

RESOLUTION NO. 263 - 2013

**A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY
COMMISSIONERS EXTENDING THE
CLIMATE CHANGE ADVISORY COMMITTEE
TO MAKE RECOMMENDATIONS REGARDING
CLIMATE CHANGE MITIGATION AND ADAPTATION STRATEGIES**

WHEREAS, the Board of County Commissioners in 2008 approved the creation of the Green Building Code Task Force, later renamed the Green Initiatives Task Force that was sunset on October 1, 2009; and

WHEREAS, the Green Initiative Task Force was a productive effort that resulted in the awarding of the \$3M FL Energy & Climate Commission Grant to Monroe County and a Sustainable Vision Statement; and

WHEREAS, the County passed a resolution in November, 2010 agreeing to participate in the ICLEI Climate Resilient Communities program that required community input; and

WHEREAS, the County passed Resolution 002-2011 in January 2011 agreeing to authorize the Climate Change Advisory Committee ("CCAC") with a sunset date of October 1, 2013; and

WHEREAS, the CCAC prepared a *Climate Action Plan* for the County which was accepted in by the COUNTY in March, 2013; and

WHEREAS, the CCAC desires to continue meeting to develop in-depth climate change mitigation and adaptation strategies on behalf of the County; and

WHEREAS, climate change will impact all segments of the Monroe County community and effective policies will require intergovernmental cooperation; and

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners for Monroe County Florida:

Section 1. The Climate Change Advisory Committee membership shall be composed as follows:

- a. There will be eleven voting members with two members appointed by each commissioner with at least one from his or her district and one member appointed by the County Administrator. All voting appointees shall be ratified by the Board of County Commissioners, and;
- b. Other governmental entities such as the utilities, municipalities, constitutional offices, school board or other state and federal agencies may participate as non-voting advisors.

Section 2. Each member shall serve a term of one year which term may be renewed for one additional year. Any vacancies shall be filled by the appointing commissioner or County Administrator, as appropriate, for the duration of the term.

Section 3. The purpose of the extended Climate Change Advisory Committee shall be to continue to make recommendations to the BOCC regarding appropriate mitigation and adaptation policies needed to address climate change issues.

Section 4. The Climate Change Advisory Committee shall meet at least quarterly during business hours. The County Administrator shall assign appropriate staff to take minutes and provide meeting coordination and logistics.

Section 5. The Climate Change Advisory Committee shall sunset October 1, 2015 unless it has accomplished its purpose earlier in which case it shall be terminated.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a meeting of said Board held on the 17th day of September 2013.

**A RESOLUTION BY THE MONROE COUNTY BOARD
OF COUNTY COMMISSIONERS ESTABLISHING A
CLIMATE CHANGE ADVISORY COMMITTEE TO MAKE
RECOMMENDATIONS REGARDING CLIMATE CHANGE
MITIGATION AND ADAPTATION STRATEGIES**

WHEREAS, the Board of County Commissioners in 2008 approved the creation of the Green Building Code Task Force, later renamed the Green Initiatives Task Force that was sunset on October 1, 2009; and

WHEREAS, the Green Initiative Task Force was a productive effort that resulted in the awarding of the \$3M Florida Energy & Climate Commission Grant to Monroe County and a Sustainable Vision Statement to guide development of a Community Climate Action Plan and the energy related components of the County's Comprehensive Plan Amendment; and

WHEREAS, the Florida Energy & Climate Commission Grant Agreement No. ARS010 requires community input in the education and conservation strategy components; and

WHEREAS, the County will be involved in developing a Community Climate Action Plan and assisting with the South Florida Regional Climate Compact's Regional Climate Action Plan; and

WHEREAS, the County passed a resolution in November, 2010 agreeing to participate in the ICLEI Climate Resilient Communities program that will require community input; and

WHEREAS, climate change will impact all segments of the Monroe County community and effective policies will require intergovernmental cooperation.

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners for Monroe County Florida:

Section 1. There shall be a Climate Change Advisory Committee composed as follows:

- a. There will be eleven voting members with two members appointed by each commissioner with at least one from his or her district and one member appointed by the County Administrator. All voting appointees shall be ratified by the Board of County Commissioners, and;
- b. Other governmental entities such as the utilities, municipalities, constitutional offices, school board or other state and federal agencies may participate as non-voting advisors.

Section 2. Each member shall serve a term of one year which term may be renewed for one additional year. Any vacancies shall be filled by the appointing commissioner or County Administrator, as appropriate, for the duration of the term.

Section 3. The purpose of the Climate Change Advisory Committee shall be to make recommendations to the BOCC regarding appropriate mitigation and adaptation policies needed to address climate change issues and to provide input to staff regarding implementation of those components of the Florida Energy & Climate Commission Grant Agreement No. ARS010 requiring community input and intergovernmental coordination, climate action plans and other climate related draft reports as needed.

Section 4. The Climate Change Advisory Committee shall meet at least quarterly during business hours. The County Administrator shall assign appropriate staff to take minutes and provide meeting coordination and logistics.

Section 5. The Climate Change Advisory Committee shall sunset October 1, 2013 unless it has accomplished its purpose earlier in which case it shall be terminated.
