YEARS OF SERVICE AWARD
to
RON CHERRY, JR.

Ron Cherry, Jr. began working for Monroe County in November, 1996. He started out in an entry-level data entry position and assisting the previous Fleet Coordinator with their duties, and has since worked his way up to Fleet Management's Senior Coordinator position which he has held since May of 2003.

Over the years, Ronnie has received extensive job-related training in many areas which allow him to act as the Fleet Department's computer system administrator, office manager and as Director in his supervisor's absence.

Ronnie is known for his dependability, professionalism and helpful nature; he has been highly complimented by nearly every County department and agency that utilizes Fleet's services.

On his off hours, he spends much of his time with his daughter, Carly, who is a captain of the Key West High School Conchettes, and he also spends time helping his nephews in year-round sports activities.

When meeting and getting to know Ronnie, his good nature and concern for everything is immediately evident; he continuously receives compliments and endorsements from his peers, fellow workers, supervisor, and Fleet's customers and contractors. He was an obvious choice when selected as the Employee of the Year in 2005.

Ron is an asset to Fleet Management and Public Works, and we are proud to recognize him today for his 15+ years of service to Monroe County.
