Dear Mr. Gastesi:

The Health Council of South Florida Inc. is pleased to request the reappointment of Debra Walker to the Board of Directors in the category of Consumer. The reappointment term for Ms. Walker is two years.

Ms. Walker is an active Board Member. The Council's Nominating Committee reviewed her status and determined that she is in good standing and eligible for reappointment. A resume accompanies the application form, "for nomination to serve on the Local Health Council District XI, Monroe County".

If possible, we are respectfully requesting that this application be submitted to the Commissioners for reappointment at the next County Commission Meeting.

Please feel free to contact Any Morello, Sr. Executive Assistant, at (305) 592-1452, ext. 110 should you need any additional information.

Sincerely,

A handwritten signature in black ink that reads "Marisel Losa". The signature is written in a cursive style.

Marisel Losa  
President & Chief Executive Officer

September 2011

### CURRENT POSITIONS

Courtesy Assistant Curator, Anthropology  
University of Florida Museum of Natural History  
Gainesville, Florida

Project Ceramicist, Yaxnohcah Archaeological Project, southern Campeche, Mexico  
Sponsored by University of Calgary, Alberta, Canada and Universidad Autonoma de Campeche, Mexico

### SUMMARY OF RELEVANT EXPERIENCE

- 10+ years faculty experience at public universities in Texas, Minnesota and Florida
- Ph.D., Anthropology, 1990, Southern Methodist University, Dallas
- Ongoing research in Mexico, Belize and Guatemala

### ADMINISTRATIVE EXPERIENCE

Monroe County School Board (Florida Keys)

1994 - 2010 Chair 2001-02; Vice Chair 2000-01, 2004-05, 2008-2009

Reelected without opposition in 1998 and 2002; w/ 62% vote in 2006; Five member board oversees policy, budget, faculty, facilities and programs; \$80M operating budget; 8000 pre-K-12th grade students; 900+ employees (includes part time)

#### Significant board accomplishments include:

- A-rated school district with student achievement at top tier in Florida
- Highest average faculty salaries in Florida funded through voted ½ mill levy
- State-of-the-art technology for students, staff and community
- District commitment to collaborative bargaining process for union negotiations
- District required four high school math and science credits for more than a decade even though state requirements are lower
- Award-winning school construction and renovation program based on voted ½ cent sales tax
- Engaging service learning opportunities such as marine studies, alternative energy and Habitat for Humanity affordable housing construction

#### Significant personal accomplishments include:

- Framer, Science Standards Revision Committee (2007-2008), focused on the controversial life science standards, which brought Florida's K-12 science standards from an "F" to an "A" national rating
- President, Greater Florida Consortium of School Boards, advocacy organization (2003)
- Coordinator, Nurse-in-every-school Campaign (2000-2001); our district is one of few in state with a nurse in every school every school day; paid by voted referendum dollars
- Represented board and state organizations in testimony before legislative committees and State BOE on a variety of education topics including curriculum, standards, testing, performance pay, funding, facilities, long term taxation structure
- Advocate for adequately funding public education
- Member, Florida Health Science Textbook Adoption Committee (2006)
- Member, Florida Science Instructional Materials Adoption Committee (2010)
- Member, Florida Health and Education Consortium (2002-2008), statewide advocacy for healthy schools

- including school wellness, nutrition, affordable health insurance
- Advocate for strengthening math and science curriculum in public schools
- Advocate for arts education in public schools

Health Council of South Florida, Board of Directors (2005–present)  
 Florida Citizens for Science, Board of Directors (2009–present), current Secretary  
 Florida School Boards Association Board of Directors (2002–2006)  
 Greater Florida Consortium of School Boards (2003–2004), past President  
 Florida School Health and Education Consortium (2002–2008)  
 Florida Keys Area Health and Education Center (1995–2010)  
 Keys Community Concert Band, Board of Directors (2007 - present)  
 Burton Memorial UMC Chair, Administrative Council (2010–present); Staff–Parish Committee 1997–2002; Chair  
 Administrative Council 2003–2004  
 Burton Memorial UMC Child Development Center Advisory Board (2000 - 2005), past President  
 Royal Court, Black and White Ball (2005) Fundraiser for Florida Keys Children’s Shelter

#### FACULTY EXPERIENCE

University of Florida, Gainesville, Florida

2009–present Courtesy Assistant Curator

- Organized move of large archaeological collection excavated at Cerros, Belize from storage in Dallas, Texas to University of Florida Museum of Natural History; move completed November 2009
- Currently organizing collections and documents from past Cerros projects for permanent storage and web-based public access at Gainesville

Florida International University, Miami, Florida

1993 – 2004 Adjunct Professor, Anthropology,

- Taught courses in archaeology and biological anthropology
- Ran field school as P.I. of the Cerros Archaeological Development Project, Belize 1994–1995

State University of New York, Albany

2001–2002 Field School Instructor, Belize Postclassic Project, Corozal District

- Ran field school for SUNY undergraduates and graduate students
- Ceramic consultant to Belize Postclassic Project

University of Minnesota, Minneapolis, Minnesota

1991– 1993 Visiting Assistant Professor, Anthropology

- Taught courses in archaeology and biological anthropology
- Ran field school as P.I. of the Cerros Archaeological Development Project, Belize 1992–1994

University of South Florida, Tampa, Florida.

1990 Adjunct Instructor, Anthropology,

- Taught introduction to Anthropology

North Texas State University, Denton, Texas (now U. of North Texas)

1986–88 Lecturer, Archaeology

- Taught courses in archaeology and biological anthropology

Southern Methodist University, Dallas, Texas

1984–86 Teaching Assistant, Anthropology

- Assisted and taught lab sections in archaeology and biological anthropology

### COURSES TAUGHT:

Introduction to Archaeology	Maya Civilization
Introduction to Biological Anthropology	Archaeological Field School
Laboratory Methods	Introduction to Anthropology
Maya Hieroglyphic Writing	Ceramic Analysis
Archaeology of Middle America	Archaeological Research Design
Human Evolution	Origins of Complex Society

### INTERESTS

Complex Societies	Maya Archaeology	Ceramic Analysis
Maya Epigraphy	Culture Change	Migration Studies
Religion	Symbol Systems	Human Evolution
Trade	Development	School Culture
Science Education	Cognition Studies	Reading Theory
Education Policy	Public Health Policy	Theory of Archaeology
Sustainable Site Management and Economic Development		
Evolutionary Basis for Modern Human Health		

### EDUCATION:

2000	Certified Board Member, Florida School Boards Association, Tallahassee
1990	Ph.D., Archaeology, Southern Methodist University, Dallas
1987	M.A., A.B.D., Archaeology, Southern Methodist University, Dallas
1976	B.A., Anthropology, University of Illinois, Urbana

### OTHER RESEARCH AND FIELD EXPERIENCE

2004 – 2009	Co-Director and Project Ceramicist, Naachtun Archaeological Project, Peten, Guatemala. University of Calgary, Alberta, Canada.
1986	Surveyor, SMU-NGS-INAH Yaxuna Archaeological Project, Yucatan, Mexico
1984	Field School, SMU Ft. Burgwin Research Center, Ranchos de Taos, NM
1979–1981	Asst. Laboratory Director and Excavator, UT at San Antonio Colha Project, Orange Walk Dist., Belize; 3 seasons of excavation.
1976	Excavator, University of Illinois, Collins Site, Vermilion County, Illinois.

### RESEARCH IN PROGRESS

In prep a Monograph on Cerros, Belize. Principal author with Kathryn Reese-Taylor and David Freidel.  
In prep b Archaeology at Cerros, Belize, Central America: The Ceramics.  
In prep c Ceramic Assessment after Two Seasons of Excavation at Naachtun. In K. Reese-Taylor, ed., Naachtun, Peten, Guatemala. Under contract with U of Colorado Press.
