\_, do hereby certify that:

(Print name of Grantee/Recipient)

- The disbursement amount requested is for allowable costs for the project described in Attachment A of the Agreement.
- All costs included in the amount requested have been satisfactorily purchased, performed, received, and applied toward completing the project; such costs are documented by invoices or other appropriate documentation as required in the Agreement.
- The Grantee has paid such costs under the terms and provisions of contracts relating directly to the project; and the Grantee is not in default of any terms or provisions of the contracts.

Check all that apply:

- All permits and approvals required for the construction, which is underway, have been obtained.
- Construction up to the point of this disbursement is in compliance with the construction plans and permits.
- The Grantee's Grant Manager relied on certifications from the following professionals that provided services for this project during the time period covered by this Certification of Payment Request, and such certifications are included:

Professional Service Provider (Name / License No.)      Period of Service (mm/dd/yy – mm/dd/yy)

## INSTRUCTIONS FOR COMPLETING PAYMENT REQUEST SUMMARY FORM

**DEP AGREEMENT NO.:** This is the number on your grant agreement.

**AGREEMENT EFFECTIVE DATES:** Enter agreement execution date through end date.

**GRANTEE:** Enter the name of the grantee's agency.

**GRANTEE'S GRANT MANAGER:** This should be the person identified as grant manager in the grant Agreement.

**MAILING ADDRESS:** Enter the address that you want the state warrant sent.

**PAYMENT REQUEST NO.:** This is the number of your payment request, not the quarter number.

**DATE OF PAYMENT REQUEST:** This is the date you are submitting the request.

**PERFORMANCE PERIOD:** This is the beginning and ending date of the performance period for the task/deliverable that the request is for (this must be within the timeline shown for the task/deliverable in the Agreement).

**TASK/DELIVERABLE NO.:** This is the number of the task/deliverable that you are requesting payment for and/or claiming match for (must agree with the current Grant Work Plan).

**TASK/DELIVERABLE AMOUNT REQUESTED:** This should match the amount on the "*TOTAL TASK/DELIVERABLE BUDGET AMOUNT*" line for the "*AMOUNT OF THIS REQUEST*" column.

### GRANT EXPENDITURES SUMMARY SECTION:

**"AMOUNT OF THIS REQUEST" COLUMN:** Enter the amount that was expended for this task during the period for which you are requesting reimbursement for this task. This must agree with the currently approved budget in the current Grant Work Plan of your grant Agreement. Do not claim expenses in a budget category that does not have an approved budget. Do not claim items that are not specifically identified in the current Grant Work Plan. Enter the column total on the "*TOTAL AMOUNT*" line. Enter the amount of the task on the "*TOTAL TASK BUDGET AMOUNT*" line. Enter the total cumulative amount of this request and all previous payments on the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" line. Deduct the "*LESS TOTAL CUMULATIVE PAYMENT REQUESTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

**"TOTAL CUMULATIVE PAYMENT REQUESTS" COLUMN:** Enter the cumulative amounts that have been requested to date for reimbursement by budget category. The final request should show the total of all requests; first through the final request (this amount cannot exceed the approved budget amount for that budget category for the task you are reporting on). Enter the column total on the "*TOTALS*" line. **Do not enter anything in the shaded areas.**

**"MATCHING FUNDS" COLUMN:** Enter the amount to be claimed as match for the performance period for the task you are reporting on. This needs to be shown under specific budget categories according to the currently approved Grant Work Plan. Enter the total on the "*TOTAL AMOUNT*" line for this column. Enter the match budget amount on the "*TOTAL TASK BUDGET AMOUNT*" line for this column. Enter the total cumulative amount of this and any previous match claimed on the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" line for this column. Deduct the "*LESS TOTAL CUMULATIVE PAYMENTS OF*" from the "*TOTAL TASK BUDGET AMOUNT*" for the amount to enter on the "*TOTAL REMAINING IN TASK*" line.

**"TOTAL CUMULATIVE MATCHING FUNDS" COLUMN:** Enter the cumulative amount you have claimed to date for match by budget category for the task. Put the total of all on the line titled "*TOTALS*." The final report should show the total of all claims, first claim through the final claim, etc. **Do not enter anything in the shaded areas.**

**GRANTEE'S CERTIFICATION:** Check all boxes that apply. Identify any licensed professional service providers that certified work or services completed during the period included in the request for payment. **Must be signed by both the Grantee's Grant Manager as identified in the grant agreement and the Grantee's Fiscal Agent.**

### NOTES:

**If claiming reimbursement for travel, you must include copies of receipts and a copy of the travel reimbursement form approved by the Department of Financial Services, Chief Financial Officer.**

**Documentation for match claims must meet the same requirements as those expenditures for reimbursement.**

## ATTACHMENT C

### Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.  
  
Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

## ATTACHMENT E

### SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient (*which may be referred to as the "Contractor", "Grantee" or other name in the contract/agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

#### MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

#### AUDITS

##### PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT I to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://12.46.245.173/cfda/cfda.html>.

## PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(m), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT I to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at <http://www.leg.state.fl.us/Welcome/index.cfm>, State of Florida's website at <http://www.myflorida.com/>, Department of Financial Services' Website at <http://www.fldfs.com/> and the Auditor General's Website at <http://www.state.fl.us/audgen>.

## PART III: OTHER AUDIT REQUIREMENTS

*(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)*

## PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by PART I of this Attachment shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the recipient directly to each of the following:

- A. The Department of Environmental Protection at one of the following addresses:

By Mail:

**Audit Director**  
Florida Department of Environmental Protection  
Office of the Inspector General, MS 40  
3900 Commonwealth Boulevard  
Tallahassee, Florida 32399-3000

Electronically:

[FDEPSingleAudit@dep.state.fl.us](mailto:FDEPSingleAudit@dep.state.fl.us)

- B. The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, should be submitted to the Federal Audit Clearinghouse), at the following address:

Federal Audit Clearinghouse  
Bureau of the Census  
1201 East 10th Street  
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at <http://harvester.census.gov/fac/>

- C. Other Federal agencies and pass-through entities in accordance with Sections .320 (e) and (f), OMB Circular A-133, as revised.

2. Pursuant to Section .320(f), OMB Circular A-133, as revised, the recipient shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued by the auditor, to the Department of Environmental Protection at one the following addresses:

By Mail:

**Audit Director**  
Florida Department of Environmental Protection  
Office of the Inspector General, MS 40  
3900 Commonwealth Boulevard  
Tallahassee, Florida 32399-3000

Electronically:

[FDEPSingleAudit@dep.state.fl.us](mailto:FDEPSingleAudit@dep.state.fl.us)

3. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

- A. The Department of Environmental Protection at one of the following addresses:

By Mail:

**Audit Director**  
Florida Department of Environmental Protection  
Office of the Inspector General, MS 40  
3900 Commonwealth Boulevard  
Tallahassee, Florida 32399-3000

Electronically:

[FDEPSingleAudit@dep.state.fl.us](mailto:FDEPSingleAudit@dep.state.fl.us)

B. The Auditor General's Office at the following address:

State of Florida Auditor General  
Room 401, Claude Pepper Building  
111 West Madison Street  
Tallahassee, Florida 32399-1450

4. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:

**Audit Director**  
Florida Department of Environmental Protection  
Office of the Inspector General, MS 40  
3900 Commonwealth Boulevard  
Tallahassee, Florida 32399-3000

Electronically:

[FDEPSingleAudit@dep.state.fl.us](mailto:FDEPSingleAudit@dep.state.fl.us)

5. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.
6. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with OMB Circular A-133, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

#### **PART V: RECORD RETENTION**

The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of 5 years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of 3 years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

**SECOND AMENDMENT OF  
THE INTERLOCAL AGREEMENT BETWEEN MONROE COUNTY AND THE  
SOUTH FLORIDA REGIONAL COUNCIL FOR THE 7<sup>TH</sup> ANNUAL SOUTHEAST  
FLORIDA REGIONAL CLIMATE LEADERSHIP SUMMIT PROGRAM**

THIS AMENDMENT NO. 2, effective as of January 20, 2016, made to the **Interlocal Agreement** ("the ILA") entered into the 20th day of May 2015, as amended November 17, 2015 (A1), by and between **MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**, a political subdivision of the State of Florida, and the **SOUTH FLORIDA REGIONAL PLANNING COUNCIL**, a state agency

**WITNESSETH THAT**

**WHEREAS**, the Parties entered into a Interlocal Agreement (ILA) for the planning, development and implementation of the 7th Annual Southeast Florida Regional Climate Leadership Summit Program; and

**WHEREAS**, the Parties desire to modify the Agreement by increasing the contract amount for the reimbursement of certain out of pocket expense incurred by the Council in its role as administrative support services.

**NOW, THEREFORE**, in consideration of the mutual covenants herein contained the receipt and sufficiency of which are hereby acknowledged, it is agreed upon as follows:

1. The contract amount shall be increased for certain out of pocket expenses not to exceed \$2,575 for scholarships for the 7th Annual Southeast Florida Regional Climate Leadership Summit Program provided by the Miami Foundation:
  - a. Original Contract Price \$30,000
  - b. Amendment # 1 10,421
  - c. Amendment # 2 2,575
  - d. Total Contract \$42,996
2. Attached Exhibit A-2 details the additional expenses to be reimbursed.
3. Payment for these expenses will be within 30 days of receipt of invoice and supporting details.
4. In all other respects, the terms and conditions of the ILA shall continue unchanged and in full force and effect.

**IN WITNESS WHEREOF**, Parties hereto have executed the Amendment to the Agreement as of the last date all signatures below are affixed.

**FIRST AMENDMENT OF  
THE INTERLOCAL AGREEMENT BETWEEN MONROE COUNTY AND THE  
SOUTH FLORIDA REGIONAL COUNCIL FOR THE 7<sup>TH</sup> ANNUAL SOUTHEAST  
FLORIDA REGIONAL CLIMATE LEADERSHIP SUMMIT PROGRAM**

THIS AMENDMENT NO. 1, effective as of November 17, 2015, made to the **Interlocal Agreement** ("the ILA") entered into the 20th day of May 2015, by and between **MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**, a political subdivision of the State of Florida, and the **SOUTH FLORIDA REGIONAL PLANNING COUNCIL**, a state agency,

**WITNESSETH THAT**

**WHEREAS**, the Parties entered into a Interlocal Agreement (ILA) for the planning, development and implementation of the 7th Annual Southeast Florida Regional Climate Leadership Summit Program; and

**WHEREAS**, the Parties desire to modify the Agreement by increasing the contract amount for the reimbursement of certain out of pocket expense incurred by the Council in its role as administrative support services.

**NOW, THEREFORE**, in consideration of the mutual covenants herein contained the receipt and sufficiency of which are hereby acknowledged, it is agreed upon as follows:

1. The contract amount shall be increased for certain out of pocket expenses not to exceed \$7,952 for travel and registration expenses, and \$6,193 for miscellaneous expenses.
2. Both parties acknowledge receipt of carryover funds from Miami-Dade County in the amount of \$3,724 from the conference held in 2014.
3. Monroe County Board of County Commissioners authorizes the South Florida Regional Planning Council to use the funds carried over from Miami Dade County in the amount of \$3,724 towards the increased out of pocket expenses described above.
4. Therefore, the new contract total is as follows:

|                            |                |
|----------------------------|----------------|
| a. Original Contract Price | \$30,000       |
| b. Cost reimbursement      | 14,145         |
| c. Miami Dade Funds        | <u>(3,724)</u> |
| d. Total Contract          | \$40,421       |
5. Attached Exhibit A and Exhibit B detail the expenses to be reimbursed.
6. Payment for these expenses will be within 30 days of receipt of invoice and supporting details.
7. In all other respects, the terms and conditions of the ILA shall continue unchanged and in full force and effect.

**IN WITNESS WHEREOF**, Parties hereto have executed the Amendment to the Agreement as of the last date all signatures below are affixed.

**IN WITNESS WHEREOF**, The Partners or duly authorized representatives hereby execute this ILA on the date first written above.

**INTERLOCAL AGREEMENT  
BETWEEN  
MONROE COUNTY  
AND THE  
SOUTH FLORIDA REGIONAL PLANNING COUNCIL  
FOR THE  
7<sup>th</sup> ANNUAL SOUTHEAST FLORIDA  
REGIONAL CLIMATE LEADERSHIP SUMMIT PROGRAM**

**THIS Interlocal Agreement (“the ILA”) is entered into as of the 20<sup>th</sup> day of May 2015, by and between MONROE COUNTY BOARD OF COUNTY COMMISSIONERS, a political subdivision of the State of Florida, having the principal place of business at 1100 Simonton Street, Suite 2-205, Key West, Florida 33040, and the SOUTH FLORIDA REGIONAL PLANNING COUNCIL, a state agency, having the principal place of business at 3440 Hollywood Boulevard, Suite 140, Hollywood, Florida 33021.**

**WITNESSETH THAT**

**WHEREAS, Monroe County (“County”) and The South Florida Regional Planning Council (“SFRPC”) (collectively, the “Partners”) have come together to collaborate and to plan, develop and implement the 7<sup>th</sup> Annual Southeast Florida Regional Climate Leadership Summit Program; and**

**WHEREAS, the Partners listed above agreed to enter into a collaborative agreement in which Monroe County, as the lead agency, will host the 7<sup>th</sup> Annual Southeast Florida Regional Climate Leadership Summit (Summit) and the SFRPC will help plan and execute the Summit; and**

**WHEREAS, the Partners herein desire to enter into a Interlocal Agreement (“ILA”) setting forth their collaborative agreement and the services to be provided by the Partners toward administrative support, planning, developing, hosting and implementing the Summit; and**

**WHEREAS, this memorandum shall commence on the date signed and shall continue for one year thereafter; and**

**WHEREAS, the collaborative histories, commitments, and services included in this ILA, herein, shall provide the framework for the Summit goods and services to be provided through this collaborative initiative; and**

**WHEREAS, the Partners now wish to enter into this ILA in order to set forth the terms and conditions,**

**NOW, THEREFORE, in consideration of the premises, and of the mutual covenants and agreements set forth below, the Partners hereby agree as follows:**

**Section I – History of Collaborative Relationships**

- A. The Partners to this agreement have a long-standing history of working collaboratively. Their relationship began in 1969 following the creation of the SFRPC by Monroe,

Miami-Dade, and Broward Counties. In addition, the SFRPC has been an active partner in the *Southeast Florida Regional Climate Change Compact* since its creation in 2010 by Broward, Miami-Dade, Monroe, and Palm Beach Counties (Compact Counties).

- B. Monroe County is one of the member counties of the *Southeast Florida Regional Climate Change Compact*. The Compact Counties meet annually at the annual Summit to mark progress and identify emerging issues. The responsibility of organizing and hosting the annual Summit rotates among the Compact Counties. Monroe County is responsible for hosting the 7th Annual Summit in 2015. The 2015 Summit is anticipated to be held at the Casa Marina Resort in Key West on December 1-3, 2015 with an expected attendance of 400 –700 registered guests. The City of Key West is anticipated to assist with the event by providing various in-kind services and a sponsorship.
- C. SFRPC is a planning and public policy agency created by Monroe, Miami-Dade, and Broward Counties and has a mission to identify the long-term challenges and opportunities facing Southeast Florida and assist the Region's leaders in developing and implementing creative strategies that result in more prosperous and equitable communities, a healthier and cleaner environment, and a more vibrant economy. The SFRPC has been an active partner in the Compact since its inception. The SFRPC has been involved in organizing several conferences similar to the annual Summit, including the 2014 Summit for Miami-Dade County.

## **Section II – Commitments and Services**

For purposes of this ILA, the terms “conference,” “event,” and “Summit” shall have the same meaning.

Provisions herein may not be assigned to other parties without the expressed mutual consent and written agreement of both the County and the SFRPC by amendment and approved with the same formality of this ILA.

Any change in the responsibilities outlined in this Section will require the express mutual consent and written approval (email acceptable) of both the County and the SFRPC.

- A. For the purposes of this event, the SFRPC will assume primary responsibility for certain elements of Summit administrative planning and coordination, as specified below, and shall provide 1 full-time contact person and additional staff in support of Summit administrative planning and coordination. Monroe County will host and assume primary responsibility for certain elements of Summit planning, supervision and oversight of SFRPC work, coordination and execution, as specified below. Monroe County will provide four hours from the Sustainability Director as staff time per week in support of Summit directing, planning, coordination and execution.
- B. The County shall pay for agreed upon expenses associated with the Summit, as approved by the County. The services shall be provided by experienced vendors to be solicited by the SFRPC and approved by the County.
- C. Revenue from the Summit will consist of registration fees and sponsorships. Anticipated revenues are anticipated to cover the majority of Summit costs and expenditures. The SFRPC shall collect the registration fees and garner sponsorship donations on behalf of the County as

authorized by the County. All revenues received by the SFRPC on behalf of the County shall be provided to the County within fifteen days of receipt. All revenues shall be paid prior to December 1, 2015. If donations or fees are collected by the SFRPC after the event, those shall be immediately forwarded to the County.

- D. In the event that the 2015 Summit is cancelled due to a natural disaster (such as a hurricane) or other Acts of God or otherwise, the SFRPC shall be paid for work performed up to the date of cancellation
- E. The County will provide staff time to direct the Summit planning, coordination content development and execution tasks and to review and approve graphic designs, communication, products, solicitations, contracts and related tasks and services as provided by the SFRPC. The City of Key West is anticipated to provide in-kind contributions and a sponsorship fee.
- F. SFRPC shall perform and carry out in a professional and proper manner the duties as described in the *Scope of Services* which is attached hereto as Exhibit A and made a part of this agreement. SFRPC warrants that it is authorized by law to engage in the performance of the activities herein described, subject to the terms and conditions set forth in these CONTRACT documents. The SFRPC shall at all times exercise independent, professional judgment, but shall coordinate through the County for key decisions, and shall assume professional responsibility for the services to be provided. SFRPC shall provide services using the following standards, as a minimum requirement:
  - 1) The SFRPC shall maintain adequate administrative and substantive staffing levels to provide the services required under the ILA, consisting of at least 1 full time contact and additional staff that will be available during regular business hours. Closer to the event, such hours are anticipated to increase and the SFRPC will assign additional staff support as needed to ensure successful planning, implementation and execution of the event.
  - 2) All personnel engaged in performing services under this ILA shall be fully qualified, and, if required, to be authorized, licensed or permitted under State and local law to perform such services.
  - 3) For the purposes of this Event, the SFRPC will assume lead administrative responsibility for administrative planning, support, coordination and execution of the Summit, as detailed below and directed by the County. The SFRPC will be paid by the County for specific services performed as outlined in Exhibit A. The SFRPC will compensate employees and independent contractors retained by the SFRPC for labor and services in support of the Summit.

### **Section III –Contract Sum and Expenses**

- A. SFRPC shall be compensated an amount not to exceed Thirty Thousand Dollars (\$30,000.00) for the SFRPC's services provided under this ILA. Such amount includes all expenses except as outlined herein. Travel expenses are included in the lump sum and therefore additional travel expenses will not be authorized for any reason. Payment will be made in percentage of completion of the lump sum amounts per task according to the **Deliverable Schedule** attached as Exhibit B, and according to the Florida Local Government Prompt Payment Act, Section 218.70, Florida Statutes. The SFRPC shall

submit to the County an invoice with supporting documentation in a form acceptable to the Clerk based on the tasks and deliverables contained herein. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the Clerk's disbursement of funds. The County's Sustainability Manager will review the request, note her approval on the request and forward it to the Clerk for payment.

- B. The County's performance and obligation to pay under this ILA is contingent upon an annual appropriation by the Monroe BOCC. The parties hereto understand that this ILA is not a commitment of future appropriations.
- C. The accounting systems for the SFRPC must ensure that funds collected on behalf of the County are not commingled with its own funds or funds from other agencies. Funds must be accounted for separately. SFRPC is prohibited from commingling funds. If the SFRPC's accounting system cannot comply with this requirement, the SFRPC shall establish a system to provide adequate fund accountability.
- D. If the County finds that these funds have been commingled, the County shall have the right to demand a refund, either in whole or in part, of the funds provided to the SFRPC under this ILA for non-compliance with the material terms of this ILA. The SFRPC, upon such written notification from the County shall refund, and shall forthwith pay to the County, the amount of money demanded by the County. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the County by the SFRPC to the date repayment is made by the SFRPC to the County.
- E. In the event that the County recovers costs, incurred under this ILA and reimbursed by the SFRPC, from another source(s), the SFRPC shall reimburse the County for all recovered funds originally provided under this ILA. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the SFRPC to the date repayment is made to the County by the SFRPC.
- F. The County will assume and pay all additional expenditures related to the Summit not covered under this ILA. Additional anticipated services not included in this ILA include, but are not limited to, the following:
  - 1) design and printing of promotional materials
  - 2) venue-related expenses such as conference rooms, food and beverage audio visual services and equipment
  - 3) speakers' travel expenses and registration platform expenses.

The County shall contract directly with the vendors providing the services and pay for their services. However, the SFRPC shall coordinate and manage the related administrative tasks as specified herein at the direction of the County.

- G. The SFRPC shall maintain detailed fiscal and program records and invoice backup in accordance with the reporting and auditing procedures required by Monroe County and the State of Florida.

#### **Section IV – Term of the ILA**

The term of this ILA shall commence on May 20, 2015 and continue for one (1) year or until the completion of the project, whichever occurs first. The completion of the project is likely to extend several months following the Summit to allow the SFRPC time to prepare a final report and conduct a final audit. For purposes of this agreement, the completion of the project is defined as the date that:

- all services are performed by the SFRPC, including submission of the final report to the County.
- all outstanding revenues (registration fees and sponsorship funds) are collected and received by the SFRPC and paid to the County;
- all services performed by the SFRPC and approved by the COUNTY have been paid by the County
- an audit report of funds received and transmitted to the County is provided.

This ILA may be terminated by either of the Partners with a 60 written Notice of Termination.

The Partners agree that time is of the essence in the performance of each and every obligation provided for in this ILA.

#### **Section V – Project Management and Notice**

The Project Manager for the County is Ms. Rhonda Haag. The Project Manager for the SFRPC is Mr. James (Jim) Murley. The Partners shall direct all matters arising in connection with the performance of this ILA and the Project to the attention of the Project Managers for attempted resolution or action. The Project Managers shall be responsible for overall coordination and oversight relating to the performance of this ILA.

All formal notices, demands, or other communications to Miami-Dade County related to this ILA shall be in writing and shall be deemed received if sent by certified mail to:

Monroe County  
Attention: Roman Gastesi  
County Administrator  
1100 Simonton Street, Suite 2-205  
Key West, FL 33040

Informal communications shall be directed to Rhonda Haag, at [haag-rhonda@monroecounty-fl.gov](mailto:haag-rhonda@monroecounty-fl.gov).

All formal notices, demands, or other communications to the SFRPC under this ILA shall be in writing and shall be deemed received if sent by certified mail to:

South Florida Regional Planning Council (SFRPC)  
Attention: James Murley, Executive Director  
3440 Hollywood Boulevard, Suite 140  
Hollywood, Florida 33021

All notices required by this ILA shall be considered delivered upon receipt. Should any of the Partners change its address, written notice of such new address shall promptly be sent to the other.

#### **Section VI – Records Retention/Ownership**

As provided below, all Partners shall maintain all records related to this Project, and particularly for Project tasks under their purview pursuant to this ILA, and all Partners shall have inspection and audit rights. Documents which are deemed to be public records under the Florida Public Records Act may be subject to compelled disclosure under Florida law, notwithstanding the fact that those documents are stored by a private party.

##### **A. Maintenance of Records**

All Partners shall maintain all financial and non-financial records and reports directly or indirectly related to the negotiation or performance of this ILA and the Project, including supporting documentation for any service rates, expenses, research or reports. Such records shall be maintained and made available for inspection for a period of at least five (5) years from the expiration or termination date of this ILA, or longer as required pursuant to the Florida Public Records Act.

##### **B. Examination of Records**

All Partners or their designated agents shall have the right to examine, in accordance with generally accepted governmental auditing standards, all records directly or indirectly related to this ILA and the Project. Such examination may be within five (5) years from the expiration or termination of this ILA, or longer as required pursuant to the Florida Public Records Act, and upon reasonable notice, time and place.

##### **C. Extended Availability of Records for Legal Disputes**

In the event that any of the Partners should become involved in a legal dispute with a third party arising from performance under this ILA, the other Partners shall extend the period of maintenance for all records relating to this ILA until the final disposition of the legal dispute, and all such records shall be made readily available.

##### **D. Exemption**

Any and all information not subject to disclosure under federal law, including but not limited to any and all criminal intelligence any and all criminal investigative information, any and all law enforcement related information obtained, retained or created by the United States Attorney's Office is exempt from the requirements of this Section. Notwithstanding this paragraph, documents which are deemed to be public records

subject to disclosure under the Florida Public Records Act could be subject to compelled disclosure under Florida law.

**Section VII- Indemnification**

- A. Subject to the sovereign immunity provisions and liability limitations of Florida Statutes Section 768.28, the County assumes any and all risks of personal injury, bodily injury and property damage attributable to the negligent acts or omissions of the County and the officers, employees, servants, and agents thereof. The County warrants and represents that it is self-funded for liability insurance, or has liability insurance, both public and property, with such protection being applicable to the County officers, employees, servants, and agents while acting within the scope of their employment with the County.
- B. Subject to the sovereign immunity provisions and liability limitations of Florida Statutes Section 728.68, SFRPC, a State Agency as defined in Chapter 768.28, Florida Statutes, assumes any and all risks of personal injury, bodily injury and property damage attributable to the negligence acts or omissions of the SFRPC and the officers, employees, servants, and agents thereof. SFRPC warrants and represents that it is self-funded for liability insurance, or has liability insurance, or has liability insurance, both public and property, with such protection being applicable to the SFRPC's officers, employees, servants and agents while acting within the scope of their employment with SFRCP.
- C. The County and SFRPC further agree that nothing contained herein shall be construed to interpret as (1) denying to either party any remedy or defense available to such party under the laws of the State of Florida; (2) the consent of the United States or its agents and agencies to be sued; (3) the consent of the State of Florida or its agents and agencies to be sued; or (4) a waiver of sovereign immunity of the State of Florida beyond the waiver provided in Section 768.28, Florida Statutes.

## EXHIBIT A – SCOPE OF WORK

The Partners agree to provide the following services toward support, planning, developing, hosting and implementing the Summit:

**A. MONROE COUNTY shall provide the following services:**

- 1) **SUPPORT:** Provide staffing support equal to 4 hours per week for Summit planning, directing the SFRPC's activities, and coordination of the event. Such support shall increase to 8 hours per week one month in advance of the event.
- 2) **SUMMIT RELATED CONTRACTS:** Locate potential venues in the Keys able to host the Summit, negotiate and execute the contract with the selected hotel vendor. Review contracts for all other summit services, such contracts to be solicited, negotiated and prepared by the SFRPC. Upon submission to and approval by the County, execute the contracts.
- 3) **REGISTRATION FEES and SPONSORSHIP LEVELS:** Set registration fees, sponsor/exhibit charges, and sponsorship levels, after receipt and review of proposed suggestions from the SFRPC.
- 4) **PROGRAM AGENDA CONTENT /DESIGN:** Identify and develop program topics, content and speakers in conjunction with the Summit Planning Committee. Develop the speaker/presentation panel topics and identify the presenters and moderators who will be invited to participate. Coordinate with the SFRPC and the SE Florida Regional Climate Change Compact Steering Committee.
- 5) **WEBSITE:** Design a County website with information about the Summit. Web page will post conference information and contain a link to an on-line registration/ payment process (online registration and payment process to be handled by SFRPC with revenues paid to the County accompanied by backup documentation). Website will also include contact information for companies interested in exhibiting and sponsorships.
- 6) **MARKETING/MEDIA:** Approve and release all media promotional pieces, including social media, as drafted and presented by the SFRPC. Review and issue Summit press releases as drafted and presented by SFRPC.
- 7) **VENDOR PAYMENTS:** Utilize funds received through the SFRPC and to Monroe County directly from guest registration fees and summit sponsorship donations to remit payment to the various vendors providing approved services for the event.
- 8) **LIAISON:** Serve as primary liaison for elected officials who will be speaking at or attending the summit

- 9) **INVITATIONS:** Approve invitations, which are prepared, produced, printed and mailed by the SFRPC to elected officials and community VIP'S. This expense is assumed to be covered in the Contract Sum of \$30,000 for this ILA.
- 10) **COORDINATION:** Coordinate with the SFRPC and the City of Key West, the Summit partner.
- 11) **SPONSORS:** Vet potential sponsors with County staff and the SE Florida Regional Climate Change Compact Steering Committee for potential conflict prior to accepting sponsorship agreements.
- 12) **SUNSET BOAT CRUISE –** Work with the hotel to potentially provide a sunset cruise.
- 13) **MUSIC –** Work with the hotel to potentially provide a band for music during evening luau event.

**B. The SFRPC shall provide the following administrative support services for the event in the form of administrative planning, coordination, and implementation tasks, coordinating with the County at regular intervals and decision points:**

- 1) **WORK PLAN:** Develop administrative work plan and task assignment list by June 15, 2015, in collaboration with the County, for addressing all summit administrative planning and implementation activities. Work plan and assignments shall contain specific deadlines.
- 2) **SUPPORT:** Provide a minimum of one designated 1 full-time contact person and additional staff to be available during regular business hours, for Summit administrative planning, task implementation and coordination. Such person shall provide immediate response, but no later than 24 hour response to County questions and concerns for the entire length of this ILA up to and including the Summit.

Maintain a weekly communication at a time and day to be determined with County project leader via telephone and email. Be available for in-person meetings with project leader and Compact Planning Team on an as-needed basis and as requested by the County. Provide capable and knowledgeable backup administrative staff to timely manage activities if assigned SFRPC staff is out of the office for any reason. Communicate planned absences as far in advance as possible to County, a minimum of 21 days' notice for periods exceeding one week absence and a minimum of 5 days' notice for periods less than one week absence.

- 3) **SUMMIT RELATED CONTRACTS:** Once the hotel contract is executed by the County, meet and communicate with the hotel staff to set the reservation terms for the sleeping rooms, event menus, schedules, media room and ballroom setups, and other related venue tasks. Coordinate with the County for decision points. Serve as the

principal logistical coordinator with the hotel. Monitor hotel contract terms and conditions and ensure that all terms are implemented. Hotel rooms or parking may not be charged by the SFRPC to the County for any reason.

Solicit, negotiate and prepare contracts for all other summit services, including the speakers, at the direction of and in coordination with the County, and submit to the County for approval and execution. Follow all applicable government procedures, including the Monroe County Procurement Policy. After the contracts are executed by the County, manage the tasks and deliverables related to the contracts, review invoices received from the vendors, prepare the documentation for payment of invoices and submit to the County for payment to the vendors and speakers.

- 4) **REGISTRATION FEES and SPONSORSHIPS:** Propose a complete set of registration fees, sponsor/exhibit charges, and sponsorship levels and submit to the County for review and approval. Once approved, work with the County's IT staff to insert on the County's Climate Summit webpage.
- 5) **PROGRAM AGENDA/DESIGN:** Locate a professional graphics contractor to prepare the content and design the Summit program, following County Procurement guidelines, and submit to the County for approval. Negotiate and prepare a contract and submit to the County for approval. Once the County has issued the contract, manage the work of the firm to design, prepare, gather and assemble all content and print the Summit agenda, program and other Summit materials and addenda, based on guidance and direction provided by Monroe County, . Design and print additional conference materials including, but not limited to: speaker bios, handouts, name badges, signs, sponsor identification and information packets for attendees and media and submit to County for review and approval. The timeline for submittals shall be included in the proposed Work Plan, due by June 15, 2015. County has final approval for all content and the look of the program and materials.
- 6) **CREDITS:** At the direction of Monroe County, the SFRPC shall coordinate and seek professional certifications for the conference including, but not limited to, certification by the American Institute of Certified Planners, the U.S. Green Building Council, floodplain management and any other relevant credits the Planning Coordinating Committee determines is desired. This shall include drafting any session descriptions, submittal of speaker bios and any applications or supporting documentation to process those certifications. Such certification credits shall be announced in Summit promotional materials.
- 7) **WEBSITE:** Use the County's summit webpage. Develop online registration and event marketing platform. Design and prepare the information and link for the online registration system in coordination with County's IT staff and consultants. Provide SFRPC contact information for entities interested in exhibiting and sponsorships. Work with County and SE FL Regional Compact and routinely provide information to update County and Compact websites with information about the Summit. Prepare content for Monroe website media and social media promotional pieces.

- 8) **MARKETING/MEDIA:** Prepare all media promotional pieces, including social media, and provide to County for review and approval. Prepare a minimum of 10 Summit pre and post press releases for County review and release, utilizing contacts from prior summits and SFRPC 750 meetings. Draft social media marketing pieces and submit to County for review and release. Provide the County coordinator with a copy of the email contact distribution list after the summit

If directed by the County, release the press releases upon approval. Design, Prepare and distribute Save the Date cards, after review and approval of the County. Prepare a minimum of 8 regular media and social media promotional pieces and submit to the County for review and release. Devise a strategy for inviting and registering targeted media representatives to attend the Summit, and submit to County for review and approval. After approval, implement the strategy.

- 9) **FUNDS AND PAYMENTS:** Collect and receive payments from guest registrations and sponsors on behalf of the County, and provide funds to County within 15 days of receipt. Implement an electronic payment system so that guests and vendors may pay with credit cards if desired. Allow check payments. Do not utilize any of these funds for any reason other than to remit to the County within 15 days of receipt.
- 10) **LIAISON:** Serve as secondary liaison at the direction of the County for elected officials who will be speaking at or attending the Summit
- 11) **INVITATIONS:** Prepare and design a *Save the Date* card, using a professional graphics contractor preapproved by the County and with whom the County has issued a contract, and provide the invitation to the County for review and approval. Upon approval, print and distribute Summit *Save the Date* card to previous registrants, the 4-County Compact area municipal and county staff, exhibitors and sponsors, using experienced vendors as applicable and with the approval of the County. Mail invitations using first class mail. Create content for and email out electronic invitations once approved by the County.

Prepare and design Timeline Events notifications and the invitation and provide to County for review and approval. Distribute to prior year's attendees and all county and municipal governments within seven-county Southeast Florida/Treasure Coast region. Draft content and send a minimum email invitations (email blasts) to distribution lists (the SFRPC and County lists) for each Event, once content is approved by County.

**Timeline Events:**

- 1) Save the Date – June 15, 2015
- 2) Registration is open / Invitation – June 30, 2015
- 3) Don't forget to register – August 2015
- 4) Don't forget to register at Summit and Hotel - September
- 4) Registration will close in a month - October
- 5) Registration will close in 3 weeks

- 6) Two weeks prior to event
- 7) One week prior to event
- 8) Three days prior to event
- 9) Last day prior to event

Ensure that all mailings, invitations and registration materials are distributed according to timelines that will be mutually developed. All attendees must be registered and paid, including students, sponsors, County and RPC staff and all others. RPC shall not authorize courtesy registrations or authorize attendees to attend at "no charge" without the advance written approval of the County.

- 12) **COORDINATION:** Coordinate with the County and the City of Key West. Serve as secondary liaison with elected officials who will be speaking at or attending the Summit, at the direction of the County. Complete all assigned tasks according to mutually developed timelines and deadlines, which shall be proposed in the Work Plan. Provide a minimum of one full time staff person (1 FTE) to serve as the lead person to coordinate the Summit in conjunction with Monroe County. Lead, organize, perform, and manage tasks necessary to support Monroe County and its partners to meet the conference/Summit requirements and objectives. Request and arrange for substantive and administrative support staff from the Compact Counties at the request by the County to serve as speakers, session moderators, technicians, and/or administrative assistants.
- 13) **SPONSORS:** Solicit and secure sponsors and a minimum of \$25,000 in sponsorship donations. Design and prepare sponsorship and exhibitor/vendor packages and fee structures provide to the County for review and approval. Solicit sponsors/exhibitors/vendors/advertisers by personal telephone calls, visits, and personalized emails and conduct the majority of this effort by July 30, 2015. However, if additional sponsorships are needed to cover expenses, continue fund raising efforts. Prepare a report on the efforts, including a list of potential sponsors contacted and the response, positive or negative, and provide to the County on a bi-weekly basis, with updates highlighted. Prepare and finalize sponsorship commitments and collect sponsorship revenue, except from sponsors directly secured by the County. Ensure that sponsorship benefits are fulfilled. Prepare post-Summit thank you letters to sponsors and exhibitors.
- 14) **TOTE BAGS / GIVEAWAYS:** Research and provide recommendations to the County for strong and environmentally friendly tote bags to be used for sponsorship. After the County selects the bag, RPC shall coordinate production arrangements with the vendor. Coordinate with the County, City of Key West and sponsors and research a minimum of 6 give-a-ways at the Summit, to be provided by the sponsors / exhibitors. Provide list to County for review and approval.
- 15) **REGISTRATION:** Fully manage Summit registration process, using the County website, and provide regular updates to County project leader. This task shall include contracting with an entity meeting industry standards (such as "Eventbrite" or

"Complete Ticketing Solutions") to handle processing of registrations and receipt of funds. The fee for this is included in the Contract Sum of this ILA and will not be an additional fee or additional contract covered by the County.

Create master data base to track registration, speakers, elected officials and sponsors. Provide a weekly update to County. SFRPC shall not allow free registrations for the Summit or registered guests to attend without prior receipt of payment, unless specific approval is provided by County project leader. Design a procedure to ensure all registrations are paid prior to the event, and if not, notify the registrant that the registration will be cancelled. Provide suggested promotional codes, if any that may be utilized to offset individual costs of certain Summit registrations and provide to County for review and approval. Develop suggested registration fees, exhibit charges and sponsorship levels with the Summit Planning Committee and submit to County for review and approval. The registration list may not be released to anyone. All requests for the registration / attendance list must be coordinated through the County.

- 16) **SUMMIT GREENING AND CARBON OFFSET:** Attempt to contract with or obtain sponsorship from an external entity to provide carbon offsets for the conference. Develop ideas for "greening" of Summit such as promoting and facilitating public transportation and car-pooling, recycling of materials, use of renewal or recyclable products, food options, etc.
- 17) **VENDORS AND EXPENSE PAYMENTS.** For Summit related expenditures including, but not limited to, speaker travel expenses, program, venue, audio visual and other related expenses prepare documentation for check payments, using County forms, and submit to County for processing and payment to Summit vendors. SFRPC shall solicit, organize, assemble, negotiate and draft all contracts and submit to County for approval and execution, with County guidance. SFRPC shall use County boilerplate if possible. All principals of government accounting, finance, solicitation and contracting shall be followed. SFRPC acknowledges that it has received a copy of the County's Procurement Policy and shall abide by its standards.
- 18) **SPEAKERS:** Serve as primary logistical administrative coordinator for all speakers. Make arrangements with confirmed speakers as requested by the Summit Planning Committee members, obtain commitments from speakers in writing, obtain bios (edit as necessary) and PowerPoint presentations from speakers, assist with travel arrangements on an as-needed basis (speakers will be responsible for their own travel arrangements) and process travel stipend reimbursements to the County, using County forms, for confirmed speakers. Reimbursement caps will be set by Monroe County and shall follow Monroe County Travel Requirements. Authorization for Travel forms must be used prior to travel, and Request for Reimbursement forms used after travel is completed. Determine audio visual needs for each speaker and session and arrange for the necessary equipment in designated event conference rooms. Assist out-of-town speakers as needed with hotel reservations. At no time shall any travel expenses be direct charged to the County for any reason.

- 19) **VENUE SET UP:** Fully manage and oversee setup of exhibit space, meeting space, registration area, VIP room, media room and business support area at the event, in coordination with hotel staff. Respond and manage the exhibitor/vendor requests and assist exhibitors/vendors during setup, conference period, and breakdown. Assist the hotel and County with planning for meal and refreshment/break service at the event. Submit all meal menus to the County for approval, including breakfast, lunch, snacks, dinner and the luau dinner. Coordinate with County's AV staff or AV contractor and provide AV tech coordination throughout conference. Provide on-site supervision during the conference and provide personnel to staff registration desk during conference. During the Summit, a minimum of 8 SFRPC personnel shall provide logistical support, unless otherwise directed by the County for a lesser number.
- 20) **EVALUATION and FOLLOW UP:** Prepare and distribute a conference evaluation form to all attendees, after review and approval of the County. Collect all surveys and provide an analysis and summary of results to Monroe coordinator within sixty (60) days after the Summit. Prepare a list of individuals/organizations to receive thank you notes within one week following the Conference, draft letters and provide to the County within two weeks after the Summit. Complete all assigned tasks according to mutually developed timelines and deadlines and provide biweekly status reports until a month prior to the Summit in which case the report frequency shall be weekly. Assist / provide input for a "Lessons Learned" document to assist next year's Summit organizers. Prepare a Final Report and Audit and provide to County. Do not maintain any "carryover" funds, issue all funds to Monroe County with in the time frame required. Provide any additional tasks as mutually agreed upon.

The SFRPC acknowledges that this Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all work and commitments and services under this Agreement. All things not expressly mentioned in this agreement, but necessary to carrying out its intent are required by this Agreement, and the SFRPC shall perform the same as though they were specifically mentioned, described and delineated.

The SFRPC acknowledges that the County shall be responsible for making all policy decision regarding the commitment and services section. The SFRPC agrees to provide input on policy issues in the form of recommendations. The SFRPC agrees to implement any and all changes in providing services hereunder as a result of a policy change implemented by the County. The SFRPC agrees to act in an expeditious and fiscally sound manner in providing the County with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

End.

## EXHIBIT B – TASK / PAYMENT SCHEDULE

The following pricing is the all-inclusive pricing to provide Monroe County with Conference Planning and Implementation Services for the Seventh Annual Southeast Florida Regional Climate Change Summit.

### TASKS TO BE COMPLETED by the SFRPC:

**AGENDA ITEM WORDING:** Approval of waiver of "standard of conduct" provision of Section 112.313(3) and (7), for Gayle Tippett, member of the Tourist Development Council as allowed under Section 112.313(12), Florida Statutes.

---

**ITEM BACKGROUND:** Gayle Tippett is general manager/owner of Strike Zone Charters, Inc. and is a member of the TDC. Strike Zone Charters, Inc. may supply services to business entities which contract with the TDC for services or otherwise have a contractual relationship with the TDC. While Ms. Tippett must avoid any potential voting conflicts pursuant to F.S. 112.3143(3)(a) and Monroe County Code Section 2-429 by abstaining from voting on such measures, obtaining a waiver from the appointing body on "standard of conduct" provisions is allowed by F.S. 112.313(12) in order to avoid any potential conflict created by F.S. 112.313 (3) and (7). F.S. 112.313(12) provides that an appointing body can waive any such potential conflict upon full disclosure of the relationship and a two-thirds vote of the governing body. CE 4A, Disclosure of Business Transaction, Relationship or Interest has been provided and is attached.

## HOW TO COMPLETE AND FILE THIS FORM:

Parts A and B of this form serve two different purposes. Part A is for advisory board members who wish to use an exemption in the ethics laws that is applicable only to advisory board members. Part B is for public officers and employees who wish to use a separate exemption that is applicable when the business entity involved is the sole source of supply within the political subdivision. In order to complete and file this form:

- Fill out Part A or Part B, as applicable.
- Sign and date the form on the reverse side.
- File Part A with the appointing body or person that will be waiving the restrictions of 112.313(3) or (7), Fla. Stat., prior to the waiver.
- File Part B with the governing body of the political subdivision in which the reporting person is serving, prior to the transaction.

## PART A - DISCLOSURE OF TRANSACTION OR RELATIONSHIP CONCERNING ADVISORY BOARD MEMBER

### WHO MUST COMPLETE THIS PART:

Sections 112.313(3) and 112.313(7), Florida Statutes, prohibit certain business relationships on the part of public officers and employees, including persons serving on advisory boards. See Part III, Chapter 112, Florida Statutes, and/or the brochure entitled "A Guide to the Sunshine Amendment and Code of Ethics for Public Officers and Employees" for more details on these prohibitions. However, Section 112.313(12), Florida Statutes, permits the appointing official or body to waive these requirements in a *particular instance* provided: (a) waiver by the appointing body must be upon a two-thirds affirmative vote of that body; or (b) waiver by the appointing person must be effected after a public hearing; and (c) in either case the advisory board member must fully disclose the transaction or relationship which would otherwise be prohibited by Subsections (3) of (7) of Section 112.313, Florida Statutes. This Part of Form 4A has been prescribed by the Commission on Ethics for such disclosure, *if and when applicable* to an advisory board member.

### PLEASE COMPLETE THE FOLLOWING:

1. The partnership, directorship, proprietorship, ownership of a material interest, position of officer, employment, or contractual relationship which would otherwise violate Subsection (3) or (7) of Section 112.313, Florida Statutes, is held by [please check applicable space(s)]:
  - The reporting person;
  - The spouse of the reporting person, whose name is \_\_\_\_\_; or
  - A child of the reporting person, whose name is \_\_\_\_\_
2. The particular transaction or relationship for which this waiver is sought involves [check applicable space]:
  - Supplying the following realty, goods, and/or services: Boating Service
  - Regulation of the business entity by the governmental agency served by the advisory board member.
3. The following business entity is doing business with or regulated by the governmental agency:
 

Strike Zone Charters, Inc - Big Pine Key FL
4. The relationship of the undersigned advisory board member, or spouse or child of the advisory board member, to the business entity transacting this business is [check applicable spaces]:
  - Officer;  Partner;  Associate;  Sole proprietor;  Stockholder;  Director;  Owner of in excess of 5% of the assets of capital stock in such business entity;  Employee;  Contractual relationship with the business entity;
  - Other, please describe:

**PART B - DISCLOSURE OF INTEREST IN SOLE SOURCE OF SUPPLY**

**WHO MUST COMPLETE THIS PART:**

Sections 112.313(3) and 112.313(7), Florida Statutes, prohibit certain employment and business relationships on the part of public officers and employees. See Part III, Chapter 112, Florida Statutes, and/or the brochure entitled "A Guide to the Sunshine Amendment and Code of Ethics for Public Officers and Employees" for more details on these prohibitions. However, Section 112.313(12)(e), Florida Statutes, provides an exemption from the above-mentioned restrictions in the event that the business entity involved is the only source of supply within the political subdivision of the officer or employee. In such cases the officer's or employee's interest in the business entity must be fully disclosed to the governing body of the political subdivision. This Part of Form 4A has been prescribed by the Commission on Ethics for such disclosure, *if and when applicable*.

**PLEASE COMPLETE THE FOLLOWING:**

1. The partnership, directorship, proprietorship, ownership of a material interest, position of officer, employment, or contractual relationship which would otherwise violate Subsection (3) or (7) of Section 112.313, Florida Statutes, is held by [please check applicable space(s)]:

- The reporting person;
- The spouse of the reporting person, whose name is \_\_\_\_\_; or
- A child of the reporting person, whose name is \_\_\_\_\_

2. The following are the goods, realty, or services being supplied by a business entity with which the public officer or employee, or spouse or child of such officer or employee, is involved is:

Boating Services / Charters

3. The business entity which is the only source of supply of the goods, realty, or services within the political subdivision is:

Strike Zone Charters, Inc. 29675 Overseas Highway Big Pine Key FL  
(NAME OF ENTITY) (ADDRESS OF ENTITY)

4. The relationship of the undersigned public officer or employee, or spouse or child of such officer or employee, to the business entity named in Item 3 above is [check applicable spaces]:

- Officer;  Partner;  Associate;  Sole proprietor;  Stockholder;  Director;  Owner of in excess of 5% of the assets or capital stock in such business entity;  Employee;  Contractual relationship with the business entity;
- Other, please describe:

Title X  
PUBLIC OFFICERS, EMPLOYEES,  
AND RECORDS

Chapter 112  
PUBLIC OFFICERS AND EMPLOYEES:  
GENERAL PROVISIONS

[View Entire  
Chapter](#)

**112.313 Standards of conduct for public officers, employees of agencies, and local government attorneys.—**

(1) **DEFINITION.**—As used in this section, unless the context otherwise requires, the term “public officer” includes any person elected or appointed to hold office in any agency, including any person serving on an advisory body.

(2) **SOLICITATION OR ACCEPTANCE OF GIFTS.**—No public officer, employee of an agency, local government attorney, or candidate for nomination or election shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the public officer, employee, local government attorney, or candidate would be influenced thereby.

**(3) DOING BUSINESS WITH ONE’S AGENCY.**—No employee of an agency acting in his or her official capacity as a purchasing agent, or public officer acting in his or her official capacity, shall either directly or indirectly purchase, rent, or lease any realty, goods, or services for his or her own agency from any business entity of which the officer or employee or the officer’s or employee’s spouse or child is an officer, partner, director, or proprietor or in which such officer or employee or the officer’s or employee’s spouse or child, or any combination of them, has a material interest. Nor shall a public officer or employee, acting in a private capacity, rent, lease, or sell any realty, goods, or services to the officer’s or employee’s own agency, if he or she is a state officer or employee, or to any political subdivision or any agency thereof, if he or she is serving as an officer or employee of that political subdivision. The foregoing shall not apply to district offices maintained by legislators when such offices are located in the legislator’s place of business or when such offices are on property wholly or partially owned by the legislator. This subsection shall not affect or be construed to prohibit contracts entered into prior to:

- (a) October 1, 1975.
- (b) Qualification for elective office.
- (c) Appointment to public office.
- (d) Beginning public employment.

(4) **UNAUTHORIZED COMPENSATION.**—No public officer, employee of an agency, or local government attorney or his or her spouse or minor child shall, at any time, accept any compensation, payment, or thing of value when such public officer, employee, or local government attorney knows, or, with the exercise of reasonable care, should know, that it was given to influence a vote or other action in which the officer, employee, or local government attorney was expected to participate in his or her official capacity.

(5) **SALARY AND EXPENSES.**—No public officer shall be prohibited from voting on a matter affecting his or her salary, expenses, or other compensation as a public officer, as provided by law. No local government attorney shall be prevented from considering any matter affecting his or her salary, expenses, or other

# **ADDITIONAL BACK-UP**

compensation as the local government attorney, as provided by law.

(6) MISUSE OF PUBLIC POSITION.—No public officer, employee of an agency, or local government attorney shall corruptly use or attempt to use his or her official position or any property or resource which may be within his or her trust, or perform his or her official duties, to secure a special privilege, benefit, or exemption for himself, herself, or others. This section shall not be construed to conflict with s. 104.31.

**(7) CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP.—**

(a) No public officer or employee of an agency shall have or hold any employment or contractual relationship with any business entity or any agency which is subject to the regulation of, or is doing business with, an agency of which he or she is an officer or employee, excluding those organizations and their officers who, when acting in their official capacity, enter into or negotiate a collective bargaining contract with the state or any municipality, county, or other political subdivision of the state; nor shall an officer or employee of an agency have or hold any employment or contractual relationship that will create a continuing or frequently recurring conflict between his or her private interests and the performance of his or her public duties or that would impede the full and faithful discharge of his or her public duties.

1. When the agency referred to is that certain kind of special tax district created by general or special law and is limited specifically to constructing, maintaining, managing, and financing improvements in the land area over which the agency has jurisdiction, or when the agency has been organized pursuant to chapter 298, then employment with, or entering into a contractual relationship with, such business entity by a public officer or employee of such agency shall not be prohibited by this subsection or be deemed a conflict per se. However, conduct by such officer or employee that is prohibited by, or otherwise frustrates the intent of, this section shall be deemed a conflict of interest in violation of the standards of conduct set forth by this section.

2. When the agency referred to is a legislative body and the regulatory power over the business entity resides in another agency, or when the regulatory power which the legislative body exercises over the business entity or agency is strictly through the enactment of laws or ordinances, then employment or a contractual relationship with such business entity by a public officer or employee of a legislative body shall not be prohibited by this subsection or be deemed a conflict.

(b) This subsection shall not prohibit a public officer or employee from practicing in a particular profession or occupation when such practice by persons holding such public office or employment is required or permitted by law or ordinance.

(8) DISCLOSURE OR USE OF CERTAIN INFORMATION.—A current or former public officer, employee of an agency, or local government attorney may not disclose or use information not available to members of the general public and gained by reason of his or her official position, except for information relating exclusively to governmental practices, for his or her personal gain or benefit or for the personal gain or benefit of any other person or business entity.

**(9) POSTEMPLOYMENT RESTRICTIONS; STANDARDS OF CONDUCT FOR LEGISLATORS AND LEGISLATIVE EMPLOYEES.—**

(a)1. It is the intent of the Legislature to implement by statute the provisions of s. 8(e), Art. II of the State Constitution relating to legislators, statewide elected officers, appointed state officers, and designated public employees.

2. As used in this paragraph:

a. "Employee" means:

(1) Any person employed in the executive or legislative branch of government holding a position in the Senior Management Service as defined in s. 110.402 or any person holding a position in the Selected Exempt Service as defined in s. 110.602 or any person having authority over policy or procurement employed by the

Department of the Lottery.

(II) The Auditor General, the director of the Office of Program Policy Analysis and Government Accountability, the Sergeant at Arms and Secretary of the Senate, and the Sergeant at Arms and Clerk of the House of Representatives.

(III) The executive director and deputy executive director of the Commission on Ethics.

(IV) An executive director, staff director, or deputy staff director of each joint committee, standing committee, or select committee of the Legislature; an executive director, staff director, executive assistant, analyst, or attorney of the Office of the President of the Senate, the Office of the Speaker of the House of Representatives, the Senate Majority Party Office, Senate Minority Party Office, House Majority Party Office, or House Minority Party Office; or any person, hired on a contractual basis, having the power normally conferred upon such persons, by whatever title.

(V) The Chancellor and Vice Chancellors of the State University System; the general counsel to the Board of Governors of the State University System; and the president, provost, vice presidents, and deans of each state university.

(VI) Any person, including an other-personal-services employee, having the power normally conferred upon the positions referenced in this sub-subparagraph.

b. "Appointed state officer" means any member of an appointive board, commission, committee, council, or authority of the executive or legislative branch of state government whose powers, jurisdiction, and authority are not solely advisory and include the final determination or adjudication of any personal or property rights, duties, or obligations, other than those relative to its internal operations.

c. "State agency" means an entity of the legislative, executive, or judicial branch of state government over which the Legislature exercises plenary budgetary and statutory control.

3.a. No member of the Legislature, appointed state officer, or statewide elected officer shall personally represent another person or entity for compensation before the government body or agency of which the individual was an officer or member for a period of 2 years following vacation of office. No member of the Legislature shall personally represent another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals or in settlement negotiations after the filing of a lawsuit.

b. For a period of 2 years following vacation of office, a former member of the Legislature may not act as a lobbyist for compensation before an executive branch agency, agency official, or employee. The terms used in this sub-subparagraph have the same meanings as provided in s. 112.3215.

4. An agency employee, including an agency employee who was employed on July 1, 2001, in a Career Service System position that was transferred to the Selected Exempt Service System under chapter 2001-43, Laws of Florida, may not personally represent another person or entity for compensation before the agency with which he or she was employed for a period of 2 years following vacation of position, unless employed by another agency of state government.

5. Any person violating this paragraph shall be subject to the penalties provided in s. 112.317 and a civil penalty of an amount equal to the compensation which the person receives for the prohibited conduct.

6. This paragraph is not applicable to:

a. A person employed by the Legislature or other agency prior to July 1, 1989;

b. A person who was employed by the Legislature or other agency on July 1, 1989, whether or not the person was a defined employee on July 1, 1989;

c. A person who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994;

d. A person who has reached normal retirement age as defined in s. 121.021(29), and who has retired

under the provisions of chapter 121 by July 1, 1991; or

e. Any appointed state officer whose term of office began before January 1, 1995, unless reappointed to that office on or after January 1, 1995.

(b) In addition to the provisions of this part which are applicable to legislators and legislative employees by virtue of their being public officers or employees, the conduct of members of the Legislature and legislative employees shall be governed by the ethical standards provided in the respective rules of the Senate or House of Representatives which are not in conflict herewith.

(10) EMPLOYEES HOLDING OFFICE.—

(a) No employee of a state agency or of a county, municipality, special taxing district, or other political subdivision of the state shall hold office as a member of the governing board, council, commission, or authority, by whatever name known, which is his or her employer while, at the same time, continuing as an employee of such employer.

(b) The provisions of this subsection shall not apply to any person holding office in violation of such provisions on the effective date of this act. However, such a person shall surrender his or her conflicting employment prior to seeking reelection or accepting reappointment to office.

(11) PROFESSIONAL AND OCCUPATIONAL LICENSING BOARD MEMBERS.—No officer, director, or administrator of a Florida state, county, or regional professional or occupational organization or association, while holding such position, shall be eligible to serve as a member of a state examining or licensing board for the profession or occupation.

(12) EXEMPTION.—The requirements of subsections (3) and (7) as they pertain to persons serving on advisory boards may be waived in a particular instance by the body which appointed the person to the advisory board, upon a full disclosure of the transaction or relationship to the appointing body prior to the waiver and an affirmative vote in favor of waiver by two-thirds vote of that body. In instances in which appointment to the advisory board is made by an individual, waiver may be effected, after public hearing, by a determination by the appointing person and full disclosure of the transaction or relationship by the appointee to the appointing person. In addition, no person shall be held in violation of subsection (3) or subsection (7) if:

(a) Within a city or county the business is transacted under a rotation system whereby the business transactions are rotated among all qualified suppliers of the goods or services within the city or county.

(b) The business is awarded under a system of sealed, competitive bidding to the lowest or best bidder and:

1. The official or the official's spouse or child has in no way participated in the determination of the bid specifications or the determination of the lowest or best bidder;

2. The official or the official's spouse or child has in no way used or attempted to use the official's influence to persuade the agency or any personnel thereof to enter such a contract other than by the mere submission of the bid; and

3. The official, prior to or at the time of the submission of the bid, has filed a statement with the Commission on Ethics, if the official is a state officer or employee, or with the supervisor of elections of the county in which the agency has its principal office, if the official is an officer or employee of a political subdivision, disclosing the official's interest, or the interest of the official's spouse or child, and the nature of the intended business.

(c) The purchase or sale is for legal advertising in a newspaper, for any utilities service, or for passage on a common carrier.

(d) An emergency purchase or contract which would otherwise violate a provision of subsection (3) or subsection (7) must be made in order to protect the health, safety, or welfare of the citizens of the state or

any political subdivision thereof.

(e) The business entity involved is the only source of supply within the political subdivision of the officer or employee and there is full disclosure by the officer or employee of his or her interest in the business entity to the governing body of the political subdivision prior to the purchase, rental, sale, leasing, or other business being transacted.

(f) The total amount of the transactions in the aggregate between the business entity and the agency does not exceed \$500 per calendar year.

(g) The fact that a county or municipal officer or member of a public board or body, including a district school officer or an officer of any district within a county, is a stockholder, officer, or director of a bank will not bar such bank from qualifying as a depository of funds coming under the jurisdiction of any such public board or body, provided it appears in the records of the agency that the governing body of the agency has determined that such officer or member of a public board or body has not favored such bank over other qualified banks.

(h) The transaction is made pursuant to s. 1004.22 or s. 1004.23 and is specifically approved by the president and the chair of the university board of trustees. The chair of the university board of trustees shall submit to the Governor and the Legislature by March 1 of each year a report of the transactions approved pursuant to this paragraph during the preceding year.

(i) The public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.

(j) The public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency and:

1. The price and terms of the transaction are available to similarly situated members of the general public; and

2. The officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

(13) COUNTY AND MUNICIPAL ORDINANCES AND SPECIAL DISTRICT AND SCHOOL DISTRICT RESOLUTIONS REGULATING FORMER OFFICERS OR EMPLOYEES.—The governing body of any county or municipality may adopt an ordinance and the governing body of any special district or school district may adopt a resolution providing that an appointed county, municipal, special district, or school district officer or a county, municipal, special district, or school district employee may not personally represent another person or entity for compensation before the government body or agency of which the individual was an officer or employee for a period of 2 years following vacation of office or termination of employment, except for the purposes of collective bargaining. Nothing in this section may be construed to prohibit such ordinance or resolution.

(14) LOBBYING BY FORMER LOCAL OFFICERS; PROHIBITION.—A person who has been elected to any county, municipal, special district, or school district office may not personally represent another person or entity for compensation before the government body or agency of which the person was an officer for a period of 2 years after vacating that office. For purposes of this subsection:

(a) The “government body or agency” of a member of a board of county commissioners consists of the commission, the chief administrative officer or employee of the county, and their immediate support staff.

(b) The “government body or agency” of any other county elected officer is the office or department headed by that officer, including all subordinate employees.

(c) The “government body or agency” of an elected municipal officer consists of the governing body of the municipality, the chief administrative officer or employee of the municipality, and their immediate support staff.

(d) The “government body or agency” of an elected special district officer is the special district.

(e) The “government body or agency” of an elected school district officer is the school district.

(15) ADDITIONAL EXEMPTION.—No elected public officer shall be held in violation of subsection (7) if the officer maintains an employment relationship with an entity which is currently a tax-exempt organization under s. 501(c) of the Internal Revenue Code and which contracts with or otherwise enters into a business relationship with the officer’s agency and:

(a) The officer’s employment is not directly or indirectly compensated as a result of such contract or business relationship;

(b) The officer has in no way participated in the agency’s decision to contract or to enter into the business relationship with his or her employer, whether by participating in discussion at the meeting, by communicating with officers or employees of the agency, or otherwise; and

(c) The officer abstains from voting on any matter which may come before the agency involving the officer’s employer, publicly states to the assembly the nature of the officer’s interest in the matter from which he or she is abstaining, and files a written memorandum as provided in s. [112.3143](#).

(16) LOCAL GOVERNMENT ATTORNEYS.—

(a) For the purposes of this section, “local government attorney” means any individual who routinely serves as the attorney for a unit of local government. The term shall not include any person who renders legal services to a unit of local government pursuant to contract limited to a specific issue or subject, to specific litigation, or to a specific administrative proceeding. For the purposes of this section, “unit of local government” includes, but is not limited to, municipalities, counties, and special districts.

(b) It shall not constitute a violation of subsection (3) or subsection (7) for a unit of local government to contract with a law firm, operating as either a partnership or a professional association, or in any combination thereof, or with a local government attorney who is a member of or is otherwise associated with the law firm, to provide any or all legal services to the unit of local government, so long as the local government attorney is not a full-time employee or member of the governing body of the unit of local government. However, the standards of conduct as provided in subsections (2), (4), (5), (6), and (8) shall apply to any person who serves as a local government attorney.

(c) No local government attorney or law firm in which the local government attorney is a member, partner, or employee shall represent a private individual or entity before the unit of local government to which the local government attorney provides legal services. A local government attorney whose contract with the unit of local government does not include provisions that authorize or mandate the use of the law firm of the local government attorney to complete legal services for the unit of local government shall not recommend or otherwise refer legal work to that attorney’s law firm to be completed for the unit of local government.

(17) BOARD OF GOVERNORS AND BOARDS OF TRUSTEES.—No citizen member of the Board of Governors of the State University System, nor any citizen member of a board of trustees of a local constituent university, shall have or hold any employment or contractual relationship as a legislative lobbyist requiring annual registration and reporting pursuant to s. [11.045](#).

Division: Growth Management/Code

Bulk Item: Yes  No

Staff Contact /Phone #: Steve Williams 292-3470

---

**AGENDA ITEM WORDING:**

Approval of a Resolution providing sewer connection grant recipient relief to those individuals who qualify and obtain grant approval to connect to the central sewer system.

---

**ITEM BACKGROUND:**

Currently, Monroe County property owners must connect to the central system at their own expenses, regardless of their financial situation. An exception to this rule is the existence of the Community Development Block Grant program, which provides assistance to those who cannot otherwise afford to connect to the sewer system. After completing an application and providing financial information to the grant administrator, a property owner may be entitled to relief. If so, the grant administrator, and not the property owner, coordinates with available contractors to get the property connected to central sewer.

For a variety of reasons, including the grant time period and a shortage of contractors willing to connect at grant funding levels, the time period to connect for grant recipients frequently extends beyond the time periods provided by Code Compliance. This has resulted in fines and liens being placed on properties whose owners have otherwise demonstrated sewer financial hardship.

A Resolution providing relief to those who officially qualify and are approved for grant relief will prevent fines and liens against grant recipients. The resolution is retroactive to the beginning of our enforcement efforts in 2014 to release any such liens currently in place. For those currently in the process, and those future property owners, their fines and costs shall be waived with no liens imposed.

Revised 6/15

**RESOLUTION NO. -2016**

**A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF  
MONROE COUNTY, FLORIDA, PROVIDING RELIEF FROM FINES,  
LIENS AND COSTS FOR THOSE INDIVIDUALS OBTAINING GRANT  
ASSISTANCE TOWARDS MANDATORY SEWER CONNECTIONS**

**WHEREAS**, the residents of Monroe County are under both State and Local mandate to connect their properties to central sewer systems once it becomes available; and

**WHEREAS**, the County and the various sewer providers have commenced enforcement proceedings against those property owners who have not connected to available sewer; and

**WHEREAS**, the cost of connecting to the central sewer runs into the thousands of dollars; and

**WHEREAS**, not every property owner has the financial ability to connect to the central sewer system ; and

**WHEREAS**, it has come to the attention of the County, and the County has taken steps to make the public aware that there are Community Development Block Grant funds available to those who qualify for the sole purpose of connecting to the central sewer; and

**WHEREAS**, the purpose of the block grant funds to assist those most who meet the qualifications and otherwise could not afford the costs of connecting to the sewer; and

**WHEREAS**, it has been the practice in Monroe County of the sewer providers to remit to the County a file for those property owners who do not connect to the central sewer, regardless of financial circumstances, and the County has brought forward code compliance cases against those individuals; and

**WHEREAS**, the County has treated, from an enforcement perspective, grant recipients the same as all other property owners; and

**WHEREAS**, grant recipients, by virtue of applying for, being financially screened by the grant program administrator, and otherwise meeting the strict terms of the grant qualifications have demonstrated a remarkable need for assistance with any fines, fees or costs resulting from any code compliance action; and

**WHEREAS**, the Board of County Commissioners does not seek to impose financial hardship upon the property owners most financially at risk; and

WHEREAS, the Board of County Commissioners has the ability to waive any fines, fees or costs that may either currently or in the future be due to the County;

**BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:**

Section 1. Monroe County shall not impose liens or proceed with code compliance actions against those property owners who officially are approved for a community development block grant to connect to the central sewer system.

Section 2. This resolution is retroactive to January 1, 2014 solely as to the placement of any liens on a sewer connection case. Those liens imposed by the County on sewer connection cases after January 1, 2014 shall be released upon successfully completed installation of the sewer connection.

Section 3. Property owners who are officially approved for the grant and have incurred fines and costs for not yet connecting to the central sewer system and have not yet had a lien imposed shall have their fines and costs waived. The fines and costs shall be waived subsequent to the successful connection to the central sewer system.

Section 4. Any liens recorded, or fines and costs accrued or collected prior to January 1, 2014 are not retroactively waived.

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of said Board held on the \_\_\_\_th day of \_\_\_\_\_, 2016.

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016 - MAR

Department: County Attorney

Bulk Item: Yes  No

Staff Contact Person: Bob Shillinger 292-3470

---

**AGENDA ITEM WORDING:** Semi-annual examination of public official bonds for County Commissioners and Constitutional Officers pursuant to F. S. 137.05 and § 2-28 of the Monroe County Code and finding that all current bonds and/or insurance policies are adequate.

---

**ITEM BACKGROUND:** Florida Statute 137.05 requires that each of the 67 County Commissions examine the sufficiency of the bonds for County officers in their respective Counties every January and June. This statute affords each Commission the discretion to determine if the current bonds are sufficient, and to require a new bond if the Board has reason to believe that any of the current bonds have become impaired.

Under *Ordinance No. 029-2013*, which is now codified at § 2-28 of the County Code, the minimum bond amounts are as follows:

- |    |                            |          |
|----|----------------------------|----------|
| a) | Clerk of the Circuit Court | \$ 5,000 |
| b) | Sheriff                    | \$15,000 |
| c) | Tax Collector              | \$50,000 |
| d) | Property Appraiser         | \$10,000 |
| e) | County Commissioners       | \$ 2,000 |
| f) | Supervisor of Elections    | \$ 5,000 |

Section 2-28(2) authorizes the County Commission to waive the requirements for an officer to purchase a bond if that officer purchases appropriate insurance coverage in excess of the required bond amount.

The County currently maintains sufficient insurance coverage for its county commissioners to satisfy the requirements of the ordinance. Documentation of coverage for all constitutional officers is included in the attached agenda backup.

At this time, there is no evidence to suggest that any of the current bonds are impaired or are likely to become impaired.

The R.A. Gray Building  
500 S Bronough Street  
Tallahassee FL 32399-0250

Dear Mr. Detzner,

Enclosed please find a copy of the fully executed Public Official Bond for Amy Heavilin, who posted a \$5,000 bond, in connection with her service as Clerk. Also enclosed is the fully executed Public Official Bond for Danny L. Kolhage, who posted a \$2,000 bond, in connection with his service as a County Commissioner. *Please note that Mayor George R. Neugent signed under the County Commissioner signature lines – I have typed Chairman next to his signature to identify him.*

I hereby certify that the original bonds are on file in the Office of the Clerk of the Circuit Court, Sixteenth Circuit, Monroe County, Florida. Should you have any questions, please feel free to contact me at (305) 295-3130.

Sincerely,

Amy Heavilin  
Clerk of the Circuit Court  
and ex-officio Clerk to the  
Board of County Commissioners

*By: Pamela G. Hancock, D.C.*

## POWER OF ATTORNEY

### KNOW ALL MEN BY THESE PRESENTS:

That WESTERN SURETY COMPANY, a corporation organized and existing under the laws of the State of South Dakota, and authorized and licensed to do business in the States of Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming, and the United States of America, does hereby make, constitute and appoint

L. Hock of Sioux Falls,  
State of South Dakota, with limited authority, its true and lawful Attorney-in-Fact, with full power and authority hereby conferred to sign, execute, acknowledge and deliver for and on its behalf as Surety and as its act and deed, the following bond:

One COURT CLERK

bond with bond number 71352851

for AMY HEAVLIN  
as Principal in the penalty amount not to exceed: \$5,000.00

Western Surety Company further certifies that the following is a true and exact copy of Section 7 of the by-laws of Western Surety Company duly adopted and now in force, to-wit:

Section 7. All bonds, policies, undertakings, Powers of Attorney, or other obligations of the corporation shall be executed in the corporate name of the Company by the President, Secretary, any Assistant Secretary, Treasurer, or any Vice President, or by such other officers as the Board of Directors may authorize. The President, any Vice President, Secretary, any Assistant Secretary, or the Treasurer may appoint Attorneys-in-Fact or agents who shall have authority to issue bonds, policies, or undertakings in the name of the Company. The corporate seal is not necessary for the validity of any bonds, policies, undertakings, Powers of Attorney or other obligations of the corporation. The signature of any such officer and the corporate seal may be printed by facsimile.

In Witness Whereof, the said WESTERN SURETY COMPANY has caused these presents to be executed by its  
Vice President with the corporate seal affixed this 3rd day of December  
2012.

PUBLIC OFFICIAL BOND

Bond No. S-820491

Know All Men by These Presents:

That Scott P Russell  
of 2505 Fogarty Avenue Key west FL 33040  
Principal and the NGM Insurance Company

of 4601 Touchton Rd East Ste 3400 Jacksonville, FL 32245-6000  
(hereinafter called the Surety) a corporation organized under the laws of the State of Florida, with its principal office in the City of Jacksonville and State of Florida are held and firmly bound unto

Florida Secretary of State  
(hereinafter called the Obligee) in the sum of  
Ten Thousand and 00/100 Dollars (\$ 10,000.00 )

for the payment whereof to the Obligee the Principal binds himself, his heirs, executors, administrators and assigns, and the Surety binds itself, its successors and assigns, jointly and severally, firmly by these presents.

Signed, sealed, and dated this 21st day of December, 2012.  
Whereas the above-named Principal has been duly appointed or elected to the office of  
Property Appraiser

Now, therefore, the condition of the foregoing obligation is such that if the Principal shall during the period beginning on 01/01/2013, and ending on 01/01/2017

faithfully perform such duties as may be imposed on him by law and shall honestly account for all money that may come into his hands in his official capacity during such period, period, then this obligation shall be void; otherwise it shall remain in force.

This Bond is executed by the Surety upon the following express conditions, which shall be conditions precedent to the right of recovery hereunder:

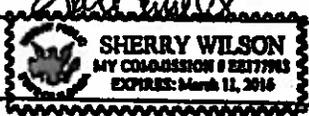

First: That the Surety may, if it shall so elect, cancel this Bond by giving thirty (30) days notice in writing to the Obligee and this Bond shall be deemed canceled at the expiration of said thirty (30) days; the Surety remaining liable, however, subject to all the terms, conditions and provisions of this Bond, of any act or acts covered by this Bond which may have been committed by the Principal up to the date of such cancellation; and the Surety shall, upon surrender of this Bond and its release from all liability hereunder, refund the premium paid, less a pro rata part thereof for the time this Bond shall have been in force.

Second: That the Surety shall not be liable hereunder for the loss of any public moneys or funds occurring through or resulting from failure of, or default in payment by, any banks or depositories in which any public moneys or funds have been deposited, or may be deposited by or placed to the credit, or under control of the Principal, whether or not such banks or depositories were or may be selected or designated by the Principal or by other persons; or by reason of the allowance to, or acceptance by the Principal of any interest on said public moneys or funds, any law, decision, ordinance or statute to the contrary notwithstanding.

Third: That the Surety shall not be liable for any loss or losses, resulting from the failure of the Principal to collect any taxes, licenses, levies, assessments, etc., with the collection of which he may be chargeable by reason of his election or appointment as aforesaid.

**POWER OF ATTORNEY**

S-820491

**KNOW ALL MEN BY THESE PRESENTS:** That the NGM Insurance Company, a Florida corporation having its principal office in the City of Jacksonville, State of Florida, pursuant to Article IV, Section 2 of the By-Laws of said Company, to wit:

"SECTION 2. The board of directors, the president, any vice president, secretary, or the treasurer shall have the power and authority to appoint attorneys-in-fact and to authorize them to execute on behalf of the company and affix the seal of the company thereto, bonds, recognizances, contracts of indemnity or writings obligatory in the nature of a bond, recognizance or conditional undertaking and to remove any such attorneys-in-fact at any time and revoke the power and authority given to them."

does hereby make, constitute and appoint **Darlene May Cullen** its true and lawful Attorney-in-fact, to make, execute, seal and deliver for and on its behalf, and as its act and deed bond number S-820491 dated January 1, 2013

on behalf of **Scott P Russell**  
in favor of Florida Secretary of State  
for Ten Thousand and 00/100

Dollars (\$ 10,000.00 )

and to bind NGM Insurance Company thereby as fully and to the same extent as if such instrument was signed by the duly authorized officers of the NGM Insurance Company; this act of said Attorney is hereby ratified and confirmed.

This power of attorney is signed and sealed by facsimile under and by the authority of the following resolution adopted by the Directors of NGM Insurance Company at a meeting duly called and held on the 2nd day of December 1977.

Voted: That the signature of any officer authorized by the By-Laws and the company seal may be affixed by facsimile to any power of attorney or special power of attorney or certification of either given for the execution of any bond, undertaking, recognizance or other written obligation in the nature thereof; such signature and seal, when so used being hereby adopted by the company as the original signature of such officer and the original seal of the company, to be valid and binding upon the company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, NGM Insurance Company has caused these presents to be signed by its Assistant Vice President, General Counsel and Secretary and its corporate seal to be hereto affixed this 3rd day of January, 2012

NGM INSURANCE COMPANY By:

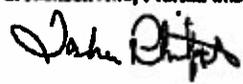

Bruce Fox  
Assistant Vice President, General Counsel and Secretary

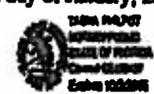

State of Florida,  
County of Duval

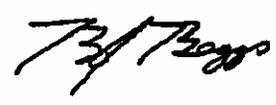

On this 3rd day of January, 2012 before the subscriber a Notary Public of State of Florida in and for the County of Duval duly commissioned and qualified, came Bruce Fox of the NGM Insurance Company, to me personally known to be the officer described herein, and who executed the preceding instrument, and he acknowledged the execution of same, and being by me fully sworn, deposed and said that he is an officer of said Company, aforesaid; that the seal affixed to the preceding instrument is the corporate seal of said Company, and the said corporate seal and his signature as officer were duly affixed and subscribed to the said instrument by the authority and direction of the said Company; that Article IV, Section 2 of the By-Laws of said Company is now in force.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed by official seal at Jacksonville, Florida this 3rd day of January, 2012

I, Brian J Beggs, Vice President of the NGM Insurance Company, do hereby certify that the above and foregoing is a true and correct copy of a Power of Attorney executed by said Company which is still in force and effect. IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of said Company at Jacksonville, Florida this 21 day of December, 2012

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes X No \_\_\_\_\_

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Snipe Property Trust 1 6/2/2014 and the property located at 2 Snipe Rd., Key Largo, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE14080133.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$27,200.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE14080133:** The Special Magistrate found the property in violation and ordered a compliance date of April 1, 2015. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate and fines began to accrue on April 2, 2015. On September 24, 2015, the Special Magistrate authorized amending the final order to include the current respondent's name. The County's lien was recorded on April 21, 2015 and again October 5, 2015 as amended. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is not homesteaded;
- The property owner does not own additional real property;
- No efforts toward compliance have been made to date;
- The public records of Monroe County indicate no pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution.

**Case Number: CE14080133**

**Location: 2 SNIPE ROAD, KEY LARGO, FL 33037  
Re Number: 00532701025300**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 09/11/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF  
THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER  
SYSTEM.

**Corrective Action Required:**

1. CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.
2. CONTACT THE KEY LARGO WASTE WATER TREATMENT DISTRICT AND OBTAIN AN ENGINEERS LETTER OF APPROVAL.
3. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT (305-453-8800) AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing** will be conducted by the Special Magistrate in the above case on 11/20/2014 at 9:00AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.

You can avoid attending the hearing if all violation(s) noted above are corrected by 11/19/2014 and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

**Re: SSG WORLDWIDE INC. AS TRUSTEE OF THE 2 SNIPE TRUST  
Re Number: 00532701025300  
Location: 2 SNIPE ROAD, KEY LARGO, FL 33037**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 09/11/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF  
THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER  
SYSTEM.

Corrective Action Required:

1. CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.
2. CONTACT THE KEY LARGO WASTE WATER TREATMENT DISTRICT AND OBTAIN AN ENGINEERS LETTER OF APPROVAL.
3. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT (305-453-8800) AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing** will be conducted by the Special Magistrate in the above case on **11/20/2014 at 9:00AM** at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by 11/19/2014 and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Code Enforcement Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

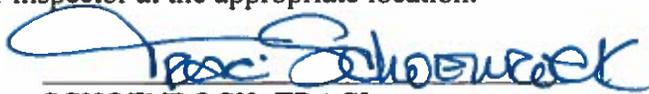

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

KEY LARGO WASTEWATER TREATMENT DISTRICT HAS ATTEMPTED TO NOTIFY PROPERTY OWNERS OF THE AVAILABILITY TO CONNECT TO THE CENTRAL SEWER SYSTEM FOR THE PAST SEVERAL YEARS.

THIS PROPERTY HAS NOW BEEN REFERRED TO MONROE COUNTY CODE COMPLIANCE FOR THE ENFORCEMENT OF THAT CONNECTION AS IT IS A REQUIRMENT OF FLORIDA STATE AND MONROE COUNTY LOCAL LAW.

FLORIDA STATUTE § 381.00655: REQUIRES THAT YOU CONNECT TO AN AVAILABLE CENTRAL SEWER SYSTEM WITHIN 365 DAYS OF WRITTEN NOTICE THAT SERVICE IS AVAILABLE TO YOUR PROPERTY.

MONROE COUNTY CODE § 20-78.(a) REQUIRES THAT YOU CONNECT WITHIN 30 DAYS OF NOTIFICATION.

THE SAME STATUTE ALLOWS THE COUNTY TO ENACT ITS OWN LAWS FOR THE PROTECTION OF THE PUBLIC HEALTH AND SAFETY.

BE ADVISED IF YOU HAVE *NOT* YET COMPELTED THE CONNECTION, YOU WILL BE RECEIVING A "NOTICE OF VIOLATION" REGARDING THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM.

THAT "NOTICE OF VIOLATION" WILL BEGIN THE ENFORCEMENT PHASE OF CONNECTION AT WHICH TIME A HEARING DATE WILL BE SCHEDULED AND A COMPLAICNE DATE WILL BE ORDERED BY THE SPECIAL MAGISTRATE.

LACK OF COMPLIANCE WITH THE TIMELINES ESTABLISHED DURING THE HEARING MAY RESULT IN A DAILY FINE OF \$100.00/DAY TO ACCRUE ON THE PROPERTY UNTIL COMPLIANCE IS ACHIEVED.

THIS WILL RESULT IN A LIEN BEING PLACED ON YOUR PROPERTY FOR FAILURE TO MAKE THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM.

PLEASE CALL INSPECTOR TRACI SCHOENROCK FOR QUESTIONS: 30

[WWW.KLWTD.NET](http://WWW.KLWTD.NET)

### FRIENDLY REMINDER

The Key Largo Wastewater Treatment District will soon be sending you a 30-day notice to connect. On the day you receive the notice you may make your final connection to the sewer by calling your licensed plumber to connect if you have contracted the job out, or, if you are working on a homeowner's permit, by calling the District (305) 451- 4019.

Whether or not you connect within the 30-day time limit provided in the notice, you will begin to be billed for sewer service as part of your water bill after the 30 days have elapsed.

If you live in a condominium, your condo association will take care of the connection, and you do not need to take any other action on your own.

The Key Largo Wastewater Treatment District will try to make the connection process as simple for you as possible, but remember there will be many others trying to do the connection work at the same time, so please be patient. We have written materials explaining the connection process, and we will be glad to assist you in completing needed paperwork. Please call or stop by the District office.

If you have questions, or if you think this reminder does not apply to you, please call the District office.

# TOWN HALL MEETING

JANUARY 30, 2007 AT 5:30 PM

**Key Largo Library,  
in the Tradewinds Shopping Center  
for the**

**PROPERTY OWNERS OF  
Lake Surprise, Lake Surprise II, Largo Hi-Lands, Sexton  
Cove, Ocean Isles Estates**

The property owners and residents in the subdivisions listed above and all other interested citizens are invited to a Town Hall Meeting for information on the upcoming sewer project in their neighborhoods.

The Key Largo Wastewater Treatment Board of Commissioners and Staff will be represented at the meeting.

There will be a presentation explaining how the area will be divided up for construction. What will be expected of the contractors and what will be expected of the residents. Specific topics to be covered include: presentations of scheduling, specifications of installation for homeowners and contractors, an explanation of the assessment process. An open forum to answer questions will follow.

Handouts will be provided to the attendees. If you are planning on attending the meeting please call the District office at 305-453-5804 to let them know to better enable them to have enough of the handouts for all attendees.

We are looking forward to seeing everyone at the meeting. If you are unable to attend the meeting please log onto our website ([www.klwtd.com](http://www.klwtd.com)) for the information that was covered at the meeting.

Key Largo Wastewater Treatment District

To be published on or before August 10, 2005.

[MAP OF ASSESSMENT AREAS]

NOTICE OF HEARING TO IMPOSE AND  
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the Key Largo Wastewater Treatment District Board of Commissioners will conduct a public hearing to consider imposition of non-ad valorem assessments against certain parcels of real property located within the District. The hearing will be held at 5:00 p.m., or as soon thereafter as the matter can be heard, on August 31, 2005 at the District office located at 98880 Overseas Highway, Key Largo, Florida, for the purpose of receiving public comment on the proposed assessments.

In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District Clerk, Carol Walker, at 305-453-5804 at least 3 days prior to the hearing.

All affected real property owners have a right to appear at the hearing and/or to file written comments with the District within 20 days of this notice. If a person wishes to appeal any decision made by the District with respect to any matter considered at the hearing, such person will need a record of the proceedings, and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The assessments have been proposed to recover a portion of the capital costs of District wastewater management facilities constructed, and to be constructed, within the District. The amount of the assessment imposed upon each parcel will be calculated under and in accordance with the resolution adopting System Development Charges at the District Board meeting of July 20, 2005 and the Initial Assessment Resolution adopted at the District Board meeting of August 3, 2005. Copies of these resolutions and supporting documents are available for inspection and copying at the District office located at 98880 Overseas Highway, Key Largo.

The special assessments will be collected by the Monroe County Tax Collector in annual payments on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in loss of title.

The District intends to collect the assessments in 20 annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2005. Future assessments may be prepaid in their entirety at the option of the property owner.

If you have any questions, please contact the District Clerk at 305-453-5804, Monday through Friday between 9:00 a.m. and 5:00 pm.

KEY LARGO WASTEWATER TREATMENT DISTRICT.

To be published on or before August 27, 2010

KEY LARGO WASTEWATER TREATMENT DISTRICT

NOTICE OF PUBLIC HEARING REGARDING  
ADMENDMENTS TO THE DISTRICT NON-AD VALOREM ASSESSMENT RESOLUTIONS

The Board will conduct a public hearing at 4:00 PM, or as soon thereafter as the matter can be heard, on September 21, 2010, at the District Office located at 98880 Overseas Hwy, Key Largo, FL to consider amendments to the District non-ad valorem assessment resolution, the District General Rules and Regulations, the District resolution providing for monthly rates and charges for wastewater collection, transmission, treatment, and disposal, as shown in the attached draft resolutions, and such other issues as may come to the attention of the District.

If you have any questions, please contact the District Clerk at 305-451-4019 ext 205, Monday through Friday between 8:00 a.m. and 5:00 pm.

KEY LARGO WASTEWATER TREATMENT DISTRICT.

**PHONE (305) 453-5804 FAX (305) 453-5807**

[WWW.KLWTD.COM](http://WWW.KLWTD.COM)

To Whom It May Concern:

All lots on the Island of Key Largo vacant or occupied will be assessed for the sewer. Connection to the Sewer is mandatory under Florida Law, Monroe County Ordinance, and District Policy. Prior to connection, the District will send you a "One-Year Notice, stating that you will be required to connect in about a year. The District will send you a "Thirty-Day Notice" at least 30 days before you are required to connect. Wastewater charges will commence on the date specified in the Thirty-Day Notice whether or not you have connected to the system.

#### VACANT PROPERTY

The District assesses all tax parcels within the assessment area. It is up to the tax parcel owner to request removal from the assessment roll.

The District will remove a tax parcel from the assessment roll if the owner shows that the tax parcel has not been improved and cannot be developed with facilities that will generate sewage.

You can make this showing by demonstrating that the property is marsh, wetland, submerged land, or nature conservatory. You may be required to provide a letter from the Monroe County Planning Department stating that the parcel cannot be developed.

If you believe that your property should not be assessed because it cannot be developed, please contact the District, which will help you understand the types of documentation that will be accepted.

#### VACANT PROPERTY BESIDE YOUR PROPERTY RECEIVING SERVICE

If you have vacant land that is adjacent to your property that will be receiving service and you have chosen to treat the parcels as a single parcel, even if you have not combined the parcels for property tax purposes, you may file an application to have the District treat the parcels as a single parcel for assessment purposes, meaning that you will be assessed for only one of the parcels. There is a fee for this application. If you later choose to have the District provide service to the vacant parcel the District is advising the undersigned that, if they or their successors desire to have wastewater service provided to any of the Excluded Parcels the cost to the District, and the cost to the undersigned persons or their successors, of providing the service will be significantly greater than the costs of providing service at this time;

We encourage you to contact the District for assistance with your assessment question.

**KEY LARGO WASTEWATER TREATMENT DISTRICT  
98880 OVERSEAS HWY, KEY LARGO, FL 33037  
POST OFFICE BOX 491, KEY LARGO, FLORIDA 33037  
PHONE (305) 451-4019 FAX (305) 453-5807**

WWW.KLWTD.COM

Enclosed you will find a magnet that has the Key Largo Wastewater Treatment District's phone number on it and what to do in case of a sewer emergency. Please place near your phone in case you have a problem with the sewer.

If you are a property owner we would like to remind you that once the District has placed an active sewer collection system in front of your property you need to connect to the sewer and decommission your septic system.

#### SEPTIC TANK

The septic tank abandonment portion of the sewer connection process is administered by the Monroe County Health Department. A permit and inspection are required prior to final approval. Permit application forms are available on the web at <http://www.myfloridaeh.com/ostds/form/formmemo.htm> or at the Environmental Health offices on the second floor of the Murray Nelson Center. The permit fee is \$95.00. The Building Department will not close out your county permit without proof of a health department inspection of your abandoned septic tank.

#### MANDATORY CONNECTION

We want to take this opportunity to remind you that connection to the central sewer system is not optional, IT IS MANDATORY. In 1999, the Legislature adopted chapter 99-395, Laws of Florida, which gave Monroe County the authority to require connection to central wastewater systems. The Florida Supreme Court upheld the validity of ch. 99-395 in *Schrader v. Florida Keys Aqueduct Authority*, 840 So.2d 1050 (Fla. 2003.) in 2000, Monroe County adopted an ordinance exercising its authority to require connection to the central sewer system 30 days after the property owner receives notification from the District that the central sewer system is available. If you do not connect after notification, we will work with you to encourage connection, but if you refuse to connect, we will turn the matter over to Monroe County Code Compliance, which will obtain a court order requiring connection and imposing fines for failure to connect.

Paying your monthly sewer bill does not exempt you from connecting to the sewer.

#### 2015 EXTENSION NOT APPLICABLE

Last year, the Legislature enacted chapter 2010-205, Laws of Florida. That law extended the time within which local governments are required to provide central sewer until December 31, 2015. However, THE LAW DID NOT EXTEND THE TIME FOR YOU TO CONNECT TO CENTRAL SEWER. You are required to connect within 30 days after you receive notice that the central sewer system is available for your connection.

There are RUMORS going around that you are not required to connect to the central sewer until 2015, and that Monroe County Code Compliance will not take you to court to force you to connect. THESE RUMORS ARE FALSE, and if you rely on them, you may find yourself in a costly and time-consuming legal battle.

#### COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

Monroe County has made available CDBG grants for low to middle income persons who need assistance in putting in the lateral connection (connection from house to street). Applications are available at the District Office, 98880 Overseas Hwy, Key Largo (middle of highway at MM 98) and on the website [www.klwtd.com](http://www.klwtd.com) (go to Resources then Financial Assistance).

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative were/were not present and did/did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 4/1/15 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$ 20-78.(a) \$ 100.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

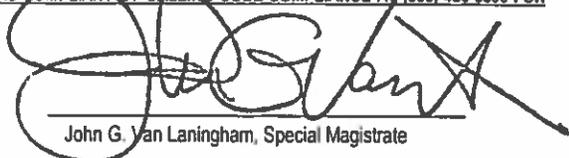

The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

FILE COPY

**April 29, 2015**

Subject: Code Case CE14080133

Property Location: Location: 2 SNIPE ROAD, KEY LARGO, FL 33037

Dear Property Owner,

The purpose of this letter is to inform you that our records indicate that the violations remain on your property and the fines will continue to run in the amount of \$100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on April 21, 2015, Book 2736, Page 413. The current amount of the County's lien is \$2896.92 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to: **Monroe County Code Compliance Department; Attention: Nicole Petrick; 2798 Overseas Highway, Suite 330; Marathon, Florida 33050.**

The County will then provide a Release and Satisfaction of Lien to you. It is then your responsibility to record the Release and Satisfaction with the Clerk of Courts in Monroe County. Please note that once your property is in compliance you may request mitigation of your fine(s) based on any mitigating circumstances.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.

Lower Keys: 5503 College Road, Suite 204; Key West, FL 33040 (305) 292-4495

Middle Keys: 2798 Overseas Highway, Suite 330; Marathon, FL 33050 (305) 289-2810

Upper Keys: 10205 Overseas Highway; Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Respectfully yours,

A handwritten signature in blue ink, appearing to read "Nicole Petrick", is written over a blue horizontal line.

Location: 2 Snipe Road, Key Largo, Florida

FILE COPY

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. A copy is enclosed for your convenience. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Additionally, our records indicate that the violations remain on your property. Because your property is not in compliance, the fines continue to accrue in the amount of \$100.00 per day until the property comes into compliance. A daily fine of \$100.00 per day has currently accrued for 98 days for a current total of \$9,800.00.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F. S.162.09(3). To date, these costs are \$221.82 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$10,021.82 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

A handwritten signature in blue ink that reads 'Cynthia J. McPherson'.

Case No. CE14080133

ORDER AUTHORIZING AMENDED FINAL ORDER AND AUTHORIZING FURTHER  
FORECLOSURE ACTIONS

On September 24, 2015 Petitioner, Monroe County, moved the Monroe County Code Compliance Special Magistrate for an Order amending the Final Order dated November 20, 2014; and authorizing further foreclosure and/or money judgment proceedings on the Amended Final Order and the Final Order recorded on April 21, 2015 at Book 2736, Page 413. Petitioner Monroe County ("County") was represented by Steven T. Williams, Esquire, Assistant County Attorney. Respondent was not present and did not submit any evidence for review.

Having fully considered the evidence presented at hearing, the following is hereby ORDERED:

- 1) The Final Order dated November 20, 2014 is hereby Amended to include the current respondent's name of SNIPE PROPERTY TRUST 6/2/2014; and,
- 2) The Amended Final Order is to be immediately filed in the official records of Monroe County, Florida as a lien; and,

3) Authorizing further foreclosure and/or money judgment proceedings on the Code Compliance Final Order/Lien(s) in this case, on the property that was the subject of the code compliance action described as: 2 SNIPE ROAD, KEY LARGO, FLORIDA, MONROE COUNTY, RE# 00532701-025300.

DONE AND ORDERED at the Division of Administrative Hearing, Tallahassee, Florida, this 24<sup>TH</sup> day of September, 2015

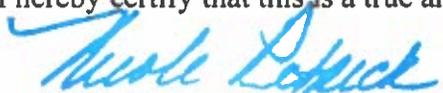

John G. Van Laningham  
Code Compliance Special Magistrate

### APPEAL PROCEDURES

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). ANY AGGRIEVED PARTY, INCLUDING MONROE COUNTY, MAY HAVE APPELLATE RIGHTS WITH REGARD TO THIS ORDER PURSUANT TO SECTION 162.11, FLORIDA STATUTES. ANY SUCH APPEAL WILL BE LIMITED TO APPELLATE REVIEW OF THE RECORD CREATED BEFORE THE SPECIAL MAGISTRATE. ANY APPEAL MUST BE FILED WITH CIRCUIT COURT WITHIN 30 DAYS OF THE EXECUTION OF THIS ORDER.

### CERTIFICATE OF ORDER

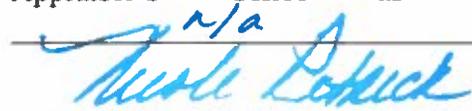

I hereby certify that this is a true and correct copy of the above Order.

Nicole M. Petrick, Liaison

### CERTIFICATE OF SERVICE

I hereby certify that a true and correct copy of this Order has been furnished to the Respondent(s) via hand delivery / first class U.S. mail to Respondent(s) address of record with the Monroe County Property Appraiser's Office as referenced above and/or Authorized Representative n/a on this 29<sup>TH</sup> day of Sept, 2015.

\*Amended FINAL ORDER

(\*amended to correct Respondent(s) name)

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_  
were / ~~were not~~ present and did / ~~did not~~ contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- ONE-TIME FINE - The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- COSTS - Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 4/1/15 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on the compliance date previously ordered or on the compliance date set forth herein, fine(s) in the dollar amount:

20-78.(a) \$100.00

for each day BEGINNING ON THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

- It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.
- The Respondent(s) were in violation of the MONROE COUNTY CODE(S) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.
- Other: \_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

**IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.**

DATED this 20<sup>TH</sup> day of November, 2014.

  
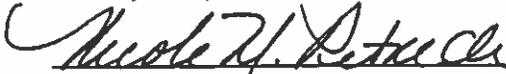

John G. Van Laningham, Special Magistrate

**APPEAL PROCEDURES**

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). ANY AGGRIEVED PARTY, INCLUDING MONROE COUNTY, MAY HAVE APPELLATE RIGHTS WITH REGARD TO THIS ORDER PURSUANT TO SECTION 162.11, FLORIDA STATUTES. ANY SUCH APPEAL WILL BE LIMITED TO APPELLATE REVIEW OF THE RECORD CREATED BEFORE THE SPECIAL MAGISTRATE. ANY APPEAL MUST BE FILED WITH CIRCUIT COURT WITHIN 30 DAYS OF THE EXECUTION OF THIS ORDER.

Monroe County Property Appraiser  
 Scott P. Russell, CFA  
 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes X No \_\_\_\_\_

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Frank Rivera and Joan M. Kelly and the property located at 53 Bonefish Ave., Key Largo, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE13100064.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$6,800.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE13100064:** The Special Magistrate found the property in violation and ordered a compliance date of September 1, 2014. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate. On February 17, 2015, the Special Magistrate extended the compliance date to June 1, 2015. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate. On July 13, 2015, the Special Magistrate again extended the compliance date to October 22, 2015. The property owner did not gain timely compliance by the date ordered and fines began to accrue on October 23, 2015. The County's lien was recorded on September 15, 2014. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is homesteaded;
- The property owner does not own additional real property;
- The property owner was issued a building permit, #15305440, to complete the wastewater connection;
- The public records of Monroe County indicate no inspections to date;
- The public records of Monroe County indicate a pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, and money judgment;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction and money judgment.

Marathon, Florida 33050

**NOTICE OF VIOLATION/NOTICE OF HEARING**

**To: RIVERA FRANK & KELLY JOAN M  
53 BONEFISH AVENUE  
KEY LARGO, FL 33037**

**Case Number: CE13100064**

**Location: 53 BONEFISH AVE , KEY LARGO, FL 33037  
Re Number: 00471540000000**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 12/02/2013 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO MAKE THE MANDATORY CONNECTION OF THE  
ABOVE STATED PROPERTY TO THE CENTRAL SEWER SYSTEM.

Corrective Action Required:  
CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A  
SEWER LATERAL CONNECTION PERMIT.  
CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN AN  
ABANDONMENT PERMIT.  
ALL PERMITS AND CONNECTIONS WILL REQUIRE PASSING FINAL  
INSPECTIONS FROM ALL APPROPRIATE AGENCIES.

PLEASE TAKE NOTICE that a **Public Hearing** will be conducted by the Special Magistrate in the above case on **05/29/2014 at 9:00 AM** at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.

You can avoid attending the hearing if all violation(s) noted above are corrected by **05/28/2014** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or

nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance **DOES NOT GUARANTEE** a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

**NOTE:** IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

**IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR** to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

**COURTESY NOTIFICATION**  
**PLANNED MANDATORY CONNECTION TO CENTRAL WASTEWATER SYSTEM**

May \_\_, 2010

[AK number of parcel]  
[Name of property owner]  
[Mailing address]

Parcel Address: [Street address of parcel]

Dear Property Owner:

**This letter is to remind you that a 30 day Mandatory Connection Notice will be sent to you in August, 2010. If you have not connected before the mandatory connection date, you will still be charged for wastewater service to your property.**

As you proceed to install your lateral connection to the central wastewater system, please remember that you must obtain an Approval to Proceed letter from the District, a Health Department Permit, and a County Building Department Permit before beginning construction. It is also your responsibility to properly abandon your current onsite sewage treatment and disposal system after the District begins to receive and treat your sewage. The abandonment must be coordinated with the Health Department, which will assist you with completing your permit.

**Before you permanently connect your house to the system you must contact the District office at 305-451-4019 so that we may open your valve and begin to receive sewage from your property.**

If you are a condominium owner, this notice may not apply to you. Please contact your Association management for additional information.

Sincerely,

*Charles F. Fishburn*  
Charles F. Fishburn  
General Manager

Property Location: 53 Bonefish Ave

If your property is vacant or has been combined with another piece of property, please notify us at 305-451-4019 or email us at [carolw@klwtd.com](mailto:carolw@klwtd.com).

Our records show that you have not connected to the Key Largo Wastewater Treatment District System. You have been given an extension and that has run out. If you feel that you need more time please contact the KLWTD Office. If we do not hear from you in two weeks from the date of this letter your property will be referred to Monroe County Code Compliance for action.

If you have completed the connection process, please contact this office and give us the property's Alternate Key Number (AK) which is located at the top of this letter.

Monroe County has a Community Development Block Grant (CDBG) available for qualified middle-to-low income owners. The grant will pay for the connection. The application is available on our Website (KLWTD.com) and at the office (98880 Overseas Hwy, Key Largo).

If you have extenuating circumstances, please contact the office. The contact is Carol Walker, District Clerk at 305-451-4019 Ext 205, email is [carolw@klwtd.com](mailto:carolw@klwtd.com).

Sincerely,

*Margaret Blank*

### FRIENDLY REMINDER

The Key Largo Wastewater Treatment District will soon be sending you a 30-day notice to connect. On the day you receive the notice you may make your final connection to the sewer by calling your licensed plumber to connect if you have contracted the job out, or, if you are working on a homeowner's permit, by calling the District (305) 451- 4019.

Whether or not you connect within the 30-day time limit provided in the notice, you will begin to be billed for sewer service as part of your water bill after the 30 days have elapsed.

If you live in a condominium, your condo association will take care of the connection, and you do not need to take any other action on your own.

The Key Largo Wastewater Treatment District will try to make the connection process as simple for you as possible, but remember there will be many others trying to do the connection work at the same time, so please be patient. We have written materials explaining the connection process, and we will be glad to assist you in completing needed paperwork. Please call or stop by the District office.

If you have questions, or if you think this reminder does not apply to you, please call the District office.

# TOWN HALL MEETING

## JANUARY 30, 2007 AT 5:30 PM

**Key Largo Library,  
in the Tradewinds Shopping Center  
for the  
PROPERTY OWNERS OF  
Lake Surprise, Lake Surprise II, Largo Hi-Lands, Sexton  
Cove, Ocean Isles Estates**

The property owners and residents in the subdivisions listed above and all other interested citizens are invited to a Town Hall Meeting for information on the upcoming sewer project in their neighborhoods.

The Key Largo Wastewater Treatment Board of Commissioners and Staff will be represented at the meeting.

There will be a presentation explaining how the area will be divided up for construction. What will be expected of the contractors and what will be expected of the residents. Specific topics to be covered include: presentations of scheduling, specifications of installation for homeowners and contractors, an explanation of the assessment process. An open forum to answer questions will follow.

Handouts will be provided to the attendees. If you are planning on attending the meeting please call the District office at 305-453-5804 to let them know to better enable them to have enough of the handouts for all attendees.

We are looking forward to seeing everyone at the meeting. If you are unable to attend the meeting please log onto our website ([www.klwtd.com](http://www.klwtd.com)) for the information that was covered at the meeting.

Key Largo Wastewater Treatment District

To be published on or before August 10, 2005.

[MAP OF ASSESSMENT AREAS]

NOTICE OF HEARING TO IMPOSE AND  
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the Key Largo Wastewater Treatment District Board of Commissioners will conduct a public hearing to consider imposition of non-ad valorem assessments against certain parcels of real property located within the District. The hearing will be held at 5:00 p.m., or as soon thereafter as the matter can be heard, on August 31, 2005 at the District office located at 98880 Overseas Highway, Key Largo, Florida, for the purpose of receiving public comment on the proposed assessments.

In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District Clerk, Carol Walker, at 305-453-5804 at least 3 days prior to the hearing.

All affected real property owners have a right to appear at the hearing and/or to file written comments with the District within 20 days of this notice. If a person wishes to appeal any decision made by the District with respect to any matter considered at the hearing, such person will need a record of the proceedings, and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The assessments have been proposed to recover a portion of the capital costs of District wastewater management facilities constructed, and to be constructed, within the District. The amount of the assessment imposed upon each parcel will be calculated under and in accordance with the resolution adopting System Development Charges at the District Board meeting of July 20, 2005 and the Initial Assessment Resolution adopted at the District Board meeting of August 3, 2005. Copies of these resolutions and supporting documents are available for inspection and copying at the District office located at 98880 Overseas Highway, Key Largo.

The special assessments will be collected by the Monroe County Tax Collector in annual payments on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in loss of title.

The District intends to collect the assessments in 20 annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2005. Future assessments may be prepaid in their entirety at the option of the property owner.

If you have any questions, please contact the District Clerk at 305-453-5804, Monday through Friday between 9:00 a.m. and 5:00 pm.

KEY LARGO WASTEWATER TREATMENT DISTRICT.

To be published on or before August 27, 2010

**KEY LARGO WASTEWATER TREATMENT DISTRICT**

**NOTICE OF PUBLIC HEARING REGARDING  
ADMENDMENTS TO THE DISTRICT NON-AD VALOREM ASSESSMENT RESOLUTIONS**

The Board will conduct a public hearing at 4:00 PM, or as soon thereafter as the matter can be heard, on September 21, 2010, at the District Office located at 98880 Overseas Hwy, Key Largo, FL to consider amendments to the District non-ad valorem assessment resolution, the District General Rules and Regulations, the District resolution providing for monthly rates and charges for wastewater collection, transmission, treatment, and disposal, as shown in the attached draft resolutions, and such other issues as may come to the attention of the District.

If you have any questions, please contact the District Clerk at 305-451-4019 ext 205, Monday through Friday between 8:00 a.m. and 5:00 pm.

PHONE (305) 453-5804 FAX (305) 453-5807

WWW.KLWTD.COM

To Whom It May Concern:

All lots on the Island of Key Largo vacant or occupied will be assessed for the sewer. Connection to the Sewer is mandatory under Florida Law, Monroe County Ordinance, and District Policy. Prior to connection, the District will send you a "One-Year Notice, stating that you will be required to connect in about a year. The District will send you a "Thirty-Day Notice" at least 30 days before you are required to connect. Wastewater charges will commence on the date specified in the Thirty-Day Notice whether or not you have connected to the system.

#### VACANT PROPERTY

The District assesses all tax parcels within the assessment area. It is up to the tax parcel owner to request removal from the assessment roll.

The District will remove a tax parcel from the assessment roll if the owner shows that the tax parcel has not been improved and cannot be developed with facilities that will generate sewage.

You can make this showing by demonstrating that the property is marsh, wetland, submerged land, or nature conservatory. You may be required to provide a letter from the Monroe County Planning Department stating that the parcel cannot be developed.

If you believe that your property should not be assessed because it cannot be developed, please contact the District, which will help you understand the types of documentation that will be accepted.

#### VACANT PROPERTY BESIDE YOUR PROPERTY RECEIVING SERVICE

If you have vacant land that is adjacent to your property that will be receiving service and you have chosen to treat the parcels as a single parcel, even if you have not combined the parcels for property tax purposes, you may file an application to have the District treat the parcels as a single parcel for assessment purposes, meaning that you will be assessed for only one of the parcels. There is a fee for this application. If you later choose to have the District provide service to the vacant parcel the District is advising the undersigned that, if they or their successors desire to have wastewater service provided to any of the Excluded Parcels the cost to the District, and the cost to the undersigned persons or their successors, of providing the service will be significantly greater than the costs of providing service at this time;

We encourage you to contact the District for assistance with your assessment

WWW.KLWTD.COM

Enclosed you will find a magnet that has the Key Largo Wastewater Treatment District's phone number on it and what to do in case of a sewer emergency. Please place near your phone in case you have a problem with the sewer.

If you are a property owner we would like to remind you that once the District has placed an active sewer collection system in front of your property you need to connect to the sewer and decommission your septic system.

#### SEPTIC TANK

The septic tank abandonment portion of the sewer connection process is administered by the Monroe County Health Department. A permit and inspection are required prior to final approval. Permit application forms are available on the web at <http://www.myfloridaeh.com/ostds/form/formmemo.htm> or at the Environmental Health offices on the second floor of the Murray Nelson Center. The permit fee is \$95.00. The Building Department will not close out your county permit without proof of a health department inspection of your abandoned septic tank.

#### MANDATORY CONNECTION

We want to take this opportunity to remind you that connection to the central sewer system is not optional, IT IS MANDATORY. In 1999, the Legislature adopted chapter 99-395, Laws of Florida, which gave Monroe County the authority to require connection to central wastewater systems. The Florida Supreme Court upheld the validity of ch. 99-395 in *Schrader v. Florida Keys Aqueduct Authority*, 840 So.2d 1050 (Fla. 2003.) in 2000, Monroe County adopted an ordinance exercising its authority to require connection to the central sewer system 30 days after the property owner receives notification from the District that the central sewer system is available. If you do not connect after notification, we will work with you to encourage connection, but if you refuse to connect, we will turn the matter over to Monroe County Code Compliance, which will obtain a court order requiring connection and imposing fines for failure to connect.

Paying your monthly sewer bill does not exempt you from connecting to the sewer.

#### 2015 EXTENSION NOT APPLICABLE

Last year, the Legislature enacted chapter 2010-205, Laws of Florida. That law extended the time within which local governments are required to provide central sewer until December 31, 2015. However, THE LAW DID NOT EXTEND THE TIME FOR YOU TO CONNECT TO CENTRAL SEWER. You are required to connect within 30 days after you receive notice that the central sewer system is available for your connection.

There are RUMORS going around that you are not required to connect to the central sewer until 2015, and that Monroe County Code Compliance will not take you to court to force you to connect. THESE RUMORS ARE FALSE, and if you rely on them, you may find yourself in a costly and time-consuming legal battle.

#### COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

Monroe County has made available CDBG grants for low to middle income persons who need assistance in putting in the lateral connection (connection from house to street). Applications are available at the District Office, 98880 Overseas Hwy, Key Largo (middle of highway at MM 98) and on the website [www.klwtd.com](http://www.klwtd.com) (go to Resources then Financial Assistance).

Respondent(s)

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_ were not present and did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 9/1/14 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$ 20-78.(a) \$ 100.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

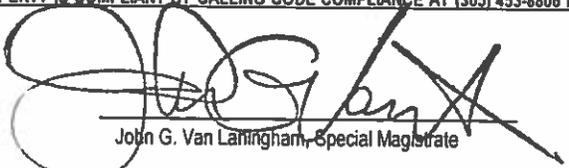

The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

**MONROE COUNTY CODE COMPLIANCE  
SPECIAL MAGISTRATE**

Monroe County Code Compliance  
Petitioner

vs.

Case: CE13100064

Frank Rivera and Joan M Kelly  
Respondent(s)

**In the matter of:  
Re# 00471540-000000**

**AGREEMENT TO ENLARGE COMPLIANCE DATE  
AND ORDER APPROVING SAME**

The Petitioner Monroe County Code Compliance by and through the undersigned Code Compliance Inspector and Frank Rivera and Joan M Kelly, hereby agree to the following:

1. The Final Order dated May 29, 2014 ordered a compliance date of September 1, 2014. The Respondents are not going to be in compliance by that date.
2. Respondent(s) agrees that the violation(s) still exists in the above captioned matter and;
  - (a) The parties are now agreeing to extend the compliance date to June 1, 2015.
  - (b) The Respondent waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.
  - (c) The Final Order dated May 29, 2014, and any evidence in the Code Compliance file will be deemed the record in the case; and
3. The property will be checked for compliance on June 1, 2015. (New compliance date).

4. The parties understand that a fine of \$100.00 per day shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3. The fines will accrue as follows:

20-78(a)                      \$100.00

5. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs may be imposed as a lien under Section 162.09(2)(d), Florida Statutes, and Monroe County Code section 8-29(b).

6. The Respondent(s) specifically agrees that this Agreement may be recorded in the public records of the County and if recorded shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violations of Monroe County Code 20-78(a) exists. This Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

7. Respondent(s) agrees and represents that Respondent(s) entered into this Agreement of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right. The parties understand and agree that the Respondent(s) may revoke this Agreement and that such revocation must be done in writing or done in person with Inspector Windsor by the end of business January 26, 2015.

By signing this Agreement, both parties represent that they have the authority to enter into this agreement and further, that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

**MONROE COUNTY CODE COMPLIANCE  
SPECIAL MAGISTRATE**

Monroe County Code Compliance  
Petitioner

vs.

Case Number **CE13100064**

**Frank Rivera and Joan M Kelly,**  
Respondent(s)

In the matter of:  
Re# **00471540-000000**

**AGREEMENT TO ENLARGE COMPLIANCE DATE  
AND ORDER APPROVING SAME**

The Petitioner Monroe County Code Compliance by and through the undersigned Code Compliance Inspector and **Frank Rivera and Joan M Kelly**, hereby agree to the following:

1. The Final Order dated **May 29, 2014** ordered a compliance date of **September 1, 2014**; an extension of time to comply signed and dated on February 17, 2015 ordered a compliance date of **June 1, 2015**. The Respondents are not going to be in compliance by that date.
2. Respondent(s) agrees that the violation(s) still exists in the above captioned matter and;
  - (a) The parties are now agreeing to extend the compliance date to **October 22, 2015**.
  - (b) The Respondent waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.
  - (c) The Final Order dated **May 29, 2014**, and any evidence in the Code Compliance file will be deemed the record in the case; and

3. The property will be checked for compliance on **October 22, 2015**. (New compliance date).

4. The parties understand that a fine of **\$100.00** per day shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3. The fines will accrue as follows:

**20-78.(a)                      \$ 100.00 per day**

5. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs may be imposed as a lien under Section 162.09(2)(d), Florida Statutes, and Monroe County Code section 8-29(b).

6. The Respondent(s) specifically agrees that this Agreement may be recorded in the public records of the County and if recorded shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violations of Monroe County Code 20-78.(a) exists. This Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

7. Respondent(s) agrees and represents that Respondent(s) entered into this Agreement of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right. The parties understand and agree that the Respondent(s) may revoke this Agreement and that such revocation must be done in writing or done in person with Inspector Cynthia J. McPherson by the end of business July 9, 2015.

By signing this Agreement, both parties represent that they have the authority to enter into this agreement and further, that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

FILE COPY

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. A copy is enclosed for your convenience. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Additionally, our records indicate that the violations remain on your property. Because your property is not in compliance the fines continue to run in the amount of \$100.00 per day until the property comes into compliance. A daily fine of \$100.00 per day has currently accrued for 104 days for a current total of \$10,400.00.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F. S.162.09(3). To date, these costs are \$172.38 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$10,572.38 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Traci Schoenrock  
Code Compliance Inspector

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on November 19, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330

Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Monroe County Property Appraiser  
 Scott P. Russell, CFA  
 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes X No \_\_\_\_\_

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Richard August Renner and Shawna Meri Renner and the property located at 1 Jade Dr., Big Coppitt Key, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE14100154.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$18,100.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE14100154:** The Special Magistrate found the property in violation and ordered a compliance date of July 1, 2015. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate and fines began to accrue on July 2, 2015. The County's lien was recorded on July 6, 2015. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is homesteaded;
- The property owner does not own additional real property;
- The property owner was issued a building permit, #15105673, to complete the wastewater connection;
- The public records of Monroe County indicate no inspections to date;
- The public records of Monroe County indicate a pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, and money judgment;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction and money judgment.

**NOTICE OF VIOLATION/NOTICE OF HEARING**

To: **RENNER RICHARD AUGUST & SHAWNA MERI**  
**1 JADE DR**  
**KEY WEST, FL 33040**

Case Number: **CE14100154**

Location: **1 JADE DR BIG COPPITT KEY, FL 33040**  
Re Number: **00155460000000**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 11/14/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF  
THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER  
SYSTEM.

Corrective Action Required:

1. CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.
2. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.
3. CONTACT THE WASTEWATER UTILITY IN YOUR AREA TO OBTAIN AN INTITAL INSPECTION FOR APPROVAL TO PROCEED.

\*\*\*CONTACT INFORMATION IS ATTACHED\*\*\*

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 02/26/2015 at 9:00AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.**

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **02/25/2015** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance **DOES NOT GUARANTEE** a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

**NOTE: IF YOU DECIDE TO APPEAL** any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and

evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

Re: **RENNER RICHARD AUGUST & SHAWNA MERI**  
Re Number: **00155460000000**  
Location: **1 JADE DR BIG COPPITT KEY, FL 33040**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 11/14/2014 and subsequently found the following violation(s) of Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF  
THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER  
SYSTEM.

Corrective Action Required:

1. CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.
2. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.
3. CONTACT THE WASTEWATER UTILITY IN YOUR AREA TO OBTAIN AN INTITAL INSPECTION FOR APPROVAL TO PROCEED.

\*\*\*CONTACT INFORMATION IS ATTACHED\*\*\*

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

( ) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 02/26/2015 at 9:00AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.**

( ) You can avoid attending the hearing if all violation(s) noted above are corrected by **02/25/2015** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance **DOES NOT GUARANTEE** a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate you will need to ensure that a verbatim record of the proceedings is made, which shall include

evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

FLORIDA KEYS AQUADUCT AUTHORITY (FKAA) HAS ATTEMPTED TO NOTIFY PROPERTY OWNERS OF THE AVAILABILITY TO CONNECT TO THE CENTRAL SEWER SYSTEM FOR THE PAST SEVERAL YEARS.

THIS PROPERTY HAS NOW BEEN REFERRED TO MONROE COUNTY CODE COMPLIANCE FOR THE ENFORCEMENT OF THAT CONNECTION AS IT IS A REQUIRMENT OF FLORIDA STATE AND MONROE COUNTY LOCAL LAW.

FLORIDA STATUTE § 381.00655: REQUIRES THAT YOU CONNECT TO AN AVAILABLE CENTRAL SEWER SYSTEM WITHIN 365 DAYS OF WRITTEN NOTICE THAT SERVICE IS AVAILABLE TO YOUR PROPERTY.

MONROE COUNTY CODE § 20-78.(a) REQUIRES THAT YOU CONNECT WITHIN 30 DAYS OF NOTIFICATION.

THE SAME STATUTE ALLOWS THE COUNTY TO ENACT ITS OWN LAWS FOR THE PROTECTION OF THE PUBLIC HEALTH AND SAFETY.

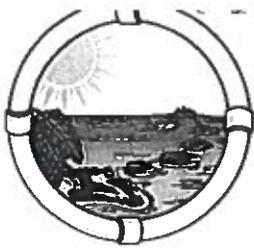

BE ADVISED YOU WILL BE RECEIVING A "NOTICE OF VIOLATION" REGARDING THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM. THAT "NOTICE OF VIOLATION" WILL BEGIN THE ENFORCEMENT PHASE OF CONNECTION AT WHICH TIME A HEARING DATE WILL BE SCHEDULED AND A COMPLAICNE DATE WILL BE ORDERED BY THE SPECIAL MAGISTRATE.

LACK OF COMPLIANCE WITH THE TIMELINES ESTABLISHED DURING THE HEARING MAY RESULT IN A DAILY FINE OF \$100.00/DAY TO ACCRUE ON THE PROPERTY UNTIL COMPLIANCE IS ACHIEVED.

THIS WILL RESULT IN A LIEN BEING PLACED ON YOUR PROPERTY FOR FAILURE TO MAKE THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM.

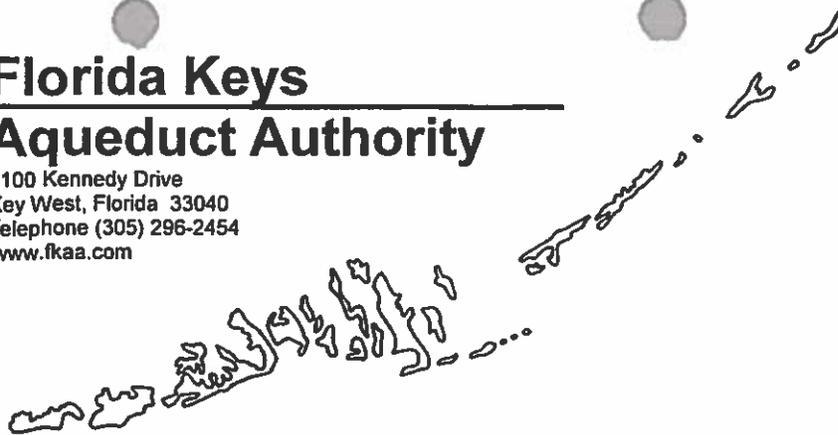

PLEASE CALL INSPECTOR TRACI SCHOENROCK FOR QUESTIONS.

## CERTIFICATION OF MAILING

I, Thomas G. Walker, Manager of Engineering, hereby certify that the 30 Day Notice for Connection to the Big Coppitt Wastewater System (**Exhibit A**) was mailed on August 10, 2009 to all property owners of the Big Coppitt Wastewater System listed on Schedule B (**Exhibit B**) attached hereto, which mailing was required by Monroe County Ordinance 017-2002 Section 5 (**Exhibit C**).

I further certify that on September 18, 2012 a letter (**Exhibit D**) was mailed to those individuals (**Exhibit E**) who have not connected to the wastewater system as of January 18, 2012.

Certified on September 17, 2013.

**BIG COPPITT WASTEWATER PROJECT**

**RE: Notice To Connect To Available Central Wastewater System  
Real Estate Number  
Physical Address**

Dear Property Owner:

The Florida Keys Aqueduct Authority, in conjunction with the Monroe County, has now made available centralized wastewater service to the above listed address. The FKAA's wastewater treatment facility and collection system is now ready to accept and treat wastewater from this property. All properties on Shark Key and all properties on the bayside of U.S. 1 on Big Coppitt Key are now invited to connect to the central wastewater system.

Please consider this letter your official notification that a centralized wastewater system is now available to the above referenced property. Pursuant to Monroe County Ordinance (No. 017-2002), connection to the system is required. Your property is in Phase ◊. The required connection date for this property is no later than ◊, however you may connect your property any time prior to that date.

In order to facilitate an orderly connection process connection requirements are being implemented in phases. Please see the attached map and table for a description of the Big Coppitt and Shark Key streets eligible for connection and their compulsory connection date.

Billing for wastewater is based on the availability of the system and the establishment of a wastewater rate by the FKAA Board of Directors. Billing for wastewater will occur no sooner than the September billing cycle. The billing cycle will begin at the same time for all properties regardless of which connection phase your property is located in. The first wastewater billing cycle will consist of the base facility charge only. Subsequent bills will include the base facility charge and flow charge. A follow-up letter will provide information on the rates and billing cycle once it has been established by the FKAA Board of Directors. All properties will be billed for wastewater at the specified time, even if they are not connected to the system.

Please contact the Monroe County Department of Health at (305) 293-7524 for information regarding the abandonment of your current septic system or cesspit, or the opportunity to convert your existing septic tank into a cistern. For information regarding the permitting process please contact the Monroe County Building Department at (305) 289-2501.

Please contact FKAA Representative, Olympia Newton at (305) 295-2144 if you have any questions about the connection process. You may also visit the FKAA website for detailed information on the connection process and construction requirements at [www.fkaa.com/wastewater.htm](http://www.fkaa.com/wastewater.htm).

Thank you for your assistance.

**BIG COPPITT WASTEWATER PROJECT**

**RE: Notice To Connect To Available Central Wastewater System**

**Real Estate Number:**

**Physical Address:**

Dear Property Owner:

The Florida Keys Aqueduct Authority, in conjunction with Monroe County, has now made available centralized wastewater service to the above listed address. The FCAA's wastewater treatment facility and collection system is now ready to accept and treat wastewater from Rockland Ocean, Rockland Gulf, Big Coppitt Key and Geiger Key. All properties in the wastewater district are now invited to connect to the central wastewater system.

Please consider this letter your official notification that a centralized wastewater system is now available to the above referenced property. Pursuant to Monroe County Ordinance (No. 017-2002), connection to the system is mandatory. The required connection date for this property is no later than January 11, 2010, however you may connect your property any time prior to that date.

Billing for wastewater is based on the availability of the system. Billing for wastewater will commence in January 2010.

The first wastewater billing cycle will consist of the base facility charge only. The base facility charge is based on meter size. Most residential meters are 5/8" and would receive a base facility charge of \$25.90. Subsequent bills will include the base facility charge and flow charge. Flow charges are calculated at a rate of \$9.80 per thousand gallons of water consumed. The consumption charges for single-family residences are capped at 12,000 gallons. All properties will be billed for wastewater at the specified time, even if they are not connected to the system.

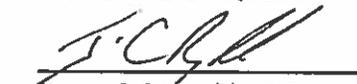

Please contact the Monroe County Department of Health at (305) 809-5670 for information regarding the abandonment of your current septic system or cesspit, or the opportunity to convert your existing septic tank into a cistern. For information regarding the permitting process please contact the Monroe County Building Department at (305) 289-2501.

Please contact FCAA Representative, Joshua Peele at (305) 809-2636 if you have any questions about the connection process. You may also visit the FCAA website for detailed information on the connection process and construction requirements at [www.fkaa.com/wastewater.htm](http://www.fkaa.com/wastewater.htm).

Thank you for your assistance.

and Shawna Meri Renner

Doc# 2036077 07/06/2015 12:08PM  
Filed & Recorded in Official Records of  
MONROE COUNTY AMY HEAVILIN

Respondent(s).

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_ were present and did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 7/1/15 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$ 20-78.(a) \$ 100.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

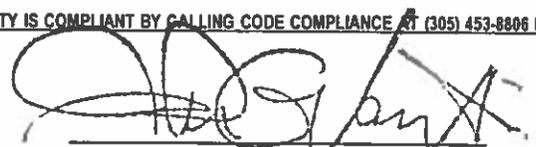

The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

FILE COPY

Dear Property Owner,

The purpose of this letter is to inform you that our records indicate that the violations remain on your property and the fines will continue to run in the amount of \$100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 07/06/15, Book 2749, Pages 760-761. The current amount of the County's lien is \$678.15 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to:  
**Monroe County Code Compliance Department  
Attention: Nicole Petrick  
2798 Overseas Highway, Suite 330  
Marathon, Florida 33050.**

The County will then provide a Release and Satisfaction of Lien to you. It is then your responsibility to record the Release and Satisfaction with the Clerk of Courts in Monroe County. Please note that once your property is in compliance you may request mitigation of your fine(s) based on any mitigating circumstances.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.

Lower Keys: 5503 College Road, Suite 204, Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330, Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway, Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact the Lower Keys Office at (305) 292-4495.

Respectfully yours,

  
Nicole Petrick

September 18, 2015

**COPY**

Subject: Code Case: CE14100154  
Location: 1 Jade Dr., Big Coppitt Key, Florida

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. A copy is enclosed for your convenience. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Additionally, our records indicate that the violations remain on your property. Because your property is not in compliance, the fines continue to accrue in the amount of \$100.00 per day until the property comes into compliance. A daily fine of \$100.00 per day has currently accrued for 78 days for a current total of \$7,800.00.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F. S.162.09(3). To date, these costs are \$190.60 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$7990.60 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

A handwritten signature in blue ink that reads 'Cynthia J. McPherson'.

KEY WEST FL 33040**

September 29, 2015

Subject: Code Case: CE14100154  
Location: 1 JADE DR BIG COPPITT KEY, FL 33040

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on October 29, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.:

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330  
Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Kathleen Windsor  
Sr. Code Compliance Research Analyst

**NOTICE OF MOTION TO AUTHORIZE FORECLOSURE AND/OR MONEY JUDGMENT  
PROCEEDINGS & NOTICE OF HEARING**

Petitioner Monroe County will move the Monroe County Code Compliance Special Magistrate, pursuant to F.S. 162.09(3), to authorize foreclosure and/or money judgment proceedings on the Code Compliance Final Order/Lien in this case, which was recorded in the Official Records of Monroe County on 07/06/15, Book 2749, Page 760 on the property that was the subject of the code compliance action described as: 1 JADE DR BIG COPPITT KEY, FL 33040 , MONROE COUNTY, FLORIDA, RE# 00155460000000 , and upon any and all other real and/or personal property you own. The current outstanding amount of the County's lien as of September 29, 2015 is \$9,139.60 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This motion will be considered on October 29, 2015 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050.

P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes X No \_\_\_\_\_

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Guillermo Enrique Gonzalez and the property located at 805 Blue Heron Lane, Key Largo, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE14010070.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$18,100.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE14010070:** The Special Magistrate found the property in violation and ordered a compliance date of January 1, 2015. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate. On January 20, 2015, the Special Magistrate extended the compliance date to July 1, 2015. The property owner did not gain timely compliance and fines began to accrue on July 2, 2015. The County's lien was recorded on July 6, 2015. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is not homesteaded;
- The property owner does not own additional real property;
- The property owner applied for a building permit, #15305713, to connect to the central sewer;
- The public records of Monroe County indicate incomplete inspections to date;
- The public records of Monroe County indicate no pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction, foreclosure; money judgment and writ of execution.

---

**TOTAL COST:** Appx. \$2500.00      **INDIRECT COST:** \_\_\_\_\_      **BUDGETED:** Yes X No \_\_\_\_\_

**DIFFERENTIAL OF LOCAL REFERENCE:** \_\_\_\_\_  
**COST TO COUNTY:** \_\_\_\_\_      **SOURCE OF FUNDS:** 148-50001-530318

**REVENUE PRODUCING:** Yes \_\_\_ No \_\_\_      **AMOUNT PER MONTH** \_\_\_\_\_ **Year** \_\_\_\_\_

**NOTICE OF VIOLATION/NOTICE OF HEARING**

**To: GONZALEZ GUILLERMO ENRIQUE  
805 BLUE HERON  
KEY LARGO, FL 33037**

**Case Number: CE14010070**

**Location: 805 BLUE HERON LN KEY LARGO, FL 33037-4640  
Re Number: 00546670000000**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 06/11/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
\* NO TO WIT TEXT \*

Corrective Action Required:

CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A SEWER LATERAL CONNECTION PERMIT.

CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN AN ABANDONMENT PERMIT.

CONTACT THE KEY LARGO WASTE WATER TREATMENT DISTRICT AND OBTAIN AN ENGINEERS LETTER OF APPROVAL.

ALL PERMITS AND CONNECTIONS WILL REQUIRE PASSING FINAL INSPECTIONS FROM ALL APPROPRIATE AGENCIES AND THE PERMIT(S) CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing** will be conducted by the **Special Magistrate** in the above case on **07/17/2014** at **9:00 AM** at the **Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.**

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **07/16/2014** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance **DOES NOT GUARANTEE** a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

**NOTE: IF YOU DECIDE TO APPEAL** any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

Parcel Address: [Street address of parcel]

Dear Property Owner:

The Key Largo Wastewater Treatment District has now made available central wastewater service to your property. The District's wastewater treatment facility has recently been certified by the Florida Department of Environmental Protection, and is now ready to accept and treat your wastewater

Please consider this letter as your official notification that a central wastewater system is now available to your property, and you are required to connect to the District's wastewater system within thirty (30) days from the date of this Official Thirty-Day Notification, shown above. **Please contact the District office at 305-451-8050 so that we may open your valve and begin to receive sewage from your property.**

**Please note that, whether or not you comply with this notice, the District will begin to collect wastewater treatment charges from you after the expiration of the notice period.**

Finally, it is your responsibility to properly abandon your current onsite sewage treatment and disposal system. The abandonment must be coordinated with the Monroe County Health Department, which will assist you with completing your permit.

Sincerely,

\_\_\_\_\_  
Charles F. Fishburn  
General Manager

If your property is vacant or has been combined with another piece of property, please notify us at 305-451-4019 or email us at [carolw@klwtd.com](mailto:carolw@klwtd.com).

Our records show that you have not connected to the Key Largo Wastewater Treatment District System. You have been given an extension and that has run out. If you feel that you need more time please contact the KLWTD Office. If we do not hear from you in two weeks from the date of this letter your property will be referred to Monroe County Code Compliance for action.

If you have completed the connection process, please contact this office and give us the property's Alternate Key Number (AK) which is located at the top of this letter.

Monroe County has a Community Development Block Grant (CDBG) available for qualified middle-to-low income owners. The grant will pay for the connection. The application is available on our Website ([KLWTD.com](http://KLWTD.com)) and at the office (98880 Overseas Hwy, Key Largo).

If you have extenuating circumstances, please contact the office. The contact is Carol Walker, District Clerk at 305-451-4019 Ext 205, email is [carolw@klwtd.com](mailto:carolw@klwtd.com).

Sincerely,

*Margaret Blank*

Dear Property Owner:

If your property is vacant or has been combined with another piece of property, please notify us at 305-451-4019 or email us at [carolw@klwtd.com](mailto:carolw@klwtd.com).

Please be advised that if you have not started connection to the central wastewater collection system within 30 days of this letter, you will be processed to be turned over the Monroe County Code Compliance. The District will not be able to reverse any enforcement process once it is set into place.

You can avoid this time-consuming and costly process by completing the connection. Please notify this office when you start.

If you have completed the connection process, please contact this office and give us the property's Alternate Key Number (AK) which is located at the top of this letter.

Monroe County has a Community Development Block Grant (CDBG) available for qualified middle-to-low income owners. The grant will pay for the connection. The application is available on our Website ([KLWTD.com](http://KLWTD.com)) and at the office (98880 Overseas Hwy, Key Largo).

**COURTESY NOTIFICATION  
PLANNED MANDATORY CONNECTION TO CENTRAL WASTEWATER SYSTEM**

May \_\_, 2010

[AK number of parcel]  
[Name of property owner]  
[Mailing address]

Parcel Address: [Street address of parcel]

Dear Property Owner:

**This letter is to remind you that a 30 day Mandatory Connection Notice will be sent to you in August, 2010. If you have not connected before the mandatory connection date, you will still be charged for wastewater service to your property.**

As you proceed to install your lateral connection to the central wastewater system, please remember that you must obtain an Approval to Proceed letter from the District, a Health Department Permit, and a County Building Department Permit before beginning construction. It is also your responsibility to properly abandon your current onsite sewage treatment and disposal system after the District begins to receive and treat your sewage. The abandonment must be coordinated with the Health Department, which will assist you with completing your permit.

**Before you permanently connect your house to the system you must contact the District office at 305-451-4019 so that we may open your valve and begin to receive sewage from your property.**

If you are a condominium owner, this notice may not apply to you. Please contact your Association management for additional information.

Sincerely,

*Charles F. Fishburn*

### FRIENDLY REMINDER

The Key Largo Wastewater Treatment District will soon be sending you a 30-day notice to connect. On the day you receive the notice you may make your final connection to the sewer by calling your licensed plumber to connect if you have contracted the job out, or, if you are working on a homeowner's permit, by calling the District (305) 451- 4019.

Whether or not you connect within the 30-day time limit provided in the notice, you will begin to be billed for sewer service as part of your water bill after the 30 days have elapsed.

If you live in a condominium, your condo association will take care of the connection, and you do not need to take any other action on your own.

The Key Largo Wastewater Treatment District will try to make the connection process as simple for you as possible, but remember there will be many others trying to do the connection work at the same time, so please be patient. We have written materials explaining the connection process, and we will be glad to assist you in completing needed paperwork. Please call or stop by the District office.

If you have questions, or if you think this reminder does not apply to you, please call the District office.

# TOWN HALL MEETING

JANUARY 30, 2007 AT 5:30 PM

**Key Largo Library,  
in the Tradewinds Shopping Center  
for the  
PROPERTY OWNERS OF  
Lake Surprise, Lake Surprise II, Largo Hi-Lands, Sexton  
Cove, Ocean Isles Estates**

The property owners and residents in the subdivisions listed above and all other interested citizens are invited to a Town Hall Meeting for information on the upcoming sewer project in their neighborhoods.

The Key Largo Wastewater Treatment Board of Commissioners and Staff will be represented at the meeting.

There will be a presentation explaining how the area will be divided up for construction. What will be expected of the contractors and what will be expected of the residents. Specific topics to be covered include: presentations of scheduling, specifications of installation for homeowners and contractors, an explanation of the assessment process. An open forum to answer questions will follow.

Handouts will be provided to the attendees. If you are planning on attending the meeting please call the District office at 305-453-5804 to let them know to better enable them to have enough of the handouts for all attendees.

We are looking forward to seeing everyone at the meeting. If you are unable to attend the meeting please log onto our website ([www.klwtd.com](http://www.klwtd.com)) for the information that was covered at the meeting.

Key Largo Wastewater Treatment District

To be published on or before August 10, 2005.

[MAP OF ASSESSMENT AREAS]

NOTICE OF HEARING TO IMPOSE AND  
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the Key Largo Wastewater Treatment District Board of Commissioners will conduct a public hearing to consider imposition of non-ad valorem assessments against certain parcels of real property located within the District. The hearing will be held at 5:00 p.m., or as soon thereafter as the matter can be heard, on August 31, 2005 at the District office located at 98880 Overseas Highway, Key Largo, Florida, for the purpose of receiving public comment on the proposed assessments.

In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District Clerk, Carol Walker, at 305-453-5804 at least 3 days prior to the hearing.

All affected real property owners have a right to appear at the hearing and/or to file written comments with the District within 20 days of this notice. If a person wishes to appeal any decision made by the District with respect to any matter considered at the hearing, such person will need a record of the proceedings, and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The assessments have been proposed to recover a portion of the capital costs of District wastewater management facilities constructed, and to be constructed, within the District. The amount of the assessment imposed upon each parcel will be calculated under and in accordance with the resolution adopting System Development Charges at the District Board meeting of July 20, 2005 and the Initial Assessment Resolution adopted at the District Board meeting of August 3, 2005. Copies of these resolutions and supporting documents are available for inspection and copying at the District office located at 98880 Overseas Highway, Key Largo.

The special assessments will be collected by the Monroe County Tax Collector in annual payments on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in loss of title.

The District intends to collect the assessments in 20 annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2005. Future assessments may be prepaid in their entirety at the option of the property owner.

If you have any questions, please contact the District Clerk at 305-453-5804, Monday through Friday between 9:00 a.m. and 5:00 pm.

KEY LARGO WASTEWATER TREATMENT DISTRICT.

To be published on or before August 27, 2010

**KEY LARGO WASTEWATER TREATMENT DISTRICT**

**NOTICE OF PUBLIC HEARING REGARDING  
ADMENDMENTS TO THE DISTRICT NON-AD VALOREM ASSESSMENT RESOLUTIONS**

The Board will conduct a public hearing at 4:00 PM, or as soon thereafter as the matter can be heard, on September 21, 2010, at the District Office located at 98880 Overseas Hwy, Key Largo, FL to consider amendments to the District non-ad valorem assessment resolution, the District General Rules and Regulations, the District resolution providing for monthly rates and charges for wastewater collection, transmission, treatment, and disposal, as shown in the attached draft resolutions, and such other issues as may come to the attention of the District.

If you have any questions, please contact the District Clerk at 305-451-4019 ext 205, Monday through Friday between 8:00 a.m. and 5:00 pm.

[WWW.KLWTD.COM](http://WWW.KLWTD.COM)

To Whom It May Concern:

All lots on the Island of Key Largo vacant or occupied will be assessed for the sewer. Connection to the Sewer is mandatory under Florida Law, Monroe County Ordinance, and District Policy. Prior to connection, the District will send you a "One-Year Notice, stating that you will be required to connect in about a year. The District will send you a "Thirty-Day Notice" at least 30 days before you are required to connect. Wastewater charges will commence on the date specified in the Thirty-Day Notice whether or not you have connected to the system.

#### VACANT PROPERTY

The District assesses all tax parcels within the assessment area. It is up to the tax parcel owner to request removal from the assessment roll.

The District will remove a tax parcel from the assessment roll if the owner shows that the tax parcel has not been improved and cannot be developed with facilities that will generate sewage.

You can make this showing by demonstrating that the property is marsh, wetland, submerged land, or nature conservatory. You may be required to provide a letter from the Monroe County Planning Department stating that the parcel cannot be developed.

If you believe that your property should not be assessed because it cannot be developed, please contact the District, which will help you understand the types of documentation that will be accepted.

#### VACANT PROPERTY BESIDE YOUR PROPERTY RECEIVING SERVICE

If you have vacant land that is adjacent to your property that will be receiving service and you have chosen to treat the parcels as a single parcel, even if you have not combined the parcels for property tax purposes, you may file an application to have the District treat the parcels as a single parcel for assessment purposes, meaning that you will be assessed for only one of the parcels. There is a fee for this application. If you later choose to have the District provide service to the vacant parcel the District is advising the undersigned that, if they or their successors desire to have wastewater service provided to any of the Excluded Parcels the cost to the District, and the cost to the undersigned persons or their successors, of providing the **service will be significantly greater** than the costs of providing service at this time;

We encourage you to contact the District for assistance with your assessment

BEFORE THE COUNTY CODE COMPLIANCE SPECIAL MAGISTRATE  
MONROE COUNTY, FLORIDA

MONROE COUNTY FLORIDA,  
Petitioner,  
vs.  
Guillermo Enrique Gonzalez  
Respondent(s).

Case No. CE 14010070

Subject Property Real Estate Number:  
00546670-000000

Doc# 2036074 07/06/2015 12:08PM  
Filed & Recorded in Official Records of  
MONROE COUNTY AMY HEAVILIN

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_ were/were not present and did/did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 11/1/15 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$ 20.-78.(a) \$100.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

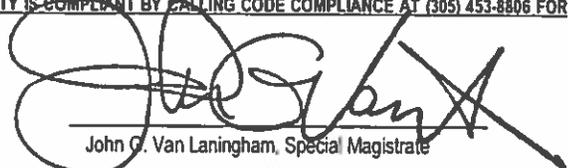

The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

**MONROE COUNTY CODE COMPLIANCE  
SPECIAL MAGISTRATE**

**Doc# 2036074  
Bk# 2749 Pg# 748**

Monroe County Code Compliance  
Petitioner

vs.

Case Number **CE14010070**

**Guillermo Enrique Gonzalez,**  
Respondent(s)

**In the matter of:  
Re# 00546670-000000**

**AGREEMENT TO ENLARGE COMPLIANCE DATE  
AND ORDER APPROVING SAME**

The Petitioner Monroe County Code Compliance by and through the undersigned Code Compliance Inspector and **Guillermo Enrique Gonzalez**, hereby agree to the following:

1. The Final Order dated **July 17, 2014** ordered a compliance date of **January 1, 2015**. The Respondents are not going to be in compliance by that date.
2. Respondent(s) agrees that the violation(s) still exists in the above captioned matter and;
  - (a) The parties are now agreeing to extend the compliance date to **July 1, 2015**.
  - (b) The Respondent waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.
  - (c) The Final Order dated **July 17, 2014**, and any evidence in the Code Compliance file will be deemed the record in the case; and
3. The property will be checked for compliance on **July 1, 2015**. (New compliance date).

4. The parties understand that a fine of \$100.00 per day shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3. The fines will accrue as follows: 20-78.(a) \$ 100.00 per day

5. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs may be imposed as a lien under Section 162.09(2)(d), Florida Statutes, and Monroe County Code section 8-29(b).

6. The Respondent(s) specifically agrees that this Agreement may be recorded in the public records of the County and if recorded shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violations of Monroe County Code 20-78.(a) exists. This Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

7. Respondent(s) agrees and represents that Respondent(s) entered into this Agreement of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right. The parties understand and agree that the Respondent(s) may revoke this Agreement and that such revocation must be done in writing or done in person with Inspector Traci Schoenrock by the end of business January 15, 2015.

By signing this Agreement, both parties represent that they have the authority to enter into this agreement and further, that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

Re# 00546670-000000

ORDER APPROVING AGREEMENT  
TO ENLARGE COMPLIANCE DATE

This matter comes before the undersigned Special Magistrate upon the Agreement of the parties to enlarge the compliance date, which was initially established in the Final Order rendered on 7/17/14. Upon consideration of the parties' Agreement and being otherwise advised, it is

ORDERED that:

1. The Agreement attached hereto is approved, adopted, and incorporated by reference, to this Order as if fully set forth herein.
2. The terms and conditions of the Final Order dated 7/17/14 remain the same.
3. The new compliance date shall be 7/1/15. Fines shall accrue as specified in the Final Order of 7/17/14 the property is not brought into compliance by this date.

DONE AND ORDERED this 20<sup>th</sup> day of January, 20 15.

JOHN G. VAN LANINGHAM

Subject: Code Case CE14010070  
Property Location: Location: **805 BLUE HERON LN, KEY LARGO, FL 33037-4640**  
RE Number: **00546670-000000**

Dear Property Owner,

The purpose of this letter is to inform you that our records indicate that the violations remain on your property and the fines will continue to run in the amount of \$100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 07/06/15, Book 2749, Pages 746-751. The current amount of the County's lien is \$871.26 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to:  
**Monroe County Code Compliance Department**  
**Attention: Nicole Petrick**  
**2798 Overseas Highway, Suite 330**  
**Marathon, Florida 33050.**

The County will then provide a Release and Satisfaction of Lien to you. It is then your responsibility to record the Release and Satisfaction with the Clerk of Courts in Monroe County. Please note that once your property is in compliance you may request mitigation of your fine(s) based on any mitigating circumstances.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.  
Lower Keys: 5503 College Road, Suite 204, Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330, Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway, Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact the Lower Keys Office at (305) 292-4495.

Respectfully yours,

  
Nicole Petrick

FILE COPY

September 18, 2015

Subject: Code Case: CE14010070  
Location: 805 Blue Heron Ln, Key Largo, Florida

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. A copy is enclosed for your convenience. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Additionally, our records indicate that the violations remain on your property. Because your property is not in compliance, the fines continue to accrue in the amount of \$100.00 per day until the property comes into compliance. A daily fine of \$100.00 per day has currently accrued for 78 days for a current total of \$7,800.00.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F. S.162.09(3). To date, these costs are \$383.71 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$8183.71 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

A handwritten signature in blue ink that reads 'Cynthia J. McPherson'.

Subject: Code Case: CE14010070  
Location: 805 BLUE HERON LN., KEY LARGO

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on October 29, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.:

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330

Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Monroe County Property Appraiser  
 Scott P. Russell, CFA  
 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes X No \_\_\_\_\_

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Robert H. Montgomery and Neha S. Montgomery and the property located at 205 Shore Ave., Big Coppitt Key, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE14110087.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$18,100.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE14110087:** The Special Magistrate found the property in violation and ordered a compliance date of July 1, 2015. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate and fines began to accrue on July 2, 2015. The County's lien was recorded on July 6, 2015. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is not homesteaded;
- The property owner does not own additional real property;
- The property owner applied for a building permit, #15105770, to connect to the central sewer;
- The public records of Monroe County indicate incomplete inspections to date;
- The public records of Monroe County indicate no pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction, foreclosure; money judgment and writ of execution.

---

**TOTAL COST:** Appx. \$2500.00      **INDIRECT COST:** \_\_\_\_\_      **BUDGETED:** Yes X No \_\_\_\_\_

**NOTICE OF VIOLATION/NOTICE OF HEARING**

**To: MONTGOMERY ROBERT H &  
MONTGOMERY NEHA S T/C  
205 SHORE AVE  
KEY WEST, FL 33040**

**Case Number: CE14110087**

**Location: 205 SHORE AVE BIG COPPITT KEY, FL 33040  
Re Number: 00150170000000**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 11/18/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF  
THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER  
SYSTEM.

Corrective Action Required:

1. CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.
2. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.
3. CONTACT THE WASTEWATER UTILITY IN YOUR AREA TO OBTAIN AN INTITAL INSPECTION FOR APPROVAL TO PROCEED.

\*\*\*CONTACT INFORMATION IS ATTACHED\*\*\*

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 02/26/2015 at 9:00AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.**

You can avoid attending the hearing if all violation(s) noted above are corrected by **02/19/2015** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance **DOES NOT GUARANTEE** a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

FLORIDA KEYS AQUADUCT AUTHORITY (FKAA) HAS ATTEMPTED TO NOTIFY PROPERTY OWNERS OF THE AVAILABILITY TO CONNECT TO THE CENTRAL SEWER SYSTEM FOR THE PAST SEVERAL YEARS.

THIS PROPERTY HAS NOW BEEN REFERRED TO MONROE COUNTY CODE COMPLIANCE FOR THE ENFORCEMENT OF THAT CONNECTION AS IT IS A REQUIREMENT OF FLORIDA STATE AND MONROE COUNTY LOCAL LAW.

FLORIDA STATUTE § 381.00655: REQUIRES THAT YOU CONNECT TO AN AVAILABLE CENTRAL SEWER SYSTEM WITHIN 365 DAYS OF WRITTEN NOTICE THAT SERVICE IS AVAILABLE TO YOUR PROPERTY.

MONROE COUNTY CODE § 20-78.(a) REQUIRES THAT YOU CONNECT WITHIN 30 DAYS OF NOTIFICATION.

THE SAME STATUTE ALLOWS THE COUNTY TO ENACT ITS OWN LAWS FOR THE PROTECTION OF THE PUBLIC HEALTH AND SAFETY.

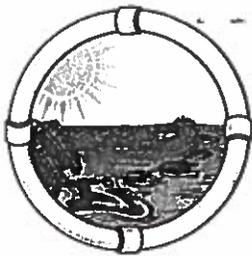

BE ADVISED YOU WILL BE RECEIVING A "NOTICE OF VIOLATION" REGARDING THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM. THAT "NOTICE OF VIOLATION" WILL BEGIN THE ENFORCEMENT PHASE OF CONNECTION AT WHICH TIME A HEARING DATE WILL BE SCHEDULED AND A COMPLAICNE DATE WILL BE ORDERED BY THE SPECIAL MAGISTRATE.

LACK OF COMPLIANCE WITH THE TIMELINES ESTABLISHED DURING THE HEARING MAY RESULT IN A DAILY FINE OF \$100.00/DAY TO ACCRUE ON THE PROPERTY UNTIL COMPLIANCE IS ACHIEVED.

THIS WILL RESULT IN A LIEN BEING PLACED ON YOUR PROPERTY FOR FAILURE TO MAKE THE MANDATORY CONNECTION TO THE CENTRAL SEWER SYSTEM.

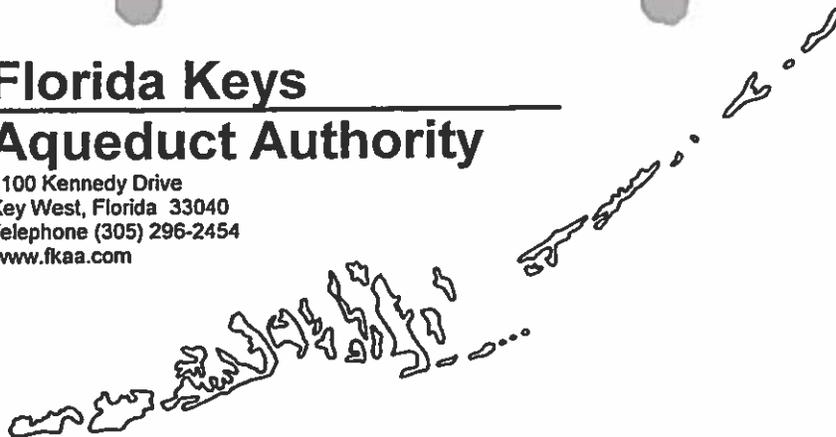

PLEASE CALL INSPECTOR TRACI SCHOENROCK FOR QUESTIONS: 3

## CERTIFICATION OF MAILING

I, Thomas G. Walker, Manager of Engineering, hereby certify that the 30 Day Notice for Connection to the Big Coppitt Wastewater System (Exhibit A) was mailed on August 10, 2009 to all property owners of the Big Coppitt Wastewater System listed on Schedule B (Exhibit B) attached hereto, which mailing was required by Monroe County Ordinance 017-2002 Section 5 (Exhibit C).

I further certify that on September 18, 2012 a letter (Exhibit D) was mailed to those individuals (Exhibit E) who have not connected to the wastewater system as of January 18, 2012.

Certified on September 17, 2013.

By:   
Thomas G. Walker, Manager of Engineering

**BIG COPPITT WASTEWATER PROJECT**

**RE: Notice To Connect To Available Central Wastewater System  
Real Estate Number  
Physical Address**

Dear Property Owner:

The Florida Keys Aqueduct Authority, in conjunction with the Monroe County, has now made available centralized wastewater service to the above listed address. The FCAA's wastewater treatment facility and collection system is now ready to accept and treat wastewater from this property. All properties on Shark Key and all properties on the bayside of U.S. 1 on Big Coppitt Key are now invited to connect to the central wastewater system.

Please consider this letter your official notification that a centralized wastewater system is now available to the above referenced property. Pursuant to Monroe County Ordinance (No. 017-2002), connection to the system is required. Your property is in Phase  $\diamond$ . The required connection date for this property is no later than  $\diamond$ , however you may connect your property any time prior to that date.

In order to facilitate an orderly connection process connection requirements are being implemented in phases. Please see the attached map and table for a description of the Big Coppitt and Shark Key streets eligible for connection and their compulsory connection date.

Billing for wastewater is based on the availability of the system and the establishment of a wastewater rate by the FCAA Board of Directors. Billing for wastewater will occur no sooner than the September billing cycle. The billing cycle will begin at the same time for all properties regardless of which connection phase your property is located in. The first wastewater billing cycle will consist of the base facility charge only. Subsequent bills will include the base facility charge and flow charge. A follow-up letter will provide information on the rates and billing cycle once it has been established by the FCAA Board of Directors. All properties will be billed for wastewater at the specified time, even if they are not connected to the system.

Please contact the Monroe County Department of Health at (305) 293-7524 for information regarding the abandonment of your current septic system or cesspit, or the opportunity to convert your existing septic tank into a cistern. For information regarding the permitting process please contact the Monroe County Building Department at (305) 289-2501.

Please contact FCAA Representative, Olympia Newton at (305) 295-2144 if you have any questions about the connection process. You may also visit the FCAA website for detailed information on the connection process and construction requirements at [www.fkaa.com/wastewater.htm](http://www.fkaa.com/wastewater.htm).

Thank you for your assistance.

**BIG COPPITT WASTEWATER PROJECT**

**RE: Notice To Connect To Available Central Wastewater System**

**Real Estate Number:**

**Physical Address:**

Dear Property Owner:

The Florida Keys Aqueduct Authority, in conjunction with Monroe County, has now made available centralized wastewater service to the above listed address. The FKAAs wastewater treatment facility and collection system is now ready to accept and treat wastewater from Rockland Ocean, Rockland Gulf, Big Coppitt Key and Geiger Key. All properties in the wastewater district are now invited to connect to the central wastewater system.

Please consider this letter your official notification that a centralized wastewater system is now available to the above referenced property. Pursuant to Monroe County Ordinance (No. 017-2002), connection to the system is mandatory. The required connection date for this property is no later than January 11, 2010, however you may connect your property any time prior to that date.

Billing for wastewater is based on the availability of the system. Billing for wastewater will commence in January 2010.

The first wastewater billing cycle will consist of the base facility charge only. The base facility charge is based on meter size. Most residential meters are 5/8" and would receive a base facility charge of \$25.90. Subsequent bills will include the base facility charge and flow charge. Flow charges are calculated at a rate of \$9.80 per thousand gallons of water consumed. The consumption charges for single-family residences are capped at 12,000 gallons. All properties will be billed for wastewater at the specified time, even if they are not connected to the system.

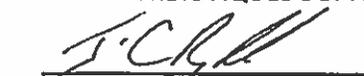

Please contact the Monroe County Department of Health at (305) 809-5670 for information regarding the abandonment of your current septic system or cesspit, or the opportunity to convert your existing septic tank into a cistern. For information regarding the permitting process please contact the Monroe County Building Department at (305) 289-2501.

Please contact FKAAs Representative, Joshua Peele at (305) 809-2636 if you have any questions about the connection process. You may also visit the FKAAs website for detailed information on the connection process and construction requirements at [www.fkaa.com/wastewater.htm](http://www.fkaa.com/wastewater.htm).

Thank you for your assistance.

Respondent(s).

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_ were/were not present and did/did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ \_\_\_\_\_ is ORDERED, payable within \_\_\_\_\_ days of this Order.
- Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 7/1/15 ("THE COMPLIANCE DATE").
- In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$ 20-78.99 \$ 100.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

( ) \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (905) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

**RE Number: 00150170-000000**

Dear Property Owner,

The purpose of this letter is to inform you that our records indicate that the violations remain on your property and the fines will continue to run in the amount of \$100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 07/06/15, Book 2749, Pages 786-787. The current amount of the County's lien is \$652.29 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to:  
**Monroe County Code Compliance Department**  
**Attention: Nicole Petrick**  
**2798 Overseas Highway, Suite 330**  
**Marathon, Florida 33050.**

The County will then provide a Release and Satisfaction of Lien to you. It is then your responsibility to record the Release and Satisfaction with the Clerk of Courts in Monroe County. Please note that once your property is in compliance you may request mitigation of your fine(s) based on any mitigating circumstances.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.  
Lower Keys: 5503 College Road, Suite 204, Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330, Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway, Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact the Lower Keys Office at (305) 292-4495.

Respectfully yours,

A handwritten signature in blue ink that reads 'Nicole Petrick'.

Subject: Code Case: CE14110087  
Location: 205 Shore Ave, Big Coppitt Key, Florida

FILE COPY

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. A copy is enclosed for your convenience. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Additionally, our records indicate that the violations remain on your property. Because your property is not in compliance, the fines continue to accrue in the amount of \$100.00 per day until the property comes into compliance. A daily fine of \$100.00 per day has currently accrued for 78 days for a current total of \$7,800.00.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F. S.162.09(3). To date, these costs are \$164.74 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$7964.74 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a **Public Hearing will be conducted by the Code Compliance Special Magistrate on October 29, 2015**. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.:

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495

**NOTICE OF MOTION TO AUTHORIZE FORECLOSURE AND/OR MONEY JUDGMENT  
PROCEEDINGS & NOTICE OF HEARING**

Petitioner Monroe County will move the Monroe County Code Compliance Special Magistrate, pursuant to F.S. 162.09(3), to authorize foreclosure and/or money judgment proceedings on the Code Compliance Final Order/Lien in this case, which was recorded in the Official Records of Monroe County on 07/06/15, Book 2749, Page 786 on the property that was the subject of the code compliance action described as: 205 SHORE AVE BIG COPPITT KEY, FL 33040 , MONROE COUNTY, FLORIDA, RE# 00150170000000 , and upon any and all other real and/or personal property you own. The current outstanding amount of the County's lien as of September 30, 2015 is \$9,213.23 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This motion will be considered on October 29, 2015 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050.

**ORDER AUTHORIZING FORECLOSURE**

A Final Order was entered in this matter and was thereafter recorded as a lien. The lien has remained unpaid for at least 3 months from the date of the Order. Therefore, it is hereby ORDERED that the office of the Monroe County Attorney may institute foreclosure and/or money judgment proceedings to recover the amount of the lien plus accrued interest.

DONE AND ORDERED this 29<sup>TH</sup> day of October, 2015, at the Marathon Government Center, Marathon, Florida.

John G. Van Laningham  
Special Magistrate

**CERTIFICATE OF ORDER**

I hereby certify that this is a true and correct copy of the above Order.

 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes  No

Department: County Attorney  
Staff Contact Phone #: Steve Williams 305-289-2500

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Rodney D. Miller and the property located at 32 SE Marlin Ave., Key Largo, Florida, to seek compliance with the County code and enforce a lien arising from Code Compliance case number CE13100125.

---

**ITEM BACKGROUND:**

This property has been the subject of a Code Compliance case for failure to hook up to central sewer. The fines total \$24,200.00 as of December 30, 2015 and will continue to accrue at \$100 per day until compliance is achieved.

**CE13100125:** The Special Magistrate found the property in violation and ordered a compliance date of December 1, 2014. The property owner did not gain timely compliance by the deadline ordered by the Special Magistrate. On February 17, 2015, the Special Magistrate extended the compliance date to May 1, 2015. The property owner did not gain timely compliance and fines began to accrue on May 2, 2015. The County's lien was recorded on May 6, 2015. The code case remains open for continuing non-compliance and failure to pay outstanding fines and costs.

- The property is not homesteaded;
- The property owner does not own additional real property;
- The property owner applied for a building permit, #15305713 on 10-30-15 to connect to the central sewer;
- The permit has not been issued to date;
- The public records of Monroe County indicate no pending foreclosure action by the mortgagee.

Under the policy adopted in Resolution 057-2014 the available legal options with respect to the County's County's lien are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

---

**PREVIOUS RELEVANT BOCC ACTION:** N/A

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Authorization to initiate litigation against the property owner for injunction, foreclosure; money judgment and writ of execution.

---

**NOTICE OF VIOLATION/NOTICE OF HEARING**

**To: MILLER RODNEY D  
2663 TIGER TAIL AVE  
MIAMI, FL 33133**

**Case Number: CE13100125**

**Location: 32 MARLIN AVE , KEY LARGO, FL 33037  
Re Number: 00472960000000**

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 01/16/2014 and subsequently found the following violation(s) of the Monroe County Code:

20-78.(a) - MANDATORY CONNECTION/SEWER  
FAILURE TO MAKE THE MANDATORY CONNECTION OF THE  
ABOVE STATED PROPERTY TO THE CENTRAL SEWER SYSTEM.

Corrective Action Required:  
CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A  
SEWER LATERAL CONNECTION PERMIT.  
CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN AN  
ABANDONMENT PERMIT.  
CONTACT THE KEY LARGO WASTE WATER TREATMENT DISTRICT AND  
OBTAIN AN ENGINEERS LETTER OF APPROVAL.  
ALL PERMITS AND CONNECTIONS WILL REQUIRE PASSING FINAL  
INSPECTIONS FROM ALL APPROPRIATE AGENCIES AND THE PERMIT(S)  
CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing** will be conducted by the Special Magistrate in the above case on **06/25/2014** at **9:00 AM** at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **06/26/2014** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. **THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

**NOTE: IF YOU DECIDE TO APPEAL** any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

**IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR** to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

**COURTESY NOTIFICATION**  
**PLANNED MANDATORY CONNECTION TO CENTRAL WASTEWATER SYSTEM**

May \_\_, 2010

[AK number of parcel]  
[Name of property owner]  
[Mailing address]

Parcel Address: [Street address of parcel]

Dear Property Owner:

**This letter is to remind you that a 30 day Mandatory Connection Notice will be sent to you in August, 2010. If you have not connected before the mandatory connection date, you will still be charged for wastewater service to your property.**

As you proceed to install your lateral connection to the central wastewater system, please remember that you must obtain an Approval to Proceed letter from the District, a Health Department Permit, and a County Building Department Permit before beginning construction. It is also your responsibility to properly abandon your current onsite sewage treatment and disposal system after the District begins to receive and treat your sewage. The abandonment must be coordinated with the Health Department, which will assist you with completing your permit.

**Before you permanently connect your house to the system you must contact the District office at 305-451-4019 so that we may open your valve and begin to receive sewage from your property.**

If you are a condominium owner, this notice may not apply to you. Please contact your Association management for additional information.

Sincerely,

*Charles F. Fishburn*

If your property is vacant or has been combined with another piece of property, please notify us at 305-451-4019 or email us at [carolw@klwtd.com](mailto:carolw@klwtd.com).

Our records show that you have not connected to the Key Largo Wastewater Treatment District System. You have been given an extension and that has run out. If you feel that you need more time please contact the KLWTD Office. If we do not hear from you in two weeks from the date of this letter your property will be referred to Monroe County Code Compliance for action.

If you have completed the connection process, please contact this office and give us the property's Alternate Key Number (AK) which is located at the top of this letter.

Monroe County has a Community Development Block Grant (CDBG) available for qualified middle-to-low income owners. The grant will pay for the connection. The application is available on our Website ([KLWTD.com](http://KLWTD.com)) and at the office (98880 Overseas Hwy, Key Largo).

If you have extenuating circumstances, please contact the office. The contact is Carol Walker, District Clerk at 305-451-4019 Ext 205, email is [carolw@klwtd.com](mailto:carolw@klwtd.com).

Sincerely,

*Margaret Blank*

Dear Property Owner:

If your property is vacant or has been combined with another piece of property, please notify us at 305-451-4019 or email us at [carolw@klwtd.com](mailto:carolw@klwtd.com).

Please be advised that if you have not started connection to the central wastewater collection system within 30 days of this letter, you will be processed to be turned over the Monroe County Code Compliance. The District will not be able to reverse any enforcement process once it is set into place.

You can avoid this time-consuming and costly process by completing the connection. Please notify this office when you start.

If you have completed the connection process, please contact this office and give us the property's Alternate Key Number (AK) which is located at the top of this letter.

Monroe County has a Community Development Block Grant (CDBG) available for qualified middle-to-low income owners. The grant will pay for the connection. The application is available on our Website ([KLWTD.com](http://KLWTD.com)) and at the office (98880 Overseas Hwy, Key Largo).

### FRIENDLY REMINDER

The Key Largo Wastewater Treatment District will soon be sending you a 30-day notice to connect. On the day you receive the notice you may make your final connection to the sewer by calling your licensed plumber to connect if you have contracted the job out, or, if you are working on a homeowner's permit, by calling the District (305) 451- 4019.

Whether or not you connect within the 30-day time limit provided in the notice, you will begin to be billed for sewer service as part of your water bill after the 30 days have elapsed.

If you live in a condominium, your condo association will take care of the connection, and you do not need to take any other action on your own.

The Key Largo Wastewater Treatment District will try to make the connection process as simple for you as possible, but remember there will be many others trying to do the connection work at the same time, so please be patient. We have written materials explaining the connection process, and we will be glad to assist you in completing needed paperwork. Please call or stop by the District office.

If you have questions, or if you think this reminder does not apply to you, please call the District office.

# TOWN HALL MEETING

## JANUARY 30, 2007 AT 5:30 PM

**Key Largo Library,  
in the Tradewinds Shopping Center  
for the  
PROPERTY OWNERS OF  
Lake Surprise, Lake Surprise II, Largo Hi-Lands, Sexton  
Cove, Ocean Isles Estates**

The property owners and residents in the subdivisions listed above and all other interested citizens are invited to a Town Hall Meeting for information on the upcoming sewer project in their neighborhoods.

The Key Largo Wastewater Treatment Board of Commissioners and Staff will be represented at the meeting.

There will be a presentation explaining how the area will be divided up for construction. What will be expected of the contractors and what will be expected of the residents. Specific topics to be covered include: presentations of scheduling, specifications of installation for homeowners and contractors, an explanation of the assessment process. An open forum to answer questions will follow.

Handouts will be provided to the attendees. If you are planning on attending the meeting please call the District office at 305-453-5804 to let them know to better enable them to have enough of the handouts for all attendees.

We are looking forward to seeing everyone at the meeting. If you are unable to attend the meeting please log onto our website ([www.klwtd.com](http://www.klwtd.com)) for the information that was covered at the meeting.

Key Largo Wastewater Treatment District

To be published on or before August 10, 2005.

[MAP OF ASSESSMENT AREAS]

NOTICE OF HEARING TO IMPOSE AND  
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the Key Largo Wastewater Treatment District Board of Commissioners will conduct a public hearing to consider imposition of non-ad valorem assessments against certain parcels of real property located within the District. The hearing will be held at 5:00 p.m., or as soon thereafter as the matter can be heard, on August 31, 2005 at the District office located at 98880 Overseas Highway, Key Largo, Florida, for the purpose of receiving public comment on the proposed assessments.

In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District Clerk, Carol Walker, at 305-453-5804 at least 3 days prior to the hearing.

All affected real property owners have a right to appear at the hearing and/or to file written comments with the District within 20 days of this notice. If a person wishes to appeal any decision made by the District with respect to any matter considered at the hearing, such person will need a record of the proceedings, and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The assessments have been proposed to recover a portion of the capital costs of District wastewater management facilities constructed, and to be constructed, within the District. The amount of the assessment imposed upon each parcel will be calculated under and in accordance with the resolution adopting System Development Charges at the District Board meeting of July 20, 2005 and the Initial Assessment Resolution adopted at the District Board meeting of August 3, 2005. Copies of these resolutions and supporting documents are available for inspection and copying at the District office located at 98880 Overseas Highway, Key Largo.

The special assessments will be collected by the Monroe County Tax Collector in annual payments on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in loss of title.

The District intends to collect the assessments in 20 annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2005. Future assessments may be prepaid in their entirety at the option of the property owner.

If you have any questions, please contact the District Clerk at 305-453-5804, Monday through Friday between 9:00 a.m. and 5:00 pm.

KEY LARGO WASTEWATER TREATMENT DISTRICT.

To be published on or before August 27, 2010

KEY LARGO WASTEWATER TREATMENT DISTRICT

NOTICE OF PUBLIC HEARING REGARDING  
ADMENDMENTS TO THE DISTRICT NON-AD VALOREM ASSESSMENT RESOLUTIONS

The Board will conduct a public hearing at 4:00 PM, or as soon thereafter as the matter can be heard, on September 21, 2010, at the District Office located at 98880 Overseas Hwy, Key Largo, FL to consider amendments to the District non-ad valorem assessment resolution, the District General Rules and Regulations, the District resolution providing for monthly rates and charges for wastewater collection, transmission, treatment, and disposal, as shown in the attached draft resolutions, and such other issues as may come to the attention of the District.

If you have any questions, please contact the District Clerk at 305-451-4019 ext 205, Monday through Friday between 8:00 a.m. and 5:00 pm.

PHONE (305) 453-5804 FAX (305) 453-5807

[WWW.KLWTD.COM](http://WWW.KLWTD.COM)

To Whom It May Concern:

All lots on the Island of Key Largo vacant or occupied will be assessed for the sewer. Connection to the Sewer is mandatory under Florida Law, Monroe County Ordinance, and District Policy. Prior to connection, the District will send you a "One-Year Notice, stating that you will be required to connect in about a year. The District will send you a "Thirty-Day Notice" at least 30 days before you are required to connect. Wastewater charges will commence on the date specified in the Thirty-Day Notice whether or not you have connected to the system.

#### VACANT PROPERTY

The District assesses all tax parcels within the assessment area. It is up to the tax parcel owner to request removal from the assessment roll.

The District will remove a tax parcel from the assessment roll if the owner shows that the tax parcel has not been improved and cannot be developed with facilities that will generate sewage.

You can make this showing by demonstrating that the property is marsh, wetland, submerged land, or nature conservatory. You may be required to provide a letter from the Monroe County Planning Department stating that the parcel cannot be developed.

If you believe that your property should not be assessed because it cannot be developed, please contact the District, which will help you understand the types of documentation that will be accepted.

#### VACANT PROPERTY BESIDE YOUR PROPERTY RECEIVING SERVICE

If you have vacant land that is adjacent to your property that will be receiving service and you have chosen to treat the parcels as a single parcel, even if you have not combined the parcels for property tax purposes, you may file an application to have the District treat the parcels as a single parcel for assessment purposes, meaning that you will be assessed for only one of the parcels. There is a fee for this application. If you later choose to have the District provide service to the vacant parcel the District is advising the undersigned that, if they or their successors desire to have wastewater service provided to any of the Excluded Parcels the cost to the District, and the cost to the undersigned persons or their successors, of providing the **service will be significantly greater** than the costs of providing service at this time;

We encourage you to contact the District for assistance with your assessment questions.

**KEY LARGO WASTEWATER TREATMENT DISTRICT  
98880 OVERSEAS HWY, KEY LARGO, FL 33037  
POST OFFICE BOX 491, KEY LARGO, FLORIDA 33037  
PHONE (305) 451-4019 FAX (305) 453-5807**

WWW.KLWTD.COM

Enclosed you will find a magnet that has the Key Largo Wastewater Treatment District's phone number on it and what to do in case of a sewer emergency. Please place near your phone in case you have a problem with the sewer.

If you are a property owner we would like to remind you that once the District has placed an active sewer collection system in front of your property you need to connect to the sewer and decommission your septic system.

#### SEPTIC TANK

The septic tank abandonment portion of the sewer connection process is administered by the Monroe County Health Department. A permit and inspection are required prior to final approval. Permit application forms are available on the web at <http://www.myfloridaeh.com/ostds/form/formmemo.htm> or at the Environmental Health offices on the second floor of the Murray Nelson Center. The permit fee is \$95.00. The Building Department will not close out your county permit without proof of a health department inspection of your abandoned septic tank.

#### MANDATORY CONNECTION

We want to take this opportunity to remind you that connection to the central sewer system is not optional, IT IS MANDATORY. In 1999, the Legislature adopted chapter 99-395, Laws of Florida, which gave Monroe County the authority to require connection to central wastewater systems. The Florida Supreme Court upheld the validity of ch. 99-395 in *Schrader v. Florida Keys Aqueduct Authority*, 840 So.2d 1050 (Fla. 2003.) in 2000, Monroe County adopted an ordinance exercising its authority to require connection to the central sewer system 30 days after the property owner receives notification from the District that the central sewer system is available. If you do not connect after notification, we will work with you to encourage connection, but if you refuse to connect, we will turn the matter over to Monroe County Code Compliance, which will obtain a court order requiring connection and imposing fines for failure to connect.

Paying your monthly sewer bill does not exempt you from connecting to the sewer.

#### 2015 EXTENSION NOT APPLICABLE

Last year, the Legislature enacted chapter 2010-205, Laws of Florida. That law extended the time within which local governments are required to provide central sewer until December 31, 2015. However, THE LAW DID NOT EXTEND THE TIME FOR YOU TO CONNECT TO CENTRAL SEWER. You are required to connect within 30 days after you receive notice that the central sewer system is available for your connection.

There are RUMORS going around that you are not required to connect to the central sewer until 2015, and that Monroe County Code Compliance will not take you to court to force you to connect. THESE RUMORS ARE FALSE, and if you rely on them, you may find yourself in a costly and time-consuming legal battle.

#### COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

Monroe County has made available CDBG grants for low to middle income persons who need assistance in putting in the lateral connection (connection from house to street). Applications are available at the District Office, 98880 Overseas Hwy, Key Largo (middle of highway at MM 98) and on the website [www.klwtd.com](http://www.klwtd.com) (go to Resources then Financial Assistance).

Monroe County Code Compliance  
Petitioner

vs.

Case Number CE13100125

**Rodney D. Miller**  
Respondents

**In the matter of:  
Re# 00472960-000000**

**AGREEMENT TO ENLARGE COMPLIANCE DATE  
AND ORDER APPROVING SAME**

The Petitioner Monroe County Code Compliance by and through the undersigned Code Compliance Inspector and **Rodney D. Miller**, hereby agree to the following:

1. The Final Order dated **June 26, 2014** ordered a compliance date of **December 1, 2014**. The Respondents are not going to be in compliance by that date.
2. Respondent(s) agrees that the violation(s) still exists in the above captioned matter and;
  - (a) The parties are now agreeing to extend the compliance date to **May 1, 2015**.
  - (b) The Respondent waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.
  - (c) The Final Order dated June 26, 2014, and any evidence in the Code Compliance file will be deemed the record in the case; and
3. The property will be checked for compliance on May 1, 2015. (New compliance date).

4. The parties understand that a fine of \$100.00 per day shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3. The fines will accrue as follows: 20-78.(a) \$ 100.00 per day

Doc# 2027601  
Bk# 2739 Pg# 100

5. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs may be imposed as a lien under Section 162.09(2)(d), Florida Statutes, and Monroe County Code section 8-29(b).

6. The Respondent(s) specifically agrees that this Agreement may be recorded in the public records of the County and if recorded shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violations of Monroe County Code 20-78.(a) exists. This Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

7. Respondent(s) agrees and represents that Respondent(s) entered into this Agreement of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right. The parties understand and agree that the Respondent(s) may revoke this Agreement and that such revocation must be done in writing or done in person with Inspector Traci Schoenrock by the end of business January 1, 2015.

By signing this Agreement, both parties represent that they have the authority to enter into this agreement and further, that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

Subject: Code Case: CE13100125  
Location: 32 SE MARLIN AVE KEY LARGO, FL 33037

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on September 24, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.:

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330  
Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

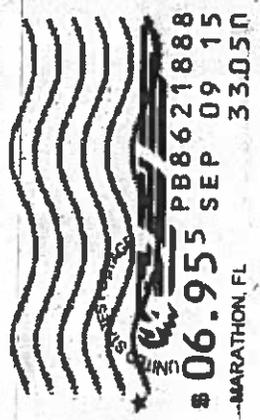

Kathleen Windsor

**NOTICE OF MOTION TO AUTHORIZE FORECLOSURE AND/OR MONEY JUDGMENT  
PROCEEDINGS & NOTICE OF HEARING**

Petitioner Monroe County will move the Monroe County Code Compliance Special Magistrate, pursuant to F.S. 162.09(3), to authorize foreclosure and/or money judgment proceedings on the Code Compliance Final Order/Lien in this case, which was recorded in the Official Records of Monroe County on May 6, 2015, Book 2739, Page 97 on the property that was the subject of the code compliance action described as: 32 SE MARLIN AVE KEY LARGO, FL 33037 , MONROE COUNTY, FLORIDA, RE# 00472960000000 , and upon any and all other real and/or personal property you own. The current outstanding amount of the County's lien as of September 9, 2015 is \$13,374.24 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This motion will be considered on September 24, 2015 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050.

Monroe County Property Appraiser  
 Scott P. Russell, CFA  
 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2015  
Bulk Item: Yes X No     

Division: County Attorney  
Staff Contact /Phone #: Steve Williams/292-3470

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Scott H. Pearson and the property located at 119 Ivanhoe Court, Key Largo Florida, to seek compliance with the County Codes and enforce a lien arising from code compliance case number CE09100130.

---

**ITEM BACKGROUND:**

This property was the subject of a Code Compliance case for the failure to obtain required permit(s), approval(s) and inspection(s) for construction of a tiki which violates three (3) County Ordinances. The fines total \$861,200.00 as of January 4, 2016 and will continue to accrue at \$400 per day until compliance is achieved.

**CE09100130:** The Special Magistrate found the property in violation and ordered a compliance date of February 10, 2010. The property owner did not gain compliance by the deadline ordered by the Special Magistrate and the fine(s) began to accrue on February 11, 2010. The County's lien was recorded on March 21, 2010. The code case remains open for non-compliance and failure to pay outstanding fines and costs.

The property is not homesteaded and there are no pending foreclosure actions at this time.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County's lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

County staff recommends initiating litigation (option 1) against the property owner for injunction, foreclosure, money judgment and writ of execution.

## MEMORANDUM

**TO:** Steve Williams, Assistant County Attorney  
**FROM:** Kathleen Windsor, Sr. Code Compliance Research Analyst *KW*  
**DATE:** January 4, 2016  
**SUBJECT:** Recommendation to County Attorney's Office for further action.

### **SUMMARY:**

As a result of the Final Order in code compliance case CE09100130, daily fines in the amount of \$400.00 per day have accrued for approximately 2153 days for a total of \$861,200.00 and continue to accrue. All attempts to gain voluntary compliance from the property owner have failed. The subject property, owned by Scott H. Pearson, remains in violation of Monroe County Code.

### **CASE CE09100130 BACKGROUND:**

The violations in this case are the result of a complaint received by the Code Compliance Department for construction of a tiki without required approvals, permits and inspections. A site inspection ensued and research was conducted. Subsequently a "Notice of Violation/Notice of Hearing" was mailed via certified mail to the property owner (Maurine B. Pearson) on November 3, 2009 to appear at the Special Magistrate Hearing on January 28, 2010. The return receipt was signed on November 13, 2009. The hearing was held and the Special Magistrate found the property in violation as cited, and imposed daily fine(s) in the amount of \$400.00 per day (3 counts) to accrue if compliance was not achieved by February 10, 2010, issuing a *Final Order* for same.

Compliance was not achieved and the Final Order was recorded as a lien on behalf of the BOCC on March 21, 2010. On October 20, 2010 a letter was sent to the property owner advising them of the lien and the continuation of fines and costs until compliance was achieved.

Subsequently a "Notice of Motion to Authorize Collection Proceedings and Notice of Hearing" was mailed to the property owner on March 1, 2011 and a hearing was held on April 28, 2011. The Special Magistrate issued an "Order Authorizing Foreclosure".

Research on March 21, 2015 revealed a change in ownership as a result of a Quit Claim Deed recorded in the Monroe County Official Records on October 21, 2014 which added a second owner (Scott H. Pearson) to the property. Further research revealed that Maurine B. Pearson was deceased, leaving Scott H. Pearson sole owner of the property. Therefore a courtesy letter was mailed to Mr. Pearson advising him of the lien and giving him 30 days to achieve compliance before the County proceeded with further actions.

Compliance was not achieved; therefore another "Notice of Motion to Authorize Collection Proceedings and Notice of Hearing" was mailed certified mail to Mr. Pearson on May 11, 2015. The certified mail item was returned to the County unclaimed; therefore the subject property and the courthouse were posted with the hearing notice, as well as a 1<sup>st</sup> class mailing. The hearing was held on June 25, 2015 and the Special Magistrate issued an "Order Authorizing Foreclosure".

Staff has received no communication or acknowledgement from Mr. Pearson. As of December 9, 2015 no permit applications for corrections have been submitted, and a site inspection reveals that the tiki remains. The County has exhausted all other mechanisms available to persuade the property owner to achieve compliance.

As of August 25, 2014 the total amount of the lien is \$861,681.75, (the daily fines of \$400.00 have accrued for 2153 days for a total fine amount of \$861,200.00, costs to date are \$481.75), and the costs and fines will continue to accrue until compliance is achieved and the lien is paid.

**STAFF RECOMMENDATIONS:**

Proceed to Monroe County BOCC asking for approval to proceed with litigation to compel the property owner Scott H. Pearson, to comply with various county ordinances and correct the code violations of Code Compliance Case CE09100130.

**UNSAFE/UNSANITARY REFERRAL**

**TO:** Joe Paskalik, Building Official

**THROUGH:** Ronda Norman, Sr. Director, Code Enforcement     

**FROM:** Brian Corcoran

**SUBJECT:** Referral for Unsafe/Unsanitary Property/Structure(s)/System(s)

**DATE:** 10/29/09

Attached please find photographs/documents regarding:

**CODE ENFORCEMENT CASE:** CE09100130, for your review.

**Owner/ Tenant:** Maurine B Pearson

**RE:** 00480111-025500 **KEY:** TAUernier

**COMMENTS:** The construction of the tiki requires permits  
Approvals and inspections.

I have reviewed the documents/photographs provided to me regarding the above Code Enforcement Case. Based upon the photographs/ documents provided to me, it is my opinion, that the conditions of the property, structure(s) and/or system(s) are deemed to be:

Unsafe per Monroe County Code and will  will not \_\_\_\_\_ require a building permit to bring the violation(s) into compliance.

\_\_\_\_\_ Unsanitary per Monroe County Code and will \_\_\_\_\_ will not \_\_\_\_\_ require a permit to bring the violation(s) into compliance.

Joe Paskalik

MONROE COUNTY CODE ENFORCEMENT  
NOTICE OF VIOLATION/NOTICE OF HEARING

TO: MAURINE B PEARSON  
119 IVANHOE COURT  
TAVERNIER, FL 33070

CASE NUMBER: CE09100130

RE NUMBER: 00480111025500

LOCATION : 119 IVANHOE COURT  
TAVERNIER, FL 33070

DEAR PROPERTY OWNER / TENANT,

You are hereby notified that an investigation of the above referenced property on 10/29/09 found violations of the following Monroe County Section(s):

110-140.(1)

The construction of the Tiki requires permits, approvals and inspections.

Corrective Action Required:

Contact the Monroe County Building and Planning Department and obtain an after the fact permit or demolition permit.

NOTE: All permit fees and permit requirements are based on the specific scope of work. Additional permits, permit fees, mitigation fees, or restoration of the property to original condition may be required. The minimum fee for an After The Fact permit is \$500.00 (five hundred dollars) as per Monroe County Code. All permits will require PASSING FINAL INSPECTION(S).

130-186.

The Tiki Cannot be placed within 5 Ft of the side yard property line.

Corrective Action Required:

CONTACT THE MONROE COUNTY PLANNING DEPARTMENT AND OBTAIN A VARIANCE (IF APPLICABLE) OR REMOVE AS DIRECTED.

6-27.(b)(2)h

The building Official has deemed the Tiki unsafe due to the lack of permits, approvals and inspections.

Corrective Action Required:

CONTACT THE MONROE COUNTY BUILDING DEPARTMENT TO: OBTAIN AN AFTER THE FACT PERMIT AND/OR RENEW AN EXISTING PERMIT, COMPLETE REQUIRED INSPECTIONS, OBTAIN A CERTIFICATE OF OCCUPANCY AND/OR CERTIFICATE OF COMPLETION. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION POSES A SERIOUS THREAT TO PUBLIC HEALTH SAFETY AND WELFARE.

Corrective Action Required:

TO AVOID FINES AND/OR COSTS of prosecution as per Chapter 162 F.S. all violations noted above must be corrected by N/A. If the violation is corrected and then recurs, or if the violation is not corrected by the time specified for correction by the Code Enforcement Inspector, the case may be presented to the Code Enforcement Special Magistrate even if the violation has been corrected prior to

8

the hearing IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE ENFORCEMENT INSPECTOR AND REQUEST A RE-INSPECTION. If you fail to correct the above described violations, you must appear before the Special Magistrate as stated below.

**\*\* NOTICE OF ADMINISTRATIVE HEARING \*\***

PLEASE TAKE NOTICE that a Public Hearing will be conducted by the Special Magistrate in the above case on 01/28/2010 at 09:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida. The purpose of this hearing is to determine if in fact, a violation currently exists, the appropriate action to be taken, and any fines or penalties to be imposed. YOUR FAILURE TO APPEAR MAY RESULT IN A FINE OR PENALTY BEING IMPOSED AGAINST YOU AND A LIEN BEING IMPOSED ON YOUR PROPERTY. You may appear in person and/or be represented by an attorney. If you are represented by an attorney, your attorney is required to file a written notice of appearance with this office prior to the hearing.

\*IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based.

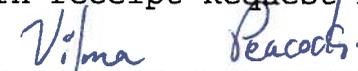

Should you seek a continuance of your administrative hearing, the presiding officer may grant a continuance of a hearing for good cause shown. Except in cases of emergency, requests for continuance must be made at least FIVE working days prior to the date noticed for the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing. Contact the office of the Liaison for the Special Magistrate to submit your request.

Pursuant to F.S. Chapter 162.09(2)(d), your failure to correct the violation(s) may result in the imposition of a fine, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the local government in enforcing its codes and all costs of repairs pursuant to subsection (1).

FINAL ORDER

Having fully considered the evidence presented at hearing, including testimony of the Code Enforcement Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative \_\_\_\_\_ were/were not present and did/did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing. The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and pursuant to Section 162.07 of Florida Statutes costs in an amount to be determined at the conclusion of this case are hereby levied for the administrative recovery of the costs of prosecuting and investigating this matter. Costs will continue to accrue until compliance is achieved and case is closed. Furthermore, the Respondent(s) shall comply with those Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 2/10/10 ("THE COMPLIANCE DATE").

In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the amount of:

\$ 110-140. (1) - \$ 100.00  
130-186. - \$ 50.00  
6-27 (b)(2)h. - \$ 250.00

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

( ) a one time fine of \$ \_\_\_\_\_ is ORDERED, and the condition causing the violation(s) is found to present a threat to the public health, safety and welfare. It is further ordered, that the County is hereby authorized to make all reasonable repairs which are required to bring the property into compliance and charge the respondent(s) with cost of repairs including administrative recovery of the costs of prosecuting and investigating this matter.

( ) The Respondent(s) is/are ordered to attend a compliance/review hearing to be held on \_\_\_\_\_, 20\_\_\_\_.

**IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE ENFORCEMENT AT (305) 453-8808 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.**

In the event of nonpayment of fines and costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months. Please make checks payable to Monroe County Code Enforcement and mail to: Monroe County Code Enforcement, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

( ) The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Enforcement within thirty (30) days of this Order.

( ) \_\_\_\_\_

DATED this 28<sup>th</sup> day of January, 20 10.

  
LARRY J. SARTIN, Special Magistrate

APPEAL PROCEDURES

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). ANY AGGRIEVED PARTY, INCLUDING MONROE COUNTY, MAY HAVE APPELLATE RIGHTS WITH REGARD TO THIS ORDER PURSUANT TO SECTION 162.11, FLORIDA STATUTES. ANY SUCH APPEAL WILL BE LIMITED TO APPELLATE REVIEW OF THE RECORD CREATED BEFORE THE SPECIAL MAGISTRATE. ANY APPEAL MUST BE FILED WITH CIRCUIT COURT WITHIN 30 DAYS OF THE EXECUTION OF THIS ORDER.

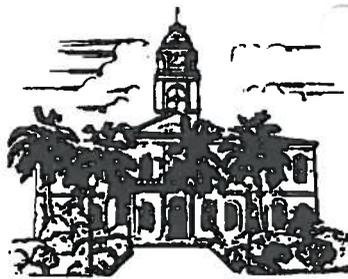

CERTIFICATE OF ORDER AND SERVICE

I hereby certify that this is a true and correct copy of the above Order and that a true and correct copy has been furnished to the Respondent(s) and/or Authorized Representative via hand delivery / first class U.S. mail to address of record with the Monroe County Property Appraiser's Office on this 13<sup>th</sup> day of

February, 20 10.

Subject: Code Enforcement Case: CE09100130

Dear Maurine B Pearson,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code enforcement action. Additionally our records indicate that the violation(s) remain. Please take note that the fines will continue to run in the amount of \$400.00 per day until the property comes into compliance.

The current amount of the Code Enforcement Lien is \$83,702.14. The lien was recorded in the Official Records of Monroe County on March 12, 2010 at Document 1722631, Book 2456, Page 1242. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to Monroe County Code Enforcement Dept., 2798 Overseas Highway, Suite 330 (Attention: Nicole Petrick), Marathon, Florida 33050. Within 30 days of the date of compliance and clearance of the payment in full, the County will provide a release and satisfaction of said lien to you. It is then your responsibility to record the release and satisfaction in the Monroe County Clerk of Courts.

If the property does not gain compliance and the County does not receive payment in full within fourteen (14) days of the date of this letter, a collection foreclosure action will begin against you.

Very truly yours,

LISA GRANGER, ESQUIRE  
 ASSISTANT COUNTY ATTORNEY

March 21, 2015

Subject: Code Case: CE09100130  
Location: 119 IVANHOE CT KEY LARGO

Dear Property Owners,

The purpose of this letter is to inform you that our records indicate that the violations (unpermitted tiki) remain on your property and the fines will continue to run in the amount of \$400.00 per day until the property comes into compliance.

Additionally the Final Order dated January 28, 2010 was recorded in the Monroe County Clerk's Office on March 12, 2010 as a lien on behalf of Monroe County at Book 2456, Page 1242. This lien is a lien on the property that was the subject of the code enforcement action and upon any and all other real and/or personal property you own.

A daily fines of \$400.00 per day has accrued 1864 days for a current total of \$745,600.00. Additionally Per F.S. §162.07(2), if the local governing body prevails in prosecuting a case before the enforcement board, it shall be entitled to recover all costs incurred in prosecuting the case before the board and such costs may be included in the lien authorized under s. 162.09(3). To date, these costs are \$226.19 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is \$745,826.19 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Research reveals that a second code case remains unresolved and open, CE10030045, for unpermitted roof. Failure to bring your property into compliance within 30 days will result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Kathleen Windsor

Subject: Code Case: CE09100130  
Location: 119 IVANHOE COURT TAVERNIER, FL 33070

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on June 25, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330

Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Traci Schoenrock at (305) 292-4498.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Monroe County Property Appraiser  
 Scott P. Russell, CFA  
 P.O. Box 1176 Key West, FL 33041-1176

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2015  
Bulk Item: Yes X No     

Division: County Attorney  
Staff Contact /Phone #: Steve Williams/292-3470

---

**AGENDA ITEM WORDING:** Authorization to initiate litigation against Jean-Sebastien and Trisha K. Gros and the property located at 2273 San Sebastian Drive, Big Pine Key, Florida, to seek compliance with the County Codes and enforce a lien arising from code compliance case number CE10050020.

---

**ITEM BACKGROUND:**

This property was the subject of a Code Compliance case for unlawful short term rental activities. The fines total \$585,500.00 as of January 4, 2016 and will continue to accrue at \$500 per day until compliance is achieved.

**CE10050020:** Subsequent to a “*Stipulation to code violation and for time to comply for first time offenses*” agreement with Monroe County, the Special Magistrate found the property in violation and ordered a compliance date of November 24, 2012. The property owner did not gain compliance by the deadline ordered by the Special Magistrate and the fine(s) began to accrue on November 25, 2012. The County’s lien was recorded on December 7, 2012 and perfected on December 4, 2015. The code case remains open for non-compliance and failure to pay outstanding fines and costs.

The property is not homesteaded and there are no pending foreclosure actions at this time.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County’s lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

County staff recommends initiating litigation (option 1) against the property owner for injunction, foreclosure, money judgment and writ of execution.

## MEMORANDUM

**TO:** Steve Williams, Assistant County Attorney  
**FROM:** Kathleen Windsor, Sr. Code Compliance Research Analyst *KW*  
**DATE:** January 4, 2016  
**SUBJECT:** Recommendation to County Attorney's Office for further action.

### **SUMMARY:**

As a result of the *Final Order* in code compliance case CE10050020, daily fines in the amount of \$500.00 per day have accrued for approximately 1166 days for a total of \$583,000.00 and continue to accrue. All attempts to gain voluntary compliance from the property owner have failed. The subject property, owned by Jean-Sebastien and Trisha K. Gros, remains in violation of Monroe County Code.

### **CASE CE10050020 BACKGROUND:**

The violations in this case are the result of a complaint received by the Code Compliance Department for unlawful short term rental activities. Subsequently a "Notice of Violation/Notice of Hearing" was mailed via certified mail to the property owners on August 8, 2012 to appear at the Special Magistrate Hearing on September 27, 2012. The return receipt was signed on August 9, 2012.

On October 24, 2012 the property owners entered into a "*Stipulation to code violation and for time to comply for first time offenses*" agreement with Monroe County agreeing to the violations of

- MCC Sec. 130-83(b), To-Wit: IT IS UNLAWFUL TO RENT OR USE A HOME IN AN IMPROVED SUBDIVISION (IS) LAND USE DISTRICT AS A SHORT TERM (LESS THAN 28 DAYS) RENTAL; and
- MCC Sec. 134-1(k)(1), To-Wit: IT IS UNLAWFUL FOR A PROPERTY OWNER, LANDLORD, AGENT OR OTHER REPRESENTATIVE TO ADVERTISE, LEASE, RENT OR HOLD OUT FOR RENT A HOME IN AN IMPROVED SUBDIVISION (IS) LAND USE DISTRICT FOR SHORT TERM RENTAL (LESS THAN 28 DAYS);

further agreeing to a compliance date of November 25, 2012 with daily fines of \$500.00 to accrue if compliance was not achieved by that date; further agreeing to a one-time-fine of \$2,500.00 payable in twenty-five equal payments of \$100.00. At the hearing on October 25, 2012 the Code Compliance Special Magistrate entered a *Final Order* approving the Signed Stipulation Agreement and accepting it's agreed upon terms. Compliance was not achieved by November 24, 2012. Hence, the daily fines began accruing on November 25, 2012.

The *Final Order* was recorded in the Official Records of Monroe County on December 7, 2012 as a lien on behalf of the BOCC.

On October 9, 2014 it was believed by the County that the subject property had been surrendered in the property owners' bankruptcy action and the case was closed. On September 17, 2015 staff received an inquiry as to the amount of the lien. Research revealed that the property was still owned by the Gros, and the County Attorney's office determined that the liens for CE10050020 and CE12070175 remained intact.

Additionally an investigation by the Code Compliance staff revealed that the property was still in violation of the County Codes as cited.

Therefore a “*Notice of Motion to Authorize Collection Proceedings and Notice of Hearing*” was mailed to the property owner on October 28, 2015 and a hearing was held on November 19, 2015. The Special Magistrate issued an “*Order Authorizing Foreclosure*”.

Staff has received no communication or acknowledgement from Mr. and Mrs. Gros, and staff has exhausted all other mechanisms available to persuade the property owner to achieve compliance.

As of January 4, 2016 the total amount of the lien is \$586,494.36, (\$585,500.00 fines and \$994.36 costs), and the costs and fines will continue to accrue until compliance is achieved and the lien is paid.

**STAFF RECOMMENDATIONS:**

Proceed to Monroe County BOCC asking for approval to proceed with litigation to compel the property owners Jean-Sebastien and Trisha K. Gros, to comply with various county ordinances and correct the code violations of Code Compliance Case CE10050020.

| 10-10-2014 | 11:48:10 | CLOSE CASE EVENT               | EMAIL FROM LG TO RICH FIELDER.<br>THE PROPERTY SEARCH OF 2273 SAN SEBASTIAN DRIVE, BIG PINE KEY SHOWED THAT THE PROPERTY APPRAISER CONTINUES TO LIST THE PROPERTY IN THE NAME OF THE GROS. HOWEVER, THIS PROPERTY WAS SURRENDERED (I IMAGINE THROUGH THE BANKRUPTCY PROCEEDING) TO ONE OF THE 3 LENDERS THAT HELD MORTGAGES ON THE PROPERTY. THE 2 ADJOINING LOTS (LOTS 46 & 47 WERE NOT LISTED IN THE BANKRUPTCY PETITION) ARE STILL OWNED BY THE GROS. THE COUNTY'S LIEN ON PROPERTY LOCATED AT 2273 SAN SEBASTIAN DRIVE UNDER CODE CASE CE10050020 WAS DISCHARGED WHEN THE PROPERTY WAS SURRENDERED IN THE BANKRUPTCY ACTION. SO A RELEASE FROM THE COUNTY IS NOT NECESSARY.<br>CLOSED CASE - KAT. |

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 02/08/2010 and subsequently found the following violation(s):

**130-83.(b) - IMPROVED SUB- VACATION RENTALS**

IT IS UNLAWFUL TO RENT OR USE A HOME IN AN IMPROVED SUBDIVISION (IS) LAND USE DISTRICT AS A SHORT TERM (LESS THAN 28 DAYS) RENTAL.

**Corrective Action Required:**

NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE. CEASE AND DESIST VACATION RENTALS IN THE IS DISTRICT.

**134-1.(k)(1) - VACATION RENTAL & ADVERTISING**

IT IS UNLAWFUL FOR A PROPERTY OWNER, LANDLORD, AGENT OR OTHER REPRESENTATIVE TO ADVERTISE, LEASE, RENT OR HOLD OUT FOR RENT A HOME IN AN IMPROVED SUBDIVISION (IS) LAND USE DISTRICT FOR SHORT TERM RENTAL (LESS THAN 28 DAYS).

**Corrective Action Required:**

CEASE AND DESIST SHORT TERM RENTAL ACTIVITIES INCLUDING ADVERTISING, LEASING OF, RENTING OF, OR HOLDING OUT FOR RENT FOR LESS THAN 28 DAYS. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE.

**( X ) PLEASE TAKE NOTICE that a Public Hearing will be conducted by the Special Magistrate in the above case on 09/27/2012 at 9:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.**

**( ) You can avoid attending the hearing if all violation(s) noted above are corrected by N/A and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.**

**( X ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.**

**( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.**

**If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed \$1,000 per day per violation for a first violation, \$5,000 per day per violation for a repeat violation, and up to \$15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.**

**You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:**

**You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.**

**If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.**

**NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based.**

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

BEFORE THE COUNTY CODE COMPLIANCE SPECIAL MAGISTRATE  
MONROE COUNTY, FLORIDA

MONROE COUNTY FLORIDA,  
Petitioner,

vs.

Jean-Sebastien Gros  
and Trisha K. Gros

Respondent(s).

Case No. CE 10050020

Subject Property Real Estate Number:  
00312573-004600

Doc# 1911125 12/07/2012 4:27PM  
Filed & Recorded in Official Records of  
MONROE COUNTY AMY HEAVILIN

**FINAL ORDER**

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative **SIGNED A STIPULATION AGREEMENT WITH MONROE COUNTY** were not present and did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

- (✓) The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
- (✓) The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
- (✓) The violation(s) is found to be irreparable or irreversible and a one-time fine of \$ 2500.00 is ORDERED, payable on or before \*11/25/15 (see payment plan as outlined in agreement).
- (✓) Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
- (✓) The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 10/24/12 ("THE COMPLIANCE DATE").
- (✓) In the event the violation(s) were or are not corrected on THE COMPLIANCE DATE PREVIOUSLY ORDERED or on THE COMPLIANCE DATE SET FORTH HEREIN, fine(s) in the dollar amount of: \$

130-83.(b) \$ 500.00  
134-1. (KX1) \$ 500.00

Doc# 1911125  
Bk# 2602 Pg# 1968

(PER AGREEMENT)

for each day beginning on THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

( ) It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

( ) The Respondent(s) were in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before THE COMPLIANCE DATE but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines (\$ \_\_\_\_\_) to Monroe County Code Compliance within thirty (30) days of this Order.

**(✓) STIPULATION AGREEMENT IS ATTACHED HERETO AND INCORPORATED HEREIN.**

Doc# 2055457  
Bk# 2772 Pg# 569

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

**MONROE COUNTY CODE COMPLIANCE  
SPECIAL MAGISTRATE**

Monroe County Code Compliance  
Petitioner

Doc# 1911125  
Bk# 2602 Pg# 1970

vs.

**CE10050020**

**Jean-Sebastien and Trisha K Gros**  
Respondent(s)

**STIPULATION TO CODE VIOLATION AND FOR TIME TO COMPLY FOR FIRST TIME  
OFFENSES**

In the matter of:  
**Re# 00312573-004600**

**Jean-Sebastien and Trisha K Gros** (hereinafter referred to jointly and severally as "Respondent(s)") and Monroe County Code Compliance ("Petitioner"), by and through the undersigned individuals, hereby agree and stipulate to the following:

1. Respondent(s) agrees that I/we received the Notice of Hearing issued in this case, and that a hearing is scheduled to be heard on **October 25, 2012** to determine whether the charges alleged in the Notice of Violation and Notice of Hearing are accurate and supported by substantial evidence ("Hearing").

2. Respondent(s) agrees that the violation(s) exist as alleged in the Notice of Violation which was served in this matter. Respondent(s) understands that he/she could appear at the Hearing and contest any evidence to be submitted by Code Enforcement. However, by entering into this Stipulation, Respondent(s) understands and agrees that:

(a) He/she need not appear at the Hearing, but instead, stipulates to entry of the finding against Respondent(s); and

(b) Any evidence in the Code Enforcement file will be deemed the record in the case; and

(c) He or she waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.

3. The Respondent(s) understand that the use of this property as a short term vacation rental is a threat to public health, safety and welfare and the violations are irreparable and irreversible in nature; therefore a one-time fine in the amount of **\$2,500.00** is payable in **twenty five equal payments of \$100.00** with the first payment being due on **November 25, 2012** and each subsequent payment made on or before the 25<sup>th</sup> of each month until the final payment is made on or before **November 25, 2015.**

4. The Respondent(s) agrees to immediately cease and desist all short term vacation rental(s) of this property and terminate all rental contracts for less than 28 days and provide proof of same on or before **October 24, 2012.**

5. Respondent understands that a fine of **\$1,000.00 per day** shall accrue daily if the short term rental(s) continue as follows:

**130-83.(b) It is unlawful to rent or use a home in an Improved Subdivision (IS) Land Use District as a short term (less than 28 days) rental.**

**\$500.00 per day**

6. The Respondent(s) also understands that a fine of **\$500.00 per day** shall accrue daily if the violation of advertising is not brought into compliance by

**October 24, 2012.**

**134-1.(k)(1) It is unlawful for a property owner, landlord, agent or other representative to advertise, lease, rent or hold out for rent a home as a short term (less than 28 days) rental where it is prohibited.**

Doc# 1911125  
Bk# 2602 Pg# 1972

**\$500.00 per day**

7. The Respondent(s) agree to pay all costs incurred in prosecuting the case **within 30 days** of compliance and that such costs shall be imposed as a lien under Section 162.09(2)(d), Florida Statutes, and Monroe County Code section 8-29(b).

8. Respondent(s) specifically agree that this Stipulation Agreement shall be recorded in the public records of the County and shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violations of Monroe County Codes **130-83.(b).**, **134-1(k)(1)** exists. This Stipulation Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3, 4, and 6.

9. Respondent(s) agrees and represents that Respondent(s) entered into this Stipulation of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right.

10. The parties understand and agree that the Respondent(s) may revoke this Stipulation and that such revocation must be done in writing or done in person with **Traci Schoenrock** by the end of business **October 24, 2012.**

By signing this Stipulation both parties represent that they have READ, UNDERSTOOD,  
AND CONSENT to its terms and conditions.

## Windsor-Kathleen

---

**From:** Granger-Lisa  
**Sent:** Thursday, October 09, 2014 11:11 AM  
**To:** Rich Fielder (rich@truetitleagency.com)  
**Cc:** Richard Malafy (rmalafy@msn.com); Windsor-Kathleen; Williams-Steve  
**Subject:** Jean Sebastian Gros & Trisha Gros

Rich,

I have review the history of the ownership of the properties formerly owned by Mr. and Mrs. Gros on which the county has code liens. The property search of 2273 San Sebastian Drive, Big Pine Key showed that the Property Appraiser continues to list the property in the name of the Gros. However, this property was surrendered (I imagine through the bankruptcy proceeding) to one of the 3 lenders that held mortgages on the property. The 2 adjoining lots (lots 46 & 47 were not listed in the bankruptcy petition) are still owned by the Gros. The County's lien on property located at 2273 San Sebastian Drive under code case CE10050020 was discharged when the property was surrendered in the bankruptcy action. So a release from the County is not necessary.

As we know the property located at 661 Pine Lane is now owned by Jill B. and Gregg Z. Dillingham through foreclosure and certificate of sale and title. Thus as an operation of the final judgment and certificate of sale and title, the County's lien on the property located at 661 Pine Lane under code case CE12070046 was extinguished. So a release from the County is not necessary.

The Gros do not now nor for the last 30 years have they owned the property located at 651 Pine Lane, Big Pine Key but he was named as the violator in code case CE12070046. The property owner's name on the county's records was listed in error as Jean Sebastian Gros. This case gained compliance before daily fines accrued. However a one time fine of \$2500 was imposed against Mr. Jean Sebastian Gros which remains unpaid. In my opinion with the correction of the property ownership on this property a release should not be necessary.

Please let me know if this email answers all of your questions. Thank you.

*Lisa Granger*

Assistant County Attorney

**Please note: Florida has a very broad public records law. Most written communications to or from the County regarding County business are public record, available to the public and media upon request. Your e-mail communication may be subject to public disclosure.**

## Windsor-Kathleen

---

**From:** Morris-Peter  
**Sent:** Friday, September 25, 2015 4:36 PM  
**To:** Windsor-Kathleen  
**Cc:** Williams-Steve  
**Subject:** RE: CE12070175 Gros Liens CE10050020

Kat,

I have had an opportunity to review the subject Code Compliance liens, the private lender foreclosure action against Mr. and Mrs. Gros, the litigation surrounding Mr. and Ms. Gros's federal bankruptcy petition, and the subject properties' ownership changes over the course of and subsequent to the recording of our (County) Code Compliance liens. My findings are as follows:

On August 2, 2012, Mr. and Mrs. Gros's bankruptcy petition was dismissed. On December 7, 2012, two Final Orders against Mr. and Mrs. Gros were recorded and one Final Order solely against Mr. Gros was recorded in:

- (1) **CE10050020** relating, in part, to property located at **2273 San Sebastian Drive**, Big Pine Key and against Jean-Sebastien Gros and Trisha Gros (recorded at **Book 2602, Page 1968**);
- (2) **CE12070175** relating, in part, to property located at **651 Big Pine Key** (not owned by Mr. and/or Mrs. Gros) and against Jean-Sebastien Gros as (VR) agent (recorded at **Book 2602, Page 1954**); and
- (3) **CE12070046** relating, in part, to property located at **661 Big Pine Key** against Jean-Sebastien Gros and Trisha Gros (recorded at **Book 2602, Page 1960**)).

On January 2, 2014, Gregg and Jill Dillingham (private lenders to Mr. and Mrs. Gros) filed a Notice of Lis Pendens (recorded at **Book 2665, Page 1854**) regarding their private foreclosure action against Mr. and Mrs. Gros based upon their (the Dillinghams') senior mortgage (recorded on June 15, 2007, at **Book 2301, Page 2104**) to Mr. and Mrs. Gros and pertaining to the property located at **661 Big Pine Key**. On June 20, 2014, the Dillinghams obtained a Final Judgment of Foreclosure against Mr. and Mrs. Gros (recorded at **Book 2690, Page 1215**), which stated, in relevant part, that "*on the filing of the Certificate of Sale by the Clerk of the Court, the Defendants and all persons claiming under or against them since the filing of the Notice of LP are foreclosed of all estate or claim in the property.*" On July 18, 2014, said Certificate of Sale was recorded (at **Book 2694, Page 1678**), and on July 28, 2014, the ensuing Certificate of Title was recorded (at **Book 2696, Page 470**).

On October 2, 2014, a Satisfaction/Release of Lien was recorded (at **Book 2708, Page 477**) in the matter of **CE12070046** relating, in part, to property located at **661 Big Pine Key**.

Please correct me if the above recitation of facts is incorrect or incomplete.

In review of Mr. Peterson's e-mails with you, it appears that he has asserted that a note on the County's eGov website stating "Code Enforcement Detail ... C - Closed Case Status" is the functional equivalent of an official Monroe County "Lien Release" recorded in the land records of the Monroe County Clerk of Court. This statement is unreasonable, incorrect, and unsupported by law. cursory review of the eGov website clearly indicates that it (the eGov website) is for informational purposes only, as it merely features a "Case Status" tab that does not address the question of whether a lien established pursuant to such Code case is active, extinguished, or released, as well as a few select truncated particulars of such case. The fact of a given Code Compliance lien's live or extinguished character in no way depends upon what the eGov informational website states, as the Monroe County Code expressly limits the exclusive means to effectuate a "Lien Release" to the County Attorney's Office (in limited circumstances) or by BOCC approval. In addition

to the foregoing reasons, reasonable reliance may (further) not be established for the purpose of asserting estoppel in this instance, on the basis that although all "Lien Releases" are public records, not all public records are "Lien Releases."

As such, I am of the opinion that, as of today, the property at **2273 San Sebastian Drive, Big Pine Key**, is currently subject to two active Code Enforcement liens recorded pursuant to Code Compliance Case Nos. **CE10050020** and **CE12070175**. See Fla. Stat. § 162.09(3).

Thank you,

**Peter Morris**  
Assistant County Attorney  
Monroe County Attorney's Office  
1111 12th Street, Suite 408  
Key West, FL 33040

**Subject:** Re: CE12070175 Gros Liens CE10050020

I understand completely. Currently, the county records show that the lien of record for CE10050020 was removed on 10/10/14, when the fine was amended to zero, and the case was closed. The recording of a "lien release" is merely the perfunctory act of placing a notice of record, informing everyone of the actual closing of the case which was done on 10/10/14.

As you know, I was not informed of a possible attempt by the County to retroactively change the status of this lien (from "closed" to "active") until yesterday afternoon. (about 40 hours before the scheduled Tax Sale).

Since it is doubtful that Code Enforcement will convince the County Clerk to postpone the sale, I am forced to rely on the Public Record that now exists, (Code Enforcement Detail CE10050020), when I attend this sale.

Assuming that I am the successful bidder, I will assert an estoppel, as to any attempt to by the County to assert a "revived lien".

As you know, the tax sale process is the device used by local government to secure a timely payment of revenue, need by the County to pay its current expenses. Investors who provide this stream of revenue should be entitled to rely upon public records, as exist, at the time of the sale.

## Overview

### Big Pine Key House Rental Photos and Description

The Overlook sleeps 10+ people

'The Overlook' at Big Pine Key is an exclusive private waterfront pool(heated) home located next to the Blue Heron and Key Deer Wildlife Refuges. 'The Overlook' is located 30 miles north east of Historic Key West. This vacation property is ideally located on three full lots (1 acre tropical garden with private beach) at the tip of the Doctor's Arm peninsula. It overlooks open water and sensational wildlife and has a new magnificent swimming pool. The home comfortably sleeps 6-10 persons. It has a screened porch plus, everyone's favorite -- a private outdoor shower. Our fifty-foot dock includes a fun slide on a clean, 10 ft deep canal, ideal for both sail boaters and fisherman! Equipped with central air conditioning, DSL and unlimited long distance, 'The Overlook' is uniquely equipped to accommodate the most discriminating sportsman and Keys vacationer. Please visit our personal website for additional pictures of the property!

Amenities: - Swimming Pool

- Evenings begin with a visit from a resident herd of key deer (10 to 30 daily!)

- Located in a private, natural setting

Kat

I conducted the compliance inspection and their ad is still running in homeaway.com for less than 28 days. I also sent an email to inquire about renting for less than 28 days. Jean Sebastian Gros provided me a rental quote of \$3093.75 for 7 days including all taxes and fees.

I have been keeping a dummy file of all my evidence and I updated E-GOV.

Have a nice day!!

Subject: Code Case: CE10050020

Location: 2273 SAN SEBASTIAN DRIVE BIG PINE KEY, FL 33043

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on November 19, 2015. The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location.:

Lower Keys: 5503 College Road, Suite 204  
Key West, FL 33040 (305) 292-4495  
Middle Keys: 2798 Overseas Highway, Suite 330  
Marathon, FL 33050 (305) 289-2810  
Upper Keys: 102050 Overseas Highway  
Key Largo, FL 33037 (305) 453-8806

If this case involves a Sewer Connection, and you have achieved compliance, please contact Inspector Mallory Jones at (305) 289-2540.

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Kathleen Windsor

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Planning and Environmental Resources

Bulk Item: Yes \_\_\_ No X

Staff Contact Person/Phone #: Matthew Coyle 289-2588

---

**AGENDA ITEM WORDING:**

A public hearing to consider approval of a resolution authorizing a special permit allowing a temporary construction staging area at property located on Killdeer Lane, Big Pine Key (Real Estate #00313940.000000), related to a canal restoration project (Canal #277).

---

**ITEM BACKGROUND:**

The applicant has requested a special permit to utilize the subject property for a temporary construction staging area. The staging area would facilitate a canal restoration/water quality improvement project being carried out by Monroe County.

If approved, the expected commencement date of the staging area is February 1, 2016 and shall expire February 1, 2017.

---

**PREVIOUS RELEVANT BOCC ACTION:**

At the December 10, 2014 meeting, the BOCC approved an ordinance establishing §6-3 of the Monroe County Code, which provides the approval process for temporary construction staging areas with a special permit granted by the BOCC. (Ordinance 018-2014)

**MONROE COUNTY, FLORIDA  
RESOLUTION NO. \_\_\_\_\_-2016**

**A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING A SPECIAL PERMIT ALLOWING A TEMPORARY CONSTRUCTION STAGING AREA FOR A CANAL RESTORATION/WATER QUALITY IMPROVEMENT PROJECT AT PROPERTY LEGALLY DESCRIBED AS BLOCK 8, LOT 10, TROPICAL BAY THIRD ADDITION (PLAT BOOK 5, PAGE 81), MONROE COUNTY, FLORIDA AND HAVING REAL ESTATE NUMBER 00313940.000000.**

**WHEREAS**, an application was filed for a special permit allowing a temporary construction staging area at property located on Killdeer Lane, Big Pine Key, approximate mile marker 31 (Florida Bay side of the Overseas Highway); and

**WHEREAS**, the property is legally described as Block 8, Lot 10, Tropical Bay Third Addition (Plat Book 5, Page 81), having real estate (RE) Number: 00313940.000000; and

**WHEREAS**, the Board of County Commissioners of Monroe County, Florida, desires to grant the special permit allowing a temporary construction staging area; and

**WHEREAS**, the temporary construction staging area would facilitate a canal restoration/water quality improvement project being carried out by Monroe County; and

**WHEREAS**, due notice has been carried out and a public hearing has been held in accordance with Monroe County Section 6-3; and

**WHEREAS**, at said public hearing, the Board considered the argument of all parties present wishing to speak on the matter; and

**WHEREAS**, the Board makes the following Findings of Fact and Conclusions of Law:

1. The temporary construction staging area is not inconsistent with any of the criterion provided in Monroe County Code §6-3;

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA**, that the preceding Findings of Fact and Conclusions of Law support its decision to approve the request for a special permit, subject to the following conditions:

1. The temporary construction staging area shall only be used in association with the canal restoration project for Canal #277 on Big Pine Key.
2. The expected commencement date of the temporary construction staging area is February 1, 2016. The termination date of the temporary construction staging area shall be no later than February 1, 2017.
3. Other than fencing, no temporary structure associated with the temporary construction staging area shall be located in any required setback.
4. Upon termination of the temporary construction staging area, the property shall be restored to its prior condition.

**AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS** of Monroe County, Florida, at a regular meeting held on the 20<sup>th</sup> of January, 2016.

## MEMORANDUM

### MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

To: The Monroe County Board of County Commissioners

Through: Christine Hurley, AICP, Assistant County Administrator  
Mayte Santamaria, Senior Director of Planning & Environmental Resources

From: Matthew Coyle, AICP, Principal Planner

Date: December 21, 2015

Subject: *A public hearing to consider approval of a special permit allowing a temporary construction staging area at property located at Killdeer Lane, Big Pine Key (Real Estate #00313940.000000), related to a canal restoration project (Canal #277)*

---

**Meeting: January 20, 2016**

---

1 I REQUEST:

2  
3 The applicant has requested a special permit to utilize the subject property for a temporary  
4 construction staging area. The staging area would facilitate a canal restoration project being  
5 carried out by Monroe County.

7  
8  
9 Subject Property (Aerial dated 2015)

1 **II BACKGROUND INFORMATION:**  
2

3 Location: Big Pine Key, mile marker 31 (Florida Bay side of US 1)  
4 Address: Killdeer Lane, Big Pine Key  
5 Legal Description: Block 8, Lot 10, Tropical Bay 3<sup>rd</sup> Addition (Plat Book 5, Page 81)  
6 Real Estate (RE) Numbers: 00313940.000000  
7 Property Owner/Applicant: Joseph & Evelyn Rambo  
8 Agent: Greg Corning, Amec Foster Wheeler  
9 Size of Site: 8,000 SF (0.18 acres) per Monroe County GIS  
10 Land Use District: Improved Subdivision – Masonry (IS-M)  
11 Future Land Use Map (FLUM) Designation: Residential Medium (RM)  
12 Tier Designation: Tier II  
13 Flood Zone: AE – EL 9  
14 Existing Use: Vacant  
15 Existing Vegetation/Habitat: Scarified with landscaping  
16 Community Character of Immediate Vicinity: Single family residential  
17

18 **III REVIEW OF APPLICATION:**  
19

20 The BOCC has the authority to approve temporary construction staging areas in accordance  
21 with MCC §6-3. A special permit may be granted by resolution by the BOCC to allow a  
22 property to be used as a construction staging area for an off-site project. The BOCC shall  
23 hold a public hearing on the request for a temporary construction staging area and shall issue  
24 a resolution granting, granting with conditions or denying the request. The resolution shall  
25 take effect on the date of enactment by the BOCC.  
26

27 *Applicability.* A temporary construction staging area for an off-site project is a permitted  
28 activity in any land use (zoning) district, provided it is approved by a special permit and  
29 meets the criteria set forth in MCC §6-3. This special permit shall approve the temporary  
30 construction staging area location and use and shall not override or substitute for any other  
31 provision of the Florida Building Code and Monroe County Code that require an additional  
32 type of building permit, certification or approval.  
33

34 *Criteria.* Approval of such a special permit shall be granted only if the following criteria are  
35 met:  
36

- 37 (1) The temporary construction staging area shall serve a project being carried out in the  
38 vicinity of the construction staging area: *In compliance.*  
39

40 The proposed staging area is adjacent to the canal (Canal #277) which is subject to the  
41 canal restoration project.  
42

- 43 (2) The temporary construction staging area shall serve a project being carried out by a  
44 governmental agency: *In compliance.*  
45

46 The canal restoration project is being carried out by Monroe County, Florida.

1 (3) The temporary construction staging area shall not be located in a tier I designated area: *In*  
2 *compliance*.

3  
4 The proposed staging area would be located on a property that is in a tier II designated  
5 area.  
6

7 (4) The property subject to the request shall be posted and surrounding property owners  
8 within 300 feet shall be notified in writing at least 15 days prior to the BOCC public  
9 hearing, with the notice located so it shall be easily visible from all public streets and  
10 public ways abutting the property: *Compliance to be determined prior to public hearing*.

11  
12 Planning & Environmental Resources Department staff shall carry out the notification as  
13 required.  
14

15 (5) Prior to establishment of the temporary construction staging area, a special building  
16 permit approving any associated temporary structure shall be issued in accordance with  
17 MCC §6-112: *In compliance*.

18  
19 The proposed staging area will not have any structure requiring a building permit.  
20

21 (6) No clearing or filling shall occur to accommodate the temporary construction staging  
22 area: *In compliance*.

23  
24 The proposed staging area would be located on a property that is predominately scarified.  
25 No clearing or filling shall occur to accommodate the staging area.  
26

27 (7) Other than fencing, no temporary structure associated with a temporary construction  
28 staging area shall be located in any required setback: *In compliance*.

29  
30 According to the plans submitted with the application, other than fencing, no structure or  
31 storage would be located in a required setback.  
32

33 (8) The temporary construction staging area shall be compatible with existing uses on  
34 surrounding properties, as determined by the BOCC. If necessary, prior to issuance of a  
35 special permit allowing the temporary construction staging area, the board may attach  
36 conditions to any special permit approval to a) avoid substantial harm to public health or  
37 safety; b) avoid substantial harm to, or impairment of the normal use of, a public place;  
38 and/or c) avoid substantial harm to the environment. Depending on the nature and  
39 anticipated duration of the use, as a condition of approval to the special permit, the board  
40 reserves the right to: a) Provide a deadline for termination of the construction staging  
41 area; b) Limit the hours of operation; c) Limit the type of equipment and materials on the  
42 site; d) Require fencing, landscaping and/or other screening to limit potential visual and  
43 noise impacts of the use on adjacent property owners; and e) Require surface water  
44 management improvements to the affected site: *In compliance*.  
45

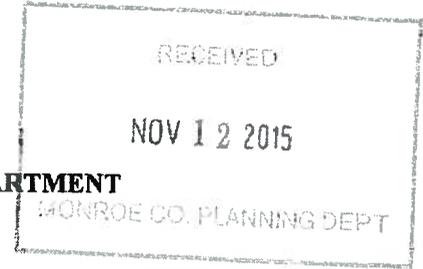

1 The BOCC reserves the right to attach such conditions to any special permit approval at  
2 the January 20, 2016 public hearing.  
3

4 (9) The property shall be restored to its prior condition: *Compliance to be determined upon*  
5 *termination of the staging area.*  
6

7 IV RECOMMENDATION:  
8

9 The Planning & Environmental Resources Department recommends approval.

APPLICATION  
MONROE COUNTY  
PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

Governmental Agency Involved in Project: Monroe County Sustainability Department

Please note that the temporary construction staging area may only serve a project being carried out by a governmental agency.

Land Use District Designation of Construction Staging Area Property: M1EC - End Canal

Tier Designation of Construction Staging Area Property: Tier 2 Transitional and Sprawl

Please note that a temporary construction staging area may not be located in a tier I designated area.

Present Land Use of Construction Staging Area Property: vacant lot

**All of the following must be submitted in order to have a complete application submittal:**

(Please check as you attach each required item to the application)

- Completed application form
- Proof of ownership (i.e. Warranty Deed)
- Current property record card(s) from the Monroe County Property Appraiser
- Photograph(s) of site from adjacent roadway
- Written description of project, including:
  - o The commencement and termination dates of the construction staging area;
  - o The hours of operation;
  - o The types of equipment and materials to be stored within the construction staging area;
  - o Any proposed fencing, landscaping and/or other screening; and
  - o Any proposed surface water management improvements
- Please note that no clearing or filling shall occur to accommodate the temporary construction staging area.
- Construction Management Plan, stating how impacts on near shore water and surrounding property will be managed (i.e. construction barriers, hay bales, flagging)
- Site Plan
- Typed name and address mailing labels of all property owners within a 300 foot radius of the property. This list should be compiled from the current tax rolls of the Monroe County Property Appraiser. In the event that a condominium development is within the 300 foot radius, each unit owner must be included
- Radius report from Monroe County Property Appraiser supporting the required labels

**If applicable, the following must be submitted in order to have a complete application submittal:**

- Notarized Agent Authorization
- Boundary Survey

APPLICATION

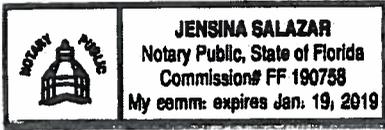

- Vegetation Survey
- Landscape Plan
- Stormwater/ Surface Water Management Plan

If deemed necessary to complete a full review of the application, the Planning & Environmental Resources Department reserves the right to request additional information.

**Culvert Installation - Canal #277 Tropical Bay Estates, Big Pine Key, FL  
 Vacant Lot 10 Corner of Watson Boulevard and Killdeer Lane  
 Rambo Property Proposed Staging Area**

**Description of Project:** This project is part of the Water Quality Improvement Program being funded by Monroe County for Canal Restoration Demonstrations. The Project includes the installation of a circular culvert across State Road 4a (Watson Blvd.) that will hydrologically connect two segments of Monroe County Canal #277. The purpose of the culvert is to partially restore the natural tidal flow into the back ends of canal system and increase the dissolved oxygen levels in the canal water. The top elevation of the culvert is at -3.5 NAVD88 which will remain submerged at low tide. The invert elevation will be -8.5 NAVD88. The culvert will be 60 inch circular concrete reinforced pipe that will extend 200 linear feet connecting the small finger canal located between Warbler and Killdeer Lanes under Watson Blvd to the main canal finger that runs parallel to Watson Blvd. Portions of the culvert will be placed on four different parcels all within Tropical Bay Estates MM 31 as follows:

| <b>RE #</b>     | <b>Alternate Key #</b> | <b>Block</b> | <b>Lot</b> | <b>Owner</b>                         | <b>Address</b>                |

**Commencement and Termination Dates of Construction Staging Area:** February 2016 through June 2016

**Hours of Operation:** 8 AM – 6 PM Monday through Friday

**Types of Equipment and Materials to be stored in Staging Area:**

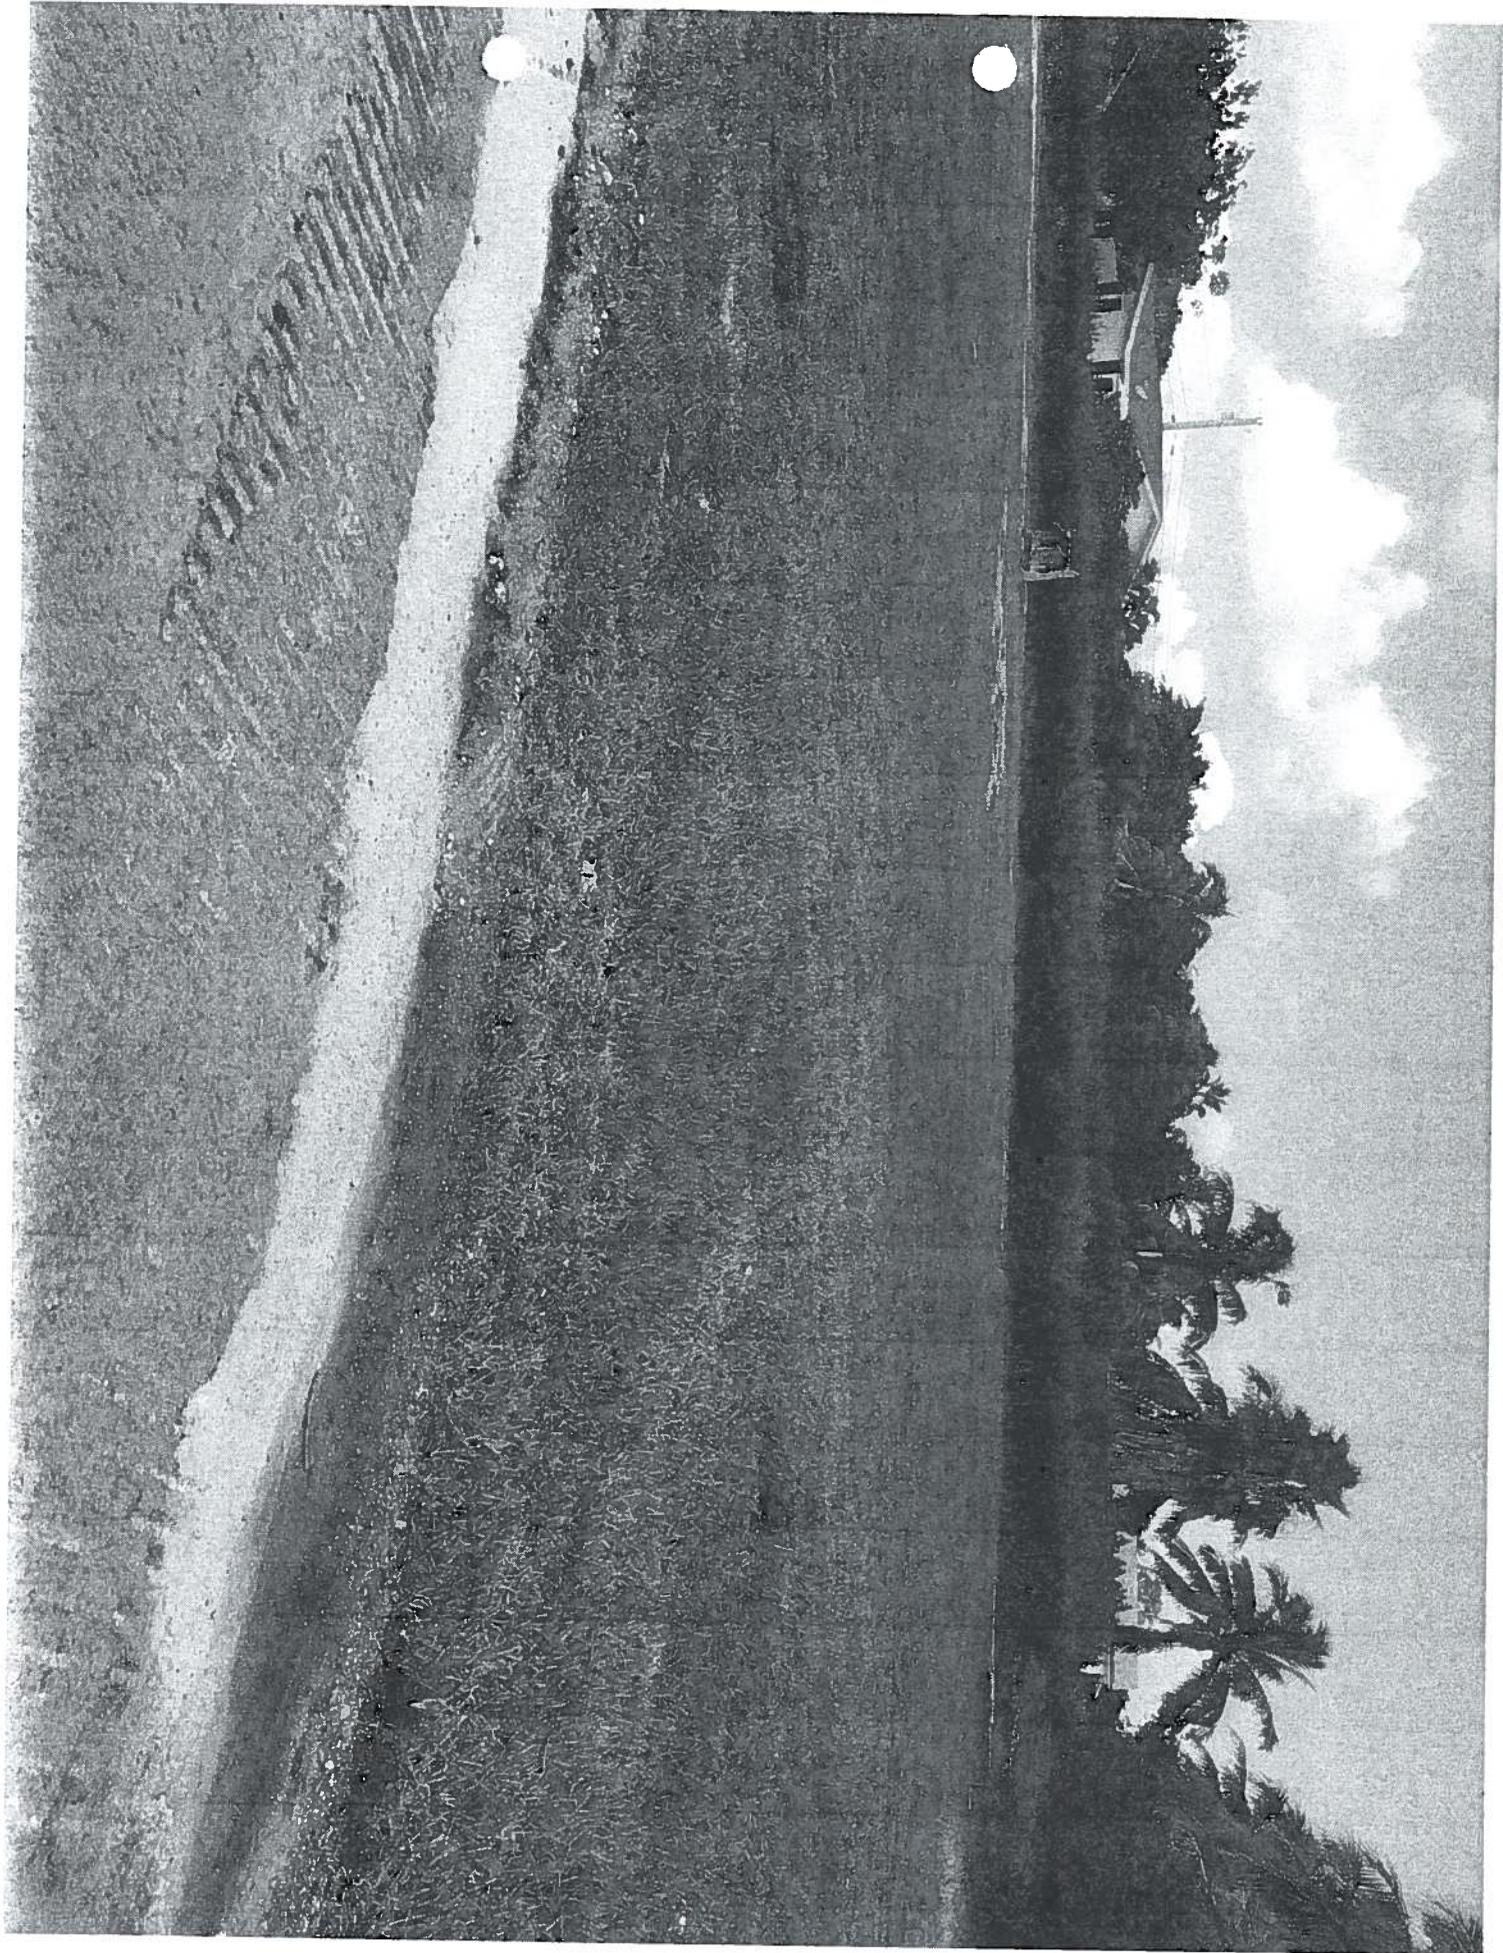

1. Concrete pipe
2. Backfill materials
3. Miscellaneous construction materials

Additionally, trucks and other equipment will need to enter the property to place and remove the materials but will not be stored on site.

**Proposed Fencing, Screening or Landscaping:** A temporary construction fence consisting of 6 foot high chain link fence with canvas privacy screening will be placed around the perimeter of the staging area.

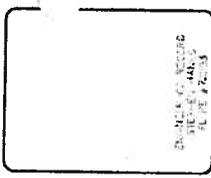

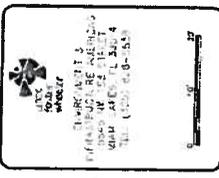

**Any Proposed Surface Water Management Improvements:** The Contractor will be required to implement best management practices within the staging area to control all storm water runoff. The Contractor will provide a final Erosion and Sediment Control plan based upon the Sediment and Erosion Control Plan presented on the Design Drawings. The final Erosion and Sediment Control plan will be sent to Monroe County and Engineer of Record for review/approval before commencement of construction activities.

**Current Vegetation:** The proposed staging area is currently sodded with Bahia grass. Other portions of the property outside the staging area are comprised of both trees and shrubs. This includes a managed hedge row along the canal comprised of buttonwoods, black mangroves, and red mangroves. There are currently six coconut palms growing near the edge of the property. In addition to the native species, a Brazilian pepper is currently growing beneath one of the 6 coconut palms. Use of the construction staging area will not impact any of the trees or shrubs.

**BOARD OF COUNTY COMMISSIONERS**  
**AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016  
Bulk Item: Yes  No

Department: Planning & Environmental Resources  
Staff Contact Person/Phone #: Mayté Santamaria 289-2562

---

**AGENDA ITEM WORDING:** A public hearing to consider a resolution transmitting to the State Land Planning Agency an ordinance by the Monroe County Board of County Commissioners amending the Future Land Use Element of the Monroe County Year 2010 Comprehensive Plan to create Policy 107.1.5 Key Largo Mixed Use Area 2, to Provide Limitations on Development and Specific Restrictions; to accompany a proposed amendment to the Future Land Use Map (FLUM) from Residential Low (RL) to Mixed Use/Commercial (MC), for property located at 97770 and 97702 Overseas Highway, MM98, Key Largo, described as parcels of land in section 6, township 62 south, range 39 east, Island of Key Largo, Monroe County, Florida having real estate numbers 00091000.000000 and 00091020.000000. **(Legislative Proceeding)**

---

**ITEM BACKGROUND:** The applicant, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing business as Bay Harbor Lodge, currently operates a hotel/motel business at 97770 and 97702 Overseas Highway in Key Largo. The subject property currently has a Future Land Use Map (FLUM) designation of Residential Low (RL) and a Land Use District (LUD) designation of Suburban Residential (SR). The current policies of the Comprehensive Plan do not allow a hotel/motel use within the RL FLUM category, and the current use is therefore considered nonconforming to the provisions of the current Comprehensive Plan. The applicant requested a change to the FLUM designation in order to eliminate the nonconformity.

On December 10, 2014, at a regularly scheduled meeting, the BOCC adopted Resolution #374-2014, transmitting to the state land planning agency an ordinance amending the FLUM for the subject property from RL to MC. Policy 101.4.20 (discouragement policy) of the Monroe County Year 2010 Comprehensive Plan, which became effective on November 20, 2012, applies to the proposed FLUM amendment and would require one of the following by the applicant prior to BOCC adoption of the proposed FLUM amendment:

- a. Donation of 4.4 acres of non-scarified land designated Tier I or Tier III-A SPA located within the Upper Keys Subarea; or
- b. Donation of 12 non-scarified IS Lots designated Tier I or Tier III-A located within the Upper Keys Subarea; or
- c. Donation of 12 IS lots designated Tier III for affordable housing within the Upper Keys Subarea.

The draft ordinance was transmitted to the Florida Department of Economic Opportunity (DEO), which reviewed the proposal and issued an Objections, Recommendations and Comments (ORC) report, received by the County on March 23, 2015. The ORC did not contain any objections to the proposed FLUM amendment for the subject parcels.

In response to the requirement to comply with Policy 101.4.20, the applicant is requesting the proposed text amendment creating a subarea policy for the subject parcels that would eliminate any increase in potential residential development associated with the proposed FLUM amendment and thereby eliminate the requirement to donate land.

---

**PREVIOUS RELEVANT BOCC ACTION:** Monroe County Resolution #127-2012, adopted by the BOCC on April 18, 2012, allows an applicant to apply for a LUD and/or FLUM designations that would eliminate the nonconforming use created with the adoption of the existing designations and not create an adverse effect on the community, provided the existing use existed lawfully in 1992 and 1997. This provision remains effective in the current Planning & Environmental Resources Department's fee schedule (Resolution #183-2013).

On September 21, 2012, the Monroe County BOCC adopted Ordinance 028-2012, creating Policy 101.4.20 discouraging private applications for future land use changes which increase allowable density/intensity. This amendment was found in-compliance by the State Land Planning Agency and became effective upon the issuance of DEO's Notice of Intent on November 20, 2012.

On December 10, 2014, the Monroe County BOCC adopted Resolution #374-2014, transmitting to the state land planning agency an ordinance amending the FLUM for the subject property from RL to MC.

**MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**

**RESOLUTION NO. - 2016**

**A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS TRANSMITTING TO THE STATE LAND PLANNING AGENCY AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY COMPREHENSIVE PLAN, CREATING POLICY 107.1.5 KEY LARGO MIXED USE AREA 2, TO PROVIDE LIMITATIONS ON DEVELOPMENT AND SPECIFIC RESTRICTIONS; TO ACCOMPANY A PROPOSED AMENDMENT TO THE FUTURE LAND USE MAP (FLUM) FROM RESIDENTIAL LOW (RL) TO MIXED USE/COMMERCIAL (MC); FOR PROPERTY LOCATED AT 97770 AND 97702 OVERSEAS HIGHWAY, KEY LARGO, MILE MARKER 98, DESCRIBED AS PARCELS OF LAND IN SECTION 6, TOWNSHIP 62 SOUTH, RANGE 39 EAST, ISLAND OF KEY LARGO, MONROE COUNTY, FLORIDA, HAVING REAL ESTATE NUMBERS 00091000.000000 AND 00091020.000000; AS PROPOSED BY SEE THE SEA OF KEY LARGO, INC. AND COCONUT BAY OF KEY LARGO, INC..**

-----

**WHEREAS**, the Monroe County Board of County Commissioners conducted a public hearing for the purpose of considering the transmittal pursuant to the State Coordinated Review Process in Sec. 163.3184(4), F.S., to the State Land Planning Agency for objections, recommendations and comments, and to the other Reviewing Agencies as defined in Sec. 163.3184(1)(c), F.S., for review and comment on a proposed amendment to the Monroe County Year 2010 Comprehensive Plan as described above; and

**WHEREAS**, the Monroe County Planning Commission and the Monroe County Board of County Commissioners support the transmittal of the requested text amendment creating a subarea policy for the subject parcels that would eliminate any increase in potential residential development associated with the proposed FLUM amendment and thereby eliminate the requirement to donate land.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:**

- Section 1:** The Board of County Commissioners does hereby adopt the recommendation of the Planning Commission to transmit the draft ordinance, attached as Exhibit A, for review of the proposed future land use map amendment.
- Section 2.** The Monroe County staff is given authority to prepare and submit the required transmittal letter and supporting documents for the proposed amendment in accordance with the requirements of Section 163.3184(4), Florida Statutes.
- Section 3.** The Clerk of the Board is hereby directed to forward a certified copy of this resolution to the Director of Planning.

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the \_\_\_\_ day of \_\_\_\_\_, 201\_\_.

MONROE COUNTY, FLORIDA  
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS  
ORDINANCE NO. -2016

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY COMPREHENSIVE PLAN, CREATING POLICY 107.1.5 KEY LARGO MIXED USE AREA 2, TO PROVIDE LIMITATIONS ON DEVELOPMENT AND SPECIFIC RESTRICTIONS; TO ACCOMPANY A PROPOSED AMENDMENT TO THE FUTURE LAND USE MAP (FLUM) FROM RESIDENTIAL LOW (RL) TO MIXED USE/COMMERCIAL (MC); FOR PROPERTY LOCATED AT 97770 AND 97702 OVERSEAS HIGHWAY, KEY LARGO, MILE MARKER 98, DESCRIBED AS PARCELS OF LAND IN SECTION 6, TOWNSHIP 62 SOUTH, RANGE 39 EAST, ISLAND OF KEY LARGO, MONROE COUNTY, FLORIDA, HAVING REAL ESTATE NUMBERS 00091000.000000 AND 00091020.000000; AS PROPOSED BY SEE THE SEA OF KEY LARGO, INC. AND COCONUT BAY OF KEY LARGO, INC.; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY AND THE SECRETARY OF STATE; PROVIDING FOR INCLUSION IN THE MONROE COUNTY COMPREHENSIVE PLAN; PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS**, on September 15, 2015, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing business as Bay Harbor Lodge, submitted an application requesting an amendment to the Monroe County Comprehensive Plan to create *Policy 107.1.5 Specific Limitations on Key Largo Mixed Use Area 2*; and

**WHEREAS**, the proposed text amendment accompanies a proposed amendment to the Future Land Use Map (FLUM) from Residential Low (RL) to Mixed Use/Commercial (MC) for 2 parcels located at 97770 and 97702 Overseas Highway, mile marker 98, Key Largo, having real estate numbers 00091000.000000 and 00091020.000000; and

**WHEREAS**, Policy 101.4.20 of the Monroe County Year 2010 Comprehensive Plan, which became effective on November 20, 2012, applies to the proposed FLUM amendment and would require one of the following by the applicant:

- 1 a. Donation of 4.4 acres of non-scarified land designated Tier I or Tier III-A SPA
- 2 located within the Upper Keys Subarea; or
- 3 b. Donation of 12 non-scarified IS Lots designated Tier I or Tier III-A located within the
- 4 Upper Keys Subarea; or
- 5 c. Donation of 12 IS lots designated Tier III for affordable housing within the Upper
- 6 Keys Subarea; and
- 7

8 **WHEREAS**, in response to the requirement to comply with Policy 101.4.20, the  
9 applicant is requesting the proposed text amendment creating a subarea policy for the subject  
10 parcels that would eliminate any increase in potential residential development associated with the  
11 proposed FLUM amendment and thereby eliminate the requirement to donate land; and  
12

13 **WHEREAS**, the Monroe County Development Review Committee considered the  
14 proposed text amendment at a regularly scheduled meeting held on the 16<sup>th</sup> day of November,  
15 2015; and  
16

17 **WHEREAS**, the Monroe County Planning Commission held a public hearing on the 16<sup>th</sup>  
18 day of December, 2015, for review and recommendation on the proposed text amendment; and  
19

20 **WHEREAS**, based upon the information and documentation submitted, the Planning  
21 Commission made the following Findings of Fact and Conclusions of Law:  
22

- 23 1. The proposed amendment is consistent with the Goals, Objectives and Policies of the
- 24 Monroe County Year 2010 Comprehensive Plan; and
- 25 2. The proposed amendment is consistent with the Principles for Guiding Development for
- 26 the Florida Keys Area of Critical State Concern, Section 380.0552(7), Florida Statute;
- 27 and
- 28 3. The proposed amendment is consistent with Part II of Chapter 163, Florida Statute.

29  
30 **WHEREAS**, the Monroe County Planning Commission adopted Resolution No. P 38-15  
31 recommending approval of the proposed amendment; and  
32

33 **WHEREAS**, at a regular meeting held on the 20<sup>th</sup> day of January, 2016, the Monroe  
34 County Board of County Commissioners held a public hearing to consider the transmittal of the  
35 proposed amendment, considered the staff report and provided for public comment and public  
36 participation in accordance with the requirements of state law and the procedures adopted for  
37 public participation in the planning process; and  
38

39 **WHEREAS**, at the \_\_\_\_\_, 2016, public hearing, the BOCC adopted  
40 Resolution \_\_\_\_-2016, transmitting the amendment to the State Land Planning Agency; and  
41

42 **WHEREAS**, the State Land Planning Agency reviewed the amendment and issued an  
43 Objections, Recommendations and Comments (ORC) report, received by the County on  
44 \_\_\_\_\_, 2016; and

1           **WHEREAS**, the ORC report stated \_\_\_\_\_; and

2  
3           **WHEREAS**, the ORC report recommended \_\_\_\_\_; and

4  
5           **WHEREAS**, normally, the County has 180 days from the date of receipt of the ORC to  
6 adopt the proposed amendment, adopt the amendment with changes or not adopt the amendment;  
7 and

8  
9           **WHEREAS**, at a regularly scheduled meeting on \_\_\_<sup>th</sup> day of \_\_\_\_\_, 2016, the  
10 BOCC held a public hearing to consider adoption of the proposed Comprehensive Plan text  
11 amendment.

12  
13 **NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY**  
14 **COMMISSIONERS OF MONROE COUNTY, FLORIDA:**

15  
16 **Section 1.**     The text of the Monroe County Year 2010 Comprehensive Plan is hereby  
17 amended as follows:

18  
19           **Policy 107.1.5 Specific Limitations on Key Largo Mixed Use Area 2**

20  
21           Development in the Key Largo Mixed Use Area 2 shall be subject to regulations  
22 applicable to the Mixed Use / Commercial (MC) Future Land Use Designation as well as  
23 the additional restriction set out below:

24  
25           Consistent with Policy 101.4.20, in order to implement the Florida Keys Carrying  
26 Capacity Study, maintain the overall County density and the preservation of native  
27 habitat, this site/property shall not increase its allocated density and allowable  
28 development potential for permanent residential units. The following development  
29 controls shall apply:

30  
31           1. The allocated density for permanent residential uses on the site shall remain 0.50  
32 dwelling units per acre.

33  
34           The Key Largo Mixed Use Area 2, having Real Estate Numbers 00091000.000000 and  
35 00091020.000000, is approximately 2.28 acres of land and is legally described as:

36  
37           A tract of land 48.9 feet wide, and part of Lot 10 according to George McDonald’s Plat  
38 of part of Section 5, Township 62, Range 39, on Key Largo as recorded in Plat Book 1, at  
39 Page 59 of the Public Records of Monroe County, Florida, more particularly described as  
40 follows;

41  
42           From the dividing line between Lots 10 and 11, according to said Plat Book 1, Page 59,  
43 run Southwesterly along the Northwesterly right of way line of State Road 5 (Overseas  
44 Highway) a distance of 515 feet to the Point of Beginning of the tract hereafter described,  
45 thence Northwesterly at right angles to said Northwesterly right of way line a distance of

1 487.7 feet, more or less to the shore of Florida Bay, thence along the shore of Florida Bay  
2 in the Northeasterly right of way line, distance of 48.9 feet to the point of beginning, and  
3

4 A tract of land 95 feet wide and part of Lot 10 according to George McDonald’s Plat of  
5 part of Section 5, Township 62, Range 39, on Key Largo as recorded in Plat Book 1, at  
6 Page 59 of the Public Records of Monroe County, Florida, more particularly described as  
7 follows:  
8

9 From the dividing line between Lots 10 and 11, according to said Plat Book 1, Page 59,  
10 run Southwesterly along the Northwesterly right of way line of State Road 5 (Overseas  
11 Highway) a distance of 515 feet to the Point of Beginning of the tract hereafter described,  
12 thence continue Southwesterly along the Northwesterly right of way line of State Road  
13 No. 5, a distance of 95 feet, thence northwesterly at right angles 695.1 feet, thence  
14 Northeasterly along a bulkhead line to a point 687.7 feet North of the Point of Beginning,  
15 thence Southeasterly 687.7 feet to the Pont of Beginning.  
16

17  
18 **Section 2.** **Severability.** If any section, subsection, sentence, clause, item, change, or  
19 provision of this ordinance is held invalid, the remainder of this ordinance shall  
20 not be affected by such validity.  
21

22 **Section 3.** **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in  
23 conflict with this ordinance are hereby repealed to the extent of said conflict.  
24

25 **Section 4.** **Transmittal.** This ordinance shall be transmitted by the Director of Planning to  
26 the State Land Planning Agency pursuant to Chapter 163 and 380, Florida  
27 Statutes.  
28

29 **Section 5.** **Filing and Effective Date.** This ordinance shall be filed in the Office of the  
30 Secretary of the State of Florida but shall not become effective until a notice is  
31 issued by the State Land Planning Agency or Administration Commission finding  
32 the amendment in compliance with Chapter 163, Florida Statutes and after any  
33 applicable challenges have been resolved.  
34

35 **Section 6.** **Inclusion in the Comprehensive Plan.** The text amendment shall be  
36 incorporated in the Monroe County Comprehensive Plan. The numbering of the  
37 foregoing amendment may be renumbered to conform to the numbering in the  
38 Monroe County Comprehensive Plan.

**MEMORANDUM**  
**MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT**  
*We strive to be caring, professional and fair*

**To:** Monroe County Board of County Commissioners

**From:** Mayté Santamaria, Senior Director of Planning & Environmental Resources  
Emily Schemper, Comprehensive Planning Manager

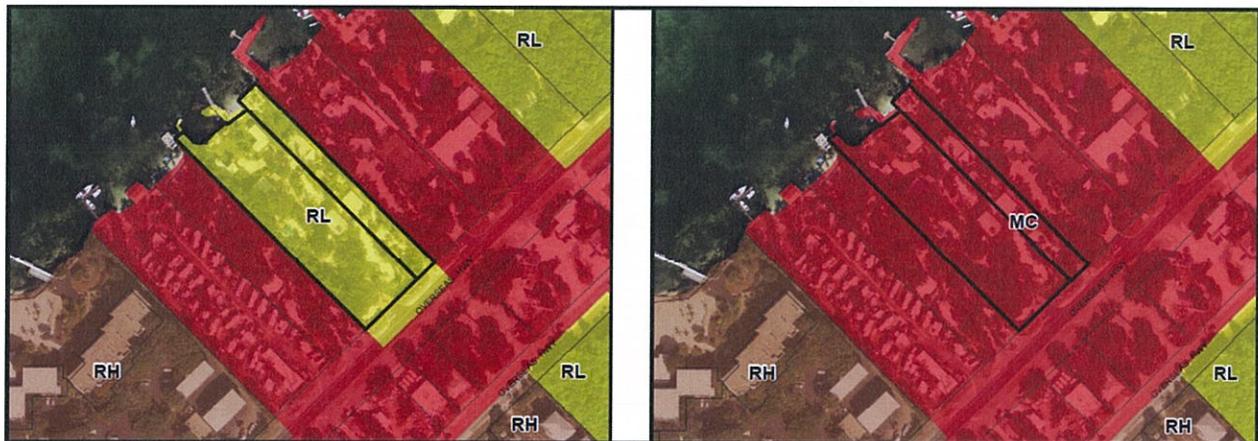

**Date:** December 28, 2015

**Subject:** An ordinance by the Monroe County Board of County Commissioners amending the Monroe County Comprehensive Plan to create Policy 107.1.5, Specific Limitations on Key Largo Mixed Use Area 2, as requested by See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., to accompany a proposed amendment to the Future Land Use Map (FLUM) of the Monroe County Year 2010 Comprehensive Plan from Residential Low (RL) to Mixed Use/Commercial (MC) for 2 parcels located at 97770 and 97702 Overseas Highway, mile marker 98, Key Largo. (File #2015-170)

**Meeting:** January 20, 2016

**I. REQUEST**

On September 15, 2015, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing business as Bay Harbor Lodge, submitted an application requesting an amendment to the Monroe County Comprehensive Plan to create **Policy 107.1.5 Specific Limitations on Key Largo Mixed Use Area 2**. The proposed text amendment accompanies a proposed amendment to the Future Land Use Map (FLUM) from Residential Low (RL) to Mixed Use/Commercial (MC) for 2 parcels located at 97770 and 97702 Overseas Highway, mile marker 98, Key Largo, having real estate numbers 00091000.000000 and 00091020.000000.

Existing FLUM Designation

Proposed FLUM Designation

1 **II. BACKGROUND INFORMATION**

2  
3 **Site Information**

4 **Location:** MM 98, Key Largo, Bayside

5 **Address:** 97770 and 97702 Overseas Highway

6 **Description:** Part of Lot 10, PB1-59, Section 6, Township 62 South, Range 39 East; Island of  
7 Key Largo

8 **Real Estate Numbers:** 00091000.000000 and 00091020.000000

9 **Owner/Applicant:** See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing  
10 business as Bay Harbor Lodge

11 **Size of Site:** 2.2 acres

12 **FLUM Designation:** Residential Low (RL)

13 **Land Use District:** Suburban Residential (SR)

14 **Tier Designation:** III

15 **Flood Zones:** X; AE (EL 9); AE (EL 10); VE (13)

16 **Existing Use:** Hotel/Motel

17 **Existing Vegetation/Habitat:** Developed land

18 **Community Character of Immediate Vicinity:** Adjacent land uses include resort and  
19 commercial uses. North: Kona Kai Resort; South: Seafarer Resort; East: Harmony Healing  
20 Chiropractor, Conch Republic Woodworks; West: Florida Bay

21  
22 The subject property currently has a Land Use District (LUD) designation of Suburban Residential  
23 (SR) and a Future Land Use Map (FLUM) designation of Residential Low (RL). The property was  
24 partially within a BU-2 district (Medium Business) and partially within an RU-3 district (Multiple  
25 Family Residential) prior to September 15, 1986, when it was re-designated as SR (the final  
26 adoption of the LUD map was in 1992). With the adoption of the Comprehensive Plan's FLUM in  
27 1997, the subject parcels were given their current FLUM designation of RL.

28  
29 The subject property is currently developed with a motel/hotel. According to the Monroe County  
30 Property Appraiser's records, the portion of the subject property assessed as RE #00091020.000000  
31 is currently developed with five buildings, with year built dates of 1968, 1971, 1983, 1954 and 1968.  
32 The portion of the subject property assessed as RE #00091000.000000 is currently developed with  
33 three buildings, with year built dates of 1967, 1967 and 1967.

34  
35 **Lawful Nonconformity**

36 Although the SR LUD may permit a hotel of up to 11 rooms, the RL FLUM designation does not  
37 allow hotels. Monroe County Comprehensive Plan (MCCP) Policy 101.4.2 states that, "the principal  
38 purpose of the Residential Low land use category is to provide for low-density residential  
39 development in partially developed areas with substantial native vegetation," and does not refer to  
40 hotels or other transient residential uses. Further, MCCP Policy 101.4.22 states that, for the RL  
41 FLUM category, the allocated density for transient residential uses is 0 rooms/spaces and the  
42 maximum net density for transient residential uses is N/A.

43  
44 The existing hotel use is therefore not consistent with the RL FLUM category, as it does not conform  
45 to its purpose or density and intensity standards. As such, it is considered a nonconforming use to the  
46 provisions of the MCCP.

1 On December 23, 2013, Monroe County Planning staff issued a Letter of Understanding (LOU)  
2 concerning the property (File #2013-110; Exhibit 1). As detailed in the LOU, staff found that there is  
3 satisfactory evidence indicating that a motel/hotel existed on the property on and prior to September  
4 15, 1986, and is considered a lawfully established nonconforming use. The hotel may therefore  
5 continue to exist per the nonconforming use policies and regulations provided under M CCP  
6 Objective 101.8 and Section 102-56 of the Monroe County Code (MCC).  
7

8 It should be noted that although staff determined the existing hotel use was lawfully established, the  
9 LOU did not recognize or otherwise support the total number of hotel/motel rooms (21) existing on  
10 the site as lawfully established, and the letter did not address the single permanent dwelling unit  
11 listed by the applicant as existing development on the site. The proposed map amendment and  
12 subarea policy and any associated documents shall not be used as evidence of the specific number of  
13 hotel rooms or other dwelling units lawfully established. In order to receive a determination  
14 regarding the lawfully established number of hotel/motel rooms and/or other dwelling units on the  
15 subject property, the property owner must apply for a Letter of Development Rights Determination.  
16

17 **Livable CommuniKeys Plan**

18 Comprehensive Plan Policy 101.20.1 states: “Monroe County shall develop a series of Community  
19 Master Plans.” These “CommuniKeys Plans” implement a vision that was developed by the local  
20 community.  
21

22 In 2006, the BOCC adopted Policy 101.20.2(5) which incorporated the Key Largo Livable  
23 CommuniKeys Master Plan into the Monroe County 2010 Comprehensive Plan. Action Item 1.3.2  
24 within the Key Largo Livable CommuniKeys Master Plan states: “Revise the FLUM and Land Use  
25 District Maps to resolve nonconformities in the planning area where appropriate.” The proposed  
26 FLUM amendment and associated LUD map amendment implement this Action Item of the adopted  
27 Key Largo Livable CommuniKeys Master Plan.  
28

29 **Future Land Use Map and Land Use District Map Amendment Requests**

30 On June 16, 2014, the applicant submitted applications requesting to amend the FLUM designation  
31 of the subject parcels from RL to Mixed Use Commercial (MC) (see Exhibit 2), and the LUD map  
32 designation of the subject parcels from SR to Suburban Commercial (SC). The proposed FLUM and  
33 LUD map amendments would eliminate the hotel’s nonconforming use status, as the MC and SC  
34 categories permit hotel uses.  
35

36 The Monroe County Development Review Committee (DRC) reviewed the proposed FLUM and  
37 LUD map amendments at its regularly scheduled meeting on September 23, 2014.  
38

39 The Monroe County Planning Commission held public hearings for review of the proposed FLUM  
40 and LUD map amendments on October 29, 2014, and recommended approval of the map  
41 amendments, as memorialized through Resolutions P34-14 and P35-14.  
42

43 On December 10, 2014, at a regularly scheduled meeting, the BOCC adopted Resolution #374-2014,  
44 transmitting to the state land planning agency an ordinance amending the FLUM for the subject  
45 property from RL to MC (see Exhibit 3).

The draft ordinance was transmitted to the Florida Department of Economic Opportunity (DEO), which reviewed the proposal and issued an Objections, Recommendations and Comments (ORC) report, received by the County on March 23, 2015. The ORC did not contain any objections to the proposed FLUM amendment for the subject parcels.

Normally, the County has 180 days from the date of receipt of the ORC to adopt the FLUM amendment, adopt the FLUM amendment with changes or not adopt the FLUM amendment. The 180 day deadline for action by the County would have been September 19, 2015; however, the County requested an extension to this deadline from DEO (as requested by the applicant). The new deadline for County action is March 15, 2016.

**Maximum Allocated Density and Intensity by Future Land Use Map Designation**

| Existing FLUM                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Type                                | Adopted Standards | Development potential based upon density |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <b>Transient: +33 rooms/spaces*</b> |                   |                                          |
|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <b>Nonresidential: +19,166 sf</b>   |                   |                                          |
| *Monroe County currently does not award ROGO allocations for the development of NEW transient residential units (e.g., hotel & motel rooms), pursuant to MCCP Policy 101.2.6. For the development of transient units in unincorporated Monroe County, existing transient units must be transferred from the same ROGO subarea to a parcel designated as Tier III, or Tier III-A which does not propose the clearing of any portion of an upland native habitat patch of one acre or greater in area. |                                     |                   |                                          |

The above table provides an approximation of the development potential for residential, transient and commercial development for the associated proposed FLUM amendment. Section 130-156(b) of the Land Development Code states: “The density and intensity provisions set out in this section are intended to be applied cumulatively so that no development shall exceed the total density limits of

1 this article. For example, if a development includes both residential and commercial development,  
2 the total gross amount of development shall not exceed the cumulated permitted intensity of the  
3 parcel proposed for development.”  
4

5 As shown in the table, the associated proposed FLUM amendment would result in a maximum  
6 increase in residential development potential of 12 dwelling units. The maximum increase in  
7 nonresidential development potential would be 19,166 square feet.  
8

### 9 **Compliance with Comprehensive Plan Policy 101.4.20**

10 Policy 101.4.20 (discouragement policy) of the Comprehensive Plan was adopted by the BOCC on  
11 September 21, 2012, with an effective date of November 20, 2012, and applies to this application.  
12 Private applications which propose increases in allocated density must comply with the Policy  
13 requirements. Based on the density/intensity analysis, and in order to mitigate for the impacts of  
14 approval, one of the following options needs to be addressed prior to adoption of the proposed  
15 FLUM amendment by the BOCC:

- 16 a. Donation of 4.4 acres of non-scarified land designated Tier I or Tier III-A SPA located  
17 within the Upper Keys Subarea;
- 18 b. Donation of 12 non-scarified IS Lots designated Tier I or Tier III-A located within the Upper  
19 Keys Subarea; or
- 20 c. Donation of 12 IS lots designated Tier III for affordable housing within the Upper Keys  
21 Subarea.

22  
23 *Both the Planning Commission and the BOCC have recommended amending Policy 101.4.20 to clarify that*  
24 *only FLUM amendments which increase residential allocated density would be subject to the mitigation*  
25 *requirements, eliminating mitigation requirements for increases in nonresidential intensity. This amendment*  
26 *was transmitted with the Comprehensive Plan update in January, 2015 (see Resolution 026-2015, Exhibit 4)*  
27 *and DEO had no objections regarding the proposed changes to Policy 101.4.20. Adoption is anticipated in*  
28 *March or April of 2016. Note, even with the proposed amendment becoming effective, the applicant would*  
29 *still need to address the proposed increases in residential allocated density (+12 units).*  
30

31 In response to the requirement to comply with Policy 101.4.20, as discussed above, on September  
32 15, 2015, the applicant submitted an application for a text amendment to the Comprehensive Plan  
33 creating a subarea policy for the subject parcels that would eliminate any increase in potential  
34 residential development associated with the proposed FLUM amendment.  
35

36 On November 16, 2015, at its regularly scheduled meeting, the Monroe County Development  
37 Review Committee reviewed the proposed FLUM amendment and the Chair recommended  
38 approval.  
39

### 40 **III. PROPOSED COMPREHENSIVE PLAN TEXT AMENDMENT**

41  
42 Based review and discussions with staff regarding the applicant’s proposed subarea policy, the  
43 applicant has agreed to the following language as the proposed subarea policy text amendment:  
44  
45  
46  
47

**Policy 107.1.5 Specific Limitations on Key Largo Mixed Use Area 2**

Development in the Key Largo Mixed Use Area 2 shall be subject to regulations applicable to the Mixed Use / Commercial (MC) Future Land Use Designation as well as the additional restriction set out below:

Consistent with Policy 101.4.20, in order to implement the Florida Keys Carrying Capacity Study, maintain the overall County density and the preservation of native habitat, this site/property shall not increase its allocated density and allowable development potential for permanent residential units. The following development controls shall apply:

- 1. The allocated density for permanent residential uses on the site shall remain 0.50 dwelling units per acre.

The Key Largo Mixed Use Area 2, having Real Estate Numbers 00091000.000000 and 00091020.000000, is approximately 2.28 acres of land and is legally described as:

A tract of land 48.9 feet wide, and part of Lot 10 according to George McDonald’s Plat of part of Section 5, Township 62, Range 39, on Key Largo as recorded in Plat Book 1, at Page 59 of the Public Records of Monroe County, Florida, more particularly described as follows;

From the dividing line between Lots 10 and 11, according to said Plat Book 1, Page 59, run Southwesterly along the Northwesterly right of way line of State Road 5 (Overseas Highway) a distance of 515 feet to the Point of Beginning of the tract hereafter described, thence Northwesterly at right angles to said Northwesterly right of way line a distance of 487.7 feet, more or less to the shore of Florida Bay, thence along the shore of Florida Bay in the Northeasterly right of way line, distance of 48.9 feet to the point of beginning, and

A tract of land 95 feet wide and part of Lot 10 according to George McDonald’s Plat of part of Section 5, Township 62, Range 39, on Key Largo as recorded in Plat Book 1, at Page 59 of the Public Records of Monroe County, Florida, more particularly described as follows;

From the dividing line between Lots 10 and 11, according to said Plat Book 1, Page 59, run Southwesterly along the Northwesterly right of way line of State Road 5 (Overseas Highway) a distance of 515 feet to the Point of Beginning of the tract hereafter described, thence continue Southwesterly along the Northwesterly right of way line of State Road No. 5, a distance of 95 feet, thence northwesterly at right angles 695.1 feet, thence Northeasterly along a bulkhead line to a point 687.7 feet North of the Point of Beginning, thence Southeasterly 687.7 feet to the Pont of Beginning.

| See table – sub area policy maintains residential density of property (no increase). | Future Land Use Densities and Intensities                                      |                                                 |                                                               |                                           |

1 **IV. CONSISTENCY WITH THE MONROE COUNTY YEAR 2010 COMPREHENSIVE PLAN,**  
2 **THE KEY LARGO COMMUNIKEYS PLAN, THE FLORIDA STATUTES, AND PRINCIPLES**  
3 **FOR GUIDING DEVELOPMENT**  
4

5 **A. The proposed amendment is consistent with the following Goals, Objectives and Policies of**  
6 **the Monroe County Year 2010 Comprehensive Plan (Note: compliance with Policy 101.4.20**  
7 **must be established prior to BOCC adoption of the proposed FLUM amendment). Specifically,**  
8 **it furthers:**  
9

10 **Goal 101:** Monroe County shall manage future growth to enhance the quality of life, ensure the  
11 safety of County residents and visitors, and protect valuable natural resources.  
12

13 **Objective 101.4:** Monroe County shall regulate future development and redevelopment to maintain  
14 the character of the community and protect the natural resources by providing for the compatible  
15 distribution of land uses consistent with the designations shown on the Future Land Use Map.  
16

17 **Policy 101.4.5:** The principal purpose of the Mixed Use/ Commercial land use category is to provide  
18 for the establishment of commercial zoning districts where various types of commercial retail and  
19 office may be permitted at intensities which are consistent with the community character and the  
20 natural environment.  
21

22 **Policy 101.4.20:** In order to implement the Florida Keys Carrying Capacity Study, Monroe County  
23 shall promote the reduction in overall County density and intensity and the preservation of Monroe  
24 County's native habitat by enacting legislation which implements the following policy statements for  
25 private applications for future land use map amendments which increase allowable density and/or  
26 intensity. Private application(s) means those applications from private entities with ownership of the  
27 upland development and parcel(s) of land or includes private upland development on County-owned  
28 land.  
29

30 Private applications requesting future land use map designation amendments received after the  
31 effective date of this ordinance, which propose increases in allocated density and intensity shall be  
32 required to comply with either option (1) or (2) below:  
33

34 (1) For every acre of land, and/or fractions thereof, where there is a request to increase density  
35 and/or intensity, a private applicant shall purchase and donate land that is a minimum of twice the  
36 size of the parcel subject to the proposed request, which contains non-scarified native upland habitat  
37 and/or undisturbed wetland habitat to Monroe County for conservation. The following requirements  
38 apply:  
39

- 40 • The donated land shall be designated as Tier I, Tier II or Tier III-A Special Protection Area  
41 and be located on Big Pine Key/No Name Key or be within the same sub-area of  
42 unincorporated Monroe County as the proposed increase in density and/or intensity.
- 43 • The land shall be inspected by the Monroe County Biologist to assure it is acceptable for  
44 acquisition and donation.
- 45 • A restrictive covenant shall be recorded to extinguish the development rights on the donated  
46 land.
- The Future Land Use Map Designation for the donated land may be designated by the  
County as Conservation (C).

1  
2 (2) For each requested additional unit of density, a private applicant shall purchase and donate a lot  
3 designated as Improved Subdivision (IS) district on the Land Use (Zoning) District map which  
4 contain non-scarified native upland habitat and/or undisturbed wetland habitat to Monroe County.  
5 The following requirements apply:

- 6 • Private applicants shall provide IS lots pursuant to a 1:1 (1 unit: 1 lot) ratio to mitigate the  
7 request for increased allowable density, pursuant to option (a) or (b) below:  
8

9 (a) The donated IS lot(s) shall be designated as Tier I, Tier II or Tier III-A Special Protection Area  
10 and be located on Big Pine Key/No Name Key or be within the same sub-area of unincorporated  
11 Monroe County as the proposed increase in density.

- 12 • The IS lot(s) shall be inspected by the Monroe County Biologist to assure it is acceptable for  
13 acquisition and donation.
- 14 • A restrictive covenant shall be recorded to extinguish the development rights on the donated  
15 land.
- 16 • The Future Land Use Map Designation for the donated land may be designated by the  
17 County as Conservation (C).

18 (b) The donated IS lot(s) shall be designated as Tier III, suitable for affordable housing and must be  
19 within the same sub-area of unincorporated Monroe County as the proposed increase in density.

- 20 • The IS lot(s) shall be dedicated to Monroe County for affordable housing projects.  
21

22 For options (1) and (2) described above, the parcel which is the subject of the request to increase its  
23 density and intensity must be designated as Tier III and have existing public facilities and services  
24 and available central wastewater facilities.  
25

26 **Objective 101.8:** Monroe County shall eliminate or reduce the frequency of uses which are  
27 inconsistent with the applicable provisions of the land development regulations and the Future Land  
28 Use Map, and structures which are inconsistent with applicable codes and land development  
29 regulations.  
30

31 **Objective 101.11:** Monroe County shall implement measures to direct future growth away from  
32 environmentally sensitive land and towards established development areas served by existing public  
33 facilities.  
34

35 **Objective 101.20:** Monroe County shall address local community needs while balancing the needs of  
36 all Monroe County communities. These efforts shall focus on the human crafted environment and  
37 shall be undertaken through the Livable CommuniKeys Planning Program.  
38

39 **Policy 101.20.2:** The Community Master Plans shall be incorporated into the 2010 Comprehensive  
40 Plan as a part of the plan and be implemented as part of the Comprehensive Plan. The following  
41 Community Master Plans have been completed in accordance with the principles outlined in this  
42 section and adopted by the Board of County Commissioners:  
43

- 44 5. The Key Largo Livable CommuniKeys Master Plan is incorporated by reference into the 2010  
45 Comprehensive Plan. The term Strategies in the Master Plan is equivalent to the term Objectives

1 in the Comprehensive Plan and the term Action Item is equivalent to the term Policy; the  
2 meanings and requirements for implementation are synonymous.  
3

4 **B. The proposed amendment is consistent with the following Key Largo Livable  
5 CommuniKeys Plan Action Item:**  
6

7 **Action Item 1.3.2:** Revise the FLUM and Land Use District Maps to resolve nonconformities in the  
8 planning area where appropriate.  
9

10 **C. The proposed amendment is consistent with the Principles for Guiding Development for the  
11 Florida Keys Area, Section 380.0552(7), Florida Statutes.**  
12

13 For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with  
14 the principles for guiding development and any amendments to the principles, the principles shall be  
15 construed as a whole and no specific provision shall be construed or applied in isolation from the  
16 other provisions.  
17

18 (a) Strengthening local government capabilities for managing land use and development so that local  
19 government is able to achieve these objectives without continuing the area of critical state concern  
20 designation.

21 (b) Protecting shoreline and marine resources, including mangroves, coral reef formations, seagrass  
22 beds, wetlands, fish and wildlife, and their habitat.

23 (c) Protecting upland resources, tropical biological communities, freshwater wetlands, native  
24 tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches,  
25 wildlife, and their habitat.

26 (d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic  
27 development.

28 (e) Limiting the adverse impacts of development on the quality of water throughout the Florida  
29 Keys.

30 (f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment,  
31 and ensuring that development is compatible with the unique historic character of the Florida Keys.

32 (g) Protecting the historical heritage of the Florida Keys.

33 (h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed  
34 major public investments, including:

- 35 1. The Florida Keys Aqueduct and water supply facilities;
- 36 2. Sewage collection, treatment, and disposal facilities;
- 37 3. Solid waste treatment, collection, and disposal facilities;
- 38 4. Key West Naval Air Station and other military facilities;
- 39 5. Transportation facilities;
- 40 6. Federal parks, wildlife refuges, and marine sanctuaries;
- 41 7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
- 42 8. City electric service and the Florida Keys Electric Co-op; and
- 43 9. Other utilities, as appropriate.

1  
2 (i) Protecting and improving water quality by providing for the construction, operation,  
3 maintenance, and replacement of stormwater management facilities; central sewage collection;  
4 treatment and disposal facilities; and the installation and proper operation and maintenance of onsite  
5 sewage treatment and disposal systems.

6 (j) Ensuring the improvement of nearshore water quality by requiring the construction and operation  
7 of wastewater management facilities that meet the requirements of ss. 381.0065(4)(1) and  
8 403.086(10), as applicable, and by directing growth to areas served by central wastewater treatment  
9 facilities through permit allocation systems.

10 (k) Limiting the adverse impacts of public investments on the environmental resources of the Florida  
11 Keys.

12 (l) Making available adequate affordable housing for all sectors of the population of the Florida  
13 Keys.

14 (m) Providing adequate alternatives for the protection of public safety and welfare in the event of a  
15 natural or manmade disaster and for a postdisaster reconstruction plan.

16 (n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and  
17 maintaining the Florida Keys as a unique Florida resource.

18  
19 Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is consistent with the  
20 Principles for Guiding Development as a whole and is not inconsistent with any Principle.

21  
22 **D. The proposed amendment is consistent with Part II of Chapter 163, Florida Statutes (F.S.).**  
23 **Specifically, the amendment furthers:**

24  
25 163.3161(4), F.S. – It is the intent of this act that local governments have the ability to preserve and  
26 enhance present advantages; encourage the most appropriate use of land, water, and resources,  
27 consistent with the public interest; overcome present handicaps; and deal effectively with future  
28 problems that may result from the use and development of land within their jurisdictions. Through  
29 the process of comprehensive planning, it is intended that units of local government can preserve,  
30 promote, protect, and improve the public health, safety, comfort, good order, appearance,  
31 convenience, law enforcement and fire prevention, and general welfare; facilitate the adequate and  
32 efficient provision of transportation, water, sewerage, schools, parks, recreational facilities, housing,  
33 and other requirements and services; and conserve, develop, utilize, and protect natural resources  
34 within their jurisdictions

35  
36 163.3161(6), F.S. - It is the intent of this act that adopted comprehensive plans shall have the legal  
37 status set out in this act and that no public or private development shall be permitted except in  
38 conformity with comprehensive plans, or elements or portions thereof, prepared and adopted in  
39 conformity with this act.

40  
41 163.3177(1), F.S. - The comprehensive plan shall provide the principles, guidelines, standards, and  
42 strategies for the orderly and balanced future economic, social, physical, environmental, and fiscal  
43 development of the area that reflects community commitments to implement the plan and its  
44 elements. These principles and strategies shall guide future decisions in a consistent manner and  
45 shall contain programs and activities to ensure comprehensive plans are implemented. The sections

1 of the comprehensive plan containing the principles and strategies, generally provided as goals,  
2 objectives, and policies, shall describe how the local government's programs, activities, and land  
3 development regulations will be initiated, modified, or continued to implement the comprehensive  
4 plan in a consistent manner. It is not the intent of this part to require the inclusion of implementing  
5 regulations in the comprehensive plan but rather to require identification of those programs,  
6 activities, and land development regulations that will be part of the strategy for implementing the  
7 comprehensive plan and the principles that describe how the programs, activities, and land  
8 development regulations will be carried out. The plan shall establish meaningful and predictable  
9 standards for the use and development of land and provide meaningful guidelines for the content of  
10 more detailed land development and use regulations.

11  
12 163.3201, F.S. – It is the intent of this act that adopted comprehensive plans or elements thereof  
13 shall be implemented, in part, by the adoption and enforcement of appropriate local regulations on  
14 the development of lands and waters within an area. It is the intent of this act that the adoption and  
15 enforcement by a governing body of regulations for the development of land or the adoption and  
16 enforcement by a governing body of a land development code for an area shall be based on, be  
17 related to, and be a means of implementation for an adopted comprehensive plan as required by this  
18 act.

## 20 **V. PROCESS**

21  
22 Comprehensive Plan Amendments may be proposed by the BOCC, the Planning Commission, the  
23 Director of Planning, or the owner or other person having a contractual interest in property to be  
24 affected by a proposed amendment. The Director of Planning shall review and process applications  
25 as they are received and pass them onto the Development Review Committee and the Planning  
26 Commission.

27  
28 The Planning Commission shall hold at least one public hearing. The Planning Commission shall  
29 review the application, the reports and recommendations of the Department of Planning &  
30 Environmental Resources and the Development Review Committee, and the testimony given at the  
31 public hearing. The Planning Commission shall submit its recommendations and findings to the  
32 BOCC. The BOCC holds a public hearing to consider the transmittal of the proposed comprehensive  
33 plan amendment, and considers the staff report, staff recommendation, and the testimony given at  
34 the public hearing. The BOCC may or may not recommend transmittal to the State Land Planning  
35 Agency. If the amendment is transmitted to State Land Planning Agency, they review the proposal  
36 and issue an Objections, Recommendations and Comments (ORC) Report. Upon receipt of the ORC  
37 report, the County has 180 days to adopt the amendment, adopt the amendment with changes or not  
38 adopt the amendment.

## 40 **VI. STAFF RECOMMENDATION**

41  
42 Staff recommends approval of the proposed subarea policy, as detailed in this report, to maintain the  
43 permanent residential development potential and not increase the demand for ROGO allocations, for  
44 2 parcels located at 97770 and 97702 Overseas Highway, mile marker 98, Key Largo, having real  
45 estate numbers 00091000.000000 and 00091020.000000.

**SUBJECT: LETTER OF UNDERSTANDING CONCERNING THE 'COCONUT BAY OF KEY LARGO INC' AND THE 'SEE THE SEA OF KEY LARGO INC' PROPERTIES, DOING BUSINESS AS BAY HARBOR LODGE, LOCATED AT 97770 AND 97702 OVERSEAS HIGHWAY (US 1), KEY LARGO, HAVING REAL ESTATE NUMBERS 00091000.000000 AND 00091020.000000**

Mr. De Haas Grosseck,

Pursuant to §110-3 of the Monroe County Code (MCC), this document shall constitute a Letter of Understanding (LOU). On September 19, 2013, a Pre-Application Conference regarding the above-referenced property was held at the office of the Monroe County Planning & Environmental Resources Department in Marathon. Attendees of the meeting included David De Haas Grosseck and Eric Handte (hereafter referred to as "the Applicant") and Matt Coyle, Planner, and Joseph Haberman, Planning & Development Review Manager (hereafter referred to as "Staff").

*Materials presented for review included:*

- (a) Pre-Application Conference Request Form;
- (b) Monroe County Property Record Card;
- (c) Monroe County Land Use District (LUD) Map and Future Land Use (FLU) Map;
- (d) Monroe County Code (MCC); and
- (e) Monroe County Comprehensive Plan (MCCP).

The Applicant requested a special letter of understanding in order to confirm whether the existing motel/hotel use on the subject property is lawfully nonconforming and how to resolve the nonconforming issue using the map amendment process.

Subject Property with Land Use Districts Overlaid (Aerial dated 2012)

*Status of Existing Nonconforming Use:*

The subject property currently has a LUD designation of Suburban Residential (SR) and a FLU designation of Residential Low (RL). It was partially within a BU-2 district (Medium Business) and partially within a RU-3 district (Multiple Family Residential) prior to September 15, 1986 when it was re-designated as SR (the final adoption of the LUD map was in 1992).

Note: A Land Use District Map Determination, known as a boundary determination, was filed in 1988 by a previous property owner, Laszlo Simoga. The application specifically requested a LUD change from SR to Suburban Commercial (SC). The application was not approved.

The subject property is currently developed with a motel/hotel of 21 rooms (note: this total number of rooms has yet to be confirmed by Staff as lawfully established).

There is not a building permit on file for the initial construction of the motel/hotel.

According to the Monroe County Property Appraiser's records, the portion of the subject property assessed as RE #00091020.000000 is currently developed with five buildings, with year built dates of 1968, 1971, 1983, 1954 and 1968 respectively. The only building permit on file for

a residential building is Building Permit #17938, which approved a residence with 2 bedrooms in 1969. There are several building permits on file, dating back to 1967. Most of the building permits on file refer to the name of a hotel. Building permits on file that were issued prior to September 15, 1986 include: #14532 (1967- Fla. Bay Motel), #17938 (1969 – no reference to hotel), #30704 (1973 – Bay Harbor Lodge), #C-3629 (1978 – Bay Harbor Lodge), and #C-19860 (1986 – Bay Harbor Lodge).

According to the Monroe County Property Appraiser's records, the portion of the subject property assessed as RE #00091000.000000 is currently developed with three buildings, with year built dates of 1967, 1967 and 1967 respectively. Building permits on file for residential buildings are Building Permit #2799, which approved a motel building with 2 units/rooms in 1961, Building Permit #12694, which approved a residence with 2 bedrooms in 1967, and Building Permit #17296, which approved a residence with 2 bedrooms in 1969. There are several building permits on file, dating back to 1961. Most of the building permits on file refer to the name of a hotel. Building permits on file that were issued prior to September 15, 1986 include: #2799 (1961- motel, unspecified), #12694 (1967 – no reference to hotel), #17040 (1968 – no reference to hotel), #17296 (1969 – no reference to hotel), #25075 (1972 – no reference to hotel), #30703 (1973 – no reference to hotel), and #C-11417 (1982 – no reference to hotel).

Pursuant to MCC §130-94(c)(6), in the SR LUD, hotels of fewer than 12 rooms may be permitted with a major conditional use permit, provided that a) the parcel proposed for development has an area of at least two acres, b) all signage is limited to that permitted for a residential use, and c) the parcel proposed for development is separated from any established residential use by at least a class C bufferyard, and d) the use is compatible with land uses established in the immediate vicinity of the parcel proposed for development.

Nonetheless, although a hotel of up to 11 rooms may be permitted in the SR LUD, the RL FLU category does not allow hotels. MCCP Policy 101.4.2, which provides the purpose of the RL FLU, does not refer to hotels or other transient residential uses. Further, MCCP Policy 101.4.22 states that, for the RL FLUM category, the allocated density for transient residential uses is 0 rooms/spaces and the maximum net density for transient residential uses is N/A.

The hotel use is not consistent with the RL FLUM category, as it does not conform to its purpose, which is set forth in MCCP Policies 101.4.2 (*principal purpose of the Residential Low land use category is to provide for low-density residential development in partially developed areas with substantial native vegetation*) and 101.4.22. As such it is considered a nonconforming use to the provisions of the MCCP and as it was lawfully established, the hotel use may continue to exist per the nonconformity policies provided under MCCP Objective 101.8.

Although the hotel use is permitted in SR LUD, the provision of the SR LUD allowing a hotel is inconsistent with the superseding RL FLU category, in which the SR LUD must be consistent. As such it is considered a nonconforming use to the MCC and as it was lawfully established, the hotel use may continue to exist per the nonconforming use regulations provided under MCC §102-56.

Note: Pursuant to MCC §102-55, all known, lawful nonconforming uses may be registered with the Planning & Environmental Resources Department. Once discovered and determined to be lawful, the planning director, or his or her designee, shall add recognized lawful nonconforming uses to an official registry.

*Total Number of Motel/Hotel Rooms and Letter of Development Rights Determination:*

This letter does not recognize, or otherwise support, the total number motel/hotel rooms (21) referred to in the pre-application conference application as lawfully established. In order to receive a determination regarding the lawfully established number of motel/hotel rooms, the property owner must submit a Letter of Development Rights Determination application.

*Map Amendment Process to Turn the Existing Nonconforming Use into a Conforming Use:*

The Board of County Commissioners passed and adopted a Planning & Environmental Resources Department's fee schedule (currently Resolution #183-2013). Of relevance to the subject property and the development thereon, the fee schedule currently includes the following provision:

There shall be no application or other fees, except advertising and noticing fees, for property owners who apply for a map amendment to the official [Land Use District (LUD)] map and/or the official [Future Land Use Map (FLUM)], if the property owner can provide satisfactory evidence that a currently existing use on the site that also existed lawfully in 1992 was deemed nonconforming by final adoption of the LUD map and/or a currently existing use on the site that also existed lawfully on the site in 1997 was deemed nonconforming by final adoption of the FLUM. To qualify for the fee exemption, the applicant must apply for a LUD and/or FLUM designation(s) that would eliminate the non-conforming use created with adoption of the existing designation(s) and not create an adverse impact to the community. Prior to submittal of a map amendment application, the applicant must provide the evidence supporting the change and application for a fee exemption with the proposed LUD map/FLUM designations to the Monroe County Planning & Environmental Resources Department as part of an application for a Letter of Understanding. Following a review, the Director of Planning & Environmental Resources shall determine if the information and evidence is sufficient, and whether the proposed LUD map and/or FLUM designations are acceptable for the fee waiver, and approve or deny the fee exemption request. This fee waiver Letter of Understanding shall not obligate the staff to recommend approval or denial of the proposed LUD or FLUM Category.

Resolution #183-2013 requires the property owner to provide satisfactory evidence that the existing use on the site existed lawfully in 1992 and was deemed nonconforming by final adoption of the LUD map and/or the existing use on the site existed lawfully in 1997 and was deemed nonconforming by final adoption of the FLUM. Following a review, as the hotel buildings were constructed prior to the adoption of the Land Development Code in 1986, Staff has determined that the existing hotel use existed lawfully in 1992 and was deemed nonconforming by the final adoption of the LUD map. Staff has also determined that the existing

hotel use existed lawfully in 1997 and was deemed nonconforming by the final adoption of the FLUM.

Staff has found that there is satisfactory evidence indicating that the existing SR LUD designation and RL FLUM designation may have been assigned in error as there had been a motel/hotel on the property on and prior to September 15, 1986. If you choose new designations that permit the existing hotel/motel use, Staff has determined that such applications qualify for fee exemptions to the "Comprehensive Plan, Future Land Use Map (FLUM) Amendment" of \$5,531.00 and the "Land Use District Map, Amendment-Nonresidential" fee of \$4,929.00. You may submit a FLUM amendment and/or LUD amendment application without the submittal of the aforementioned application fees. You are responsible for all other fee requirements, including the fees for advertising (\$245.00 per application) and noticing (\$3.00 per each surrounding property per application). Please note that you are eligible for these fee waivers so long as such waivers are permitted by the fee schedule. If the fee schedule is amended to remove such a provision in the future, you may not be eligible to submit the application without such application fees.

Resolution #183-2013 requires the property owner to apply for a LUD and/or FLUM designation(s) that would eliminate the non-conforming use. Further, it is the responsibility of the property owner to decide upon a new LUD and FLUM designation and submit the corresponding applications and noticing/advertising fees.

In addition, Staff is not obligated to recommend approval of any LUD or FLUM designations proposed by the property owner. Resolution #183-2013 requires a LUD and/or FLUM designation(s) that would not create an adverse impact to the community. Staff is required to review the application on its merit and determine upon a full review that it would not create an adverse impact to the community and it is consistent with the provisions of the MCCP and MCC. Further, private applications requesting a FLU amendment must comply with the requirements of MCCP 101.4.20, which concerns amendments proposing an increase in allocated density and/or intensity. This policy requires the purchase and donation of land to offset the proposed increase (includes the requirement to donate acreage or Improved Subdivision (IS) lots).

Note: The contiguous, neighboring property to the southwest (assessed as RE #00091010.000000) was granted a FLUM amendment from Residential Low (RL) to Mixed Use / Commercial (MC) in 2008, as memorialized by Ordinance #025-2008. In addition, it was granted a LUD amendment from Suburban Residential (SR) to Mixed Use (MU) in 2009, as memorialized by Ordinance #005-2009.

Another neighboring property to the southwest (assessed as RE #00091090.000000) was granted a FLUM amendment from Residential High (RH) to Mixed Use / Commercial (MC) in 2008, as memorialized by Ordinance #026-2008. In addition, it was granted a LUD amendment from Urban Residential Mobile Home (URM) to Mixed Use (MU) in 2009, as memorialized by Ordinance #006-2009.

Pursuant to MCC §110-3, you are entitled to rely upon the representations set forth in this letter as accurate under the regulations currently in effect. This letter does not provide any vesting to the existing regulations. If the Monroe County Code or Comprehensive Plan is amended, the project will be required to be consistent with all regulations and policies at the time of development approval. The Department acknowledges that all items required as a part of the application for development approval may not have been addressed at the meeting, and consequently reserves the right for additional comment.

You may appeal decisions made in this letter. The appeal must be filed with the County Administrator, 1100 Simonton Street, Gato Building, Key West, FL 33040, within thirty (30) calendar days from the date of this letter. In addition, please submit a copy of your application to Planning Commission Coordinator, Monroe County Planning & Environmental Resources Department, 2798 Overseas Highway, Suite 410, Marathon, FL 33050.

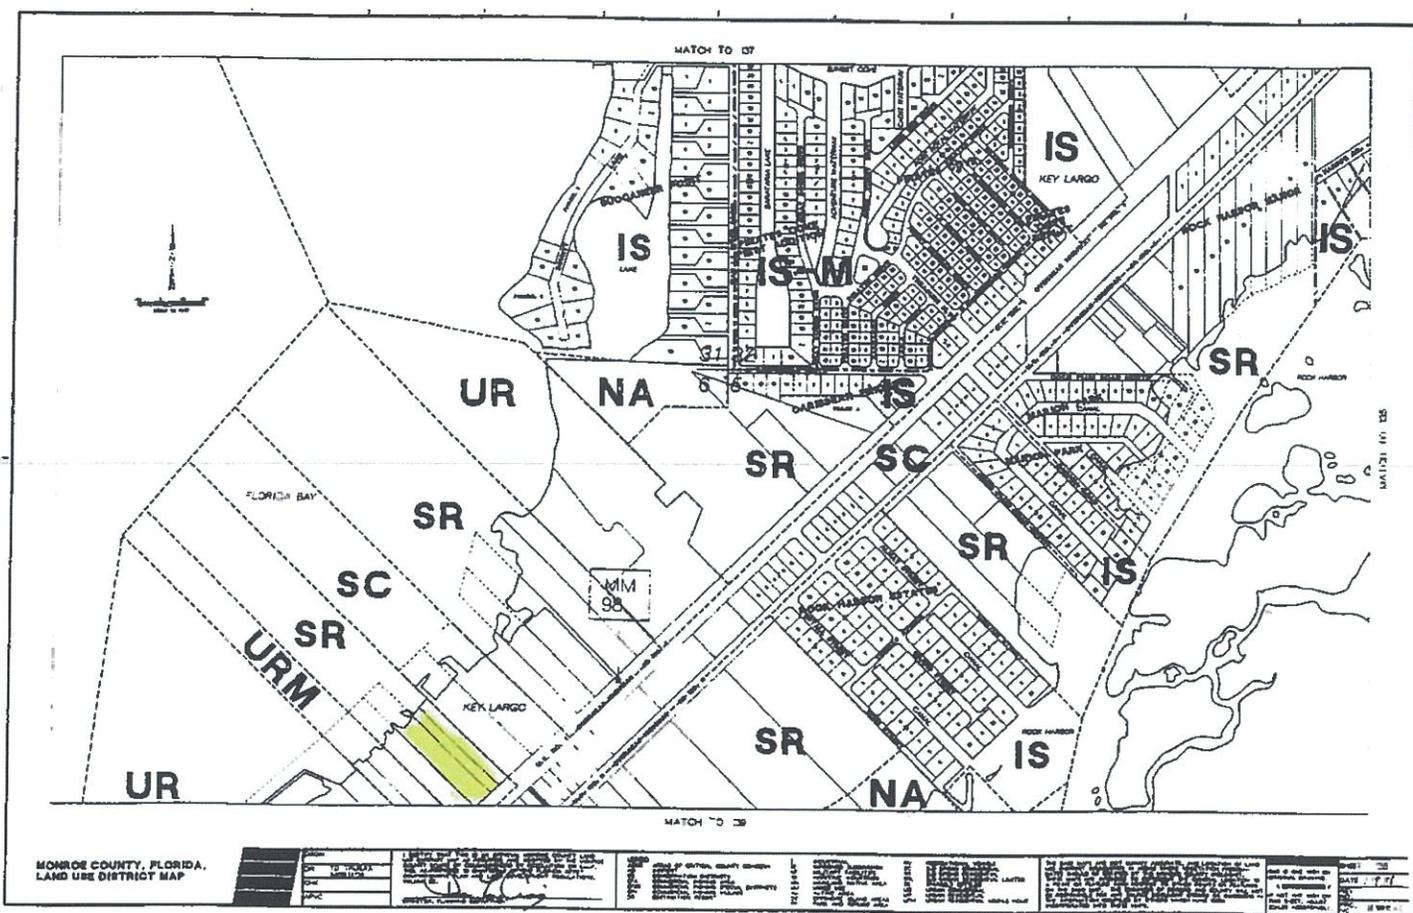

We trust that this information is of assistance. If you have any questions regarding the contents of this letter, or if we may further assist you with your project, please feel free to contact our Marathon office at (305)289-2500.

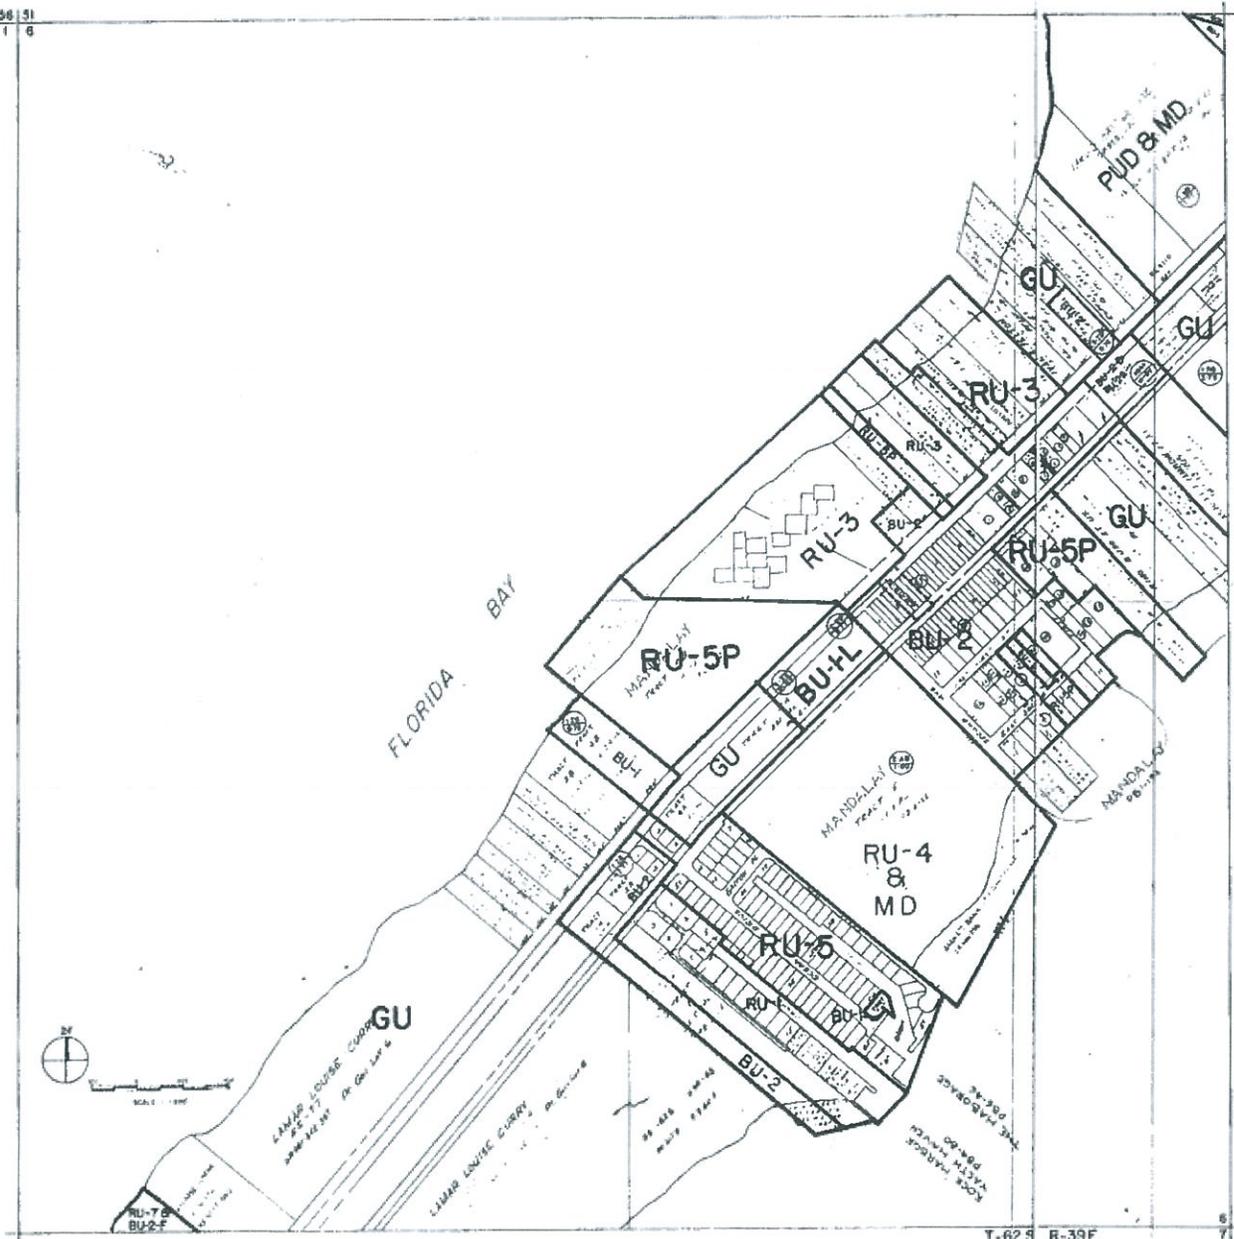

Sincerely yours,

Townsley Schwab, Senior Director of Planning & Environmental Resources

CC: Joseph Haberman, Planning & Development Review Manager  
Mayte Santamaria, Assistant Director of Planning & Environmental Resources  
Michael Roberts, Senior Administrator of Environmental Resources

**MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**

**RESOLUTION NO. ~~374~~ 2014**

**A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS TRANSMITTING TO THE STATE LAND PLANNING AGENCY AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY FUTURE LAND USE MAP FROM RESIDENTIAL LOW (RL) TO MIXED USE/COMMERCIAL (MC) FOR PROPERTY LOCATED AT 97770 AND 97702 OVERSEAS HIGHWAY, KEY LARGO, MILE MARKER 98, DESCRIBED AS PARCELS OF LAND IN SECTION 6, TOWNSHIP 62 SOUTH, RANGE 39 EAST, ISLAND OF KEY LARGO, MONROE COUNTY, FLORIDA, HAVING REAL ESTATE NUMBERS 00091000.000000 AND 00091020.000000, AS PROPOSED BY SEE THE SEA OF KEY LARGO, INC. AND COCONUT BAY OF KEY LARGO, INC.**

-----

**WHEREAS**, the Monroe County Board of County Commissioners conducted a public hearing for the purpose of considering the transmittal pursuant to the State Coordinated Review Process in Sec. 163.3184(4), F.S., to the State Land Planning Agency for objections, recommendations and comments, and to the other Reviewing Agencies as defined in Sec. 163.3184(1)(c), F.S., for review and comment on a proposed amendment to the Monroe County Year 2010 Comprehensive Plan as described above; and

**WHEREAS**, the Monroe County Planning Commission and the Monroe County Board of County Commissioners support the transmittal of the requested future land use map amendment;

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:**

**Section 1:** The Board of County Commissioners does hereby adopt the recommendation of the Planning Commission to transmit the draft ordinance, attached as Exhibit A, for review of the proposed future land use map amendment.

**Section 2.** The Monroe County staff is given authority to prepare and submit the required transmittal letter and supporting documents for the proposed amendment in accordance with the requirements of Section 163.3184(4), Florida Statutes.

**Section 3.** The Clerk of the Board is hereby directed to forward a certified copy of this resolution to the Director of Planning.

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 10th day of December, 2014.

**MONROE COUNTY, FLORIDA**  
**MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**  
**ORDINANCE NO. \_\_\_\_ - 2015**

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY FUTURE LAND USE MAP FROM RESIDENTIAL LOW (RL) TO MIXED USE/COMMERCIAL (MC) FOR PROPERTY LOCATED AT 97770 AND 97702 OVERSEAS HIGHWAY, KEY LARGO, MILE MARKER 98, DESCRIBED AS PARCELS OF LAND IN SECTION 6, TOWNSHIP 62 SOUTH, RANGE 39 EAST, ISLAND OF KEY LARGO, MONROE COUNTY, FLORIDA, HAVING REAL ESTATE NUMBERS 00091000.000000 AND 00091020.000000, AS PROPOSED BY SEE THE SEA OF KEY LARGO, INC. AND COCONUT BAY OF KEY LARGO, INC.; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY AND THE SECRETARY OF STATE; PROVIDING FOR INCLUSION IN THE MONROE COUNTY COMPREHENSIVE PLAN AND FOR AMENDMENT TO THE FUTURE LAND USE MAP; PROVIDING FOR AN EFFECTIVE DATE.

-----

**WHEREAS**, on June 16, 2014, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing business as Bay Harbor Lodge, submitted an application requesting to amend the Future Land Use Map (FLUM) of the Monroe County Year 2010 Comprehensive Plan from Residential Low (RL) to Mixed Use/Commercial (MC); and

**WHEREAS**, the subject property is located at 97770 and 97702 Overseas Highway, Key Largo, Mile Marker 98, described as parcels of land in section 6, township 62 south, range 39 east, Island of Key Largo, Monroe County, Florida, having real estate numbers 00091000.000000 and 00091020.000000; and

**WHEREAS**, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing business as Bay Harbor Lodge, operates a hotel/motel at the subject property with a current FLUM designation of RL, which does not allow hotels or other transient residential uses,

1 therefore the existing use is considered nonconforming to the provisions of the current  
2 Comprehensive Plan; and  
3

4 **WHEREAS**, See the Sea of Key Largo, Inc. and Coconut Bay of Key Largo, Inc., doing  
5 business as Bay Harbor Lodge, is requesting a change to the FLUM designation in order to  
6 eliminate the nonconformity for the existing hotel/motel use; and  
7

8 **WHEREAS**, during a regularly scheduled meeting held on September 23, 2014, the  
9 Monroe County Development Review Committee reviewed the proposed FLUM amendment and  
10 the Chair recommended approval; and  
11

12 **WHEREAS**, during a regularly scheduled public hearing held on October 29, 2014, the  
13 Monroe County Planning Commission reviewed the proposed FLUM amendment and  
14 recommended approval to the Board of County Commissioners, contingent on compliance with  
15 Policy 101.4.20 prior to adoption; and  
16

17 **WHEREAS**, the Monroe County Planning Commission made the following findings of fact  
18 and conclusions of law:  
19

- 20 1. The proposed FLUM is not anticipated to adversely impact the community character  
21 of the surrounding area; and
- 22 2. The proposed FLUM is not anticipated to adversely impact the Comprehensive Plan  
23 adopted Level of Service; and
- 24 3. The proposed amendment is consistent with the Goals, Objectives and Policies of the  
25 Monroe County Year 2010 Comprehensive Plan, contingent on compliance with  
26 Policy 101.4.20 prior to adoption; and
- 27 4. The proposed amendment must comply with Comprehensive Plan Policy 101.4.20  
28 prior to adoption by the Board of County Commissioners. Based on the  
29 density/intensity analysis, and in order to mitigate for the impacts of approval, one of  
30 the following options needs to be addressed:
  - 31 a. Donation of 4.4 acres of non-scarified land designated Tier I or Tier III-A SPA  
32 located within the Upper Keys Subarea;
  - 33 b. Donation 12 non-scarified IS Lots designated Tier I or Tier III-A located within  
34 the Upper Keys Subarea; or
  - 35 c. Donation 12 IS lots designated Tier III for affordable housing within the Upper  
36 Keys Subarea.; and
- 37 5. The proposed amendment is consistent with the Key Largo Community Master Plan;  
38 and
- 39 6. The proposed amendment is consistent with the Principles for Guiding Development  
40 for the Florida Keys Area of Critical State Concern, Section 380.0552(7), Florida  
41 Statute; and
- 42 7. The proposed amendment is consistent with Part II of Chapter 163, Florida Statute.  
43

44 **WHEREAS**, the Monroe County Planning Commission passed Resolution No. P34-14  
45 recommending approval of the proposed amendment contingent on compliance with Policy  
46 101.4.20 prior to adoption; and

1  
2       **WHEREAS**, at a regularly scheduled meeting held on the \_\_\_day of\_\_\_\_\_, the  
3 Monroe County Board of County Commissioners held a public hearing, considered the staff  
4 report, and provided for public comment and public participation in accordance with the  
5 requirements of state law and the procedures adopted for public participation in the planning  
6 process, and recommended \_\_\_\_\_ to the State Land Planning Agency and  
7 Reviewing Agencies as defined in Section 163.3184(1)(c), Florida Statutes for review and  
8 comment; and  
9

10       **WHEREAS**, the Monroe County Board of County Commissioners makes the following  
11 Conclusions of Law:

- 12       1. The ordinance is consistent with the Principles for Guiding Development in the  
13 Florida Keys Area of Critical State Concern;  
14       2. The ordinance is consistent with the provisions and intent of the Monroe County  
15 Comprehensive Plan; and  
16       3. The ordinance is consistent with the provisions and intent of the Monroe County  
17 Code;  
18       4. The ordinance must comply with Comprehensive Plan Policy 101.4.20 prior to  
19 adoption by the Board of County Commissioners. Based on the density/intensity  
20 analysis, and in order to mitigate for the impacts of approval, one of the following  
21 options needs to be addressed:  
22       a. Donation of 4.4 acres of non-scarified land designated Tier I or Tier III-A SPA  
23 located within the Upper Keys Subarea;  
24       b. Donation 12 non-scarified IS Lots designated Tier I or Tier III-A located within  
25 the Upper Keys Subarea; or  
26       c. Donation 12 IS lots designated Tier III for affordable housing within the Upper  
27 Keys Subarea; and  
28

29       **WHEREAS**, on \_\_\_\_\_, the State Land Planning Agency issued its Objections,  
30 Recommendations, and Comments (ORC) report. The ORC report  
31 states \_\_\_\_\_; and  
32

33       **WHEREAS**, as a response to the ORC Report, Monroe County \_\_\_\_\_  
34 \_\_\_\_\_.  
35

36  
37 **NOW, THEREFORE, BE IT ORDAINED BY THE MONROE COUNTY BOARD OF**  
38 **COUNTY COMMISSIONERS:**  
39

40 **Section 1.** The Future Land Use Map of the Monroe County 2010 Comprehensive Plan is  
41 amended as follows:  
42

43       The property located at 97770 and 97702 Overseas Highway, Key Largo, Mile  
44 Marker 98, described as parcels of land in section 6, township 62 south, range 39  
45 east, Island of Key Largo, Monroe County, Florida, having real estate numbers  
46 00091000.000000 and 00091020.000000 is changed from Residential Low (RL)

1 to Mixed Use/Commercial (MC) as shown on Exhibit 1, attached hereto and  
2 incorporated herein.  
3

4 **Section 2. Severability.** If any section, subsection, sentence, clause, item, change, or provision  
5 of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such  
6 validity.  
7

8 **Section 3. Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict  
9 with this ordinance are hereby repealed to the extent of said conflict.  
10

11 **Section 4. Transmittal.** This ordinance shall be transmitted by the Director of Planning to the  
12 State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.  
13

14 **Section 5. Filing and Effective Date.** This ordinance shall be filed in the Office of the  
15 secretary of the State of Florida but shall not become effective until a notice is issued by the  
16 State Land Planning Agency or Administration Commission finding the amendment in  
17 compliance, and if challenged, until such challenge is resolved pursuant to Chapter 120, Florida  
18 Statutes.  
19

20 **Section 6. Inclusion in the Comprehensive Plan.** The foregoing amendment shall be  
21 incorporated in the Monroe County Year 2010 Comprehensive Plan and included on the Future  
22 Land Use Map.  
23

24 **PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida  
25 at a regular meeting held on the \_\_\_\_ day of \_\_\_\_\_, 2015.

---

**WHEREAS**, the Monroe County Board of County Commissioners adopted the Monroe County Comprehensive Plan on April 15, 1993; as amended pursuant to DCA Rule 9J-14.022, Florida Administrative Code on January 4, 1996, and adopted by Florida Administrative Code Rule 28-20.100 Part I, January 2, 1996 and Part II, July 14, 1997; and

**WHEREAS**, the Florida Legislature intends that local planning be a continuous process, and the Florida Statutes encourage local governments to comprehensively evaluate and, as necessary, update comprehensive plans to reflect changes in local conditions; and

**WHEREAS**, the Monroe County Board of County Commissioners adopted an Evaluation and Appraisal Report (EAR), pursuant to Section 163.3191, Florida Statutes, for the Monroe County Year 2010 Comprehensive Plan on August 18, 2004, and subsequently adopted Comprehensive Plan amendments in accordance with the 2004 EAR; and

**WHEREAS**, Monroe County commenced a new EAR process in 2010 with active public participation provided; and

**WHEREAS**, the Monroe County Planning Commission, acting as the designated Local Planning Agency, reviewed the 2012 EAR, held advertised special public meetings on November

1 2, 2011, and February 6, 2012, and provided for participation by the public in the process, and  
2 rendered its recommendations to the Board of County Commissioners; and;  
3

4 **WHEREAS**, the Board of County Commissioners reviewed the EAR, held an advertised  
5 public meeting on November 16, 2011, and an advertised special public meeting on March 19,  
6 2012, provided for comments and public participation in the process in accordance with the  
7 requirements of state law and the procedures adopted for public participation in the planning  
8 process; and  
9

10 **WHEREAS**, the Board of County Commissioners held a special public meeting on May  
11 22, 2012, and adopted Resolution No. 150-2012 adopting the 2012 Evaluation and Appraisal  
12 Report (EAR) for the Monroe County Year 2010 Comprehensive Plan; and  
13

14 **WHEREAS**, the Monroe County Planning Commission, acting as the Local Planning  
15 Agency (LPA), held advertised special public meetings on September 23, 2013, October 1, 2013  
16 and October 10, 2013 to review the proposed EAR-related comprehensive plan amendments, and  
17 provided for comments and public participation in accordance with the requirements of state law  
18 and the procedures adopted for public participation in the planning process; and  
19

20 **WHEREAS**, the Monroe County Planning Commission, acting as the Local Planning  
21 Agency (LPA), held an advertised special public hearing on November 15, 2013, provided for  
22 comments and public participation in accordance with the requirements of state law and the  
23 procedures adopted for public participation in the planning process, and recommended proposed  
24 EAR-related comprehensive plan amendments to the BOCC; and  
25

26 **WHEREAS**, the Board of County Commissioners held advertised special public  
27 hearings on March 21, 2014, April 23, 2014, and May 22, 2014, to review proposed EAR-related  
28 comprehensive plan amendments and provided for comments and public participation in  
29 accordance with the requirements of state law and the procedures adopted for public  
30 participation in the planning process; and  
31

32 **WHEREAS**, in 2011, Section 163.3191(1), Florida Statutes, was amended; it directed  
33 local governments to evaluate their comprehensive plans at least once every seven years to  
34 determine if plan amendments are necessary to reflect changes in state requirements since the  
35 last update of the comprehensive plan, and to submit an Evaluation and Appraisal (EA)  
36 Notification Letter to the State Land Planning Agency; and  
37

38 **WHEREAS**, the State Land Planning Agency revised the Monroe County EA deadline  
39 to May 1, 2014, in Rule 73C-49, F.A.C.; and  
40

41 **WHEREAS**, the Board of County Commissioners held a public hearing on April 23,  
42 2014, and approved the EA Notification Letter to the State Land Planning Agency which  
43 specified the necessary plan amendments required to reflect changes in requirements in State  
44 Statutes; and  
45

1           **WHEREAS**, the Board of County Commissioners held an advertised special public  
2 hearing on July 23, 2014, provided for public comment and public participation in accordance  
3 with the requirements of state law and the procedures adopted for public participation in the  
4 planning process, to transmit EAR-related and EA-related comprehensive plan amendments to  
5 the State Land Planning Agency and Reviewing Agencies as defined in Section 163.3184(1)(c),  
6 Florida Statutes for review and comment; and

7  
8           **WHEREAS**, the Board of County Commissioners continued the public hearing to  
9 consider transmittal to October 7, 2014; and

10  
11           **WHEREAS**, the Board of County Commissioners held an advertised special public  
12 hearing on October 7, 2014, provided for public comment and public participation in accordance  
13 with the requirements of state law and the procedures adopted for public participation in the  
14 planning process, to transmit EAR-related and EA-related comprehensive plan amendments to  
15 the State Land Planning Agency and Reviewing Agencies as defined in Section 163.3184(1)(c),  
16 Florida Statutes for review and comment; and

17  
18           **WHEREAS**, the Board of County Commissioners continued the public hearing to  
19 consider transmittal to December 10, 2014, to further discuss height policies for addressing the  
20 replacement of existing buildings which exceed the 35ft height limit, non-habitable architectural  
21 decorative features, flood protection purposes and affordable housing as well as review of an  
22 inventory of privately-owned offshore islands in unincorporated Monroe County; and

23  
24           **WHEREAS**, the Board of County Commissioners held an advertised public hearing on  
25 December 10, 2014, provided for public comment and public participation in accordance with  
26 the requirements of state law and the procedures adopted for public participation in the planning  
27 process, to transmit EAR-related and EA-related comprehensive plan amendments to the State  
28 Land Planning Agency and Reviewing Agencies as defined in Section 163.3184(1)(c), Florida  
29 Statutes for review and comment; and

30

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016 Department: Planning & Environmental Resources

Bulk Item: Yes  No  Staff Contact /Phone #: Mitzi Crystal/ 289-2523

---

**AGENDA ITEM WORDING:** A public hearing for a proposed abandonment of a portion of the right-of-way of Seventh Avenue West Right of Way, adjacent to Lot 13, Block 18, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida. **REQUEST TO CONTINUE HEARING UNTIL FEBRUARY 10, 2016.**

---

**ITEM BACKGROUND:** The petitioner has requested abandonment of a portion of the right-of-way of 7<sup>th</sup> Avenue, as described above, in order to use the driveway and property more effectively. The portion of a platted right-of-way considered for abandonment is at the terminal portion of the T-type turnaround of 7<sup>th</sup> Avenue. A request for continuance was made at the November 17, 2015 meeting and subsequently granted to allow additional time to work with staff on a revised application. Additional time beyond that originally granted is needed to prepare and review the documents.

---

**PREVIOUS RELEVANT BOCC ACTION:** October 21, 2015- Adoption of a resolution setting a public hearing for November 17, 2015.  
November 17, 2015- Public hearing continued to January 20, 2016.

---

**CONTRACT/AGREEMENT CHANGES:** N/A

---

**STAFF RECOMMENDATIONS:** Approval of Continuance to February 10, 2016.

---

**TOTAL COST:** N/A **INDIRECT COST:** N/A **BUDGETED:** Yes  No

**DIFFERENTIAL OF LOCAL PREFERENCE:** N/A

**COST TO COUNTY:** N/A **SOURCE OF FUNDS:** N/A

**REVENUE PRODUCING:** Yes  No  **AMOUNT PER MONTH**  **Year**

**APPROVED BY:** County Attorney <sup>STW</sup><sub>12/21</sub> OMB/Purchasing  Risk Management

**DOCUMENTATION:** Included  Not Required

**DISPOSITION:** \_\_\_\_\_ **AGENDA ITEM #** \_\_\_\_\_

**MEMORANDUM**

Monroe County Planning & Environmental Resources Department  
We strive to be caring, professional, and fair

To: Monroe County Board of County Commissioners

Through: Christine Hurley, AICP, Assistant County Administrator  
Mayté Santamaria, Sr. Director of Planning & Environmental Resources

From: Mitzi Crystal, AICP, PTP, Transportation Planner

Date: September 26, 2015

Subject: *A public hearing to consider denial of a resolution renouncing and disclaiming any right of the County and the public in and to a portion of the right-of-way of Seventh Avenue West Right of Way, adjacent to Lot 13, Block 18, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida (File #2014-177)*

---

**BOCC Meeting:      October 21, 2015 (set public hearing)**  
**November 17, 2015 (public hearing)**

---

**REQUEST:**

The petitioners, Mary Readel Rev. Trust, request an abandonment of a portion of right-of-way of Seventh Avenue West Right of Way, adjacent to Lot 13, Block 18, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida.

The petitioners have made the request in order to allow for greater use of their current driveway and potentially allow for greater front yard setbacks for future additions to the existing home built in 1972. The petition requests the approximately 514.56 square feet of the platted right-of-way for 7<sup>th</sup> Avenue be vacated. The area requested for abandonment is at the terminus of 7<sup>th</sup> Avenue and part of an existing paved T- turnaround. The turnaround leads directly to the petitioner's driveway and is partially paved with pavers rather than asphalt. The petitioner intends to leave the area as it is currently which will allow for ingress/egress of emergency vehicles.

Affected Properties (outlined in yellow)  Proposed Abandonment

REVIEW OF APPLICATION:

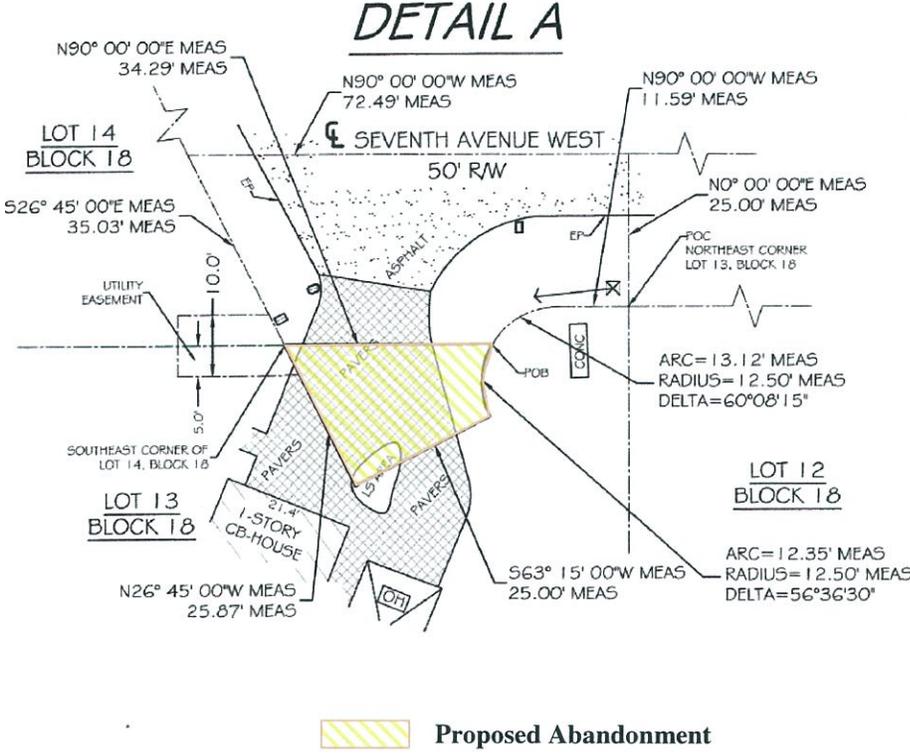

The proposed abandoned portion is described as follows:

*“A portion of the Seventh Avenue West Right of Way, adjacent to Lot 13, Block 18, CUDJOE GARDENS SIXTH ADDITION, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida and more particularly described as follows:*

*COMMENCING at the Northeast corner of the said Lot 13 and running thence N90°00'00"W and along the Southerly Right of Way line of the said Seventh Avenue West for a distance of 11.59 feet to a point of curvature of a curve concave to the Southeast; thence Southerly continuing along the Southerly Right of Way line of the said Seventh Avenue West along a curve having a radius of 12.50 feet and a central angle of 60°08'15" for 13.12 feet to a point on the said curve, said point being the Point of Beginning of the parcel of land hereinafter described; thence continuing Southerly along the Southerly Right of Way line of the said Seventh Avenue West along a curve having a radius of 12.50 feet and central angle of 56°36'30" for 12.35 feet to a point; thence S63°15'00"W continuing along the Southerly Right of Way line of the said Seventh Avenue West for a distance of 25.00 feet; thence N 26°45'00"W and along of the Westerly Right of Way line of the said Seventh Avenue West for a distance of 25.87 feet to a point on the said Westerly Right of Way line of Seventh Avenue West, said point being the southeast corner of Lot 14, Block 18; thence N90°00'00"E for a distance of 34.29 feet back to the Point of Beginning. Said parcel CONTAINS 514.56 SQFT +/-.”*

The petitioner owns the only affected properties (RE No. 00174633-002700). The applicants have submitted a road abandonment petition for greater use of their current driveway and potentially allow for greater front yard setbacks for additions to the existing home. The applicant has noted the drive will remain as it is currently. No barriers for emergency access will be installed.

1 The petitioners are the owners of the adjacent property (RE No. 00174633-002700) therefore  
2 letter of no objection is not required by adjacent owners. The petitioner requests the area  
3 highlighted below be abandoned.  
4  
5  
6

7  
8  
9  
10  
11  
12  
13 Written recommendations of no objection were received from the following private utilities and  
14 County departments:  
15

- 16 Keys Energy Service, letter dated September 29, 2014
- 17 Florida Keys Aqueduct Authority, letter dated October 23, 2014
- 18 AT &T, letter dated November 3, 2014
- 19 Comcast, letter dated October 2, 2014
- 20 Monroe County Fire Marshal, letter dated April 21, 2015
- 21 Monroe County Code Compliance, letter dated January 9, 2015
- 22 Monroe County Sheriff's Office, letter dated December 23, 2014

23  
24 Monroe County Engineering Services, letter dated January 15, 2015 indicates **objection** to the  
25 abandonment as it would eliminate an existing t- turnaround at the end of 7<sup>th</sup> Avenue, which is  
26 required at the end of dead end roads. The letter states: "The proposed abandonment does not  
27 conform to the requirements of Resolution No. 250-1998 regarding abandonments of rights of  
28 way; additionally, granting the requested abandonment will eliminate the t-turnaround at the end  
29 of 7<sup>th</sup> Avenue West. Accordingly, Engineering Department objects to this petition, which would  
30 eliminate the required T-turnaround."

1 Resolution No. 250-1998 was incorporated into Monroe County Code Section 19-1.(c) which  
2 required that a road may be abandoned only at the terminal portion of the road and in its full  
3 width unless the abandonment will comply with the County Code requirements for road, turn-  
4 around, and fire-rescue access. Since the original review of the application Monroe County Code  
5 Section 19-1 was revised and effective October 27, 2015 with Monroe County Code Section 19-  
6 1.(d) now stating “All right of way abandonments shall comply with the County Code and  
7 Standard Engineering requirements for road, turn-around and fire-rescue access. If required for  
8 safety purposes, as determined by either Fire Marshal or County Engineer, a dedicated turn-  
9 around area shall be shown on the submitted survey and shall be agreed to in writing and  
10 constructed with payment by the property owner(s) requesting abandonment.” The petitioner  
11 requests to eliminate a partial portion of right of way in the turn-around, which is inconsistent  
12 with this requirement in both the old code and newly revised code.

13  
14 Monroe County Code Section 19-1 - Abandonment of Rights-of-Way states:

15  
16 (b) No dedicated and accepted right-of-way in the county shall be abandoned where:

17 (1) the right-of-way terminates on a body of open water; or

- 18 • **The platted right-of-way does not terminate on a body of open**  
19 **water.**

20 (2) the right-of-way provides access to the public to land on open water; or

- 21 • **The platted right-of-right does not provide access to the public to**  
22 **land on open water.**

23 (3) the abandonment would preclude a way for the public to maintain access to  
24 the water.

- 25 • **The abandonment would not preclude a way for the public to**  
26 **maintain access to water.**

27  
28 (c) In all other cases of abandonment, no right-of-way shall be abandoned unless there is  
29 an agreement to do so by all affected property owners. For purposes of this  
30 subsection, an affected property owner is the owner of property which, if the right-of-  
31 way is abandoned, will:

32 (1) Have access that is currently used by that property owner eliminated;

- 33 • **The requested abandonment is for a platted, developed right-of-**  
34 **way currently used for access by the property owners as the “T”**  
35 **portion of the right of way leads directly to the petitioner’s**  
36 **driveway. The adjacent properties will continue using 7th Avenue**  
37 **as access.**

38 (2) Have the only platted access eliminated;

- 39 • **As noted above, the properties will continue to be accessed by 7<sup>th</sup>**  
40 **Avenue.**

41 (3) Have the paved area adjacent to that property increased for turn-around  
42 purposes; or

- 43 • **The applicant has stated the turnaround will remain as currently**  
44 **constructed with no barriers or increase in size.**

45 (4) Be increased in size.

- **The affected property will be increased in size, but there is no objection.**

(d) All right of way abandonments shall comply with the County Code and Standard Engineering requirements for road, turn-around and fire-rescue access. If required for safety purposes, as determined by either Fire Marshal or County Engineer, a dedicated turn-around area shall be shown on the submitted survey and shall be agreed to in writing and constructed with payment by the property owner(s) requesting abandonment.

- **The requested area is part of an existing turnaround. The owner intends to keep the area as it is, which would still function as a turnaround. Monroe County Code Section 114.7(p) requires a turn-around at the dead end streets. Given the location of the right of way abandonment a turn around is required.**
- **Objections were provided from Engineering Services, letter dated January 15, 2015. Monroe County Fire Marshal provided no objection in a letter dated April 21, 2015.**

(e) A right of way may be abandoned only at the terminal portion of the road and in its full width unless one of the following applies;

1. An adjacent lot owner has on the platted right-of-way or within a setback a substantial structure which predates the Special Session Law 59-1578 pertaining to maps, plats and right-of-way. The term "substantial structure" specifically does not include wood or metal fences, sheds or tiki huts or other items not listed which are accessory structures; or
2. The abandonment is requested by a County department or governmental agency for a public use; for purposes of this subsection public use is a public facility and/or public/private utility; or
3. The right of way area is unusual in size or shape and after abandonment the remaining right of way width will be the same on both sides of the abandonment as shown in Example 1.

- **The petitioner has requested abandonment of the entire width of the right of way of only one portion of the t- turnaround as shown in the graphic within this report. Engineering Services objects to the elimination of a constructed and functioning T-type turnaround at the end of 7<sup>th</sup> Avenue, a dead end street. Monroe County Code Section 114.7(p) requires turnarounds at the end of dead end streets.**

RECOMMENDATION:

Staff recommends **denial** of the petition based on an objection letter from Monroe County Engineering that the existing right of way be retained to conform to the requirements of Resolution 250-1998 and meet dead end street turnaround requirements contained within Section 114.7(p) Monroe County Code

1 which provides that "Dead-end streets, designed to be so permanently, shall be provided at the closed  
2 end with a turnaround having an outside roadway diameter of at least 70 feet, and a street property line  
3 diameter of at least 100 feet, or may be provided with a "T" type turnaround as may be approved per  
4 "Standard Specifications and Details of Monroe County" by the department of planning."  
5

6 The requested abandonment of a portion of the right-of-way of Seventh Avenue West, adjacent to Lot  
7 13, Block 18, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6,  
8 at Page 66 of the Public Records of Monroe County, Florida would not meet the right of way  
9 abandonment criteria cited above and is therefore, not suitable for abandonment.  
10  
11

**MONROE COUNTY, FLORIDA**  
**RESOLUTION NO. -2015**

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS RETAINING ANY RIGHT OF THE COUNTY AND PUBLIC IN AND TO THAT PORTION SEVENTH AVENUE WEST RIGHT OF WAY, ADJACENT TO LOT 13, BLOCK 18, CUDJOE GARDENS SIXTH ADDITION, ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 6, PAGE 66 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA.

---

**WHEREAS**, an application was filed by Mary C. Readel, Rev Trust to abandon a portion of the Seventh Avenue West Right of Way, adjacent to Lot 13, Block 18, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida; and

**WHEREAS**, the Board of County Commissioners of Monroe County, Florida, desires to retain all rights of the County and the public in and to the hereinafter right of way; and

**WHEREAS**, due notice has been published and a public hearing has been held in accordance with Chapter 336, Florida Statutes; and

**WHEREAS**, at said public hearing, the Board considered the argument of all parties present wishing to speak on the matter, and considered the renouncing and disclaiming of any right of the County and the public in and to the hereinafter described right of way as delineated on the hereafter described map or plan; and

**WHEREAS**, the Board makes the following Findings of Fact and Conclusions of Law:

1. **Monroe County Code Section 19-1 (c) states “A road may be abandoned only at the terminal portion of the road and in its full width unless the abandonment will comply with the County Code requirements for road, turn-around, and fire-rescue access”**
2. **Monroe County Code Section 19-1 was revised and became effective October 27, 2015, where this requirement became Section 19-1 (d) “All right of way**

*abandonments shall comply with the County Code and Standard Engineering requirements for road, turn-around and fire-rescue access. If required for safety purposes, as determined by either Fire Marshal or County Engineer, a dedicated turn-around area shall be shown on the submitted survey and shall be agreed to in writing and constructed with payment by the property owner(s) requesting abandonment.”*

3. **Monroe County Engineering Services letter states, “The proposed abandonment does not conform to the requirements of Resolution No. 250-1998 regarding abandonments of rights of way; additionally, granting the requested abandonment will eliminate the t-turnaround at the end of 7<sup>th</sup> Avenue West. Accordingly, Engineering Department objects to this petition, which would eliminate the required T-turnaround.”**
4. **The requested abandonment would eliminate constructed and functioning T-type turnaround at the end of 7<sup>th</sup> Avenue, a dead end street. Monroe County Code Section 114.7(p) requires turnarounds at the end of dead end streets.**
5. **The requested abandonment does not meet the criteria of Monroe County Code Section 19-1 or Monroe County Code Section 114-7.(p)**

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA,** that it hereby retains any right of the County and public in and to the following described streets, alley-ways, roads, or highways as delineated on the hereinafter described map or plat, to-wit:

*GARDENS SIXTH ADDITION, according to the Plat thereof as recorded in Plat Book 6, at Page 66 of the Public Records of Monroe County, Florida and more particularly described as follows:*

*COMMENCING at the Northeast corner of the said Lot 13 and running thence N90°00'00"W and along the Southerly Right of Way line of the said Seventh Avenue West for a distance of 11.59 feet to a point of curvature of a curve concave to the Southeast; thence Southerly continuing along the Southerly Right of Way line of the said Seventh Avenue West along a curve having a radius of 12.50 feet and a central angle of 60°08'15" for 13.12 feet to a point on the said curve, said point being the Point of Beginning of the parcel of land hereinafter described; thence continuing Southerly along the Southerly Right of Way line of the said Seventh Avenue West along a curve having a radius of 12.50 feet and central angle of 56°36'30" for 12.35 feet to a point; thence S63°15'00"W continuing along the Southerly Right of Way line of the said Seventh Avenue West for a distance of 25.00 feet; thence N 26°45'00"W and along of the Westerly Right of Way line of the said Seventh Avenue West for a distance of 25.87 feet to a point on the said Westerly Right of Way line of Seventh Avenue West, said point being the southeast corner of Lot 14, Block 18; thence N90°00'00"E for a distance of 34.29 feet back to the Point of Beginning. Said parcel CONTAINS 514.56 SQFT +/-.”*

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 17<sup>th</sup> day of November, 2015.

**Description of roadway to be abandoned:**

A part of 7<sup>th</sup> Ave West, Cudjoe Gardens Sixth Addition, according to the Plat thereof as recorded in Plat Book 6, Page 66, of the Public Records of Monroe County, Florida. See attached survey for accurate legal description of roadway to be abandoned.

**Petitioners seek the abandonment for the following reasons:**

The abandoned property will allow petitioners to create normal setbacks on the property.

**Legal description of contiguous property in which the abandoned roadway would become part:**

(If in metes and bounds, attach legal description on separate sheet)

See attached legal description described in metes and bounds.

**Present use of the roadway to be abandoned:** County Road/Driveway

**Proposed use of the roadway to be abandoned:** Private Use/Driveway

**Total land area of the roadway to be abandoned:** Approximately 514.56 Sq. ft.

**Please provide all reasons for why the county should grant the road abandonment** (if necessary, attach additional sheets):

Petitioner owns the majority of the adjacent land and is the only party using the land to be abandoned. Petitioner seeks to unify this land by virtue of the road abandonment.

Monroe County Code Section 19-1 - Abandonment of rights-of-way states:

- (a) No dedicated and accepted right-of-way in the county shall be abandoned where:
  - (1) the right-of-way terminates on a body of open water; or
  - (2) the right-of-way provides access to the public to land on open water; or
  - (3) the abandonment would preclude a way for the public to maintain access to the water.
  
- (b) In all other cases of abandonment, no right-of-way shall be abandoned unless there is an agreement to do so by all affected property owners. For purposes of this subsection, an affected property owner is the owner of property which, if the right-of-way is abandoned, will:
  - (1) Have access that is currently used by that property owner eliminated;
  - (2) Have the only platted access eliminated;
  - (3) Have the paved area adjacent to that property increased for turn-around purposes; or
  - (4) Be increased in size.
  
- (c) A road may be abandoned only at the terminal portion of the road and in its full width unless the abandonment will comply with the County Code requirements for road, turn-around, and fire-rescue access and one of the following circumstances exists:
  - (1) An adjacent lot owner has on the platted right of way or within a setback a substantial structure which predates the Special Session Law 59-1578 pertaining to maps, plats and right of way. The term "substantial structure" specifically does not include wood or metal fences, sheds or tiki huts or other items not listed which are accessory structures.
  - (2) The abandonment is requested by a County department or governmental agency for a public purpose.
  
- (d) The board of county commissioners considers these a restriction on the rights of individuals who desire to abandon properties in accordance with F.S. § 336.09.

## APPLICATION

### All of the following must be submitted in order to have a complete application submittal:

(Please check as you attach each required item to the application)

- Complete road abandonment application** (unaltered and unbound); ATTACHED
- Correct fee** (check or money order to Monroe County Planning & Environmental Resources); ATTACHED
- Legal description of the portion of the roadway to be abandoned in metes and bounds**; ATTACHED AT TAB 1
- Proof of ownership of the petitioner's property(s)** (i.e. Warranty Deed); ATTACHED AT TAB 2.
- Current Property Record Card(s) from the Monroe County Property Appraiser for the petitioner's property**; ATTACHED AT TAB 3.
- Location map** (i.e. copy of strip map, aerial photograph); ATTACHED AT TAB 4.
- Photograph(s) of the roadway to be abandoned**; ATTACHED AT TAB 5.
- Signed and Sealed Survey of roadway to be abandoned and all adjoining properties, prepared by a Florida registered surveyor – 12 sets** (At a minimum, survey should include a legal description of the roadway; elevations; location and dimensions of all existing structures, paved areas and utility structures; roadways and easements; and all bodies of water on the site and adjacent to the site. The portion of the roadway to be abandoned should be marked with diagonal lines and the petitioner's property should be clearly delineated); ATTACHED AT TAB 6.
- Letters of "No Objection" from all utility companies** (Florida Keys Aqueduct Authority (FKAA); Florida Keys Electric Cooperative (FKEC) or Keys Energy Services; telephone utility, gas utility, cable utility, wastewater treatment authority, etc.); ATTACHED AT TAB 7
- Letters of "No Objection" from all affected property owners** (an affected property owner is a) one who would have a means of access to his or her property closed off as a result of the abandonment even though he or she may not actually use the right-of-way prior to abandonment or b) one whose property abuts the portion of the roadway to be abandoned); NOT APPLICABLE
- IF A CUL-DE-SAC OR "T-TYPE" TURNAROUND IS REQUIRED** to be constructed, it will be the responsibility of the Petitioner, if the road to be abandoned will result in an existing rock or paved road being shortened. See Monroe County Code §9.5-296(p). Your petition should specifically state your agreement to construct either the cul-de-sac or "T-type" turnaround per County Standard Specifications and Details. (Should you need additional information regarding this matter, please contact the Monroe County Engineering Department directly by phoning (305) 292-4427). NOT APPLICABLE

### If applicable, the following must be submitted in order to have a complete application submittal:

- Notarized Agent Authorization Letter** (note: authorization is needed from all owner(s) of the subject property) ATTACHED AT TAB 8

If deemed necessary to complete a full review of the application, the Planning & Environmental Resources Department reserves the right to request additional information.

Petitioners agree to be responsible for and pay for all costs of advertising and recording fees incurred relative to this request for the abandonment. The filing of a petition does not entitle one to abandonment.

Petitioners further agree to grant any easement necessary for the furnishing of utilities, including without limitation, electric power, water, sewer, telephone, gas, cable and other electric communication services to the same extent as is common within this area as to height, width and degree, upon request for such service or by the

APPLICATION

BOCC through its authorized agents. If easements are so required, copies of the executed documents will be provided to the County before the petition is presented to the BOCC.

Petitioners certify that the road to be abandoned does not end at open water or that, if it does, the road is not a dedicated and accepted right-of-way (including by operation of law due to construction or maintenance by the County).

**We hereby petition the Honorable Board of County Commissioners to renounce and disclaim any right of the County and the public in and to the above-referenced street, alleyway, road or right-of-way as further depicted and described in the attachments.**

By signing below, I certify that I am familiar with the information contained in this application, and that to the best of my knowledge such information is true, complete and accurate.

## *MARY C. READEL*

### *DECLARATION OF TRUST*

I, **MARY C. READEL**, of Sterling, Illinois, have transferred to myself as trustee certain property. I declare that I hold that property and all investments and reinvestments thereof and additions thereto (herein collectively referred to as the "trust estate") upon the following trusts:

#### ARTICLE I

##### Distributions During Grantor's Life

As long as I am alive and able to manage my affairs, I shall be trustee and any reference to trustee in this Declaration shall refer to me during such time. During my life the trust property shall be held and disposed of as follows:

1. *Distributions of Income and Principal.* During my lifetime the trustee shall pay the income from the trust estate in convenient installments to me or otherwise as I may from time to time direct, and also such sums from principal as I may request at any time. Except when I am trustee, any direction by me pursuant to this paragraph shall be in writing signed by me.

2. *Disability.* If at any time or times I shall be unable to manage my affairs, the trustee may use such sums from the income and principal of the trust estate as the trustee deems necessary or advisable for the support, comfort, maintenance and health of myself and any person dependent upon me, adding to principal any income not so used.

For purposes of this declaration, I shall be considered to be unable to manage my affairs if I am under a legal disability or by reason of illness or mental or physical disability am unable to give prompt and intelligent consideration to financial matters, and the determination as to my inability at any time shall be made by my personal physician attending me at the time of such determination and the trustee may rely upon written notice of that determination without further declaration by a court of law or any other body.

## ARTICLE II

### Trustee Succession

The following provisions shall apply to the acting trustee of this trust from time to time.

1. *Trustee Succession.* I may resign as trustee at any time by written notice to each beneficiary then entitled to receive or have the benefit of the income from the trust. After my resignation, death or inability to manage my affairs, **JOHN T. READEL** shall be successor trustee. If for any reason **JOHN T. READEL** is unwilling or unable to act as trustee, **AMCORE INVESTMENT GROUP, N.A.** shall be trustee.

2. *Trustee Resignation and Removal.* Any successor trustee may resign at any time by written notice to me if living, otherwise to each beneficiary then entitled to receive or have the benefit of the income from the trust. In addition, any corporate successor trustee may be removed by majority vote (by interest) of each beneficiary then entitled to receive or have the benefit of the income from the trust. In case of the resignation, removal, refusal or inability to act of any successor trustee acting or appointed to act hereunder, I if living, otherwise the beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the trust, shall appoint another corporate entity with trust powers and assets in excess of \$100,000,000.00 as successor trustee.

3. *Acts of Prior Trustees.* Every successor trustee shall have all the powers given the originally named trustee. No successor trustee shall be personally liable for any act or omission of any predecessor. With my approval if I am living, otherwise with the approval of the beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the trust, a successor trustee may accept the account rendered and the property received as a full and complete discharge to the predecessor trustee without incurring any liability for so doing, except that a successor to me as trustee shall without approval accept the assets delivered to the successor trustee as constituting all of the property to which the successor trustee is entitled and shall not inquire into my administration or accounting as trustee.

4. *Compensation and Reimbursement.* Any individual trustee shall be entitled to reasonable compensation for its services. Any corporate successor trustee shall receive compensation for its services in accordance with its schedule of fees in effect from time to time. Any trustee shall be reimbursed for all reasonable expenses incurred in the management and protection of the trusts.

## ARTICLE III

### Payment of Taxes and Expenses

1. *Direction to Trustee.* Upon my death the trustee shall pay from the principal of the trust estate all expenses of my last illness and funeral, costs of administration of my estate, including ancillary estate administration costs, costs of safeguarding and delivering legacies, other charges and claims allowable against my estate, and any estate and inheritance taxes assessed by reason of my death, except that the amount, if any, by which the estate and inheritance taxes shall be increased as a result of the inclusion of property in which I may have a qualifying income interest for life or over which I may have a power of appointment shall be paid by the person holding or receiving that property. Interest and penalties concerning any tax shall be paid and charged in the same manner as the tax. The trustee may make payment directly or to the legal representative of my estate, as the trustee deems advisable. I hereby waive all rights of reimbursement for any payments pursuant to this article.

2. *Trustee's Discretion.* Assets or funds otherwise excludable in computing federal estate taxes shall not be used to make the foregoing payments. The trustee's selection of assets to be sold for that purpose or to satisfy any pecuniary gifts, and the tax effect thereof, shall not be subject to question by any beneficiary.

The trustee shall make such elections under the tax laws as the trustee deems advisable, without regard to the relative interests of the beneficiaries. No adjustment shall be made between principal and income or in the relative interests of the beneficiaries to compensate for the effect of elections under the tax law made by the legal representative of grantor's estate or by the trustee.

The succeeding articles of this agreement shall be subject to the trustee making or providing for the foregoing payments.

## ARTICLE IV

### Marital Trust

1. *Creation and Funding of Marital Trust.* If JOHN T. READEL, herein referred to as "my spouse", survives me, the trustee as of my death shall set aside out of the trust estate, including any property added thereto by my will, as a separate trust, to be known

as the **Marital Trust**, for the benefit of my spouse (undiminished to the extent possible by any estate or inheritance taxes or other charges) a fraction of the trust property of which (i) the numerator is the smallest amount (if any) which, if allowed as a federal estate tax marital deduction, would result in the least possible federal estate tax payable by reason of my death, and (ii) the denominator is the federal estate tax value of the assets included in my gross estate which became (or the proceeds, investments or reinvestments of which became) trust property. In determining the amount of the numerator the trustee shall consider the credit for state taxes only to the extent those taxes are not thereby incurred or increased.

2. **Survivorship Clause.** For purposes of this declaration, my spouse shall be deemed to have survived me if the order of our deaths cannot be proved.

3. **Selection of Assets to Fund Marital Trust.** For purposes of the preceding paragraph, the trust property is all property in the trust estate, including any property added thereto by my will, which was not paid pursuant to the preceding articles of this declaration and which would qualify for the federal estate tax marital deduction if it were distributed outright to my spouse.

The trustee may select the property to be used to constitute the Marital Trust and the Family Trust hereunder, but to the extent that the trustee does not fractionalize individual assets to satisfy these fractional shares, the trustee must select such property in a manner that the assets, including cash, of each share shall have an aggregate fair market value representative of each share's proportionate share of the appreciation or depreciation in the value to the date or dates of allocation of all property then available for allocation.

Unproductive property shall not be held as an asset of the trust for more than a reasonable time during the lifetime of my spouse without my spouse's written consent.

4. **Mandatory Income Payments.** Commencing with my death the trustee shall pay the income from the Marital Trust in convenient installments, at least quarterly, to my spouse during my spouse's lifetime.

5. **Discretionary Principal Payments.** The trustee may also pay to my spouse such sums from principal as the trustee deems necessary or advisable from time to time for my spouse's health, maintenance in reasonable comfort, and best interests, considering my spouse's income from all sources known to the trustee.

6. **Unlimited Ability to Withdraw.** In addition, my spouse may withdraw any part or all of the principal at any time or times. The trustee shall make payment without question upon the written request of my spouse. The right of withdrawal shall be a privilege which

may be exercised only voluntarily and shall not include an involuntary exercise.

7. *Use of Real Estate.* If the Marital Trust holds any interest in any home my spouse and I used as our principal residence or as a vacation home at the time of my death, my spouse may continue to occupy any such home for their personal use, free of rent and expenses. The trustee shall pay all taxes, assessments, and expenses for the maintenance of any interest in any such property during the period of my spouse's use and occupancy pursuant to the terms of this paragraph, including the costs of repairs and reasonable improvements, and other operating costs associated with any interest in any such property. The trustee shall further continue insurance coverage of any interest in any such property, including liability and fire insurance, and shall continue making payments under any mortgage to which any interest in any such property is subject at the time of my death. My spouse shall not be required to furnish any bond with regard to any interest in any such property or to insure any interest in any such property, and neither my spouse nor the trustee shall be liable for any damage to or loss of any interest in any such property. If my spouse so requests, the trustee shall sell any interest in any such property and purchase with the proceeds another residence for my spouse's use under the terms of this paragraph. Unless my spouse is incapacitated, the trustee shall not sell any interest in any such property unless my spouse so requests.

8. *General Testamentary Power of Appointment.* Upon the death of my spouse the principal and any accrued and undistributed income of the Marital Trust shall be held in trust hereunder or distributed to or in trust for such appointee or appointees (including the estate of my spouse), with such powers and in such manner and proportions as my spouse may appoint by will making specific reference to this power of appointment. I intend that the Marital Trust shall qualify for the federal estate tax marital deduction in my estate.

9. *Distribution - Default.* Upon the death of my spouse any part of the principal and accrued and undistributed income of the Marital Trust not effectively appointed shall be added to the Family Trust, except that, unless my spouse directs otherwise by will, the trustee shall first pay from the principal of the Marital Trust, directly or to the legal representative of my spouse's estate as the trustee deems advisable, the amount by which the estate and inheritance taxes assessed by reason of the death of my spouse shall be increased as a result of the inclusion of the Marital Trust in my spouse's estate for such tax purposes. The trustee's selection of assets to be sold to pay that amount, and the tax effects thereof, shall not be subject to question by any beneficiary.

## ARTICLE V

### Family Trust

1. ***Creation of Family Trust.*** The trustee as of my death shall set aside the balance of the trust estate as a separate trust. The trust shall be designated the "Family Trust" and shall be held and disposed of as follows:

2. ***Payment of Income and Principal to Surviving Spouse.*** If my spouse survives me, then commencing with my death the trustee may pay to my spouse such sums from the income and principal as the trustee deems necessary or advisable from time to time for the support and maintenance in health and reasonable comfort of my spouse, but shall make no invasion of the Family Trust for my spouse so long as any readily marketable assets remain in the Marital Trust. Any income not so paid shall be added to principal.

A disclaimer by my spouse of any part or all of the Marital Trust shall not preclude my spouse from receiving benefits from the disclaimed property in the Family Trust.

3. ***Use of Real Estate.*** If the Family Trust holds any interest in any home my spouse and I used as our principal residence or as a vacation home at the time of my death, my spouse may continue to occupy any such home for their personal use, free of rent and expenses. The trustee shall pay all taxes, assessments, and expenses for the maintenance of any interest in any such property during the period of my spouse's use and occupancy pursuant to the terms of this paragraph, including the costs of repairs and reasonable improvements, and other operating costs associated with any interest in any such property. The trustee shall further continue insurance coverage of any interest in any such property, including liability and fire insurance, and shall continue making payments under any mortgage to which any interest in any such property is subject at the time of my death. My spouse shall not be required to furnish any bond with regard to any interest in any such property or to insure any interest in any such property, and neither my spouse nor the trustee shall be liable for any damage to or loss of any interest in any such property. If my spouse so requests, the trustee shall sell any interest in any such property and purchase with the proceeds another residence for my spouse's use under the terms of this paragraph. Unless my spouse is incapacitated, the trustee shall not sell any interest in any such property unless my spouse so requests.

4. ***Division of Family Trust Upon Second Death.*** Upon the death of my spouse, or upon my death if my spouse does not survive me, the trustee shall divide the Family Trust, including any amounts added thereto from the Marital Trust, into equal shares to create one share for each then living child of mine and one share for the then living descendants,

collectively, of each deceased child of mine. Each share so created shall be held as a separate trust to be administered as hereinafter provided.

5. **Purpose of Trust.** The express purpose of the Family Trust upon the death of the survivor of my spouse and I is to grant the trustee discretionary power to make distributions for the basic living, educational and medical needs of my children in my absence. It is my desire that the trustee use the funds of each child's share of the Family Trust to provide for the basic financial needs of my children without making them dependent on the trust assets for their support and living expenses as they enter adulthood, and to protect the assets from potential creditors and claimants of the child (including the preservation of the trust assets as non-marital property) so that the trust proceeds are available to the child as they attain the distribution ages set forth below.

6. **Discretionary Income and Principal Payments.** The trustee may pay to the child such sums from the income and principal of his or her trust as the trustee deems necessary or advisable from time to time for his or her health, maintenance in reasonable comfort, education (including postgraduate) and best interests, considering the income of the child from all sources known to the trustee. Any income not so paid shall be added to principal.

7. **Right to Withdraw.** After division of the Family Trust into shares, each living child may withdraw from the principal of his or her trust at any time or times not to exceed in the aggregate:

- A. 1/3 in value after 30 years of age;
- B. 1/2 in value (after deducting any amount subject to withdrawal but not actually withdrawn) after 35 years of age; and
- C. The balance after 40 years of age.

The value of the trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The trustee shall make payment without question upon the child's written request. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise.

8. **Prior Death of Child.** If a child dies before receiving his or her trust in full, then upon the death of the child his or her trust shall be distributed to his or her then living descendants *per stirpes*, subject to postponement of possession as provided below, or if none,

then to my then living descendants *per stirpes*, subject to postponement of possession as provided below, except that each portion otherwise distributable to a descendant of mine for whom a share of the Family Trust is then held hereunder shall be added to that trust.

9. ***Failure of Descendants.*** If upon the death of the survivor of my spouse and I, or at any time thereafter, but prior to complete distribution of the Family Trust, there is no living descendant of mine, any trust property then held under this Article shall be distributed to such of the **NIECES and NEPHEWS** of my spouse and I (collectively as one group, and not 1/2 to my nieces and nephews and 1/2 to the nieces and nephews of my spouse) who are then living in equal shares *per capita*, subject to postponement of possession as provided below.

10. ***Postponement of Possession.*** Each share of the Family Trust which is distributable to a descendant who has not reached the age of 40 years shall immediately vest in the descendant, but the trustee shall retain possession of the share as a separate trust for that descendant pursuant to the same terms and provisions as I have directed for my children under Sections 5 through 9 above.

## ARTICLE VI

### Administrative Provisions

The following provisions shall apply to the trust estate and to each trust under this declaration:

1. ***Facility of Payment.*** If income or discretionary amounts of principal become payable to a minor or to a person under legal disability or to a person not adjudicated disabled but who, by reason of illness or mental or physical disability, is in the opinion of the trustee unable properly to manage his or her affairs, then that income or principal shall be paid or expended only in such of the following ways as the trustee deems best: (a) to the beneficiary directly; (b) to a custodian for the beneficiary under a Uniform Transfers to Minors Act; (c) to the legally appointed guardian of the beneficiary; (d) by the trustee directly for the benefit of the beneficiary; (e) to an adult relative or friend in reimbursement for amounts properly advanced for the benefit of the beneficiary.

2. ***Spendthrift.*** The interests of beneficiaries in principal or income shall not be subject to the claims of any creditor, any spouse for alimony support, or others, or to legal process, and may not be voluntarily or involuntarily alienated or encumbered. This provision shall not limit the exercise of any power of appointment.

The rights of beneficiaries to withdraw trust property are personal and may not be exercised by a legal representative, attorney in fact or others.

3. *Accrued Income.* Income received after the last income payment date and undistributed at the termination of any estate or interest shall, together with any accrued income, be paid by the trustee as income to the persons entitled to the next successive interest in the proportions in which they take that interest, except that upon my death the undistributed income shall be paid to my spouse if then living, otherwise added to principal.

4. *Common Fund and Consolidation.* For convenience of administration or investment, the trustee may hold several trusts as a common fund, dividing the income proportionately among them, assign undivided interests to the several trusts, and make joint investments of the funds belonging to them. The trustee may consolidate any separate trust with any other trust with similar provisions for the same beneficiary or beneficiaries.

5. *Powers.* The trustee shall hold, manage, care for and protect the trust property and shall have the following powers and, except to the extent inconsistent herewith, those now or hereafter conferred by law:

A. To retain any property (including stock of any corporate trustee hereunder or a parent or affiliate company) originally constituting the trust or subsequently added thereto, although not of a type, quality or diversification considered proper for trust investments;

B. To invest and reinvest the trust property in bonds, stocks, mortgages, notes, bank deposits, shares of registered investment companies, or other property of any kind, real or personal, domestic or foreign, suitable for the investment of trust funds;

C. To cause any property, real or personal, belonging to the trust to be held or registered in the trustee's name or in the name of a nominee or in such other form as the trustee deems best without disclosing the trust relationship;

D. To vote in person or by general or limited proxy, or refrain from voting, any corporate securities for any purpose, except that any security as to which the trustee's possession of voting discretion would subject the issuing company or the trustee to any law, rule or regulation adversely affecting either the company or the trustee's ability to retain or vote company securities, shall be voted as directed by me if living, otherwise by the beneficiaries then

entitled to receive or have the benefit of the income from the trust; to exercise or sell any subscription or conversion rights; to consent to and join in or oppose any voting trusts, reorganizations, consolidations, mergers, foreclosures and liquidations and in connection therewith to deposit securities and accept and hold other property received therefor;

E. To lease trust property for any period of time though commencing in the future or extending beyond the term of the trust, even if said period of time extends beyond the rule against perpetuities;

F. To borrow money from any lender, extend or renew any existing indebtedness and mortgage or pledge any property in trust for any period of time (even if beyond the rule against perpetuities);

G. To sell at public or private sale, contract to sell, convey, exchange, transfer and otherwise deal with the trust property and any reinvestments thereof, from time to time (even if the terms of said sale or transfer extend beyond the rule against perpetuities) for such price and upon such terms as the trustee sees fit;

H. To designate an individual or individuals as an authorized signor for any trust bank accounts, investment accounts, or safe deposit box;

I. To employ such lawyers, accountants, and other advisers as the trustee may deem useful and appropriate for the administration of the trust. The trustee may employ a professional investment adviser and delegate to this adviser any discretionary investment authorities to manage the investments of the trust, including any investment in mutual funds, investment trusts, or managed accounts, and may rely on the adviser's investment recommendations without liability to any beneficiary;

J. To compromise, contest, prosecute or abandon claims in favor of or against the trust;

K. To distribute income and principal in cash or in kind, or partly in each, and to allocate or distribute undivided interests or different assets or disproportionate interests in assets, and no adjustment shall be made to compensate for a disproportionate allocation of unrealized gain for federal income tax purposes; to value the trust property and to sell any part or all thereof in order to make allocation or distribution; no action taken by the

trustee pursuant to this paragraph shall be subject to question by any beneficiary;

L. To deal with, purchase assets from, or make loans to, the fiduciary of any trust made by me or any member of my family or a trust or estate in which any beneficiary under this declaration has an interest, though a trustee hereunder is the fiduciary, and to retain any property so purchased; to deal with a corporate trustee hereunder individually or a parent or affiliate company;

M. To establish out of income and credit to principal reasonable reserves for depletion, but reserves for depreciation shall not be established except to the extent that the trustee determines that readily marketable assets in the principal of the trust will be insufficient for any renovation, major repair, improvement or replacement of trust property which the trustee deems advisable;

N. To elect, pursuant to the terms of any employee benefit plan, individual retirement plan or insurance contract, the mode of distribution of the proceeds thereof, and no adjustment shall be made in the interests of the beneficiaries to compensate for the effect of the election;

O. To perform other acts necessary or appropriate for the proper administration of the trust, execute and deliver necessary instruments and give full receipts and discharges; and

P. To commingle the trust assets with other trusts; to hold the assets of the trust as tenants in common with other trusts.

6. **Annual Accounting.** The trustee shall render an account of its receipts and disbursements and a statement of assets at least annually to me if living, otherwise to each adult beneficiary then entitled to receive or have the benefit of the income from the trust.

7. **Small Trust Termination.** The trustee may in its discretion terminate and distribute any trust hereunder if the trustee determines that the costs of continuance thereof will substantially impair accomplishment of the purposes of the trust.

8. **Representation of Beneficiary.** The parent or guardian of a beneficiary under disability shall receive notice and have authority to act for the beneficiary under this Article.

9. *Waiver of Bond.* No trustee wherever acting shall be required to give bond or surety or be appointed by or account for the administration of any trust to any court in order to perform its duties provided hereunder.

10. *Special Trustee.* If for any reason any successor trustee is unwilling or unable to act as to any property, such person or qualified corporation as the successor trustees shall from time to time designate in writing shall act as special trustee as to that property. Any person or corporation acting as special trustee may resign at any time by written notice to the successor trustees. Each special trustee shall have the powers granted to the trustee by this declaration, to be exercised only with the approval of the successor trustees, to which the net income and the proceeds from the sale of any part or all of the property shall be remitted to be administered under this declaration.

11. *Insurance.* With respect to any policy of life insurance under which the death benefits are made payable to the trustee:

A. The owner or owners thereof reserve all available benefits, privileges, payments, dividends, surrender values, options and elections, including the right at any time or times to change the beneficiary, to pledge or assign the policy or its proceeds as collateral security for any loan which the owner or owners may obtain from any lender, including a trustee hereunder individually or a parent or affiliate company, and to withdraw the policy if deposited with the trustee, without any duty on the trustee to see to its return.

B. The trustee need not pay or see to the payment of premiums or assessments on the policy.

C. Upon the death of the insured thereunder the trustee shall take such action as the trustee deems best to collect the policy proceeds, paying the expense thereof from the trust estate, but the trustee need not enter into or maintain any litigation to enforce payment on the policy until indemnified to the trustee's satisfaction against all expenses and liabilities to which the trustee might thereby be subjected. The trustee may release the insurance company from its liability under the policy and make any compromise which the trustee deems proper.

D. The insurance company shall not take notice of the provisions of this declaration to see to the application of the policy proceeds, and the trustee's receipt to the insurance company shall be a complete release for any payment made and shall bind every beneficiary under this declaration.

E. The trust shall be operative with respect to the proceeds of the policy at the death of the insured thereunder, after deducting all charges by way of advances, loans or otherwise in favor of the owner or owners or any other person.

12. *Qualified Perpetual Trust.* Pursuant to the provisions of 305 ILCS 305/4(a)(8), I hereby direct that the Rule Against Perpetuities will not apply to this trust, and that this trust shall therefore meet the definition of a "Qualified Perpetual Trust" within the meaning of 305 ILCS 305/3.

## ARTICLE VII

### Governing Law

The law of the state in which the trust property shall from time to time have its situs for administration shall govern the validity and interpretation of the provisions of the declaration.

## ARTICLE VIII

### Additions

I or any other person may transfer or bequeath additional property to the trustee to be held under this declaration and may designate the trust to which the property shall be added. If the addition is made by will, the trustee shall accept the statement of the legal representative that the assets delivered to the trustee constitute all of the property to which the trustee is entitled, without inquiring into the representative's administration or accounting.

## ARTICLE IX

### Right to Revoke

I may at any time or times amend or revoke this declaration in whole or in part by instrument in writing (other than a will) delivered to the trustee. The trust property to which any revocation relates shall be conveyed to me or otherwise as I direct. This power is personal to me and may not be exercised by my legal representative, attorney in fact or others unless I have expressly granted this authority under my Power of Attorney for Property.

IN WITNESS WHEREOF, I have signed this Declaration this 29<sup>th</sup> day of July, 2003.

By:

MARY C. READEL,  
individually and as trustee

STATE OF ILLINOIS            )  
                                           )  
 COUNTY OF WINNEBAGO        )        SS.

The undersigned Notary Public hereby certifies that **MARY C. READEL**, personally known to the undersigned to be the same person whose name is signed to the foregoing instrument, appeared before the undersigned this day in person and acknowledged that she signed the instrument as her free and voluntary act, for the uses and purposes therein set forth.

Given under my hand and official seal this 29<sup>th</sup> day of July, 2003.

UTILITY BOARD OF THE CITY OF KEY WEST

September 29, 2014

Richard J. McChesney, Esq.  
SMITH OROPEZA, P.L.  
138 – 142 Simonton Street  
Key West, FL 33040

RE: Road Abandonment – 20820 7<sup>th</sup> Ave West, Cudjoe Key

Dear Mr. McChesney:

Keys Energy Services (KEYS) has reviewed your request for road abandonment for portion of 20820 7<sup>th</sup> Ave West in Cudjoe Key. KEYS has no objection to the proposed road abandonment, our facilities are outside of the proposed area.

If you have any questions, please feel free to contact me at 305.295.1055.

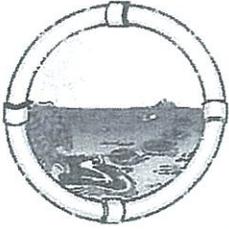

Sincerely,

A handwritten signature in cursive script that reads "Matthew Alfonso".

Dear Mr. McChesney:

RE: Abandonment of the portion of roadway right of way in Cudjoe Gardens Sixth Addition Subdivision

The FCAA Board of Directors approved at the October 22, 2014 meeting, the above referenced project.

Pursuant to your request, staff has researched your request and the FCAA have no objection to the abandonment of the portion of roadway right of way in Cudjoe Gardens Sixth Addition Subdivision in Monroe County. The FCAA has no facilities located within the area of requested abandonment.

Should you have any questions, please do not hesitate to call this office.

Sincerely,

*Comcast Letter of No Objection to Abandonment of Portion of 20820 7<sup>th</sup> Ave West, Cudjoe Key, Florida 33040*  
**Comcast ID # - CWSI-M14-2168**

Dear Mr. McChesney:

Please Be Advised ...in reference to the **proposed abandonment of a portion of 20820 7<sup>th</sup> Ave West...**

Comcast has reviewed the survey of the area of 20820 7<sup>th</sup> Ave West, Cudjoe Key, Florida, that the Mary C. Readell Rev. Trust 7/29/03 proposes be abandoned by Monroe County. The survey was provided in an e-mail from Richard McChesney, Esq. on September 30, 2014.

Comcast does not object to the abandonment of the area delineated on the survey, which is attached to this letter.

Should you have any further questions, please feel free to call me.

Cordially,

**Chris Henning**

Subject: ***Requested Road Abandonment:  
Monroe County Board of County Commissioners  
Being a portion of 20820 7<sup>th</sup> Avenue West, Cudjoe Key, as shown on the attached  
survey.***

To Mr. Smith:

Our engineering department has reviewed the above referenced request. Presently, AT&T has no existing facilities in the area of the above mentioned section. AT&T has no objection to the abandonment of the above referenced Right of Way.

If further assistance is needed, please do not hesitate to call me on (305) 296-9077.

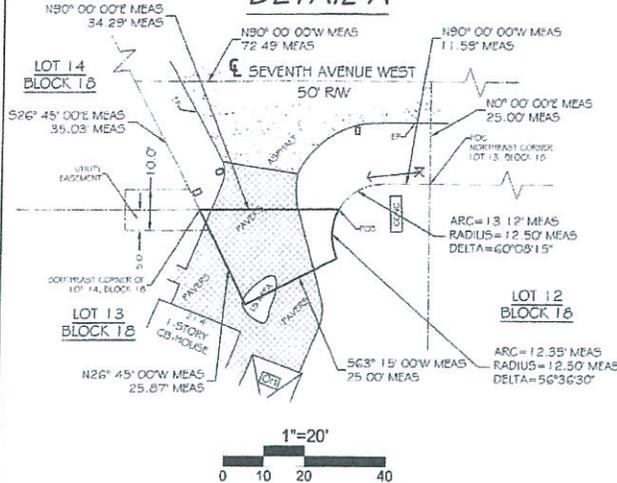

Thank You,

MEMORANDUM**

**To:** Gail Creech, Planning Commission Coordinator

**From:** Judy Clarke, P.E., Director of Engineering Services

**Date:** January 15, 2015

**Re:** File # 2014-177, Mary C Readel Rev. Trust Road Abandonment Petition

---

I have reviewed the above referenced road abandonment petition for a portion of 7<sup>th</sup> Avenue West in Cudjoe Gardens. The proposed abandonment does not conform to the requirements of Resolution No. 250-1998 regarding abandonments of rights-of-way; additionally, granting the requested abandonment will eliminate the t-turnaround at the end of 7<sup>th</sup> Avenue West. Accordingly, Engineering Department objects to this petition, which would eliminate the required T-turnaround.

If you should have any questions or need any additional information, please feel free to contact me by telephone at 305-295-4329 or by email at [clarke-judith@monroecounty-fl.gov](mailto:clarke-judith@monroecounty-fl.gov).

Date: December 23, 2014

Re: Road abandonment Petition for Readel... File # 2014-177

---

I have reviewed the petition for road abandonment for the above described location. It appears that this land is a small non buildable piece of land adjacent to the petitioner's property. The Petitioner has maintained the property over the years. It is not a road. The property in question is bordered by the petitioners other parcel of land. Ingress/egress is not an issue. There is not going to be an issue with additional traffic or hazards to the neighborhood.

The Monroe County Sheriff's Office has no objections to the abandonment of this land.

Please feel free to contact me if you have further questions.

**AGENDA ITEM WORDING:**

A public hearing to consider an ordinance by the Monroe County Board of County Commissioners amending Table 4.1 Five-Year Schedule of Capital Improvements pursuant to Section 163.3177(3)(b), F.S. (**Legislative Proceeding**)

---

**ITEM BACKGROUND:**

Section 163.3180, F.S. requires sanitary sewer, solid waste, drainage, and potable water to be the only public facilities and services subject to the concurrency requirement state-wide. The local comprehensive plan must include adopted level of service standards to guide its application of concurrency. Section 163.3177(3)(a), F.S. requires the comprehensive plan to include a Capital Improvements Element. Projects necessary to ensure that adopted levels of service standards are achieved and maintained for a 5-year period must be identified. Section 163.3177(3)(b), F.S. requires a local government's Capital Improvements Element be reviewed on an annual basis.

Modifications to update the 5-year capital improvements schedule may be accomplished by ordinance and may not be deemed to be amendments to the comprehensive plan.

---

**PREVIOUS RELEVANT BOCC ACTION:**

The BOCC adopted Ordinance 001-2014 on January 16, 2014, which updated Table 4.1: Five-Year Schedule of Capital Improvements for FY2014-2018.

The BOCC adopted Ordinance 007-2015 on February 18, 2015, which updated Table 4.1: Five-Year Schedule of Capital Improvements for FY2015-2019.

**MONROE COUNTY, FLORIDA**  
**MONROE COUNTY BOARD OF COUNTY COMMISSIONERS**  
**ORDINANCE NO. \_\_\_\_-2016**

**AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE CAPITAL IMPROVEMENTS ELEMENT TO UPDATE TABLE 4.1, THE 5-YEAR SCHEDULE OF CAPITAL IMPROVEMENTS WITHIN THE MONROE COUNTY YEAR 2010 COMPREHENSIVE PLAN, PURSUANT TO §163.3177(3)(a) AND §163.3177(3)(b), FLORIDA STATUTES; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF INCONSISTENT PROVISIONS; PROVIDING FOR THE FILING WITH THE SECRETARY OF STATE; PROVIDING FOR AN EFFECTIVE DATE.**

---

**WHEREAS**, the Monroe County Board of County Commissioners makes the following Findings:

1. Pursuant to § 163.3164(7), Florida Statutes, “Capital improvement” means physical assets constructed or purchased to provide, improve, or replace a public facility and which are typically large scale and high in cost. The cost of a capital improvement is generally nonrecurring and may require multiyear financing. For the purposes of this part, physical assets that have been identified as existing or projected needs in the individual comprehensive plan elements shall be considered capital improvements.
2. Pursuant to §163.3177(3)(a), Florida Statutes, the comprehensive plan shall contain a capital improvements element designed to consider the need for and the location of public facilities in order to encourage the efficient use of such facilities.
3. Pursuant to §163.3177(3)(a)1., Florida Statutes, the comprehensive plan shall contain a component that outlines principles for construction, extension, or increase in capacity of public facilities, as well as outline principles for correcting existing public facility deficiencies, which are necessary to implement the comprehensive plan. The components shall cover at least a 5-year period.
4. Pursuant to §163.3177(3)(a)2., Florida Statutes, the comprehensive plan shall contain estimated public facility costs, including a delineation of when facilities will be needed, the general location of the facilities, and projected revenue sources to fund the facilities.

- 1 5. Pursuant to §163.3177(3)(a)3., Florida Statutes, the comprehensive plan shall contain  
2 standards to ensure the availability of public facilities and the adequacy of those facilities to  
3 meet established acceptable levels of service.  
4
- 5 6. Pursuant to §163.3177(3)(a)4., Florida Statutes, a schedule of capital improvements shall  
6 include any publicly funded projects of federal, state, or local government, and may include  
7 privately funded projects for which the local government has no fiscal responsibility.  
8 Projects necessary to ensure that any adopted level-of-service standards are achieved and  
9 maintained for the 5-year period must be identified as either funded or unfunded and given  
10 a level of priority for funding.  
11
- 12 7. Pursuant to §163.3177(3)(b), Florida Statutes, the capital improvements element must be  
13 reviewed by the local government on an annual basis. Modifications to update the 5-year  
14 capital improvement schedule may be accomplished by ordinance and may not be deemed  
15 to be amendments to the local comprehensive plan.  
16
- 17 8. Objective 1401.1 of the Year 2010 Comprehensive Plan mandates Monroe County to  
18 provide the capital improvements necessary to correct existing deficiencies, to  
19 accommodate projected future growth, and to replace obsolete and worn-out facilities, in  
20 accordance with an adopted Capital Improvements Program.  
21
- 22 9. Policy 1401.1.1 of the Year 2010 Comprehensive Plan mandates Monroe County to  
23 revise the existing County Capital Improvements Program to incorporate the  
24 improvements identified in the Five-Year Schedule of Capital Improvements included in  
25 Table 4.1 of Capital Improvements Implementation.  
26
- 27 10. Policy 1401.1.2 mandates Monroe County to annually update the Year 2010  
28 Comprehensive Plan Five-Year Schedule of Capital Improvements, and further provides  
29 that revisions to the schedule shall be incorporated into the Capital Improvements  
30 Program on an annual basis.  
31
- 32 11. Monitoring and Evaluation Procedures 5.0 (1) and (2) of the Year 2010 Comprehensive  
33 Plan requires that the Five-Year Schedule of Capital Improvements (CIP) be reviewed  
34 and updated annually, in order to allocate financial resources to implement the Plan.  
35
- 36 12. The amendment furthers the Principles for Guiding Development of the Florida Keys  
37 Area of Critical State Concern.  
38

**MEMORANDUM**  
**MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT**  
*We strive to be caring, professional and fair*

**To:** Monroe County Board of County Commissioners

**Through:** Christine Hurley, Director of Growth Management Division

**From:** Mayté Santamaria, Senior Director of Planning and Environmental Resources  
Kevin Madok, Sr. Director of Strategic Planning

**Date:** December 28, 2015

**Subject:** Request to amend Table 4.1 Five-Year Schedule of Capital Improvements of the Capital Improvements Element, Monroe County Year 2010 Comprehensive Plan

---

**Meeting:** **January 20, 2016**

1  
2 **A. PURPOSE**

3 As stated in §163.3177(3), F.S.:

4 (a) The comprehensive plan shall contain a capital improvements element designed to consider  
5 the need for and the location of public facilities in order to encourage the efficient use of  
6 such facilities and set forth:

- 7 1. A component that outlines principles for construction, extension, or increase in capacity  
8 of public facilities, as well as a component that outlines principles for correcting  
9 existing public facility deficiencies, which are necessary to implement the  
10 comprehensive plan. The components shall cover at least a 5-year period.
- 11 2. Estimated public facility costs, including a delineation of when facilities will be  
12 needed, the general location of the facilities, and projected revenue sources to fund the  
13 facilities.
- 14 3. Standards to ensure the availability of public facilities and the adequacy of those  
15 facilities to meet established acceptable levels of service.
- 16 4. A schedule of capital improvements which includes any publicly funded projects of  
17 federal, state, or local government, and which may include privately funded projects for  
18 which the local government has no fiscal responsibility. Projects necessary to ensure  
19 that any adopted level-of-service standards are achieved and maintained for the 5-year  
20 period must be identified as either funded or unfunded and given a level of priority for  
21 funding.
- 22 5. The schedule must include transportation improvements included in the applicable  
23 metropolitan planning organization's transportation improvement program adopted  
24 pursuant to s. 339.175(8) to the extent that such improvements are relied upon to ensure  
25 concurrency and financial feasibility. The schedule must be coordinated with the

1 applicable metropolitan planning organization’s long-range transportation plan adopted  
2 pursuant to s. 339.175(7).  
3

- 4 (b) The capital improvements element must be reviewed by the local government on an annual  
5 basis. Modifications to update the 5-year capital improvement schedule may be  
6 accomplished by ordinance and may not be deemed to be amendments to the local  
7 comprehensive plan.  
8

9 **B. PROPOSED AMENDMENT**

10 Staff is requesting that the Monroe County Board of County Commissioners adopt an  
11 amendment to Table 4.1 Five-Year Schedule of Capital Improvements, within the Year 2010  
12 Comprehensive Plan, to reflect the capital improvement projects adopted by the BOCC in the  
13 County’s annual budget and ensure level-of-service standards are achieved and maintained.  
14 Exhibit A is a strikethrough version of the current Table 4.1 and Exhibit B is the proposed update  
15 for Fiscal Years 2016 -2020.  
16

17 The definition of “Capital Improvement” pursuant to §163.3164(7), F.S., means “physical assets  
18 constructed or purchased to provide, improve, or replace a public facility and which are typically  
19 large scale and high in cost. The cost of a capital improvement is generally nonrecurring and  
20 may require multiyear financing. For the purposes of this part, physical assets that have been  
21 identified as existing or projected needs in the individual comprehensive plan elements shall be  
22 considered capital improvements.”  
23

24 Section 163.3177(3)(a)4., F.S., requires that projects necessary to ensure that any adopted level-  
25 of-service standards are achieved and maintained for the five-year period be identified as either  
26 funded or unfunded and given a level of priority for funding and that the capital improvements  
27 element must be reviewed by the local government on an annual basis.  
28

29 **C. DATA AND ANALYSIS**

30 Table 4.1, Five-Year Schedule of Capital Improvements for Fiscal Years 2016 – 2020 (Exhibit  
31 B) lists the public facilities which Monroe County will provide in order to reduce existing  
32 deficiencies, provide for necessary replacements, and meet the future demand identified by the  
33 Comprehensive Plan. Exhibit C includes data and the portions of the County’s FY 16-20 adopted  
34 budget which identify and support capital improvement projects.  
35

36 Objective 101.1 of the Comprehensive Plan establishes that, at the time a development permit is  
37 issued, adequate public facilities must be available to serve the development at the adopted level  
38 of service standard concurrent with the impacts of such development. The proposed Five-Year  
39 Schedule of Capital Improvements for FY 15-19 includes capital improvement projects related to  
40 the public facilities types which have adopted level of service (LOS) standards within the  
41 Comprehensive Plan:  
42

- 43 1. Transportation (Policy 301.1.1)
- 44 2. Potable Water (Policy 701.1.)
- 45 3. Solid Waste (Policy 801.1.1)
- 46 4. Sanitary Sewer (Policy 901.1)

- 5. Drainage and Storm Water (Policy 1001.1.1)
- 6. Parks and Recreation (Policy 1201.1.1)

Additionally, the proposed Five-Year Schedule of Capital Improvements for FY 15-19 includes Land Development & Land Acquisition projects which further Comprehensive Plan Goal 105 and Objectives 101.6 and 102.4; and General Government capital improvement projects that are not associated with adopted Comprehensive Plan LOS standards.

## **1. TRANSPORTATION FACILITIES**

The Level of Service (LOS) for roads is regulated by the Element 3.3 Traffic Circulation in the Comprehensive Plan.

### **GOAL 301**

To provide a safe, convenient, efficient, and environmentally-compatible motorized and non-motorized transportation system for the movement of people and goods in Monroe County.

#### **Objective 301.1**

Establish level of service (LOS) standards for all roads in Monroe County for the purpose of determining existing and future roadway needs.

##### **Policy 301.1.1**

For all County roads, Monroe County hereby adopts a minimum peak hour level of service (LOS) standard of D, based on the Florida Department of Transportation (FDOT) methodology for determination of LOS, as measured by peak hour traffic volume. The County shall maintain the level of service on County roads within five percent (5%) of LOS D.

##### **Policy 301.1.2**

For US-1, Monroe County hereby adopts a level of service (LOS) standard of C based on the methodology developed by the US-1 LOS Task Force and adopted by the Board of County Commissioners in August 1991, for analyzing the LOS on US-1 in Monroe County. This methodology replaces a peak hour volume standard for US-1. The level of service on US-1 shall be maintained within five percent (5%) of LOS C.

#### **Objective 301.2**

Ensure that all roads have sufficient capacity to serve development at the adopted LOS standards concurrent with the impact of said development.

##### **Policy 301.2.2**

Monroe County shall not permit new development which, in combination with all other development, would significantly degrade the LOS below the adopted LOS standards. A five percent projected decrease in travel speeds is a significant degradation in the level of service on US-1. Traffic volume which exceeds the LOS D standard by more than five percent is a significant degradation in the level of service on any other road.

1  
2 **LEVEL OF SERVICE ANALYSIS**  
3

4 The FDOT District 6 transportation improvement projects are included in the 5-Year CIE  
5 Schedule.  
6

7 U.S. 1 is the only principal arterial serving the Keys. Monroe County has the Florida Department  
8 of Transportation (FDOT) conduct a biennial study to monitor the level of service on U.S. 1. The  
9 2015 Arterial Travel and Time Delay Study indicates that the overall level of service (LOS) of  
10 U.S. 1 at "C." Based on this data, the adopted LOS for U.S. 1 continues to be maintained.  
11

12 **2. POTABLE WATER FACILITIES**  
13

14 The Level of Service (LOS) for potable water is regulated by the Element 3.7 Potable Water in  
15 the Comprehensive Plan.  
16

17 Objective 701.1: Monroe County shall ensure that at the time a development permit is  
18 issued, adequate potable water supply, treatment, and distribution facilities are available to  
19 support the development at the adopted level of service standard concurrent with the impacts  
20 of such development.  
21

22 Policy 701.1.1: Monroe County hereby adopts the following level of service standard  
23 concurrent to achieve Objective 701.1 and shall use these standards as the basis for  
24 determining facility capacity and the demand generated by a development.  
25

26 Level of Service Standard:

- 27 1. Quantity:
- |                                                                   |                        |
|-------------------------------------------------------------------|------------------------|
| 28 Residential LOS                                                | 66.50 gal./capita/day  |
| 29 Non-Residential LOS                                            | 0.35 gal./sq. ft./day  |
| 30 Overall LOS                                                    | 132.00 gal./capita/day |
|                                                                   | (Ord. 021-2009)        |
| 33 Equivalent Residential Unit                                    | 149.00 gallons per day |
| 34 (2.24 average persons per household x 66.5 gallons/capita/day) |                        |
- 36 2. Minimum Pressure:  
37 20 PSI at customer service  
38
- 39 3. Minimum Potable Water Quality:  
40 Shall be as defined by the U.S. Environmental Protection Agency. (Part  
41 143-National Secondary Drinking Standards, 40 CFR 143, 44FR 42198)  
42

43 Note: FKAA has recommended an overall LOS for Monroe County of 100 gallons/capita/day,  
44 and this adjustment has been included in the Monroe County 2030 Comprehensive Plan update  
45 which was approved by the BOCC for transmittal to the State on January 14, 2015.  
46

1 LEVEL OF SERVICE ANALYSIS

2  
3 The Florida Keys Aqueduct Authority (FKAA) is the sole provider of potable water in the  
4 Florida Keys. FKAA's primary water supply is the Biscayne Aquifer, a shallow groundwater  
5 source. The groundwater from the wellfield is treated at the FKAA's Water Treatment Facility in  
6 Florida City, which currently has a maximum water treatment design capacity of 29.8 million  
7 gallons per day (MGD). The primary water treatment process is a conventional lime  
8 softening/filtration water treatment plant and is capable of treating up to 23.8 MGD from the  
9 Biscayne Aquifer. The secondary water treatment process is the Reverse Osmosis water  
10 treatment plant and is capable of producing 6 MGD from the brackish Floridan Aquifer. The two  
11 saltwater Reserve Osmosis (RO) plants, located on Stock Island and Marathon, are available to  
12 produce potable water under emergency conditions. The RO desalination plants have design  
13 capacities of 2.0 and 1.0 MGD of water, respectively.

14  
15 The FKAA maintains storage tank facilities which provide an overall storage capacity of 45.2  
16 million gallons system wide. The sizes of tanks vary from 0.2 to 5.0 million gallons. These tanks  
17 are utilized during periods of peak water demand and serve as an emergency water supply. Since  
18 the existing transmission line serves the entire Florida Keys (including Key West), and storage  
19 capacity is an integral part of the system, the capacity of the entire system must be considered  
20 together.

21  
22 In March 2008, South Florida Water Management District (SFWMD) approved the FKAA's  
23 modification of WUP 13-00005-5-W for a 20-year allocation from the Biscayne and Floridan  
24 Aquifers. This modified WUP provides an annual allocation of 8,751 Million Gallons (MG) or  
25 23.98 MGD and a maximum monthly allocation of 809 MG with a limited annual withdrawal  
26 from the Biscayne Aquifer of 6,492 MG or 17.79 MGD and an average dry season (December  
27 1<sup>st</sup>-April 30<sup>th</sup>) of 17.0 MGD.

28  
29 The County's 2014-water demand was 17.47 MGD, with a projected 2015 water demand of  
30 17.76 MGD. This provides a 6.22 MGD surplus water allocation based upon the projected 2015  
31 demand.

32  
33 The following tables provides an overview of the actual water demands in the FKAA service  
34 area including Water Use Permit (WUP) allocation limits, and remaining water allocations  
35 (2,339 MG).

1 With the construction of the new water supply wells and RO water treatment, the new reclaimed  
2 systems, and the ability to operate the 3.0 MGD RO desalination plants during emergency  
3 situations, there is an adequate supply of water to meet current and future demands, based on  
4 current conditions and projections. FKAA will continue to monitor and track conditions and  
5 events that could negatively impact the existing water supply. Any such impacts will be  
6 evaluated to determine future changes necessary to continue servicing Monroe County with  
7 adequate supply. Based on this data, the County is maintaining its adopted LOS.

8  
9 FKAA replacement and improvement projects are included in the 5-Year CIE Schedule.

### 10 11 **3. SOLID WASTE FACILITIES**

12  
13 The Comprehensive Plan and the LDC require that sufficient capacity shall be available at a solid  
14 waste disposal site to accommodate all existing and approved development for a period of at least  
15 three years from the projected date of completion of a proposed development or use.

16  
17 Objective 801.1: Monroe County shall ensure that solid waste collection service and disposal  
18 capacity is available to serve development at the adopted level of service standard  
19 concurrent, concurrent with the impacts of such development.

20  
21 Policy 801.1.1: Monroe County hereby adopts the following level of service standard  
22 concurrent to achieve Objective 801.1, and shall use these standards as the basis for  
23 determining facility capacity and the demand generated by a development.

#### 24 25 26 Level of Service Standard:

##### 27 Disposal Quantity:

28 5.44 pounds per capita per day or 12.2 pounds per day per ERU  
29 (Equivalent Residential Unit)

##### 30 31 Haul Out Capacity:

32 95,000 tons per year or 42,668 ERUs.

##### 33 34 Duration of Capacity:

35 Sufficient capacity shall be available at a solid waste disposal site to  
36 accommodate all existing and approved development for a period of three (3)  
37 years from the projected date of completion of the proposed development or  
38 use.

### 39 40 LEVEL OF SERVICE ANALYSIS

41  
42 Monroe County has a contract with Waste Management (WMI) with a contract term of October  
43 1, 2014 through September 20, 2024. The contract authorizes the use of in-state facilities through  
44 September 30, 2024; thereby, providing the County with approximately ten years of guaranteed  
45 capacity for the haul out and disposal of 95,000 tons/year of solid waste not including yard  
46 waste. Currently, there is adequate capacity for solid waste generation.

1  
2 **4. SANITARY SEWER FACILITIES**  
3

4 The Comprehensive Plan does not establish a capacity LOS standard for sanitary sewers but does  
5 includes treatment standards. The Monroe County Comprehensive Plan establishes the following  
6 LOS treatment standards:  
7

8 Objective 901.1: Monroe County shall ensure that, at the time a development permit is  
9 issued, adequate sanitary wastewater treatment and disposal facilities, including wastewater  
10 treatment facilities and onsite sewage treatment and disposal, are available to support the  
11 development at the adopted level of service standards, concurrent with the impacts of such  
12 development.  
13

14 Policy 901.1.1: Monroe County shall ensure that, at the time a development permit  
15 is issued, adequate sanitary wastewater treatment and disposal facilities are  
16 available to support the development at the adopted level of service standards,  
17 concurrent with the impacts of such development.  
18

19 (A) The permanent level of service standards for wastewater treatment in  
20 Monroe County are as provided in House Bill 1993 adopted by the 1999  
21 Legislature.  
22

23 The Monroe County Sanitary Wastewater Master Plan, mandated by the Comprehensive Plan,  
24 establishes a LOS capacity of 145 gpd/EDU. Currently, the following wastewater facilities are  
25 listed as scheduled projects on the 5-Year Schedule of Capital Improvements table: FCAA: Key  
26 Haven, Duck Key, Big Coppitt and Layton; and Monroe County: Cudjoe Regional.  
27

28 Multiple wastewater projects are included to complete wastewater tasks pursuant to Sections  
29 380.00522, 403.086, 381.0065, Florida Statutes and Rule 28-20.140, Florida Administrative  
30 Code.  
31

32 **5. DRAINAGE FACILITIES**  
33

34 The Monroe County Comprehensive Plan establishes the LOS standards for drainage.  
35

36 Policy 1001.1.1

37 Water Quality Level of Service Standards - Minimum Water Quality:  
38

- 39 1. All projects shall be designed so that the discharges will meet Florida  
40 State Water Quality Standards as set forth in Chapters 17-25 and 17-302,  
41 F.A.C, incorporated herein by reference. In addition, all projects shall  
42 include an additional 50% of the water quality treatment specified below,  
43 which shall be calculated by multiplying the volumes obtained in Section  
44 (a) by a factor of 1.5 , Retention/Detention Criteria (SFWMD Water  
45 Quality Criteria 3.2.2.2):  
46

- 1 a) Retention and/or detention in the overall system, including swales,  
2 lakes, canals, greenways, etc., shall be provided for one of the  
3 three following criteria or equivalent combinations thereof:  
4  
5 (1) Wet detention volume shall be provided for the first inch of  
6 runoff from the developed project, or the total runoff of 2.5  
7 inches times the percentage of imperviousness, whichever  
8 is greater.  
9  
10 (2) Dry detention volume shall be provided equal to 75 percent  
11 of the above amount computed for wet detention.  
12  
13 (3) Retention volume shall be provided equal to 50 percent of  
14 the above amounts computed for wet detention.  
15  
16 b) Infill residential development within improved residential areas or  
17 subdivisions existing prior to the adoption of this comprehensive  
18 plan must ensure that its post-development stormwater run-off will  
19 not contribute pollutants which will cause the runoff from the  
20 entire improved area or subdivision to degrade receiving water  
21 bodies and their water quality as stated above.  
22  
23 c) New Development and Redevelopment projects which are exempt  
24 from the South Florida Water Management District permitting  
25 process shall also meet the requirements of Chapter 40-4 and 40E-  
26 40, F.A.C.  
27

## 28 LEVEL OF SERVICE ANALYSIS

29  
30 The implementation of site specific drainage facilities are determined at the time of building  
31 permit review and approval.  
32

## 33 **6. PARKS AND RECREATION FACILITIES**

34  
35 Level of Service standards for parks and recreational facilities are listed in Policy 1201.1.1 of the  
36 Monroe County Year 2010 Comprehensive Plan.  
37

38 Policy 1201.1.1: Monroe County hereby adopts the following level of service standard to  
39 achieve Objective 1201.1, and shall use these standards as the basis for determining  
40 recreation land and facility capacity:  
41

42 Level of Service Standard for Neighborhood and Community Parks:  
43

- 44 1. 0.82 acres per 1,000 functional population of passive, resource-based  
45 neighborhood and community parks; and  
46

- 1                   2. 0.82 acres per 1,000 functional population of activity-based neighborhood and  
 2                   community parks within each of the Upper Keys, Middle Keys, and Lower Keys  
 3                   subareas.  
 4

5    LEVEL OF SERVICE ANALYSIS

6  
 7    Resource-based recreation areas are established around existing natural or cultural resources of  
 8    significance, such as beach areas or historic sites. Activity-based recreation areas can be  
 9    established anywhere there is sufficient space for ball fields, tennis or basketball courts, or other  
 10   athletic events.  
 11  
 12

13  
 14   The LOS for parks and open space exceeds the LOS standard stated in the Comprehensive Plan.  
 15   There are several improvement/maintenance projects for existing park facilities listed in the CIE  
 16   5-Year Schedule.  
 17

18    **D. RECOMMENDATION**

19  
 20   Staff recommends **APPROVAL** to the Board of County Commissioners of the proposed update  
 21   to table 4.1 of the Monroe County Year 2010 Comprehensive Plan.

**BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY**

Meeting Date: January 20, 2016

Department: Planning & Environmental Resources

Bulk Item: Yes  No

Staff Contact /Phone #: Mike Roberts (305) 289-2502

---

**AGENDA ITEM WORDING:** A public hearing to consider approval of an ordinance by the Monroe County Board Of County Commissioners amending the Monroe County Tier Overlay District Map from No Designation to Tier I for property located at 610 Elma Avenue, Big Pine Key, mile marker #30, legally described as bay bottom west and adjacent to lot 6 and the S ½ of lot 7, Piney Point Subdivision (plat book 3, page 88) Monroe County, Florida, having real estate number 00112000-000000; and amending the Monroe County Tier Overlay District Map from No Designation To Tier III for property located at Henry Lane, Big Pine Key, mile marker #29.75, legally described as a parcel of land in part of the SE ¼ of the NE ¼ (aka 40' x 305' roadway) of Section 27, Township 66 south, Range 29 east, Big Pine Key, Monroe County, Florida, having real estate number 00111880-000210; as proposed by the Monroe County Department of Planning and Environmental Resources.

---

**ITEM BACKGROUND:** The Tier Map for Big Pine Key and No Name Key was developed based on relative wildlife habitat quality as defined in the Habitat Conservation Plan (HCP). Monroe County developed the Tier Maps pursuant to county-wide Smart Growth Initiatives adopted in Goal 105 of the Comprehensive Plan and Strategy 1.1 of the Livable Communities Program Master Plan for Future Development of Big Pine Key and No Name Key (LCP). The proposed amendments are in compliance with Chapter 130-130(d) which requires that the Tier designations for parcels on Big Pine Key and No Name Key be consistent with the Tier designations in the LCP.

RE # 00112000-000000 (Parcel A)

The subject parcel is an Improved Subdivision (IS) parcel located approximately 0.6 miles south of U.S. 1 on Elma Avenue. The FLUM designation for the parcel is Residential High (RH). There is no change proposed for the site's land use district or FLUM designations. The property is open shoreline on Newfound Harbor, and approximately 2/3 of the parcel is bay bottom. According to property appraiser data, the parent parcel (RE # 00246470-000000) was subdivided in 1998. The resulting split out left this parcel as mostly bay bottom. The parent parcel as well as the split-out parcels are all designated Tier I. Submerged lands (bay bottom) do not have a Tier designation. A significant portion of the surrounding land area is characterized as environmentally sensitive and important for the continued viability of HCP covered species and are adjacent to large contiguous areas of native vegetation. The proposed Tier (Tier I) is consistent with the Tier designation of surrounding properties and is consistent with Figure 2.1 of the adopted LCP.

RE # 00111880-000210 (Parcel B)

The subject parcel is a designated easement in the Urban Residential—mobile home district (URM), approximately 400 feet north of U.S. 1 on Henry Lane. The corresponding FLUM designation is Residential High (RH). There is no change proposed for the site's land use district or FLUM designations. This parcel lies within an already heavily developed area that provides little habitat value to the Key deer and other protected species. The proposed Tier (Tier III) is consistent with the Tier designation of surrounding properties and is consistent with Figure 2.1 of the adopted LCP.

---

**PREVIOUS RELEVANT BOCC ACTION:**

On March 19, 2003 the Monroe County Board of County Commissioners (BOCC) approved Resolution 119-2003 authorizing submittal of the Habitat Conservation Plan for Key Deer and other protected species on Big Pine Key and No Name Key (HCP).

On December 17, 2003 the BOCC passed Resolution 562-2003 approving the Livable CommuniKeys Master Plan (LCP) for Big Pine Key and No Name Key as the policy document to direct growth and development of Big Pine Key and No Name Key. The LCP implements the HCP as well as provides for the development needs of the community.

The LCP was completed in August 2004, adopted by the Board of County Commissioners on August 18, 2004 and incorporated by reference into the Monroe County 2010 Comprehensive Plan by Policy 101.20.2(1).

The LCP was amended in June 2009 (Ordinance 020-2009) to revise certain figures to depict only the lands covered by the HCP; to implement the ROGO requirements of the HCP; to define the number of dwelling units to be permitted over the life of the Incidental Take Permit (ITP), including the limitations on Tier I development; to establish certain control dates for development and mitigation; and to regulate the construction of fences and accessory structures.

**ORDINANCE -2016**

**AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY TIER OVERLAY DISTRICT MAP FROM NO DESIGNATION TO TIER I FOR PROPERTY LOCATED AT 610 ELMA AVENUE, BIG PINE KEY, MILE MARKER #30, LEGALLY DESCRIBED AS BAY BOTTOM WEST AND ADJACENT TO LOT 6 AND THE S 1/2 OF LOT 7, PINEY POINT SUBDIVISION (PLAT BOOK 3, PAGE 88) MONROE COUNTY, FLORIDA, HAVING REAL ESTATE # 00112000-000000; AND AMENDING THE MONROE COUNTY TIER OVERLAY DISTRICT MAP FROM NO DESIGNATION TO TIER III FOR PROPERTY LOCATED AT HENRY LANE, BIG PINE KEY, MILE MARKER #29.75, LEGALLY DESCRIBED AS A PARCEL OF LAND IN PART OF THE SE ¼ OF THE NE ¼ (AKA 40' X 305' ROADWAY) OF SECTION 27, TOWNSHIP 66 SOUTH, RANGE 29 EAST, BIG PINE KEY, MONROE COUNTY, FLORIDA, HAVING REAL ESTATE # 00111880-000210; AS PROPOSED BY THE MONROE COUNTY DEPARTMENT OF PLANNING AND ENVIRONMENTAL RESOURCES; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY AND THE SECRETARY OF STATE; PROVIDING FOR AMENDMENT TO THE TIER OVERLAY DISTRICT MAP; PROVIDING FOR AN EFFECTIVE DATE.**

---

**WHEREAS**, the Planning & Environmental Resources Department identified properties without a tier designation and requested that the Tier Map Overlay designation for property identified as Real Estate Number 00112000-000000 be amended from having no Tier Overlay District designation to Tier I; and the Tier Overlay District designation for property identified as Real Estate Number 00111880-000210 be amended from having no Tier designation to Tier III.; and

**WHEREAS**, parcel number 00112000-000000 is located at 610 Elma Avenue, Big Pine Key and is legally described as bay bottom west and adjacent to lot 6 and the s 1/2 of lot 7, Piney Point Subdivision (Plat Book 3, Page 88); and

**WHEREAS**, parcel number 00111880-000210 is known as Henry Lane, legally described as a parcel of land in part of the SE ¼ of the NE ¼ (aka 40' x 305' roadway) of Section 27, Township 66 South, Range 29 East, Big Pine Key; and

**WHEREAS**, the Monroe County Development Review Committee considered the proposed Tier Overlay District Map amendment at a regularly scheduled meeting held on the 29<sup>th</sup> day of September, 2015; and

**WHEREAS**, at a regularly scheduled meeting held on the 18<sup>th</sup> day of November, 2015, the Monroe County Planning Commission held a public hearing for the review and comment of the proposed amendment to the Monroe County Tier Overlay District Map; and

**WHEREAS**, based upon the information and documentation submitted, the Planning Commission made the following Findings of Fact and Conclusions of Law:

1. §102-158(a) of the Monroe County Code maintains that map amendments (including the land use district maps) are not intended to relieve particular hardships, nor to confer special privileges or rights on any person, nor to permit a change in community character, as analyzed in Monroe County Year 2010 Comprehensive Plan, but only to make necessary adjustments in light of changed conditions; and
2. Pursuant to §102-158(d)(5)b of the Monroe County Code, the Monroe County Board of County Commissioners may consider the adoption of an ordinance enacting the proposed change based on one (1) or more of the following factors: (i) Changed projections (e.g., regarding public service needs) from those on which the text or boundary was based; (ii) Changed assumptions (e.g., regarding demographic trends); (iii) Data errors, including errors in mapping, vegetative types and natural features described in volume 1 of the plan; (iv) New issues; (v) Recognition of a need for additional detail or comprehensiveness; or (vi) Data updates; and
3. Staff has determined that the proposed Tier map amendment is consistent with MCC Sec. 102-158(d)(5)b: (iii) Data errors;
4. Staff has determined that the proposed Tier map amendment is consistent with Goal 105 of the Monroe County Comprehensive Plan; and
5. The proposed amendment is consistent with the Livable CommuniKeys Master Plan for Big Pine Key and No Name Key and the Habitat Conservation Plan; and
6. The proposed map amendment is consistent with the Principles for Guiding Development and not inconsistent with any principle in the Florida Keys Area of Critical State Concern.
7. The proposed amendment is consistent with Part II of Chapter 163, Florida Statutes.

**WHEREAS**, at a regular meeting held on the \_\_\_ day of \_\_\_\_\_ 2016, the Monroe County Board of County Commissioners held a public hearing to consider the adoption of the proposed amendment, considered the staff report and provided for public comment and public participation in accordance with the requirements of state law and the procedures adopted for public participation in the planning process; and

**WHEREAS**, at the \_\_\_\_\_, 2016, public hearing, the BOCC voted to \_\_\_\_\_ the amendment to the State Land Planning Agency; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:**

**Section 1.** The Tier Overlay District Map is amended as follows:

Parcel Number 00112000-000000, which currently has no Tier Designation, is designated Tier I as shown on the attached map, which is hereby incorporated by reference and attached as Exhibit 1.

Parcel Number 00111880-000210, which currently has no Tier Designation, is designated Tier III as shown on the attached map, which is hereby incorporated by reference and attached as Exhibit 2.

**Section 2.** **Severability.** If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

**Section 3.** **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

**Section 4.** **Transmittal.** This ordinance shall be transmitted to the State Land Planning Agency as required by F.S. 380.05(11) and F.S. 380.0552(9).

**Section 5.** **Filing and Effective Date.** This ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until approved by the State Land Planning Agency and, if appealed, until the appeal is resolved pursuant to Chapter 120 of the Florida Statutes.

**PASSED AND ADOPTED** by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the \_\_\_ day of \_\_\_\_\_, 2016.

## MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

*We strive to be caring, professional and fair*

To: The Monroe County Board of County Commissioners

Through: Mayté Santamaria, Senior Director of Planning & Environmental Resources

From: Michael Roberts, Sr. Administrator, Environmental Resources

Date: December 22, 2015

Subject: *Request for an Amendment to the Tier Overlay District (Zoning) Map designations for two (2) parcels which currently have no tier designation, consisting of vacant land on Big Pine Key, having real estate no's. 00112000-000000 & 00111880-000210 (File 2015-166)*

### I REQUEST

A request to amend the Monroe County Tier Overlay District Map designations for two (2) parcels which currently have no tier designation, legally described as:

- A. Bay Bottom West and Adjacent to Lot 6 and the S ½ of Lot 7, Piney Point Subdivision Plat Book 3 Page 88 of the public records of Monroe County Florida having real estate number 00112000-000000; and
- B. Part of the SE ¼ of the NE ¼ of Section 27, Township 66s, Range 29e, (aka 40' x 305' roadway); having real estate number 00111880-000210.

1 BACKGROUND INFORMATION & RELEVANT PRIOR COUNTY ACTIONS

2  
3 Site Information

4 A. RE # 00112000-000000

5 Address: 610 Elma Avenue, Big Pine Key

6 Legal Description: Bay Bottom West and adjacent to Lot 6 and the S ½ of Lot 7, Piney Point  
7 Subdivision Plat Book 3 Page 88 of the Public Records of Monroe County Florida.

8 Size of Site: 0.77 acres (33,693 square feet, approximately 9,600 square feet of upland)

9 Land Use District(s): IS-M

10 FLUM Designation: RH

11 Tier Designation: NULL

12 Existing Use: Vacant

13 Existing Vegetation / Habitat: Scarified; Vacant Developed Land

14 Community Character of Immediate Vicinity: The surrounding community consists of  
15 waterfront single family residences.

16  
17 B. RE # 00111880-000210

18 Address: Henry Lane, Big Pine Key

19 Legal Description: Part of the SE ¼ of the NE ¼ of Section 27, Township 66S, Range 29E,  
20 (AKA 40' X 305' Roadway).

21 Size of Site: 12,200 square feet

22 Land Use District(s): URM

23 FLUM Designation: RH

24 Tier Designation: NULL

25 Existing Use: Vacant

26 Existing Vegetation / Habitat: Scarified; Developed Land

27 Community Character of Immediate Vicinity: The surrounding community is a mix of  
28 commercial and residential areas to the east and west with native habitat to the north.

29  
30 Prior County Actions

- 31
- 32 • On March 19, 2003 the Monroe County Board of County Commissioners (BOCC)
  - 33 approved Resolution 119-2003 authorizing submittal of the Habitat Conservation Plan for
  - 34 Key Deer and other protected species on Big Pine Key and No Name Key (HCP).
  - 35 • On December 17, 2003 the BOCC passed Resolution 562-2003 approving the Livable
  - 36 Communikeys Master Plan (LCP) for Big Pine Key and No Name Key as the policy
  - 37 document to direct growth and development of Big Pine Key and No Name Key. The
  - 38 LCP implements the HCP as well as provides for the development needs of the
  - 39 community.
  - 40 • The LCP was completed in August 2004 adopted by the Board of County Commissioners
  - 41 on August 18, 2004 and is incorporated by reference into the Monroe County 2010
  - 42 Comprehensive Plan by Policy 101.20.2(1).
  - 43 • on October 19, 2005 the Board of County Commissioners adopted Ordinance 028-2005
  - 44 adopting an amendment to the Monroe County Land Use District Map to include a Tier
  - 45 Overlay Map District designation on all land in Big Pine Key and No Name Key and

1 designating boundaries for Tier I, Tier II And Tier III as required in The Master Plan For  
2 Big Pine Key and No Name Key and Goal 105 of the 2010 Comprehensive Plan.

- 3 • The LCP was amended in June 2009 (Ordinance 020-2009) to revise certain figures to  
4 depict only the lands covered by the HCP; to implement the ROGO requirements of the  
5 HCP; to define the number of dwelling units to be permitted over the life of the Incidental  
6 Take Permit (ITP), including the limitations on Tier I development; to establish certain  
7 control dates for development and mitigation; and to regulate the construction of fences  
8 and accessory structures.

9  
10 **DRC Review**

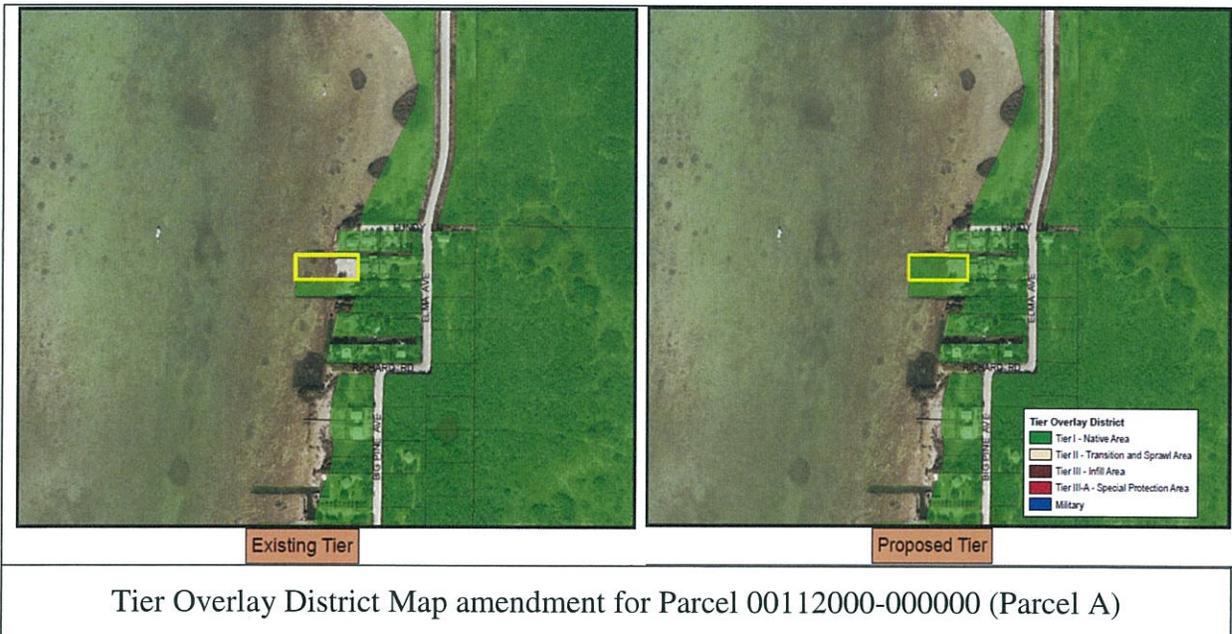

11 At its regularly scheduled meeting on September 29, 2015, the Monroe County Development  
12 Review Committee reviewed the proposed amendments. The information provided in the  
13 staff report and discussed at the meeting supports the Chair’s decision to recommend  
14 approval to the Planning Commission and Board of County Commissioners.

15  
16 **PC Review**

17 At its regularly scheduled meeting on November 18, 2015, the Monroe County Planning  
18 Commission reviewed the proposed amendment. The information provided in the staff report  
19 and discussed at the meeting supports the Planning Commission’s decision to recommend  
20 approval to the Board of County Commissioners.

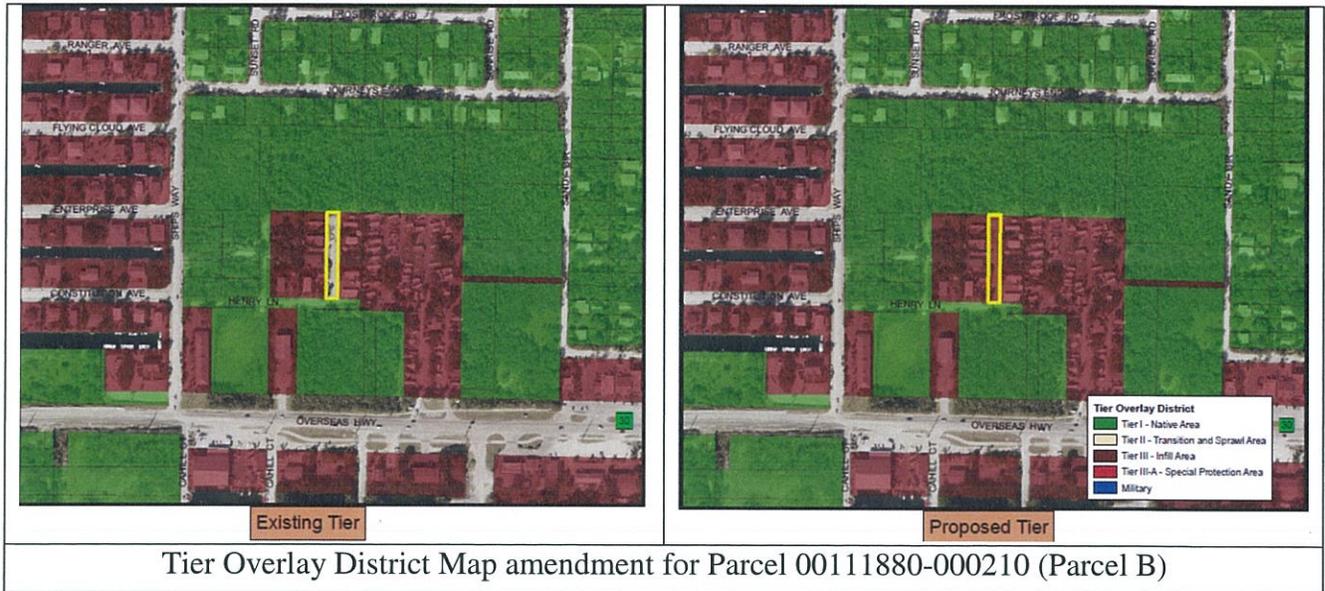

21  
22 **II PROPOSED AMENDMENT**

23  
24 Request to amend the Tier Overlay District designation for Parcel # 00112000-000000 from  
25 having no Tier designation to Tier I (Exhibit I)  
26

27  
28

1 Request to amend the Tier Overlay District designation for Parcel # 00111880-000210 from  
2 having no Tier designation to Tier III (Exhibit II)  
3

4  
5 **Review of Amendment**  
6

7 The Tier Map for Big Pine Key and No Name Key were developed based on relative wildlife  
8 habitat quality as defined in the Habitat Conservation Plan (HCP). Monroe County developed  
9 the Tier Maps pursuant to county-wide Smart Growth Initiatives adopted in Goal 105 of the  
10 Comprehensive Plan and Strategy 1.1 of the Livable Communikeys Program Master Plan for  
11 Future Development of Big Pine Key and No Name Key (LCP). The proposed amendments  
12 are in compliance with Chapter 130-130(d) which requires that the Tier designations for  
13 parcels on Big Pine Key and No Name Key be consistent with the Tier designations in Figure  
14 2.1 of the LCP.

15  
16 The HCP focuses on the Key deer as an “umbrella species” and operates under the  
17 assumption that avoiding and minimizing impacts to Key deer habitat, will also provide  
18 direct protection to both populations and habitats of other terrestrial species. In the  
19 development of the HCP, the ecology and population dynamics of the Key deer was studied  
20 for three years and a Population Viability Analysis (PVA) model, including a spatial  
21 component, was produced to evaluate the impacts of development scenarios on the Key deer  
22 population. Based on the Key deer studies done for the HCP and the resulting spatial model,  
23 lands in the study area were classified into three “Tiers.” Tier 1 lands are higher quality Key  
24 deer habitat. Tier 3 lands are the lowest quality Key deer habitat. Most of the parcels in Tiers  
25 2 and 3 are interspersed among developed parcels and among canals. These areas provide  
26 little habitat value to the covered species.” (Pg. 2 Habitat Conservation Plan).  
27

28 As noted in the HCP, “the Key deer are wide ranging and utilize virtually all available habitat  
29 in the project area (defined as Big Pine Key & No Name Key), including developed areas  
30 (Figure 2.1, Lopez 2001).” Figure 2.1 indicates no utilization or distribution of Key deer in

1 close proximity to Parcel A during the 3 year study period. Key deer utilization or  
2 distribution was noted in proximity to Parcel B, although at very low density. (Pg. 20 Habitat  
3 Conservation Plan).  
4

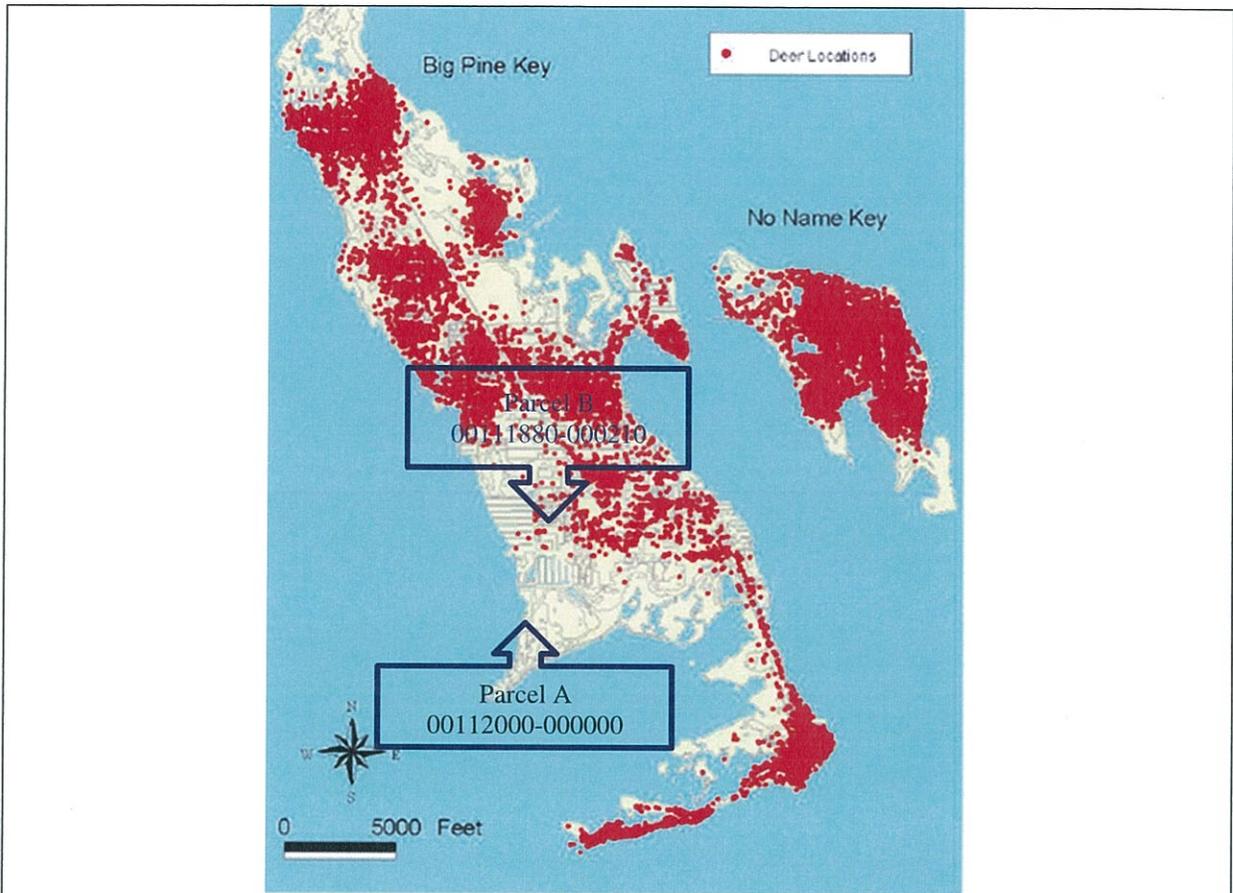

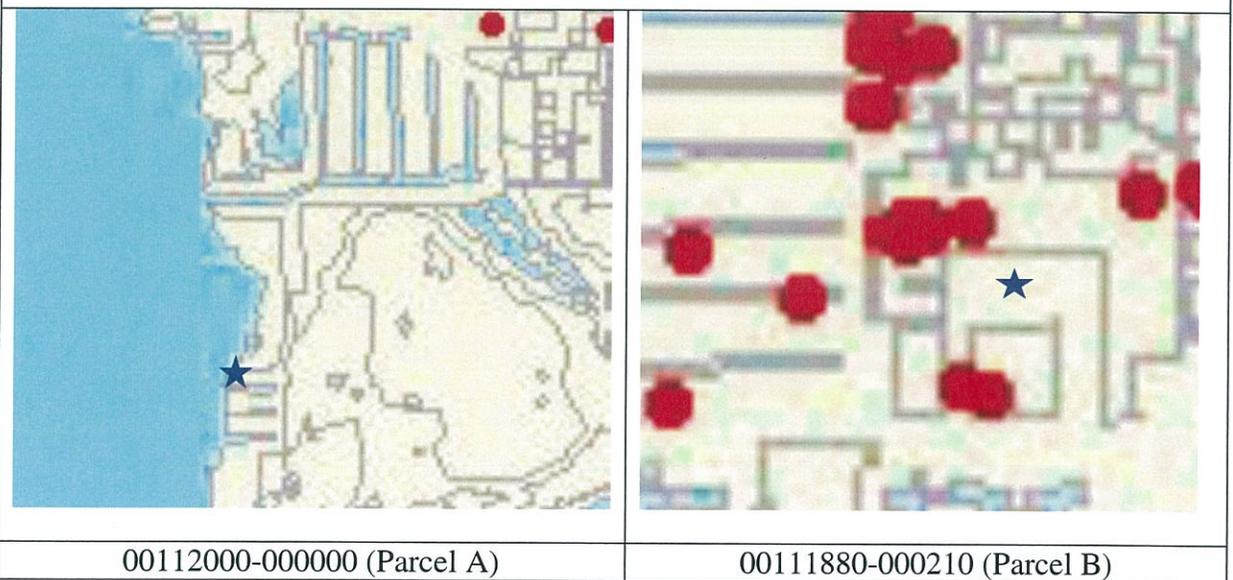

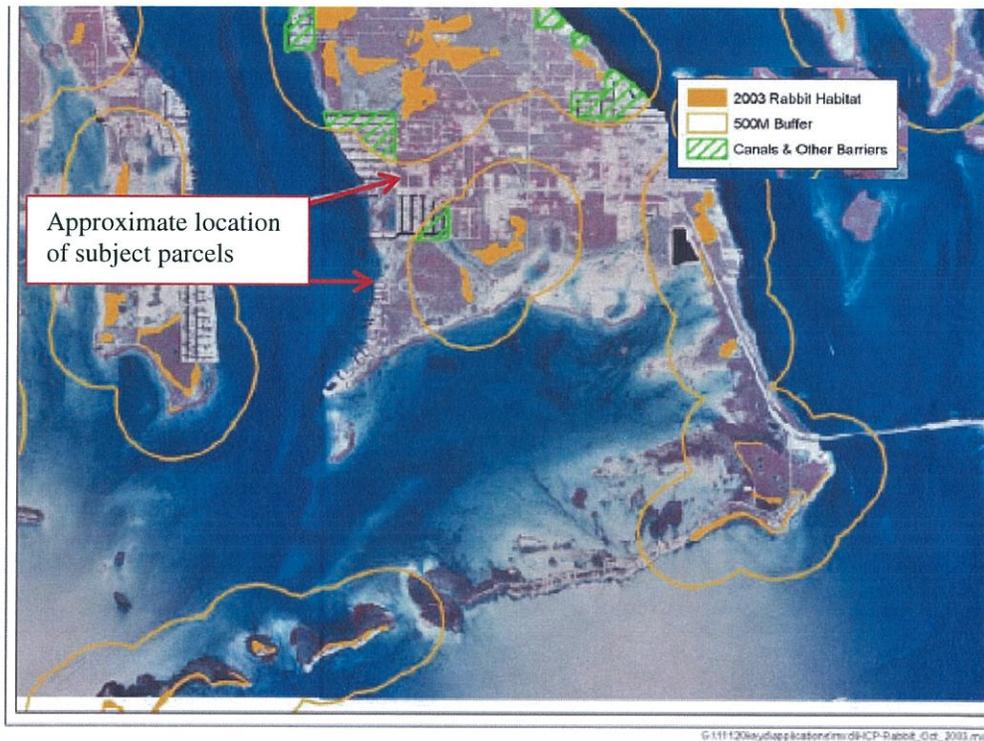

Figure 2.1. Key deer locations from telemetry data (Lopez 2001)

5

1 Figure 2.2 of the HCP depicts the Lower Keys marsh rabbit habitat, as identified by the U.S.  
2 Fish and Wildlife Service. This figure displays the Lower Keys marsh rabbit habitat on Big  
3 Pine Key and No Name Key (Faulhaber 2003) based on the most recent data on its  
4 distribution within the covered area. Figure 2.2 does not indicate Lower Keys marsh rabbit  
5 habitat within or adjacent to the subject properties. In addition, both parcels are outside of  
6 the 500 meter buffer established around marsh rabbit habitat (Pg. 23 Habitat Conservation  
7 Plan).

26  
27  
28  
29  
30  
31 **Figure 2.2. Lower Keys marsh rabbit habitat (Source: United States Fish and Wildlife Service).**

32 In order to address impacts to carrying capacity and mortality of the Key Deer on Big Pine  
33 Key and No Name Key, a spatial model that included a carrying capacity and a “harvest”  
34 (i.e., human-related mortality) grid in a Geographic Information System (GIS) was  
35 developed. The grids represent the entire study area (Big Pine Key and No Name Key) as an  
36 array of 10x10 meter cells; each cell’s value represents its contribution to the total carrying  
37 capacity or harvest of the study area.

38  
39 The final carrying capacity grid (Figure 2.5 of the HCP) represents the contribution of each  
40 10x10 meter cell to the total carrying capacity of the study area after applying the weighting  
41 factor. Lopez (2001) estimated the number of Key deer that could be supported by available  
42 habitat in Big Pine Key and No Name Key. A weighting factor grid supported the development  
43 of the carrying capacity and harvest grids. The objective of the weighting grid was to address  
44 location-specific conditions that affect carrying capacity and harvest. The weighting factor grid  
45 analyzed six additional parameters:  
46

- 1 • House density. Development in areas with higher house density would be less harmful to the
- 2 Key deer than development in areas with lower house density.
- 3 • Deer corridors. Development outside Key deer corridors would be less harmful to the Key
- 4 deer than development in areas within Key deer corridors.
- 5 • Patch quality: Development in smaller, fragmented habitat areas would be less harmful to the
- 6 Key deer than development in larger, uninterrupted habitat areas.
- 7 • Deer density: Development in areas of low Key deer density would be less harmful to the
- 8 Key deer than development in areas of high density.
- 9 • Distance from US-1. Development near US-1 would be less harmful to the Key deer than
- 10 development farther from US-1.
- 11 • Water barriers. Development in areas with canals would be less harmful to the Key deer than
- 12 development in areas without canals.
- 13

1 The final carrying capacity grid (Figure 2.5) represents the contribution of each 10x10 meter  
2 cell to the total carrying capacity of the study area after applying the weighting factor. The  
3 final harvest grid represents the proportional contribution of each 10x10 meter cell to the  
4 total harvest in the study area. When the weighting factor is applied to each cell; the result is  
5 a differential contribution of the cells to the total human related mortality, or harvest, H.  
6

7  
8 H-grid data provided by Roel Lopez, PhD. Texas A&M University  
9 Subject parcels outlined in blue  
10

11  
12 The 'H' grid data provided by Dr. Lopez reflects the habitat value of the subject parcels. The  
13 actual 'H' values for Parcel A range between 0.00014 and 0.00015 per 10 x 10 meter cell,  
14 while the 'H' values for Parcel B range between .000162 and .000165.  
15

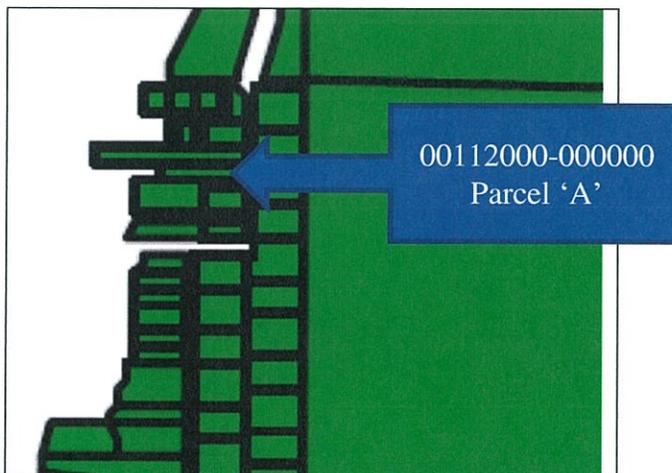

1 The HCP describes the habitat description and associated H values that should be reflected in  
 2 the Tier designation. These descriptions are provided in Table 2.7 (below).

3  
 4 **Table 2.7 (HCP pg. 43) Tier classification system (vacant privately-owned lands)**

| Tier | Description                                                                                                                                                                                                                                                                                                                                                                                                     |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1    | Lands where all or a significant portion of the land area is characterized as environmentally sensitive and important for the continued viability of HCP covered species (mean H per 10x10 meter cell = $0.259 \times 10^{-3}$ ). These lands are high quality Key deer habitat, generally representing large contiguous patches of native vegetation that provide habitat for other protected species as well. |
| 2    | Scattered lots and fragments of environmentally sensitive lands that may be found in platted subdivisions (mean H per 10 x10 meter cell = $0.183 \times 10^{-3}$ ). A large number of these lots are located on canals and are of minimal value to the Key deer and other protected species because the canal presents a barrier to dispersal.                                                                  |
| 3    | Scattered lots within already heavily developed areas that provide little habitat value to the Key deer and other protected species (mean H per 10x10 meter cell = $0.168 \times 10^{-3}$ ). Some of the undeveloped lots in this Tier are located between existing developed commercial lots within the US-1 corridor or are located on canals.                                                                |

5  
 6 **RE # 00112000-000000 (Parcel A)**

7 The subject parcel is an Improved Subdivision (IS) lot located approximately 0.6 miles south  
 8 of U.S. 1 on Elma Avenue. The FLUM designation for the parcel is Residential High (RH).  
 9 There is no change proposed for the site's land use district or FLUM designations. The  
 10 property is open shoreline on Newfound Harbor, and approximately 2/3 of the parcel is bay  
 11 bottom. According to property appraiser data the parent parcel (RE # 00246470-000000)  
 12 was subdivided in 1998. The resulting split out left this parcel as mostly bay bottom. The  
 13 parent parcel as well as the split-out parcels are all designated Tier I. Submerged lands (bay  
 14 bottom) do not have a Tier designation. A significant portion of the surrounding land area is  
 15 characterized as environmentally sensitive and important for the continued viability of HCP  
 16 covered species and are adjacent to large contiguous areas of native vegetation. The proposed  
 17 Tier (Tier I) is consistent with the Tier designation of surrounding properties and is not  
 18 inconsistent with Figure 2.1 of the LCP.  
 19

20 Figure 2.1 Master Plan for Future Development of Big Pine Key and No  
 21 Name Key.

1 **RE # 0011880-000210 (Parcel B)**

2 The subject parcel is a designated easement in the Urban Residential—mobile home district  
3 (URM), approximately 400 feet north of U.S. 1 on Henry Lane. The corresponding FLUM  
4 designation is Residential High (RH) on the south. There is no change proposed for the site’s  
5 land use district or FLUM designations. This parcel lies within an already heavily developed  
6 area that provides little habitat value to the Key deer and other protected species. The  
7 proposed Tier (Tier III) is consistent with the Tier designation of surrounding properties and  
8 is not inconsistent with Figure 2.1 of the LCP.  
9  
10

11 Figure 2.1 Master Plan for Future Development of Big Pine Key and No Name  
12 Key.  
13  
14

15 **Consistency of the proposed amendment with the provisions and intent of the Monroe**  
16 **County Land Development Code:**  
17

18 Staff has determined that the proposed tier overlay district (zoning) map amendment is  
19 not inconsistent with the provisions and intent of Section 130-130(d) of the Monroe  
20 County Land Development Code as the proposed Tier Overlay District designations are  
21 consistent with Figure 2.1 of the Master Plan for Future Development of Big Pine Key  
22 and No Name Key (Exhibit 1).  
23

24 **Sec. 130-130. – Tier Overlay District**

25 (a) Purpose. The purpose of the tier overlay district is to designate geographical  
26 areas outside of the mainland of the county, excluding the Ocean Reef planned  
27 development, into tiers to assign ROGO and NROGO points, determine the

1 amount of clearing of upland native vegetation that may be permitted, and  
2 prioritize lands for public acquisition. The tier boundaries are to be depicted on  
3 the tier overlay district map. Lands on Big Pine Key and No Name Key shall be  
4 delineated as tier I, II, or III. Lands in the remainder of the unincorporated county,  
5 excluding the Ocean Reef planned development, shall be delineated as tier I, III,  
6 and III-A (special protection area).  
7

8 (b) Tier boundaries. Tier boundaries shall follow property lines wherever possible,  
9 except where a parcel line or distinct geographical feature, such as a canal or  
10 roadway, may be more appropriate.  
11

12 (c) Tier boundary criteria, excluding Big Pine Key and No Name Key. The tier  
13 boundaries are designated using aerial photography, data from the Florida Keys  
14 Carrying Capacity Study, the endangered species maps, property and permitting  
15 information and field evaluation. The following criteria, at a minimum, are used  
16 to evaluate upland habitats and designate boundaries between different tier  
17 overlays:  
18

19 1. Tier I boundaries shall be delineated to include one or more of the  
20 following criteria and shall be designated tier I:

- 21 a. Vacant lands which can be restored to connect upland native  
22 habitat patches and reduce further fragmentation of upland native  
23 habitat.
- 24 b. Lands required to provide an undeveloped buffer, up to 500 feet in  
25 depth, if indicated as appropriate by special species studies,  
26 between natural areas and development to reduce secondary  
27 impacts. Canals or roadways, depending on width, may form a  
28 boundary that removes the need for the buffer or reduces its depth.
- 29 c. Lands designated for acquisition by public agencies for  
30 conservation and natural resource protection.
- 31 d. Known locations of threatened and endangered species, as defined  
32 in section 101-1, identified on the threatened and endangered plant  
33 and animal maps or the Florida Keys Carrying Capacity Study  
34 maps, or identified in on-site surveys.
- 35 e. Conservation, native area, sparsely settled, and offshore island land  
36 use districts.
- 37 f. Areas with minimal existing development and infrastructure.

38  
39 (d) Big Pine Key and No Name Key tier boundary criteria. The tier boundaries shall  
40 be designated using the Big Pine Key and No Name Key Habitat Conservation  
41 Plan (2005) and the adopted community master plan for Big Pine Key and No  
42 Name Key.  
43  
44  
45

1 **Consistency of the proposed amendment with the Principles for Guiding Development in**  
2 **the Florida Keys Area of Critical State Concern pursuant to F.S. Chapter 380.0552(7).**  
3

4 For the purposes of reviewing consistency of the Land Development Code or any  
5 amendments to the Code with the principles for guiding development and any amendments to  
6 the principles, the principles shall be construed as a whole and no specific provision shall be  
7 construed or applied in isolation from the other provisions.  
8

9 (a) To strengthen local government capabilities for managing land use and development  
10 so that local government is able to achieve these objectives without the continuation of  
11 the area of critical state concern designation.

12 (b) To protect shoreline and marine resources, including mangroves, coral reef  
13 formations, seagrass beds, wetlands, fish and wildlife, and their habitat.

14 (c) To protect upland resources, tropical biological communities, freshwater wetlands,  
15 native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges  
16 and beaches, wildlife, and their habitat.

17 (d) To ensure the maximum well-being of the Florida Keys and its citizens through sound  
18 economic development.

19 (e) To limit the adverse impacts of development on the quality of water throughout the  
20 Florida Keys.

21 (f) To enhance natural scenic resources, promote the aesthetic benefits of the natural  
22 environment, and ensure that development is compatible with the unique historic  
23 character of the Florida Keys.

24 (g) To protect the historical heritage of the Florida Keys.

25 (h) To protect the value, efficiency, cost-effectiveness, and amortized life of existing and  
26 proposed major public investments, including:

- 27 1. The Florida Keys Aqueduct and water supply facilities;
- 28 2. Sewage collection and disposal facilities;
- 29 3. Solid waste collection and disposal facilities;
- 30 4. Key West Naval Air Station and other military facilities;
- 31 5. Transportation facilities;
- 32 6. Federal parks, wildlife refuges, and marine sanctuaries;
- 33 7. State parks, recreation facilities, aquatic preserves, and other publicly owned  
34 properties;
- 35 8. City electric service and the Florida Keys Electric Co-op; and
- 36 9. Other utilities, as appropriate.

37 (i) To limit the adverse impacts of public investments on the environmental resources of  
38 the Florida Keys.

39 (j) To make available adequate affordable housing for all sectors of the population of the  
40 Florida Keys.

41 (k) To provide adequate alternatives for the protection of public safety and welfare in the  
42 event of a natural or manmade disaster and for a post disaster reconstruction plan.

1 (l) To protect the public health, safety, and welfare of the citizens of the Florida Keys and  
2 maintain the Florida Keys as a unique Florida resource.

3 **Staff finds the proposed amendment consistent with the Principles for Guiding**  
4 **Development as a whole and is not inconsistent with any one principle.**

5  
6 **In accordance with MCC §102-158(d)(5)., the BOCC may consider the adoption of an**  
7 **ordinance enacting the proposed change based on one or more of the following factors:**  
8

9 1. *Changed projections (e.g., regarding public service needs) from those on which the text*  
10 *or boundary was based;*

11 **NA**

12  
13 2. *Changed assumptions (e.g., regarding demographic trends);*

14 **NA**

15  
16 3. *Data errors, including errors in mapping, vegetative types and natural features described*  
17 *in Volume 1 of the Year 2010 Comprehensive Plan;*

18 **The subject parcels were not assigned a Tier Overlay District designation when the**  
19 **Tier maps were adopted in 2005.**

20  
21 **The proposed Tier designation for Parcel A is consistent with the surrounding**  
22 **parcels and with Figure 2.1 of the LCP**

23  
24 **The proposed Tier designation for Parcel B is consistent with the surrounding**  
25 **parcels and with Figure 2.1 of the LCP**

26  
27 4. *New issues;*

28 **NA**

29

**Email [gerryben15@yahoo.com](mailto:gerryben15@yahoo.com)**

The first group of pictures shows the property in 1957 or 1958. The car in the picture is a 1957 ford. The next group of pictures shows the property as it is today without much change.

It looks about the same as when I lived there and went to Marathon High School from 1958 to 1962.

When friends and family would visit my family on the property we would take them to look for Key Deer. It was very hard to find a deer. We were lucky to see 2 Key Deer in a year.

Now the estimated number of Key Deer on Big Pines is 600. In the 1950's the estimate was 50 Key Deer. It appears that the growth of Key Deer is more than the increase in the population of the people.

The next group of pictures explains the Tier System. From the pictures of my property this does not reflect as a Tier One Property.

The aerial shows the land as developed and a Tier Zero. There is no information that I can find that describes a Tier Zero.

The next group of pictures shows what is an environmentally sensitive area. This by no means reflects my property.

Next is a map of the Key Deer locations on Big Pine. It does not show my property in this area.

I also have the building permit that allowed me to fence the property. The property was cleared by the biologists and building department in Marathon and was pre approved by the Fish and Wildlife Department in Vero Beach.

The property has no value to the Key Deer.

Two years ago I appealed my tax bill on the vacant property and was denied a hearing because I did not file in a timely matter. I was in Canada and had no way of knowing that I had missed the filing deadline.

I refiled the following year and was rewarded a reduction of about 60% due to the Tier Zero system and was given taxes back for 4 years.

This should prove that the classification of the Tier Zero has harmed me in my attempt to build and get into the rogo system. The negligence of the department that created the Tier system and overlooked my piece of property goes back many years and created a hardship and excess taxes on my behalf and my family.

---

As stated before I lived on Big Pine and now I want to be able to have a home on this piece of property that has been in my family for almost 60 years. The system has harmed my chances to retire and enjoy myself and my family on this piece of property.

I am requesting that this property be reconsidered to a Tier 3 and at the least be compensated in the rogo system for the time I have lost due to the negligence of the department that created the Tier system.

At the meeting in November that I attended on this same issue at the planning level, the only reason that they could establish was that all other properties surrounding my lot had a Tier 1 assigned to them. These properties should have never had a Tier 1 assigned to them because these properties were already developed with homes.

Looking at other properties that are in Tier 3, some appear to be more sensitive to the Key Deer than my piece of property.

### 2.4.5 The Tier System: A Planning Tool to Manage Development and Conservation

Based on the Key deer studies done under this HCP and the resulting spatial model, Monroe County developed a conservation priority classification for private undeveloped lands in the study area. The private undeveloped lands in the study area are classified into three "Tiers" (Table 2.7 and Figure 2.6). Tier 1 lands are higher quality Key deer habitat. Tier 3 lands are the lowest quality Key deer habitat. Most of the parcels in Tiers 2 and 3 are interspersed among developed parcels and among canals. These areas provide little habitat value to the covered species. The tier classification helped in determining the location of potential new development and prioritizing mitigation areas.

Table 2.7. Tier classification system (vacant privately-owned lands)

| Tier         | Description                                                                                                                                                                                                                                                                                                                                                                                                     | Area (acres)   |              |
|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------|
|              |                                                                                                                                                                                                                                                                                                                                                                                                                 | Big Pine Key   | No Name Key  |
| 1            | Lands where all or a significant portion of the land area is characterized as environmentally sensitive and important for the continued viability of HCP covered species (mean H per 10x10 meter cell = $0.259 \times 10^{-3}$ ). These lands are high quality Key deer habitat, generally representing large contiguous patches of native vegetation that provide habitat for other protected species as well. | 973.4          | 217.0        |
| 2            | Scattered lots and fragments of environmentally sensitive lands that may be found in platted subdivisions (mean H per 10 x10 meter cell = $0.183 \times 10^{-3}$ ). A large number of these lots are located on canals and are of minimal value to the Key deer and other protected species because the canal presents a barrier to dispersal.                                                                  | 101.6          | 0            |
| 3            | Scattered lots within already heavily developed areas that provide little habitat value to the Key deer and other protected species (mean H per 10x10 meter cell = $0.168 \times 10^{-3}$ ). Some of the undeveloped lots in this Tier are located between existing developed commercial lots within the US-1 corridor or are located on canals.                                                                | 58.5           | 0            |
| <b>Total</b> |                                                                                                                                                                                                                                                                                                                                                                                                                 | <b>1,133.5</b> | <b>217.0</b> |
