APPLICATION

Special Exception Conditions: *When answering the following questions, consider the considerations/limitations described on Page 4 of this application. Use additional paper if necessary.*

1. How can you show good and sufficient cause why the special exception should be granted?

2. What exceptional hardship would occur if the special exception is not granted?

3. If the special exception is granted, would there be additional threats to public expense which would not otherwise occur? Would it create a nuisance or cause fraud or victimization of the public?

4. Is the length of the proposed dock consistent with community character (what lengths are existing docks in the area)?

5. Would the proposed dock interfere with public recreational uses or pose a navigational or safety hazard in or on adjacent waters?

6. What are the unique or particular physical/geographical circumstances or conditions that apply to the property subject to the special exception, but which do not apply to other properties in the same Land Use District?

7. If the special exception is granted, would it confer upon the applicant any special privilege denied other properties in the same Land Use District by the Land Development Code? Please explain why:

APPLICATION

Considerations/Limitations:

The Planning & Environmental Resources Department, in determining whether the foregoing conditions for a special exception are met, will ONLY consider the following factors as relevant:

1. Physical characteristics of the proposed construction for which a special exception is requested;
2. Whether it is possible to use the property without the special exception;
3. The increased or decreased danger to life and property if the special exception is or is not requested;
4. The importance to the community of the services to be provided if the special exception is granted;
5. The compatibility of the proposed special exception in light of existing and permitted development in the immediate area;
6. The safety of access to the property for ordinary and emergency vehicles if the special exception is or is not granted;
7. The additional or lessened costs of providing governmental services if the special exception is or is not granted.

The Planning & Environmental Resources Department, will NOT consider the following factors in determining if the foregoing conditions are met:

1. The physical disabilities, handicaps, or health of the applicant **or family members;**
2. The domestic or financial difficulties of the applicant **or family members.**

APPLICATION

All of the following items must be included in order to have a complete application submission:

(Please check the box as each required item is attached to the application.)

- Complete application (unaltered and unbound)
- Correct fee (check or money order payable to *Monroe County Planning & Environmental Resources*)
- Proof of ownership (i.e., Warranty Deed)
- Current Property Record Card(s) from the Monroe County Property Appraiser
- Location map
- Photographs of site looking North, South, East, & West from perimeters of property and from the main adjacent road. A recent aerial photograph with property boundaries delineated may be substituted.
- Site Plan, prepared by a Florida registered architect, engineer or landscape architect (drawn to a scale of 1 inch equals 20 feet, except where impractical and the Director of Planning authorizes a different scale). At a minimum, the site plan should include the following:
 - Date, north point and graphic scale
 - Boundary lines of site, including all property lines and mean high-water line
 - Locations and dimensions of all existing and proposed structures; including the proposed dock. Indicate on the site plan any proposed structures with previously approved variances and the location of property entrance/drive.
 - Type of ground cover (i.e. concrete, asphalt, grass, rock)
 - Shoreline setbacks as required by the land development regulations
- A copy of the Land Use District Map showing surrounding property within one thousand (1,000) feet of subject property boundaries.
- Typed name and address mailing labels of all shoreline property owners within a 300-foot radius of the property. This list should be compiled from the current tax rolls of the Monroe County Property Appraiser. In the event that a condominium development is within the 300-foot radius, each unit owner must be included. Also, please provide the listing of the names, subdivision name, lot and block # and the RE #'s for each address and note those that are adjoining the property. Adjoining lots are still considered adjoining even if they are bounded or bisected by a canal or street.
- A Survey of the property prepared by a surveyor registered in the State of Florida.

If applicable, the following items must be included in order to have a complete application submission:

- Notarized Agent Authorization Letter

Note: If the supporting data (i.e., survey, site plan) is larger than 8½ X 14 inches, four (4) copies must be submitted.

Is there a pending code enforcement proceeding involving all or a portion of the parcel proposed for development?

Yes No Code Case file # _____ Describe the enforcement proceedings and if this application is being submitted to correct the violation: _____

If deemed necessary to complete a full review of the application, the Planning & Environmental Resources Department reserves the right to request additional information.

APPLICATION

The applicant/owner hereby acknowledges and agrees that any staff discussions or negotiations about conditions of approval are preliminary only, and are not final, nor are they the specific conditions or demands required to gain approval of the application, unless the conditions or demands are actually included in writing in the final development order or the final denial determination or order.

By signing this application, the owner of the subject property authorizes the Monroe County Planning & Environmental Resources staff to conduct all necessary site visits and inspections on the subject property.

I, the Applicant, certify that I am familiar with the information contained in this application, and that to the best of my knowledge such information is true, complete and accurate.
