RE: Monroe County Evaluation and Appraisal Notification

Dear Mr. Eubanks:

In accordance with the requirements of Section 163.3191, F.S. (as amended in 2011), the purpose of this letter is to notify the Florida Department of Economic Opportunity, Division of Community Planning, that Monroe County has evaluated its Comprehensive Plan to determine if amendments are necessary to reflect changes in State Statutes.

The County's previous Evaluation and Appraisal Report (EAR), was adopted by the Monroe County Board of County Commissioners on August 18, 2004 and the County adopted Comprehensive Plan amendments in accordance with the 2004 EAR.

A thorough review of current Florida Statutes (2004-2013) has been conducted and the attached table identifies the fourteen (14) comprehensive plan amendments that the County will need to address to comply with statutory changes since 2004 (necessary amendments are identified in the fifth column and in red text).

Monroe County is presently reviewing and processing amendments to update the Monroe County 2010 Comprehensive Plan to the 2030 Comprehensive Plan, based on the statutory analysis (attached table). Monroe County is also processing amendments to address the County's adopted Evaluation and Appraisal Report (Resolution 150-2012) which was completed based on the previous requirements in Section 163.3191, F.S. These amendments will address identified statutory requirements; address the County's objectives, changing conditions and trends; major issues for the community; updated projected population; etc.

The County anticipates transmitting the required amendments, pursuant to Section 163.3184 (4), F.S., in July 2014. The County will also be transmitting the EAR-based amendments that address changes in local conditions and proposed policy amendments related to the same. The County will submit its Technical Document (data and analysis), 2012 adopted Evaluation and Appraisal Report, and the statutory analysis table with the transmitted amendments.

Please direct any questions to Christine Hurley, Director of Growth Management at (305) 289-2500 or via email at hurley-christine@monroecounty-fl.gov.

Sincerely,

Sylvia J. Murphy
Mayor of Monroe County
