Report of Chairperson: No Chairperson given due to time constraints.

Report of Staff Liaison: None

Report of Treasurer: Given by Anna Haskins. Copy available. Stan asked about payment for the event at Stanley Switlik. Anna stated that all payments were taken care of.

Old Business: Michael gave an update report on the ADA Transition. It's well into the 2<sup>nd</sup> year of the 5 year program and asking for public input. Cindy thanked everyone for their participation in the day's event and all they do for FKCFPWD. Michael congratulated Cindy on her new position as chairperson, all agreed.

New Business: Marc Dubin discussed his views on the Crane Point Project. Stated that he had talked to the city and urged them to hire an architect who is more ADA familiar. He feels that the blueprints and plans submitted to the city do not give consideration to the ADA population. "Additional Cost" Guidelines for the Crane Point Project were also discussed. Discussion centered around how the guidelines impact the overall cost of the project. Michael will provide a copy of those guidelines to the committee for future review.

Adjourn: 11:05 am meeting was adjourned.
