

# WEBSITE FOR MONROE COUNTY FLOOD MAPS

First access the FEMA website: [www.fema.gov](http://www.fema.gov)

1. Click on “FEMA FLOODMAP STORE.
2. Click on “Map Search” in the far right column under “three ways to get maps”. Then either box off the Florida Keys and continue to scale down until you reach the Key you are looking for, or put the address or the name of the Key you want in the box for “city” and the zip code for that particular Key in the box for “zip code”. When you locate the area you want it will show you the MAP PANEL NUMBER associated with that area. Then go out of “Map Search” and into “Catalog”.
3. Click on “CATALOG”. You will follow four (4) steps.
  - a. Step 1. Select a State: FLORIDA
  - b. Step 2. Select a County: MONROE COUNTY
  - c. Step 3. Select a Community MONROE COUNTY\*
  - d. Step 4. Click: Find FEMA issued Flood Maps
4. Scroll down to the map panel number you located in STEP 1 and click onto that green button. This will bring up the flood insurance rate map for that area.
