Agenda Item Wording: Approval of a subordination agreement to allow the Housing Authority of the City of Key West to refinance the existing mortgage for Roosevelt Gardens Apartments.

Item Background: Roosevelt Gardens is a 96-unit affordable rental housing development located at 2661 North Roosevelt Boulevard in Key West. The Land Authority purchased the site as undeveloped land in 1998, imposed affordable housing deed restrictions, and transferred title to the Housing Authority of the City of Key West (KWHA) in 2000. Also in 2000, the Florida Housing Finance Corporation (FHFC) provided pre-development funding to KWHA and imposed affordable housing restrictions of its own via a land use restriction agreement. In 2002 KWHA received an $11,850,000 mortgage loan from First Housing Development Corporation of Florida to finance construction of the apartments. As a condition of issuing the loan, the lender required both the Land Authority and FHFC to subordinate their respective restrictions to the lender’s mortgage.

KWHA now proposes to refinance with a $9,410,000 mortgage loan amortized over 25 years with a fixed rate of 4% for 10 years and no servicing fee from First State Bank of the Florida Keys. The new loan will save KWHA $136,356 per year. As was the case with the prior lender, the new lender is requiring both the Land Authority and FHFC to subordinate their respective restrictions to the lender’s mortgage. FHFC has agreed to do so. Staff views the risk of default to be lower under the proposed refinancing than the original loan because the property is now developed and has an established cash flow and because the new loan amount and associated monthly payments are lower.

Included in the agenda documentation are a memo from KWHA, the proposed subordination agreement with First State Bank, and the previous (2002) subordination agreement with First Housing.

Advisory Committee Action: On January 25, 2012 the Committee voted 5/0 to approve the proposed subordination agreement.

Previous Governing Board Action: On August 21, 2002 the Board approved subordinating the Land Authority’s deed restrictions to the $11,850,000 First Housing mortgage.

EXECUTIVE SUMMARY

Agenda Item:
Consideration of an agreement to subordinate deed restrictions to a new mortgage to be given to First State Bank of the Florida Keys in order to refinance the existing mortgage.

Background:
On January 12, 2000, The Housing Authority of The City of Key West took title to said real property from Land Authority by virtue of a Warranty Deed. The deed restrictions contained in the warranty deed are subordinated to the existing mortgage held by First Housing Development Corporation of Florida per a Subordination Agreement dated December 18, 2002.

Action Statement:
The Housing Authority has secured funding that will assist in sustaining the property’s affordability through permanent long term financing. This lender, as did the previous lender, requires the subordination of the deed restrictions.

The Housing Authority considered two options:
1. Extension of the existing bond (Short Term – 3yrs fixed rate with Servicing Fee)
2. Private placement of new bond (Long Term – 10 yrs fixed rate no Servicing Fee)

The Housing Authority has determined that Option 2 is the better option. Details are as indicated below.
