The Honorable Michelle Coldiron
Monroe County Mayor
500 Whitehead Street, Suite 102
Key West, Florida 33040

Dear Mayor Coldiron:

The purpose of this letter is to provide you with the results of the National Flood Insurance Program (NFIP) Community Rating System (CRS) field verification findings based on your 3-year cycle verification. The field verification report is enclosed for your records.

Congratulations! The Department of Homeland Security, Federal Emergency Management Agency (FEMA), has determined that Monroe County will increase to a Class 3 in the NFIP CRS. The floodplain management activities implemented by your community qualify it for a 35 percent discount on flood insurance premiums for most NFIP policies issued or renewed on or after April 1, 2022. This savings is a tangible result of the flood mitigation activities your community implements to protect lives and reduce property damage.

The CRS rating for your community will automatically be renewed annually as long as there are no NFIP noncompliance actions, so a notification letter will not be sent every year. This annual renewal will take place as long as your community continues to implement the CRS activities you certify in your annual recertification documentation. If no additional modifications or new CRS activities are added, the next verification visit for your community will be in accordance with its established 3-year cycle. In the interim, FEMA will periodically send the NFIP/CRS Update newsletter and other notices to your CRS Coordinator to keep your community informed.

I commend you on your community actions and your determination to lead your community to be more disaster resistant. This commitment enhances public safety, property protection, and protects the natural functions of floodplains, and reduces flood insurance premiums.

If you have any questions or need additional information, please contact the FEMA Region IV Office, CRS Coordinator Roy McClure, by telephone at (770) 220-8835.

Sincerely,

William H. Lesser, CRS Coordinator
Federal Insurance and Mitigation Administration
