 - Patricia Eables- Sunshine Law Review
2. Review of parks:

Key West:

Higgs Beach

- New Volleyball Courts Completed

Big Coppitt Key:

Wilhelmina Park

- New shade structures installed.
- All walkway pavement that was damaged during Irma was repaired.

Fireman's Park

- Issued a purchase order for fencing company to replace all fencing that was damaged during Irma. Work should begin sometime in January.

Saddlebunch Key:

Baypoint Park

- All perimeter fencing has been repaired after Irma.

Big Pine Key:

Big Pine Community Park-

- Ballfield lighting and bocce courts lights are up and working as well as park lot lights.
- A change order is being submitted to have all of the walkway lighting redone.
- In mid-January the contractor will be given the go ahead to resurface the hockey/basketball & tennis courts

Big Pine Scenic Viewing Area/Swimming Hole

- Contractor was with awarded and signed contract. CEI (WSP) under contract. All FDOT required permits are confirmed, however Monroe County Building and Growth Management raised several issues and the project is currently held up pending resolution.

Watson Field Park

- In mid-January the contractor will be given the go ahead to resurface the tennis courts.

Blue Heron Park

Little Duck Key:

Veterans Memorial Park

-

Tavernier:

Harry Harris Park

- Repair of lighting started on 12.18.19 & should be completed before ball season begins.
- The asphalt company will begin working on the pathway and basketball courts on 1.6.20

Key Largo:

Rowell's Waterfront Park

- Received an extension to the FDOT LAP Agreement through September 2020. Called S&ME, the EOR for the design. It is the understanding the plans for Phase 1 are final and all permits are confirmed. The next step will be to request concurrence from FDOT to advertise for bids.

Key Largo Community Park

-

Friendship Park

- New playground equipment & shade sails were installed.

➤ End of Meeting.
