Future Land Use Map (FLUM) Amendment Application

An application must be deemed complete and in compliance with the Monroe County Comprehensive Plan and Code by the staff prior to the item being scheduled for review

Application Fee: $6,090.00 (plus $850 for the BOCC adoption hearing)
The base fee includes two internal staff meetings with applicants; one Development Review Committee meeting, one Planning Commission public hearing; and one Board of County Commission public hearing. If this minimum number of meetings/hearings is exceeded, additional fees shall be charged pursuant to Fee Schedule Resolution and paid prior to the private application proceeding through public hearings.

In addition to the application fee, the following fees also apply:
Advertising Costs: $245.00
Surrounding Property Owner Notification (SPON): $3.00 for each property owner required to be noticed
Transportation Study Review: $5,000.00 Deposit (any unused funds will be returned upon approval)
Advertising and Noticing fees for a community meeting: $245.00 plus $3.00/SPON

Current Future Land Use Map Designation(s): ____________________________

Proposed Future Land Use Map Designation(s): ____________________________

Current Land Use District Designation(s): ____________________________

Total Land Area Affected by Proposed FLUM (in acres): ____________________________

Tier Designation(s): ____________________________

Is the property located within the Military Installation Area of Impact (MIAI): □ Yes □ No

Existing Use of the Property (If the property is developed, please describe the existing use of the property, including the number and type of any residential units and the amount and type of any nonresidential development):

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Please describe the reason for the proposed FLUM amendment (attach additional sheets if necessary):

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
The Board of County Commissioners adopted Policy 101.5.26 (effective on November 20, 2012). Pursuant to Policy 101.5.26, any private application requesting a future land use map amendment after this effective date which proposes an increase in allocated residential density, must be designated as Tier III and have existing public facilities and services, including central wastewater facilities. Additionally, any private application requesting a future land use map amendment after this effective date which proposes an increase in allocated residential density shall be required to purchase and donate land to offset the proposed increase (includes the requirement to donate acreage or Improved Subdivision lots).

Provide the net change in density for the proposed FLUM amendment. Is there a proposed increase? What steps would be taken to comply with Policy 101.5.26? (attach additional sheets if necessary):

Pursuant Chapters 163 and 380, Florida Statutes, an amendment to the Comprehensive Plan must be consistent with Florida Statute, with the Monroe County Comprehensive Plan, and with the Principles for Guiding Development for the Florida Keys Area, Section 380.0552(7), Florida Statute. Please describe how the proposed text amendment is consistent with each of the following (attach additional sheets if necessary):

1) The proposed amendment is consistent with Part II of Chapter 163, Florida Statute. (At a minimum, please review and address Sections 163.3177, 163.3178, 163.3180, and 163.3184, F.S.) Specifically the amendment furthers:
2) The proposed amendment implements and is consistent with the following Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

3) Does the proposed amendment meet adopted level of service standards of the Monroe County Year 2030 Comprehensive Plan (see Policy 101.1.1)? Provide an analysis of the availability of facilities and services corresponding to the proposed amendment. Please attach any Letters of Coordination from utility providers as well:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

4) The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area, Section 380.0552(7), Florida Statute:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________
The Board of County Commissioners may consider an ordinance to transmit to the State Land Planning Agency an amendment if the change is based on one or more of the following factors. Please describe how one or more of the following factors shall be met (attach additional sheets if necessary):

1) Changed projections (e.g. regarding public service needs) from those on which the text was based

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

2) Changed assumptions (e.g. regarding demographic trends):

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

3) Data errors, including errors in mapping, vegetative types and natural features:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

4) New issues:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

5) Recognition of a need for additional detail or comprehensiveness:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
6) Data updates:

In no event shall an amendment be approved which will result in an adverse community change of
the planning area in which the proposed development is located or to any area in accordance with
a Livable CommuniKeys master plan. Please describe how the text amendment would not result
in an adverse community change (attach additional sheets if necessary):

* * * * * * * * * * * * * * * * * *

Applicants requesting a FLUM Amendment shall provide for public participation through a
community meeting, as indicated in Code Section 102-159.

Scheduling. The applicant will coordinate with the Planning Director regarding the date, time and location of
the proposed community meeting; however, all meetings are to be held on a weekday evening at least three
(3) months prior to any of the public hearings.

Notice of Meeting. The community meeting shall be noticed at least 15 days prior to the meeting date by
advertisement in a Monroe County newspaper of general circulation, mailing of notice to surrounding
property owners, and posting of the subject property.

Noticing and Advertising Costs. The applicant shall pay the cost of the public notice and advertising for the
community meeting and provide proof of proper notice to the Planning Director.

The community meeting shall be facilitated by a representative from the Monroe County Planning &
Environmental Resources Department and the applicant shall be present at the meeting.

PROOF OF PROPER NOTICING ON THE COMMUNITY MEETING WILL BE REQUIRED.

All of the following must be submitted in order to have a complete application submittal:
(Please check as you attach each required item to the application)

☐ Completed application form (unaltered and unbound)
☐ Correct fee (check or money order payable to Monroe County Planning & Environmental Resources)
☐ Proof of ownership (i.e., Warranty Deed)
☐ Ownership Disclosure Form
☐ Current Property Record Card(s) from the Monroe County Property Appraiser
☐ Location map
☐ Photograph(s) of site(s) from adjacent roadway(s)
☐ Signed and Sealed Boundary Survey(s), prepared by a Florida registered surveyor – eight (8) sets (at a minimum, survey should include elevations; location and dimensions of all existing structures, paved areas and utility structures; all bodies of water on the site and adjacent to the site; total acreage by land use district; total acreage by habitat; and total upland area
☐ A list of names and addresses of all property owners within a 600 foot radius of the property(ies). This list should be compiled from the current tax rolls of the Monroe County Property Appraiser. In the event that a condominium development is within the 600 foot radius, each unit owner must be included
☐ Copy of current Future Land Use Map (request from the Planning & Environmental Resources Department prior to application submittal)

If applicable, the following must be submitted in order to have a complete application submittal:

☐ Notarized Agent Authorization Letter (note: authorization is needed from all owner(s) of the subject property)
☐ Traffic Study, prepared by a licensed traffic engineer (required if application affects specific and defined area)
☐ Transportation fee of $5,000 to cover the cost of experts hired by the Department to review the traffic study – any unused funds deposited will be returned upon approval (required if application affects specific and defined area)
If deemed necessary to complete a full review of the application, within reason, the Planning & Environmental Resources Department reserves the right to request additional information.

Additional fees may apply pursuant to the approved fee schedule.
