

Older Americans Advisory Board

Minutes- APRIL 4, 2013

Chairperson Carlisle called the meeting to order at 10:00 am with the pledge of allegiance. A quorum was established and the minutes of the 4/4/2013 meeting were accepted. Guests and program participants were introduced: Commissioner Kolhage, Sheriff Ramsay, Marlene Steckley, M.C. Social Services.

Commissioner Kolhage covered several topics such as possible uses of the recently “approved by the voters” increase penny tax for other than waste water. He also would ask the County Administrator to look into the effects of the Federal Sequestration on the County Budget.

Sheriff Ramsay addressed concerns specifically for the older population in the county. These were identity theft, reduce the number of credit cards, guard your medical information, personal computer security, read documents before signing, and home repair scams. He also distributed many useful pamphlets and items.

Marlene Steckley gave a brief summary of current county programs such as weatherization, rental assistance, special needs registration and nutrition

programs, especially in respect to the on-going Sequestration problems.

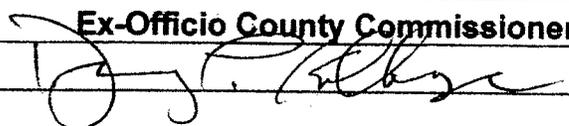

Under Old Business notarized oaths were collected as were the volunteer hours. Under New Business, Pam Martin made a presentation of an award to the Lower Keys AARP Organization.

Being no further business, the Chair called for a motion for adjournment, which was seconded and passed by voice; the meeting was adjourned at 11:45 am.

**Respectfully,
J. D. Grech**
