

MEMORANDUM

To: Monroe County Planning Commission

From: K. Marlene Conaway, Planning Director

Date: April 18, 2005

Re: Residential Dwelling Unit Evaluation Report for the Deferral of Allocations, Quarter 4 of Year 12 and Quarter 1, Year 13.

This report has been prepared pursuant to Section 9.5-122.2 the Land Development Regulations (LDRs). The proposed residential dwelling unit pre-allocation rankings attached to this report are for the fourth quarter of year twelve which covers the period April 14, 2004 through July 13, 2004; and for the first quarter of year thirteen which covers the period July 14, 2004 through October 13, 2004 as defined by the Rate of Growth Ordinance (ROGO)

I) BACKGROUND INFORMATION:

- 1) On June 23, 1992, the Monroe County Board of Commissioners adopted Ordinance #016-92, thereby implementing the Residential Dwelling Unit Allocation System. The ordinance became effective on July 13, 1992 and has been amended from time to time.
- 2) On February 24, 2005, the Monroe County Board of Commissioners adopted Ordinance #037-2004, Deferring award of ROGO market rate allocations for ROGO Year 12, Quarter 4 to Year 13, Quarter 1, and Year 13, Quarter 1, to Year 13, Quarter 2; providing notice that no market rate allocations will be available for award after Year 13, Quarter 1 pending enactment of proposed rule 28-20.110, Florida Administrative Code.

II) ALLOCATION AWARDS AVAILABLE IN THIS QUARTER:

Policy 101.2.13 required the reduction of allocations for both ROGO Year 12 and Year 13, because nutrient reduction credits were not available for all allocations awarded in previous years. The Board of County Commissioners adopted Ordinance Number 037-2004 to hold the rankings of the sixty-three applicants which would have received allocations for ROGO Year 12 Quarter 4 and Year 13 Quarter 1. Because of the reductions required for the current year, only fifty of the sixty-three ranked applications may be allocated; and the remaining thirteen applicants will receive allocations when they become available.

Therefore, the following deferred allocations are available as prescribed for Year 12, Quarter 4 and Year 13 Quarter 1.

	Market Rate Y 12 Q 4		Market Rate Y 13 Q 1		
	No. of Deferred Allocations Available for Y 12 Q 4	No. of Allocations Available for Y 12 Q 4	No. of Deferred Allocations Available for Y 13 Q 1	No. of Allocations Available for Y 13 Q 1	No. of Deferred Allocations for Y 13 Q 1 to be held in abeyance
Lower Keys:	18	18	19	12	7
Middle Keys:	1	1	2	1	1
Upper Keys:	11	11	12	7	5
Total:	30	30	33	20	13

III) EVALUATION AND RANKING:

The evaluation of the allocation applications was performed by the Building, Environmental Resources and Planning Departments, according to the provisions of the Rate of Growth Ordinance. Positive and negative points were granted in compliance with the evaluation criteria contained in Section 9.5-122.3(a) the LDRs.

Based on the total points scored, each allocation was ranked by sub-area. If applications received identical scores, they were ranked by date and time first and further ranked based on the applicants with the fewest negative number of points on the same day. Please note that any excess allocations approved must be deducted from the next quarterly allocation period pursuant to Monroe County Code Section 9.5-122.2(e)(3).

IV) RECOMMENDATIONS:

The number of applications in the Upper, Middle and Lower Keys sub-areas was greater than the quarterly allocation awards available. Per Section 9.5-126(5)(b) of the LDRs, the rankings that indicate which applications received sufficient points receive an allocation award, once a cesspit credit becomes available. An additional page is attached which identifies the location of each proposed allocation by island and subdivision.

Market Rate Allocations Year 12 Quarter 4:

Lower Keys: Applicants ranked 1 through 18;

Middle Keys: Applicants ranked 1;

Upper Keys: Applicants ranked 1 through 11.

Market Rate Allocations Year 13 Quarter 1:

Lower Keys: Applicants ranked 1 through 12 approved for allocations and applicants ranked 13 through 19 approved to be held in abeyance until allocations become available;

Lower Keys Applicants No. 14, 15, 16, 17 are located on Big Pine Key, the applicants' allocation is subject to the approval of the Habitat Conservation Plan (HCP) for Big Pine Key and the rate at which permits may be issued on Big Pine Key. Therefore the applications will be placed as No. 33, 34, 35, & 36 on the Big Pine Key waiting list for receiving a permit.

Middle Keys: Applicant ranked #1 approved for an allocation and applicant ranked #2 approved to be held in abeyance until allocations become available;

Upper Keys: Applicants ranked 1 through 7 approved for allocations and applicants ranked 8 through 12 approved to be held in abeyance until allocations become available;

V) CESSPIT REPLACEMENT PROGRAM:

The State of Florida, in conjunction with Monroe County, has instituted a cesspit identification/elimination program. Applicants who receive a ranking sufficient to obtain an allocation award this quarter must receive a cesspit replacement voucher from the Monroe County Health Department before they will receive a ROGO allocation award.

Currently there are no applicants waiting for a cesspit/nutrient credit except those applicants located on Big Pine Key. Building Permits can not be issued until the Moratorium on Big Pine Key is lifted and a decision is made as to how many more permits can be issued if any on Big Pine Key.

cc: Timothy McGarry, Director of Growth Management
Joe Paskalik, Building Official
Ralph Goulby, County Biologist

* Indicates a ranking sufficient to receive an allocation award.
 @ Indicates a ranking subject to Board of County Commissioners approval.
 M Indicates a ranking that is subject to a Building Permit Restriction.
 H Indicates a ranking that will be held in abeyance until Market Rate Allocations are available.
 This Ranking of Pre-Allocations is prepared based on Ordinance #037-2004 approving the Deferral of Allocations of ROGO Year 13, Quarter 1 to ROGO Year 13, Quarter 2.
