Summary and Analysis of Community Feedback Data For the Monroe County 2020 Strategic Plan

I. Process Overview and Background-

Essential to a community need-based Strategic Plan is an understanding of the Community's current priorities. The data presented in this report was gathered between late July to November 1st of 2018 by the Monroe County Office of Strategic Planning (OSP). This process built upon the great work done by OMB in early 2017 for the FY 2018 Budget. At that time, the team utilized an extensive survey that garnered both residential and business responses along with a series of Community Input sessions facilitated by Roman Gastesi, County Administrator. While the original intention was to build the 2019-2024 plan using this data, Hurricane Irma delayed the process. When planning began again nearly 10 months later, it was apparent that new data was needed. Thus, began the 2018 Community Input process.

II. Data Collection Methods-

The 2018 Community Input process utilized a variety of methods designed to garner as much participation from diverse sectors of the community as possible. This included interactive presentations with community and business organizations, individual interviews with stakeholders, social media polls and an online survey.

III. Participation-

The initial 2017 survey and Community Input sessions gathered 443 residential and 21 business responses. Hundreds of residents also provided feedback during 13 Community Input sessions. The 2018 process included: 23 interactive presentations with nearly 850 attendees, 826 (non-duplicated resident) responses to the online survey, meetings with 96 people, more than 41 individual or group stakeholder meetings, and six Facebook polls with more than 1,500 votes cast.

IV. Strengths and Limitations of Process-

It is important to acknowledge that the data gathered is, by its nature, a snapshot in time. Results, when taken in micro bits. They reflect everything from local happenings (such as data gathered during the two days of Lobster Mini-season) or more state/national issues ("Water Quality" invariably ranked higher on priorities during times when media coverage of Red/Blue tide peaked). This is a primary reason that the public input process is spread over time.

A strength of the process is the lengthy data collection period over two years and that it reflects the impacts from a major hurricane. Additionally, the similarities in the priorities identified in the 2017 survey and the 2018 process provide confidence that the identified issues are not a reflection of the moment, but rather, stand the test of time. This also impacts the resources and attention we give these issues, knowing they are not fleeting.

While the self-selection was a limitation of an online survey and social media polls, this potential imbalance was offset through a concerted attempt to reach community and business-based organizations spread geographically throughout the County for the Interactive Presentation. Diverse methods to reach the widest range of participants feasible is another strength of the process. The emphasis on technology can be seen as a limitation. Again, it must be factored that the 2017 process utilized traditional self-selection and pen/paper techniques, with that data laying the foundation for the 2018 process.

The greatest strength of the process is found in the number of participants and the opportunity provided to allow freeform feedback (rather than simply multiple choice from a preselected list). This qualitative data, while often unwieldy and certainly more time consuming to review, provides the deepest insight into our community's concerns and priorities.

V. Key Findings-

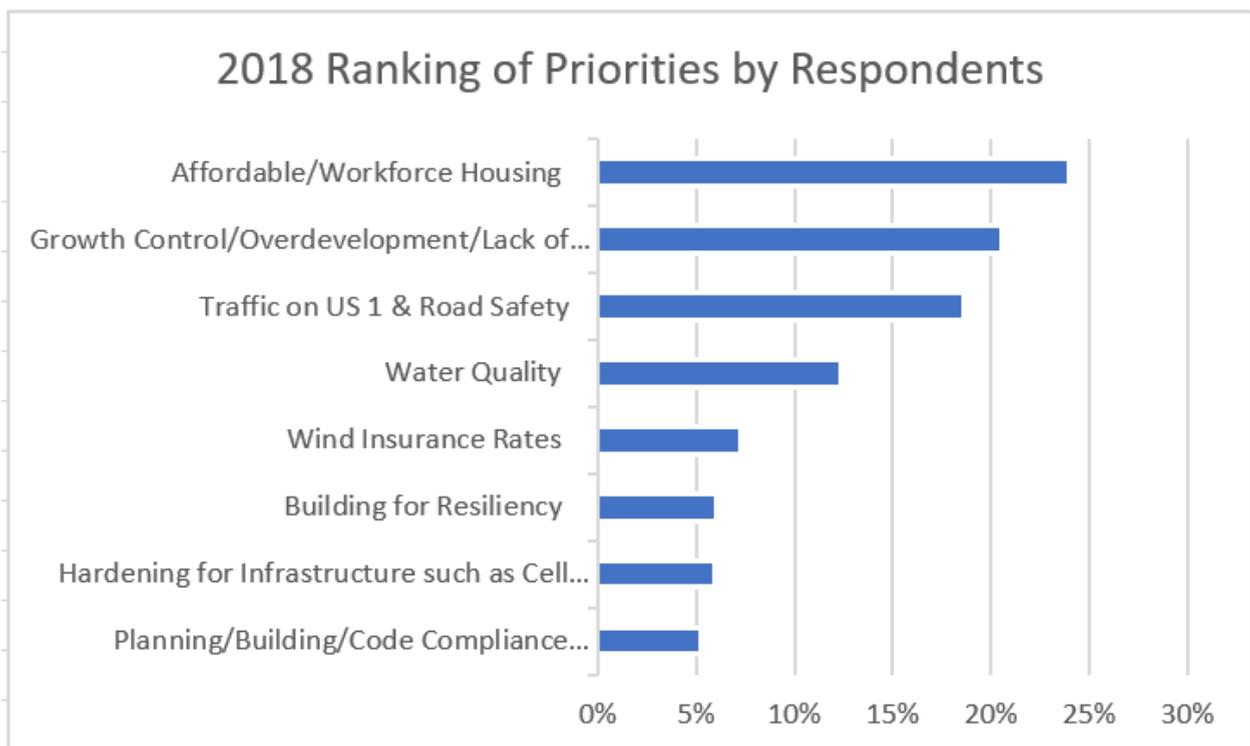

The 2017 community feedback highlighted the priorities of the community including the top concerns:

- Traffic/Road Safety/Pedestrian Safety
- Affordable/Workforce Housing
- Growth Control/Overdevelopment/Lack of Open Space
- Water Quality
- Wind Insurance Rates

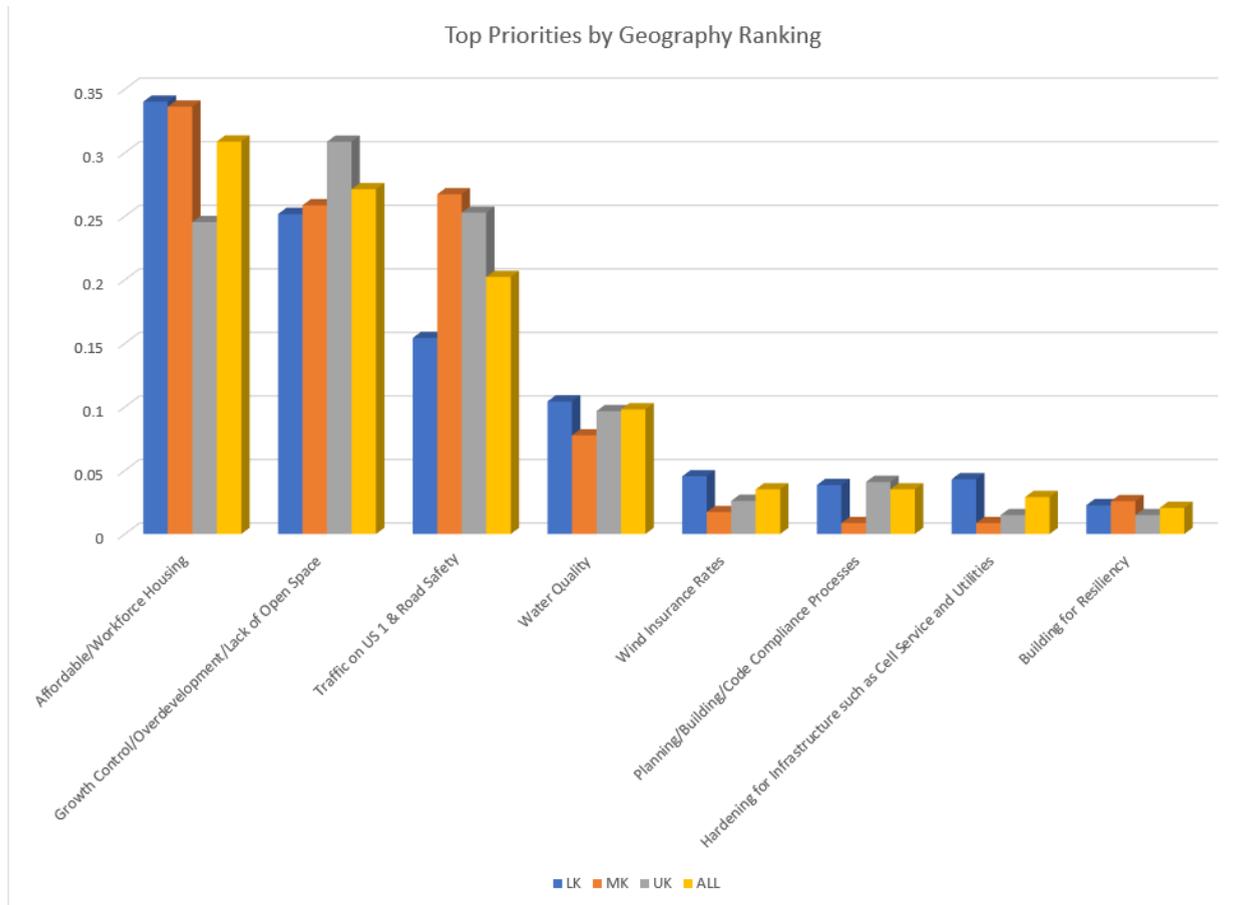

In the months following Hurricane Irma, the Office of Strategic Planning (OSP) attended a variety of meetings with individuals and groups throughout the community. Additionally, the OSP assisted with the facilitation of six Emergency Management Townhall Meetings to discuss the response and recovery efforts. During these conversations with the public, additional priorities emerged.

- Building for Resiliency
- Hardening of Infrastructure including Cellular and Utilities
- Monroe County Planning/Building/Code processes

Overall Ranking of these Priorities during the 2018 Community Input Process:

Overall Ranking of these Priorities during the 2018 Community Input Process- broken down by the geography of responders:

When taken geographically, we can clearly see that the importance of the top three issues (Affordable/Workforce Housing, Growth Control/Overdevelopment/Lack of Open Space, and Traffic & Road Safety) is dramatically impacted by where you live within the County. While the Middle and Lower Keys rank Housing at the top of their list, the Upper Keys is most concerned about Growth Control and Overdevelopment. Interestingly, the Upper and Middle Keys indicate greater concern about Traffic and Road Safety issues than the Lower Keys. When thoughtfully considered, the relationship between these concerns and where a responder lives paints a very clear picture of how these interconnected issues impact the various areas of our community differently.

An especially difficult conundrum presented in the data is the dichotomy we find in the Community’s #1 and #2 Priorities (Affordable/Workforce Housing and Growth Control/Overdevelopment/Lack of Open Space). When taken in total, the data results show that 24% rank Affordable/Workforce House as their #1 priority, with Growth Control/Over Development/Lack of Open Space as #2. The obvious conflict: succeeding at #1 without further exacerbating #2. Finding the balance between these issues and all the interconnected issues will become a theme in the 2020 Strategic Plan.

To provide greater insight into these issues, a series of questions were designed to delve more deeply into the heart of the community’s concerns (Housing, Traffic, Water Quality, Development, and Growth Control). Through this process, clear preferences of those who responded emerged:

- Housing: while people were concerned about housing, 70% supported “workforce” over “affordable” housing projects for County efforts
- Water Quality: most feel good about the canal cleanup and restoration projects and are primarily expressing concern about nearshore water quality

- Traffic: while two-out-of-three responders feel that traffic issues are the result of tourists, the greater concern is not congestion and quality of life but rather safety.
- Development: the majority expressed that their concerns are with residential over business development and that two-thirds indicated there is not enough growth control.

It is rare for the process of Community Input to unearth any deep revelations and it is likely that what you have read so far has you thinking: "That is what I expected". If an organization is reasonably in tune with the Community, the process is more about confirmation and participation than revelation. That said, one data point catching many by surprise involves "Traffic on US 1". The discussion of issues related to transportation have certainly taken a more central stage in recent years. Conversations about traffic or transportation solutions are traditionally focused on solving congestion as a Quality of Life issue. As a result, it is easy for the concern to become subjective as an issue of reasonable expectation or individual perception.

In conversations with the community, it was often asked if they thought the major contributor to increased traffic was residential growth or tourism. During the process, responders began to point out that the issue was truly not "traffic" but rather it was "safety." In reframing the question to ask if, when people prioritized "Traffic on US1" as a concern, they were doing so as a result of concerns about Quality of Life or Safety. The results were clear: 36% Quality of Life to 64% Safety. Understanding the deeper concern safety vs congestion or quality of life, the issue becomes more difficult to dismiss as a "personal expectations" concern.

In the Process we asked four open-ended questions designed to allow responders to provide unanticipated feedback. These questions were:

- What is your ideal vision for the future of Monroe County?
- What priorities would you add to the list we have provided?
- What do you feel Monroe County could do better?
- What do you feel Monroe County does well?

The complete list of all responses is included in the following pages of this report. However, the most common themes are:

Vision:

| | | | | | |
|------------|-----------|----------|-------------|----------|----------|
| Community | Beautiful | Balanced | Environment | Local | Visitors |
| Live | Work | Visit | Play | Clean | Safe |
| Affordable | Welcoming | Family | Sustainable | Paradise | |

New Priority Recommendations: (removed those found in overall ranking scale)

| | | | |
|--|-----------------------|--------------------------|------------|
| Affordable 'Living' | Beautification | Clean-up | Healthcare |
| Education | Public Transportation | Communication | |
| Flood Insurance Rates | Parks and Recreation | Environmental Protection | |
| Sea-level Rise | Sustainable Energy | Illegal Vacation Rentals | |
| More Services to Special Populations (i.e.-Seniors, Teens, Homeless, Drug Dependent, etc.) | | | |

Recommended Improvements: (significant overlap with "new priorities" removed)

| | | |
|--|------------------------------|---------------------------|
| Affordable Housing | Communication with Residents | Hurricane Preparation |
| Improvements to Building/Code Depts | Traffic Safety | Protection of Environment |
| Sense of Equitable treatment among all Keys/Geographic Areas of County | | |

Strengths of County Operations:

| | | |
|-----------------------------------|----------------------|-----------------------|
| Law Enforcement (MCSO) | Communication | Community Involvement |
| School System | Fire/EMS Services | Safety |
| Road Maintenance | Emergency Management | Libraries |
| Hurricane Recovery | Waste Management | Parks and Recreation |
| Advertising the Keys | | |
| Promoting Tourism for our Economy | | |

These lists, again, are common themes that emerged from the hundreds of responses collected. However, reading all the responses on the following pages is informative and recommended. While some of the comments may leave you concerned or frustrated, others will likely be what you anticipated. Some may put a smile on your face as they share the positive feelings of those we serve for the work we do. Taken in total, they are a reliable reflection of the in-person feedback received during this process. Responses have been sorted alphabetically and by geographical/organization breakdown. In the alphabetic list you may wonder why duplicate responses were left. This was to provide a sense of how often common themes arose in the feedback.

You will notice that County Building and Code processes is a common theme and was among the priorities made available for ranking. A brief explanation: In the days, weeks and months following Hurricane Irma County Building/Planning/Code processes/services were placed under a microscope while simultaneously being tested under maximum pressure. As a result, we heard a great deal of community feedback about these services in our Post-Irma Emergency Management Town Halls. Therefore, it was included “Building/Planning/Code Processes” as an option for ranking in the Community Input process. However, an interesting pattern emerged in the data. It became apparent upon review and analysis that, while it ranked at the bottom of our responding residents ranked priorities, it features prominently on the list of recommended improvements. In deeper conversations with the community, sentiments were clear that they feel the ordinances are solid and the County staff efforts are commendable. Still, almost all feel strongly that more resources are required for adequate response and enforcement.

Finally, all participants were asked “Do you feel you get your ‘money’s worth’ from Monroe County?” with a 1 to 5 star ranking possible (5 being the top). In the interactive presentation, the rankings averaged 3.48 Stars with Online ranking averaging 3.0. By location Upper Keys gave 3.29 Stars, Middle Keys at 3.13 Stars and Lower Keys at 3.05. The combined overall ranking was 3.1 Stars. However, more importantly than the star ranking is the fundamental positive feedback received during this process. While there are many priorities and challenges that the Community has identified, there was a theme of hope and optimism that ran through every conversation. Our community is hopeful for the future and believes that, together, we can address these challenges.

VI. Next Steps-

After reviewing this data, the Senior Management Team will meet on Dec. 6, 2018 to discuss detailed recommendations for incorporation in the 2020 Strategic Plan. Once complete, these recommendations will move forward to the Board of County Commissioners for review and discussion in a Special Meeting -Strategic Plan Workshop (to be held early December or January). This workshop will allow the Commissioners an opportunity to explore these issues in greater detail; reach consensus on the identified community priorities on which they would like to focus County resources in the next 3-5 years; and provide guidance to the Office of Strategic Planning for the final Strategic Plan document.

This feedback will be incorporated by the Office of Strategic Planning into a final proposed Plan that will be presented at the February 2019 BOCC meeting. If approved, the 2020 Strategic Plan will be utilized for annual budget guidance and department tactical plans. The Strategic Plan is a living document that, while designed for a 3-5 year span, will be reviewed each year in advance of the annual budget process.

NEWS RELEASE

For Immediate Release
Sept. 4, 2018

Cammy Clark, Public Information Officer
305-742-9687; Clark-cammy@monroecounty-fl.gov

[MONROE COUNTY SEEKING PUBLIC INPUT FOR 2020 STRATEGIC PLAN](#)

MONROE COUNTY, FL – Monroe County is seeking public input as it enters the final phase of the creation of its 2020 Strategic Plan. This plan guides the scope and direction of County services based on priorities established by the Board of County Commissioners – after extensive participation and feedback from the public.

Monroe County residents can provide their views on what should be the priorities of County government for the next 3 to 5 years by filling out a short online survey on the County's website at www.monroecounty-fl.gov/strategicplanning. The deadline to complete the survey is Oct. 31, 2018.

This short online survey is a supplement to a comprehensive public survey that was conducted 18 months ago during a public outreach tour of more than 20 public meetings. Those meetings were held throughout the Florida Keys and led by County Administrator Roman Gastesi.

The 2020 Strategic Plan was being created following analysis of those original surveys and feedback from the public outreach tour. Then Irma happened.

As the Florida Keys continue to recover from the Category 4 hurricane – the strongest storm to strike the Keys since 1960 – Monroe County is touching base once again with the community to update the original feedback.

“The County wants to see if our residents’ priorities and needs have shifted due to Irma,” said Kimberly Matthews, Sr. Director of Strategic Planning for the County. “This new information will build on our earlier, pre-hurricane analysis and exemplifies our belief that every voice matters in determining the future of our County.”

The raw feedback will be provided to the County's Senior Management Team and to the County Commissioners for use as they determine the strategic priorities of the County for the next 3-5 years.

Matthews also is meeting with community groups and organizations to gather their thoughts and priorities for the 2020 Strategic Plan. She provides an approximately 30-minute interactive presentation that uses software to allow up to 100 participants to provide anonymous feedback, rank priorities and vote on County issues via their smart devices or laptop.

To schedule a presentation to be completed by Oct. 31, 2018, email Matthews-kimberly@monroecounty-fl.gov or call 305-292-4540.

Online Survey

Monroe County Strategic Plan 2020 Survey

Save Progress

1. Are you a resident of:*

- Upper Keys
- Middle Keys
- Lower Keys
- I am not a resident of the Florida Keys.

2. In one sentence, describe your ideal vision of what Monroe County should be in the future.*

Please limit to one sentence.

3. From this list, what do you believe should be the County's Number 1 priority in the next 3-5 years?*

Select ONLY one.

- Traffic on US 1 & Road Safety
- Affordable/Workforce Housing
- Growth Control/Overdevelopment/Lack of Open Space
- Water Quality
- Wind Insurance Rates
- Building for Resiliency
- Hardening for Infrastructure such as Cell Service and Utilities
- Planning/Building/Code Compliance Processes

4. From this same list, which is your Number 2 priority in the next 3-5 years?*

Select ONLY one. Selection must be different than that of question #3. Duplicate answers will not be included

- Traffic on US 1 & Road Safety
- Affordable/Workforce Housing
- Growth Control/Overdevelopment/Lack of Open Space
- Water Quality
- Wind Insurance Rates
- Building for Resiliency
- Hardening for Infrastructure such as Cell Service and Utilities
- Planning/Building/Code Compliance processes

5. From the same list, which is your Number 3 priority in the next 3-5 years?*

Select ONLY one. Selection must be different than previous 2 questions. Duplicate answers will not be included.

- Traffic on US 1 & Road Safety
- Affordable/Workforce Housing
- Growth Control/Overdevelopment/Lack of Open Space
- Water Quality
- Wind Insurance Rates
- Building for Resiliency
- Hardening for Infrastructure such as Cell Service and Utilities
- Planning/Building/Code Compliance Processes

6. What would you add to the list of priorities?*

7. What do you feel Monroe County could do better? *

8. What do you feel Monroe County does well?*

9. Do you believe you "get your money's worth" from Monroe County? *

On a scale of 1 to 5, with 1 being "Not at All" and 5 being "Completely," please select one box.

1 - Not at All

2 -

3 -

4 -

5 - Completely

* indicates a required field

Monroe County Strategic Plan 2020 Survey For Interactive Presentation

1. Are you a resident of:
 - a. Upper Keys
 - b. Middle Keys
 - c. Lower Keys
 - d. Visitor

2. What words would you use to describe your vision/future for Monroe County? (list 2 max)

3. Which do you believe should be the County's top priorities in the next 3-5 years? (Please rank)
 - a. ____ Traffic on US 1 & Road Safety
 - b. ____ Affordable Workforce Housing
 - c. ____ Growth Control/Over Development/Lack of Open Space
 - d. ____ Water Quality
 - e. ____ Wind Insurance Rates
 - f. ____ Building for Resiliency
 - g. ____ Hardening of Infrastructure such as cellular and utilities
 - h. ____ Planning/Building/Code processes

4. What would you add to the list of priorities?

5. What do you feel Monroe County could do better?

6. What do you feel Monroe County does well?

7. Do you believe you 'get your money's worth' from Monroe County? (select a spot on the scale)

NOT AT ALL 1 2 3 4 5 6 7 8 9 10 COMPLETELY

Thank you for your Feedback!

Today's Presentation is Interactive!

Please use your smart phone, tablet, iPad or laptop to participate.

And **yes...** It is completely anonymous. You will not be required to download anything or create an account. 😊

Simply open your preferred web browser on any device and go to:

[Zeetings.com/monroe2020](https://zeetings.com/monroe2020)

Once the presentation begins you will be able to view the slides on your device, provide your answers to on screen questions, rank priorities, make comments.

If you choose to provide an email address, you will also be able to take notes, ask questions for later follow up from me and receive a copy of my presentation.

If for any reason you do not wish to use the interactive technology, please use the survey on the back to provide your feedback during the presentation.

Return your completed survey at the end of the presentation and your responses will be incorporated into our results.

Thanks!

Ideal Vision for the Future of Monroe County

Complete List of Responses

An island chain which lives up to its potential to be a subtropical paradise

Better prepared for a major hurricane. Repair US1 and residential roads. Commissioners do a better job with their leaderships!

More efficient traffic control leading to less congestion, accidents & deaths, nothin else works if our 1 road does not.

A "Martha's Vinyard" type of special place where residents can and visitors slow down to enjoy the scenic beauty that Monroe County could offer.

a balance of tourism and permanent residents (snowbirds included)

A BALANCED community in terms of carrying capacity, where carrying capacity includes residents, tourists, traffic, infrastructure, etc...

A balanced community that has found a way to match tourism with year round residency

A beautiful affordable community

A beautiful and clean living and destination environment.

A beautiful destination for visitors with a tight-knit community of year-round residents

A beautiful environment to live in and to visit.

A beautiful natural environment that is enjoyed by locals, gifted to visitors.

A beautiful place to for permanent residents to live, as well as a stunning island to visit.

A beautiful place to live with strong arts and a thriving, diverse economy.

a beautiful place to work and visit

A beautiful seaside community with limited new construction, ample public transportation, and responsive to sea-level rise.

A beautiful tranquil place to live surrounded by the beauty of everything that surrounds us

A beautiful, clean, resilient paradise

A beautiful, fair, tolerant place where people work and live together.

A beautiful, safe, harmonious, and affordable place to live.

A beautiful, safe, resilient island community

A beautiful, sustainable, clean paradise

A beautiful, unique place to live and visit.

A blend of our historical culture, preservation of marine resources, and a more balanced tourist trade so that county is sustainable.

A clean and environmentally focused community that supports local businesses and its citizens.

A clean and luxurious vacation destination, promoting tourism and vacation "hot spot"

A Clean and resident-friendly county with quicker permit process, cleanup, and effective/qualified emergency services (including fire and health).

A clean city protecting the environment.

A clean place visitors can enjoy from all over the world.

a clean safe environment with controlled taxes

A clean safe Paradise

A clean, energy independent, environmentally friendly destination that I can be proud to call home and proud to show off.

A clean, landscaped, manicured tropical vacation destination with clear water and high end visitors.

A clean, safe environment for residents and visitors.

A close knit, non -transient community, like it used to be.

A comfortable and enjoyable place for anyone

A community dedicated to the preservation of the Keys'™ unique natural beauty with priority on man's™ harmony with sea & wildlife rather than commercial/

A community focused on protecting locals and the environment while promoting responsible tourism.

A community of residents, who live in the Florida Keys, not transient vacation rentals and neighborhoods filled with AirBNBs

A community that at some point stops building and has a healthy balance of People who live here and visiting tourists.

A community that finds balance between its residents and a tourist based economy

A community that takes interest and care for its citizens before it takes care of the tourists

a Community true to its roots, not another ugly, greedy, overpriced tourist trap

A community where housing is affordable for everyone, not just the elite.

A community where people can live year around and work, less development, and safer RT 1.

A community where you can walk and bike safely rather than having to rely on cars.

A community which wages are high enough for people to afford rent.

A community who cares about its people and natural treasures.

A community with an ecologically sound tourist industry and base community of well-employed (paid) year round locals with seasonal homeowners.

A community with less roadside and residential neighborhood litter, as well as more enforcement of traffic speeding laws.

A Community-based agency focused on serving the needs of Keys Residents in a timely, compassionate and thoughtful manner.

A community that caters to tourism, but that is safe and easy to commute to work, school, errands, or for visitors.

A County balanced between the environment, locals, and tourists,

A county that balances protection of the environment, the quality of life needs of its residents with the demands for tourism development.

A County that never forgets why so many come to visit and never leave, Island life - never like the rest....

A county that not only holds its values but also embraces changes

A county that supports its working families and also accommodates the tourists.

A county that takes care of its environment, its residents, and its visitors. In that order.

A county which actually controls its natural resources for the well-being of future generations.

A County without Mini Season. I have vacation rentals and all are closed during the Mini.

A decent island

A desirable tourist destination that has stopped growing in order to preserve the environment and deal with climate change

a diverse and thriving economic community.

A diverse community which will put the interests of residents as one of its top priorities.

An environmentally conscious locale that allows residents and business to sustainably share our beautiful home.

An environmentally responsible and friendly community that supports its residents and welcomes visitors.

A family friendly ecotourism destination.

A family friendly resort destination with advantages for the local residents.

A free county with very little regulations and government control.

A friendly and peaceful place for all people.

A functioning group of small towns with a reasonable blend of workforce housing, residents, vacation homes.

A good balance of quality of life for both residents and tourists.

a good place to live for local and a historical, clean and eco place for visitors

A great place for tourists AND local citizens

A great place for workers as well as tourists!

A great tourist town.

A great travel destination that details our history and water activities..

A happy place for all

A haven for all, locals, part timers & tourists alike - and Somehow- we manage the traffic nightmare

A haven for flora, fauna, and not too many people to be a healthy ecosystem.

A healthy and vibrant community that continues to attract tourism while still being a place I'm happy to call home

A healthy balance of tourism and residents where residents can enjoy their lives as much as the tourists who visit.

A healthy, safe and clean environment.

A home for residence

A laid-back area where nature is preserved and good planning is standard.

A laid-back marine influenced community with less unnecessary restrictions, and more responsive to the community.

A leader in environmental protection and reef rescue.

A leading example to other counties throughout the state of Florida on hurricane preparedness and affordable housing crisis recovery.

A mix of ecological experiences, historical venues, and a wide selection of entertainment options.

A more affordable place to live

A more attractive tourist destination. 90% of US 1 is ugly and rundown looking.

A more family friendly environment

A national treasure that is preserved and nurtured while finding balance between the environment and tourism pressure on its pristine nature and ocean

A natural paradise that supports local business and is free from influence of national chains and developers.

A neighborhood not a tourist trap

A Nevada for tourists (and tourist dollars)

A nice place to live.

A paradise destination that also provides great services through county employees such as Law and fire. Start paying them appropriately

A paradise for both residents & visitors where affordable/workforce housing needs are met with a "greener" lifestyle island-wide.

A paradise for residents and visitors to enjoy a beautiful and safe environment to escape the main land.

A paradise home where tourists are welcomed

A paradise where not only the rich can afford to live which is supported by tourism.

A paradise where we balance world-class hospitality for visitors, care for our working-class residents, and conservation of our precious environment.

A peaceful calm place for residents and visitors without unnecessary distractions such as bicycles on highway.

A peaceful pleasant place to live.

A perfect blend of local families and tourists enjoying our pristine environment and meticulously maintained infrastructure.

A perfect blend of nature and human residents.

A place I can continue to call home when I'm able to retire. (I don't want to be forced out due to high costs)

A place for all that provides high quality leadership, cost-effective services, and protection to all while considering the future.

A place for families and locals to thrive (not just "get by") alongside the tourists.

A place for locals and tourists to feel comfortable

A place for new development and progress

A place for people to work, live, play, visit, and be educated.

A place for RESIDENTS to call home, and live within a community not over-run with tourists and vacation rentals

A place for workers to be able to live and work comfortably.

A place of nature's beauty with less emphasis on tourism

A place that affordable to live and to visit.

A place that allows no more houses built.

A place that I can raise a family and retire in.

A place that is an example of responsible environmental stewardship allowing traditional use but also protecting, preserving and renewing.

A place that maintains a Keysie feel rather than a big, modern city atmosphere.

A place that people call home, not vacation.

A place that retains its beautiful landscape and healthy environment on land or at sea, where residents and visitors alike enjoy great quality of life

A place to enjoy the natural beauty and eclectic charm of the Florida Keys.

A place to live and work safely and affordably

A place to live or visit where our natural resources are at their best.

A place to live, work and play where the environment is respected and the arts flourish.

A place vacationers want to visit.

A place where all service workers can afford to live without having to have 3 jobs.

A place where economic success and environmental protection live side by side and people thrive.

A place where environmental protection and human use is balanced.

A place where full time residents can afford to live.

A place where local families are able to afford to live and work.

A place where local housing is not outnumbered by vacation rental housing and not overcrowded so our island home can still be a wonderful place.

A place where locals can live reasonably and still afford to support local businesses.

A place where locals only have to work one job to afford rent.

A place where locals young and old can afford to live along with a healthy tourist economy.

A place where my children can raise their children but still remain a tourist paradise.

A place where normal middleclass families can still live and prosper like generations past.

A place where people and wildlife can thrive.

A place where people can afford to live by means of affordable housing and jobs

A place where people can come for R&R, less upscale and more small business, lets not become a mini Miami or Disney World!

A place where people can enjoy the amenities of a coastal community while earning a living as a small business owner dependant on tourist.

A place where people can live by working only one job instead of two or three, thus giving them time to enjoy what the keys have to offer.

A PLACE WHERE PEOPLE WANT TO COME BACK AND SEE AGAIN.

A place where regular (middle class) people can live, work and retire.

A place where residents and vacationers can coexist peacefully

A place where residents have the right to build environmentally conscious homes in an expedient manner with the support of county professionals

A place where small business owners can find employees, and with few to no chain stores, in order to keep our character

A place where streets don't flood during a high tide and full moon.

A place where the environment is protected stringently, further luxury resort development is stopped and housing is affordable for working people

A place where the water (ocean) is clean you can see the stars and tourism comes second.

A place where tourists and locals can both enjoy it's beauty

A place where tourists and residents from all economic levels can exist together.

A place where tourists, snowbirds, retirees, professionals, families, and the people who serve them may live an affordable and happy life.

A place where we are proud of where we live.

A place with a clean environment and a balance between tourism and growth so that residents can afford to live here.

A place with affordable housing for residents, and beautiful beaches, etc. for tourists.

A place with clean water air and limited traffic

A place with clean water and helpful people

A place with low crime rate, great educational opportunities, low taxes, cultural activities, affordable housing for everyone and quality healthcare.

A place with nice flat roads, clean sandy beaches, and no mobile homes!

A placer that has affordable housing for the workforce.

A pleasant escape from the hectic pace of life!

A popular tourist destination 12 months out of the year with a thriving economy.

A predominantly green pedestrian-friendly community of islands.

A pristine tourist destination that does not overwhelm the lives of the locals.

A pristine, quiet, tourist-free paradise.

A protected destination resource with minimal building impacts of protected reefs, fisheries and water access for all.

A quiet clean getaway, safe and affordable enough to raise a family

A quiet quality place to live with commercial consideration of residential neighborhoods

A quiet, affordable place to live without traffic congestion & road accidents.

A quite Ecco friendly place for families to thrive.

A relaxed place to live and visit and appreciate the beauty of the Keys on and off the water.

A resident friendly community with access to services, schools and water activities, a place to live not just to visit.

A residential island with far less tourism, tourism is destroying the fragile natural environment here.

A rural, uncluttered, chain of islands where there is little commercial activity besides tourism and commercial fishing.

A safe (a manageable amount of crime and traffic) beautiful chain of islands and keep our natural beauty from being destroyed.

A safe affordable community that enhances the quality of life for its residents and visitors

A Safe Affordable Place For Everybody To Live

A safe and affordable place for residents to live in, while providing ample tourist opportunities brought about by sound environmental tactics.

A safe and clean place to live clean waters

A safe and secure community that prides itself on giving back to nature with responsible well planned development.

A safe community that is both pleasant and affordable to even average citizens who work and contribute to society.

A safe fun environment for everyone

A safe haven for all walks of life

A safe place to afford to live on wages earned.

A safe place to live, work and play.

A safe quiet place to live while we enjoy all of the beauty that nature has to offer us

A safe sustainable community with year round residents in mind.

A safe, beautiful county that has up to date infrastructure encourages affordable housing, and is focused on its citizens.

A safe, clean, affordable county with a diverse economy.

A safe, healthy place to live and work.

A safe, not overly developed county, with reasonable taxes for property owners.

A safe, pedestrian community with culture and activities that do not over tax the vested home owners without children.

A safe, vibrant, and modern community which retains it's small town island roots.

A sanctuary to be preserved for posterity and where finite resources preclude further housing development.

A series of welcoming communities that are dedicated to preserving our natural resources while growing tourism as a clean industry.

A small community with tourism

A small town.

A small, tight knit community centered on enjoying the natural beauty of our island chain.

A sparkling and beautiful clean water paradise

A spirited, artsy, and open community on the water that supports and encourages all residents; full time, seasonal and vacationers.

A state or national park

A string of mom and pop motels and resturanrs with single family homes interspersed.

A strong resilient right sized keys

A strong, enlightened, beautiful place to live life.

A Sustainable and great place to live and work

A sustainable community committed to environmental protection and small town way of life.

A sustainable living environment for Monroe County residents.

A sustainable paradise for residents and tourists

A thriving community for ANNUAL residents underpinned by stewardship and exemplary eco-tourism practices and initiatives.

A thriving mecca for people of all types where there is adequate services, decent wages, and housing for all!

A tight-knit community who enjoy the Florida Keys beauty together harmoniously.

A tourism based community with a family focus.

A tourism destination offering both luxury & affordable accommodations, where private sector pay/benefits equal that of government jobs.

a tourist destination that has affordable house for its residents and to continue to be vigilant to the rising water trentds.

A Tropical environment with clean water and boating access that is affordable for residents and visitors.

A tropical paradise where people can live and visit the most beautiful place in America.

A tropical paradise.

A unique and clean environment for people to visit and live but balanced on the needs of those who live here.

A unique Florida enclave inhabited by talented and hard working locals that like minded tourist would feel privledged to visit.

A unique tropical paradise with a sustainable economy that values its most important asset: our natural resources.

a unique, environmentally aware area, that protects (and lets visitors enjoy) it's natural beauty, ie; water, night sky, and unique kw

A very green community with renewable resources like wind and solar as well as a full recycling program with bins on the streets.

A vibrant welcoming economy that equally appreciates our visitors and residents.

A welcoming close knit community where residents and young families can thrive

A welcoming place for all working classes to be able to come and live a affordable lifestyle and enjoy the Florida Keys.

A welcoming place for residents and visitors of all incomes, races, religions and persuasions.

A welcoming place for tourist with an economy that support locals with a decent living.

A welcoming place to visit and live with an abundance of greenery and aesthetically pleasing businesses aong US 1

A WELL MANAGED COUNTY THAT HAS THE ENVIRONMENT AND GROWTH MANAGEMENT AS TOP PRIORITIES

A well run and attractive community in which to live with a mix of socio-economic classes.

A wonderful community for our full time residents to enjoy and afford, while offering tourists a chance to temporarily become part the community.

A wonderful place in paradise to raise a family.

A wonderful place to visit and a better place to live.

A working community enjoyed by visitors.

Above water,Paradise

Accesible

Accessible healthcare, affordable housing, vibrant economy that includes tourism and tech industry.

Allows people to succeed through pioneering and hard work and compensation in line with the cost of living.

Alternative Energy,Eco Friendly Transportation

Ample housing,Healthy waters

An admirable example of environmental and economic balance with sustainable tourism and true affordable housing for the entire workforce.

An affordable community where you can live, own a home, work, and play.

An affordable housing environment with an updated infrastructure so the quality of living is maximized.

An affordable place to live for locals.

An affordable place to live that people love to come and visit.

an affordable place to live!

An affordable workforce with improved environmental conditions which requires decreased tourism

An affordable, laid back place open to all types of people.

An all welcoming community

An all welcoming community that strives to take care of its residents while marketing the Keys as the perfect place to live and visit.

An area of limited building growth going forward in order to maintain the KEYS environment and quality of life
an area that is ecologically sound, void of McMansions, and served by mass transit of low impact.

An area with a better balance between residents and tourism; some limits must be made on tourism.

An attractive vacation spot that allows local Watersports providers the opportunity to be successful.

An authentic eco-tourist destination, preserving the reef and all the natural wildlife and beauty here.

An autonomous sustainable community focused on clean energy, healthy citizens, and clean alternative transportation.

An eco friendly tourist destination and community

An eco wise and friendly to all, tourist destination where all are welcome.

An ecologically preserved QUIET community LESS tourists LESS tourist events fewer cars, we need transportation plan, more efficient environment friendly

An economy which diversified beyond the sole current stream, tourism.

An enjoyable calming paradise

An environment safe, affordable and comfortably livable for full and part time residents as well as welcoming and attractive to visitors and tourists.

An environmental sanctuary for all to enjoy for generations to come

An environmentally friendly quiet place for neighbors and family to enjoy life without big city problems such as high traffic and obnoxious tourists.

An equal balance of full time residents and transients.

An Ideal place to work because of it's workforce support, close community and community supportive county policies

An incredible place to live and play, balanced between the resources and activities needed for both tourists and residents to enjoy life comfortably.

An island chain home to pristine waters, abundant wildlife, and the strength to face natural disasters.

An island chain of beauty & peacefulness for all to enjoy.

An open pristine place to live with less traffic

An open welcoming haven.... with less traffic

Housing,Toll

I can do it in two words. Less Expensive

I honestly am not sure, as a resident and employee of Monroe county I am overall satisfied.

I think we have to stop in our encouraging development until we have housing for workers needed here for that development

I would like it to be more resident friendly.

I would like to see more efforts applied to help keeping native from having to move due to lack of help for property owners and help stop price gouging

I would like to see safer roads...accident free.

i would like to see the county workers be paid a good weekly wage so they can continue cleaning up there homes

I would like to see the Keys focus on promoting eco-tourism throughout the island chain, with an emphasis on sustainability.

Ideally, as it was 20 years ago - worst case status quo

Ideally, to strike a balance between quiet rural community with abundant but low-impact tourism.

Iguana controlled

Improve the appearance of neighborhoods and the main corridor of the Keys, US 1.

Improve traffic flow on US 1 throughout the Keys by creating all 4 lanes thus avoiding complete closure and gridlock from accidents.

Improved services for residents while maintaining a pleasant experience for our visitors.

Improved services for residents while maintaining a pleasant experience for our visitors.

Incorporated

increase tourism while managing traffic, develop upper keys and create a destination area similar to Islamorada

Infrastructure, Safe

Lower flood insurance ,Affordable

Lower insurance ,Green areas

Lower rent and house prices

Lower taxes

Lower taxes

Maintain

Maintain the original essence of the Keys, while moving towards an environmental friendly future.

maintaining the unique natural beauty with a low density and low-rise human footprint

Make it affordable. Put a cap on rentals

make it cheaper to live here; insurance, taxes, cost of living far too high!

Make Upper Keys more beautiful and scenic

Managed growth to maintain diversity while protecting natural resources..

Marine focused

MC should be the hub that connects each community together

MC will be more energy independent, water cleaner, more recycling, friendlier with more parking.

Minimize,Development

Mission Statement: We provide municipal services and programs essential to a desirable community in which to live, work and play.

Monorail

Monroe County in the future - sustainable and not overcrowded.

Monroe county is a beautiful and clean vacation destination with a honey small town feel.

Monroe County is a clean, beautiful, safe and sustainable resource for people from all over the world to enjoy.

Monroe County is a safe and environmentally conscious marine environment that is welcoming to visitors from around the world.

Monroe County needs to concentrate on the ability for the full time residents to be able to afford to live here and that includes affordability.

Monroe County should be a beautiful, family-friendly, affordable, sustainable place to live for generations to come.

Monroe County should be a clean, beautiful, well-maintained county with a thriving eco-system that supports animal life, plant life and human life.

Monroe County should be a clean, environmentally conscience, uncrowded community for families who love the living, working and playing by the ocean

Monroe County should be a clean, quiet, affordable place to live, free of cronyism and corporate greed.

Monroe County should be a community that protects the environment and has a sustainable population with an excellent quality of life.

Monroe County should be a county that takes care of all of its citizens.

Monroe County should be a diverse community supported by both local small businesses and corporations thrive and provide jobs for those who live here.

Monroe County should be a leader in marine craft engineering, coastal engineering, sustainable ecotourism and sustainable fisheries management.

Monroe County should be a paradise for all residents and tourists alike.

Monroe County should be a peaceful, water-oriented retreat with clean waters, good food, nice people, and light traffic!

Monroe County should be a place where full-time, working families and long-time residents can actually afford to live without giving up quality of life

Monroe County should be a place where homes are owned by residents and not corporations.

Monroe County should be a place where special interests don't outweigh the broader vision of what we all need to make this County thrive as a whole.

Monroe county should be a preserved sanctuary for its residents and its tourist population.

Monroe County should be a safe, beautiful and prosperous place to live and work.

Monroe County should be a self sustaining, economically diverse home to its residents and guests.

Monroe county should be a tourist destination in which locals are seen as the most important factor.

Monroe county should be a vibrant diverse community with healthy environment that is protected and nourished by residents, businesses and government.

Monroe County should be an affordable place to live for anyone who wants to reside and make a living here.

Monroe County should be an extremely conservation minded, innovative, and family friendly community that protects natural resources above all.

Monroe County should be consider cultural equity, be even more environmentally pro-active and provide a more affordable life for working people.

Monroe County should be more clean

Monroe County should be safe, more affordable and uncrowded.

Monroe County should differentiate itself from the mainland with clean, high quality, unique businesses and slow pace of life

Monroe County should have a healthy environment and retain a small town feel.

Monroe County should keep its natural flora, fauna, and viewable seascapes intact.

Monroe County should maintain its small island charm and stop giving way to box stores.

Monroe County should make its citizens top priority and stop striving so hard to be a tourist destination.

Monroe County should support the residents in decision making especially after a disaster such as Hurricane Irma.

Monroe County's future

More accommodating to those of us with low incomes.

More actual help for mental health and less homeless

More affordable ,Cleaner

More affordable ,Cleaner

More affordable for locals and service industry personnel, less of an influence from the wealthy especially those that do not reside here full time.

More Affordable homes powered by Renewable Energy like solar and wind, with eco laws like plastic bag bans, and a new rail system. MONORAIL?

More affordable house for property owners to replace out of date trailers or not meeting code requirements. Stop allowing price gouging on new homes

More affordable housing less than 2000 a month for the working residents.

More affordable housing options need to be made available to people with low wage jobs.

More affordable other than that it's truly Paradise.

More affordable safe housing

More affordable

More beaches.

More beautiful on US 1

More driven to make living in this county enjoyable for residents like other counties in Florida.

More education funding for Arts programs

More emphasis on quality of life for residents, as opposed to everything for tourist dollars.

More environmental, cleaner and slower!

More family activity and affordable housing

More high end shopping @ Homegoods

More local businesses, less corporations.

More local friendly, actually affordable to live and work not "affordable."

More local oriented with resources allocated for housing and attractions for local families.

More out of state tourists.

More resident friendly (part time)

More resident friendly!

More resident minded, Greener

More services for the locals like safe bike paths and fewer tourist.

More things for children and locals to do that doesn't cost a arm and leg.

More tourism advertising dollars!

More tourist friendly

More vegetation, less ugly buildings!

More workforce housing!

More year round locals. Less transient housing.

More,Women

MOREAFFORDABLEHOUSING WITH LOWER RATES ON WIND DN FLOOD AND LESS INFRASTRUCTURE AND NO VULGAR T SHIRT SHOPS

Much as it is now.

My dream is clean clear water with abundant coral reefs and lots of fish

My ideal vision is a old Florida charm with quaintness and small businesses, not big chains.

My ideal vision of Monroe County is for it to be clean, peaceful and have a low crime rate.

My ideal vision of Monroe County is stronger punishments for littering, to help protect the beauty of paradise & ecosystem

My ideal vision of Monroe County is to increase the density on lots to build duplex housing and or affordable housing so Firefighters, Teachers, can

My ideal vision would include affordable healthcare and housing.

Nature,Peaceful

need to transition from sleepy fishing vaction spot to tourist mecca with 2nd homes... ugh hate to type but it is reality

Neighborhoods with beautiful landscaping clean water leed lighting no noise and a government that enforces it's regs on the developers and the environ

Nice,Home

No comment

No large increase in population

No more building

No more chain stores & restaurants

No more commercial development, limited residential development and a reasonable toll for non-residents/non-business owners to enter.

No more congestion in residential housing.

No more development

NO MORE growth, No ROGOs, No building permits, to allow a chance to clean the water, for a proper national park setting.

No more hotels and large developments / rentals

No plastic straws

No traffic

No worse then it currently is or we will not be the place to visit and the local economy will suffer

No,More

No,Tourists

Not all about Key West

Not an over built rich person's playground as is currently being done.

Not Boca,Better jobs

Not flooded,More weed

NOT just for the rich

Not lose are island vibe lifestyle

Not over built with hotels and condos.

Not polluted or overrun by Miami, remaining a small town

Not so many vacation rentals and NOT high rise cluster resort destinations.

Not underwater, and free of pollution.

Not what it is becoming.

Number one priority should be locals first.

O/S Hwy landscaped from MM 107 to Zero; clean, affordable housing; economic developerment with that "Keys" look and feel.

old town charm; very limited or no chain stores; low-rise bldgs only; walking/biking friendly; trolley system

One human family

One human family looking our for all our citizens

One sentence: Monroe County should be a vibrant community, 1) with a thriving environment that is protected and nourished by residents, businesses, go

One that cares for the environment and residents.

open and honest

Optimistic ,Serenity

Organized ,Growth

Organized,Livable

Our commission needs to care for the people instead of padding their own pockets. Example overpass at founders park!!

Our county should be cleaner for all of us.

Our own little Paradise in the USA

Overgrown

Paradise

Paradise

Paradise Found

Paradise respecting nature

Paradise tourist and locals can live together. Building restrictions to allow workforce housing but not overdevelopment. We don't need concrete jungle

Paradise, Beautiful

Paradise, Happy

Parks, Affordable

Patients while driving paying attention to your surroundings

Peaceful

Peaceful

Peaceful, Community

Peaceful, Family

Peaceful, Humane

Peaceful, Uncrowded

Peaceful and quiet neighborhoods that are safe from crime, clean and healthy land and ocean with safeguards to protect these characteristics into the

Peaceful friendly fun and safe waterfront community.

Peaceful paradise

Peaceful, clean, community minded, relaxing place to live.

Peaceful, Ample housing

Peaceful, Clean

Pedestrian friendly city

People should be able to move to Monroe County, get a job with a living wage, and a decent place to live.

Perfect mix of visiting and residing families who enjoy the fruits of Florida Keys

perfect model for how to balance the environment and a tourist economy to provide all residents with a high quality of life

Pink like Brian's shirt

Pink like Brian's shirt

Plastic free; controlled growth

Pleasant ,Friendly

population decrease.

Population and tourism pre Hurricane Andrew.

Positive yet controlled.

Premiere tourist destination

Prepared for climate change,Affordable

Preservation

Preservation,Stable

Preservation,Sustainable

Preservation,Unity

Preserve and enhance access to beaches/roadside fishing spots/natural swimming holes. Get rid of gators/crocs

Preserve keys

Preserve our beautiful ecosystem and create sustainability (ecological and economical) along the island chain

Preserve the integrity of the existing communities. Stop allowing overdevelopment

Preserve the land from over building

Preserve the lower keys

Preserved

Preserving core Keys ideals while making modern advancements.

Preserving the ecology of our ultra sensitive environment by better controlling development, population and tourism.

Prestine,Affordabme

pristine

Pristine ,Iguana free

Pristine Eco tourist destination.

Pristine nature,Caring

Pristine paradise with blue water, beautiful coral, high vis diving and strong fishing and minimal traffic.

Pristine,Affordable

Pristine.

Pro-active in creating sustainabilty and less development.

Proactive,Inclusive

Progress ,Clean

Progressive but without losing the unique flavor and identity of the Florida Keys.

progressive,culture

Promotes reusable resources and green living

Prosperous ,Affordable

Prosperous community

Prosperous, yet not too built up.

Protect and preserve our coastal waters and environment through mindful decisions of maintaining our communities

Protect environment

Protect environment,Protect residents

Protect resources

protect resources

Protect the environment and the community

Protect,Environment

Protected environment

Protected environment

Protected environment, not a city, not congested.

Protected,Wild

Protecting her critical landscape & ecosystem.

Protector of our environment including water quality, reef issues, climate change and flooding potential and over crowding leading to more cars

Public,Transportation

Putting citizens before tourists

Quaint with affordable housing

Quaint,Village like

Quality over quantity tourism. Better protection of natural resources.

Quality,Affordable

Quality,Life

quiet place to enjoy nature

Quiet, close knit community, without large resorts like it used to be.

Quieter, less traffic, more trees.

Ready fot the future

reef still here,place to see the water

Reef,Balance

Relaxed, quiet place to live

Relaxing ,Environment

remain affordable for the average family to live here.

Renewed and RE-energized

Resident centric/focussed and polictically unbias.

Resident focused community, Outside developers eliminated, No more zoning changes and catering to greed.

Residents first, tourism second!

Resiliancy,Health

Resilient ,Diverse

Respect & consideration of the original Conchs who made this island instead of penalizing them.

Respect for Us1

responsible

Responsible,Fun

Restrictions on architectural designs that must fit into local inspired design and culture.

Return the funky nature the county once had

Return to being the (Tourist and) Fishing Capital of the World!

Roads that are driveable, utilities that go down in price, affordable insurances, better internet and phone service in emergencies.

Robust economy with a desirable quality of life for our full and part time residents and guests.

Room for working class to live affordably surrounded by clean and beautiful seas.

Rural,Community

Rural,Quiet

Rustic

Safe

safe affordable c

Safe and affordable for my kids family and friends

Safe and environmentally conscious without the burden of the economically irresponsible.

safe and family friendly

Safe and healthy

Safe and peaceful place to grow and feel the beauty.

Safe community for residents that is comprised of several small towns.

Safe environment for children to grow.

Safe environment, clean water

Safe from traffic accidents, and good access to quality health care without going to Miami.

Safe highways

Safe paradise

Safe place for our kids

Safe place to live comfortably for those who live here year round.

Safe roads from reckless driving from tourists.

Safe, Beautiful

Safe, clean and prosperous community with good roads and bridges.

Safe, clean and wildlife protected.

Safe, clean family friendly place to live.

Safe, clean, vibrant

Safe, Affordable

Safe, Affordable

Safe, Clean

Safe, Diverse

Safe, Environmentally conscious

Safe, Environmentally conscious

Safe, less government

Safety, Clean

Safety, Highway

Sanctuary

Save

Seamless

Self sufficient for electricity, water and internet

Self sustaining County with an abundance and diversity of housing, fresh water access and a place for tourist sites and locals alike.

self-supportive community living in harmony with our unique Keys environment

Serene and supportive home for residents and visitors

Service, Happy

Set the environmental benchmark for living and protect its resources while allowing people from all walks of life live and visit.

Set THE example for caring for our planet

Should be environmentally pristine, a nice place to live and visit.

Should stay small town feeling and not turn into a playground for only the Uber rich

Slice of paradise where the middle class can survive and contribute.

Small communities, well planned and safe

Small town

Solar and wind dependent

Speed traps

Spiritual,Community

Stability ,Resilient

Stay afloat

Stop All Development, limit vehicles on Islands and preserve the Environment and quality of life of residents.

Stop big builders taking over affordable living places

Stop big resorts at least make them Keys looking. Not generic

Stop Development, don't destroy environment for construction, decrease traffic and add a Visitors' Toll for entry into Keys.

Stop the building of resorts, condominiums, hotels, strive for lowering of taxes by making government smaller.

Strategic Plan should focus on developing additional workforce affordable housing.

Strengthen environmental protection, control non-residential growth & the TDC, promote residential needs e.g. affordable housing, stop flagrant greed.

Strong

Strong community supporting local business that attracts quality visitors while preserving the lay back friendly atmosphere.

Stronger infrastructure both physical and digital and more diversified economy training and promoting high tech build on Tallahassee success.

Sub-tropical tourist destination with low-density residential development and pockets of workforce housing that are eco-friendly

Support the needs of residents of the County not its own political agenda.

Supporting the whole of the community to provide infrastructure, services, and guidance to enhance the lives of both residents and visitors alike.

Survive sea level rise

Taxes should stop growing.

Term limits for county commissioners

The ability to build a house without being required to apply for 20 permits.

The beautiful tropical paradise that it is w/o all the homeless, drinks roaming around.

The county should promote living in harmony with the environment.

The destination that everyone wants to come to, one that supports its Military and is affordable for those of us who live and work here.

the environment is what makes the keys unique and this should be the priority,not how many people you can cram on them

The Florida Keys should endeavor to become a sustainable community where tourism is well managed and the environment is prioritized & respected.

The gold standard for other counties that are as uniquely configured.

The health and quality of the natural environment is protected.

The kind of county that could win an award for the most efficient government while maintaining a balanced budget.

The leader in environmental friendly law and policies

The lower keys at least should remain pristine, mostly undeveloped, beautifully dark at night.

The natural beauty of the islands not over run with construction

The one human family atmosphere, resident focused, environmental priority, climate change aware including carbon footprint, insurance rate protection

The over commercialization has to stop, we are (have been) reaching crital mass!!!

There will be fewer bars/restaurants/hotels with less need for workforce housing as our economy focuses on eco-tourism rather than alcohol and freaks.

To be a lower cost of living area.

To have Key Largo look more tropical along the hwy

To opose any and all incursions of our way of life. They come here for a reason and the first thing the new comers want to do is change the reason.

To preserve and protect our environment while offering the oppportunity for visitors and residents to enjoy all available recreational oppportunities.

To Protect Tourism, workforce and residences from extinction.

To see the keys a a small mom and pop fishing village. We can not expand!!

Toll road for security and increasing traffic congestion.

tourism mecca of the US

Tourist attraction

Tourist destination for fishing, diving, nature and Caribbean island life culture

Tourist destination with adequate housing for locals.

Traffic

Traffic & cheaper housing (rent and Purchasing)

Traffic ,Health Services

tranquil,friendly

Tropical

Tropical paradise for residents.

Truly affordable for working class people

Uncrowded,Nature

Uncrowded,Sustainable

United

Unity

Unity ,Community

Unity of the people with the County Commission; and Caring about the environment

Unity,Sustainability

Untouched buy commercialization.

Upscale resort with excellent amenities with modern affordable transportation system

vacationers and residents living in harmony.

Very careful and limited development to protect our fragile ecosystem

vibrant, diverse, welcoming community that cares about, supports all residents

Vibrant,Affordable

Walk about spaces

Water

Water quality

Water quality,Balanced

Water quality,Traffic control

Water,Quality

We have defined these qualities repeatedly in the past, particularly in terms of protecting the Keys' "community character."

we need to watch our spending

We need to keep our environment clean and free of more development

We should be setting the standard for environmentally friendly building codes, recycling, solar energy, and a "green" way of thinking.

We would be a diverse community living in affordable housing and being paid a "living" wage.

welcoming ,inclusive

Welcoming to visitors but not at the expense of the locals!

Well balanced, well managed tourism and sustainable environmental practices.

Well being of Community,Protecting our reef

Well maintained

well planned safe community with healthy marine and terrestrial environments

Well-being,Welcoming

What it was in1995

What is it today with an improved, hardened infrastructure and more housing for young working families.

where families can come and see the best reef system ever, fish for every kind of fish while enjoying all of the water sports in a pr

Where there isn't a bubble system and it's not all about money, but quality of life for all workers and residents.

Work life balance

Workforce housing,Lower taxes

World class vacation destination...

would like to see the county have more public boat ramps.

Ymca gym

| Lower Keys | There will be fewer bars/restaurants/hotels with less need for workforce housing as our economy focuses on eco-tourism rather than alcohol and freaks. |
| Lower Keys | An affordable, laid back place open to all types of people. |
| Lower Keys | Support the needs of residents of the County not its own political agenda. |
| Lower Keys | A Clean and resident-friendly county with quicker permit process, cleanup, and effective/qualified emergency services (including fire and health). |
| Lower Keys | Monroe County should be safe, more affordable and uncrowded. |
| Lower Keys | Compared to naples and many other Florida cities. Key west looks dumpy and more work like north roosevelt should be done to beautify the city. |
| Lower Keys | Paradise tourist and locals can live together. Building restrictions to allow workforce houseing but not overdevelopment .We dont need concrete jungle |

| | |
|------------|--|
| Lower Keys | Stop the building of resorts, condominiums, hotels, strive for lowering of taxes by making government smaller. |
| Lower Keys | More Affordable homes powered by Renewable Energy like solar and wind, with eco laws like plastic bag bans, and a new rail system. MONORAIL? |
| Lower Keys | An affordable place to live for locals. |
| Lower Keys | A beautiful, sustainable, clean paradise |
| Lower Keys | I would like to see more efforts applied to help keeping native from having to move due to lack of help for property owners and help stop price gougin |
| Lower Keys | A place for people to work, live, play, visit, and be educated. |
| Lower Keys | Preserve the land from over building |
| Lower Keys | Monroe County should be a self sustaining, economically diverse home to its residents and guests. |
| Lower Keys | Low density environmental area of critical concern that prioritizes residential quality of life over the growth of tourism. |
| Lower Keys | A laid-back marine influenced community with less unnecessary restrictions, and more responsive to the community. |
| Lower Keys | A place where regular (middle class) people can live, work and retire. |
| Lower Keys | The natural beauty of the islands not over run with construction |
| Lower Keys | A Sustainable and great place to live and work |
| Lower Keys | population decrease. |
| Lower Keys | Monroe County should make its citizens top priority and stop striving so hard to be a tourist destination. |
| Lower Keys | It should be a small city that is a green, affordable, friendly tropical haven for REGULAR people with a sprinkling of wealthy. |
| Lower Keys | Monroe County should be a peaceful, water-oriented retreat with clean waters, good food, nice people, and light traffic! |
| Lower Keys | My ideal vision of Monroe County is to increase the density on lots to build duplex housing and or affordable housing so Firefighters, Teachers, can |
| Lower Keys | More driven to make living in this county enjoyable for residents like other counties in Florida. |
| Lower Keys | Self sufficient for electricity, water and internet |
| Lower Keys | A place where people can live by working only one job instead of two or three, thus giving them time to enjoy what the keys have to offer. |
| Lower Keys | An island chain which lives up to its potential to be a subtropical paradise. |

| | |
|------------|--|
| Lower Keys | A sustainable living environment for Monroe County residents. |
| Lower Keys | A quiet, affordable place to live without traffic congestion & road accidents. |
| Lower Keys | Clean it up, the place looks like a mess. Improve traffic flow on US 1, concern about citizens, less about tourists. |
| Lower Keys | Monroe County should be a clean, quiet, affordable place to live, free of cronyism and corporate greed. |
| Lower Keys | A beautiful seaside community with limited new construction, ample public transportation, and responsive to sea-level rise. |
| Lower Keys | Less greed / overdevelopment / overcrowding and MORE preservation of what we have. |
| Lower Keys | Clean, vibrant young adults with diversified economies with new micro-industries in technical and intelligent fields. |
| Lower Keys | Limit tourism to solve traffic and quality of life problems. |
| Lower Keys | diverse, economically strong and environmentally leading the way |
| Lower Keys | An environment safe, affordable and comfortably livable for full and part time residents as well as welcoming and attractive to visitors and tourists. |
| Lower Keys | NO MORE growth, No ROGOs, No building permits, to allow a chance to clean the water, for a proper national park setting. |
| Lower Keys | Cleaner. |
| Lower Keys | make it cheaper to live here; insurance, taxes, cost of living far too high! |
| Lower Keys | Monroe County is a clean, beautiful, safe and sustainable resource for people from all over the world to enjoy. |
| Lower Keys | We would be a diverse community living in affordable housing and being paid a "living" wage. |
| Lower Keys | Roads that are driveable, utilities that go down in price, affordable insurances, better internet and phone service in emergencies. |
| Lower Keys | Exceptional "Quality of Life" for residents because funding of government projects supports a vibrant local community. |
| Lower Keys | Protect and preserve our coastal waters and environment through mindful decisions of maintaining our communities |
| Lower Keys | The county should promote living in harmony with the environment. |
| Lower Keys | A beautiful, fair, tolerant place where people work and live together. |
| Lower Keys | A great place for tourists AND local citizens |
| Lower Keys | Decent roads, less traffic, and less aggressive homeless people. |

| | |
|------------|---|
| Lower Keys | Resident focused community, Outside developers eliminated, No more zoning changes and catering to greed. |
| Lower Keys | Better schools |
| Lower Keys | A friendly and peaceful place for all people. |
| Lower Keys | Dedicated to preserve the counties historical charm and way of life - simple. |
| Lower Keys | Monroe County should be a community that protects the environment and has a sustainable population with an excellent quality of life. |
| Lower Keys | The Florida Keys should endeavor to become a sustainable community where tourism is well managed and the environment is prioritized & respected. |
| Lower Keys | Monroe County should be more clean |
| Lower Keys | The kind of county that could win an award for the most efficient government while maintaining a balanced budget. |
| Lower Keys | affordable housing, clean water quality and environmental preservation, reasonable insurance rates |
| Lower Keys | A beautiful, safe, resilient island community |
| Lower Keys | Less tourists, higher quality of life and more protection for environment and expanded alternative transportation including bicycle infrastructure |
| Lower Keys | An authentic eco-tourist destination, preserving the reef and all the natural wildlife and beauty here. |
| Lower Keys | Mission Statement: We provide municipal services and programs essential to a desirable community in which to live, work and play. |
| Lower Keys | Keep the water blue, the fish and flora thriving and put a lid on developers/building owners who drive out small business/get replaced w/ franchises. |
| Lower Keys | Safe, clean and prosperous community with good roads and bridges. |
| Lower Keys | Low tax, small government community that values individual property rights. |
| Lower Keys | It should be Paradise! |
| Lower Keys | A WELL MANAGED COUNTY THAT HAS THE ENVIRONMENT AND GROWTH MANAGEMENT AS TOP PRIORITIES |
| Lower Keys | Monroe County should be a beautiful, family-friendly, affordable, sustainable place to live for generations to come. |
| Lower Keys | A BALANCED community in terms of carrying capacity, where carrying capacity includes residents, tourists, traffic, infrastructure, etc... |
| Lower Keys | Monroe County should be a place where special interests don't outweigh the broader vision of |

| | |
|------------|--|
| | what we all need to make this County thrive as a whole. |
| Lower Keys | People should be able to move to Monroe County, get a job with a living wage, and a decent place to live. |
| Lower Keys | Peaceful |
| Lower Keys | Cleaner, safer place to call home. |
| Lower Keys | A strong resilient right sized keys |
| Lower Keys | Less Tourist and better for those who live here full time, the traffic is insane |
| Lower Keys | Less populated and peaceful |
| Lower Keys | An environmental sanctuary for all to enjoy for generations to come |
| Lower Keys | A beautiful tranquil place to live surrounded by the beauty of everything that surrounds us |
| Lower Keys | A community where you can walk and bike safely rather than having to rely on cars. |
| Lower Keys | Environmentally sustainable and affordable. |
| Lower Keys | A beautiful, unique place to live and visit. |
| Lower Keys | A small, tight knit community centered on enjoying the natural beauty of our island chain. |
| Lower Keys | Dump the plastic, pick up the trash, and my street was workforce housing and now it is all vacation rentals. |
| Lower Keys | Paradise Found |
| Lower Keys | Safe place for our kids |
| Lower Keys | Strengthen environmental protection, control non-residential growth & the TDC, promote residential needs e.g. affordable housing, stop flagrant greed. |
| Lower Keys | More things for children and locals to do that doesn't cost a arm and leg. |
| Lower Keys | Safe, clean family friendly place to live. |
| Lower Keys | Peaceful |
| Lower Keys | Fewer People as more people equals more cars and boats and pollution of roads and water |
| Lower Keys | maintaining the unique natural beauty with a low density and low-rise human footprint |
| Lower Keys | A safe, healthy place to live and work. |
| Lower Keys | Affordable living and appealing location that attracts more people to move and live here long term. |
| Lower Keys | Sustainability and Environmental Sensitivity |
| Lower Keys | Clean and traffic free |
| Lower Keys | Limited growth and quality of life for residents. |
| Lower Keys | Well balanced, well managed tourism and sustainable environmental practices. |
| Lower Keys | A welcoming close knit community where residents and young families can thrive |

| | |
|------------|--|
| Lower Keys | A County that never forgets why so many come to visit and never leave, Island life - never like the rest.... |
| Lower Keys | Sustainable and environmentally friendly |
| Lower Keys | Local friendly with affordable housing |
| Lower Keys | An affordable workforce with improved environmental conditions which requires decreased tourism |
| Lower Keys | A place to live, work and play where the environment is respected and the arts flourish. |
| Lower Keys | Preserve the lower keys |
| Lower Keys | A place where normal middleclass families can still live and prosper like generations past. |
| Lower Keys | Focus on improving the lives and activities of the youth to Make Monroe County an attractive place to stay. Be competitive with pay with Miami Dade. T |
| Lower Keys | A diverse community which will put the interests of residents as one of its top priorities. |
| Lower Keys | A community of residents, who live in the Florida Keys, not transient vacation rentals and neighborhoods filled with AirBNBs |
| Lower Keys | An economy which diversified beyond the sole current stream, tourism. |
| Lower Keys | Protect the environment and the community |
| Lower Keys | As close to a pristine environment with clean, clear water, little to no pollution and an abundance of native species. |
| Lower Keys | Truly affordable for working class people |
| Lower Keys | An all welcoming community that strives to take care of its residents while marketing the Keys as the perfect place to live and visit. |
| Lower Keys | More tourism advertising dollars! |
| Lower Keys | Less bitching more discussing communication |
| Lower Keys | Pro-active in creating sustainability and less development. |
| Lower Keys | Pristine Eco tourist destination. |
| Lower Keys | Safe environment, clean water |
| Lower Keys | A place with a clean environment and a balance between tourism and growth so that residents can afford to live here. |
| Lower Keys | A welcoming place for all working classes to be able to come and live a affordable lifestyle and enjoy the Florida Keys. |
| Lower Keys | Robust economy with a desirable quality of life for our full and part time residents and guests. |
| Lower Keys | affordable living |
| Lower Keys | A unique Florida enclave inhabited by talented and hard working locals that like minded tourist would feel privledged to visit. |
| Lower Keys | Monroe County should differentiate itself from the mainland with clean, high quality, unique businesses and slow pace of life |

| | |
|------------|---|
| Lower Keys | Ahead of the curve on environment |
| Lower Keys | An affordable place to live that people love to come and visit. |
| Lower Keys | An affordable community where you can live, own a home, work, and play. |
| Lower Keys | A county that not only holds its values but also embraces changes |
| Lower Keys | FL |
| Lower Keys | Environmentally protected and economically diverse. |
| Lower Keys | Less crowded. |
| Lower Keys | A relaxed place to live and visit and appreciate the beauty of the Keys on and off the water. |
| Lower Keys | Accesible |
| Lower Keys | A rural, uncluttered, chain of islands where there is little commercial activity besides tourism and commercial fishing. |
| Lower Keys | My ideal vision would include affordable healthcare and housing. |
| Lower Keys | An upscale vacation destination |
| Lower Keys | Cheaper rent and less gauging by hotels to increase tourism and not make it only for the rich. |
| Lower Keys | Less tourism |
| Lower Keys | Friendly environment to |
| Lower Keys | A paradise home where tourists are welcomed |
| Lower Keys | Improved services for residents while maintaining a pleasant experience for our visitors. |
| Lower Keys | Improved services for residents while maintaining a pleasant experience for our visitors. |
| Lower Keys | Emergency management needs to improve, the hurricane response was a disgrace. |
| Lower Keys | Stronger infrastructure both physical and digital and more diversified economy training and promoting high tech build on Tallahassee sucesss. |
| Lower Keys | A place that is an example of responsible environmental stewardship allowing traditional use but also protecting, preserving and renewing. |
| Lower Keys | 2 |
| Lower Keys | Leader in renewable enrgy |
| Lower Keys | Slice of paradise where the middle class can survive and contribute. |
| Lower Keys | Monroe County should be a place where homes are owned by residents and not corporations. |
| Lower Keys | Sustainable, controlled and offer a quality of life for normal real residents. |
| Lower Keys | A Safe Affordable Place For Everybody To Live |
| Lower Keys | a tourist destination that has affordable house for its residents and to continue to be vigilant to the rising water trendts. |
| Lower Keys | For residents |

| | |
|------------|--|
| Lower Keys | Preserving the ecology of our ultra sensitive environment by better controlling development, population and tourism. |
| Lower Keys | I honestly am not sure, as a resident and employee of Monroe county I am overall satisfied. |
| Lower Keys | A strong, enlightened, beautiful place to live life. |
| Lower Keys | Highly integrated with respect to use of resources that support the county for the wellbeing of all citizens. |
| Lower Keys | A safe haven for all walks of life |
| Lower Keys | an affordable place to live! |
| Lower Keys | A place that affordable to live and to visit. |
| Lower Keys | Sustainable tourism |
| Lower Keys | A tourism based community with a family focus. |
| Lower Keys | Less tourists and more family life like it used to be when I grew up |
| Lower Keys | Balance between peaceful and activity. |
| Lower Keys | efficiently run, respectful of residents and tourists |
| Lower Keys | Affordable and hippy dippy again |
| Lower Keys | an uncluttered highway without major retail chains and a cap on population density to allow easy vehicular traffic |
| Lower Keys | First and foremost, a great place for residents to live with all of the appropriate amenities and then a great place for people to visit. |
| Lower Keys | Fewer unnecessary city departments, like Urban Forestry, that suck up tax dollars to provide income for "connected" family members. |
| Lower Keys | perfect model for how to balance the environment and a tourist economy to provide all residents with a high quality of life |
| Lower Keys | Serene and supportive home for residents and visitors |
| Lower Keys | Quaint with affordable housing |
| Lower Keys | A blend of our historical culture, preservation of marine resources, and a more balanced tourist trade so that county is sustainable. |
| Lower Keys | Keeping safe and beautiful environment while allowing tourists to visit, keeping residents number one. |
| Lower Keys | Beautiful serene natural a place of respite and relaxation |
| Lower Keys | Monroe County needs to concentrate on the ability for the full time residents to be able to afford to live here and that includes affordability. |
| Lower Keys | A sanctuary to be preserved for posterity and where finite resources preclude further housing development. |
| Lower Keys | Safe paradise |
| Lower Keys | More emphasis on quality of life for residents, as opposed to everything for tourist dollars. |
| Lower Keys | A community where people can live year around and work, less development, and safer RT 1. |

| | |
|------------|---|
| Lower Keys | Protector of our environment including water quality, reef issues, climate change and flooding potential and over crowding leading to more cars |
| Lower Keys | a good place to live for local and a historical, clean and eco place for visitors |
| Lower Keys | Delivering paradise one day at a time |
| Lower Keys | Affordable housing |
| Lower Keys | MC will be more energy independent, water cleaner, more recycling, friendlier with more parking. |
| Lower Keys | A paradise where not only the rich can afford to live which is supported by tourism. |
| Lower Keys | A safe, beautiful county that has up to date infrastructure encourages affordable housing, and is focused on its citizens. |
| Lower Keys | Clean up the lower keys. Sweep the streets and mow the grass on Key Deer Blvd, regularly |
| Lower Keys | The one human family atmosphere, resident focused, environmental priority, climate change aware including carbon footprint, insurance rate protection |
| Lower Keys | It should provide a clean and safe environment for all its residents and for the waters around the Keys. |
| Lower Keys | All accepting an affordable. |
| Lower Keys | It should be a family and eco-friendly community that enables it's residents and visitors to enjoy nature's bounty unencumbered by over-development. |
| Lower Keys | Where there isn't a bubba system and it's not all about money, but quality of life for all workers and residents. |
| Lower Keys | A place where tourists and residents from all economic levels can exist together. |
| Lower Keys | Respect & consideration of the original Conchs who made this island instead of penalizing them. |
| Lower Keys | Clean up the junky building along A1A. |
| Lower Keys | A desirable tourist destination that has stopped growing in order to preserve the environment and deal with climate change |
| Lower Keys | Fun water-lover's mecca with a nighttime party atmosphere. |
| Lower Keys | Better prepared for a major hurricane. Repair US1 and residential roads. Commissioners do a better job with their leaderships! |
| Lower Keys | No more congestion in residential housing. |
| Lower Keys | Improve traffic flow on US 1 throughout the Keys by creating all 4 lanes thus avoiding complete closure and gridlock from accidents. |
| Lower Keys | Clean and kept up, no traffic, green energy & water, Key West. |
| Lower Keys | A safe sustainable community with year round residents in mind. |

| | |
|------------|---|
| Lower Keys | Monroe County should be a clean, environmentally conscience, uncrowded community for families who love the living, working and playing by the ocean |
| Lower Keys | An area of limited building growth going forward in order to maintain the KEYS environment and quality of life |
| Lower Keys | Safe and peaceful place to grow and feel the beauty. |
| Lower Keys | Seamless |
| Lower Keys | A place to enjoy the natarual beauty and eclectic charm of the Florida Keys. |
| Lower Keys | Less auto, traffic, tourism, and no more building, make affordable for past and future generations making for a community and not just a destination. |
| Lower Keys | Affordable to all types of incomes |
| Lower Keys | LESS INFRASTRUCTURE. MORE AFFORDABLE HOUSING |
| Lower Keys | livable |
| Lower Keys | A place for all that provides high quality leadership, cost-effective services, and protection to all while considering the future. |
| Lower Keys | Room for working class to live affordably surrounded by clean and beautiful seas. |
| Lower Keys | MOREAFFORDABLEHOUSING WITH LOWER RATES ON WIND DN FLOOD AND LESS INFRASTRUCTURE AND NO VULGAR T SHIRT SHOPS |
| Lower Keys | Correct affordable housing |
| Lower Keys | More affordable for locals and service industry personnel, less of an influence from the wealthy especially those that do not reside here full time. |
| Lower Keys | Monroe County should be a clean, beautiful, well-maintained county with a thriving eco-system that supports animal life, plant life and human life. |
| Lower Keys | Resident centric/focussed and polictically unbias. |
| Lower Keys | A place where people and wildlife can thrive. |
| Lower Keys | Continue tourism growth by supporting the local community essential to that industry |
| Lower Keys | Premiere tourist destination |
| Lower Keys | A safe community that is both pleasant and affordable to even average citizens who work and contribute to society. |
| Lower Keys | Sustainable living |
| Lower Keys | A tourism destination offering both luxury & affordable accommodations, where private sector pay/benefits equal that of government jobs. |
| Lower Keys | A place where tourists and locals can both enjoy it's beauty |
| Lower Keys | An Ideal place to work because of it's workforce support, close coummity and community supportive county policies |

| | |
|------------|--|
| Lower Keys | Continue to be a wonderful place to live. |
| Lower Keys | A home for residence |
| Lower Keys | A place with nice flat roads, clean sandy beaches, and no mobile homes! |
| Lower Keys | A clean and environmentally focused community that supports local businesses and its citizens. |
| Lower Keys | What is is today with an improved, hardened infrastructure and more housing for young working families. |
| Lower Keys | One human family looking our for all our citizens |
| Lower Keys | Supporting the whole of the community to provide infrastructure, services, and guidance to enahnce the lives of both residents and vsititors alike. |
| Lower Keys | Less congested, more affordable, and no more Keys wide races(foot or Bike) |
| Lower Keys | MC should be the hub that connects each community together |
| Lower Keys | A unique tropical paradise with a sustainable economy that values its most important asset: our natural resources. |
| Lower Keys | A community where housing is affordable for everyone, not just the elite. |
| Lower Keys | A comfortable and enjoyable place for anyone |
| Lower Keys | A perfect blend of local families and tourists enjoying our pristine environment and meticulously maintained infrastructure. |
| Lower Keys | An island chain of beauty & peacefulness for all to enjoy. |
| Lower Keys | Affordable and more family oriented |
| Lower Keys | Monroe County should be a place where full-time, working families and long-time residents can actually afford to live without giving up quaity of life |
| Lower Keys | Affordable for anyone regardless of income |
| Lower Keys | safe and family friendly |
| Lower Keys | A safe fun environment for everyone |
| Lower Keys | Return the funky nature the county once had |
| Lower Keys | A small town. |
| Lower Keys | More affordable housing less than 2000 a month for the working residents. |
| Lower Keys | Preserve and enhance access to beaches/roadside fishing spots/natural swimming holes. Get rid of gators/crocs |
| Lower Keys | Conducive to tourism |
| Lower Keys | A balanced community that has found a way to match tourism with year round residency |
| Lower Keys | More affordable safe housing |
| Lower Keys | less congested. |
| Lower Keys | Clean water, clean canals, adequate workforce housing, better US1 traffic/tourism controls - creative public transportation. |

| | |
|------------|---|
| Lower Keys | A environmentally conscious locale that allows residents and business to sustainably share our beautiful home. |
| Lower Keys | Affordable housing, both buying and renting for locals due to vacation properties and second homes increasing home values |
| Lower Keys | A Nevada for tourists (and tourist dollars) |
| Lower Keys | Affordable workforce housing |
| Lower Keys | Diversified economy, less emphasis on tourism. |
| Lower Keys | Investment in a middle class workers. |
| Lower Keys | Get paid a wage that allows a person not to have roommates when renting. |
| Lower Keys | Affordable |
| Lower Keys | affordable, relevant and efficient (energy) |
| Lower Keys | Community caring for each other. |
| Lower Keys | Free from governmental interference. |
| Lower Keys | A popular tourist destination 12 months out of the year with a thriving economy. |
| Lower Keys | Monroe County should be an affordable place to live for anyone who wants to reside and make a living here. |
| Lower Keys | To be a lower cost of living area. |
| Lower Keys | A unique and clean environment for people to visit and live but balanced on the needs of those who live here. |
| Lower Keys | Control of traffic on Highway 1. |
| Lower Keys | A very green community with renewable resources like wind and solar as well as a full recycling program with bins on the streets. |
| Lower Keys | Less resorts, more affordable housing. |
| Lower Keys | Great place for families to live and work |
| Lower Keys | A clean, landscaped, manicured tropical vacation destination with clear water and high end visitors. |
| Lower Keys | Number one priority should be locals first. |
| Lower Keys | Clean like Sanibel and Captiva with a toll. |
| Lower Keys | Environmentally pristine and beautiful, with open space and parks abundant- PS lower Keys has the least in the county |
| Lower Keys | International destination for tourism. |
| Lower Keys | Diverse Community that focuses on community development and growth unrelated to tourism |
| Lower Keys | Sustainable tourism--quality over quantity. |
| Lower Keys | A mix of ecological experiences, historical venues, and a wide selection of entertainment options. |
| Lower Keys | A clean and luxurious vacation destination, promoting tourism and vacation "hot spot" |
| Lower Keys | tourism mecca of the US |
| Lower Keys | A decent island |
| Lower Keys | Strategic Plan should focus on developing additional workforce affordable housing. |
| Lower Keys | More workforce housing! |

| | |
|------------|---|
| Lower Keys | Accessible healthcare, affordable housing, vibrant economy that includes tourism and tech industry. |
| Lower Keys | A county that supports its working families and also accommodates the tourists. |
| Lower Keys | Family friendly |
| Lower Keys | Laid back and uncluttered and slow like it was 20 years ago. |
| Lower Keys | Allows people to succeed through pioneering and hard work and compensation in line with the cost of living. |
| Lower Keys | vacationers and residents living in harmony. |
| Lower Keys | Green and clean less bars more parks. |
| Lower Keys | A safe affordable community that enhances the quality of life for it's residents and visitors |
| Lower Keys | affordable for the working class and a cleaner island |
| Lower Keys | need to transition from sleepy fishing vacation spot to tourist mecca with 2nd homes... ugh hate to type but it is reality |
| Lower Keys | Less congested with far less development. |
| Lower Keys | Make it affordable. Put a cap on rentals |
| Lower Keys | Family Friendly Tourist Destination with sustainability for the environment and existing industries i.e. commercial and rec. fishing. |
| Lower Keys | clean, resourceful and beautiful |
| Lower Keys | A clean place visitors can enjoy from all over the world. |
| Lower Keys | An urban paradise |
| Lower Keys | clean |
| Lower Keys | A wonderful place to visit and a better place to live. |
| Lower Keys | Pedestrian freindly city |
| Lower Keys | a beautiful place to work and visit |
| Lower Keys | Our county should be cleaner for all of us. |
| Lower Keys | Living Wage |
| Lower Keys | Monroe county should be a preserved sanctuary for its residents and its tourist population. |
| Lower Keys | A thriving community for ANNUAL residents underpinned by stewardship and exemplary eco-tourism practices and initiatives. |
| Lower Keys | A PLACE WHERE PEOPLE WANT TO COME BACK AND SEE AGAIN. |
| Lower Keys | A series of welcoming communities that are dedicated to preserving our natural resources while growing tourism as a clean industry. |
| Lower Keys | Solar and wind dependent |
| Lower Keys | The lower keys at least should remain pristine, mostly undeveloped, beautifully dark at night. |
| Lower Keys | More accommodating to those of us with low incomes. |
| Lower Keys | Developed with plenty of work force housing. |

| | |
|------------|--|
| Lower Keys | A place where locals only have to work one job to afford rent. |
| Lower Keys | Safe, clean, vibrant |
| Lower Keys | A community that caters to tourism, but that is safe and easy to commute to work, school, errands, or for visitors. |
| Lower Keys | A place where all service workers can afford to live without having to have 3 jobs. |
| Lower Keys | More education funding for Arts programs |
| Lower Keys | a clean safe environment with controlled taxes |
| Lower Keys | More actual help for mental health and less homeless |
| Lower Keys | Cleaner looking and have more places for regular people to live. |
| Lower Keys | A beautiful destination for visitors with a tight-knit community of year-round residents |
| Lower Keys | I would like it to be more resident friendly. |
| Lower Keys | An enjoyable calming paradise |
| Lower Keys | A great travel destination that details our history and water activities.. |
| Lower Keys | An admirable example of environmental and economic balance with sustainable tourism and true affordable housing for the entire workforce. |
| Lower Keys | A state or national park |
| Lower Keys | a diverse and thriving economic community. |
| Lower Keys | No comment |
| Lower Keys | To see the keys as a small mom and pop fishing village. We can not expand!! |
| Lower Keys | My ideal vision is a old Florida charm with quaintness and small businesses, not big chains. |
| Lower Keys | A spirited, artsy, and open community on the water that supports and encourages all residents; full time, seasonal and vacationers. |
| Lower Keys | A vibrant welcoming economy that equally appreciates our visitors and residents. |
| Lower Keys | Just the way it is, however with the Chamber and the TDC working more closely with the WEATHER CHANNEL to eliminate the scare tactics that destroy tou |
| Lower Keys | GOVERNMENT NEEDS TO BE RESPONSIVE TO NEEDS OF EACH CONSTITUENT |
| Lower Keys | A county that balances protection of the environment, the quality of life needs of it's residents with the demands for tourism development. |
| Lower Keys | Affordable paradise |
| Lower Keys | A perfect blend of nature and human residents. |
| Lower Keys | Tropical paradise for residents. |
| Lower Keys | More affordable housing options need to be made available to people with low wage jobs. |
| Lower Keys | Affordable community for year round residents who can also service the influx of tourist traffic |

| | |
|------------|--|
| Lower Keys | Sub=tropical tourist destination with low-density residential development and pockets of workforce housing that are eco-friendly |
| Lower Keys | Affordable. |
| Lower Keys | Less traffic and less building! |
| Lower Keys | Laid back community |
| Lower Keys | Stop big builders taking over affordable living places |
| Lower Keys | Council listen to residents |
| Lower Keys | A place with clean water air and limited traffic |
| Lower Keys | Natural rural island paradise |
| Lower Keys | Monroe County should be a diverse community supported by both local small businesses and corporations thrive and provide jobs for those who live here. |
| Lower Keys | My dream is clean clear water with abundant coral reefs and lots of fish |
| Lower Keys | Affordable for working class. |
| Lower Keys | No large increase in population |
| Lower Keys | Affordable, especially to those of us already living here and being forced out. |
| Lower Keys | A healthy, safe and clean environment. |
| Lower Keys | An open pristine place to to live with less traffic |
| Lower Keys | One human family |
| Lower Keys | A functioning group of small towns with a reasonable blend of workforce housing, residents, vacation homes. |
| Lower Keys | A place that people call home, not vacation. |
| Lower Keys | Clean waters and utilizing renewable energy & sustainability. |
| Lower Keys | Clean land, air, water, fewer vehicles, better services and education, improved streets. |
| Lower Keys | Very careful and limited development to protect our fragile ecosystem |
| Lower Keys | A sparkling and beautiful clean water paradise |
| Lower Keys | Safe roads from reckless driving from tourists. |
| Lower Keys | A place with low crime rate, great educational opportunities, low taxes, cultural activities, affordable housing for everyone and quality healthcare. |
| Lower Keys | A safe and secure community that prides itself on giving back to nature with responsible well planned development. |
| Lower Keys | The beautiful tropical paradise that it is w/o all the homeless, drinks roaming around. |
| Lower Keys | A beautiful and clean living and destination environment. |
| Lower Keys | Clean water |
| Lower Keys | Environmentally conscious and amazingly clean, especially our water! |

| | |
|------------|--|
| Lower Keys | More affordable house for property owners to replace out of date trailers or not meeting code requirements. Stop allowing price gouging on new homes |
| Lower Keys | A environmentally responsible and friendly community that supports its residents and welcomes visitors. |
| Lower Keys | Monroe county should be a tourist destination in which locals are seen as the most important factor. |
| Lower Keys | A happy place for all |
| Lower Keys | Art in public places |
| Lower Keys | Environmentally aware community dedicated to modern solutions for urban living at the ocean's edge. |
| Lower Keys | Protecting her critical landscape & ecosystem. |
| Lower Keys | A place where residents have the right to build environmentally conscious homes in an expedient manner with the support of county professionals |
| Lower Keys | A family friendly ecotourism destination. |
| Lower Keys | The gold standard for other counties that are as uniquely configured. |
| Lower Keys | A welcoming place for tourist with an economy that support locals with a decent living. |
| Lower Keys | An autonomous sustainable community focused on clean energy, healthy citizens, and clean alternative transportation. |
| Lower Keys | Limited residential and commercial building with more focus on the environment. |
| Lower Keys | Unity of the people with the County Commission; and Caring about the environment |
| Lower Keys | What it was in 1995 |
| Lower Keys | A quite Ecco friendly place for families to thrive. |
| Lower Keys | A place that I can raise a family and retire in. |
| Lower Keys | Clean and no littering |
| Lower Keys | More environmental, cleaner and slower! |
| Lower Keys | Better fun attractions throughout the Keys & change Keys West image overall to attract the relaxed luxury market. |
| Lower Keys | Clean and crowd free |
| Lower Keys | A haven for flora, fauna, and not too many people to be a healthy ecosystem. |
| Lower Keys | A healthy and vibrant community that continues to attract tourism while still being a place I'm happy to call home |
| Lower Keys | Safe and healthy |
| Lower Keys | A string of mom and pop motels and resturanrs with single family homes interspersed. |
| Lower Keys | A more affordable place to live |
| Lower Keys | An all welcoming community |
| Lower Keys | Back to island living |

| | |
|---|--|
| Lower Keys | Ecologically sound,and sensitive to residents needs above tourists |
| Lower Keys | Given back to locals |
| Lower Keys | Environmentally conscious and affordable |
| Lower Keys | Set THE example for caring for our planet |
| Lower Keys | Affordable |
| Lower Keys | An eco wise and friendly to all, tourist destination where all are welcome. |
| Lower Keys | Less adversity between county and residents. |
| Lower Keys | Family friendly and peaceful, empahsis on a clean and healthy environment. |
| Lower Keys | Safe place to live comfortabilty for those who live here year round. |
| Lower Keys | Less obtrusive for residents that want to improve property |
| Lower Keys | More tourist friendly |
| Lower Keys | More local oriented with resources allocated for housing and attractions for local families. |
| Lower Keys | Less crowded |
| Lower Keys | A clean, energy independent, environmentally friendly destination that I can be proud to call home and proud to show off. |
| Lower Keys | Peaceful and quiet neighborhoods that are safe from crime, clean and healthy land and ocean with safeguards to protect these characteristics into the |
| Lower Keys | Promotes reusable resources and green living |
| Lower Keys | Neighborhoods with beautiful landscaping clean water leed lighting no noise and a government that enforces it's regs on the developers and the environ |
| Lower Keys | An ecologically preserved QUIET community LESS tourists LESS tourist events fewer cars, we need transportation plan, more eficent environmtly friendly |

| Middle Keys | A pristine tourist destination that does not overwhelm the lives of the locals. |
| Middle Keys | Ideally, to strike a balance between quiet rural community with abundant but low-impact tourism. |
| Middle Keys | i would like to see the county workers be paid a good weekly wage so they can continue cleaning up there homes |
| Middle Keys | Balanced between our tourism economy, environment, and quality of living. |
| Middle Keys | A sustainable paradise for residents and tourists |
| Middle Keys | No worse then it currently is or we will not be the place to visit and the local economy will suffer |
| Middle Keys | a balance of tourism and permanent residents (snowbirds included) |
| Middle Keys | Less low income thugs |
| Middle Keys | we ned to watch our spending |
| Middle Keys | A beautiful environment to live in and to visit. |
| Middle Keys | I would like to see the Keys focus on promoting eco-tourism throughout the island chain, with an emphasis on sustainability. |
| Middle Keys | Healthy tourist based economy with expanded government support of work force housing. |
| Middle Keys | A County balanced between the environment, locals, and tourists, |
| Middle Keys | A beautiful natural environment that is enjoyed by locals, gifted to visitors. |
| Middle Keys | More local friendly, actually affordable to live and work not "affordable." |

| | |
|-------------|---|
| Middle Keys | The leader in environmental friendly law and policies |
| Middle Keys | Not an over built rich person's playground as is currently being done. |
| Middle Keys | Beautiful layed back place to live |
| Middle Keys | More affordable other than that it's truly Paradise. |
| Middle Keys | More vegetation, less ugly buildings! |
| Middle Keys | Affordable housing for the workers! |
| Middle Keys | A quiet clean getaway, safe and affordable enough to raise a family |
| Middle Keys | Home to the people that live and work here. NOT a dump for weekenders. |
| Middle Keys | A predominantly green pedestrian-friendly community of islands. |
| Middle Keys | It should keep the bohemian charm but lose the gator-kickin' reactionary mentality that keeps community enhancement at bay. |
| Middle Keys | A place where tourists, snowbirds, retirees, professionals, families, and the people who serve them may live an affordable and happy life. |
| Middle Keys | Should stay small town feeling and not turn into a playground for only the Uber rich |
| Middle Keys | A placer that has affordable housing for the workforce. |
| Middle Keys | Ecotourism paradise |
| Middle Keys | A community focused on protecting locals and the environment while promoting responsible tourism. |
| Middle Keys | A paradise where we balance world-class hospitality for visitors, care for our working-class residents, and conservation of our precious environment. |
| Middle Keys | A tight-knit community who enjoy the Florida Keys beauty together harmoniously. |
| Middle Keys | A wonderful community for our full time residents to enjoy and afford, while offering tourists a chance to temporarily become part the community. |
| Middle Keys | A paradise for both residents & visitors where affordable/workforce housing needs are met with a "greener" lifestyle lifestyle island-wide. |
| Middle Keys | A place where local housing is not outnumbered by vacation rental housing and not overcrowded so our island home can still be a wonderful place. |
| Middle Keys | A place where people can afford to live by means of affordable housing and jobs |
| Middle Keys | Less tourists |
| Middle Keys | A County without Mini Season. I have vacation rentals and all are closed during the Mini. |
| Middle Keys | Ready fot the future |
| Middle Keys | Less congested, affordable, not turning into the Hamptons south. |

| | |
|-------------|--|
| Middle Keys | No more hotels and large developments / rentals |
| Middle Keys | Back to the 1980es. |
| Middle Keys | Monroe County is a safe and environmentally conscious marine environment that is welcoming to visitors from around the world. |
| Middle Keys | Relaxed, quiet place to live |
| Middle Keys | Safe and environmentally conscious without the burden of the economically irresponsible. |
| Middle Keys | Safe community for residents that is comprised of several small towns. |
| Middle Keys | Clean, peaceful slow paced environment. |
| Middle Keys | An incredible place to live and play, balanced between the resources and activities needed for both tourists and residents to enjoy life comfortably. |
| Middle Keys | A welcoming place for residents and visitors of all incomes, races, religions and persuasions. |
| Middle Keys | It seems like it is running efficiently enough I dont know how it could improve. |
| Middle Keys | A place that retains its beautiful landscape and healthy environment on land or at sea, where residents and visitors alike enjoy great quality of life |
| Middle Keys | The destination that everyone wants to come to, one that supports its Military and is affordable for those of us who live and work here. |
| Middle Keys | An affordable housing environment with an updated infrastructure so the quality of living is maximized. |
| Middle Keys | A beautiful place to live with strong arts and a thriving, diverse economy. |
| Middle Keys | Monroe County should support the residents in decision making especially after a disaster such as Hurricane Irma. |
| Middle Keys | The ability to build a house without being required to apply for 20 permits. |
| Middle Keys | Monroe County should keep its natural flora,fauna,and viewable seascapes intact. |
| Middle Keys | We should be setting the standard for environmentally friendly building codes, recycling, solar energy, and a "green" way of thinking. |
| Middle Keys | A safe place to live, work and play. |
| Middle Keys | Sustainable |
| Middle Keys | A place I can continue to call home when I'm able to retire. (I don't want to be forced out due to high costs) |
| Middle Keys | A family friendly resort destination with advantages for the local residents. |
| Middle Keys | A place where full time residents can afford to live. |
| Middle Keys | lower cost of living, less taxes, |

| | |
|-------------|---|
| Middle Keys | a unique, environmentally aware area, that protects (and lets visitors enjoy) it's natural beauty, ie; water, night sky, and unique kw |
| Middle Keys | Exactly as it is now. |
| Middle Keys | An equal balance of full time bvresidents and transients. |
| Middle Keys | Affordable |
| Middle Keys | A place with affordable housing for residents, and beautiful beaches, etc. for tourists. |
| Middle Keys | Less building more nature. |
| Middle Keys | A place where the environment is protected stringently, further luxury resort development is stopped and housing is affordable for working people |
| Middle Keys | Clean. |
| Middle Keys | A place for families and locals to thrive (not just "get by") alongside the tourists. |
| Middle Keys | Not so many vacation rentals and NOT high rise cluster resort destinations. |
| Middle Keys | GREEN |
| Middle Keys | Preserve the integrity of the existing communities. Stop allowing overdevelopment |
| Middle Keys | Limited new development |
| Middle Keys | Less development, more home town feeling |
| Middle Keys | Taxes should stop growing. |
| Middle Keys | Self sustaining County with an abundance and diversity of housing, freshness water access and a place for tourist sites and locals alike. |
| Middle Keys | Limited development. The beauty of the islands is being destroyed |
| Middle Keys | Rustic |
| Middle Keys | Residents first, tourism second! |
| Middle Keys | I can do it in two words. Less Expensive |
| Middle Keys | Clean frendly with proper services |
| Middle Keys | More family activity and affordable housing |
| Middle Keys | A place to live and work safely and affordably |
| Middle Keys | I think we have to stop in our encouraging development until we have housing for workers needed here for that development |
| Middle Keys | A tropical paradise. |
| Middle Keys | Laid back, beautiful with all working together for a decent way of life |
| Middle Keys | Monroe county is a beautiful and clean vacation destination with a honey small town feel. |
| Middle Keys | Not all about Key West |
| Middle Keys | Laid back and thriving financially with less traffic and more public transportation. |
| Middle Keys | Affordable |
| Middle Keys | A place where locals young and old can afford to live along with a healthy tourist economy. |
| Middle Keys | Environmentally sustainable community |

| | |
|-------------|---|
| Middle Keys | Set the environmental benchmark for living and protect its resources while allowing people from all walks of life live and visit. |
| Middle Keys | Our own little Paradise in the USA |
| Middle Keys | CA |
| Middle Keys | Family oriented community |
| Middle Keys | Stop big resorts at least make them Keys looking. Not generic |
| Middle Keys | Putting citizens before tourists |
| Middle Keys | Less crowded, less traffic, better place for locals to live and work. |
| Middle Keys | A place for locals and tourists to fill comfortable |
| Middle Keys | Paradise respecting nature |
| Middle Keys | A more family friendly environment |
| Middle Keys | Perfect mix of visiting and residing families who enjoy the fruits of Florida Keys |
| Middle Keys | A place where residents and vacationers can coexist peacefully |
| Middle Keys | Family friendly community |
| Middle Keys | A county which actually controls its natural resources for the well-being of future generations. |
| Middle Keys | A leader in environmental protection and reef rescue. |
| Middle Keys | Enjoyable, water based location |
| Middle Keys | Beautiful family oriented town with affordable housing not apartment rentals... |
| Middle Keys | A clean safe Paradise |
| Middle Keys | Less traffic and more small mass transit vehicle and car free KW |
| Middle Keys | Continue to be a great tourist destination. |

| UK Rotary | Water quality |
| Upper Keys | less traffic |
| Upper Keys | Quality over quantity tourism. Better protection of natural resources. |
| Upper Keys | Decrease density and enforce vacation rental regulations. |
| Upper Keys | affordable with more variety |
| Upper Keys | Ecologically preserved destination with restrictions on jet ski use, elimination of mini lobster season, increase lot size rqmts. |
| Upper Keys | Monroe County's future |
| Upper Keys | Less reliance on resorts; more retail, restaurants, shopping. More public beach access. |
| Upper Keys | A beautiful, clean, resilient paradise |
| Upper Keys | An area with a better balance between residents and tourism; some limits must be made on tourism. |
| Upper Keys | A leading example to other counties throughout the state of Florida on on hurricane preparedness and affordable housing crisis recovery. |
| Upper Keys | Less building |
| Upper Keys | Save |
| Upper Keys | An island chain home to pristine waters, abundant wildlife, and the strength to face natural disasters. |
| Upper Keys | A community who cares about its people and natural treasures. |
| Upper Keys | Monroe County should be a leader in marine craft engineering, coastal engineering, sustainable ecotourism and sustainable fisheries management. |
| Upper Keys | A great place for workers as well as tourists! |
| Upper Keys | A community that finds balance between its residents and a tourist based economy |
| Upper Keys | Monroe County should be consider cultural equity, be even more environmentally pro-active and provide a more affordable life for working people. |
| Upper Keys | A place where the water (ocean) is clean you can see the stars and tourism comes second. |
| Upper Keys | Local friendly |
| Upper Keys | A community that takes interest and care for its citizens before it takes care of the tourists |
| Upper Keys | Prosperous, yet not too built up. |
| Upper Keys | Monroe County in the future - sustainable and not overcrowded. |
| Upper Keys | Protected environment, not a city, not congested. |
| Upper Keys | developed in an inclusive and balanced manner |
| Upper Keys | Sustainable |
| Upper Keys | A place where we are proud of where we live. |
| Upper Keys | A place vacationers want to visit. |

| | |
|------------|---|
| Upper Keys | Leader in environmental conservation-mandate/subsidies solar panels, eliminate single use plastic, improved recycling/ composting, affordable housi |
| Upper Keys | Sustainable |
| Upper Keys | Improve the appearance of neighborhoods and the main corridor of the Keys, US 1. |
| Upper Keys | Sustainable |
| Upper Keys | Welcoming to visitors but not at the expense of the locals! |
| Upper Keys | More efficient traffic control leading to less congestion, accidents & deaths, nothin else works if our 1 road does not. |
| Upper Keys | Clean and small town vibe. |
| Upper Keys | the environment is what makes the keys unique and this should be the priority,not how many people you can cram on them |
| Upper Keys | My ideal vision of Monroe County is for it to be clean, peaceful and have a low crime rate. |
| Upper Keys | Less traffic congestion and cleaner land and water. |
| Upper Keys | An open welcoming haven.... with less traffic |
| Upper Keys | Environmentally friendly County focusing on zero waste and sustainable energy to increase environmental health. |
| Upper Keys | Plastic free; controlled growth |
| Upper Keys | Monroe County should be a paradise for all residents and tourists alike. |
| Upper Keys | Continues to prioritize the environment over the maximum amount of buildable space, i.e. preserve the beauty of the Keys. |
| Upper Keys | Monroe County should have a healthy environment and retain a small town feel. |
| Upper Keys | A safe and affordable place for residents to live in, while providing ample tourist opportunities brought about by sound environmental tactics. |
| Upper Keys | A healthy balance of tourism and residents where residents can enjoy their lives as much as the tourists who visit. |
| Upper Keys | Clean environment, not overcrowded, safe for residents and visitors. |
| Upper Keys | A safe, vibrant, and modern community which retains it's small town island roots. |
| Upper Keys | Patients while driving paying attention to your surroundings |
| Upper Keys | Tourist destination with adequate housing for locals. |
| Upper Keys | Eco focused community preserving natural beauty and resources. |
| Upper Keys | Positive yet controlled. |
| Upper Keys | No more chain stores & restaurants |
| Upper Keys | Learn how to stay small as we grow the brand. Try to reduce traffic. Perhaps a future monorail |

| | |
|------------|--|
| Upper Keys | Peaceful, clean, community minded, relaxing place to live. |
| Upper Keys | Less Miami tourists & more out of town tourist. |
| Upper Keys | Should be environmentally pristine, a nice place to live and visit. |
| Upper Keys | quiet place to enjoy nature |
| Upper Keys | A community with less roadside and residential neighborhood litter, as well as more enforcement of traffic speeding laws. |
| Upper Keys | A well run and attractive community in which to live with a mix of socio-economic classes. |
| Upper Keys | Clean, uncluttered, safe place to raise a family. |
| Upper Keys | O/S Hwy landscaped from MM 107 to Zero; clean, affordable housing; economic development with that "Keys" look and feel. |
| Upper Keys | A natural paradise that supports local business and is free from influence of national chains and developers. |
| Upper Keys | One sentence: Monroe County should be a vibrant community, 1) with a thriving environment that is protected and nourished by residents, businesses, go |
| Upper Keys | Environmentally friendly and sustainable tourist destination |
| Upper Keys | Clean, drivable, walkable, affordable. |
| Upper Keys | A county that takes care of it's environment, it's residents, and it's visitors. In that order. |
| Upper Keys | Forward thinking |
| Upper Keys | FL |
| Upper Keys | A wonderful place in paradise to raise a family. |
| Upper Keys | Diverse community that cares about the environment |
| Upper Keys | Return to being the (Tourist and) Fishing Capital of the World! |
| Upper Keys | Sustainable where workers can afford to live, raise a family and spend their income where it is earned. |
| Upper Keys | A small community with tourism |
| Upper Keys | Peaceful friendly fun and safe waterfront community. |
| Upper Keys | Cleaner with less traffic |
| Upper Keys | Conservation community |
| Upper Keys | Maintain the original essence of the Keys, while moving towards an environmental friendly future. |
| Upper Keys | A close knit, non -transient community, like it used to be. |
| Upper Keys | More resident friendly (part time) |
| Upper Keys | A good balance of quality of life for both residents and tourists. |
| Upper Keys | More year round locals. Less transient housing. |
| Upper Keys | Closed to new construction! |
| Upper Keys | Restrictions on architectural designs that must fit into local inspired design and culture. |

| | |
|------------|---|
| Upper Keys | Affordable housing for employees with booming tourist business. |
| Upper Keys | A community which wages are high enough for people to afford rent. |
| Upper Keys | Afford ableist |
| Upper Keys | Traffic & cheaper housing (rent and Purchasing) |
| Upper Keys | The over commercialization has to stop, we are (have been) reaching crital mass!!! |
| Upper Keys | A community that at some point stops building and has a healthy balance of People who live here and visiting tourists. |
| Upper Keys | Safe and affordable for my kids family and friends |
| Upper Keys | Not polluted or overrun by Miami, remaining a small town |
| Upper Keys | Fewer tourists |
| Upper Keys | Safe highways |
| Upper Keys | Balance between residential and tourist |
| Upper Keys | Like it was in the past. Small fishing villages. |
| Upper Keys | A peaceful calm place for residents and visitors without unnecessary distractions such as bicycles on highway. |
| Upper Keys | Term limits for county commissioners |
| Upper Keys | A thriving mecca for people of all types where there is adequate services, decent wages, and housing for all! |
| Upper Keys | More beaches. |
| Upper Keys | Controlled growth. |
| Upper Keys | Monroe County should maintain its small island charm and stop giving way to box stores. |
| Upper Keys | Affordable and enjoyable for locals and visitors alike. |
| Upper Keys | No traffic |
| Upper Keys | affordable for all people |
| Upper Keys | Less Touristy and traffic on the roads. |
| Upper Keys | Not what it is becoming. |
| Upper Keys | Community connections with an eco centric theme. |
| Upper Keys | We need to keep our environment clean and free of more development |
| Upper Keys | Affordable housing for professionals |
| Upper Keys | Cleaner |
| Upper Keys | Day traffic to the area is having a negative impact on every quality of life issue on the list and should be somehow addressed. |
| Upper Keys | An environmentally friendly quiet place for neighbors and family to enjoy life without big city problems such as high traffic and obnoxious tourists. |
| Upper Keys | A place to live or visit where our natural resources are at their best. |
| Upper Keys | Quiet, close knit community, without large resorts like it used to be. |

| | |
|------------|--|
| Upper Keys | A place where locals can live reasonably and still afford to support local businesses. |
| Upper Keys | The health and quality of the natural environment is protected. |
| Upper Keys | Less crowded |
| Upper Keys | Monroe county should be a vibrant diverse community with healthy environment that is protected and nourished by residents, businesses and government. |
| Upper Keys | Community as a whole with motre cooperation from Key West to Key LArgo including municipalities which isn't bad but has room for improvement. |
| Upper Keys | A place where people can come for R&R, less upscale and more small business, lets not become a mini Miami or Disney World! |
| Upper Keys | Clean and friendly environment |
| Upper Keys | No more development |
| Upper Keys | Stop Development, don't destroy environment for construction, decrease traffic and add a Visitors' Toll for entry into Keys. |
| Upper Keys | Balancing the needs of all our residents while protecting the environment that is the basis of our economy. |
| Upper Keys | Less people, less building, less traffic. A toll to enter if you donâ€™t live here. |
| Upper Keys | Clean and quiet |
| Upper Keys | A national tresure that is preserved and nurtured while finding balance between the enviornement and tourism presure on it's prestine nature and ocean |
| Upper Keys | A community with an ecologically sound tourist industry and base community of well-employed (paid) year round locals with seasonal homeowners. |
| Upper Keys | Sustainable & protected land & water resources |
| Upper Keys | Make Upper Keys more beautiful and scenic |
| Upper Keys | More services for the locals like safe bike paths and fewer tourist. |
| Upper Keys | Peaceful paradise |
| Upper Keys | A place where economic success and environmental protection live side by side and people thrive. |
| Upper Keys | less development. Too crowded now, roads unable to handle traffic in season. |
| Upper Keys | self-supportive community living in harmony with our unique Keys environment |
| Upper Keys | Preservation |
| Upper Keys | laid back - allow weekly home/house rentals - |
| Upper Keys | Safe from traffic accidents, and good access to quality health care without going to Miami. |
| Upper Keys | Back to a slower pace life. |

| | |
|------------|---|
| Upper Keys | vibrant, diverse, welcoming community that cares about, supports all residents |
| Upper Keys | Safe environment for children to grow. |
| Upper Keys | A place where my children can raise their children but still remain a tourist paradise. |
| Upper Keys | Family friendly |
| Upper Keys | An eco friendly tourist destination and community |
| Upper Keys | More out of state tourists. |
| Upper Keys | A working community enjoyed by visitors. |
| Upper Keys | Far less mega type resorts. Back to the small & quaint Keyzee feel. |
| Upper Keys | No more commercial development, limited residential development and a reasonable toll for non-residents/non-business owners to enter. |
| Upper Keys | A clean, safe environment for residents and visitors. |
| Upper Keys | limiting large commercial interests like large retail chains that suck resources and give little back to the community that current vendors have been |
| Upper Keys | Monroe County should be a safe, beautiful and prosperous place to live and work. |
| Upper Keys | Keep the water access open to the public. Rowell's should be a public boat ramp like Harry Harris. Need a toll for NON-RESIDENTS. |
| Upper Keys | Safe, clean and wildlife protected. |
| Upper Keys | Affordable housing for those that work in the keys |
| Upper Keys | A residential island with far less tourism, tourism is destroying the fragile natural environment here. |
| Upper Keys | Population and tourism pre Hurricane Andrew. |
| Upper Keys | A quiet quality place to live with commercial consideration of residential neighborhoods |
| Upper Keys | remain affordable for the average family to live here. |
| Upper Keys | A Tropical environment with clean water and boating access that is affordable for residents and visitors. |
| Upper Keys | A place where people can enjoy the amenities of a coastal community while earning a living as a small business owner dependant on tourist. |
| Upper Keys | Better looking roads. Landscaping |
| Upper Keys | Not over built with hotels and condos. |
| Upper Keys | A place where small business owners can find employees, and with few to no chain stores, in order to keep our character |
| Upper Keys | A beautiful, safe, harmonious, and affordable place to live. |
| Upper Keys | Much as it is now. |
| Upper Keys | Family and ecotourism friendly tropical islands where kids can afford to stay when they grow up. |
| Upper Keys | A place where local families are able to afford to live and work. |

| | |
|------------|--|
| Upper Keys | Stop All Development, limit vehicles on Islands and preserve the Environment and quality of life of residents. |
| Upper Keys | safe affordable c |
| Upper Keys | A peaceful pleasant place to live. |
| Upper Keys | A safe, not overly developed county, with reasonable taxes for property owners. |
| Upper Keys | A beautiful affordable community |
| Upper Keys | A protected destination resource with minimal building impacts of protected reefs, fisheries and water access for all. |
| Upper Keys | A pleasant escape from the hectic pace of life! |
| Upper Keys | well planned safe community with healthy marine and terrestrial environments |
| Upper Keys | Clean. Trees fixed or replaced, trash gone- including dumping areas, sand replaced for beaches. |
| Upper Keys | A "Martha's Vinyard" type of special place where residents can and visitors slow down to enjoy the scenic beauty that Monroe County could offer. |
| Upper Keys | Toll road for security and increasing traffic congestion. |
| Upper Keys | Preserving core Keys ideals while making modern advancements. |
| Upper Keys | Ecotourism center, with limited sustainable development |
| Upper Keys | Small communities, well planned and safe |
| Upper Keys | A safe, clean, affordable county with a diverse economy. |
| Upper Keys | A resident friendly community with access to services, schools and water activites, a place to live not just to visit. |
| Upper Keys | More local businesses, less corporations. |
| Upper Keys | A neighborhood not a tourist trap |
| Upper Keys | A more attractive tourist destination. 90% of US 1 is ugly and rundown looking. |
| Upper Keys | Sustainable, environmentally protective, carbon-neutral point economy with networked communities that are safe and affordable for families and elderly |
| Upper Keys | where families can come and see the best reef system ever, fish for every kind of fish while enjoying all of the water sports in a pr |
| Upper Keys | A place that maintains a Keysie feel rather than a big, modern city atmosphere. |
| Upper Keys | less development and more natural areas |
| Upper Keys | A clean city protecting the environment. |
| Upper Keys | increase tourism while managing traffic, develop upper keys and create a destination area similar to islamorada |
| Upper Keys | A beautiful place to for permanent residents to live, as well as a stunning island to visit. |

| | |
|------------|---|
| Upper Keys | A place of nature's beauty with less emphasis on tourism |
| Upper Keys | Like it was 5 years ago - we do not need fancy new resorts |
| Upper Keys | eco tourism destination. |
| Upper Keys | A laid-back area where nature is preserved and good planning is standard. |
| Upper Keys | Become a County that actually affords a feasible way of life for a working middle class family, which includes decent housing, not trailers. |
| Upper Keys | Our commission needs to care for the people instead of padding their own pockets. Example overpass at founders park!! |
| Upper Keys | Monroe County should be an extremely conservation minded, innovative, and family friendly community that protects natural resources above all. |
| Upper Keys | A sustainable community committed to environmental protection and small town way of life. |
| Upper Keys | Affordable |
| Upper Keys | Local business local support local jobs |
| Upper Keys | A place that allows no more houses built. |
| Upper Keys | Not lose are island vibe lifestyle |
| Upper Keys | Untouched buy commercialization. |
| Upper Keys | Paradise |
| Upper Keys | Continue the island feel with clean waters, buildings kept to three stories, consider low housing needs further down the island, not in upper keys. |
| Upper Keys | Strong community supporting local business that attracts quality visitors while preserving the lay back friendly atmosphere. |
| Upper Keys | More high end shopping @ Homegoods |
| Upper Keys | Less Traffic |
| Upper Keys | would like to see the county have more public boat ramps. |
| Upper Keys | We have defined these qualities repeatedly in the past, particularly in terms of protecting the Keys' "community character." |
| Upper Keys | To Protect Tourism, workforce and residences from extinction. |
| Upper Keys | A great tourist town. |
| Upper Keys | More resident friendly! |
| Upper Keys | More beautiful on US 1 |
| Upper Keys | I would like to see safer roads...accident free. |
| Upper Keys | Cleaner, More wooded lots, cleaner water, affordable |
| Upper Keys | Ideally, as it was 20 years ago - worst case status quo |
| Upper Keys | Progressive but without losing the unique flavor and identity of the Florida Keys. |

| | |
|------------|--|
| Upper Keys | Managed growth to maintain diversity while protecting natural resources.. |
| Upper Keys | Forward thinking & environmentally minded and as to the county's path towards long term goals, especially considering our ecosystem & the impacts form |
| Upper Keys | Florida |
| Upper Keys | To have Key Largo look more tropical along the hwy |
| Upper Keys | Keep the Keys personnel attune to the needs homeowners not greedy developers. |
| Upper Keys | A nice place to live. |
| Upper Keys | As quiet as possible but yet a place where families can vacation which will help out the stores & businesses. |
| Upper Keys | responsible |
| Upper Keys | A safe (a managable amount of crime and traffic) beautiful chain of islands and keep our natural beauty from being destroyed. |
| Upper Keys | Environmentally conscious local community |
| Upper Keys | Island paradise, not a mega tourist trap run by corporations from outside the keys. We want our island life back! |
| Upper Keys | Help the fisherman |
| Upper Keys | Clear free flowing canals |
| Upper Keys | A tropical paradise where people can live and visit the most beautiful place in America. |
| Upper Keys | Enjoyable |
| Upper Keys | A place for workers to be able to live and work comfortably. |
| Upper Keys | No more building |
| Upper Keys | Tourist attraction |
| Upper Keys | One that cares for the environment and residents. |
| Upper Keys | Quieter, less traffic, more trees. |
| Upper Keys | a Community true to its roots, not another ugly, greedy, overpriced tourist trap |
| Upper Keys | Monroe County should be a county that takes care of all of its citizens. |
| Upper Keys | friendly and clean with more available public places |
| Upper Keys | old town charm; very limited or no chain stores; low-rise bldgs only; walking/biking friendly; trolley system |
| Upper Keys | Clean and affordable |
| Upper Keys | Preserve our beautiful ecosystem and create sustainability (ecological and economical) along the island chain |
| Upper Keys | Less crowded |
| Upper Keys | Upscale resort with excellent amenities with modern affordable transportation system |

| | |
|------------|--|
| Upper Keys | An attractive vacation spot that allows local Watersports providers the opportunity to be successful. |
| Upper Keys | Family community with quaint services/lodgings for tourists |
| Upper Keys | Controlled building |
| Upper Keys | A paradise for residents and visitors to enjoy a beautiful and safe environment to escape the main land. |
| Upper Keys | A paradise destination that also provides great services through county employees such and Law and fire. Start paying them appropriately |
| Upper Keys | A safe and clean place to live clean waters |
| Upper Keys | A free county with very little regulations and government control. |
| Upper Keys | A welcoming place to visit and live with an abundance of greenery and aesthetically pleasing businesses aong US 1 |
| Upper Keys | Less crowded |
| Upper Keys | Economic for all. |
| Upper Keys | A haven for all, locals, part timers & tourists alike - and Somehow- we manage the traffic nightmare |
| Upper Keys | Tourist destination for fishing, diving, nature and Caribbean island life culture |
| Upper Keys | Controlled traffic and good bay and ocean water |
| Upper Keys | Growth should be limited in Monroe County to accommodate residents first. |
| Upper Keys | NOT just for the rich |
| Upper Keys | Less commercial building of hotels |
| Upper Keys | A place where streets don't flood during a high tide and full moon. |
| Upper Keys | A place with clean water and helpful people |
| Upper Keys | Artistic, coops, farmers markets, recycling |
| Zonta | Affordable housing |
| Zonta | Affordable housing |
| Zonta | Affordable housing |
| Zonta | Alternative Energy,Eco Friendly Transportation |
| Zonta | Beautiful ,Caring for the people |
| Zonta | Curtail growth |
| Zonta | Less pollution |
| Zonta | Less tourists |
| Zonta | Less traffic ,Better schools |
| Zonta | Less,Traffic |
| Zonta | Natural,Safe |
| Zonta | Peaceful ,Family |
| Zonta | Pristine nature,Caring |
| Zonta | Protected environment |
| Zonta | Safe, Beautiful |

Additional Priority Recommendations

Complete List of Community Responses

When asked “What would you add to the list of Priorities”:

“Way of Life” not being compromised

1610 Trinidad Drive

1st responder unions are out of control.

49 Buttonwood Drive

A CAT 5 rated shelter every 25 miles or so. With climate change affecting us greatly we will only have more frequent and stronger storms that hit.

A comprehensive GIS system (software to manage As-Builts, CADD, Utilities etc) that would allow Monroe County to be ahead of the technology curve.

A concrete barrier should be added to US1 like on the 18 mile stretch the road is very dangerous. I have a near miss head on collision frequently.

A continued focus on tourism. Without tourists, our economy would fall flat.

A county government that is really for the people, not self interested issues.

A decent size hospital with a surgical facility, cardiology, diagnostic imaging capabilities and physical therapy. Community centers for residents.

A greater sense of community outreach.

A monorail system over US1 for travel.

A public pool for the Middle Keys.

A toll of out of keys people

A toll on US1 for non-locals.

A toll to enter the archipelago for non residents could be assessed for mitigation of problems driven by tourism and at the same time lower traffic

A US1 TOLL BOOTH

A vetted, peer reviewed carrying capacity study.

Ability of safely evacuation routes out of the Keys.

Access to community input.

Accountability of County staff. The response from the County Emergency Mgmt team was deplorable and people should have lost their jobs.

Accountability of the cities departments to the people: code, building. Sheriff

Actually all of the priorities listed should be worked on over the next 3-5 years, not just the ones I ranked as my top 3.

Adaptation in our business model. Regulation of chemicals available for purchase in the County, I.e.

Add a toll to the stretch

Add Fire hydrants/fire safety, public safety, quality of life for families - parks,

Add more Traffic control lights on US 1

Additional Officers protecting the waters from illegal harvests and coral / sea grass damage from uneducated boaters

Address climate change, sea level rise, sustainable tourism

Adequate Fire Rescue and Prevention personnel, equipment, and training.

Adequate social services for our elderly and disabled (physical, mental and addiction handicapped) adults and for needy children.

Adopting data based emergency evacuation procedures to better assure the safety of all residents and visitors

Advertising

Affordable and timely permitting, transparent governance

Affordable Busses from Miami through KW

Affordable child care and healthy food for kids at daycare and school

Affordable flood insurance

Affordable flood insurance

Affordable health insurance rates comparable to Miami.

Affordable healthcare

Affordable healthcare cleaner US 1. More environmental education for our tourists

Affordable housing

affordable housing - more of it.

Affordable Housing - not employee housing that allows for builder to get away with fraud.

Affordable housing and Public Transportation

Affordable Housing!!!!

Affordable Housing: Hire a professional Housing Planner, fund them, and support them.

Affordable Insurance.

Affordable living and rent

"Affordable living

Flood reaction

Sustainable energy"

Affordable wind insurance

Affordable work force housing

Affordable/free activities for kids.

Aid the transient community in a meaningful way. Pay them \$10 hour to pickup trash out pay by the pound. It worked in Ft Worth, Texas.

Air pollution

All County infrastructure meaning roads, bridges, government buildings constructed with sea level in mind.

All of the above are priority issues. Equally important.

All of the above choices!

Alloted space and support for more marinas and boat storage.

allowing big box retailers to come in to the middle keys

Allowing new growth while maintaining the keys feel.

Alternative technologied

Alternative ways for tourists to get to the Middle Keys and Key West. Flights, ferries. It's ridiculous for those of us in the Upper Keys traffic.

Alternative ways to enter the Keys (ferry, airport)

Although not necessarily Monroe County's job some assistance to improve education!

An agressive improvement in the environmental water, reef, and land destruction that is rampant.

An array of mental health help / drug use/ alcohol use/ ect.. for those struggling or for those that have lost all coping skills.

an overseas train with a car rental on the other side. Like in Europe.

An understanding that we need to update who we are with technology and new ways of looking at things. We are no longer as isolated as we once were.

Arts in public schools

Assisting older residents with hardening their trailers. At 75 and retired how could i qualify for a \$300,000 morthage to build a new house?

Attracting families and not just tourists.

Attracting more businesses

attracting quality tourist

attracting small businesses

Balanced, well managed tourism

Ban plastic

Ban plastic bags

Ban plastic bags

Ban plastic bags and straws and wrappings. Charge for them. Picked up enough dead animals and trash to not like them.

Ban plastic grocery bags and stop people from loitering and swimming at the Indian key fills and bridges

Banned plastics, more green space,

Banning plastic bag and other single-use plastics. Seashore cleanup.

Banning single use plastic items like plastic straws and plastic bags.

Beach clean up.

beach replenishment.

Beautification

Beautification

beautification and clean up US 1

"Beautification of US 1 - Clean and landscape , Allow Publix to build on Big Pine Key"

Beautification of US 1 and the businesses/homes located alongside. This is a visitor's first impression of the Keys and it's very unattractive.

Beautification, homeless problem

Beautification. Too much of the Keys, outside of Key West and Islamorada, is pathetically unattractive at ground level.

Beautify US1 in the Upper Keys, have US 1 trash pick up a part of normal city services.

Begin a program to encourage solar panels and wind energy. Hawaii Electric has a plan to convert to 100% to renewable energy.

Believe all concerns are covered.

Better and more affordable healthcare.

Better and more affordable healthcare.

Better boat launches and waterfront parks in the lower keys. similar to Harry Harris.

Better care of natural resources. County owned and private lots with natural hardwood hammocks and mangroves are full of trash, feral cats, and are illegally being cleared. Fish scraps, balloons, and fertilizers are allowed in near shore waters.

Better cell service!

Better code enforcement of vacant properties

Better control on vacation rentals

Better controls for traffic, i.e. keep golf carts from clogging highways.

Better coordination of cleanup effort supposed to storm And federal and state authorities who pay

Better educational opportunities

Better emergency communications

better emergency/storm planning

better fire/ems protection

Better health care options

Better healthcare options

Better insurance & property tax rates.

Better maintenance of public cutting of grassy area/ shrubbery . More police presence on us 1, re: speeding & traffic offenses

Better mosquito control

Better pay for Deputies and teachers.

Better pay for teachers

Better pay for teachers and law enforcement officers; even if this means a property tax increase. This would allow them to afford housing.

Better paying Jobs

Better permitting

Better places for our kids to go activities

Better planning for hurricane re entry

Better Policing of vacation rental home noise and disturbance

Better policing on the highways. Drivers drive too fast.

Better post storm readiness

Better process for storm clean ups. Don't make small private communities wait for well over a month to get debris pickups. We pay property taxes to

Better public transportation

Better public transportation

better public transportation to reduce traffic

Better public transportation, better education

Better recycling

Better road maintenance for neighboring street

Better roads

Better school security! Community pool for Middle Keys.

Better schools

Better schools- pay teachers more. Quality education

Better schools, better/more children recreational activities, less traffic, lower insurance rates

Better schools.

Better services, especially law enforcement, medical.

"better sidewalks and roads. trees properly taken care of and trimmed. seaweed build-up reduced.

a city-wide ban on non-biodegradable items."

"Better teaming and coordination and collaboration with local governments, especially Key West.

Emphasis on economic diversification."

Better transportation services from the lower keys, and new town down to old town where most of the jobs are.

better trash collection, neighborhood codes for storage of vehicles, boats, traps, etc. restricted areas for transients public Lottering.

Better wages for the workers. People are getting rich down here, but they don't pay their employees a living wage.

Better wages to support locals vs busting in slave labor

"better weed control and other invasive plant and animal removal"

Bicycle safety. Not blaming bicycles, but educating bikers and drivers of safer driving.

Big business enticement. Seriously, get a wal-mart, target and a Chic Fila to come here.

Bike and pedestrian safety, improving public transportation and discouraging driving. Improving recycling rates. Banning single-use plastics

Bike trail

Bike trail

Boater education services

boating control, boat ramps on the ocean side (middle keys)

bridge cross walks

Bridge repairs, road widening, road elevations, sustainability, sea level rise,

Bringing down the suicide rate Monroe county and having safe spaces for minors .

Build on roads that go to nowhere

Building code and other ordinances need to be updated. They do not address Airbnb as the longtime residence would like they cater to the new crowd

Building Department being responsible to the public

Building Department needs to work for the people not against them.

Building more apartment complexes and using empty lots for houses less than \$400,000. Add a Walmart to open up more jobs and bring more supplies in.

Bulldoze the building that have been left to deteriorate and make parts of the keys look trashy and rundown.

Businesses need to recycle. Mandatory recycling for all.

Buy land, marinas, submerged land to improve and preserve boating access in the Keys for the average citizen.

Buyout program for residences/properties with a high risk of inundation

By far, the terrible condition of the streets in Key West.

By water quality, it is unclear if you are referring to "drinking water" or "ocean/gulf water." I am referring to "ocean/gulf water" above.

Can't think of anything

Can't think of anything as of for now

CANAL MAINTENANCE, CODE COMPLIANCE ENFORCEMENT, WILDLIFE LAW ENFORCEMENT

Canals need clean water

Canals, Reefs, need activities/centers/bowling alleys/indoor playgrounds and entertainment for children!

Cannot think of a valuable service not provided

Can't think of anything at the moment

Cant think of anything.

Cap on tourism

CBD, one of the more than 100 chemicals in cannabis, is emerging as a popular wellness ingredient, allow it to be sold in the Keys.

Changes to mini-season

charge a toll on Jewfish creek bridge, this would add money to the county coffers so we could continue to improve and upgrade services.

Charging non-residents for fishing on bridges and monitoring the people fishing. So much trash etc

Checks and Balances - and not letting the \$\$\$\$ control this community!

Child care, senior care and homeless situation.

Childcare and Parental Support for young families

Children. There is not much here for the children.

Children/Education/Elder Care

City side walk and street repairs

Clamp down on illegal rentals

clean and desirable vacation spot

Clean fresh water discharge into the bay

clean sidewalks, repaired streets

Clean streets and roads and beautification

Clean streets, roads and parks. Garbage, trash, cigarette butts, broken glass, discarded vehicles and household items are everywhere.

Clean up

Clean up and beautify certain areas of the lower keys, push homeowners to take responsibility for their properties.

Clean Up of Litter

Clean up of mangroves and wooded areas.

Clean up the county, bad properties, trash, homeless etc Most friends/visitors that come here comment that this place looks like a third world country

Clean up the half-sunken boats and properties that haven't touched since Irma.

Clean up the overall appearance. There are so many run down buildings that are unsightly.

Clean up US 1...too much trashy businesses, junk on US 1 and no curb appeal when driving down US 1

Cleaning and maintaining our community spaces. In a beautiful tourist destination like the Keys, it's really sad when public spaces are littered.

Cleaning up after hurricanes.

Cleaning up and opening our parks and beaches

Cleaning up delinquent properties

Cleaning up the US 1 corridor so it improves the initial appearance when you arrive in the keys.

cleanliness / this island is really gotten dirty and trash everywhere. Businesses and residents should be more responsible for there property

Cleanup debris in canals

Climate change well

Closing the reef to all commercial business

Code compliance enforcement, Rowell's park, parks & recreation department,

Code compliance staff needs to be increased

Code enforcement

Code Enforcement for any Housing.

Codes governing Esthetics of new construction. Uniform styling. A good example is the city of Coral gables FL.

COLLEGE OR CERTIFICATE PROGRAMS DESIGNED TO ENABLE LOCALS TO PROSPER IN THE LOCAL ECONOMY

Commerce growth

Comminications

Commissioners who don't cave to developers.

Communicate better with residents about issues that concern them

Communication

Communication

Communication infrasteucture

Communication with the public and the employees

Community awareness

community center for children in the Lower Keys area no activities for children.

Community Character

Community character suggestions in building and planning

Community Development

Community events and outreach. Such a unique island community should focus more on the arts and community and welcome the 'local' atmosphere.

Community gardens in County parks

Community health care resources

Community integration in public events

Community partnerships and basic empathy for others, Some in the keys have this concept. Others, do not understand that this is how Conchs operate.

Community swimming pools? More boat ramps to access our beautiful waters.

Competitive wages for the workforce; flood insurance rates.

"Complete bicycle trails Maintain current density"

Complete eradication of mosquitoes.

complete rowells

Complete Rowell's

Compliance to existing code and laws.

Comprehensive airport operation plan. Seems as if the county counsel members are dealing with areas where their expertise doesn't lie

Conservation enforcement

Conservation of land and natural resources

Conservation of lands for animals.

Consider allowing downstairs enclosures as affordable workforce housing

consider broadband Internet connectivity as a vital utility and provide a reliable and affordable public option for Internet access

Consistently in Enforcement of speed in BPK and prosecution of those that steal our resources(lobster /turtles/ etc)

Continue to embrace diversity

Continued school excellence, support of school staff

control flood insurance rates, updating or cleaning existing infrastructure

Control number of chain stores allowed.

control price gouging on tourism

control real estate taxes, teach home owners how to secure their house for hurricanes

Control the run away vacation rentals

Controlling all insurance rates. I also think the tree commission as well as HARC need to be revamped and have more moderate constituents involved.

Controlling illegal rentals to help solve the affordable housing problem.

Controlling sign "pollution" especially large billboards

coordinated effort with state and federal partners to buy down residential development rights.

Coral reef health

Coral reef protection

Coral restoration/Mitigating environmental impacts (these should be top priorities)

Corruption, self-dealing, bubba capitalism and no rule of law.

County Commission needs to respect and honor the county islands such as lower keys- we have suffered taxation without representation for far too long!

County Community Review Board

County counsel more selective about spending

county missed an opportunity to increase workforce/affordable housing w/ irma. should have purchased and deed restricted lots people left & sold

County needs to build a homeless shelter and get the homeless population under control in Monroe county.

County parks. Compared to other areas, the county parks are really lacking. Its obvious by the fact that we don't have a Parks Dept.

County should focus on residents needs. Stop building and over promoting, and act only in the interests of residents.

Crack down on derelict and illegally anchored vessels

Create/repair bicycle paths so riders never have to be on US1

Creating jobs that are not dependent on the tourist industry

Creation of a ferry service up and down the keys and to Key West to help with vehicle rush hour traffic

Crime prevention

Crime prevention.

Cutting the TDC budget

Decrease number of transient units.

Decrease tourists, cruise ships, and especially stop funding the tourist development council.

Decrease vagrancy

Decreased emphasis on tourism advertising!!!!

Delete the US1 traffic; the county does not overrule DOT which controls it.

develop a 5 year plan for implementing goals and STICKING TO THE PLAN

Develop a plan for energy efficient public transportation to get cars off the road.

"Develop and implement across all agencies comprehensive sustainable tourism plan.

Develop and implement comprehensive climate change mitigation plan."

Develop regulations, licensing, and taxation to better control and manage the use of boats and vessels as vacation rentals.

Developing a sustainable and affordable community for all

development of extensive, frequent, reliable public transit

Disaster Preparedness

Disaster preparedness and recovery

Disaster recovery

District only voting of the BOCC for better representation of the community.

Diverify Economy

Diversify economy

"Diversify the economy.

Work to bring local home rule in force, despite State restrictions."

Diversifying our revenues so tourism isn't the only driver of the economy. Ensuring that a younger population can afford (and wants) to live here. Finding a compassionate, workable solution for our homeless shelter.

Diversifying the economy. Create an economic strategic plan!

Diversifying the local economy beyond tourism and fishing activities.

Do away with mini-season, it is a deterrent in every way.

Don't know

Downsizing local government

Drug programs

Drug treatment and prevention

Duplication of services

Duplication of services.

Ease up on business restrictions an actually help them thrive

Economic development

Ecosystem restoration

educate community about water issues

Educate residents about the environment

Education

Education

Education

Education

Education

Education

Education - very young to elderly - technology, nature, nutrition, writing, book clubs, art, astrology, metal working, etc.

Education and security

Education to the ever changing public on Keys issues like cost of living, storm risks,

Effective, low-priced commuter transportation systems, to include park-n-riders for visitors.

Elderly (not workforce) Affordable Housing; Economic Development and Increased Programming and Youth Access to Parks.

Elderly care,

Elevate the roads

Eliminate Harc

Eliminate weak housing. Replace with cat5.

Eliminating or amending Policies and processes that make it easy for the rich to bloat the housing market and stifle wage growth.

Eliminating waste by our local governments and utilities.

Elimination of non eco friendly things such as: jet ski use (ie noise pollution and wildlife disturbance), elimination of mini lobster season,

Elimination of ripp off stores and cheap vulgar stores in Key West

Elimination of transient rental licenses,

Emergency management

Emergency management services

Emergency Managment communications in an emergency

"Emergency response plan imprpovements Road raising and flooding control (which may be part of your building for resiliency)"

Emergency response to major events

Employer incentives for maintaining local workforce.

Encourage Local owned business, not national chain stores

Encourage underground power lines

Encouraging reduced carbon emissions, sustainability & growth management are too complicated to address with this limitation on number of characters.

End mini season

Ending mini season

Ending unnecessary tourist generating activities that destroy our quality of life and add to traffic issues and trash such as Lobster Mini-season.

energy independence including alternative energy sources such as solar and wind

"Energy Independence

Water Independence"

Energy independence. Ocean lifeprotection.

Enforced conservation efforts for residential and businesses.

Enforcement of code complaints

Enforcement of code violations

Enforcement of current laws and regulations

Enforcement of environmental protection laws

Enforcement of illegal vacation rentals that are driving up real estate costs.

Enforcement of noise ordinances, especially around open-air music venues (and I am a working musician, not an entitled Old Town millionaire).

Enforcement of NoTake laws of our waters. Shells, starfish, coral etc....

Enforcement of property owners to maintain their land/lots buildings in good working order with at time completion given to commercial and residential

Ensuring the Keys do not turn into an ultra rich vacation home playground like the Hamptons.

Environment protection

Environmental clean up & awareness

Environmental cleanup

Environmental concerns like reef restoration, water pollution, and flooding

Environmental initiatives: reduce pollution, increased coastal clean ups, public interest is there but we need the coordination.

Environmental issues such as cleaning up the Keys, litter, pollution, etc.

Environmental issues.

Environmental preservation "Monroe County is a true gem in that it offers so much diversity in the waters surrounding the Keys, fishing, boating,

Environmental protection

environmental protection and wildlife conservation

Environmental protection enforcement

Environmental protection for our and green initiatives like mandatory recycling, especially for businesses.

Environmental Protection Pollution Control.

Environmental protections

Environmental/conservation preservation

Environmentally friendly building codes. We should be leading the state in implementing solar options, wind generated power, and recycling

EnvironmentL protection

Equality for all that live here, never forgetting the working class. Programs for rebuilding within the community at all times.

Eradication Of Corruption

Ethics oversight. The corruption in our county is widely recognized.

Existing facility renovation - too many of our existing facilities are old, outdated, and in need to rehab.

Expand bike paths, mass transportation,

Expanded recycling programs to include plastic bags.

Facilitate development of community centers to reduce US1 traffic and build neighborhoods.

Family affordable restaurants with a better choice of menu

Family community events

Family entertainment venues

Family friendly activities

Family friendly places, parks.

Family friendly resources. A community center or something similar in a centralized area that is accessible to all. Something like Bernstein, in town.

Family orientated things to do for local residents.

Family oriented environment

Family-fun emphasis (tax incentives, etc). If all we have is bars and beaches the families are left out hurting us as a whole. Locals need clean fun.

FDOT inadequacies to prioritize true needs of area

Federal grant programs. The county is not applying for as many federal and state programs as are available.

"FEMA flood ins rates

Daniel is best chamber ceo in the keys"

FEMA money due from Hurricane Irma.

Figuring out a way to help replace homes like trailers so weâ€™re prepared for next hurricane. Make it more affordable and stop allowing price gouging!

Figuring out meter situation/issue for people who have zip code of 33040. Itâ€™s ridiculous we have to pay so much for parking especially for a park!

Find ways to help local families able to purchase homes through discounted or subsided mortgages to stop the growing vacation investor chokehold.

Finding a way to manage vacation rentals so that there are more housing units available for long-term, annual rentals.

"Fire hydrants

Parks and open space"

Fire Response - We have seen tragic fires in the last couple of years and the response hasn't been adequate

Fire whoever was involved in the harassment of the tourists who happen to drive motorcycles

First Time Home owners program

Fiscal discipline,

Fix the roads!!!

Fixing roads

Flexibility

Flood insurance

Flood insurance affordable

Flood insurance rates

Flood insurance rates

Flood insurance rates

Flood Insurance Rates and Sea level rise

Flood proofing and lifting of ground level structures

Flood, corridor beautification

Flooding prevention.

Focus on giving a future to kids of current residents. Most kids leave for the lack of housing and opportunity.

Focus on serious crime (burglary / assault) / patrol communities.

Focus on sustainable energy and zero waste. County-wide composting.

Focusing on Affordable Wages, not Affordable Housing. Encourage increasing wages voluntarily.

FOLLOWING THROUGH.

Four lane all of US 1

Four lane all of US 1

Four lane all of US1

Four lane all of US1

Four lane US1.

free boat ramp access for locals in key largo

Free booze

Free booze

Freedom from government intrusion

funding for additional law enforcement presence

funding for additional law enforcement presence

General overall safety and medical care

General utilities pricing....water, sewer, phone. Pricing has increased steadily over the last several years.

Get better control of vacation rental - causing cost of housing to be out of reach for many people - Limit vacation rentals -

Get hospital rebuilt fast

Get rid of mini season

Get rid of plantings in medians

Get rid tier system and rogo it a waste of time.

Get your act together

Getting residents taken care of prior to erecting resorts.

Getting rid of iguanas

Getting rid of non licensed contractors

Getting rid of or taxing the crap out of transient licenses

Giving our law enforcement salary to survive

Good paved roads

Government employee retention

Great schools and safe family neighborhoods

Greater focus on the needs of the residents. Improved infrastructure, greater amenities and enhanced focus on making this a great place to live.

Greed control

Green energy projects

Green Space preservation

Green spaces & recreation areas.

Grocery store price gauging.

growth

Growth control

Growth control

Growth of local businesses-including incentives

"Hardening Infrastructure in Hotel rates.

Fix the crosswalk issue in US1.

Crack down on illegitimate business such as cosmetic stores and Tshirt sho"

Hardening the infrastructure against sea level rise.

Have a new Emergency management center/building

Have safe roads for driving, too many holes.

Have stronger consequences for poachers. Start taking vehicle, boat, etc if used during a severe offense.

Health care

Health care and senior services

Health services

"Health services

Communication"

Healthcare

Healthcare's

Help in the development of small local businesses.

Help speed up construction more.

Helping nurses from Fisherman's Hospital find affordable housing

Helping property owner who want to replace damaged or old trailers and can't afford to get them replaced or up to code for example Stock Island

High quality public schools

Higher living wage for increasingly higher rent and living costs.

Higher salaries for workers.

Higher wages

Highway beautification

Highway Beautification

Hire more traffic patrols to deal with the crazy traffic

Historical restoration projects

Homeless program

Homeless shelter and services.

hospital care

Hospital oversight

Hospital, more teachers for preschoolers , senior services,

HOUSING

Housing Authority can assist in securing MODERATE INCOME (not only low) workforce rental units. Law enforcement, teachers, County worker rentals.

Housing for the local workforce should come first

Housing for the year round resident and their family.

Housing for workforce

Housing in that it appears that most is controlled by investors and developers need more locals in control and with that wages

Housing rentals in the lower keys should be long term only (minimum of 6 months). This would help to eliminate the illegal transient rentals.

"Housing

Ocean contamination n debris

"

How about a COLA to keep our employees in our community. No money from these employees is spent in our community, housing, food, gas, taxes etc

"Hurricane evacuation

Tourism management

Sea level rise"

Hurricane preparedness

Hurricane preparedness

Hurricane preparedness

Hurricane preparedness

Hurricane safety

Hwy crossover pedestrian bridges

I am not a resident of the Keys. I really do feel they should enact a toll for all non residents of the Keys.

I asked DOT to put rumble strips down the middle of the highway. They responded saying it would cause too much road noise. I say "BS".

I believe we need to remind ourselves of what made the keys so popular, a laid back environment where you could spend time enjoy our gorgeous seas.

I think it's critical to find a solution for affordable housing (esp now that mobile homes aren't in the lower keys) that isn't too dense

I think the county is doing what it can with what is has been alerted to. Anything still pending, has fixes in the works or, is at least on the radar

I think the list of priorities provided above cover all areas.

I think we have to create compromise between code enforcements and recognition of the biggest industry down here which is tourism and weddings.

I think you covered all of our concerns and issues.

I think you've encapsulated them. Traffic is really an issue in the Middle to Upper Keys, especially weekend in/out traffic.

I would like the County to address the day trippers from the mainland who use the road sides (i.e. the fills, at Duck Key, etc.) as recreation areas.

I would like to see Monroe County spend a little more on community outreach instead of in-house bickering.

I'm good

I'd add a fourth from your list : water quality

If a service should be expanded I think it should be to constrain tourism to prevent degradation of keys infrastructure and services.

If we harden the utilities it would perhaps allow residents to return, but many that stayed wished they had not and of course some that left wanted to

If you could get the insurance rates "normal" maybe the rents wouldn't be so high and we could get some "real" affordable housing.

Iguana control

Iguana control

Illegal dumping

illegal short term rentals,even legal kept to minimum

Immigration enforcement.

Improve clean-up of poorly maintained properties where junk and refuse has been allowed to accumulate.

Improve condition of county roads. Rescue us from Key West Resort Utilities.

Improve governmental processes for local businesses allowing them a better chance of success. Building permits, signage, right of ways, etc are very d

Improve public access to the water

improve school standards

Improve the permitting process

Improved Economic diversity.

Improved healthcare facilities

Improved Healthcare Facilities

Improved healthcare.

Improved lower keys shuttle

Improved public transportation

Improved recreation areas such as beaches and parks with open space and playground equipment

Improved school ranking.

Improved school results

Improved school system

Improvement of bike lanes and pedestrian bridges. Continued emphasis on water quality and protections of our near shore waters.

Improvement/ maintenance of existing infrastructure (roads, bridges, government buildings).

Improving parks and recreation activities for both youth and adults.

Improving the vacation rental inspection process

in a perfect world, a community swimming pool / swim center in the Lower Keys would be nice but probably not feasible

in addition to advocating for fair insurance rates, advocate for insurance companies timely compliance with fair claim resolution

Increase County owned and managed water access, expanded boat ramps and parks.

Increase density on lots and give developers a streamlined process to create affordable housing.

"Increase employment opportunities"

Increase frequency of mass transit

Increase law enforcement presence on the water.

Increase Marine Patrol FWC officers/equipment/penalties and fines.

Increase mosquito control measures

increase parks

Increase pay for employments.

Increase salaries for teachers and law enforcement officers, even if it means raising taxes.

Increase salaries for teachers and law enforcement officers, even if it means raising taxes.

increase upper keys specifically key largo as more tourism base and destination not just a pass through to islamorada and key west.

Increased focus on aquaculture/environmental impacts of mainland Florida land use and pollution to our waters and drinking water.

Increased respect of our resources from tourists

Increasing tourism

Increasing tourism

Increasing tourism by partnering to build both parking in Key West and other attractions up the Keys like a water park in Marathon or Islamorada.

Indoor recreation like basketball and pickleball courts.

Infasrtructure failure and duration of it

infrastructure improvements to support visitors and residents.... (roads, transportation, ports, marinas, etc.)

Infrastructure in partnership with DOT

Infrastructure maintenance, roads, streets.

Infrastructure not related to Cell Service and Utilities-The physical roads need to be updated and smoothed down

Infrastructure rebuilding and strengthening rebuild a new up to date hospital with more specialists of doctors so older folks do not need to go to the

Insufficient representation of lower Keys at BOCC

Inter facility ground transport from community hospitals to specialized facilities in Miami

Invest in increasing and hardening public safety (Emergency Management, Fire Rescue)

Invest in long term preservation of community facilities. Buy Murray Marina! Build new boat ramps w/docks&parking (Key Haven/Shark Key are awful)

Invest in parks or other activities for families.

Invest in schools and education - pay teachers more ; legalize marijuana for recreational use ; high speed train from MIA

Invest more in County's blue collar work force. Assure County and community has sufficient work force now and in the future.

Investigate building inspectors committing fraud.

Investment in social services and cultural programs.

Involving state and federal governments in the recovery process after storms such as Irma. We think both the state and federal government failed.

Its own facilities buildings. Money is spent on parks rather than the facilities that service them.

job training and schooling

just form working at the jail, i believe it should be on the high list to update the jail to almost state of the art equipment with the jail being 24

Keep 35 ft maximum height

Keep income and property taxes under control.

Keep the beauty of the islands

Keeping green space..not over development.

Keeping our community safe.

Keeping our water ways clean and passable

Keeping the islands clean. Trash pickup and ocean cleanups. Powerwashing sidewalks.

Keeping the keys small and with the charm it use to have. No big name companies Walmart ect

Keeping workforce housing in areas of high density where the jobs are and not in suburban neighborhoods with low-density homes.

"Kids friendly zone

"

Kill Keys Disease

lack of access to clean safe water front areas; lack of planned parks (Rowell's, etc.);

Land environment (exotics, litter, erosion, etc.)

Law enforcement on us1.

Law enforcement.

Legal downstairs

Legalized gambling

Less development

Less development by chains and more robust assistance/help for independent businesses

Less government

Less government regulations. Evaluate balance of tourism/TDC activities

less government, lowering of taxes

Less regulations!

Less signage on the sides of the road. Makes traffic impossible to see.

Less trailers

Less vacation rentals

LESS VULGAR T SHIRT SHOPS. LOOKS TRASHY

Light control

Light pollution

Light rail transportation to and from the mainland.

Limit code enforcement power and increase competent medical resources

Limit lobster mini season to Monroe Co residents only, or eliminate it altogether.

Limit new "affordable" workforce construction. It is a code for developers as we all know. Do not purchase commercial properties such as marinas, etc

Limit population growth

Limit the amount of people allowed into the keys at one. STOP the motorcycle, walks, runs and bicycle events on US !!!!

Limit the growth of local government and their power over residents.

Limit tourism

Limit tourist driving into KW so locals are not inconvenienced

Limit tourist parking. Keep tourist parking away from areas with trees and grass

Limit vacationaries that are temporary. Less than 30 days rentals.

"Limit/Regulate vacation rentals

Medical care"

Limited vacation rentals

Limiting bike and running events thru the Keys

Limiting the growth and cost of county government

"Limiting transient rentals and reducing the number of licenses."

Limits on tourism and not attracting the "party until you puke" crowds. Fewer tourists who spend more money.

Litter

Litter control.

Litter! It's unsightly and can easily be deterred with fines and enforcement.

Litter/trash cleanup

livable wages for working residents. We NEED to close the income gap in this county and create a middle class.

Liveable wages

Liveable wages and long term employment opportunities

Living Wage

Load safety and streamlining and simplifying permitting process are important issues.

Lobby for affordable housing

Lobby Tallahassee to free up the ability to ban vacation and short-term rentals.

Lobby to spend

Lobster season, tourism

Local career development.

Local control of vacation rentals

Local public transportation only for the Keys.

Local reliable public transportation

Look at all canal clean up, especially plugged canals in big pine key

Looking towards the future economy excluding tourism, focusing on other industries that don't destroy our Islands

Loss of the rape of the keys by big developers by skirting laws and stopping Tallahassee from catering to BIG business instead of THE WORKING CLASS.

Low income Housing

Lower insurance. Limiting vehicular traffic on the keys.

Lower taxes

Lower taxes

Lower taxes

Lower taxes

Lowering fees for rebuild / building homes.

Maintain a clean environment, it is embarrassing to see the trash along US 1

maintain tight control of transient rentals, maintain height restrictions

Make a park and ride on stock island for key west workers

Make affordable housing truly affordable

Make eco-tourism practices a HIGH priority across the board; legislation, marketing, and accountability.

Make it easier for locals to build/buy home. Families need houses, not just apartments.

Make Monroe County clear of abandon buildings and vehicles

Make sure we dont get hit with the same environmental catastrophes as the coasts and restrict traffic on us 1

Making 7 mile bridge No Passing

Making 7 mile bridge No Passing

Making county employees less hostile towards residents.

Making elected officials more accountable to the citizens and less to the developers.

Making evacuation easier one way out 12 before storm

MANAGE DEVELOPMENT!!! every trip out of the keys more massive developments, it has ruined the keys, is hideous, dangerous when we need to evacuate.

Managed recreation areas.

Management of resources for sustainability.

Managing the health of the reef.

Mandate more recycling and plastic reductions

Mandatory recycling

Mandatory recycling & eco-friendly support groups & projects & to encourage & educate locals in this field.

Marketing our city to visitors.

Mass transit

"Mass transit (relative to both environmental factors and traffic on US 1)"

Medical

Medical care

Medical care / specialist

Medical services

Medical services Flood insurance

Mental health services

Mini season

Minimum wage

Mitigating impacts from day trippers.

Modify the Sunshine Law so that 2 commissioners can talk with each other over a cup of coffee just the way state legislators can.

money for the workers !!!!!

Monroe County should be pressuring Miami/Dade to improve its mass transit so as to lessen impacts on overseas hwy.

Monroe County taxes should not be used to pay for politicians' personal (and families) health insurance or pensions.

more access to the water

More aesthetically attractive business core along US 1. Increased salaries for workforce. Expanded medical care/access. redevelop neglected waterfront

More affordable businesses for locals such as shopping and restaurants (upper keys only have Kmart and bealls? Less than ten options for fast food?)

more affordable health care

More attentive support for the elderly; compassionate care.

More community engagement

More community programs

More community projects; better libraries, enhanced parks, community centers, outdoor gyms

More compliance ownership FWP, Monroe County police staff

More comprehensive administration

More concern for our environment

More crack down on weekly/daily rentals in the residential neighborhoods.

More educational emphasis and spend on k-12

More environmentally safe mosquito control; stop killing the bees!!!

More focus on protecting our natural environment - land and water.

More free temporary docking in the Schooner Wharf area for visitors.

More frequent public transportation to the mainland

More fun options for children

More funding for police fire and teachers

More funding for schools and police

More FWV

More Healthcare options

More helpful building department.

More importance on safe, sustainable water-based activities.

"More law enforcement

Mental health services

Public transportation"

More law enforcement needed

More Law Enforcement of our surrounding waters.

More law enforcement, security at our parks etc.

More modern resources

More modes of public transportation to get cars off the highway

More money to clean up what we have polluted.

More nightlife/attractions/fun activities within the keys

More ocean public Access. More open space

More offerings through parks and rec for families and young adults

More open land and conservation

More open parks Rec areas

More options for seniors

"More parks and better park maintenance.

Increase senior citizen services and community activities. Lower the cost of drinking water."

More pay for County workers!!!!!!

More public transportation options to lessen traffic

more resource protection/protected areas

More robust emergency services

"More senior facilities

Iguana eradication"

More services and discounts for locals

More services for the homeless

More services/activities/facilities for YOUTH.

"More stringent consequences for those breaking the laws- over/ illegal fishing.

Clean up dilapidated properties."

More supervision of Sombrero Beach, re; loitering, trash etc

More taxation on visitors

More things to do, for example, bowling, ice skating, more things for teens

More work needs to be put into keeping the highways and waterways clean and maintained in the Keys including and especially the entry to Key West

More youth programs and activities for our kids. There needs to be some indoor places for kids to hang out without getting into trouble.

Morphing tourism to a more upscale or eco focus

"Multiple cable/internet providers"

my no 4 would would be rein in spending

Natural disaster preparedness.

Need for better health care

Need for TDC

"-Need more family friendly parks with a pools

-Patrol the parks for gays, drunks, pot smokers, homeless. 3rd offense they have to vacate the keys"

Need new people in commission seats

New FKCC campus

drug programs

No hungry children

No mini season

"No more 2 day lobster season. Just open the same every year and if it falls on a weekend, great.

Limit personal water craft to certain areas."

No more franchises!

No plastic straws

No trash at curb until 24 hours before pick up.

Noise and light reduction

"Noise control

Too many mainlanders abusing our county - reckless driving, leaving trash, etc"

Not buying Marinas

"nothing but all the above are important."

nothing I can think of

Nothing new. I would like to see the list get narrowed and more focused.

Nothing! That's a good list. :)

Nothing. Stopping the out of control development will solve almost all other issues. Period.

Ocean safety and ocean life protection.

Online voting for resolutions, grants assistance and partnership coordination for residents, aquatic habitat creation (paid by scuba and fishing)

Open to visitors.

Opening existing access to the water, such as boat ramps

Opening up closed canals

Opioid crisis

Opportunities for all residents to be employed by the county; relocate government to marathon/middle keys.

Ordinance enforcement

Our dependency on power and water coming from the mainland should be addressed.

Our environment

Our natural beauty and ecosystem needs to be another top priority, limiting the advertising to encourage tourism would be a great start.

Over building and overselling of The Florida Keys

Overbuilding

Parking

"Parking for residents, public transport for tourists , better hospital services"

"Parking improving schools and teacher's salaries."

parks and beaches

parks and beaches - kayak launch, facilities for locals and tourists to enjoy

Parks and recreation

Parks and recreation

pave roads and fix potholes, car reductions and increased options for people movement. recycle all mandatory

Pay equity. Let's face the truth, the disconnect between pay & housing wrecks the life here for everyone, including our part timers & tourists.

Pay rates for jobs

Performance management/termination overhaul for tenured county employees who are rude and power hungry in Marathon, such as Mary Wingate.

Perks for residents

Permit approval process needs improving

Plan for the end of ROGO allocations

Planning - Oversight of hotel development so that it does not slip through the cracks and take away all of the trailer (workforce) housing.

Planning for water level rise.

Planning, less strip malls, livable, walkable communities

Planning/Building Processes (as a SEPARATE item from Code Compliance).

Please ban sunscreens that hurt the reef and single use plastics

Police and fire safety

policing and enforcing the current policies that are in effect to protect the Keys environment.

Pollution

Pool

Provide ground inter facility ground ambulance transport to special resource centers. This will also generate a positive revenue stream for the County

Preparedness for climate change

Preparing for the longevity of the Keys. Thinking of ways to prepare for climate change and rising sea levels.

Preserve and enhance all "quality of life" issues" for citizens presently living in the Keys.

Preserving green space

Preserving the integrity of our reefs and ocean

preventing further light pollution at night, this could be a new tourist growth industry here in the Keys

preventing residents from renting their houses for short term rentals

Preventing the county from becoming Martha's Vineyard

Prioritizing the people who live here year round instead of the tourist

Prioritizing unincorporated Monroe over Key West and Marathon, especially Key West.

Promote alternative travel modes. Limit cars.

Promoting better business by NOT running off annual events. Either by refusing permitting or out pricing permits to attempt to collect more revenue.

promoting the arts

Prompt hurricane recovery.

Property Taxes

Property Tax break for landlords who rent properties to long-term residents/workforce.

Property taxes not raised

Protect natural resources and increase penalties for violators

Protect our waters

Protecting historical districts!

Protecting Natural Environment

Protecting our environment and providing more community outdoor recreational space. Not like that dead piece of land at the old Rowell's. Nice places.

Protecting our unique ecosystem (coral reefs, Key Deer, etc)

Protecting our waters

Protecting the environment

Protection of Habitat, particularly as a result of poor regulation of development.

Protection of individual property rights.

Protection of the reef. Beautification of the overseas highway.

Protection of wildlife and the environment.

Protection of wildlife/Natural Resources

Provide affordable housing for workforce while maintaining the limits to population growth.

Providing better life safety should be number 1 on everyone's list. Police and Fire need to be compensated accordingly to have a better workforce!!

Providing more free or fee areas for tourist to enjoy our islands

Protection of bays/ocean/reefs

"Public parking

Public rest rooms"

Public transportation

Public awareness campaign for tourists and visitors about polluting our roads and waters

Public boat ramps. Open all day and night.

Public bus transportation

Public Pools. Upper Keys has 2 (Key Largo and Islamorada). Middle and Lower Keys need public pools

Public safety

Public Safety and Crime Reduction

Public safety and reduced theft.

Public safety retention, resources and service level issues

Public Safty

Public transport

Public transportation

Public transportation

Public transportation

Public transportation

Public transportation

public transportation - trolley system for tourism

"Public transportation

Traffic/bridges"

public transportation, taxi and buses for non-elderly or to widen scope of times for elderly

Public transportation and incentives to NOT drive a car. Clean the streets downtown.

Public use areas, aka not the roadsides.

Public use areas, boat ramps.

Put an end to nepotism. Well-paying secure county jobs need to go to qualified applicants, regardless of whether or not they were born in the Keys.

Quality affordable healthcare

Quality education

"Quality healthcare

Better pay for teachers and police"

"Quality healthcare

Better pay for teachers and police"

Quality of life

quality of life and wages

Quality of our offering for tourists.

Quality over quantity of tourism

Quality Public Schools

Quality services for families

Quit talking about affordable housing and do something

rail service

Raise standards in hospitals and nursing facilities

Raises for law enforcement officers

Raising county roads that are prone to flooding during high tides and heavy rain. Paid for by a toll on US 1 that exempts Monroe County residents.

Raising incomes at the same time capping rental prices! (Prices are getting out of control yet my income isn't growing..)

raising minimum wage for service industry

Raising the road level in flood prone neighborhoods (i.e, Stillwright Point and Twin Lakes). Building for resiliency probably falls into this category.

Rates in water levels

Reallocate funds from enforcement and prosecution of non violent small quantity marijuana offenders in order to focus on real safety issues.

Rebuilding/opening beaches and parks after Irma ex:Anne's beach

Recreation areas for tourists.

"Recreational space

Quality of life improvements"

Rectify the homeless shelter issue.

Recycling

Reduce car traffic by providing alternate methods. UBER and LYFT are great , but outside of Key West you can never be sure you can get a ride home.

reduce cruise ship traffic

Reduce spending, taxes, govt programs, subsidies schemes and scams. Eliminate gov't departments, agencies, committee's and studies. Free the market.

Reduce tourism and the problems it causes

Reducing tourism.

Reducing traffic by building parking garages and providing public transportation

Reducing vacation rentals.

Reducing wasteful spending on poorly thought-out projects. Better research before committing. Ask for taxpayer opinions on how, where, when, and what.

Reduction of commercialization

Reduction of signage.

reef preservation

reef preservation and enviornmental protection

Reef restoration. I am disappointed this is not even listed.

Reevaluate services such as waste, water, permitting to be more cost-effective and/or more inclusive for the cost.

Reforming occupational licenses to create two different price structures, one for residents and another for out of county owned businesses.

Refuse to permit any more resorts like the Singh development on Knights Key

Reginal Hazardous Materials Team and Specialty Rescue Team

Regulation of light pollution including municipal lighting. Plus enforcement of noise pollution.

Regulations to control boats that anchor anywhere and become makeshift housing and/or lodging. I see this becoming a problem.

Reiterate housing. If rents keep skyrocketing while housing is not available, no one will live here to staff the places that wealthy tourists enjoy

Remediating the old polluting landfills

Remove billboards from US 1.

Remove the fuel load on BPK before the Island catches fire and burns to the ground. Funding takes time, get to work, now.

Renewable energy

Renewable Energy

Renewable energy

Renewable energy initiative

renewable energy options (e.i. solar, wind, ocean currents)

Rent control for all unincorporated areas of the Keys.

Rental regulations

Repair of existing roads and bridges; reduction of pollution runoff into nearshore waters; 100% connectivity to wastewater/sewer.

Repave roads that need it in KW; stop buying properties; improve quality of life for residents.

REPLACEMENT housing for those lost in Irma. Streamlining "workforce housing" so true local workers have a place to live vs. developer free-for-alls & density bonuses for what will never be "affordable" housing.

Require every resident to take responsibility for the damage their noise, trash and "stuff" causes others.

Resource allocation is the function of a Democratic Commission, not my individual belief. Government based on an individual belief is a dictatorship.

Respect for the lower keys Citizens- we are taxed without representation- stop dumping on us!

Restoring county and state recreation and park facilities

Restrict the number of vacation rentals

"Restrictions during lobster season"

Restrictions on architectural designs that must fit into local inspired design and culture.

Restrictions on vacation rental properties

return businesses to local ownership and discourage corporate intrusion into our unique lifestyle

Revitalization (i.e., revise restrictive policies) of the Big Pine Commercial District along US1. Current policies in place created a blighted area.

"Ridiculous insurance rates.

More programs for parks.

Rental regulations."

Rising sea level impact planning for ALL public services, roadways, etc.

Rising sea levels

Road enhancements. Too many accidents causing too many major jams in our mostly two-lane highway system. Including US1 from the mainland to Key Largo

Road improvements.

Road maintenance to pave the potholes in key west

road transport infrastructure

Roads

Roads need repairs and traffic signs posted clearly away from tree branches and fences

"Rowell waterfront park completed

Sign & code enforcement

US 1 corridor improved and maintained"

Rowells Marina

"Rowells Marina (w/ boat ramp)

Attract/ recruit non tourist service based business-professional wage"

Rowell's Park

safer crosswalks on Roosevelt Blvd.

Safety for our schools

Safety in community and better boat ramps

Safety!

School Safety

School safety

School safety

Schools and education! Bring back art programs to the schools. More funding to keep teachers and educators with experience.

Schools and kids, finding out what they need the most

"schools

solar & wind energy"

Sea level rise

Sea level rise

Sea level rise

Sea level rise

Sea Level Rise and Sustainability

Sea level rise, sustainable energy

Sea level rise.

Sea level rising

Second library location.

Security

Security for School

Seeking a toll on US1 for out of county visitors.

Seems complete.

Senior care

Senior citizen assistance

Senior Housing, Healthcare

Senior services

Service personnel

Service, educational & recreational activities for kids (age 6 to 16) after school.

Severe penalties for FWC infractions

Shopping of a better quality

Short term rental enforcement to enable resident housing

Shuttle bus from Florida City for all non-residents. Stop the cars before they get to Card Sound unless they live in the Keys

Skeeter control

Slow growth control would be # 4

Slowing the traffic down.

Smaller government

Smaller sheriff's office. Overabundance of on-duty sheriff's stuffing the coffers with traffic tickets, air-bnb infractions and noise violations

Sober and homeless initiatives.

"Social services

Child care

Parks and recreation

Health care"

Social services and access to quality medical care for our residents.

Social Services for children up to the age of 18

Social services/mental health/substance abuse & recovery programs

Solar panel subsidy, green space for allotments/ locally sourced food, proper affordable housing, lead way on plastics and water quality.

Solar power, recycling, rain catchments, transit.

Solve the traffic, which is hard - utilities we can force on the vendors

Someone should consider a retractable barrier on US One that would eliminate head on collisions. Establish a minimum speed and or restrict passing.

specifically, canal restoration through use of bubblers, dredging, etc. we need to improve the canal water quality.

Speed limit enforcement.

Sponge condos on private docks to attract fish and filter the water

stick with the list you have it is really good , just add-- step up code enforcement

Stiffer penalties for people caught violating fishing rules. Elimination of lobster mini season.

Stop building affordable and workforce housing projects. They are a scam and insane.

Stop commercial event/wedding homes operating in residential neighborhoods, look into protecting Key Largo bayside water quality from C-111 dumping

Stop cutting all the trees down! Replace with 2 trees that are native, not the ugly palm trees you can see in Georgia!

STOP displacing full time, working residents from homes to allow for a vacation rental - no workers leads to no service and failed businesses.

Stop event destinations in residential neighborhoods, look into protecting Key Largo water quality from C-111 dumping.

Stop giving developers free reign.

stop legal epa dumping into shore waters

stop letting business in and let people in

Stop mini season

Stop mini season, control county spending,

Stop mini season, stricter penalties for taking fish and lobster illegally

Stop spending money foolishly

stop the building in areas that will be a problem in storms and high water

Stop the bussing in of mainlanders

Stop the corruption in our local governments.

Stopping AirB&B and similar services , restricting Uber and Lyft (too many cars in town)

Stopping the illegal rentals. Stopping mini season.

Stopping the influx of drugs, theft and illegal fishing. Add many more FWC officers and increase their pay.

Streamling government processes

Stricter enforcement of speed/acceptable behavior on the water, particularly on residential canals.

Stricter littering laws

Stronger education in school system.

Stronger enforcement of resource violations

structures under home should be allowed to exist. should they be allowed to remain this then helps the issue of low income housing.

support agencies caring for children and elders in the community, providing resources for emergency services, support of tourism

Supporting the creation of a national catastrophe fund.

Surveys of visitor and resident satisfaction

Sustainability in the face of climate change and rising sea levels.

Sustainable energy

Sustainable, clean reefs, salt water quality, invasive species eradication

Tackle homeless issues

Taking care of our reefs

Tax discounts to people who's primary residence is the keys

Taxes for schools

Teacher pay

Technological innovation programs, to encourage ideas towards using technology in new ways (as a community of knowledge). Offer classes, speakers, etc

Tell code compliance to stop harassing homeowners.

Term limits

Term limits

Term limits

The building code officials should use common sense when enforcing the codes.

The changing climate

The city thinks building affordable housing is the issue. It needs to be RENT CONTROL. There are LOTS of available rentals, just too expensive

The county is not proactive enough in sharing information with the community. There is a shocking amount of misinformation shared between members.

The County is viewed as corrupt because of the Commissioners and conflicts of interest.

The county needs to enforce its prohibition of vacation rentals in residential areas and stop enabling "surprise" hotel developments like Oceansedge.

The EOC project needs to be completed. This is a crucial part of our infrastructure that is missing.

The Fills: road elevation, overuse and parking

The flow of traffic in an emergency, being able to get out of Monroe and not get stuck in a traffic jam.

The number of vehicles entering the Florida keys.

the Public Library system

The roads in KW are deplorable. I have just done a road trip through east coast small towns and there are NONE as bad as KW.

There isn't enough code enforcement

Thorough canal dredging or cleaning

Toll booth in Florida City

toll for all southbound traffic coming into the Keys.

Toll for visitors entering the Keys

Toll for visitors.

Toll on US 1

Toll on US 1, eliminate mini lobster season, Indian Key Fill

Toll on US 1.

Toll on us1

Toll road

Toll road

toll should be added to us1 to pay for merit based employee raises.

Tolls

Tone down cruise ship dependence. Give some time to be cute little island where everyone knows everyone again.

Top quality teachers

Tougher restrictions on county commissioners and refusing to allow them to vote for or against anything that would affect their own personal business

Tourism

Tourism limits, offshore water quality, trashy "sand bar" type location limits.

Tourism v environment balance

Tourism, specifically LGBTQ targeted.

"Tourist development

Keep non key west Uber™s out of kw"

Tourist education.

Trades Education (staffing to rebuild) contractors

Traffic

traffic and bicycle safety

Traffic and road safety on US 1.

Traffic control

Traffic control on the stretch and a toll to get in the Keys for non-residents (residents have a pass that they have that lets them pass).

Traffic on US 1 and Road safety, better assistance for homeless to help themselves off the streets,

Traffic on US 1 should be the priority.

Traffic on us1 and road safety

TRAFFIC OPERATIONS

Traffic solution.

Train

transportation

"Transportation alternatives (buses/trains/using the Marathon airport.

"

Trash clean-up on roads and shoreline

Trash collection

Triple property taxes for Monroe Co. homeowners who do not work/volunteer for (8-12 mos) a business or in the county. Helps workforce housing issue.

TRUE RECREATION ORGANIZATION - NOT A PARKS DEPARTMENT BUT AN ORGANIZATION THAT RUNS RECREATION PROGRAMS FOR RESIDENTS (PROBABLY MOSTLY FOR YOUTH)

Two programs should be ended for every new one started

Unsafe homes should not be tolerated.

"Updated parking meter system in Key West

Pay by phone"

Updated parks with more things for children.

Upgraded medical facilities

Upgrading of County Roadways/Infrastructure

Urban sustainability

Use of solar.

Using limited ROGOs to build the right type of workforce housing (low & median income rental) adjacent to employment centers and SFHs in suburbs.

Using open space to create passive parks. Establish more areas, especially along US1 that are beautiful and useful to residents and visitors.

Diversify economy

Utilizing our natural resources of wind, solar and tides.

"Vacation rental controls

Better public transportation

Clean"

VACATION RENTALS, AIR BNB, AND SECOND HOMES ARE RUINING QUALITY OF LIFE IN THE KEYS

Victim crisis services

Vocational & Technical Education, More Mental Health Services

wage that corresponds to cost of living

Wages consistent with cost of living

Wages in Key West. Raise them owners.... It would slow the quiet work that has begun on a Hospitality Union

Walmart and real world conveniences!

WALMART ON ROCKLAND

Water level concerns

water quality protection

Water Quality, Affordable workforce housing.

Water quality, over crowding, over building, density, stop mini season

Water rise and preparation for the future in this area(if it is not covered under resiliency)

Water safety and swimming lessons for our children. We need more public pools.

Water sport control by additional policing officials and more Bouyâ€™s around the Flats of The Keys

We could really do with better public transit.

We have a county that 11 months after Irma still has not issued permits to rebuild. Must get your ac

"We live on an island with very limited boating access . Need upper keys water access. Let the voters decide if there should be a boat ramp at Rowells."

We need to advertise nationally the Keys are Fine, No red tide here.

We need to do something about the homeless population. KOTS needs to be moved, updated, and kept clean so that its residents will actually stay there.

weekly home/house rentals

When affordable housing is considered, it should actually be affordable. \$2100 a month for a small apartment plus utilities is NOT affordable.

When residents are allowed back in after a hurricane, having a prepared and concise plan for when these residents arrive.

when you are walking or driving around key west some areas look like dumpy trailer parks. Add curbs, irrigated maintained grass, landscaping.

Where are the questions about protection of the environment.... need to save the coral reefs.

Wildlife

Wildlife protection

Wildlife Refuge protection Save the ocean stop sale of plastic bags, straws, dangerous chemicals from going in the ocean, stop tourism

Windmills

Work force housing provided by largest employers. This should not be Monroe county problem. They all provided housing even in the sixties. Or pay more

Work on limiting impact of states water run off deteriorating the fishing and reefs. Plan for increasing water levels.

Work on making Duval more appealing.

Work with DOT to enforce traffic laws such as no parking on the sides of US one

Workforce quality of life. The population between the high net worth, and the entry level short term people, is not being cared for or represented.

Working waterfront

Working waterfronts

Would like to see more places for seniors to live.

You can't add MORE to that list, else nothing is a priority.

You have everything above

You have it covered!

your list petty much covers it all.

Youth programs to keep our children off the streets.

Zero tolerance for bicycle thieves. I would ride my bike to work if I thought it would be there in the evening when I am ready to go home.

New Priority Recommendations with Geographical Information/Group Designation

| 1. Are you a resident of: | 2. What Priorities would you add to the list? |
|---------------------------|--|
| BP Art in Paradise | Cleaning up and opening our parks and beaches |
| BP Art in Paradise | Health care |
| BP Art in Paradise | I'm good |
| BP Art in Paradise | Medical |
| BP Art in Paradise | Senior services |
| BP Art in Paradise | Upgraded medical facilities |
| Brd Realtors | Better pay for teachers |
| Brd Realtors | Businesses need to recycle. Mandatory recycling for all. |
| Brd Realtors | Charging non-residents for fishing on bridges and monitoring the people fishing. So much trash etc |
| Brd Realtors | Education |
| Brd Realtors | Elderly care, |
| Brd Realtors | Higher wages |
| Brd Realtors | Limit lobster mini season to Monroe Co residents only, or eliminate it altogether. |
| Brd Realtors | More environmentally safe mosquito control; stop killing the bees!!! |

| LK Rotary | Affordable living Flood reaction Sustainable energy |
| LK Rotary | Comminications |
| LK Rotary | Expand bike paths, mass transpotation, |
| LK Rotary | Hurricane evacuation Tourism management Sea level rise |
| LK Rotary | Lobster season, tourism |

| | |
|------------|--|
| LK Rotary | Mass transit |
| LK Rotary | Parks and recreation |
| Lower Keys | Bringing down the suicide rate Monroe county and having safe spaces for minors . |
| Lower Keys | I think you covered all of our concerns and issues. |
| Lower Keys | Stopping At large voting for county commissioners and district 2 gerimandering |
| Lower Keys | 124 Simonton Street Apt. 202 |
| Lower Keys | 1610 Trinidad Drive |
| Lower Keys | 701 Spanish main dr Lot 77 |
| Lower Keys | A CAT 5 rated shelter every 25 miles or so. With climate change affecting us greatly we will only have more frequent and stronger storms that hit. |
| Lower Keys | A comprehensive GIS system (software to manage As-Builts, CADD, Utilities etc) that would allow Monroe County to be ahead of the technology curve. |
| Lower Keys | A concrete barrier should be added to US1 like on the 18 mile stretch the road is very dangerous. I have a near miss head on collision frequently. |
| Lower Keys | A continued focus on tourism. Without tourists, our economy would fall flat. |
| Lower Keys | A county government that is really for the people, not self interested issues. |
| Lower Keys | A monorail system over US1 for travel. |
| Lower Keys | A vetted, peer reviewed carrying capacity study. |
| Lower Keys | Ability of safely evacuation routes out of the Keys. |
| Lower Keys | Access to community input. |
| Lower Keys | Accountability of County staff. The response from the County Emergency Mgmt team was deplorable and people should have lost their jobs. |
| Lower Keys | Accountability of the cities departments to the people: code, building. Sheriff |
| Lower Keys | Actually all of the priorities listed should be worked on over the next 3-5 years, not just the ones I ranked as my top 3. |
| Lower Keys | Additional Officers protecting the waters from illegal harvests and coral / sea grass damage from uneducated boaters |
| Lower Keys | Adequate Fire Rescue and Prevention personnel, equipment, and training. |
| Lower Keys | Adequate social services for our elderly and disabled (physical, mental and addiction handicapped) adults and for needy children. |
| Lower Keys | Adopting data based emergency evacuation procedures to better assure the safety of all residents and visitors |
| Lower Keys | Affordable and timely permitting, transparent governance |
| Lower Keys | Affordable child care and healthy food for kids at daycare and school |

| | |
|------------|--|
| Lower Keys | Affordable Housing - not employee housing that allows for builder to get away with fraud. |
| Lower Keys | Affordable living and rent |
| Lower Keys | Affordable/free activities for kids. |
| Lower Keys | Aid the transient community in a meaningful way. Pay them \$10 hour to pickup trash out pay by the pound. It worked in Ft Worth, Texas. |
| Lower Keys | An aggressive improvement in the environmental water, reef, and land destruction that is rampant. |
| Lower Keys | an overseas train with a car rental on the other side. Like in Europe. |
| Lower Keys | Arts in public schools |
| Lower Keys | Attracting families and not just tourists. |
| Lower Keys | attracting quality tourist |
| Lower Keys | attracting small businesses |
| Lower Keys | Balanced, well managed tourism |
| Lower Keys | Ban plastic bags and straws and wrappings. Charge for them. Picked up enough dead animals and trash to not like them. |
| Lower Keys | Beach clean up. |
| Lower Keys | Beautification of US 1 - Clean and landscape , Allow Publix to build on Big Pine Key |
| Lower Keys | Beautification, homeless problem |
| Lower Keys | Begin a program to encourage solar panels and wind energy. Hawaii Electric has a plan to convert to 100% to renewable energy. |
| Lower Keys | Better and more affordable healthcare. |
| Lower Keys | Better and more affordable healthcare. |
| Lower Keys | Better boat launches and waterfront parks in the lower keys. similar to Harry Harris. |
| Lower Keys | Better controls for traffic, i.e. keep golf carts from clogging highways. |
| Lower Keys | Better educational opportunities |
| Lower Keys | better emergency/storm planning |
| Lower Keys | Better pay for teachers and law enforcement officers; even if this means a property tax increase. This would allow them to afford housing. |
| Lower Keys | Better paying Jobs |
| Lower Keys | Better public transportation |
| Lower Keys | Better recycling |
| Lower Keys | Better schools |
| Lower Keys | Better schools- pay teachers more. Quality education |
| Lower Keys | Better services, especially law enforcement, medical. |
| Lower Keys | better sidewalks and roads. trees properly taken care of and trimmed. seaweed build-up reduced. a city-wide ban on non-biodegradable items. |
| Lower Keys | Better teaming and coordination and collaboration with local governments, especially Key West. Emphasis on economic diversification. |
| Lower Keys | Better transportation services from the lower keys, and new town down to old town where most of the jobs are. |
| Lower Keys | Better wages for the workers. People are getting rich down here, but they don't pay their employees a living wage. |

| | |
|------------|--|
| Lower Keys | Bicycle safety. Not blaming bicycles, but educating bikers and drivers of safer driving. |
| Lower Keys | Big business enticement. Seriously, get a wal-mart, target and a Chic Fila to come here. |
| Lower Keys | Bike and pedestrian safety, improving public transportation and discouraging driving. Improving recycling rates. Banning single-use plastics |
| Lower Keys | Boater education services |
| Lower Keys | bridge cross walks |
| Lower Keys | Bridge repairs, road widening, road elevations, sustainability, sea level rise, |
| Lower Keys | Building Department needs to work for the people not against them. |
| Lower Keys | Building more apartment complexes and using empty lots for houses less than \$400,000. Add a Walmart to open up more jobs and bring more supplies in. |
| Lower Keys | Bulldoze the building that have been left to deteriorate and make parts of the keys look trashy and rundown. |
| Lower Keys | By far, the terrible condition of the streets in Key West. |
| Lower Keys | By water quality, it is unclear if you are referring to "drinking water" or "ocean/gulf water." I am referring to "ocean/gulf water" above. |
| Lower Keys | CANAL MAINTENANCE, CODE COMPLIANCE ENFORCEMENT, WILDLIFE LAW ENFORCEMENT |
| Lower Keys | Cant think of anything. |
| Lower Keys | Checks and Balances - and not letting the \$\$\$\$ control this community! |
| Lower Keys | Childcare and Parental Support for young families |
| Lower Keys | Children/Education/Elder Care |
| Lower Keys | City side walk and street repairs |
| Lower Keys | clean and desirable vacation spot |
| Lower Keys | clean sidewalks, repaired streets |
| Lower Keys | Clean streets, roads and parks. Garbage, trash, cigarette butts, broken glass, discarded vehicles and household items are everywhere. |
| Lower Keys | Clean up and beautify certain areas of the lower keys, push homeowners to take responsibility for their properties. |
| Lower Keys | Clean up the county, bad properties, trash, homeless etc Most friends/visitors that come here comment that this place looks like a third world country |
| Lower Keys | Clean up the half-sunken boats and properties that haven't touched since Irma. |
| Lower Keys | Clean up the overall appearance. There are so many run down buildings that are unsightly. |
| Lower Keys | Cleaning and maintaining our community spaces. In a beautiful tourist destination like the Keys, it's really sad when public spaces are littered. |
| Lower Keys | Cleaning up after hurricanes. |
| Lower Keys | Cleaning up delinquent properties |
| Lower Keys | cleanliness / this island is really gotten dirty and trash everywhere. Businesses and residents should be more responsible for there property |

| | |
|------------|---|
| Lower Keys | Cleanup debris in canals |
| Lower Keys | Climate change well |
| Lower Keys | Code Enforcement for any Housing. |
| Lower Keys | Commissioners who don't cave to developers. |
| Lower Keys | Communication infrasteucture |
| Lower Keys | Community integration in public events |
| Lower Keys | Community partnerships and basic empathy for others, Some in the keys have this concept. Others, do not understand that this is how Conchs operate. |
| Lower Keys | Competitive wages for the workforce; flood insurance rates. |
| Lower Keys | Complete eradication of mosquitoes. |
| Lower Keys | Compliance to existing code and laws. |
| Lower Keys | Comprehensive airport operation plan. Seems as it the county counsel members are dealing with areas where their expertise doesnâ€™t lie |
| Lower Keys | Consistently in Enforcement of speed in BPK and prosecution of those that steal our resources(lobster /turtles/ etc) |
| Lower Keys | Continue to embrace diversity |
| Lower Keys | Control number of chain stores allowed. |
| Lower Keys | control price gouging on tourism |
| Lower Keys | Control the run away vacation rentals |
| Lower Keys | Controlling all insurance rates. I also think the tree commission as well as HARC need to be revamped and have more moderate constituents involved. |
| Lower Keys | Controlling illegal rentals to help solve the affordable housing problem. |
| Lower Keys | coordinated effort with state and federal paratners to buy down residential development rights. |
| Lower Keys | Coral reef health |
| Lower Keys | Corruption, self-dealing, bubba capitalism and no rule of law. |
| Lower Keys | County Comission needs to respect and honor the county islands such as lower keys- we have suffered taxation without representation for far too long! |
| Lower Keys | county missed an opportunity to increase workforce/affordable housing w/ irma. should have purchased and deed restricted lots people left & sold |
| Lower Keys | County needs to build a homeless shelter and get the homeless population under control in Monroe county. |
| Lower Keys | County should focus on residents needs. Stop building and over promoting, and act only in the interests of residents. |
| Lower Keys | Crack down on derelict and illegally anchored vessels |
| Lower Keys | Create/repair bicycle paths so riders never have to be on US1 |
| Lower Keys | Creating jobs that are not dependent on the tourist industry |
| Lower Keys | Creation of a ferry service up and down the keys and to Key West to help with vehicle rush hour traffic |
| Lower Keys | Cutting the TDC budget |
| Lower Keys | Decreased emphasis on tourism advertising!!!! |
| Lower Keys | develop a 5 year plan for implementing goals and STICKING TO THE PLAN |

| | |
|------------|---|
| Lower Keys | Develop a plan for energy efficient public transportation to get cars off the road. |
| Lower Keys | Develop regulations, licensing, and taxation to better control and manage the use of boats and vessels as vacation rentals. |
| Lower Keys | development of extensive, frequent, reliable public transit |
| Lower Keys | Disaster Preparedness |
| Lower Keys | Disaster preparedness and recovery |
| Lower Keys | District only voting of the BOCC for better representation of the community. |
| Lower Keys | Diversifying our revenues so tourism isn't the only driver of the economy. Ensuring that a younger population can afford (and wants) to live here. Finding a compassionate, workable solution for our homeless shelter. |
| Lower Keys | Do away with mini-season, it is a deterrent in every way. |
| Lower Keys | Education - very young to elderly - technology, nature, nutrition, writing, book clubs, art, astrology, metal working, etc. |
| Lower Keys | Effective, low-priced commuter transportation systems, to include park-n-riders for visitors. |
| Lower Keys | Elderly (not workforce) Affordable Housing; Economic Development and Increased Programming and Youth Access to Parks. |
| Lower Keys | Eliminate Harc |
| Lower Keys | Eliminating or amending Policies and processes that make it easy for the rich to bloat the housing market and stifle wage growth. |
| Lower Keys | Eliminating waste by our local governments and utilities. |
| Lower Keys | Elimination of ripp off stores and cheap vulgar stores in Key West |
| Lower Keys | Elimination of transient rental licenses, |
| Lower Keys | Emergency management |
| Lower Keys | Emergency management services |
| Lower Keys | energy independence including alternative energy sources such as solar and wind |
| Lower Keys | Enforcement of code complaints |
| Lower Keys | Enforcement of noise ordinances, especially around open-air music venues (and I am a working musician, not an entitled Old Town millionaire). |
| Lower Keys | Enforcement of NoTake laws of our waters. Shells, starfish, coral etc.... |
| Lower Keys | Enforcement of property owners to maintain their land/lots buildings in good working order with at time completion given to commercial and residetial |
| Lower Keys | Environment protection |
| Lower Keys | Environmental cleanup |
| Lower Keys | Environmental preservation "Monroe County is a true gem in that it offers so much diversity in the waters surrounding the Keys, fishing, boating, |
| Lower Keys | Environmental protection for our and green initiatives like mandatory recycling, especially for businesses. |
| Lower Keys | Equality for all that live here, never forgetting the working class. Programs for rebuilding within the community at all times. |
| Lower Keys | Eradication Of Corruption |
| Lower Keys | Ethics oversight. The corruption in our county is widely recognized. |

| | |
|------------|---|
| Lower Keys | Facilitate development of community centers to reduce US1 traffic and build neighborhoods. |
| Lower Keys | Family-fun emphasis (tax incentives, etc). If all we have is bars and beaches the families are left out hurting us as a whole. Locals need clean fun. |
| Lower Keys | FEMA money due from Hurricane Irma. |
| Lower Keys | Figuring out a way to help replace homes like trailers so weâ€™re prepared for next hurricane. Make it more affordable and stop allowing price gouging! |
| Lower Keys | Figuring out meter situation/issue for people who have zip code of 33040. Itâ€™s ridiculous we have to pay so much for parking especially for a park! |
| Lower Keys | Find ways to help local families able to purchase homes through discounted or subsidized mortgages to stop the growing vacation investor chokehold. |
| Lower Keys | Finding a way to manage vacation rentals so that there are more housing units available for long-term, annual rentals. |
| Lower Keys | Fire Response - We have seen tragic fires in the last couple of years and the response hasn't been adequate |
| Lower Keys | Fire whoever was involved in the harassment of the tourists who happen to drive motorcycles |
| Lower Keys | Fix the roads!!! |
| Lower Keys | Fixing roads |
| Lower Keys | Flood insurance rates |
| Lower Keys | Flood Insurance Rates and Sea level rise |
| Lower Keys | Flood proofing and lifting of ground level structures |
| Lower Keys | Focus on serious crime (burglary / assault) / patrol communities. |
| Lower Keys | Focusing on Affordable Wages, not Affordable Housing. Encourage increasing wages voluntarily. |
| Lower Keys | Four lane US1. |
| Lower Keys | General overall safety and medical care |
| Lower Keys | General utilities pricing....water, sewer, phone. Pricing has increased steadily over the last several years. |
| Lower Keys | Get better control of vacation rental - causing cost of housing to be out of reach for many people - Limit vacation rentals - |
| Lower Keys | Get rid tier system and rogo it a waste of time. |
| Lower Keys | Getting residents taken care of prior to erecting resorts. |
| Lower Keys | Getting rid of or taxing the crap out of transient licenses |
| Lower Keys | Good paved roads |
| Lower Keys | Greater focus on the needs of the residents. Improved infrastructure, greater amenities and enhanced focus on making this a great place to live. |
| Lower Keys | Greed control |
| Lower Keys | Green energy projects |
| Lower Keys | growth |
| Lower Keys | Growth control |
| Lower Keys | Growth control |
| Lower Keys | Growth of local businesses-including incentives |

| | |
|------------|---|
| Lower Keys | Hardening Infrastructure in Hotel rates. Fix the crosswalk issue in US1. Crack down on illegitimate business such as cosmetic stores and Tshirt sho |
| Lower Keys | Hardening the infrastructure against sea level rise. |
| Lower Keys | Have a new Emergency management center/building |
| Lower Keys | Have safe roads for driving, too many holes. |
| Lower Keys | Help in the development of small local businesses. |
| Lower Keys | Help speed up construction more. |
| Lower Keys | Helping nurses from Fisherman's Hospital find affordable housing |
| Lower Keys | Helping property owner who want to replace damaged or old trailers and can't afford to get them replaced or up to code for example Stock Island |
| Lower Keys | Higher salaries for workers. |
| Lower Keys | Historical restoration projects |
| Lower Keys | Housing rentals in the lower keys should be long term only (minimum of 6 months). This would help to eliminate the illegal transient rentals. |
| Lower Keys | Hurricane preparedness |
| Lower Keys | Hurricane safety |
| Lower Keys | I asked DOT to put rumble strips down the middle of the highway. They responded saying it would cause to much road noise. I say "BS". |
| Lower Keys | I believe we need to remind ourselves of what made the keys so popular, a laid back environment where you could spend time enjoy our gorgeous seas. |
| Lower Keys | I think it's critical to find a solution for affordable housing (esp now that mobile homes aren't in the lower keys) that isn't too dense |
| Lower Keys | If we harden the utilities it would perhaps allow residents to return, but many that stayed wished they had not and of course some that left wanted to |
| Lower Keys | If you could get the insurance rates "normal" maybe the rents wouldn't be so high and we could get some "real" affordable housing. |
| Lower Keys | Iguana control |
| Lower Keys | Improve condition of county roads. Rescue us from Key West Resort Utilities. |
| Lower Keys | Improved Economic diversity. |
| Lower Keys | Improved Healthcare Facilities |
| Lower Keys | Improved healthcare. |
| Lower Keys | Improved public transportation |
| Lower Keys | Improved recreation areas such as beaches and parks with open space and playground equipment |
| Lower Keys | Improved school results |
| Lower Keys | Improved school system |
| Lower Keys | Improvement of bike lanes and pedestrian bridges. Continued emphasis on water quality and protections of our near shore waters. |
| Lower Keys | Improvement/ maintenance of existing infrastructure (roads, bridges, government buildings). |

| | |
|------------|---|
| Lower Keys | Increase density on lots and give developers a streamlined process to create affordable housing. |
| Lower Keys | Increase employment opportunities |
| Lower Keys | Increase mosquito control measures |
| Lower Keys | Increased focus on aquaculture/environmental impacts of mainland Florida land use and pollution to our waters and drinking water. |
| Lower Keys | Increasing tourism by partnering to build both parking in Key West and other attractions up the Keys like a water park in Marathon or Islamorada. |
| Lower Keys | infrastructure improvements to support visitors and residents.... (roads, transportation, ports, marinas, etc.) |
| Lower Keys | Infrastructure in partnership with DOT |
| Lower Keys | Infrastructure maintenance, roads, streets. |
| Lower Keys | Infrastructure not related to Cell Service and Utilities-The physical roads need to be updated and smoothed down |
| Lower Keys | Invest in increasing and hardening public safety (Emergency Management, Fire Rescue) |
| Lower Keys | Invest in long term preservation of community facilities. Buy Murray Marina! Build new boat ramps w/docks&parking (Key Haven/Shark Key are awful) |
| Lower Keys | Invest in parks or other activities for families. |
| Lower Keys | Invest in schools and education - pay teachers more ; legalize marijuana for recreational use ; high speed train from MIA |
| Lower Keys | Invest more in County's blue collar work force. Assure County and community has sufficient work force now and in the future. |
| Lower Keys | Keep income and property taxes under control. |
| Lower Keys | Keep the beauty of the islands |
| Lower Keys | Keeping our water ways clean and passable |
| Lower Keys | Keeping the islands clean. Trash pickup and ocean cleanups. Powerwashing sidewalks. |
| Lower Keys | Keeping the keys small and with the charm it use to have. No big name companies Walmart ect |
| Lower Keys | Keeping workforce housing in areas of high density where the jobs are and not in suburban neighborhoods with low-density homes. |
| Lower Keys | Kids friendly zone |
| Lower Keys | less government, lowering of taxes |
| Lower Keys | Less trailers |
| Lower Keys | LESS VULGAR T SHIRT SHOPS. LOOKS TRASHY |
| Lower Keys | Limit new "affordable" workforce construction. It is a code for developers as we all know. Do not purchase commercial properties such as marinas, etc |
| Lower Keys | Limit the growth of local government and their power over residents. |
| Lower Keys | Limit tourism |
| Lower Keys | Limit tourist driving into KW so locals are not inconvenienced |
| Lower Keys | Limiting transient rentals and reducing the number of licenses. |
| Lower Keys | Limits on tourism and not attracting the "party until you puke" crowds. Fewer tourists who spend more money. |

| | |
|------------|--|
| Lower Keys | Litter/trash cleanup |
| Lower Keys | livable wages for working residents. We NEED to close the income gap in this county and create a middle class. |
| Lower Keys | Living Wage |
| Lower Keys | Load safety and streamlining and simplifying permitting process are important issues. |
| Lower Keys | Lobby for affordable housing |
| Lower Keys | Lobby Tallahassee to free up the ability to ban vacation and short-term rentals. |
| Lower Keys | Lobby to spend |
| Lower Keys | Local career development. |
| Lower Keys | Look at all canal clean up, especially plugged canals in big pine key |
| Lower Keys | Looking towards the future economy excluding tourism, focusing on other industries that don't destroy our Islands |
| Lower Keys | Lower insurance. Limiting vehicular traffic on the keys. |
| Lower Keys | Lower taxes |
| Lower Keys | maintain tight control of transient rentals, maintain height restrictions |
| Lower Keys | Make a park and ride on stock island for key west workers |
| Lower Keys | Make eco-tourism practices a HIGH priority across the board; legislation, marketing, and accountability. |
| Lower Keys | Make Monroe County clear of abandon buildings and vehicles |
| Lower Keys | Making county employees less hostile towards residents. |
| Lower Keys | Making elected officials more accountable to the citizens and less to the developers. |
| Lower Keys | Making evacuation easier one way out 12 before storm |
| Lower Keys | MANAGE DEVELOPMENT!!! every trip out of the keys more massive developments, it has ruined the keys, is hideous, dangerous when we need to evacuate. |
| Lower Keys | Management of resources for sustainability. |
| Lower Keys | Marketing our city to visitors. |
| Lower Keys | Mental health services |
| Lower Keys | Minimum wage |
| Lower Keys | Modify the Sunshine Law so that 2 commissioners can talk with each other over a cup of coffee just the way state legislators can. |
| Lower Keys | More aesthetically attractive business core along US 1. Increased salaries for workforce. Expanded medical care/access. redevelop neglected waterfro |
| Lower Keys | more affordable health care |
| Lower Keys | More free temporary docking in the Schooner Wharf area for visitors. |
| Lower Keys | More frequent public transportation to the mainland |
| Lower Keys | More importance on safe, sustainable water-based activities. |
| Lower Keys | More law enforcement needed |
| Lower Keys | More modern resources |
| Lower Keys | More offerings through parks and rec for families and young adults |
| Lower Keys | More options for seniors |
| Lower Keys | More work needs to be put into keeping the highways and waterways clean and maintained in the Keys including and especially the entry to Key West |

| | |
|------------|--|
| Lower Keys | N |
| Lower Keys | N/A |
| Lower Keys | NA |
| Lower Keys | -Need more family friendly parks with a pools -Patrol the parks for gays, drunks, pot smokers, homeless. 3rd offense they have to vacate the keys |
| Lower Keys | No e |
| Lower Keys | No trash at curb until 24 hours before pick up. |
| Lower Keys | Noise and light reduction |
| Lower Keys | Not buying Marinas |
| Lower Keys | Nothing. Stopping the out og control development will solve almost all other issues. Period. |
| Lower Keys | Ocean safety and ocean life protection. |
| Lower Keys | Our dependency on power and water coming from the mainland should be addressed. |
| Lower Keys | Parking |
| Lower Keys | Parking for residents, public transport for tourists , better hospital services |
| Lower Keys | Parking improving schools and teacher's salaries. |
| Lower Keys | pave roads and fix potholes, car reductions and increased options for people movement. recycle all mandatory |
| Lower Keys | Performance management/termination overhaul for tenured county employees who are rude and power hungry in Marathon, such as Mary Wingate. |
| Lower Keys | Planning - Oversight of hotel development so that it does not slip through the cracks and take away all of the trailer (workforce) housing. |
| Lower Keys | Planning/Building Processes (as a SEPARATE item from Code Compliance). |
| Lower Keys | Pollution |
| Lower Keys | Preserving green space |
| Lower Keys | Prioritizing the people who live here year round instead of the tourist |
| Lower Keys | Prioritizing unincorporated Monroe over Key West and Marathon,especially Key West. |
| Lower Keys | Promote alternative travel modes. Limit cars. |
| Lower Keys | Protection of individual property rights. |
| Lower Keys | Protection of the reef. Beautification of the overseas highway. |
| Lower Keys | Protection of wildlife and the environment. |
| Lower Keys | Protection of wildlife/Natural Resources |
| Lower Keys | Public Safety and Crime Reduction |
| Lower Keys | Public safety and reduced theft. |
| Lower Keys | Public Safty |

| | |
|------------|--|
| Lower Keys | Public transportatoin and incentives to NOT drive a car. Clean the streets downtown. |
| Lower Keys | Put an end to nepotism. Well-paying secure county jobs need to go to qualified applicants, regardless of whether or not they were born in the Keys. |
| Lower Keys | Quality of life |
| Lower Keys | quality of life and wages |
| Lower Keys | Quality of our offering for tourists. |
| Lower Keys | rail service |
| Lower Keys | Raise standards in hospitals and nursing facilities |
| Lower Keys | Raising county roads that are prone to flooding during high tides and heavy rain. Paid for by a toll on US 1 that exempts Monroe County residents. |
| Lower Keys | raising minimum wage for service industry |
| Lower Keys | Reallocate funds from enforcement and prosecution of non violent small quantity marijuana offenders in order to focus on real safety issues. |
| Lower Keys | Reduce car traffic by providing alternate methods. UBER and LYFT are great , but outside of Key West you can never be sure you can get a ride home. |
| Lower Keys | reduce cruise ship traffic |
| Lower Keys | Reduce spending, taxes, govt programs, subsidies schemes and scams. Eliminate gov't departments, agencies, committee's and studies. Free the market. |
| Lower Keys | Reduce tourism and the problems it causes |
| Lower Keys | Reducing tourism. |
| Lower Keys | Reducing wasteful spending on poorly thought-out projects. Better research before committing. Ask for taxpayer opinions on how, where, when, and what. |
| Lower Keys | Reduction of commercialization |
| Lower Keys | reef preservation and enviornmental protection |
| Lower Keys | Reevaluate services such as waste, water, permitting to be more cost-effective and/or more inclusive for the cost. |
| Lower Keys | Reforming occupational licenses to create two different price structures, one for residents and another for out of county owned businesses. |
| Lower Keys | Refuse to permit any more resorts like the Singh development on Knights Key |
| Lower Keys | Regulation of light pollution including municipal lighting. Plus enforcement of noise pollution. |
| Lower Keys | Regulations to control boats that anchor anywhere and become makeshift housing and/or lodging. I see this becoming a problem. |
| Lower Keys | Remediating the old polluting lanfills |
| Lower Keys | Remove billboards from US 1. |
| Lower Keys | Remove the fuel load on BPK before the Island catches fire and burns to the ground. Funding takes time, get to work, now. |
| Lower Keys | Renewable energy |
| Lower Keys | Renewable Energy |
| Lower Keys | Renewable energy |
| Lower Keys | Renewable energy initiative |

| | |
|------------|---|
| Lower Keys | renewable energy options (e.i. solar, wind, ocean currents) |
| Lower Keys | Repair of existing roads and bridges; reduction of pollution runoff into nearshore waters; 100% connectivity to wastewater/sewer. |
| Lower Keys | Repave roads that need it in KW; stop buying properties; improve quality of life for residents. |
| Lower Keys | REPLACEMENT housing for those lost in Irma. Streamlining "workforce housing" so true local workers have a place to live vs. developer free-for-all & density bonuses for what will never be "affordable" housing. |
| Lower Keys | Respect for the lower keys Citizens- we are taxed without representation- stop dumping on us! |
| Lower Keys | Restrictions during lobster season |
| Lower Keys | return businesses to local ownership and discourage corporate intrusion into our unique lifestyle |
| Lower Keys | Revitalization (i.e., revise restrictive policies) of the Big Pine Commercial District along US1. Current policies in place created a blighted area. |
| Lower Keys | Rising sea level impact planning for ALL public services, roadways, etc. |
| Lower Keys | Rising sea levels |
| Lower Keys | Road improvements. |
| Lower Keys | Road maintenance to pave the potholes in key west |
| Lower Keys | Roads need repairs and traffic signs posted clearly away from tree branches and fences |
| Lower Keys | safer crosswalks on Roosevelt Blvd. |
| Lower Keys | Safety! |
| Lower Keys | School Safety |
| Lower Keys | Schools and education! Bring back art programs to the schools. More funding to keep teachers and educators with experience. |
| Lower Keys | Sea level rise. |
| Lower Keys | Seeking a toll on US1 for out of county visitors. |
| Lower Keys | Senior citizen assistance |
| Lower Keys | Shuttle bus from Florida City for all non-residents. Stop the cars before they get to Card Sound unless they live in the Keys |
| Lower Keys | Slow growth control would be # 4 |
| Lower Keys | Sober and homeless initiatives. |
| Lower Keys | Social services and access to quality medical care for our residents. |
| Lower Keys | Solar power, recycling, rain catchments, transit. |
| Lower Keys | Someone should consider a retractable barrier on US One that would eliminate head on collisions. Establish a minimum speed and or restrict passing. |
| Lower Keys | specifically, canal restoration through use of bubblers, dredging, etc. we need to improve the canal water quality. |
| Lower Keys | Speed limit enforcement. |
| Lower Keys | Stiffer penalties for people caught violating fishing rules. Elimination of lobster mini season. |
| Lower Keys | Stop cutting all the trees down! Replace with 2 trees that are native, not the ugly palm trees you can see in Georgia! |

| | |
|------------|---|
| Lower Keys | STOP displacing full time, working residents from homes to allow for a vacation rental - no workers leads to no service and failed businesses. |
| Lower Keys | Stop giving developers free reign. |
| Lower Keys | Stop spending money foolishly |
| Lower Keys | Stopping AirB&B and similar services , restricting Uber and Lyft (too many cars in town) |
| Lower Keys | Streamling government processes |
| Lower Keys | Stronger education in school system. |
| Lower Keys | structures under home should be allowed to exist. should they be allowed to remain this then helps the issue of low income housing. |
| Lower Keys | support agencies caring for children and elders in the community, providing resources for emergency services, |
| Lower Keys | support of tourism |
| Lower Keys | Surveys of visitor and resident satisfaction |
| Lower Keys | Sustainability in the face of climate change and rising sea levels. |
| Lower Keys | Sustainable energy |
| Lower Keys | Tax discounts to people who's primary residence is the keys |
| Lower Keys | Tell code compliance to stop harassing homeowners. |
| Lower Keys | The building code officials should use common sense when enforcing the codes. |
| Lower Keys | The changing climate |
| Lower Keys | The city thinks building affordable housing is the issue. It needs to be RENT CONTROL. There are LOTS of available rentals, just too expensive |
| Lower Keys | The County is viewed as corrupt because of the Commissioners and conflicts of interest. |
| Lower Keys | The county needs to enforce its prohibition of vacation rentals in residential areas and stop enabling "surprise" hotel developments like Oceansedge. |
| Lower Keys | The flow of traffic in an emergency, being able to get out of Monroe and not get stuck in a traffic jam. |
| Lower Keys | The number of vehicles entering the Florida keys. |
| Lower Keys | The roads in KW are deplorable. I have just done a road trip through east coast small towns and there are NONE as bad as KW. |
| Lower Keys | Thorough canal dredging or cleaning |
| Lower Keys | Toll booth in Florida City |
| Lower Keys | Tone down cruise ship dependence. Give some time to be cute little island where everyone knows everyone again. |
| Lower Keys | Tourism |
| Lower Keys | Tourism v environment balance |
| Lower Keys | Tourism, specifically LGBTQ targeted. |
| Lower Keys | Tourist development |
| | Keep non key west Uberâ€™s out of kw |
| Lower Keys | Traffic |
| Lower Keys | Traffic and road safety on US 1. |
| Lower Keys | Traffic on us1 and road safety |
| Lower Keys | TRAFFIC OPERATIONS |
| Lower Keys | Traffic solution. |

| | |
|---|--|
| Lower Keys | Transportation alternatives (buses/trains/using the Marathon airport. |
| Lower Keys | Trash collection |
| Lower Keys | Updated parking meter system in Key West Pay by phone |
| Lower Keys | Updated parks with more things for children. |
| Lower Keys | Upgrading of County Roadways/Infrastructure |
| Lower Keys | Urban sustainability |
| Lower Keys | Using limited ROGOs to build the right type of workforce housing (low & median income rental) adjacent to employment centers and SFHs in suburbs. |
| Lower Keys | using our people resources - meaning the brilliant people who move/visit here who have skills and examples of great thriving communities elsewhere. |
| Lower Keys | VACATION RENTALS, AIR BNB, AND SECOND HOMES ARE RUINING QUALITY OF LIFE IN THE KEYS |
| Lower Keys | Wages in Key West. Raise them owners.... It would slow the quiet work that has begun on a Hospitality Union |
| Lower Keys | Walmart and real world conveniences! |
| Lower Keys | WALMART ON ROCKLAND |
| Lower Keys | Water level concerns |
| Lower Keys | Water rise and preparation for the future in this area(if it is not covered under resiliency) |
| Lower Keys | We need to do something about the homeless population. KOTS needs to be moved, updated, and kept clean so that its residents will actually stay there. |
| Lower Keys | When residents are allowed back in after a hurricane, having a prepared and concise plan for when these residents arrive. |
| Lower Keys | when you are walking or driving around key west some areas look like dumpy trailer parks. Add curbs, irrigated maintained grass, landscaping. |
| Lower Keys | Wildlife protection |
| Lower Keys | Wildlife Refuge protection Save the ocean stop sale of plastic bags, straws, dangerous chemicals from going in the ocean, stop tourism |
| Lower Keys | Work on making Duval more appealing. |
| Lower Keys | Workforce quality of life. The population between the high net worth, and the entry level short term people, is not being cared for or represented. |
| Lower Keys | Working waterfronts |
| Lower Keys | You can't add MORE to that list, else nothing is a priority. |
| Lower Keys | You have everything above |
| Lower Keys | your list petty much covers it all. |
| Lower Keys | Zero tolerance for bicycle thieves. I would ride my bike to work if I thought it would be there in the evening when I am ready to go home. |
| Lower Keys,I am not a resident of the Florida Keys. | Ease up on business restrictions an actually help them thrive |

| | |

| MAR CofC | Clean up |
| MAR CofC | Diverify Economy |
| MAR CofC | Drug programs |
| MAR CofC | Education |
| MAR CofC | Education |
| MAR CofC | Education |
| MAR CofC | FEMA flood ins rates Daniel is best chamber ceo in the keys |
| MAR CofC | Flood insurance rates |
| MAR CofC | Healthcare |
| MAR CofC | Healthcare's |
| MAR CofC | Improved healthcare facilities |
| MAR CofC | Kill Keys Disease |
| MAR CofC | Legalized gambling |
| MAR CofC | Less vacation rentals |
| MAR CofC | Quality affordable healthcare |
| MAR CofC | Senior care |
| MAR CofC | Teacher pay |
| MAR CofC | Top quality teachers |
| MAR CofC | Trash clean-up on roads and shoreline |
| MAR Rtry | Better control on vacation rentals |
| MAR Rtry | Better coordination of cleanup effort supposed to storm And federal and state authorities who pay |
| MAR Rtry | Better post storm readiness |
| MAR Rtry | Build on roads that go to nowhere |
| MAR Rtry | Family friendly activities |
| MAR Rtry | Flood insurance |
| MAR Rtry | Flood, corridor beautification |
| MAR Rtry | Medical services Flood insurance |
| MAR Rtry | Sea level rise |
| MAR Rtry | Toll on US 1. |
| MAR Rtry | Vacation rental controls Better public transportation Clean |
| Middle Keys | my no 4 would would be rein in spending |
| Middle Keys | A decent size hospital with a surgical facility, cardiology, diagnostic imaging capabilities and physical therapy. Community centers for residents. |
| Middle Keys | A public pool for the Middle Keys. |
| Middle Keys | A toll on US1 for non-locals. |
| Middle Keys | Advertising |
| Middle Keys | Affordable Busses from Miami through KW |
| Middle Keys | Affordable Housing!!!! |
| Middle Keys | All of the above choices! |
| Middle Keys | allowing big box retailers to come in to the middle keys |
| Middle Keys | Allowing new growth while maintaining the keys feel. |
| Middle Keys | Attracting more businesses |
| Middle Keys | Banning single use plastic items like plastic straws and plastic bags. |
| Middle Keys | Beautification. Too much of the Keys, outside of Key West and Islamorada, is pathetically unattractive at ground level. |

| | |
|-------------|--|
| Middle Keys | Better maintenance of public cutting of grassy area/ shrubbery . More police presence on us 1, re: speeding & traffic offenses |
| Middle Keys | Better places for our kids to go activities |
| Middle Keys | Better Policing of vacation rental home noise and disturbance |
| Middle Keys | Better school security! Community pool for Middle Keys. |
| Middle Keys | better weed control and other invasive plant and animal removal |
| Middle Keys | boating control, boat ramps on the ocean side (middle keys) |
| Middle Keys | CBD, one of the more than 100 chemicals in cannabis, is emerging as a popular wellness ingredient, allow it to be sold in the Keys. |
| Middle Keys | Clamp down on illegal rentals |
| Middle Keys | control flood insurance rates, updating or cleaning existing infrastructure |
| Middle Keys | Coral reef protection |
| Middle Keys | Coral restoration/Mitigating environmental impacts (these should be top priorities) |
| Middle Keys | Elevate the roads |
| Middle Keys | Enforced conservation efforts for residential and businesses. |
| Middle Keys | Environmental concerns like reef restoration, water pollution, and flooding |
| Middle Keys | Environmental protection |
| Middle Keys | Environmentally friendly building codes. We should be leading the state in implementing solar options, wind generated power, and recycling |
| Middle Keys | Family affordable restaurants with a better choice of menu |
| Middle Keys | Family entertainment venues |
| Middle Keys | Freedom from government intrusion |
| Middle Keys | Get hospital rebuilt fast |
| Middle Keys | Grocery store price gauging. |
| Middle Keys | Have stronger consequences for poachers. Start taking vehicle, boat, etc if used during a severe offense. |
| Middle Keys | hospital care |
| Middle Keys | Hospital oversight |
| Middle Keys | Housing for the year round resident and their family. |
| Middle Keys | Housing in that it appears that most is controlled by investors and developers need more locals in control and with that wages |
| Middle Keys | Hurricane preparedness |
| Middle Keys | I would like the County to address the day trippers from the mainland who use the road sides (i.e. the fills, at Duck Key, etc.) as recreation areas. |
| Middle Keys | I'd add a fourth from your list : water quality |
| Middle Keys | Improve public access to the water |
| Middle Keys | Improving parks and recreation activities for both youth and adults. |
| Middle Keys | Improving the vacation rental inspection process |
| Middle Keys | Infrastructure rebuilding and strengthening rebuild a new up to date hospital with more specialists of doctors so older folks do not need to go to the |
| Middle Keys | Investment in social services and cultural programs. |
| Middle Keys | Keeping green space..not over development. |
| Middle Keys | Law enforcement on us1. |

| | |
|-------------|--|
| Middle Keys | Law enforcement. |
| Middle Keys | Less development |
| Middle Keys | Less signage on the sides of the road. Makes traffic impossible to see. |
| Middle Keys | Limit the amount of people allowed into the keys at one. STOP the motorcycle, walks, runs and bicycle events on US !!!! |
| Middle Keys | Limited vacation rentals |
| Middle Keys | Local control of vacation rentals |
| Middle Keys | Local reliable public transportation |
| Middle Keys | Lower taxes |
| Middle Keys | Lower taxes |
| Middle Keys | Maintain a clean environment, it is embarrassing to see the trash along US 1 |
| Middle Keys | Make it easier for locals to build/buy home. Families need houses, not just apartments. |
| Middle Keys | Make sure we dont get hit with the same environmental catastrophes as the coasts and resRICT traffic on us 1 |
| Middle Keys | Medical services |
| Middle Keys | Mitigating impacts from day trippers. |
| Middle Keys | money for the workers !!!!! |
| Middle Keys | Monroe County taxes should not be used to pay for politicians' personal (and families) health insurance or pensions. |
| Middle Keys | More compliance ownership FWP, monroe county police staff |
| Middle Keys | More focus on protecting our natural environment - land and water. |
| Middle Keys | More funding for schools and police |
| Middle Keys | More helpful building department. |
| Middle Keys | More law enforcement, security at our parks etc. |
| Middle Keys | More stringent consequences for those breaking the laws- over/ illegal fishing. Clean up dilapidated properties. |
| Middle Keys | More supervision of Sombrero Beach, re; loitering, trash etc |
| Middle Keys | Morphing tourism to a more upscale or eco focus |
| Middle Keys | N |
| Middle Keys | N/A |
| Middle Keys | Need for TDC |
| Middle Keys | Need new people in commission seats |
| Middle Keys | nothing I can think of |
| Middle Keys | Nothing! That's a good list. :) |
| Middle Keys | Overbuilding |
| Middle Keys | parks and beaches - kayak launch, facilities for locals and tourists to enjoy |
| Middle Keys | Pool |
| Middle Keys | preventing further light pollution at night, this could be a new tourist growth industry here in the Keys |
| Middle Keys | Promoting better business by NOT running off annual events. Either by refusing permitting or out pricing permits to attempt to collect more revenue. |
| Middle Keys | Property Tax break for landlords who rent properties to long-term residents/workforce. |
| Middle Keys | Protecting Natural Environment |

| | |
|-------------|---|
| Middle Keys | Protecting our unique ecosystem (coral reefs, Key Deer, etc) |
| Middle Keys | Reducing traffic by building parking garages and providing public transportation |
| Middle Keys | Reducing vacation rentals. |
| Middle Keys | Reef restoration. I am disappointed this is not even listed. |
| Middle Keys | Reiterate housing. If rents keep skyrocketing while housing is not available, no one will live here to staff the places that wealthy tourists enjoy |
| Middle Keys | Require every resident to take responsibility for the damage their noise, trash and "stuff" causes others. |
| Middle Keys | Restrict the number of vacation rentals |
| Middle Keys | Restrictions on vacation rental properties |
| Middle Keys | Safety in community and better boat ramps |
| Middle Keys | School safety |
| Middle Keys | Seems complete. |
| Middle Keys | Sponge condos on private docks to attract fish and filter the water |
| Middle Keys | Stop the corruption in our local governments. |
| Middle Keys | Toll on us1 |
| Middle Keys | Tougher restrictions on county commissioners and refusing to allow them to vote for or against anything that would affect their own personal business |
| Middle Keys | Tourist education. |
| Middle Keys | Unsafe homes should not be tolerated. |
| Middle Keys | wage that corresponds to cost of living |
| Middle Keys | When affordable housing is considered, it should actually be affordable. \$2100 a month for a small apartment plus utilities is NOT affordable. |
| Middle Keys | Work with DOT to enforce traffic laws such as no parking on the sides of US one |
| Middle Keys | You have it covered! |
| Middle Keys | Youth programs to keep our children off the streets. |
| SSPOA | Affordable health insurance rates comparable to Miami. |
| SSPOA | Air pollution |
| SSPOA | Bike trail |
| SSPOA | Bike trail |
| SSPOA | Complete bicycle trails |
| | Maintain current density |
| SSPOA | Decrease tourists, cruise ships, and especially stop funding the tourist development council. |
| SSPOA | Improved lower keys shuttle |
| SSPOA | Improved school ranking. |
| SSPOA | More educational emphasis and spend on k-12 |
| SSPOA | More law enforcement Mental health services Public transportation |
| SSPOA | More senior facilities Iguana eradication |
| SSPOA | Protecting our waters |
| SSPOA | Protecting the environment |

| | |
|-------|--|
| SSPOA | Public transportation |
| SSPOA | Public transportation |
| SSPOA | Security |
| SSPOA | Short term rental enforcement to enable resident housing |
| Staff | affordable housing - more of it. |
| Staff | Affordable housing and Public Transportation |
| Staff | Affordable Housing: Hire a professional Housing Planner, fund them, and support them. |
| Staff | better fire/ems protection |
| Staff | better public transportation to reduce traffic |
| Staff | better trash collection, neighborhood codes for storage of vehicles, boats, traps, etc. restricted areas for transients public Lottering. |
| Staff | Buy land, marinas, submerged land to improve and preserve boating access in the Keys for the average citizen. |
| Staff | Cannot think of a valuable service not provided |
| Staff | Can't think of anything at the moment |
| Staff | charge a toll on Jewfish creek bridge, this would add money to the county coffers so we could continue to improve and upgrade services. |
| Staff | Child care, senior care and homeless situation. |
| Staff | Children. There is not much here for the children. |
| Staff | COLLEGE OR CERTIFICATE PROGRAMS DESIGNED TO ENABLE LOCALS TO PROSPER IN THE LOCAL ECONOMY |
| Staff | Communication with the public and the employees |
| Staff | community center for children in the Lower Keys area no activities for children. |
| Staff | Community gardens in County parks |
| Staff | Community swimming pools? More boat ramps to access our beautiful waters. |
| Staff | County parks. Compared to other areas, the county parks are really lacking. Its obvious by the fact that we don't have a Parks Dept. |
| Staff | Diversifying the local economy beyond tourism and fishing activities. |
| Staff | Economic development |
| Staff | educate community about water issues |
| Staff | Education to the ever changing public on Keys issues like cost of living, storm risks, |
| Staff | Encouraging reduced carbon emissions, sustainability & growth management are too complicated to address with this limitation on number of characters. |
| Staff | Existing facility renovation - too many of our existing facilities are old, outdated, and in need to rehab. |
| Staff | Family friendly resources. A community center or something similar in a centralized area that is accessible to all. Something like Bernstein, in town. |
| Staff | Federal grant programs. The county is not applying for as many federal and state programs as are available. |
| Staff | First Time Home owners program |
| Staff | Flooding prevention. |
| Staff | free boat ramp access for locals in key largo |
| Staff | Homeless program |

| | |
|-------|---|
| Staff | Homeless shelter and services. |
| Staff | HOUSING |
| Staff | Housing Authority can assist in securing MODERATE INCOME (not only low) workforce rental units. Law enforcement, teachers, County worker rentals. |
| Staff | How about a COLA to keep our employees in our community. No money from these employees is spent in our community, housing, food, gas, taxes etc |
| Staff | I think the county is doing what it can with what is has been alerted to. Anything still pending, has fixes in the works or, is at least on the radar |
| Staff | If a service should be expanded I think it should be to constrain tourism to prevent degradation of keys infrastructure and services. |
| Staff | Illegal dumping |
| Staff | in a perfect world, a community swimming pool / swim center in the Lower Keys would be nice but probably not feasible |
| Staff | in addition to advocating for fair insurance rates, advocate for insurance companies timely compliance with fair claim resolution |
| Staff | Increase pay for employments. |
| Staff | Inter facility ground transport from community hospitals to specialized facilities in Miami |
| Staff | Its own facilities buildings. Money is spent on parks rather than the facilities that service them. |
| Staff | job training and schooling |
| Staff | just form working at the jail, i believe it should be on the high list to update the jail to almost state of the art equipment with the jail being 24 |
| Staff | Light rail transportation to and from the mainland. |
| Staff | Limit population growth |
| Staff | Low income Housing |
| Staff | More community engagement |
| Staff | More community projects; better libraries, enhanced parks, community centers, outdoor gyms |
| Staff | More modes of public transportation to get cars off the highway |
| Staff | More money to clean up what we have polluted. |
| Staff | More public transportation options to lessen traffic |
| Staff | more resource protection/protected areas |
| Staff | More services/activities/facilities for YOUTH. |
| Staff | More youth programs and activities for our kids. There needs to be some indoor places for kids to hang out without getting into trouble. |
| Staff | Online voting for resolutions, grants assistance and partnership coordination for residents, aquatic habitat creation (paid by scuba and fishing) |
| Staff | Opening up closed canals |
| Staff | Over building and overselling of The Florida Keys |
| Staff | parks and beaches |
| Staff | Parks and recreation |
| Staff | Porvide ground inter facility ground ambulance transport to special resource centers. This will also generate a postive revenue stream for the County |

| | |
|-------|---|
| Staff | Preventing the county from becoming Martha's Vineyard |
| Staff | promoting the arts |
| Staff | Public bus transportation |
| Staff | Public Pools. Upper Keys has 2 (Key Largo and Islamorada). Middle and Lower Keys need public pools |
| Staff | Public safety |
| Staff | Public safety retention, resources and service level issues |
| Staff | Rectify the homeless shelter issue. |
| Staff | Reginal Hazardous Materials Team and Specialty Rescue Team |
| Staff | Rent control for all unincorporated areas of the Keys. |
| Staff | Resource allocation is the function of a Democratic Commission, not my individual belief. Government based on an individual belief is a dictatorship. |
| Staff | Road enhancements. Too many accidents causing too many major jams in our mostly two-lane highway system. Including US1 from the mainland to Key Largo |
| Staff | Roads |
| Staff | Sea Level Rise and Sustainability |
| Staff | Second library location. |
| Staff | Service, educational & recreational activities for kids (age 6 to 16) after school. |
| Staff | Social Services for children up to the age of 18 |
| Staff | Technological innovation programs, to encourage ideas towards using technology in new ways (as a community of knowledge). Offer classes, speakers, etc |
| Staff | The county is not proactive enough in sharing information with the community. There is a shocking amount of misinformation shared between members. |
| Staff | The EOC project needs to be completed. This is a crucial part of our infrastructure that is missing. |
| Staff | the Public Library system |
| Staff | There isn't enough code enforcement |
| Staff | toll for all southbound traffic coming into the Keys. |
| Staff | toll should be added to us1 to pay for merit based employee raises. |
| Staff | transportation |
| Staff | Triple property taxes for Monroe Co. homeowners who do not work/volunteer for (8-12 mos) a business or in the county. Helps workforce housing issue. |
| Staff | TRUE RECREATION ORGANIZATION - NOT A PARKS DEPARTMENT BUT AN ORGANIZATION THAT RUNS RECREATION PROGRAMS FOR RESIDENTS (PROBABLY MOSTLY FOR YOUTH) |
| Staff | Two programs should be ended for every new one started |
| Staff | water quality protection |
| Staff | Water safety and swimming lessons for our children. We need more public pools. |
| Staff | We could really do with better public transit. |
| Staff | We live on an island with very limited boating access . Need upper keys water access. Let the voters decide if there should be a boat ramp at Rowells. |

| | |
|-----------|--|
| Staff | Working waterfront |
| Sunset | Ban plastic bags |
| Sunset | Four lane all of US 1 |
| Sunset | Four lane all of US1 |
| Sunset | Free booze |
| Sunset | funding for additional law enforcement presence |
| Sunset | Increase salaries for teachers and law enforcement officers, even if it means raising taxes. |
| Sunset | Increasing tourism |
| Sunset | Making 7 mile bridge No Passing |
| Sunset | Quality healthcare Better pay for teachers and police |
| Sunset | Sea level rise |
| TCA | Code compliance staff needs to be increased |
| TCA | Light control |
| TCA | More ocean public Access. More open space |
| TCA | Noise control Too many mainlanders abusing our county - reckless driving, leaving trash, etc |
| TCA | Rowell waterfront park completed Sign & code enforcement US 1 corridor improved and maintained |
| TCA | Rowells Marina |
| TCA | Rowells Marina (w/ boat ramp) Attract/ recruit non tourist service based business-professional wage |
| UK Rotary | A US1 TOLL BOOTH |
| UK Rotary | Affordable housing |
| UK Rotary | Ban plastic |
| UK Rotary | Better permitting |
| UK Rotary | Changes to mini-season |
| UK Rotary | Community Character |
| UK Rotary | Duplication of services |
| UK Rotary | EnvironmentL protection |
| UK Rotary | Get rid of mini season |
| UK Rotary | Get rid of plantings in medians |
| UK Rotary | Get your act together |
| UK Rotary | Legal downstairs |
| UK Rotary | Less government regulations. Evaluate balance of tourism/TDC activities |
| UK Rotary | Mini season |
| UK Rotary | More FWV |
| UK Rotary | No mini season |
| UK Rotary | No plastic straws |
| UK Rotary | Perks for residents |
| UK Rotary | Ptroection of bays/ocean/reefs |
| UK Rotary | Pubic transportation |
| UK Rotary | Public transport |

| | |
|------------|---|
| UK Rotary | Public transportation Traffic/bridges |
| UK Rotary | Toll road |
| UK Rotary | We have a county that 11 months after Irma still has not issued permits to rebuild. Must get your ac |
| Upper Keys | 49 Buttonwood Drive |
| Upper Keys | A greater sense of community outreach. |
| Upper Keys | A toll of out of keys people |
| Upper Keys | A toll to enter the archipelago for non residents could be assessed for mitigation of problems driven by tourism and at the same time lower traffic |
| Upper Keys | Add a toll to the stretch |
| Upper Keys | Add more Traffic control lights on US 1 |
| Upper Keys | Affordable work force housing |
| Upper Keys | All County infrastructure meaning roads, bridges, government buildings constructed with sea level in mind. |
| Upper Keys | All of the above are priority issues. Equally important. |
| Upper Keys | Alloted space and support for more marinas and boat storage. |
| Upper Keys | Alternative ways for tourists to get to the Middle Keys and Key West. Flights, ferries. It's ridiculous for those of us in the Upper Keys traffic. |
| Upper Keys | Alternative ways to enter the Keys (ferry, airport) |
| Upper Keys | An array of mental health help / drug use/ alcohol use/ ect.. for those struggling or for those that have lost all coping skills. |
| Upper Keys | Assisting older residents with hardening their trailers. At 75 and retired how could i qualify for a \$300,000 morthage to build a new house? |
| Upper Keys | Ban plastic grocery bags and stop people from loitering and swimming at the Indian key fills and bridges |
| Upper Keys | Banning plastic bag and other single-use plastics. Seashore cleanup. |
| Upper Keys | beach replenishment. |
| Upper Keys | Beautification |
| Upper Keys | Beautification |
| Upper Keys | Beautification of US 1 and the businesses/homes located alongside. This is a visitor's first impression of the Keys and it's very unattractive. |
| Upper Keys | Beautify US1 in the Upper Keys, have US 1 trash pick up a part of normal city services. |
| Upper Keys | Believe all concerns are covered. |
| Upper Keys | Better care of natural resources. County owned and private lots with natural hardwood hammocks and mangroves are full of trash, feral cats, and are illegally being cleared. Fish scraps, balloons, and fertilizers are allowed in near shore waters. |
| Upper Keys | Better cell service! |
| Upper Keys | Better insurance & property tax rates. |
| Upper Keys | Better mosquito control |
| Upper Keys | Better pay for Deputies and teachers. |
| Upper Keys | Better policing on the highways. Drivers drive to fast. |

| | |
|------------|---|
| Upper Keys | Better process for storm clean ups. Don't make small private communities wait for well over a month to get debris pickups. We pay property taxes to |
| Upper Keys | Better road maintenance for neighboring street |
| Upper Keys | Better roads |
| Upper Keys | Better schools. |
| Upper Keys | Better wages to support locals vs busting in slave labor |
| Upper Keys | Building code and other ordinances need to be updated. They do not address Airbnb as the longtime residence would like they cater to the new crowd |
| Upper Keys | Buyout program for residences/properties with a high risk of inundation |
| Upper Keys | Can't think of anything |
| Upper Keys | Can't think of anything as of for now |
| Upper Keys | Canals need clean water |
| Upper Keys | Canals, Reefs, need activities/centers/bowling alleys/indoor playgrounds and entertainment for children! |
| Upper Keys | Cap on tourism |
| Upper Keys | Clean fresh water discharge into the bay |
| Upper Keys | Clean streets and roads and beautification |
| Upper Keys | Clean Up of Litter |
| Upper Keys | Clean up of mangroves and wooded areas. |
| Upper Keys | Clean up US 1...too much trashy businesses, junk on US 1 and no curb appeal when driving down US 1 |
| Upper Keys | Cleaning up the US 1 corridor so it improves the initial appearance when you arrive in the keys. |
| Upper Keys | Closing the reef to all commercial business |
| Upper Keys | Code enforcement |
| Upper Keys | Codes governing Esthetics of new construction. Uniform styling. A good example is the city of Coral gables FL. |
| Upper Keys | Communicate better with residents about issues that concern them |
| Upper Keys | Community events and outreach. Such a unique island community should focus more on the arts and community and welcome the 'local' atmosphere. |
| Upper Keys | Conservation enforcement |
| Upper Keys | Conservation of land and natural resources |
| Upper Keys | Conservation of lands for animals. |
| Upper Keys | consider broadband Internet connectivity as a vital utility and provide a reliable and affordable public option for Internet access |
| Upper Keys | Continued school excellence, support of school staff |
| Upper Keys | Controlling sign "pollution" especially large billboards |
| Upper Keys | County counsel more selective about spending |
| Upper Keys | Crime prevention |
| Upper Keys | Crime prevention. |
| Upper Keys | Decrease number of transient units. |
| Upper Keys | Delete the US1 traffic; the county does not overrule DOT which controls it. |

| | |
|------------|--|
| Upper Keys | Develop and implement across all agencies comprehensive sustainable tourism plan. Develop and implement comprehensive climate change mitigation plan. |
| Upper Keys | Diversify economy |
| Upper Keys | Don't know |
| Upper Keys | Downsizing local government |
| Upper Keys | Drug treatment and prevention |
| Upper Keys | Educate residents about the environment |
| Upper Keys | Education |
| Upper Keys | Elimination of non eco friendly things such as: jet ski use (ie noise pollution and wildlife disturbance), elimination of mini lobster season, |
| Upper Keys | Emergency response plan improvements Road raising and flooding control (which may be part of your building for resiliency) |
| Upper Keys | Emergency response to major events |
| Upper Keys | Employer incentives for maintaining local workforce. |
| Upper Keys | Encourage Local owned business, not national chain stores |
| Upper Keys | Encourage underground power lines |
| Upper Keys | Ending unnecessary tourist generating activities that destroy our quality of life and add to traffic issues and trash such as Lobster Mini-season. |
| Upper Keys | Enforcement of code violations |
| Upper Keys | Enforcement of environmental protection laws |
| Upper Keys | Enforcement of illegal vacation rentals that are driving up real estate costs. |
| Upper Keys | Ensuring the Keys do not turn into an ultra rich vacation home playground like the Hamptons. |
| Upper Keys | Environmental initiatives: reduce pollution, increased coastal clean ups, public interest is there but we need the coordination. |
| Upper Keys | Environmental issues such as cleaning up the Keys, litter, pollution, etc. |
| Upper Keys | Environmental issues. |
| Upper Keys | environmental protection and wildlife conservation |
| Upper Keys | Environmental Protection Pollution Control. |
| Upper Keys | Environmental protections |
| Upper Keys | Expanded recycling programs to include plastic bags. |
| Upper Keys | Family orientated things to do for local residents. |
| Upper Keys | Flood insurance rates |
| Upper Keys | Focus on giving a future to kids of current residents. Most kids leave for the lack of housing and opportunity. |
| Upper Keys | Focus on sustainable energy and zero waste. County-wide composting. |
| Upper Keys | FOLLOWING THROUGH. |
| Upper Keys | Getting rid of non licensed contractors |
| Upper Keys | Giving our law enforcement salary to survive |

| | |
|------------|--|
| Upper Keys | Green Space preservation |
| Upper Keys | Green spaces & recreation areas. |
| Upper Keys | High quality public schools |
| Upper Keys | Higher living wage for increasingly higher rent and living costs. |
| Upper Keys | Highway beautification |
| Upper Keys | Hire more traffic patrols to deal with the crazy traffic |
| Upper Keys | Housing for the local workforce should come first |
| Upper Keys | Housing for workforce |
| Upper Keys | Hwy crossover pedestrian bridges |
| Upper Keys | I think the list of priorities provided above cover all areas. |
| Upper Keys | I think we have to create compromise between code enforcements and recognition of the biggest industry down here which is tourism and weddings. |
| Upper Keys | I think you've encapsulated them. Traffic is really an issue in the Middle to Upper Keys, especially weekend in/out traffic. |
| Upper Keys | I would like to see Monroe County spend a little more on community outreach instead of in-house bickering. |
| Upper Keys | Iguana control |
| Upper Keys | illegal short term rentals,even legal kept to minimum |
| Upper Keys | Immigration enforcement. |
| Upper Keys | Improve clean-up of poorly maintained properties where junk and refuse has been allowed to accumulate. |
| Upper Keys | Improve governmental processes for local businesses allowing them a better chance of success. Building permits, signage, right of ways, etc are very d |
| Upper Keys | improve school standards |
| Upper Keys | Improve the permitting process |
| Upper Keys | Increase County owned and managed water access, expanded boat ramps and parks. |
| Upper Keys | Increase law enforcement presence on the water. |
| Upper Keys | Increase Marine Patrol FWC officers/equipment/penalties and fines. |
| Upper Keys | increase parks |
| Upper Keys | increase upper keys specifically key largo as more tourism base and destination not just a pass through to islamorada and key west. |
| Upper Keys | Indoor recreation like basketball and pickleball courts. |
| Upper Keys | Investigate building inspectors committing fraud. |
| Upper Keys | Involving state and federal governments in the recovery process after storms such as Irma. We think both the state and federal government failed. |
| Upper Keys | Keep 35 ft maximum height |
| Upper Keys | Keeping our community safe. |
| Upper Keys | lack of access to clean safe water front areas; lack of planned parks (Rowell's, etc.); |
| Upper Keys | Land environment (exotics, litter, erosion, etc.) |
| Upper Keys | Less development by chains and more robust assistance/help for independent businesses |
| Upper Keys | Less government |
| Upper Keys | Less regulations! |
| Upper Keys | Limit tourist parking. Keep tourist parking away from areas with trees and grass |

| | |
|------------|--|
| Upper Keys | Limit vacationaries that are temporary. Less than 30 days rentals. |
| Upper Keys | Litter |
| Upper Keys | Litter control. |
| Upper Keys | Litter! It's unsightly and can easily be deterred with fines and enforcement. |
| Upper Keys | Liveable wages and long term employment opportunities |
| Upper Keys | Local public transportation only for the Keys. |
| Upper Keys | Lowering fees for rebuild / building homes. |
| Upper Keys | Make affordable housing truly affordable |
| Upper Keys | Managed recreation areas. |
| Upper Keys | Managing the health of the reef. |
| Upper Keys | Mandatory recycling |
| Upper Keys | Mandatory recycling & eco-friendly support groups & projects & to encourage & educate locals in this field. |
| Upper Keys | Mass transit (relative to both environmental factors and traffic on US 1) |
| Upper Keys | more access to the water |
| Upper Keys | More affordable businesses for locals such as shopping and restaurants (upper keys only have Kmart and bealls? Less than ten options for fast food?) |
| Upper Keys | More attentive support for the elderly; compassionate care. |
| Upper Keys | More community programs |
| Upper Keys | More concern for our environment |
| Upper Keys | More Healthcare options |
| Upper Keys | More Law Enforcement of our surrounding waters. |
| Upper Keys | More nightlife/attractions/fun activities within the keys |
| Upper Keys | More open parks Rec areas |
| Upper Keys | More parks and better park maintenance. Increase senior citizen services and community activities. Lower the cost of drinking water. |
| Upper Keys | More pay for County workers!!!! |
| Upper Keys | More services for the homeless |
| Upper Keys | More things to do, for example, bowling, ice skating, more things for teens |
| Upper Keys | N/A |
| Upper Keys | N/a |
| Upper Keys | Na |
| Upper Keys | No hungry children |
| Upper Keys | No more 2 day lobster season. Just open the same every year and if it falls on a weekend, great. Limit personal water craft to certain areas. |
| Upper Keys | No more franchises! |
| Upper Keys | nothing but all the above are important. |
| Upper Keys | Nothing new. I would like to see the list get narrowed and more focused. |
| Upper Keys | Open to visitors. |

| | |
|------------|--|
| Upper Keys | Opening existing access to the water, such as boat ramps |
| Upper Keys | Opportunities for all residents to be employed by the county; relocate government to marathon/middle keys. |
| Upper Keys | Our environment |
| Upper Keys | Our natural beauty and ecosystem needs to be another top priority, limiting the advertising to encourage tourism would be a great start. |
| Upper Keys | Pay equity. Let's face the truth, the disconnect between pay & housing wrecks the life here for everyone, including our part timers & tourists. |
| Upper Keys | Pay rates for jobs |
| Upper Keys | Planning for water level rise. |
| Upper Keys | Please ban sunscreens that hurt the reef and single use plastics |
| Upper Keys | Police and fire safety |
| Upper Keys | policing and enforcing the current policies that are in effect to protect the Keys environment. |
| Upper Keys | Preparing for the longevity of the Keys. Thinking of ways to prepare for climate change and rising sea levels. |
| Upper Keys | Preserve and enhance all "quality of life" issues" for citizens presently living in the Keys. |
| Upper Keys | Preserving the integrity of our reefs and ocean |
| Upper Keys | preventing residents from renting their houses for short term rentals |
| Upper Keys | Prompt hurricane recovery. |
| Upper Keys | Property taxes not raised |
| Upper Keys | Protect natural resources and increase penalties for violators |
| Upper Keys | Protect our waters |
| Upper Keys | Protecting historical districts! |
| Upper Keys | Protecting our environment and providing more community outdoor recreational space. Not like that dead piece of land at the old Rowell's. Nice places. |
| Upper Keys | Protection of Habitat, particularly as a result of poor regulation of development. |
| Upper Keys | Providing better life safety should be number 1 on everyone's list. Police and Fire need to be compensated accordingly to have a better workforce!! |
| Upper Keys | Providing more free or fee areas for tourist to enjoy our islands |
| Upper Keys | Public awareness campaign for tourists and visitors about polluting our roads and waters |
| Upper Keys | Public boat ramps. Open all day and night. |
| Upper Keys | Public transportation |
| Upper Keys | Public transportation |
| Upper Keys | Public transportation |
| Upper Keys | public transportation - trolley system for tourism |
| Upper Keys | public transportation, taxi and buses for non-elderly or to widen scope of times for elderly |
| Upper Keys | Public use areas, aka not the roadsides. |
| Upper Keys | Public use areas, boat ramps. |
| Upper Keys | Raising incomes at the same time capping rental prices! (Prices are getting out of control yet myincime isn't growing..) |

| | |
|------------|--|
| Upper Keys | Raising the road level in flood prone neighborhoods (i.e, Stillwright Point and Twin Lakes).Building for resiliency probably falls into this category. |
| Upper Keys | Rebuilding/opening beaches and parks after Irma ex:Anne's beach |
| Upper Keys | Recreation areas for tourists. |
| Upper Keys | Reduction of signage. |
| Upper Keys | reef preservation |
| Upper Keys | Restrictions on architectural designs that must fit into local inspired design and culture. |
| Upper Keys | road transport infrastructure |
| Upper Keys | Rowell's Park |
| Upper Keys | Safety for our schools |
| Upper Keys | School safety |
| Upper Keys | Schools and kids, finding out what they need the most |
| Upper Keys | schools |
| | solar & wind energy |
| Upper Keys | Sea level rise, sustainable energy |
| Upper Keys | Sea level rising |
| Upper Keys | Severe penalties for FWC infractions |
| Upper Keys | Shopping of a better quality |
| Upper Keys | Slowing the traffic down. |
| Upper Keys | Smaller sheriff's office. Overabundance of on-duty sheriff's stuffing the coffers with traffic tickets, air-bnb infractions and noise violations |
| Upper Keys | Solar panel subsidy, green space for allotments/ locally sourced food, proper affordable housing, lead way on plastics and water quality. |
| Upper Keys | Solve the traffic, which is hard - utilities we can force on the vendors |
| Upper Keys | stick with the list you have it is really good , just add-- step up code enforcement |
| Upper Keys | Stop building affordable and workforce housing projects. They are a scam and insane. |
| Upper Keys | Stop commercial event/wedding homes operating in residential neighborhoods, look into protecting Key Largo bayside water quality from C-111 dumping |
| Upper Keys | Stop event destinations in residential neighborhoods, look into protecting Key Largo water quality from C-111 dumping. |
| Upper Keys | stop legal epa dumping into shore waters |
| Upper Keys | stop letting business in and let people in |
| Upper Keys | stop the building in areas that will be a problem in storms and high water |
| Upper Keys | Stop the bussing in of mainlanders |
| Upper Keys | Stopping the illegal rentals. Stopping mini season. |
| Upper Keys | Stopping the influx of drugs, theft and illegal fishing. Add many more FWC officers and increase their pay. |
| Upper Keys | Supporting the creation of a national catastrophe fund. |
| Upper Keys | Taking care of our reefs |
| Upper Keys | Term limits |
| Upper Keys | Toll for visitors. |

| | |
|------------|--|
| Upper Keys | Tolls |
| Upper Keys | Tourism limits, offshore water quality, trashy "sand bar" type location limits. |
| Upper Keys | Traffic control |
| Upper Keys | Traffic control on the stretch and a toll to get in the Keys for non-residents (residents have a pass that they have that lets them pass). |
| Upper Keys | Traffic on US 1 and Road safety, better assistance for homeless to help themselves off the streets, |
| Upper Keys | Traffic on US 1 should be the priority. |
| Upper Keys | Using open space to create passive parks. Establish more areas, especially along US1 that are beautiful and useful to residents and visitors. |
| Upper Keys | Utilizing our natural resources of wind, solar and tides. |
| Upper Keys | Wages consistent with cost of living |
| Upper Keys | Water Quality, Affordable workforce housing. |
| Upper Keys | Water quality, over crowding, over building, density, stop mini season |
| Upper Keys | Water sport control by additional policing officials and more Bouyâ€™s around the Flats of The Keys |
| Upper Keys | We need to advertise nationally the Keys are Fine, No red tide here. |
| Upper Keys | weekly home/house rentals |
| Upper Keys | Where are the questions about protection of the environment.... need to save the coral reefs. |
| Upper Keys | Work force housing provided by largest employers. This should not be Monroe county problem. They all provided housing even in the sixties. Or pay more |
| Upper Keys | Work on limiting impact of states water run off deteriorating the fishing and reefs. Plan for increasing water levels. |
| Upper Keys | Would like to see more places for seniors to live. |
| Zonta | Better code enforcement of vacant properties |
| Zonta | Better health care options |
| Zonta | Better healthcare options |
| Zonta | Better schools, better/more children recreational activities, less traffic, lower insurance rates |
| Zonta | Environmental protection enforcement |
| Zonta | Great schools and safe family neighborhoods |
| Zonta | Hospital, more teachers for preschoolers , senior services, |
| Zonta | Need for better health care |
| Zonta | Propert Taxes |
| Zonta | Raises for law enforcement officers |
| Zonta | Trades Education (staffing to rebuild) contractors |
| Zonta | Victim crisis services |
| Zonta | Vocational & Technical Education, More Mental Health Services |
| Zonta | Wildlife |

Recommended Improvements for Monroe County Operations

Complete List of Responses

When asked "What do you feel Monroe County could do better?":

A more modern approach to communication with citizens. Younger citizens (ie, 28-35) expect transparency and ease of information about what's going on.

Accept the 300 state offered affordable units

Accessible BOCC meetings and committee meetings in the evening to allow working citizens to attend

"Accommodate to the locals better. We need better prices on everything, and not outsourcing jobs from Miami. Also, we need better healthcare options."

Act as a connector between 4 dissimilar communities. People in KW don't feel any connection to Monroe County except when they are paying taxes.

Act together without splinter groups - KW gets preferential treatment with funding and attention. The middle class throughout the Keys is forgotten.

actual enforcement of laws to protect the environment-not look the other way because someone is influential (has wealth) when homeowner violates laws

Actually follow through with proposed policies for creating REAL affordable housing and for mitigating environmental impacts of large developments.

Actually read and enforce the LKLC. This document was prepared in a coordinated effort between growth management and residents as the comprehensive bible. It took years and millions of dollars to complete. It is being ignored and trampled.

Actually solve problems

Additional permitting intake staff

Address climate engineering

Address one or the other- pay equity or housing. Either employers pay a living wage, or Govt will have to help with housing.

Address preparations for sea level rise

addressing the affordable housing issue, until this is properly addressed, we will not have the quality of life we should have

Adhere to rules and codes set in place by nationally required codes and stop giving bubba approvals

Affordable housing

Affordable housing and traffic clearing for US1

Affordable housing and traffic; too many accidents closing down US 1 on what seems like an almost daily basis.

Affordable Housing!

Affordable housing, even if it means fewer hotels/guest houses. Traffic flow.

Affordable housing.

Affordable rent

Affordable workforce housing

After hurricane clean up

Aiding/prevention of homelessness.

Air Service to Marathon

Airports.

Allow alternative living situations: tiny homes, yurts, boats

Allow citizens greater ability to do what they wish with their own property.

Allow competing qualified companies to win contracts in the county

allow golf carts on the bike path.

Allow Home rentals for any duration. 30 days for Lower Matucumbe Residents do not have the same rental rights as up in Plantation Key.

Allow people to rebuild their homes without putting roadblocks up that make continued residency impossible

Almost everything

Assist with workforce housing projects as opposed to creating obstacles.

Attract diverse businesses so that we do not rely as heavily on tourism

attract quality tourists

balance between local and visitors needs

Balance tourism needs with the quality of life needs of Upper Keys residents (i.e. traffic on US1).

Ban leaf blowers

Ban Van from meetings

Banning plastic bag and other single-use plastics. Seashore cleanup.

Be as concerned and promote all of the Keys not just Key West!

Be fair to homeowners who sometimes rent

Be far more aggressive at limiting trashy developments by the common list of Bubbas which don't benefit everyone.

Be harder on poachers. More financial impact. It's out of control and depleting the natural resources for those who abide by the rules!

Be more accountable

Be more approachable and communicate better

Be more available in the community

Be more efficient in what you already do. Live within a balanced budget.

Be more equitable when monitoring building codes. We have seen developers obtaining permits to remove mangrove trees, etc. and stricter with homeowners

BE more flexible regarding environmental impact of small projects

Be more focused and open to out of the box thinking. As a new resident 3 years, it seems that the same people for the last 30+ and we need a change.

Be more interactive with residents. Ask for input. Listen to suggestions

Be more pro "local" and understand we are all just trying to make a living and provide a quality product

Be more proactive and less reactive to situations such as housing projects.

Be prepared ahead of Natural disasters for quick clean up.

Be responsive

Be user friendly especially in building and planning department

beach replenishment.

Beautification - there's sections of US 1 in Key Largo that are just trashy and the businesses don't care.

Beautification and health care options/encouragement. Its dangerous to have a health problem in the lower keys. Survival rate seems low.

Beautification of US 1 corridor

Beautify areas and make bridges safer by eliminating passing or erecting a barrier

Beautify US1 in the Upper Keys

Being environmentally aware of the future impacts on the water quality and quality of life here.

Better adherence to existing codes. Our representatives should make decisions based on the desires of the majority residents - not special interest.

Better adherence to existing codes. Our reps should be listening to everyone in MC, not just Key West.

Better advocate for residents of the Keys in Tallahassee. Streamline and help homeowners with the hurricane repair/rebuild process and not roadblock.

Better And Faster Social Media Presence

Better and more affordable housing

Better and more college classes

Better and more varied doctors for senior

Better auditing/financial management.

Better balance tourism with quality of life for residents.

Better balance vacation rentals and the availability of housing and services for year round residents

Better building inspection process

Better building permit process

Better care of the infrastructure and Have a plan in place for recovery of the waterways and canals, ahead of a storm.

Better code enforcement, protecting natural resources.

Better code enforcement , trashy homes

Better communication

"Better communication

Support of all residents"

Better communication regarding tax assessments (ie: hospital tax with no referendum..... his can that be?)

Better communication.

Better control on bicycle and pedestrian traffic

Better education

Better enforcement of no parking/no gathering regulations at areas taken over by day trippers with illegal picnics, etc.

Better Governance. Lack of planning for recovery and charging fees for rebuilding has been disgraceful.

Better hospital

Better information given faster to residents absent during storms

Better job welcoming visitors

Better lighting on Sombrero Beach Rd. Most street lights do not work. More policing of Sombrero Beach, vagrancy and littering fines

Better manage the current "overtourism" that is the root cause for traffic problems and workforce issues.

Better paved roads

Better pay for police officers

better permitting

Better resources/funding help for those in need.

Better response to the needs of our citizens.

Better responsiveness to residents'™ needs during and especially after a crisis. Help us get things repaired. Control price gouging.

Better road laws/enforcement.

Better road work

Better serve the community by providing quicker turn around times for permits especially after a hurricane.

Better signage for hotels and stores so traffic may not have to go so slow to find where they are going.

Better strategic coordination between County & municipalities

Better traffic control, especially throughout the Village of Islamorada, where traffic is always a nightmare

Better traffic enforcement and highway clean up

Better trained code officers

Better training for County Employees

Better UK commission representative and get rid of code enforcement

Better upkeep city owned areas

Better use of Rowell's Marina

Better water quality initiatives, such as cleaning up the existing landfills in the Florida Keys.

better/more housing options for the middle class

Bicycles, scooters, and pedestrians are a major hazard to themselves and others and only through law enforcement will that change.

Big one. Find alternate transportation to reduce traffic congestion.

Bike and pedestrian safety, affordable housing, shutting down illegal vacation rentals so that residents can rent instead.

Bike and transportation about town efficiently

bikers safety regulations

Billboards explaining fishing regulations and also our commitment to a trash free environment.

Bring in more business

Bring serious commercial airlines to Marathon airport

budget money better

Build affordable housing

"Build better bridges! Have stronger, more resilient communication platforms."

Building and permitting department is a mess. Permits take too long and the process is too complicated and often goes through unnecessary departments.

Building and permitting dept.

Building and zoning

Building code compliance as a whole is great. Hire some people with a little compassion and common sense when looking at residential properties

Building department permitting

Building department processes

Building department.

Building Dept needs overhaul

Building dept. is awful. Legal dept. over reaches & is bad for business. County cannot figure out appropriate eco-sensitive growth for our environment.

Building dept. permit process does not encourage locals to build. There should be an incentive to building a homestead.

Building Permit process

Building permit process

building permit process

Building permit process. Be transparent with the process. Treat the residents with respect, unlike Mary Wingate in Marathon.

Building/Zoning

Building/Zoning process!!!

buy more spaces for wildlife

calculate a median income & affordable housing rates that don't include outlier incomes of Ocean Reef property owners. PROTECT THE REEFS!

Can't think of much right now.

Care about all its people. I have seen so many good working people leave over the last 14 months, were was government when we lost our good workers

Care more about the people who work in the service industry.

Cater less to tourists, tourism is important but not at the cost of the islands soul

Challenge the wind and flood insurance rates that are being charged.

Child friendly spaces

Cite business and property owners who do not clean up litter and debris. Winn Dixie in tavernier and divers direct plazas are filthy.

Claim the Keys are open for business, yet run off tourists who decide to arrive on a motorcycle

"Clarity and consistency in the permitting process.

Developing a condemnation plan that leans towards preservation of homes."

Clean energy, Alternative transportation

Clean itself up. Much of the county has vacant and or compromised buildings and what looks like teniment housing

Clean out Wistiria island

Clean streets and waters edge of trash. PAVE BERTHA IN KEY WEST

Clean the beach in Key West.

"Clean up after natural disasters,Flood control,Affordable housing"

clean up and truly take pride in our island

Clean up everywhere and promote to stop littering

Clean up everywhere and promote to stop littering

Clean up our waterways

Clean up shores of garbage

Clean up Tavernier

Clean up Wisteria Island and make it day use only - no fire or camping. No derelict boats in any waters, all boats must be on paid moorings.

Clean, well kept infrastructure and landscaping

Cleaner roadways - tell the State less plants more mowing.

Cleaning and maintenance of parks, roads, water

Cleaning up County property such as the natural areas near Harry Harris Park. Trash washes in from the ocean and people and never gets cleaned.

Cleaning up the mangrove areas

Clean-up after Irma wasn't handled well. Friends in the middle Keys still have debris piled near their houses yet clean-up was declared months ago.

Clear communications

Clear highway accidents quickly

Climate change effects with flooding potentials and growing flood and wind insurance rates

Control expansion

Code compliance and HARC are not applied evenly to all.

Code compliance does not play fair. The rules are not the same for everyone. Living in the Keys is relatively harder place to live. Not easy.

Code compliance rather than coercion

"Code compliance

Mowing of grass not done often enough"

Code enforcement

Code enforcement

Code enforcement

Code enforcement

Code enforcement

Code enforcement

"code enforcement needs to be much better,

keeping US1 clean,needs constant attention "

code enforcement of violations of existing development. Need more staff to cover the area.

Code enforcement, especially ongoing excessive noise issues.

Code enforcement, so many violations, go for big buck items so we can pay for resources with small

Code enforcement. There are many dilapidated houses and some that look like junk yards.

Coffee and cookies while waiting in line at County offices

Cohesive communication county wide

Combine departments less admin

Commissioners get a pay cut and pass pay increases for county employees.

Common sense permitting

Communicate

Communicate

Communicate

Communicate

Communicate and engage with residents and interact with the City of Key West

Communicate better with municipalities.

Communicate better with the lower keys residents, especially the Big Pine Key area.

Communicate better with year round residents. Using forums like this for those that work and cannot attend meetings.

Communicate openly, effectively, frequently and in as many formats possible.

Communicate our priorities to FDOT

Communicate post disaster with citizens.

Communicate where the money is being spent.

Communicate who each of our District leaders are

Communicate with it's residence

Communicate with its residents on changes made to building, rebuilding issues and to use history to enhance the future, such as replacement of former

Communicate with the public. The amount of incorrect information circulating around the public in regards to county activities is staggering.

Communicate, listen, wasteful county expenditures

Communicate. Building permit process.

Communicating with residents

Communication

Communication

Communication

Communication

Communication & transparency

communication and all of the keys working together. quality of life - affordable housing and hourly wages that make sense for the cost of living here.

Communication during Hurricane

Communication to average residents

communication to residents

Communication with residents, protect our near shore waters and add back country navigation aids.

Communication! Keep residents informed on their performance.

Communication.

Communications

Communications flow

communications in times of emergency - have our server off the Keys, with information able to be updated by satellite phones.

Compassion. Working class people are second class citizens in Monroe County.

Compensate employees better

Complete ongoing projects such as the bicycle pathway and road repair.

Comprehensive or strategic focus on the future including a vision for the future we want to create

Concentrate on locals needs and disband the Tourist Development Council

Consider wishes of individuals over developers and realtors.

"Consistency in application and interpretation of building codes, permits, etc.

Traffic management along HWY 1"

Consistency in processes

Consistently informing residents & taxpayers of the progress on the 5 year plan for the county. With any changes noted and the reasoning behind.

Continued emphasis on updating residents with govt issues/management via email/social media

Contribute fair share to address homelessness. Stop pretending it's only a KW problem.

Control and eradicate invasive species

Control growth

Control growth

Control growth

Control growth

Control growth.

Control how many properties can be used for transient rentals

control illegal rental properties

Control of building permits.

Control overuse of infrastructure. We keep building more hotels when the infrastructure can't support the influx.

Control speeding

Control spending on school board; restore/increase funding for mosquito control

Control spending.

Control the events allowed in the keys and STOP the walks, rides etc that just created traffic nightmare for residents.

Control the homeless population

Control the number of "resorts" being built.

Control the trend of wealthy individuals coming in and purchasing large amounts of property for the sole use of vacation/rentals with ridiculous rent

Control theft issues with bikes..scooters..etc..

Control tourism. While we need tourists we don't have to become slaves to the industry. CUT THE GREED!!!

Control traffic

Control traffic

Control traffic on the 7 mile Bridge

Control traffic.

Controlling pension and health expenses for employees from our taxes

Coordination at multiple levels with municipal partners. Not just at the top.

Cops need to step up when it comes to enforcing traffic laws for motorists, pedestrians, bicyclists, motorcyclists and scooter drivers.

Cost Controls.

County District Maps for a true geographic Lower Keys District separated from Marathon (N.W partial) District: true local commission representation.

County needs to be diligent in protecting the lower keys as a last part of the rural keys

Countywide wifi

Crack down on bad driving (speeding, going to slow, stopping to take photos of every seagull)

Crack down on drivers that endanger the lives of other on US1. Please kick Comcast out of the Keys.

Crack down on illegal transit rentals

Crack down on illegal vacation rentals and emphasize better enforcement of affordable housing deed restrictions.

Crack down on illegal vacation rentals.

Crack down on speeding and dangerous drivers

Crackdown on contract labor forces using illegal labor for jobs, especially in the hospitality sector.

Create a sense of community. Encourage people to feel invested in the community. Find ways to fight second home ownership.

Create an outreach to help and protect its most vulnerable citizens - the poor and the homeless.

Create connectivity within the Keys

Create policy that protects locals and workforce

Create programs that generate fresh ideas from the community.

Creating more affordable housing.

Creation of livable housing.

Crime prevention

Curtail the approval of more of the same stores e.g. CVS and Starbucks

Customer friendly and helpful building department

Customer service permit building department

Cut cost and use their existing assets better.

Cut the crazy requirements for builders, Miami Dade building codes are fine. County requirements are causing the high cost of building in Monroe co

Deal with traffic issues, and problems (erosion, litter, safety) with visitors using the road sides as recreation areas.

Dealing with noise complaints, and speeding

Decrease housing costs

Decrease red tape

Density adjustments for Workforce housing

Develop and execute efficiently better planning policies and procedures

Develop new industries such as securing a developer for an advanced high speed monorail system from Homestead to KW with 2 stops Marathon and Key West

Develop Rowells Marina

Develop substantive, actionable plans to address these three primary concerns.

Direct tourists to parks and staffed beaches.

Disaster preparedness and recovery

Disclosing what tax money is being spent on and asking the public what we want the money spent on.

Disperse county support/funding more proportionately to certain areas of the Keys.

Ditto

Diversify the economy, more money will flow and the rest will follow.

Divert TDC funding to CO2 mitigation and learn from past hurricanes. It is not like we have no experience! 30% will never evacuate need shelters

Do a better job of actually building green. Pick a level and get it certified

Do away with ROGO

Do something about the terrible utility company on Stock Island owned by the Smith family, negotiate a quicker repair of Cow Key bridge.

Don't allow huge corporations to buy up all the land & hotels & stores. Duval Street is starting to look like any cruise stop in all the Caribbean.

Don't be such nazis about code compliance, the harder you push the more people will work without permits

Dont do construction projects in winter! Also I think the parks in the lower keys are much better maintained than the upper keys

Don't just listen, act

Dredge the canals. Rumble strips down middle of highway to reduce head on collisions. The strips only make noise when you pass.

Drugs free

Ease restrictions

Ease the permitting process

Ease the permitting process

easier building process

Easier permit access and process

Easier permits

easier permitting

Easier permitting

Easier permitting process

Educate the public and move forward into the 21 century. Seems like the government/commissioners have a 1960s view on how a county should operate.

Effects of tourism on the environment

Elect better officials

Elect County Commissioners by District, not Countywide

Eliminate nepotism in the public sector and the "That's how we've always done it" mentality

Eliminate special interest groups on county commission.

Eliminate the TDC.

Eliminates entitlements to the nonworking families, restrict commercial fishing, keep resources local

Emergency communication reliability

Emergency Management

Emergency management

Emergency management. If the Emergency management team isn't preparing for a hurricane, what exactly are they planning for?

Encourage commercial airline routes to include Marathon...

Encourage full time Residential living and rentals by tax incentives

Encourage property owners to offer affordable long-term rentals as opposed to vacation rentals. Tax relief incentives for owners of long-term rentals

Encourage the TDC to change the slogan from Key West and The Florida Keys to ... The Florida Keys and Key West or just The Florida Keys.

Encouraging affordable housing utilizing public/private partnerships

Enforce building codes including FEDERAL NFIP rules and not allow illegal downstairs apartment be the affordable housing.

Enforce code violations, force some businesses to clean up their properties.

Enforce codes for junk in the yards, parking on the streets.

Enforce codes we have now, provide automatic bulk trash pick up schedule quarterly.

Enforce codes,

Enforce county code concerning commercial abuses

Enforce County Codes more stringently. As of now, County Code Compliance seems selective.

Enforce current codes and laws

Enforce Distracted driving. There are way too many people taking on their cell phones while driving. Sure tourists drive the economy but at what price

Enforce existing building codes.

Enforce existing codes and laws

Enforce existing laws

Enforce exiting speed limits in National Key Deer Refuge.

"Enforce lot clearing regulations

More code enforcement"

Enforce our land use codes

Enforce regulations of the Land Development Code.

enforce removal of debris from yards and right of ways

Enforce road and litter violations

Enforce the No Parking laws. Tea Table and Indian Key Fill are lined with signage that is disobeyed, yet no one is ever ticketed for the violation.

Enforce traffic laws. Don't be afraid of writing tickets!

Enforce traffic violations

Enforce vacation rental regulations

Enforce water, building limits and construction quality. Make mosquito control another county department, such as parks and rec. Police school mgmnt

Enforcement of environmental policy for weekend crowd/tourism

Enforcement of existing codes.

Enforcement of existing laws and ordinances.

Enforcement of fishing/lobstering laws.

"Enforcement of speed limits.

The building department just needs to be cleaned out, from office staff to inspectors all are unprofessional."

Enforcement of traffic laws. Tired of getting run down by folks running 20 mph over the limit.

enforcement with consequences of building permits, zoning and current ordinances

engage the public

Enhance cooperation with municipalities and speak with one loud voice to Tallahassee and Washington.

Environmental protection. Ban plastic bags.

evacuation for storm

Evacuation process and storm preparedness

everything

Everything

Everything

Everything

everything

Everything

Everything

Everything thing on questions 3-5

Everything!

"Excessive speed (60+ in a 45) on US1, especially from mm100 north to the stretch.

Cost of Living (too high) vs Living Wage (too low)."

Expand highway 1 and better communication during hurricane evacuations

expedite post-Irma re-building from current residents (new development has lower priority.)

Expedite road repairs

Expedite the affordable housing allocations.

expedited permitting, more housing in county

Fast track permits for commercial and residential rebuild after a storm.

Faster building permits

Faster permits

Faster permits

Faster permitting

Faster response after hurricanes. It has been over a year and Long Beach Drive in Big Pine is still not repaired and repaved.

Fewer rules to save people from their own stupidity. Stop the corruption and need to 'know someone'. Train and equip firefighters to put out fires.

Finance not for profit ownership affordable housing rather than just rentals. Allow people to take ownership after long term local employment.

Finding meaningful non-residential uses for vacant lots for property owners. Sticking to financial priorities of core government responsibilities.

Fire everyone in Plannin

Fire mike rice

Fix Rowells as promised.

Fix the issues and stop creating more

Fix the roads that are in terrible shape

Fix their code enforcement. Currently there is no research into complaints or violations. Simply issues verdicts without validation 50% of the time.

"fixing roads (Summerland)"

Flood management, dealing with rising sea levels

Focus more on its residents and Judy not on the businesses

Focus on helping the people inside of the county, not just making tourists happy.

Focus on improving what we already have.

Focus on residents who are the ones who drive tourism economy

Focus on the local people and providing affordable housing living options.

focus on what brings the tourists her

FOLLOWING THROUGH

For all this County has been through the last year, not a thing!

Free con leches on Monday's ;)

Fund its departments

Get out of the way.

Get rid of mini lobster season!

Get rid of transient housing

Getting drunk drivers off the road

Getting people in and out of the Keys. The Middle and Upper Keys have such terrible traffic, residents can hardly go anywhere.

Getting things done. Decisions about important issues take too long and then the implementation takes even longer. Just Get It Done!

Give appropriate salaries for the jobs offered so we can afford to continue to live here.

Give landlords tax incentives to offer reasonable rental rates for our service industry employees.

"Give more space for answers!

Professional working class can't afford homes."

Give residents who are not as rich a chance to live in the Keys

Give the residents who live year year round more say in their government and community

Government and citizens working together, not at cross purposes

Govt employees and our board members are ridiculous. They are power hungry, often overstep their bounds and generally tell residents NO to everything.

Grants to lift houses

Greatly improve the integrity and ethics of the politicians to a non-greed based accountability.

Green energy

Green space, infrastructure and water quality

Growth control

Growth management, say no to developers. Don't let the county get into the housing business

Growth management, say no to developers. Don't let the county get into the housing business

Growth management/permitting process could be less complicated

Habitat protection

Handle traffic, its terrible.

Have a good plan for pre and post storms, 11 months after a storm to clean canals is unacceptable

Have a good plan for pre and post storms, 11 months after a storm to clean canals is unacceptable

Have a half way house for people in transition into society

Have a local TV station

Have a more comprehensive evacuation and reentry plan for disasters.

Have a plan for ever category of hurricane, both pre and post storm

Have a solid waste master plan

Have a target department store

Have better inter-municipality discussions of the common challenges

have code enforcement work on the weekend when most of the "illegal" work is done on houses/lots

Have less corporate businesses and more locally owned places

Have meetings later in the day or evening do more people can attend

Have more activities for kids/teens.

Have programs for the elderly

Have the lower keys rep live south of 7 mile bridge.

Have zoning hearings, changes, disputes in area where problems occur. ie: key largo, marathon, and key west.

Having a cohesive vision for the future of growth.

Health care

"Healthcare

Assisted living?"

"Healthcare

Public transportation

Workforce housing"

Health insurance for its county employees

Help each other!

Help locals with permits

Help senior citizens

Help the homeless

Help the homeless.

Help the people instead of being condescending

Help the village

help those who live here year round and not make it for investors just for the prime season, keep doors for health care

Help with community Development

Help with putting a cap on rental prices not only of housing and apartments but retail space.

Helping people in disasters

Higher wages, workers should be able to have an opportunity to afford to buy a home and enjoy where they live

Hire county residents for significant positions and not waste our funds on external head hunters.

Hire locals who understand our community

Hire more competent inspectors

Hire people who are qualified for their jobs. I spent 12 years at the library taking direction from people who wouldn't know Hemingway from Joyce.

Hold Comcast to better standards. In a war the first thing you do is take out communications. Irma took our out and didn't return it for a month.

Hospitals

House the homeless

housing

Housing

Housing

Housing for teachers

Housing housing housing

How much tourism dollars at international hotel chains stays in the Keys, yet the county has to support all of the infrastructure, police, fire, roads

How to get people in and out of the Keys without clogging the Upper Keys and Islamorada.

Hurricane before and after issues

Hurricane prep without evacuation.

Hurricane preparedness

Hurricane preparedness

Hurricane reentry; Allow self-sustaining residents to enter immediately. Most people do not expect to be taken care of. It's on us.

Hurricane response

Hurricane response.

I am going to have to move home due to can't find housing

I am NOT in favor of penalizing local single unit homeowners from renting on AirBNB. The hotels charge \$300-\$400 per night yet do not pay their cont..

I am relatively satisfied.

I believe speed control needs to be prioritized.

I believe you are focused on doing better every day...and you'll get it done

I cannot think of anything.

I don't know

I don't know - it's tough to meet everyone's needs - but I think there's NOW too much emphasis on affordably housing and not on those living here

I think it can improve recruitment for salaried professionals such as IT, lawyers, accountants.

I think Monroe County could improve roads for safety travels with our guest on mopeds. Although you have done a great job there are areas of concern.

I think the county caters to only those who have 7 figure income.

I think we can all do a better job of being plastic conscious being so close to the ocean.

I think we need to offer more green energy options by encouraging solar panel leasing.

I think you all do pretty well.

Idk

Implement a toll to visitors. Also, a lot of the traffic is due to construction vehicles in the morning and around 4pm.

Improve building permit, inspection process by education and adding more employees

Improve closing permit process

improve codes compliance for trash issues and other environmental issues in neighborhoods; need to pay attention to residents, not always businesses

Improve communication, remove rather stodgy layers of bureaucracy

Improve efficiency and time that it takes to get things completed

improve hurricane shelters

improve planning/building/code compliance processes to be more streamlined and faster process.

Improve post hurricane clean up

Improve public transportation

Improve the internet services more choices than Publix for groceries

Improve the permitting process

Improve the permitting process

Improve the permitting process/hire people who understand the building process

Improve the road conditions for driving. Installing traffic stops and lights where needed.

Improve traffic

improve traffic flow

Improve traffic flow on US 1

Improving Duval Sreet; beautification; business development; pedestrian only zones.

In engaging stakeholders, broaden the perspective beyond the input of the 'usual suspects'.

Including public in decisions on road work.***PLEASE DO SOMETHING ABOUT THE CROSSWALKS. THEY NEED TO HAVE STOP LIGHTS INSTALLED***

Incorporate Community Feedback

Increase pay

Increase police/paramedics

Increase speed at which priorities including affordable housing is developed.

Increased community input.

Increased enforcement of existing regulations

increased use of technology in county services and communications

"Increasing parks and public spaces. Water access for the public.

Public employee retention"

increasing taxes left and right and never giving back.

Inforce the way others treat where we live.... Littering, passing in center lane, disregard to the waters.

Infrastructure

insect control

Inspections and reasonable time frame on building permits

Instill new building codes for resiliency.

Insurance

Invest in your employees with higher wages and better benefits and invest in your residents by eliminating any new building unless it is AFFORDABLE!

It is awful to see luxury resorts/vacation rentals going up where (a) people used to live, or (b) where there was natural beauty. Please help!

It should lookout for everyone the same instead of complaints that marathon got more than key Largo ane so on

It will never happen.

Jobs

Keep affordable housing away from prime real estate Make it market drive.

Keep our canals free from debris. Open culverts to allow water to flow freely and keep water quality healthy for marine life

Keep people from parking, day tripping on the side of the highway

Keep taxes lower

Keep the island feel by controlling and limiting traffic and tourism

Keep the Keys clean, increase littering fines and enforce.

keep the landscaping around town up to date and nice

Keep the roads cleaner. From the 18 mile stretch through the Keys. Trash all over the roads. Laws are not being enforced. Littering should be enforced

Keep the streets clean of trash.

Keep the Upper Keys in perspective when considering density and affordable housing as different than the lower keys.

Keep their promises. Initially, Sexton Cove, Twin Lakes, and Stillwright Point were to be the top areas to get there road raised. Only Sexton Cove got

Keeping space for wildlife and brush and not selling out to developers with big plans for resorts.

Keeping the commercialization of the keys to a minimum and supporting family business.

Keeping the county clean.

Keeping the locals safe on the highways and waterways.

"keeping the workforce: salaries are low, cost of living is high

enforcing conservation with tourists, especially boaters from adjacent counties"

Lacking a decent Shopping center

Landscape and maintain our community.

Landscaping for Key Largo

Larger fines & penalties for drunk drivers less for small marijuana arrests.

Law enforcement on the water

Lay out roads, manage bridge openings, halt roadside tourism that slows cars, anything and everything to alleviate weekend traffic.

Learn to never, ever, let one vocal persistent constituent dictate County policy and decisions of the Planning staff & BOCC ever again.

Legalize marijuana

Legitimize workforce housing

less county tax money for social and more for police & fire/rescue.

Less density.

Less development, focus on quality of life, we have maxed out our environment and need to accept this and protect it

Less development. Protect our natural resources that keep this community afloat!

Less government

Less red tape

Less red tape

Less talking more action

Less talking more action

Less traffic!!! Tolls to pay for the works of the county. Reduce trashing of the area by visitors

Less vacation rentals

Let businesses build worker housing. It is not the responsibility of the country. If business will not address the issue then businesses will fail.

Let small businesses survive / support small businesses by easing permit control. Environmental issues.

Lighten up on permit requirements then less would be done illegally

Limit development and stop putting money first

Limit growth.

"Limit large corporations/stores.

"

Limit making this all for tourists, pay attention to the locals

Limit more housing . We are at capacity now.

Limit noise past 10 PM

Limit size of oceanfront homes and development.

Limit the amount of advertising that draws all sorts of unwanted people to these environmentally sensitive islands

Limit the damage done by weekend warriors.

Limit the growth in population

Limit traffic and drastically improve bicycle safety.

"Limit vacation rentals - Start thinking more about the citizens of Monroe county rather than the vacationers to the county

Better education system- "

Limit Vehicles on the island.

Limit weekend visitors

Limiting growth

Limiting homeowners from price gouging long term rental properties and charging as much as vacation rentals without paying taxes as such.

Lisa listen

Listen

Listen and respond to its citizens

Listen and respond to the issues of the lower keys not just key west and key largo.

Listen better

Listen more to the tax paying residents about doing more to create a better quality of life for those that live in MC full time. Quiet neighborhoods.

Listen to everyone, not just few at meetings

Listen to its constituents and develop processes and systems that are neither punitive or obstructionist.

Listen to residents and improve our quality of life; stop selling out the Keys.

Listen to residents more. Stop making decisions based on political bias instead of community input.

Listen to residents. Hold quarterly townhall meetings.

Listen to the citizens and take their comments seriously. Less government

Listen to the families vs tourism

Listen to the people. Building that stupid pedestrian bridge at Founders park that NOBODY WANTS EXCEPT THE COUNCIL

Listen to the people.. after Irma you all did nothing.

Listen to the residents

Listen to the residents and not raise taxes without a vote

Listen to the residents!! Realize there is no need for affordable housing in the lower keys residential neighborhoods. It belongs in KW and Marathon.

Listen to the residents, not the developers or businesses that are there to make a buck no matter what. Other counties have county facilities, community

Listen to the residents.

Listen to us and communicate better with us.

Listen to us AND hear what we have to say

Listening to the "little" people

Living Wage

Lobby for affordable housing

Lol

Look out for permanent resident's interests

"Lose the road blocks to rebuilding Key West isn't the only island of the keys"

Lots of money & good people live here - I like the seasonal people coming in!

Lower cost housing

Lower prices for FL parks when entering

Lower rents

Lower taxes

Maintain overdevelopment

Maintain roadways off US 1, continue to work to reduce insurance rates,

Make and enforce environmental protection for land and water, clean up the water, preserve- protect

Make closing expired permits easier and open permits

Make Hwy 1 MUCH safer (actually arrest drivers for speeding!), control growth to protect open space and the environment and enforce building codes.

Make it a nice place to live for people who have to work not just for the mega-wealthy who buy houses they never use.

make it affordable

make it easier to obtain building permits, do away with mini season. They destroy our waters

Make it more children friendly have more events for children & waterparks in various locations so we don't have to pay meters to take our kids parks

Make Keywest for the locals again.

Make permit get process faster

Make permitting more affordable for middle class

Make permitting more affordable and easier.

Make processes go easier

Make roads safer

Make sure Heather stays in office

Make sure that those building don't get away with loop holes like Employee Housing instead of affordable housing. Push for wages to be higher in county

Make the budget more transparent. It is very hard to understand, and I have a graduate degree in economics!

Make the building department more customer friendly and regulations that people can understand

Make the community feel more cohesive. In signage, more greenspace, better landscaping, & controlling design aspects of new structures.

Make the exit from KMart parking lot in Key West right turn only.

Make the residents a priority over tourists.

Make things for children like Key West, Islamorada and Key Largo have done! Make a splash park for our children to play like other communities have.

Making closing out permits easier.

Making it easier to get permits to maintain and beautify property.

Making it easier to get repair permits after a hurricane, especially the Army Corps of Engineers portion.

Making their work force the number one priority

Manage building code processes for applications, approval and compliance.

Manage cost of living

manage costs

Manage growth. Development has increased at an unhealthy pace.

Manage its tourism

"manage tourism

Enforce vacation rentals"

Manage tourism! It is out of control, It should be about residents enjoyment of their homes/neighborhood and our local communities, too many tourists

Manage traffic congestion entering and exiting the Keys. Islamorada north is a parking lot on the weekends!

Manage waterways during lobster dive days

Managing the day tourists who spend their \$ in Homestead, and use the roadsides, and leave their garbage behind.

Mandate a slower speed limit on the island. Reduce the amount of accidents and deaths. If it's bad for tourism, maybe the BOCC will pay attention.

Many county employees are not there to help their fellow citizens. They often impede & create barriers to getting things done.

Many of the issues above are intertwined--proper Growth Control can keep the ever increasing traffic in check. Enforcement of rental rules (long term rentals are now short term vacation rentals). Add "workforce housing" over "affordable housing".

Many things

Medical care in Key West

Mental health

Mental health services

Mental health services and support and bicycle safety

Mitigate traffic. We can't go anywhere on the weekends because of back ups entering and exiting the Keys.

Modernize. Invest in technology to serve the community - software, apps, online services for information and conducting transactions with the County.

Monitor tourist destruction

"Monitor traffic on RT 1. Too many deaths. Make RT 1 a toll road. "

Monitoring and effectively enforcing traffic speeders and those driving reckless.

Monroe County could extract illegal immigrants more frequently from 1. Trailerama; 2. Key RV; 3. the Rock; and 4. Eastwinds.

Monroe County should be more strict with evacuation policy before hurricane.

Monroe county spends too much money spent on staff who don't do anything, are not at all helpful, and drive county vehicles to and from work.

More access to water for locals, local parks, dog parks

More accountability of upper management.

more affordable housing

MORE AFFORDABLE HOUSING

More affordable housing (truly affordable); Possible tolls for tourists entering Monroe County to offset costs.

More affordable housing units

More aggressive mosquito control that doesn't harm people and pets. Police spend less time writing tickets and more time patrolling for thefts.

more aid for senior citizens

More attention to kids and their needs.

More benefits and services or discounts for local "hero" workers such as Fire, EMS, teachers, nurses, police.

More citizens could be assisted if the County were to expand their programs and services.

More community activities at county parks

More community work shops

More competitive wages and benefits to keep quality County workers from leaving.

More control on drugs

More diverse workforce and representation among elected officials. More helpful website.

More efficient public works system

More efficient, helpful & friendly building department

More engagement with citizens. More open forums and options for residents to participate in government.

More focus on the health of the Coral reef eco

More family friendly events or businesses that are locals focused over tourism focused

More fiscal responsibility

More green space and park beach development for residents. More planning and development for our professional people. There has to be more affordable

More interactive and participative government

More law enforcement on the water

More law enforcement on the waters

More open Spaces with trees besides palms. Many more indigenous trees and green spaces.

More programs for senior citizens and handicapped citizens

More public access to the water.

More public education prior to making changes within the government. An understanding of the why so we can all benefit from the results.

More responsive

More staff

more streamline process in building department, additional staff

More telecommuting jobs tfor less traffics

More transparency

mosquito control

Mosquitos kill them all

Move KOTS to a county property. Manage KOTS as a county, not a city of Key West only.

Much more consideration of residents' needs.

Need to add more patrols to the neighbor hoods. Add more law enforcement.

No comment

"Not buy marinas

Enforce laws and codes"

not letting developers build what they want and get variances for things they wont do

not limit upside of economic growth. All the options listed above are limiting upside and restrictive

Not sure

Nothing comes to mind. Thinking of Irma, it amazed me how quickly responses were put into action. We are unique and resources do not come easily.

Nothing. doing a great job with the size government it has.

Nothing. With the man power you have you do great!

Offer year round long time residents & Conchs relief in property tax, parking fees, permits on simple home repairs.

open Rowells park

Out the Bubba system.

over building

"Overburdening roads,overseeing transient licenses "

Overdevelopment controls..zoning, code enforecements

Oversight of hotel development.

parking outside kw and increased transit options to old town, especially with cow key bridge repairs coming. Bicycle LIGHTS!! and rule following.

"Parks & open spaces"

Parks need cleaning, maintenance, and more infrastructure. City and County employees should be reevaluated.

Patrol highways better. More patrol on waters.

Pave roads

Pay attention to the LOWER KEYS

Pay closer attention to the year round residents as opposed to the richer seasonal folks.

Pay library staff and school teachers better!

Perhaps allow ADU™s as an affordable housing option

Permit fees too high. Pollution control: need more public education and increased fines.

Permit procedures

Permit process

Permit process and code

Permit process and code enforcement

Permit process needs to be quicker and much more efficient- how can it be so easy & seamless with the City of KW but not the County?

Permitting

Permits

Permitting

Permitting

Permitting

permitting

"Permitting Derfler4Clinton!"

Permitting after hurricane

Permitting for building on empty lots

Permitting process

Permitting process is less than intuitive from my experience after Irma. Different answers from different people. Website doesn't clarify process .

Pick up all the homeless and drop them off on a deserted island.

Plan for big storm events. Proactive rather than reactive

Plan For The Future

"Planning and code enforcement. Too much density allowed when we already have conflicts with parking and noise. Enhance US 1 Corridor-enforce sign violations. Enforce zoning violations. "

Planning and permits

Planning Department Isn't Great 

Please allow voters to vote on proposed new laws and/or ordinances rather than passing legislation without regard to what Monroe County residents want

Police the crazy drivers from the mainland on weekends and events

Police the stretch, the stretch is a lawless stretch of road. Also focus on the people that live here and own property rather than those that visit.

Police Traffic and Waters and encourage new local "green" businesses.

Post hurricanes cleaning.

post irma information and response was terrible. pass ordinance giving county first right of refusal to buy lots at contract price after big disaster

Prepare for the future build out of the Keys by raising funds to resolve the issues with vacant lot owners

Preserve full time residents' quality of life

Prioritize a ecological healthy & sustainable environment. Make all departments accesible and receptive for citizen input. Investigate building dept.

prioritize expenditures from the 304 fund

Prioritize locals.

Prioritize the needs of the local people and families over the tourists and snowbirds.

prioritize the needs of working people. The lack of quality affordable housing is an epidemic, depriving the community of young families

Promote better

promote or encourage growth

Protect habitat.

Protect it's environment - our primary resource, and consider quality of life for residents.

Protect its unique environment, natural and human

Protect local natural resources

protect the fishing industry

Protect the native wildlife and fix the pollution/littering problem

Protect the reef

Protect the residents from very dangerous aggressive and hostile drivers. Get utility prices, grocery lower. Raise wage 25\$ hr.

Protecting the rights of all people.

"protection of citizens and natural wildlife. "

Provide a more reasonable noise ordinance in business areas.

Provide affordable/workforce/low income housing for all residents of the County. Might be time for County to build housing on County owned land.

Provide better services for the elderly

Provide better support to local social service agencies that are responding to needs of children, elderly and disabled.

provide for the homeless (housing, day programs, work programs, drug and alcohol programs)

provide low cost, reliable public transportation 24 hours per day, 7 days per week, including holidays

Provide more direct services for disabled citizens and youth.

Provide more public space for recreation (passive and otherwise), more public boat ramps

Provide public access to beaches. Clearly mark those access points. Keep them clean and easily accessed with decent natural parking.

provide tourist with rules of the roads.

Public Integrity

"Public transportation Clean the beaches. Assist affordable housing project"

Public transportation. Senior centers. Public employee housing assistance

Put a clamp on the developers by adding severe restrictions on building and workforce.

Put the "local" flavor back in Duval Street. It's a trashy over-priced cruise ship strip now. It's headed the way of St. Thomas, Cancun, and others.

Put up center line barriers preventing passing in no passing zones where countless same mile marker head on accidents occur.

Quicker BOCC meetings

Quicker Response.

Quit pushing affordable housing as a substitute for higher wages

Raise taxes to hire staff to enforce and inspect existing laws and codes

Raise the minimum living wage so people can afford rent

Re entry

Reasonably enforce existing regulations especially after the hurricane. It is obvious the County was not prepared for the recovery.

recruit & retain professionals in governmental positions

Recuperating after a storm. They dropped the ball and now, many who left will never leave again.

recycling

Recycling & Road paving

recycling and green living

Recycling, better school districts (blue ribbon distinction)

Recycling. There has to be a better way to remain environmental

reduce cruise ship traffic

Reduce direct and indirect subsidies for tourism. There are many different economies in the Keys and market forces should decide resource allocation.

REDUCE PLANNING/BUILDING CODE PROCESS DELAYS

Reduce property taxes

Reduce taxes by outsourcing government services that can be done outside of Monroe County

Reduce TDC funding for advertising, invest in sustainable ecotourism; Better manage conservation lands by removing invasive species

Reduce the size and scope of government so people can keep more of their own money. Less is more.

Reduce traffic on us1

Reduce waste through energy conservation measures.

Re-entry

Re-entry

Regulate boats that randomly anchor and clog our waterways.

Regulating companies and contractors from price gouging to repair or replace homes. That are damaged or out of code or want to be replaced.

Regulation has gone beyond reasonable.

Rein in county salaries

Release the Rogo

remove excessive compliance burden from the land/home owners

Reopen the DMV and create a building permit office on Big Pine Key

Repair our roads. Close loopholes in code exploited by developers. Stop illegal transient rentals. Build more workforce housing.

Resolve takings issue

Respect the environment and not over build, keep the pace here slow

Respect the voices/contributions of residents that aren't "conchs". We care too.

Respond clearly when a citizen asks for guidance on code compliance rather than waffle over what the code really means. If YOU don't understand it...

Respond quicker

Respond to Code Enforcement issues. Enforce illegal building, new encroachments into setbacks and conservation land, illegal tree removal/clearing.

"Respond to needs of ALL constituents, not just the idle wealthy.

Focus code enforcement activities on REAL safety and environmental impact activities."

Respond to the housing crisis, stop putting the hardest hit areas last with all cleanups, communicate better with public, be more eco friendly.

Responding to the environmental concerns after emergencies

Restrain ourselves from believing that we can continue to add people and buildings to the Keys without very negative consequences.

Restricting development to insure that affordable housing is truly affordable for teachers, waitresses, fishermen and dive boat crew members.

Returning from storm evacuation

"Revamp building department

Swimming pool/ area on Big Pine"

Review skewed HUD income guidelines

Revoke the conflicting, paralyzing regulations. Create ethics oversight and stop the nepotism.

Road clean-up

Road improvements off US1, stop illegal rentals

Road maintenance

Road maintenance could use more attention

Road maintenance!

Road safety on US 1

Rules and regulations should apply to everyone, not just those who have more money or better lawyers

Rumor control. Since news crews could only show upper keys they created "news". Marco Rubio told press Key West had to evacuate because of disease

Safe bike paths and US 1 crosswalks to encourage walking and biking.....to relieve traffic on US 1.

Safer roadways.

Safety and caring

Same as above

School security. Protecting the environment, and helping make housing and other living cost affordable for locals.

Screw HUD and make housing affordable!!

Seagrass removal on the beaches.

Senior center with free lunch and activities

Serve the residents. The Building Department needs to help the Citizens rebuild, not treat them like crap when attempting to get permits.

Service plazas so tourist coming down don't bother business and end up urinating on the highway ! Code enforcement

Shutting down illegal rentals

Slow building and growth but at same time figure something out for housing that is actually affordable

Slow growth of resorts that are squeezing our locals and increasing pressure on housing.

Smoothing and speeding up the process for permitting and inspections between the County and Residents and between County Departments.

Social services

Some kind of cap in rental prices or MORE help for low-middle class home buying!

somehow keep the rental houses out of the residential mix.

Sorry your whole building process from application on is really out of wack. They need to stop just paying a fine and cutting down every tree. Th

Speed and efficiency

Speed in recovery and assistance

Speed limit patrols on US1

Speed up permit process

Speed up the building and permitting process

Speedier approval of permits/licenses

Spend money on items that are truly needed rather than on individual agendas so taxes are not raised on residents.

"Spend tax dollars efficiently!!!

Elect commissioners by District

Lower keys county rep live in LK"

Spend their time and resources fighting issues that actually have a chance of being better at it or changed.

Stand behind the Keys residents. Do not bend to the wishes and lobbying of big business. Look out for the little guys who built the Keys!

stand up like men and stop pointing the finger to the other guy when they are asked somrthing

Start developing residentially.

start saying NO to development projects, no matter whose name is attached and how big their bank account.

"Start schools later (i realize that is MCSD's call.... But county should ask school district to do this before Cow Key Bridge construction is planned"

Start taking care of their "locals", not the \$ whores.

Stop all new construction and create/adhere to a environmentally sound carrying capacity for both residents and tourist.

Stop allowing rampant growth and focus on locals' housing

Stop allowing rent gauge from homeowners.

Stop allowing rich people to buy houses that sit empty 9 months out of the year.

Stop building affordable and workforce housing projects. Do not give permits nor grant waivers for these Trojan Horse deceptions.

Stop building department inspectors from kickbacks.

"Stop building fishing bridges!!!! These are not putting any money back in to economy and there are already plenty of them. AddPools/ parks instead. "

stop busing workers from depressed areas of Dade County, you are changing the demographics of the keys forever. Reestablish ROGO for manageable growth

Stop faking interest in water and reef quality, and enforce the existing law.

Stop granting building permits and waivers for affordable and workforce housing projects.

Stop granting wavers for builders to build more resorts and hotel rooms.

Stop growth

Stop people hanging out on the side of the road. Traffic!!

Stop putting outsiders first.

Stop requiring permits for changing the color of you house or replacing your fence

Stop resort building until TRUE affordable housing is addressed. Redefining "affordable" would be a good start.

Stop so many vacation rentals.

Stop spending our taxes on things we don't need like hotels resorts

Stop talking about affordable housing and start doing something about it.

Stop talking about affordable housing and start doing something about it.

Stop the building boom.

Stop the favoritism in the Building and zoning Dept.

Stop the out of control growth. Put tax proposals to a referendum vote by the residents

Stop trying to or allowing the rental rates or availability to be outstandingly high, or filling them without of town workers so the locals can occupy

Stop vacation rentals.

Stop wasteful spending. Comprehensive overhaul of county expenditures

strategic planning for responsible tourism, protect the environment, protect quality of life for residents, recognize alternative economy in Upper Key

Strategically seek input on county spending and utilization of resources

Streamline and expediate the permitting process as Islamorada has.

Streamline building/permitting process - make it easier!

Streamline permit process

Streamline permit process

Streamline permitting

streamline permitting process

Streamline permitting processes

Streamline residential property building and remodel permit process.

Streamline the permitting/building process.

Streamlined permits

Street lights - control light pollution.

"Stricter limits on the permitting of high density resorts through ROGO use. There is not a sustainable legal workforce to staff these properties. "

Stronger environmental/building regulations and enforce the regulations we have

Stronger front-line staff training

Strongly control development - ROGO is a joke.

Stunting the rapid growth of development before it gets anymore 'carnival' here.

subsidize wind and flood rates

Support local families and help create a local community to foster long term growth

Support people that live and work here full time.

Support the full-time working residents by having truly affordable & workforce housing available. Balance tourism & vacation rentals.

Support the locals. tourism will be much happier when the locals are 100% taken care of. We cannot have one without the other.

Support the needs of the working class

Support the tourism industry.

Support working families

Supporting development that 1. Values workforce housing over the development of hotels and luxury condos or 2. enriches the Keys culturally.

Supporting the business community with training opportunities, through code compliance, enhancing ability to reduce liability exposure.

Supporting those still trying to recover from hurricane Irma. Simple things such as waiving permit fees for those who are rebuilding sub damaged house

Sweep the streets would make roads safer for bikes and M/C. More Clean up, the Islands look trashy and NO its not the job of volunteers to keep it cl

Take a good, hard look at their female sr.director/acting county administrator

Take care of employees and be competitive with wages. Monroe could be paying the same wages as Miami Dade. We have very low taxes RAISE TAXES!!

Take care of full time residents, prevent overcrowding, keep taxes down.

Take care of its long term residents, especially the ones who are not wealthy.

Take care of locals.

Take care of long term residents. Cap off rental rates.

Take care of residents.

Take care of the tax payers more than the Tourists!! Have more county transportation. Have a lot on Stock Island to park and bus tourist and locals.

Take politics out of decision making

Taking action on housing/development. Using our available space better. Getting rid of the NIMBY attitude that derails so many promising projects.

Tax incentives or similar to encourage businesses and individuals to improve the exterior of their buildings and property.

Teach home owners the processes for acquiring permits for home improvement. Be consistent and easy with that process.

Teach us your awesome app

Technology infrastructure

Tell us about our natural nearshore and offshore Water quality

Term limits

Term limits

Term limits on politicians - 2 ...2-1/2 max!

The above

The County could be better at working with citizens on issues that arise as opposed to simply stating what "should be done".

The county has lost sight of what the Keys are and are more focused on overbuilding, increasing crime and traffic, without regard for the residents.

The county is pro business while ignoring public interest. They have been consistently removing checks and balances in Comp Plan that protected people.

The county needs a better process at the building department regarding paperwork. There are too many forms to fill out. Everything needs streamlining.

The county needs to place the priorities of its residents above those of tourists and non-residents.

The County needs to support RESIDENTS. Currently the County seems to disdain residents, and prefers business owners and developers.

The County's response to Hurricane Irma was a total failure. Replacing the County Administrator would be a good start.

The Cow Key bridge reconstruction in 2020 should be planned better. 2 lanes in/out of Key West will be a traffic nightmare and hurt business.

The handling of the hospital

The homeless population needs attention

The Keys are being overbuilt, especially with hotels and vacation rentals so the quality of life for the year around residents is diminishing.

The less the govt does, the better.

The road construction goes for few days then they leave without finishing. Finish a job

The trash (not hurricane debris) is disgusting in KW, maybe if we're going to spend millions of \$ building a homeless shelter they could help CLEAN UP!

The vision of what we want to see in 20 years and how we can make that vision happen

Their school system. The school district is not prepared for special needs students and that's discrimination.

There appears to be little comprehension that community resources available are minimal - and those that exist are 20 years behind the curve.

There is always room for improvement no matter what the subject may be.

They could stop trying to dissociate themselves from Florida and grow a city within Florida for safer infrastructure, homes for people who work here

They do a fine job less regulations!

Think about the environment in all endeavors

Think how to mitigate the high cost to live vs the pay made working in the Keys.

Think of the locals instead of Big Developers.

Think of the working class

Tourism education of our ecosystem.

Tourism stimulus

tourist development

Tracking transient licenses

Traffic

Traffic

Traffic

Traffic

Traffic

Traffic control

Traffic control

Traffic control on US1

Traffic Enforcement

Traffic enforcement

Traffic flow

Traffic flow

Traffic flow. It's terrible in Islamorada, particularly on the weekends.

Traffic is getting worse every year. Better traffic control

"traffic on 905 - get rid of stop sign / build flyover set up a parks rec dept overized signs hwy"

Traffic!! Particularly in Islamorada.

Train staff in customer service

Train the Building Department to be helpful rather than obstructionist.

Transparency in the government

Transparency. The Marathon Hospital Tax was adopted with almost no public input.

Transportation

transportation (water, air and roads) must be improved; We need to work closely with FDOT to accomplish what we need.

Treat big pine like it is an equally important part of the overall keys community & not the bottom o

Treat itâ€™s residents better; ie. tax, permit, fee breaks. Or increase fees/taxes/etc for non-residents, second home owners, and giant investors

Treat residents better. The County seems to always respond with "no" when they really should work with the residents.

treat the lower keys with more respect.

Treat the unincorporated areas at least as good as the incorporated areas

Treating all citizens and businesses the same. Stop having rules enforced on some not all

Twice a month BOCC Board meeting

uniformity throughout each Key

unnecessary clogging of US 1, whether it's the park in Islamorada or accidents on the highway. Toll road US 1. Up speed limits in areas.

Update what we have instead of building more.

US1 needs to be four lanes (two each direction) all the way to Miami with turn lanes in the middle. That will alleviate the hurricane evac issue.

Use better camera systems to catch dangerous drivers. More safe crossovers for pedestrians and bikers to cross overseas highway. More dog parks.

Use more control with regard to Utility projects

Use plans and agreements already in place rather than constantly moving the goal line to accommodate further development.

USE TAX PAYERS MONEY MORE WISELY

Use tax revenue to clean up key west. Any other city with housing at these prices you walk outside and everything looks maintained not dumpy and dirty

"Utilize funding to support projects that support the entire community vs special interests. Streamline and revise permitting"

Utilize government center better - possible entertainment or play for visitors and residents.

Very pleased.

Wages need to be better in order to allow the workforce to have a quality of life here. A happy workforce makes for a stable community.

Waste management, the last sequence of contracts cut services by 50% with no appreciable change in taxpayer burden.

waste removal and recycling

Watch for speeding vehicles

Watch Spending!

Watching where money is spent - I hear where items like building maintenance are not parsed out in a logical, financially prudent timeline. in example

WATER CONSERVATION TO BRING RATES DOWN. GREEN INITIATIVES. WE SHOULD BE A TOP "GREEN" COUNTY IN THE COUNTRY. EXPEDITE AFFORDABLE HOUSING-NOT RHETORIC!

We are doing good with what we have to work with

We are tourist based economy but it is way over what our islands can handle and also to limit the building of homes as we are way over

We have come a long way in the past 5 years with upgrading our technology. That can not stop. For example this survey.

we have to make it more affordable to live here. that is the biggest reason people leave along with the housing cost

we love tourist as they do bring a lot of money into this town, maybe some of the money could go to fixing the street and sidewalks that are awful

We need better speed traps and controlling the traffic.

We need more water patrol officers !

We need to focus less on affordable housing and more on accommodating people already in Monroe county

We need to stop being stagnant.

We should be doing more to protect the fragile environment we call home. Ban all plastic bags at retail, only sell reef friendly sunscreen at retail..

when will our new park, the old Rowell's marina, open?

Why do we let people hang out on the side of the road and trash it and the water? They don't spend \$ here. Bad for traffic, the environment, erosion.

Work in more collaboration with municipalities to see where opportunities exist; inform residents more often about what County does- launch campaign.

Work more closely with the cities

work more effectively

Work more with businesses to help bring down the cost of living.

Work on making flow through canals.

Work to help the people instead of regulating against them (code, building. Parking)

Work together on "county wide" issues

Work with local businesses to restore them rather than working against them.

Work with travel planners and transportation firms to reduce the number of personal vehicles entering the keys.

Workforce housing

Workforce housing for ONLY Monroe county residents and stop bussing in mainlanders

Workforce housing/public transportation

Working with other organizations for housing

Working with residents better through the permitting process.

ZERO TOLERANCE FOR BICYCLE THEFTS. PLANT MORE TREES. REDUCE NUMBER OF TOURISTS. CARE MORE ABOUT RESIDENTS, CARE LESS ABOUT TOURISTS.

Zone away junk houses

Recommendations for Improvement with Geographical Information/Group Designation

| LK CoC | Communicate |
| LK CoC | Communicate |
| LK CoC | Communications |
| LK CoC | Have a plan for ever category of hurricane, both pre and post storm |
| LK CoC | Help locals with permits |
| LK CoC | Insurance |

| | |
|------------|--|
| LK CoC | Listening to the "little" people |
| LK CoC | Lose the road blocks to rebuilding Key West isn't the only island of the keys |
| LK CoC | Pay attention to the LOWER KEYS |
| LK CoC | Permitting |
| LK CoC | Permitting |
| LK CoC | Planning and permits |
| LK CoC | Raise the minimum living wage so people can afford rent |
| LK CoC | Revamp building department Swimming pool/ area on Big Pine |
| LK CoC | Speed and efficiency |
| LK CoC | Speed limit patrols on US1 |
| LK CoC | Support the needs of the working class |
| LK CoC | Take care of locals. |
| LK CoC | Working with other organizations for housing |
| LK Rotary | Building and permitting dept. |
| LK Rotary | Code compliance rather than coercion |
| LK Rotary | Cohesive communication county wide |
| LK Rotary | Countywide wifi |
| LK Rotary | Crack down on speeding and dangerous drivers |
| LK Rotary | manage tourism Enforce vacation rentals |
| LK Rotary | Permit procedures |
| LK Rotary | Permits |
| Lower Keys | Incorporate Community Feedback |
| Lower Keys | enforce removal of debris from yards and right of ways |
| Lower Keys | Many of the issues above are intertwined--proper Growth Control can keep the ever increasing traffic in check. Enforcement of rental rules (long term rentals are now short term vacation rentals). Add "workforce housing" over "affordable housing". |
| Lower Keys | Taking action on housing/development. Using our available space better. Getting rid of the NIMBY attitude that derails so many promising projects. |
| Lower Keys | Bike and pedestrian safety, affordable housing, shutting down illegal vacation rentals so that residents can rent instead. |
| Lower Keys | Actually read and enforce the LKLCPP. This document was prepared in a coordinated effort between growth management and residents as the comprehensive bible. It took years and millions of dollars to complete. It is being ignored and trampled. |
| Lower Keys | Parks & open spaces |
| Lower Keys | Permit process needs to be quicker and much more efficient- how can it be so easy & seamless with the City of KW but not the County? |
| Lower Keys | Smoothing and speeding up the process for permitting and inspections between the County and Residents and between County Departments. |
| Lower Keys | Increasing parks and public spaces. Water access for the public. Public employee retention |

| | |
|------------|--|
| Lower Keys | ZERO TOLERANCE FOR BICYCLE THEFTS. PLANT MORE TREES. REDUCE NUMBER OF TOURISTS. CARE MORE ABOUT RESIDENTS, CARE LESS ABOUT TOURISTS. |
| Lower Keys | Not sure |
| Lower Keys | Listen to residents and improve our quality of life; stop selling out the Keys. |
| Lower Keys | Serve the residents. The Building Department needs to help the Citizens rebuild, not treat them like crap when attempting to get permits. |
| Lower Keys | Control theft issues with bikes..scooters..etc.. |
| Lower Keys | Code compliance and HARC are not applied evenly to all. |
| Lower Keys | Clarity and consistency in the permitting process. Developing a condemnation plan that leans towards preservation of homes. |
| Lower Keys | Improve building permit, inspection process by education and adding more employees |
| Lower Keys | Communicate with the public. The amount of incorrect information circulating around the public in regards to county activities is staggering. |
| Lower Keys | Put a clamp on the developers by adding severe restrictions on building and workforce. |
| Lower Keys | Affordable workforce housing |
| Lower Keys | None |
| Lower Keys | Fewer rules to save people from their own stupidity. Stop the corruption and need to 'know someone'. Train and equip firefighters to put out fires. |
| Lower Keys | Control spending on school board; restore/increase funding for mosquito control |
| Lower Keys | Use tax revenue to clean up key west. Any other city with housing at these prices you walk outside and everything looks maintained not dumpy and dirty |
| Lower Keys | Everything |
| Lower Keys | improve planning/building/code compliance processes to be more streamlined and faster process. |
| Lower Keys | Respond to the housing crisis, stop putting the hardest hit areas last with all cleanups, communicate better with public, be more eco friendly. |
| Lower Keys | Help the homeless. |
| Lower Keys | Affordable housing |
| Lower Keys | Regulating companies and contractors from price gouging to repair or replace homes. That are damaged or out of code or want to be replaced. |
| Lower Keys | recycling |
| Lower Keys | Nothing. doing a great job with the size government it has. |
| Lower Keys | Finding meaningful non-residential uses for vacant lots for property owners. Sticking to financial priorities of core government responsibilities. |
| Lower Keys | Crack down on illegal vacation rentals and emphasize better enforcement of affordable housing deed restrictions. |

| | |
|------------|--|
| Lower Keys | Building and permitting department is a mess. Permits take too long and the process is too complicated and often goes through unnecessary departments. |
| Lower Keys | Control the number of "resorts" being built. |
| Lower Keys | Slow building and growth but at same time figure something out for housing that is actually affordable |
| Lower Keys | Grants to lift houses |
| Lower Keys | reduce cruise ship traffic |
| Lower Keys | Respond clearly when a citizen asks for guidance on code compliance rather than waffle over what the code really means. If YOU don't understand it... |
| Lower Keys | Put the "local" flavor back in Duval Street. It's a trashy over-priced cruise ship strip now. It's headed the way of St. Thomas, Cancun, and others. |
| Lower Keys | Make the budget more transparent. It is very hard to understand, and I have a graduate degree in economics! |
| Lower Keys | The county needs a better process at the building department regarding paperwork. There are too many forms to fill out. Everything needs streamlining. |
| Lower Keys | Recycling & Road paving |
| Lower Keys | Reopen the DMV and create a building permit office on Big Pine Key |
| Lower Keys | Control tourism. While we need tourists we don't have to become slaves to the industry. CUT THE GREED!!! |
| Lower Keys | Use plans and agreements already in place rather than constantly moving the goal line to accommodate further development. |
| Lower Keys | Repair our roads. Close loopholes in code exploited by developers. Stop illegal transient rentals. Build more workforce housing. |
| Lower Keys | Many county employees are not there to help their fellow citizens. They often impede & create barriers to getting things done. |
| Lower Keys | Govt employees and our board members are ridiculous. They are power hungry, often overstep their bounds and generally tell residents NO to everything. |
| Lower Keys | Hire people who are qualified for their jobs. I spent 12 years at the library taking direction from people who wouldn't know Hemingway from Joyce. |
| Lower Keys | communications in times of emergency - have our server off the Keys, with information able to be updated by satellite phones. |
| Lower Keys | Give landlords tax incentives to offer reasonable rental rates for our service industry employees. |
| Lower Keys | Work in more collaboration with municipalities to see where opportunities exist; inform residents more often about what County does- launch campaign. |
| Lower Keys | Look out for permanent resident's interests |
| Lower Keys | balance between local and visitors needs |
| Lower Keys | Provide better support to local social service agencies that are responding to needs of children, elderly and disabled. |
| Lower Keys | Stop faking interest in water and reef quality, and enforce the existing law. |
| Lower Keys | Communicate better with the lower keys residents, especially the Big Pine Key area. |

| | |
|------------|---|
| Lower Keys | post irma information and response was terrible. pass ordinance giving county first right of refusal to buy lots at contract price after big disaster |
| Lower Keys | Prioritize the needs of the local people and families over the tourists and snowbirds. |
| Lower Keys | Ban leaf blowers |
| Lower Keys | Move KOTS to a county property. Manage KOTS as a county, not a city of Key West only. |
| Lower Keys | County District Maps for a true geographic Lower Keys District separated from Marathon (N.W partial) District: true local commission representation. |
| Lower Keys | Clean up Wisteria Island and make it day use only - no fire or camping. No derelict boats in any waters, all boats must be on paid moorings. |
| Lower Keys | Improve public transportation |
| Lower Keys | Be fair to homeowners who sometimes rent |
| Lower Keys | Clean out Wistiria island |
| Lower Keys | Listen to the residents. |
| Lower Keys | The County needs to support RESIDENTS. Currently the County seems to disdain residents, and prefers business owners and developers. |
| Lower Keys | Better education |
| Lower Keys | Maintain overdevelopment |
| Lower Keys | Hurricane prep without evacuation. |
| Lower Keys | Restrain ourselves from believing that we can continue to add people and buildings to the Keys without very negative consequences. |
| Lower Keys | Better manage the current "overtourism" that is the root cause for traffic problems and workforce issues. |
| Lower Keys | Traffic control |
| Lower Keys | Be more efficient in what you already do. Live within a balanced budget. |
| Lower Keys | Same as above |
| Lower Keys | NA |
| Lower Keys | Less development, focus on quality of life, we have maxed out our environment and need to accept this and protect it |
| Lower Keys | Building dept. is awful. Legal dept. over reaches & is bad for business. County cannot figure out appropriate eco-sensitive growth for our environment. |
| Lower Keys | Overdevelopment controls..zoning, code enforcements |
| Lower Keys | Curtail the approval of more of the same stores e.g. CVS and Starbucks |
| Lower Keys | Pave roads |
| Lower Keys | Allow citizens greater ability to do what they wish with their own property. |
| Lower Keys | Listen to the residents!! Realize there is no need for affordable housing in the lower keys residential neighborhoods. It belongs in KW and Marathon. |

| | |
|------------|---|
| Lower Keys | WATER CONSERVATION TO BRING RATES DOWN. GREEN INITIATIVES. WE SHOULD BE A TOP "GREEN" COUNTY IN THE COUNTRY. EXPEDITE AFFORDABLE HOUSING-NOT RHETORIC! |
| Lower Keys | Provide more direct services for disabled citizens and youth. |
| Lower Keys | Modernize. Invest in technology to serve the community - software, apps, online services for information and conducting transactions with the County. |
| Lower Keys | Reduce waste through energy conservation measures. |
| Lower Keys | Make the exit from KMart parking lot in Key West right turn only. |
| Lower Keys | Make permitting more affordable for middle class |
| Lower Keys | Enforcement of speed limits. The building department just needs to be cleaned out, from office staff to inspectors all are unprofessional. |
| Lower Keys | Control growth |
| Lower Keys | help those who live here year round and not make it for investors just for the prime season, keep drs for health care |
| Lower Keys | Workforce housing |
| Lower Keys | We should be doing more to protect the fragile environment we call home. Ban all plastic bags at retail, only sell reef friendly sunscreen at retail.. |
| Lower Keys | Keep taxes lower |
| Lower Keys | Getting drunk drivers off the road |
| Lower Keys | Transparency. The Marathon Hospital Tax was adopted with almost no public input. |
| Lower Keys | Work with travel planners and transportation firms to reduce the number of personal vehicles entering the keys. |
| Lower Keys | Better auditing/financial management. |
| Lower Keys | More open Spaces with trees besides palms. Many more indigenous trees and green spaces. |
| Lower Keys | Improving Duval Sreet; beautification; business development; pedestrian only zones. |
| Lower Keys | More attention to kids and their needs. |
| Lower Keys | Greatly improve the integrity and ethics of the politicians to a non-greed based accountability. |
| Lower Keys | Make things for children like Key West, Islamorada and Key Largo have done! Make a splash park for our children to play like other communities have. |
| Lower Keys | Stop building fishing bridges!!!! These are not putting any money back in to economy and there are already plenty of them. Add Pools/ parks instead. |
| Lower Keys | Flood management, dealing with rising sea levels |
| Lower Keys | Dredge the canals. Rumble strips down middle of highway to reduce head on collisions. The strips only make noise when you pass. |
| Lower Keys | expedite post-Irma re-building from current residents (new development has lower priority.) |
| Lower Keys | Monroe county spends too much money spent on staff who don't do anything, are not at all helpful, and drive county vehicles to and from work. |

| | |
|------------|--|
| Lower Keys | Increase speed at which priorities including affordable housing is developed. |
| Lower Keys | Having a cohesive vision for the future of growth. |
| Lower Keys | Transportation |
| Lower Keys | Road maintenance |
| Lower Keys | Manage its tourism |
| Lower Keys | better/more housing options for the middle class |
| Lower Keys | More public education prior to making changes within the government. An understanding of the why so we can all benefit from the results. |
| Lower Keys | prioritize expenditures from the 304 fund |
| Lower Keys | Take care of long term residents. Cap off rental rates. |
| Lower Keys | Divert TDC funding to CO2 mitigation and learn from past hurricanes. It is not like we have no experience! 30% will never evacuate need shelters |
| Lower Keys | I don't know - it's tough to meet everyone's needs - but I think there's NOW too much emphasis on affordably housing and not on those living here |
| Lower Keys | Treat the unincorporated areas at least as good as the incorporated areas |
| Lower Keys | Creating more affordable housing. |
| Lower Keys | Take care of employees and be competitive with wages. Monroe could be paying the same wages as Miami Dade. We have very low taxes RAISE TAXES!! |
| Lower Keys | Wages need to be better in order to allow the workforce to have a quality of life here. A happy workforce makes for a stable community. |
| Lower Keys | How much tourism dollars at international hotel chains stays in the Keys, yet the county has to support all of the infrastructure, police, fire, roads |
| Lower Keys | Supporting the business community with training opportunities, through code compliance, enhancing ability to reduce liability exposure. |
| Lower Keys | Better care of the infrastructure and Have a plan in place for recovery of the waterways and canals, ahead of a storm. |
| Lower Keys | I am NOT in favor of penalizing local single unit homeowners from renting on AirBNB. The hotels charge \$300-\$400 per night yet do not pay their cont.. |
| Lower Keys | Disaster preparedness and recovery |
| Lower Keys | Infrastructure |
| Lower Keys | Aiding/prevention of homelessness. |
| Lower Keys | N |
| Lower Keys | Control growth. |
| Lower Keys | See above |
| Lower Keys | Keep affordable housing away from prime real estate Make it market drive. |
| Lower Keys | Slow growth of resorts that are squeezing our locals and increasing pressure on housing. |
| Lower Keys | Help with putting a cap on rental prices not only of housing and apartments but retail space. |

| | |
|------------|--|
| Lower Keys | Communicate and engage with residents and interact with the City of Key West |
| Lower Keys | more affordable housing |
| Lower Keys | The trash (not hurricane debris) is disgusting in KW, maybe if we're going to spend millions of \$ building a homeless shelter they could help CLEAN UP! |
| Lower Keys | Respect the environment and not over build, keep the pace here slow |
| Lower Keys | Recycling. There has to be a better way to remain environmental |
| Lower Keys | Clean-up after Irma wasn't handled well. Friends in the middle Keys still have debris piled near their houses yet clean-up was declared months ago. |
| Lower Keys | Finance not for profit ownership affordable housing rather than just rentals. Allow people to take ownership after long term local employment. |
| Lower Keys | Fix their code enforcement. Currently there is no research into complaints or violations. Simply issues verdicts without validation 50% of the time. |
| Lower Keys | Much more consideration of residents' needs. |
| Lower Keys | Communicating with residents |
| Lower Keys | More benefits and services or discounts for local "hero" workers such as Fire, EMS, teachers, nurses, police. |
| Lower Keys | Better advocate for residents of the Keys in Tallahassee. Streamline and help homeowners with the hurricane repair/rebuild process and not roadblock. |
| Lower Keys | Drugs free |
| Lower Keys | Enforce existing building codes. |
| Lower Keys | Enforcement of existing laws and ordinances. |
| Lower Keys | Cut the crazy requirements for builders, Miami Dade building codes are fine. County requirements are causing the high cost of building in Monroe co |
| Lower Keys | Stop allowing rent gauge from homeowners. |
| Lower Keys | Public Integrity |
| Lower Keys | NA |
| Lower Keys | Don't be such nazis about code compliance, the harder you push the more people will work without permits |
| Lower Keys | Limit traffic and drastically improve bicycle safety. |
| Lower Keys | Limit traffic and drastically improve bicycle safety. |
| Lower Keys | Emergency management. If the Emergency management team isn't preparing for a hurricane, what exactly are they planning for? |
| Lower Keys | Diversify the economy, more money will flow and the rest will follow. |
| Lower Keys | The county needs to place the priorities of its residents above those of tourists and non-residents. |
| Lower Keys | 1 |
| Lower Keys | Develop new industries such as securing a developer for an advanced high speed monorail system from Homestead to KW with 2 stops Marathon and Key West |
| Lower Keys | Hurricane reentry; Allow self-sustaining residents to enter immediately. Most people do not expect to be taken care of. It's on us. |

| | |
|------------|---|
| Lower Keys | Crack down on drivers that endanger the lives of other on US1. Please kick Comcast out of the Keys. |
| Lower Keys | unnecessary clogging of US 1, whether it's the park in Islamorada or accidents on the highway. Toll road US 1. Up speed limits in areas. |
| Lower Keys | Plan For The Future |
| Lower Keys | House the homeless |
| Lower Keys | Take a good, hard look at their female sr.director/acting county administrator |
| Lower Keys | Stunting the rapid growth of development before it gets anymore 'carnival' here. |
| Lower Keys | Be prepared ahead of Natural disasters for quick clean up. |
| Lower Keys | Support the locals. tourism will be much happier when the locals are 100% taken care of. We cannot have one without the other. |
| Lower Keys | Communicate where the money is being spent. |
| Lower Keys | Work to help the people instead of regulating against them (code, building. Parking) |
| Lower Keys | Affordable Housing! |
| Lower Keys | Enforce existing laws |
| Lower Keys | I think we need to offer more green energy options by encouraging solar panel leasing. |
| Lower Keys | Hurricane preparedness |
| Lower Keys | Consistency in processes |
| Lower Keys | Emergency communication reliability |
| Lower Keys | manage costs |
| Lower Keys | Give appropriate salaries for the jobs offered so we can afford to continue to live here. |
| Lower Keys | control illegal rental properties |
| Lower Keys | Getting things done. Decisions about important issues take too long and then the implementation takes even longer. Just Get It Done! |
| Lower Keys | Waste management, the last sequence of contracts cut services by 50% with no appreciable change in taxpayer burden. |
| Lower Keys | addressing the affordable housing issue, until this is properly addressed, we will not have the quality of life we should have |
| Lower Keys | Start schools later (i realize that is MCSD's call.... But county should ask school district to do this before Cow Key Bridge construction is planned |
| Lower Keys | Social services |
| Lower Keys | Controlling pension and health expenses for employees from our taxes |
| Lower Keys | Spend money on items that are truly needed rather than on individual agendas so taxes are not raised on residents. |
| Lower Keys | Growth control |
| Lower Keys | Take care of full time residents, prevent overcrowding, keep taxes down. |
| Lower Keys | Complete ongoing projects such as the bicycle pathway and road repair. |
| Lower Keys | Bike and transportation about town efficiently |
| Lower Keys | Affordable housing, even if it means fewer hotels/guest houses. Traffic flow. |

| | |
|------------|---|
| Lower Keys | Do something about the terrible utility company on Stock Island owned by the Smith family, negotiate a quicker repair of Cow Key bridge. |
| Lower Keys | Climate change effects with flooding potentials and growing flood and wind insurance rates |
| Lower Keys | Green space, infrastructure and water quality |
| Lower Keys | Hire country residents for significant positions and not waste our funds on external head hunters. |
| Lower Keys | Lobby for affordable housing |
| Lower Keys | Lower cost housing |
| Lower Keys | Oversight of hotel development. |
| Lower Keys | Encouraging affordable housing utilizing public/private partnerships |
| Lower Keys | Sweep the streets would make roads safer for bikes and M/C. More Clean up, the Islands look trashy and NO its not the job of volunteers to keep it cl |
| Lower Keys | parking outside kw and increased transit options to old town, especially with cow key bridge repairs coming. Bicycle LIGHTS!! and rule following. |
| Lower Keys | Let businesses build worker housing. It is not the responsibility of the country. If business will not address the issue then businesses will fail. |
| Lower Keys | Clean the beach in Key West. |
| Lower Keys | Create an outreach to help and protect its most vulnerable citizens - the poor and the homeless. |
| Lower Keys | Clean streets and waters edge of trash. PAVE BERTHA IN KEY WEST |
| Lower Keys | Working with residents better through the permitting process. |
| Lower Keys | Offer year round long time residents & Conchs relief in property tax, parking fees, permits on simple home repairs. |
| Lower Keys | Clean up shores of garbage |
| Lower Keys | Prepare for the future build out of the Keys by raising funds to resolve the issues with vacant lot owners |
| Lower Keys | Make it a nice place to live for people who have to work not just for the mega-wealthy who buy houses they never use. |
| Lower Keys | Communication! Keep residents informed on their performance. |
| Lower Keys | Limit more housing . We are at capacity now. |
| Lower Keys | Affordable housing and traffic; too many accidents closing down US 1 on what seems like an almost daily basis. |
| Lower Keys | Disclosing what tax money is being spent on and asking the public what we want the money spent on. |
| Lower Keys | Consistently informing residents & taxpayers of the progress on the 5 year plan for the county. With any changes noted and the reasoning behind. |
| Lower Keys | streamline permitting process |
| Lower Keys | Maintain roadways off US 1, continue to work to reduce insurance rates, |
| Lower Keys | Safer roadways. |
| Lower Keys | Parks need cleaning, maintenance, and more infrastructure. City and County employees should be reevaluated. |
| Lower Keys | NA |

| | |
|------------|--|
| Lower Keys | Invest in your employees with higher wages and better benefits and invest in your residents by eliminating any new building unless it is AFFORDABLE! |
| Lower Keys | Make sure that those building don't get away with loop holes like Employee Housing instead of affordable housing. Push for wages to be higher in count |
| Lower Keys | AFFORDABLE HOUSING |
| Lower Keys | Adhere to rules and codes set in place by nationally required codes and stop giving bubba approvals |
| Lower Keys | Beautification and health care options/encouragement. Its dangerous to have a health problem in the lower keys. Survival rate seems low. |
| Lower Keys | Control and eradicate invasive species |
| Lower Keys | MORE AFFORDABLE HOUSING |
| Lower Keys | Better control on bicycle and pedestrian traffic |
| Lower Keys | There is always room for improvement no matter what the subject may be. |
| Lower Keys | Provide public access to beaches. Clearly mark those access points. Keep them clean and easily accessed with decent natural parking. |
| Lower Keys | Building permit process. Be transparent with the process. Treat the residents with respect, unlike Mary Wingate in Marathon. |
| Lower Keys | Regulation has gone beyond reasonable. |
| Lower Keys | Support local families and help create a local community to foster long term growth |
| Lower Keys | Idk |
| Lower Keys | A more modern approach to communication with citizens. Younger citizens (ie, 28-35) expect transparency and ease of information about what's going on. |
| Lower Keys | Crack down on illegal transit rentals |
| Lower Keys | start saying NO to development projects, no matter whose name is attached and how big their bank account. |
| Lower Keys | attract quality tourists |
| Lower Keys | Making their work force the number one priority |
| Lower Keys | The Cow Key bridge reconstruction in 2020 should be planned better. 2 lanes in/out of Key West will be a traffic nightmare and hurt business. |
| Lower Keys | Better serve the community by providing quicker turn around times for permits especially after a hurricane. |
| Lower Keys | Pick up all the homeless and drop them off on a deserted island. |
| Lower Keys | Effects of tourism on the environment |
| Lower Keys | Reduce taxes by outsourcing government services that can be done outside of Monroe County |
| Lower Keys | Rumor control. Since news crews could only show upper keys they created "news". Marco Rubio told press Key West had to evacuate because of disease |
| Lower Keys | Utilize funding to support projects that support the entire community vs special interests. Streamline and revise permitting |
| Lower Keys | More accountability of upper management. |

| | |
|------------|--|
| Lower Keys | Act as a connector between 4 dissimilar communities. People in KW don't feel any connection to Monroe County except when they are paying taxes. |
| Lower Keys | Supporting development that 1. Values workforce housing over the development of hotels and luxury condos or 2. enriches the Keys culturally. |
| Lower Keys | Control how many properties can be used for transient rentals |
| Lower Keys | Protecting the rights of all people. |
| Lower Keys | Listen to its constituents and develop processes and systems that are neither punitive or obstructionist. |
| Lower Keys | Cleaning up the mangrove areas |
| Lower Keys | Evacuation process and storm preparedness |
| Lower Keys | Compassion. Working class people are second class citizens in Monroe County. |
| Lower Keys | Take care of its long term residents, especially the ones who are not wealthy. |
| Lower Keys | permitting |
| Lower Keys | Expand highway 1 and better communication during hurricane evacuations |
| Lower Keys | Claim the Keys are open for business, yet run off tourists who decide to arrive on a motorcycle |
| Lower Keys | Train the Building Department to be helpful rather than obstructionist. |
| Lower Keys | They could stop trying to dissociate themselves from Florida and grow a city within Florida for safer infactructurers,homes for people who work here |
| Lower Keys | #NAME? |
| Lower Keys | Better paved roads |
| Lower Keys | Improve communication, remove rather stodgy layers of bureaucracy |
| Lower Keys | I am going to have to move home due to can't find housing |
| Lower Keys | Stop granting wavers for builders to build more resorts and hotel rooms. |
| Lower Keys | Learn to never, ever, let one vocal persistent constituent dictate County policy and decisions of the Planning staff & BOCC ever again. |
| Lower Keys | Stricter limits on the permitting of high density resorts through ROGO use. There is not a sustainable legal workforce to staff these properties. |
| Lower Keys | Give residents who are not as rich a chance to live in the Keys |
| Lower Keys | Communication |
| Lower Keys | Protect habitat. |
| Lower Keys | Contribute fair share to address homelessness. Stop pretending it's only a KW problem. |
| Lower Keys | Care about all its people. I have seen so many good working people leave over the last 14 months, were was government when we lost our good workers |
| Lower Keys | Don't allow huge corporations to buy up all the land & hotels & stores. Duval Street is starting to look like any cruise stop in all the Caribbean. |
| Lower Keys | Better hospital |

| | |
|------------|--|
| Lower Keys | subsidize wind and flood rates |
| Lower Keys | Pay library staff and school teachers better! |
| Lower Keys | Reduce the size and scope of government so people can keep more of their own money. Less is more. |
| Lower Keys | The County's response to Hurricane Irma was a total failure. Replacing the County Administrator would be a good start. |
| Lower Keys | More citizens could be assisted if the County were to expand their programs and services. |
| Lower Keys | Work more with businesses to help bring down the cost of living. |
| Lower Keys | Permit fees too high. Pollution control: need more public education and increased fines. |
| Lower Keys | Limit vacation rentals - Start thinking more about the citizens of Monroe county rather than the vacationers to the county Better education system- |
| Lower Keys | communication and all of the keys working together. quality of life - affordable housing and hourly wages that make sense for the cost of living here. |
| Lower Keys | Prioritize locals. |
| Lower Keys | prioritize the needs of working people. The lack of quality affordable housing is an epidemic, depriving the community of young families |
| Lower Keys | Clean, well kept infrastructure and landscaping |
| Lower Keys | Stop trying to or allowing the rental rates or availability to be outstandingly high, or filling them without of town workers so the locals can occupy |
| Lower Keys | It will never happen. |
| Lower Keys | County needs to be diligent in protecting the lower keys as a last part of the rural keys |
| Lower Keys | Making it easier to get permits to maintain and beautify property. |
| Lower Keys | Better Governance. Lack of planning for recovery and charging fees for rebuilding has been disgraceful. |
| Lower Keys | Recuperating after a storm. They dropped the ball and now, many who left will never leave again. |
| Lower Keys | n/a |
| Lower Keys | promote or encourage growth |
| Lower Keys | transportation (water, air and roads) must be improved; We need to work closely with FDOT to accomplish what we need. |
| Lower Keys | More control on drugs |
| Lower Keys | recycling and green living |
| Lower Keys | Think of the locals instead of Big Developers. |
| Lower Keys | Attract diverse businesses so that we do not rely as heavily on tourism |
| Lower Keys | More efficient public works system |
| Lower Keys | Listen to the families vs tourism |
| Lower Keys | Limit the amount of advertising that draws all sorts of unwanted people to these environmentally sensitive islands |
| Lower Keys | Revoke the conflicting, paralyzing regulations. Create ethics oversight and stop the nepotism. |
| Lower Keys | Speedier approval of permits/licenses |

| | |
|------------|--|
| Lower Keys | Post hurricanes cleaning. |
| Lower Keys | more streamline process in building department, additional staff |
| Lower Keys | clean up and truly take pride in our island |
| Lower Keys | not letting developers build what they want and get variances for things they wont do |
| Lower Keys | Be far more aggressive at limiting trashy developments by the common list of Bubbas which don't benefit everyone. |
| Lower Keys | housing |
| Lower Keys | Building dept. permit process does not encourage locals to build. There should be an incentive to building a homestead. |
| Lower Keys | protection of citizens and natural wildlife. |
| Lower Keys | Bicycles, scooters, and pedestrians are a major hazard to themselves and others and only through law enforcement will that change. |
| Lower Keys | We need to stop being stagnant. |
| Lower Keys | we love tourist as they do bring a lot of money into this town, maybe some of the money could go to fixing the street and sidewalks that are awful |
| Lower Keys | Road maintenance! |
| Lower Keys | Better road work |
| Lower Keys | Better job welcoming visitors |
| Lower Keys | Monroe County should be more strict with evacuation policy before hurricane. |
| Lower Keys | Living Wage |
| Lower Keys | bikers safety regulations |
| Lower Keys | Respect the voices/contributions of residents that aren't "conchs". We care too. |
| Lower Keys | we have to make it more affordable to live here. that is the biggest reason people leave along with the housing cost |
| Lower Keys | Pay closer attention to the year round residents as opposed to the richer seasonal folks. |
| Lower Keys | Green energy |
| Lower Keys | . |
| Lower Keys | Permitting for building on empty lots |
| Lower Keys | Start developing residentially. |
| Lower Keys | Make Keywest for the locals again. |
| Lower Keys | Provide better services for the elderly |
| Lower Keys | Have a more comprehensive evacuation and reentry plan for disasters. |
| Lower Keys | Including public in decisions on road work.***PLEASE DO SOMETHING ABOUT THE CROSSWALKS. THEY NEED TO HAVE STOP LIGHTS INSTALLED*** |
| Lower Keys | Improve the road conditions for driving. Installing traffic stops and lights where needed. |
| Lower Keys | Use more control with regard to Utility projects |
| Lower Keys | Mental health |
| Lower Keys | Code compliance does not play fair. The rules are not the same for everyone. Living in the Keys is relatively harder place to live. Not easy. |

| | |
|------------|---|
| Lower Keys | Better balance vacation rentals and the availability of housing and services for year round residents |
| Lower Keys | Listen to residents. Hold quarterly townhall meetings. |
| Lower Keys | Fix the roads that are in terrible shape |
| Lower Keys | I think Monroe County could improve roads for safety travels with our guest on mopeds. Although you have done a great job there are areas of concern. |
| Lower Keys | Respond to needs of ALL constituents, not just the idle wealthy. Focus code enforcement activities on REAL safety and environmental impact activities. |
| Lower Keys | Control growth |
| Lower Keys | make it easier to obtain building permits, do away with mini season. They destroy our waters |
| Lower Keys | No comment |
| Lower Keys | Protect the residents from very dangerous aggressive and hostile drivers. Get utility prices, grocery lower. Raise wage 25\$ hr. |
| Lower Keys | Keeping space for wildlife and brush and not selling out to developers with big plans for resorts. |
| Lower Keys | Improve efficiency and time that it takes to get things completed |
| Lower Keys | Challenge the wind and flood insurance rates that are being charged. |
| Lower Keys | keep the landscaping around town up to date and nice |
| Lower Keys | REDUCE PLANNING/BUILDING CODE PROCESS DELAYS |
| Lower Keys | Enforcement of existing codes. |
| Lower Keys | More competitive wages and benefits to keep quality County workers from leaving. |
| Lower Keys | Streamline permit process |
| Lower Keys | Better responsiveness to residentsâ€™ needs during and especially after a crisis. Help us get things repaired. Control price gouging. |
| Lower Keys | Cops need to step up when it comes to enforcing traffic laws for motorists, pedestrians, bicyclists, motorcyclists and scooter drivers. |
| Lower Keys | Police the crazy drivers from the mainland on weekends and events |
| Lower Keys | Communicate with its residents on changes made to building, rebuilding issues and to use history to enhance the future, such as replacement of former |
| Lower Keys | Affordable housing. |
| Lower Keys | Take care of the tax payers more than the Tourists!! Have more county transportation. Have a lot on Stock Island to park and bus tourist and locals. |
| Lower Keys | Control traffic. |
| Lower Keys | Work on making flow through canals. |
| Lower Keys | Cut cost and use their existing assets better. |
| Lower Keys | Hurricane before and after issues |
| Lower Keys | Customer service permit building department |
| Lower Keys | I think the county caters to only those who have 7 figure income. |
| Lower Keys | More law enforcement on the waters |
| Lower Keys | Out the Bubba system. |
| Lower Keys | Nothing comes to mind. Thinking of Irma, it amazed me how quickly responses were put into action. We are unique and resources do not come easily. |

| | |
|------------|--|
| Lower Keys | Allow competing qualified companies to win contracts in the county |
| Lower Keys | Communicate with it's residence |
| Lower Keys | Medical care in Key West |
| Lower Keys | Encourage full time Residencial living and rentals by tax incentives |
| Lower Keys | US1 needs to be four lanes (two each direction) all the way to Miami with turn lanes in the middle. That will alleviate the hurricane evac issue. |
| Lower Keys | Create a sense of community. Encourage people to feel invested in the community. Find ways to fight second home ownership. |
| Lower Keys | Prioritize a ecological healthy & sustainable environment. Make all departments accesible and receptive for citizen input. Investigate building dept. |
| Lower Keys | Cleaning and maintenance of parks, roads, water |
| Lower Keys | Permitting process is less than intuitive from my experience after Irma. Different answers from different people. Website doesn't clarify process . |
| Lower Keys | Lower taxes |
| Lower Keys | Put up center line barriers preventing passing in no passing zones where countless same mile marker head on accidents occur. |
| Lower Keys | Yes |
| Lower Keys | Better And Faster Social Media Presence |
| Lower Keys | Service plazas so tourist coming down donâ€™t bother business and end up urinating on the highway ! Code enforcement |
| Lower Keys | Building department processes |
| Lower Keys | Tell us about our natural nearshore and offshore Water quality |
| Lower Keys | Hurricane response. |
| Lower Keys | Make it more children friendly have more events for children & waterparks in various locations so we donâ€™t have to pay meters to take our kids parks |
| Lower Keys | Mental health services and support and bicycle safety |
| Lower Keys | Almost everything |
| Lower Keys | Regulate boats that randomly anchor and clog our waterways. |
| Lower Keys | Mandate a slower speed limit on the island. Reduce the amount of accidents and deaths. If it's bad for tourism, maybe the BOCC will pay attention. |
| Lower Keys | See above |
| Lower Keys | Tourism education of our ecosystem. |
| Lower Keys | Allow people to rebuild their homes without putting roadblocks up that make continued residency impossible |
| Lower Keys | Keeping the commercialization of the keys to a minimum and supporting family business. |
| Lower Keys | Limit Vehicles on the island. |
| Lower Keys | Creation of livable housing. |
| Lower Keys | Clean energy, Alternative transportation |
| Lower Keys | Code enforcement |
| Lower Keys | Listen to the people.. after Irma you all did nothing. |
| Lower Keys | Everything |
| Lower Keys | Communication with residents, protect our near shore waters and add back country navigation aids. |
| Lower Keys | Traffic is getting worse every year. Better traffic control |

| | |
|---|--|
| Lower Keys | Better code enforcement , trashy homes |
| Lower Keys | Cleaner roadways - tell the State less plants more mowing. |
| Lower Keys | Faster response after hurricanes. It has been over a year and Long Beach Drive in Big Pine is still not repaired and repaved. |
| Lower Keys | Control the homeless population |
| Lower Keys | Enforce exiting speed limits in National Key Deer Refuge. |
| Lower Keys | Listen and respond to its citizens |
| Lower Keys | Term limits |
| Lower Keys | Cobtrol expansion |
| Lower Keys | Affordable housing and traffic clearing for US1 |
| Lower Keys | Clean itself up. Much of the county has vacant and or compromised buildings and what looks like teniment housing |
| Lower Keys | Better and more affordable housing |
| Lower Keys | Overburdening roads,overseeing transient licenses |
| Lower Keys | The road construction goes for few days then they leave without finishing. Finish a job |
| Lower Keys | Eliminate nepotism in the public sector and the "That's how we've always done it" mentality |
| Lower Keys | Keep the island feel by controlling and limiting traffic and tourism |
| Lower Keys | Tracking transient licenses |
| Lower Keys | Enforce traffic laws. Donâ€™t be afraid of writing tickets! |
| Lower Keys | Treat residents better. The County seems to always respond with "no" when they really should work with the residents. |
| Lower Keys | Reasonably enforce existing regulations especially after the hurricane. It is obvious the County was not prepared for the recovery. |
| Lower Keys | Enforce Distracted driving. There are way too many people taking on their cell phones while driving. Sure tourists drive the economy but at what price |
| Lower Keys | Building code compliance as a whole is great. Hire some people with a little compassion and common sense when looking at residential properties |
| Lower Keys | Elect better officials |
| Lower Keys | Crackdown on contract labor forces using illegal labor for jobs, especially in the hospitality sector. |
| Lower Keys | Preserve full time residentsâ€™ quality of life |
| Lower Keys | provide low cost, reliable public transportation 24 hours per day, 7 days per week, including holidays |
| Lower Keys | Manage building code processes for applications, approval and compliance. |
| Lower Keys | Recycling, better school districts (blue ribbon distinction) |
| Lower Keys | Everything |
| Lower Keys | Manage tourism! It is out of control, It should be about residents enjoyment of their homes/neighborhood and our local communities, too many tourists |
| Lower Keys,I am not a resident of the Florida Keys. | Promote better |

| | |
|-------------|---|
| MAR CofC | Better and more varied doctors for senior |
| MAR CofC | Bring serious commercial airlines to Marathon airport |
| MAR CofC | Build affordable housing |
| MAR CofC | Ditto |
| MAR CofC | expedited permitting, more housing in county |
| MAR CofC | Faster permits |
| MAR CofC | Faster permits |
| MAR CofC | Improve traffic flow on US 1 |
| MAR CofC | Landscape and maintain our community. |
| MAR CofC | Legalize marijuana |
| MAR CofC | Less vacation rentals |
| MAR CofC | More responsive |
| MAR CofC | Review skewed HUD income guidelines |
| MAR CofC | Road clean-up |
| MAR CofC | Screw HUD and make housing affordable!! |
| MAR CofC | Streamlined permits |
| MAR CofC | Tourism stimulus |
| MAR CofC | Work more closely with the cities |
| MAR Rtry | Be user friendly especially in building and planning department |
| MAR Rtry | Better strategic coordination between County & municipalities |
| MAR Rtry | Create connectivity within the Keys |
| MAR Rtry | Do away with ROGO |
| MAR Rtry | Enhance cooperation with municipalities and speak with one loud voice to Tallahassee and Washington. |
| MAR Rtry | Faster permitting |
| MAR Rtry | Increased community input. |
| MAR Rtry | More affordable housing units |
| MAR Rtry | More community work shops |
| MAR Rtry | Public transportation Clean the beaches. Assist affordable housing project |
| MAR Rtry | Speed in recovery and assistance |
| MAR Rtry | Work together on "county wide" issues |
| Middle Keys | Deal with traffic issues, and problems (erosion, litter, safety) with visitors using the road sides as recreation areas. |
| Middle Keys | increased use of technology in county services and communications |
| Middle Keys | stand up like men and stop pointing the finger to the other guy when they are asked somrthing |
| Middle Keys | Traffic flow. It's terrible in Islamorada, particularly on the weekends. |
| Middle Keys | Speed up the building and permitting process |
| Middle Keys | focus on what brings the tourists her |
| Middle Keys | somehow keep the rental houses out of the residential mix. |
| Middle Keys | Update what we have instead of building more. |
| Middle Keys | evacuation for storm |
| Middle Keys | Traffic!! Particularly in Islamorada. |
| Middle Keys | Encourage property owners to offer affordable long-term rentals as opposed to vacation rentals. Tax relief incentives for owners of long-term rentals |
| Middle Keys | Support the tourism industry. |

| | |
|-------------|---|
| Middle Keys | Managing the day tourists who spend their \$ in Homestead, and use the roadsides, and leave their garbage behind. |
| Middle Keys | Billboards explaining fishing regulations and also our commitment to a trash free environment. |
| Middle Keys | Stop allowing rich people to buy houses that sit empty 9 months out of the year. |
| Middle Keys | I think we can all do a better job of being plastic conscious being so close to the ocean. |
| Middle Keys | Stop the out of control growth. Put tax proposals to a referendum vote by the residents |
| Middle Keys | Better lighting on Sombrero Beach Rd. Most street lights do not work. More policing of Sombrero Beach, vagrancy and littering fines |
| Middle Keys | Affordable rent |
| Middle Keys | Less development. Protect our natural resources that keep this community afloat! |
| Middle Keys | Start taking care of their "locals", not the \$ whores. |
| Middle Keys | Housing housing housing |
| Middle Keys | Increase pay |
| Middle Keys | engage the public |
| Middle Keys | There appears to be little comprehension that community resources available are minimal - and those that exist are 20 years behind the curve. |
| Middle Keys | Enforce vacation rental regulations |
| Middle Keys | Control the events allowed in the keys and STOP the walks, rides etc that just created traffic nightmare for residents. |
| Middle Keys | Stop so many vacation rentals. |
| Middle Keys | Protect its unique environment, natural and human |
| Middle Keys | School security. Protecting the environment, and helping make housing and other living cost affordable for locals. |
| Middle Keys | Actually follow through with proposed policies for creating REAL affordable housing and for mitigating environmental impacts of large developments. |
| Middle Keys | Focus on the local people and providing affordable housing living options. |
| Middle Keys | Think how to mitigate the high cost to live vs the pay made working in the Keys. |
| Middle Keys | Support the full-time working residents by having truly affordable & workforce housing available. Balance tourism & vacation rentals. |
| Middle Keys | The Keys are being overbuilt, especially with hotels and vacation rentals so the quality of life for the year around residents is diminishing. |
| Middle Keys | Have a local TV station |
| Middle Keys | Monitor tourist destruction |
| Middle Keys | Hold Comcast to better standards. In a war the first thing you do is take out communications. Irma took our out and didn't return it for a month. |
| Middle Keys | Respond quicker |
| Middle Keys | Communication |
| Middle Keys | Listen to the residents and not raise taxes without a vote |
| Middle Keys | Lol |

| | |
|-------------|--|
| Middle Keys | Communicate openly, effectively, frequently and in as many formats possible. |
| Middle Keys | Control traffic |
| Middle Keys | Eliminates entitlements to the nonworking families, restrict commercial fishing, keep resources local |
| Middle Keys | Listen to the residents, not the developers or businesses that are there to make a buck no matter what. Other counties have county facilities, commun |
| Middle Keys | Keep the Keys clean, increase littering fines and enforce. |
| Middle Keys | Control the trend of wealthy individuals coming in and purchasing large amounts of property for the sole use of vacation/rentals with ridiculous rent |
| Middle Keys | provide for the homeless (housing, day programs, work programs, drug and alcohol programs) |
| Middle Keys | I don't know |
| Middle Keys | Better enforcement of no parking/no gathering regulations at areas taken over by day trippers with illegal picnics, etc. |
| Middle Keys | Affordable Housing |
| Middle Keys | Develop substantive, actionable plans to address these three primary concerns. |
| Middle Keys | I think it can improve recruitment for salaried professionals such as IT, lawyers, accountants. |
| Middle Keys | Stop putting outsiders first. |
| Middle Keys | Monroe County could extract illegal immigrants more frequently from 1. Trailerama; 2. Key RV; 3. the Rock; and 4. Eastwinds. |
| Middle Keys | Please allow voters to vote on proposed new laws and/or ordinances rather than passing legislation without regard to what Monroe County residents want |
| Middle Keys | Being environmentally aware of the future impacts on the water quality and quality of life here. |
| Middle Keys | Safe bike paths and US 1 crosswalks to encourage walking and biking.....to relieve traffic on US 1. |
| Middle Keys | Expedite the affordable housing allocations. |
| Middle Keys | Big one. Find alternate transportation to reduce traffic congestion. |
| Middle Keys | more aid for senior citizens |
| Middle Keys | Everything |
| Middle Keys | improve hurricane shelters |
| Middle Keys | Enforce water, building limits and construction quality. Make mosquito control another county department, such as parks and rec. Police school mgmnt |
| Middle Keys | Stop vacation rentals. |
| Middle Keys | Give the residents who live year year round more say in their government and community |
| Middle Keys | Inspections and reasonable time frame on building permits |
| Middle Keys | I cannot think of anything. |
| Middle Keys | Clean up our waterways |
| Middle Keys | It is awful to see luxury resorts/vacation rentals going up where (a) people used to live, or (b) where there was natural beauty. Please help! |

| | |
|-------------|---|
| Middle Keys | fixing roads (Summerland) |
| Middle Keys | Accommodate to the locals better. We need better prices on everything, and not outsourcing jobs from Miami. Also, we need better healthcare options. |
| Middle Keys | Act together without splinter groups - KW gets preferential treatment with funding and attention. The middle class throughout the Keys is forgotten. |
| Middle Keys | Their school system. The school district is not prepared for special needs students and that's discrimination. |
| Middle Keys | Better communication |
| Middle Keys | Air Service to Marathon |
| Middle Keys | Control traffic |
| Middle Keys | Law enforcement on the water |
| Middle Keys | Hurricane preparedness |
| Middle Keys | Better communication regarding tax assessments (ie: hospital tax with no referendum..... his can that be?) |
| Middle Keys | Manage waterways during lobster dive days |
| Middle Keys | Treat it's residents better; ie. tax, permit, fee breaks. Or increase fees/taxes/etc for non-residents, second home owners, and giant investors |
| Middle Keys | Returning from storm evacuation |
| Middle Keys | See above |
| Middle Keys | Safety and caring |
| Middle Keys | Monitor traffic on RT 1. Too many deaths. Make RT 1 a toll road. |
| Middle Keys | Clear highway accidents quickly |
| Middle Keys | The handling of the hospital |
| Middle Keys | Better upkeep city owned areas |
| Middle Keys | We need to focus less on affordable housing and more on accommodating people already in Monroe county |
| Middle Keys | None |
| Middle Keys | Less density. |
| Middle Keys | Focus more on its residents and Judy not on the businesses |
| Middle Keys | More efficient, helpful & friendly building department |
| Middle Keys | Beautification of US 1 corridor |
| Middle Keys | Less traffic!!! Tolls to pay for the works of the county. Reduce trashing of the area by visitors |
| Middle Keys | N |
| Middle Keys | Environmental protection. Ban plastic bags. |
| Middle Keys | Affordable housing |
| Middle Keys | Seagrass removal on the beaches. |
| Middle Keys | Hurricane response |
| Middle Keys | Control overuse of infrastructure. We keep building more hotels when the infrastructure can't support the influx. |
| Middle Keys | Stop spending our taxes on things we don't need like hotels resorts |
| Middle Keys | Lacking a decent Shopping center |

| | |
|-------------|---|
| Middle Keys | Stop resort building until TRUE affordable housing is addressed. Redefining "affordable" would be a good start. |
| Middle Keys | Reduce property taxes |
| Middle Keys | Dealing with noise complaints, and speeding |
| Middle Keys | Control traffic on the 7 mile Bridge |
| Middle Keys | Spend their time and resources fighting issues that actually have a chance of being better at it or changed. |
| Middle Keys | Help the homeless |
| Middle Keys | Traffic enforcement |
| Middle Keys | Beautify areas and make bridges safer by eliminating passing or erecting a barrier |
| Middle Keys | Hospitals |
| Middle Keys | Reduce traffic on us1 |
| Middle Keys | Watch for speeding vehicles |
| SSPOA | Accessible BOCC meetings and committee meetings in the evening to allow working citizens to attend |
| SSPOA | Better information given faster to residents absent during storms |
| SSPOA | Common sense permitting |
| SSPOA | Continued emphasis on updating residents with govt issues/management via email/social media |
| SSPOA | Elect County Commissioners by District, not Countywide |
| SSPOA | Expedite road repairs |
| SSPOA | Faster building permits |
| SSPOA | Have meetings later in the day or evening do more people can attend |
| SSPOA | Have the lower keys rep live south of 7 mile bridge. |
| SSPOA | Improve the permitting process |
| SSPOA | Make permit get process faster |
| SSPOA | More interactive and participative government |
| SSPOA | Not buy marinas Enforce laws and codes |
| SSPOA | Raise taxes to hire staff to enforce and inspect existing laws and codes |
| SSPOA | Spend tax dollars efficiently!!! Elect commissioners by District Lower keys county rep live in LK |
| Sunset | Clean up everywhere and promote to stop littering |
| Sunset | Crack down on bad driving (speeding, going to slow, stopping to take photos of every seagull) |
| Sunset | Ease the permitting process |
| Sunset | Focus on improving what we already have. |
| Sunset | Growth management, say no to developers. Don't let the county get into the housing business |
| Sunset | Have a good plan for pre and post storms, 11 months after a storm to clean canals is unacceptable |
| Sunset | Less red tape |
| Sunset | Less talking more action |
| Sunset | More telecommuting jobs tfor less traffics |
| Sunset | Stop requiring permits for changing the color of you house or replacing your fence |

| | |
|------------|--|
| Sunset | Stop talking about affordable housing and start doing something about it. |
| Sunset | Take politics out of decision making |
| Sunset | The vision of what we want to see in 20 years and how we can make that vision happen |
| TCA | Be more interactive with residents. Ask for input. Listen to suggestions |
| TCA | Better trained code officers |
| TCA | Coffee and cookies while waiting in line at County offices |
| TCA | Enforce our land use codes |
| TCA | less county tax money for social and more for police & fire/rescue. |
| TCA | Strategically seek input on county spending and utilization of resources |
| UK Rotary | Better pay for police officers |
| UK Rotary | Communicate our priorities to FDOT |
| UK Rotary | Communication |
| UK Rotary | Communication. |
| UK Rotary | Ease restrictions |
| UK Rotary | Easier permits |
| UK Rotary | Easier permitting process |
| UK Rotary | Eliminate the TDC. |
| UK Rotary | Fast track permits for commercial and residential rebuild after a storm. |
| UK Rotary | Hire locals who understand our community |
| UK Rotary | Hire more competent inspectors |
| UK Rotary | I believe you are focused on doing better every day...and you'll get it done |
| UK Rotary | I think you all do pretty well. |
| UK Rotary | Improve traffic |
| UK Rotary | Legitimise workforce housing |
| UK Rotary | Lighten up on permit requirements then less would be done illegally |
| UK Rotary | Listen better |
| UK Rotary | Permitting |
| UK Rotary | Permitting Derfler4Clinton! |
| UK Rotary | Permitting after hurricane |
| UK Rotary | Quit pushing affordable housing as a substitute for higher wages |
| UK Rotary | Re entry |
| UK Rotary | Re-entry |
| UK Rotary | Re-entry |
| UK Rotary | Streamline permitting |
| UK Rotary | waste removal and recycling |
| UK Rotary | We are doing good with what we have to work with |
| Upper Keys | More community activities at county parks |
| Upper Keys | Planning and code enforcement. Too much density allowed when we already have conflicts with parking and noise. Enhance US 1 Corridor-enforce sign violations. Enforce zoning violations. |
| Upper Keys | Enforce regulations of the Land Development Code. |

| | |
|------------|---|
| Upper Keys | FOLLOWING THROUGH |
| Upper Keys | Enforce codes we have now, provide automatic bulk trash pick up schedule quarterly. |
| Upper Keys | Allow Home rentals for any duration. 30 days for Lower Matucumbe Residents do not have the same rental rights as up in Plantation Key. |
| Upper Keys | More public access to the water. |
| Upper Keys | building permit process |
| Upper Keys | Respond to Code Enforcement issues. Enforce illegal building, new encroachments into setbacks and conservation land, illegal tree removal/clearing. |
| Upper Keys | tourist development |
| Upper Keys | Need to add more patrols to the neighbor hoods. Add more law enforcement. |
| Upper Keys | Traffic |
| Upper Keys | Clean up after natural disasters Flood control Affordable housing |
| Upper Keys | protect the fishing industry |
| Upper Keys | calculate a median income & affordable housing rates that don't include outlier incomes of Ocean Reef property owners. PROTECT THE REEFS! |
| Upper Keys | Support people that live and work here full time. |
| Upper Keys | Emergency management |
| Upper Keys | Encourage the TDC to change the slogan from Key West and The Florida Keys to ... The Florida Keys and Key West or just The Florida Keys. |
| Upper Keys | Making it easier to get repair permits after a hurricane, especially the Army Corps of Engineers portion. |
| Upper Keys | Cater less to tourists, tourism is important but not at the cost of the islands soul |
| Upper Keys | Better signage for hotels and stores so traffic may not have to go so slow to find where they are going. |
| Upper Keys | Handle traffic, its terrible. |
| Upper Keys | Direct tourists to parks and staffed beaches. |
| Upper Keys | How to get people in and out of the Keys without clogging the Upper Keys and Islamorada. |
| Upper Keys | remove excessive compliance burden from the land/home owners |
| Upper Keys | Mosquitos kill them all |
| Upper Keys | Can't think of much right now. |
| Upper Keys | improve traffic flow |
| Upper Keys | The above |
| Upper Keys | Perhaps allow ADU's as an affordable housing option |
| Upper Keys | Code enforcement. There are many dilapidated houses and some that look like junk yards. |
| Upper Keys | Code compliance Mowing of grass not done often enough |
| Upper Keys | Shutting down illegal rentals |

| | |
|------------|--|
| Upper Keys | Address one or the other- pay equity or housing. Either employers pay a living wage, or Govt will have to help with housing. |
| Upper Keys | Stop people hanging out on the side of the road. Traffic!! |
| Upper Keys | code enforcement needs to be much better, keeping US1 clean,needs constant attention |
| Upper Keys | Limit the damage done by weekend warriors. |
| Upper Keys | Enforce road and litter violations |
| Upper Keys | communication to residents |
| Upper Keys | More engagement with citizens. More open forums and options for residents to participate in government. More focus on the health of the Coral reef eco |
| Upper Keys | Banning plastic bag and other single-use plastics. Seashore cleanup. |
| Upper Keys | Enforce County Codes more stringently. As of now, County Code Compliance seems selective. |
| Upper Keys | Instill new building codes for resiliency. |
| Upper Keys | Getting people in and out of the Keys. The Middle and Upper Keys have such terrible traffic, residents can hardly go anywhere. |
| Upper Keys | More affordable housing (truly affordable); Possible tolls for tourists entering Monroe County to offset costs. |
| Upper Keys | Enforce the No Parking laws. Tea Table and Indian Key Fill are lined with signage that is disobeyed, yet no one is ever ticketed for the violation. |
| Upper Keys | Mitigate traffic. We can't go anywhere on the weekends because of back ups entering and exiting the Keys. |
| Upper Keys | Give more space for answers! Professional working class can't afford homes. |
| Upper Keys | Lower prices for FL parks when entering |
| Upper Keys | Limit size of oceanfront homes and development. |
| Upper Keys | Patrol highways better. More patrol on waters. |
| Upper Keys | Everything thing on questions 3-5 |
| Upper Keys | Be harder on poachers. More financial impact. It's out of control and depleting the natural resources for those who abide by the rules! |
| Upper Keys | Control spending. |
| Upper Keys | Implement a toll to visitors. Also, a lot of the traffic is due to construction vehicles in the morning and around 4pm. |
| Upper Keys | Make permitting more affordable and easier. |
| Upper Keys | Manage traffic congestion entering and exiting the Keys. Islamorada north is a parking lot on the weekends! |
| Upper Keys | have code enforcement work on the weekend when most of the "illegal" work is done on houses/lots |
| Upper Keys | Better traffic enforcement and highway clean up |
| Upper Keys | recruit & retain professionals in governmental positions |
| Upper Keys | Lay out roads, manage bridge openings, halt roadside tourism that slows cars, anything and everything to alleviate weekend traffic. |
| Upper Keys | Provide affordable/workforce/low income housing for all residents of the County. Might be time for County to build housing on County owned land. |
| Upper Keys | Manage growth. Development has increased at an unhealthy pace. |

| | |
|------------|--|
| Upper Keys | strategic planning for responsible tourism, protect the environment, protect quality of life for residents, recognize alternative economy in Upper Key |
| Upper Keys | Concentrate on locals needs and disband the Tourist Development Council |
| Upper Keys | Allow alternative living situations: tiny homes, yurts, boats |
| Upper Keys | Protect it's environment - our primary resource, and consider quality of life for residents. |
| Upper Keys | Be more focused and open to out of the box thinking. As a new resident 3 years, it seems that the same people for the last 30+ and we need a change. |
| Upper Keys | everything |
| Upper Keys | Have less corporate businesses and more locally owned places |
| Upper Keys | Mental health services |
| Upper Keys | For all this County has been through the last year, not a thing! |
| Upper Keys | Enforce building codes including FEDERAL NFIP rules and not allow illegal downstairs apartment be the affordable housing. |
| Upper Keys | Treating all citizens and businesses the same. Stop having rules enforced on some not all |
| Upper Keys | Improve the permitting process |
| Upper Keys | Enforce traffic violations |
| Upper Keys | More family friendly events or businesses that are locals focused over tourism focused |
| Upper Keys | Focus on helping the people inside of the county, not just making tourists happy. |
| Upper Keys | Monitoring and effectively enforcing traffic speeders and those driving reckless. |
| Upper Keys | Transparency in the government |
| Upper Keys | No opinion |
| Upper Keys | Get rid of transient housing |
| Upper Keys | Limiting growth |
| Upper Keys | increasing taxes left and right and never giving back. |
| Upper Keys | Yes |
| Upper Keys | Streamline the permitting/building process. |
| Upper Keys | Everything |
| Upper Keys | Some kind of cap in rental prices or MORE help for low-middle class home buying! |
| Upper Keys | Disperse county support/funding more proportionately to certain areas of the Keys. |
| Upper Keys | We need more water patrol officers ! |
| Upper Keys | Health insurance for its county employees |
| Upper Keys | We need better speed traps and controlling the traffic. |
| Upper Keys | Control speeding |
| Upper Keys | Limit making this all for tourists, pay attention to the locals |
| Upper Keys | - |
| Upper Keys | Listen to the residents |
| Upper Keys | Senior center with free lunch and activities |
| Upper Keys | Term limits |
| Upper Keys | Everything! |
| Upper Keys | Clean up Tavernier |

| | |
|------------|--|
| Upper Keys | Traffic control |
| Upper Keys | Communicate |
| Upper Keys | Limiting homeowners from price gouging long term rental properties and charging as much as vacation rentals without paying taxes as such. |
| Upper Keys | Listen to the people. Building that stupid pedestrian bridge at Founders park that NOBODY WANTS EXCEPT THE COUNCIL |
| Upper Keys | make it affordable |
| Upper Keys | We are tourist based economy but it is way over what our islands can handle and also to limit the building of homes as we are way over |
| Upper Keys | Commissioners get a pay cut and pass pay increases for county employees. |
| Upper Keys | More access to water for locals, local parks, dog parks |
| Upper Keys | Traffic |
| Upper Keys | Limit weekend visitors |
| Upper Keys | Enforce code violations, force some businesses to clean up their properties. |
| Upper Keys | Enforcement of fishing/lobstering laws. |
| Upper Keys | Cleaning up County property such as the natural areas near Harry Harris Park. Trash washes in from the ocean and people and never gets cleaned. |
| Upper Keys | keeping the workforce: salaries are low, cost of living is high enforcing conservation with tourists, especially boaters from adjacent counties |
| Upper Keys | Excessive speed (60+ in a 45) on US1, especially from mm100 north to the stretch. Cost of Living (too high) vs Living Wage (too low). |
| Upper Keys | Protect the reef |
| Upper Keys | Enforce current codes and laws |
| Upper Keys | Stop growth |
| Upper Keys | Reduce direct and indirect subsidies for tourism. There are many different economies in the Keys and market forces should decide resource allocation. |
| Upper Keys | Better balance tourism with quality of life for residents. |
| Upper Keys | Stand behind the Keys residents. Do not bend to the wishes and lobbying of big business. Look out for the little guys who built the Keys! |
| Upper Keys | mosquito control |
| Upper Keys | Better building permit process |
| Upper Keys | Stop building affordable and workforce housing projects. Do not give permits nor grant waivers for these Trojan Horse deceptions. |
| Upper Keys | Provide more public space for recreation (passive and otherwise), more public boat ramps |
| Upper Keys | Control growth |
| Upper Keys | Communication during Hurricane |
| Upper Keys | Cost Controls. |

| | |
|------------|--|
| Upper Keys | Watching where money is spent - I hear where items like building maintenance are not parsed out in a logical, financially prudent timeline. in example |
| Upper Keys | Code enforcement |
| Upper Keys | Beautify US1 in the Upper Keys |
| Upper Keys | Keeping the locals safe on the highways and waterways. |
| Upper Keys | Enforcement of traffic laws. Tired of getting run down by folks running 20 mph over the limit. |
| Upper Keys | Government and citizens working together, not at cross purposes |
| Upper Keys | when will our new park, the old Rowell's marina, open? |
| Upper Keys | actual enforcement of laws to protect the environment-not look the other way because someone is influential (has wealth) when homeowner violates laws |
| Upper Keys | Crack down on illegal vacation rentals. |
| Upper Keys | Lots of money & good people live here - I like the seasonal people coming in! |
| Upper Keys | Control of building permits. |
| Upper Keys | Enforce codes for junk in the yards, parking on the streets. |
| Upper Keys | enforcement with consequences of building permits, zoning and current ordinances |
| Upper Keys | Have a half way house for people in transition into society |
| Upper Keys | Dont do construction projects in winter! Also I think the parks in the lower keys are much better maintained than the upper keys |
| Upper Keys | More aggressive mosquito control that doesn't harm people and pets. Police spend less time writing tickets and more time patrolling for thefts. |
| Upper Keys | Better use of Rowell's Marina |
| Upper Keys | allow golf carts on the bike path. |
| Upper Keys | Code enforcement, especially ongoing excessive noise issues. |
| Upper Keys | Limit the growth in population |
| Upper Keys | Better adherence to existing codes. Our representatives should make decisions based on the desires of the majority residents - not special interest. |
| Upper Keys | Work with local businesses to restore them rather than working against them. |
| Upper Keys | The county is pro business while ignoring public interest. They have been consistently removing checks and balances in Comp Plan that protected peopl. |
| Upper Keys | Keeping the county clean. |
| Upper Keys | Better adherence to existing codes. Our reps should be listening to everyone in MC, not just Key West. |
| Upper Keys | Nothing. With the man power you have you do great! |
| Upper Keys | Better resources/funding help for those in need. |
| Upper Keys | Police the stretch, the stretch is a lawless stretch of road. Also focus on the people that live here and own property rather than those that visit. |
| Upper Keys | Stop all new construction and create/adhere to a environmentally sound carrying capacity for both residents and tourist. |
| Upper Keys | Have zoning hearings,changes,disputes in area where problems occur. ie: key largo, marathon, and key west. |

| | |
|------------|---|
| Upper Keys | Better training for County Employees |
| Upper Keys | Term limits on politicians - 2 ...2-1/2 max! |
| Upper Keys | More green space and park beach development for residents. More planning and development for our professional people. There has to be more affordable |
| Upper Keys | Code enforcement |
| Upper Keys | Use better camera systems to catch dangerous drivers. More safe crossovers for pedestrians and bikers to cross overseas highway. More dog parks. |
| Upper Keys | Let small businesses survive / support small businesses by easing permit control. Environmental issues. |
| Upper Keys | Communicate post disaster with citizens. |
| Upper Keys | Limit growth. |
| Upper Keys | Road safety on US 1 |
| Upper Keys | Support working families |
| Upper Keys | Stop granting building permits and waivers for affordable and workforce housing projects. |
| Upper Keys | Quicker Response. |
| Upper Keys | Stop building department inspectors from kickbacks. |
| Upper Keys | I am relatively satisfied. |
| Upper Keys | Have programs for the elderly |
| Upper Keys | Communicate better with year round residents. Using forums like this for those that work and cannot attend meetings. |
| Upper Keys | Make the community feel more cohesive. In signage, more greenspace, better landscaping, & controlling design aspects of new structures. |
| Upper Keys | improve codes compliance for trash issues and other environmental issues in neighborhoods; need to pay attention to residents, not always businesses |
| Upper Keys | Be as concerned and promote all of the Keys not just Key West! |
| Upper Keys | Listen more to the tax paying residents about doing more to create a better quality of life for those that live in MC full time. Quiet neighborhoods. |
| Upper Keys | Have more activities for kids/teens. |
| Upper Keys | Create programs that generate fresh ideas from the community. |
| Upper Keys | Reduce TDC funding for advertising, invest in sustainable ecotourism; Better manage conservation lands by removing invasive species |
| Upper Keys | BE more flexible regarding environmental impact of small projects |
| Upper Keys | Police Traffic and Waters and encourage new local "green" businesses. |
| Upper Keys | Streamline and expediate the permitting process as Islamorada has. |
| Upper Keys | Limit large corporations/stores. |
| Upper Keys | Traffic |
| Upper Keys | Tax incentives or similar to encourage businesses and individuals to improve the exterior of their buildings and property. |
| Upper Keys | Make Hwy 1 MUCH safer (actually arrest drivers for speeding!), control growth to protct opn space and the environment and enforce building codes. |

| | |
|------------|--|
| Upper Keys | Sorry your whole building process from application on is really out of wack. They need to stop just paying a fine and cutting down every tree. Th |
| Upper Keys | Provide a more reasonable noise ordinance in business areas. |
| Upper Keys | Limit development and stop putting money first |
| Upper Keys | Utilize government center better - possible entertainment or play for visitors and residents. |
| Upper Keys | not limit upside of economic growth. All the options listed above are limiting upside and restrictive |
| Upper Keys | Keep the streets clean of trash. |
| Upper Keys | Keep people from parking, day tripping on the side of the highway |
| Upper Keys | Traffic |
| Upper Keys | beach replenishment. |
| Upper Keys | Develop and execute efficiently better planning policies and procedures |
| Upper Keys | Manage cost of living |
| Upper Keys | Eliminate special interest groups on county commission. |
| Upper Keys | Teach home owners the processes for acquiring permits for home improvement. Be consistent and easy with that process. |
| Upper Keys | Increased enforcement of existing regulations |
| Upper Keys | Better and more college classes |
| Upper Keys | Make roads safer |
| Upper Keys | Stop the building boom. |
| Upper Keys | N/a |
| Upper Keys | Inforce the way others treat where we live.... Littering, passing in center lane, disregard to the waters. |
| Upper Keys | It should lookout for everyone the same instead of complaints that marathon got more than key Largo ane so on |
| Upper Keys | Keep the Upper Keys in prospective when considering density and affordable housing as different than the lower keys. |
| Upper Keys | Be more equitable when monitoring building codes. We have seen developers obtaining permits to remove mangrove trees,etc. and stricter with homeowners |
| Upper Keys | Bring in more business |
| Upper Keys | Growth management/permitting process could be less complicated |
| Upper Keys | budget money better |
| Upper Keys | Restricting development to insure that affordable housing is truly affordable for teachers, waitresses, fishermen and dive boat crew members. |
| Upper Keys | Protect local natural resources |
| Upper Keys | provide tourist with rules of the roads. |
| Upper Keys | Many things |
| Upper Keys | USE TAX PAYERS MONEY MORE WISELY |
| Upper Keys | Better road laws/enforcement. |
| Upper Keys | Rein in county salaries |
| Upper Keys | Strongly control development - ROGO is a joke. |
| Upper Keys | The County could be better at working with citizens on issues that arise as opposed to simply stating what "should be done". |

| | |
|------------|---|
| Upper Keys | Consistency in application and interpretation of building codes, permits, etc. |
| Upper Keys | Traffic management along HWY 1 |
| Upper Keys | work more effectively |
| Upper Keys | insect control |
| Upper Keys | Permitting process |
| Upper Keys | Limit noise past 10 PM |
| Upper Keys | Why do we let people hang out on the side of the road and trash it and the water? They don't spend \$ here. Bad for traffic, the environment, erosion. |
| Upper Keys | Jobs |
| Upper Keys | open Rowells park |
| Upper Keys | The county has lost sight of what the Keys are and are more focused on overbuilding, increasing crime and traffic, without regard for the residents. |
| Upper Keys | Code enforcement |
| Upper Keys | stop bussing workers from depressed areas of Dade County, you are changing the demographics of the keys forever. Reestablish ROGO for manageable growth |
| Upper Keys | Have a target department store |
| Upper Keys | Keep our canals free from debris. Open culverts to allow water to flow freely and keep water quality healthy for marine life |
| Upper Keys | Make the residents a priority over tourists. |
| Upper Keys | Help the village |
| Upper Keys | Higher wages, workers should be able to have an opportunity to afford to buy a home and enjoy where they live |
| Upper Keys | Workforce housing for ONLY Monroe county residents and stop bussing in mainlanders |
| Upper Keys | Stop the favoritism in the Building and zoning Dept. |
| Upper Keys | Airports. |
| Upper Keys | Road maintenance could use more attention |
| Upper Keys | Cite business and property owners who do not clean up litter and debris. Winn Dixie in tavernier and divers direct plazas are filthy. |
| Upper Keys | Balance tourism needs with the quality of life needs of Upper Keys residents (i.e. traffic on US1). |
| Upper Keys | buy more spaces for wildlife |
| Upper Keys | uniformity throughout each Key |
| Upper Keys | Housing |
| Upper Keys | Supporting those still trying to recover from hurricane Irma. Simple things such as waiving permit fees for those who are rebuilding sub damaged house |
| Upper Keys | Permitting |
| Upper Keys | Comprehensive or strategic focus on the future including a vision for the future we want to create |
| Upper Keys | Be more pro "local" and understand we are all just trying to make a living and provide a quality product |
| Upper Keys | Traffic control on US1 |
| Upper Keys | Traffic |
| Upper Keys | Technology infrastructure |

| | |
|------------|--|
| Upper Keys | Educate the public and move forward into the 21 century. Seems like the government/commissioners have a 1960's view on how a county should operate. |
| Upper Keys | Helping people in disasters |
| Upper Keys | They do a fine job less regulations! |
| Upper Keys | More diverse workforce and representation among elected officials. More helpful website. |
| Upper Keys | Beautification - there's sections of US 1 in Key Largo that are just trashy and the businesses don't care. |
| Upper Keys | Traffic flow |
| Upper Keys | Better traffic control, especially throughout the Village of Islamorada, where traffic is always a nightmare |
| Upper Keys | Make the building department more customer friendly and regulations that people can understand |
| Upper Keys | . |
| Upper Keys | Street lights - control light pollution. |
| Upper Keys | over building |
| Upper Keys | Keep the roads cleaner. From the 18 mile stretch through the Keys. Trash all over the roads. Laws are not being enforced. Littering should be enforced |
| Upper Keys | Keep their promises. Initially, Sexton Cove, Twin Lakes, and Stillwright Point were to be the top areas to get there road raised. Only Sexton Cove got |
| Upper Keys | Streamline permit process |
| Upper Keys | Larger fines & penalty's for drunk drivers less for small marijuana arrests. |
| Zonta | Additional permitting intake staff |
| Zonta | Clear communications |
| Zonta | Code enforcement, so many violations, go for big buck items so we can pay for resources with small |
| Zonta | Communication to average residents |
| Zonta | Health care |
| Zonta | Help senior citizens |
| Zonta | Improve the internet services more choices than Publix for groceries |
| Zonta | Road improvements off US1, stop illegal rentals |

Areas of Strength in Monroe County Operations

Complete List of Responses

When asked "What do you feel Monroe County does well?":

"1. Libraries 2. Elections 3. Policing"

A great job protecting our reefs. Beautifying the highways and bike paths.

A large number of law enforcement

A lot honestly, but we can do better right?

Accepts people not matter race, orientation, or status.

Access to water

"Accessibility to officials Supporting local businesses"

Accessible County staff

According to the TDC everything always perfect!

Adapt to change

Advertise the Keys as a vacation destination

Advertise too much for tourism

Advertise tourism

Advertises for visitors

Advertises itself at solely a vacation destination.

Advertises to tourists.

Advertising

Advertising

Advertising and bringing more tourism into the county.

Advertising for too well for tourists. Building too many hotels. Mowing the ROW. County website. MCTV. Scheduled trash pick ups. Police response. Lobbying. Accommodating Key West.

Advertising the Keys and having events to bring tourists down.

Advertising the keys as a destination

Advertising.

Advertising.

Affordable property taxes

After the hurricane and lack of help provided by the building department to people in need, I no longer can see anything of value.

Airports

airports, libraries,

Alerts

All around solid... have no complaints

All together the County does a very good job.

Allows endless bars.

Although there many disgruntled with the response to IRMA I thought the County did an exemplary job dealing with the disaster

art in public places!

As a resident of Key west, there is little interaction directly with the county that I am aware of, so I am not sure what is done exceptionally well.

Asking for the input of itâ€™s citizens.

Asks for feedback.

Asks for input.

Atmosphere

Attempt to keep City Park in Marathon occupied with festivals.

Attempts to balance progress/infrastructure in all communities, not always equal but they try not to forget those older undeveloped areas not leaving them to far behind.

Attract an interesting mix of people

Attract touists

Attract tourist

attract tourists

Attract tourists

Attract tourists

Attract tourists

Attract tourists

Attract tourists and remove homes from rental stock by encouraging the proliferation of vacation rentals.

Attract tourists from all over the world.

Attract tourists, public services (police, fire, ambulance etc)

Attract tourists.

Attract tourists.

Attract tourists.

Attracting tourists.

Attracts tourists. Promotes the Keys

Bad advertising.

Basic community services (water, electric, road maintenance) and support for non-profits.

Be greedy.

Beautiful , safe environment for our families

Beautiful parks and green space areas, responsive staff

Benefits

Best county in the US for obstructing building and development. Absolute master at not knowing what the other departments are doing.

Best in class police force.

Better medical facilities

Blame someone

Boat ramps

BOCC meetings are televised.

BOCC names/discusses the right issues, just needs to be more progressive in dealing with them.

Bonds together in times of need

Bridges. Parks beaches

Bring in visitors

Bring tourism to the keys and helping with work forced housing.

Bring tourist in

bringing in tourist fixing "county" roads

Bringing the community together, police force, safety, low crime.

Brings Visitors to the island, though now the majority of that is done by private non profits.

Budget

Budgeting

Budgeting adaptation

Build city offices and facilities

Building code

"building code and other hurricane preparedness "

Building for Resiliency when it comes to county structures.

Building inspectors have been working hard.

Builds for resiliency.

Buses

buying marinas

Buys lots of new parks

Can't think of anything-quality of life is deteriorating

Cant think of just one.

Care about us. Great people in place

caring for parks

Cater to Big Business people when they should not.

Cater to tax payers while responding to little things.

Cater to the rich

Caters to the tourist

caters to tourists

caters to visitors

CERT training

CERT training and Traumahawk. Thank you for both services!

Charities

chasing away tourist \$, Poker run, Ragnar, etc.

Cleanliness

Code Compliance.

Code enforcement

Code enforcement, traffic stops, and marine enforcement. Maybe being done to excess!

Code revisions per climate change

Collect taxes

"Collect taxes

we have one elderly relative left in Monroe county, when they pass or move we will be leaving Monroe for good. I didn't get a masters degree to live like this

Collect taxes.

Collect taxes... you're very good at that.

Collecting property taxes

Collects taxes

Community meetings

Community outreach

Community outreach most of the time. But for all the good stuff you do in this front the one pops leaves everyone with a bad impression

Community service and outreach

Community support

Community support protection and support.

Complete focus on tourism to the detriment of the residents.

Concentrates efforts on Key West

Concerned about the local community and individuals

Confuse the issues

cont...employees enough to live here. It should NOT fall on homeowners to provide affordable housing. They are barely making ends meet also.

Continues to attract tourism

Continues to work on the problems in our community. It's great that you have this survey to ask what's important to the community.

Control growth.

Control increasing criminal behavior.

Coordinating the utilities.

County is somewhat proactive in sustainability issues

County provides good protection for citizens through sheriffs and local police; and first responders have done their jobs well.

County services and communications with residents.

"County services throughout the county are one of the

Few industries that run smoothly. "

Create more affordable housing

create tourism.

Creating jobs for local residents

Crime Prevention

crime prevention

Crime prevention. Lip service to climate mitigation.

Curbing crime and variety in community events (seafood festivals, movies in the park)

Day to day management. County staff get today's work accomplished very well and timely. Could improve the focus on continual improvement and future opportunities.

develops a conservative budget

Dictate to residents

Did a great clean-up - care for others and overall it's a wonderful place to live

Difficult permitting that controls overgrowth

Disaster planning and recovery.

Disaster Preparedness

does very well with providing services at a tax rate less than other counties in the state

Does well on wasting money on inflated contracts. Does well on mind boggling bureaucracy.

Hurricane response

Hurricane clean up

Hurricane Clean up

Hurricane Clean up though still ongoing was handled well

Hurricane evacuation and recovery.

Hurricane evacuation even amidst all complaints

Hurricane planning

hurricane prep

Hurricane recovery

Hurricane recovery

Hurricane recovery was great

Hurricane response

Hurt the locals well beings and make life difficult for businesses

"I am very impressed with the community's value of the historical aspect of the county and the dedication to its marine life. The push towards more public transportation is wonderful. "

I applaud our officers for trying to make sure everyone drives & stays safe

I appreciate the MCSO Facebook page for updates on road closures and arrests

I appreciate the Tree Commission's dedication to preserving native vegetation.

I believe our first responders do very well under stressful circumstance.

I believe they do well responding with the community and do their best to please people if it is a reasonable request.

I believe they handle emergencies like Irma well. I know people wanted to return immediately and were afraid of looting, but pointing out lack of water, electric, gasoline and assurances that police and national guard were out in force helped

I do not have a comment

I don't. The politicians don't listen to their constituents!

I feel Monroe County needs a lot of work. It seems like they work against the citizens but they do a pretty good job at this.

I feel safe here.

I feel the county does well with providing bike/walk paths, bike lanes and the parks for recreation areas. The cleanup after Hurricane Irma was amazing.

I hear the schools down here are excellent for the kids and neighborhoods are great for them as well.

I like that we are always striving to be a destination for travelers

I live in the City of Key West, and I feel like Monroe County's law enforcement (sheriff) is more professional. Same with county website, public info.

I love living in Monroe County. No place is perfect. I think the county does a good job overall.

I LOVE the community and the way we pull together when needed.

I think overall we are well governed and kudos to storm response.

I think overall we get good value.

I think we have done an excellent job building our new schools, installing sewer, and improving the Oversea Highway and of course building the Bridge. We have an excellent Police force and FWC. And our Electric Co-op is the best in the country!

I thought it handled hurricane cleanup and recovery well.

Idk

Ignoring residents in favor of business and tourist interests.

I'm too new to the county to provide input.

Improved septic which will help with offshore water over time.

In the end we are one human family and that shines through the frustration.

Inclusiveness

Infrastructure upgrades in works after Irma

Inform residents of issues Good and Bad

Information that goes out to the public is timely and well appreciated through press releases and social media.

Informing the public about events, decisions, and problems within the community.

Informs the public

Infrastructure ie repairing roads.

Infrastructure maintenance.

Inspections

Intent- such as the land use comminikeys plan etc... all made with the community authentic input. Do not just throw all that away for the sake of development

Investigates cases well

It does a great job of ignoring the plight of your workforce.

It does a lot of things well.

It is a beautiful place. I think Monroe County does Events well.

It is does well promoting tourism, which is needed for keys residents and the economy. It is also unfortunately good at protecting the interests of the wealthy, more than the working class.

It seems to be getting better ; unfortunately ibgjinknit yook the Hurricane to wake you up.

It tries to provide basic services but I would not give it high marks. I have no sense of its priorities.

It's like one big family.

It's nice that you are asking our opinion.

Just about everything. Probably the best County Level Government in the state and best county in the state to reside in.

Keep it clean and crime low

Keep marijuana illegal

Keep up the schools

Keep us safe - excellent law enforcement

Keeping in touch on social media platforms

Keeping order

Keeping our community clean.

Keeping our infrastructure in good shape. Keeping taxes reasonable.

Keeping our taxes low. Lowest millage rate in the state!!!!

Keeping our taxes low. Lowest millage rate in the state!!!!

Keeping s strong community post storm

Keeping taxes at an affordable level and hiring great staff.

Keeping taxes down.

"Keeping the streets clean.

"

Keeping the town clean

Keeping us informed.

Keeps a local feeling to our government

Keeps cost of electric manageable, refuse removal, has a wonderful police and fire force.

Keeps crime down

Keeps crime low

Keeps crime rates low

Keeps our beautiful waters clean.

Keeps public informed

Keeps streets and infrastructure well maintained and safe

keeps taxes low

Keeps taxes very reasonable for the services we do receive.

Keys advertising

Keys energy is amazing and our politicians care about their community. We are one human family!

Kim Matthews doing outreach to hear what everyone wants to hear. Not just in her office

KW int'l airport paying down debt; keeping modern (ish), sheriff

Land Authority program

Landscaping

Law enforcement

Law & order

Law & Order

Law enforcement

Law enforcement and emergency services on land

Law enforcement and fire dept

Law enforcement and public safety.

Law enforcement by Sheriff's Office

Law enforcement, emergency responders.

law enforcement, Library

Law enforcement, public works, libraries

LAW ENFORCEMENT, TRASH COLLECTION

Law enforcement/ Public safety.

Learn from past, i.e. establish CERT Team

Keeping the roadways clean

Let everyone in too early

Let people get away with traffic violations, keeps the corruption at the top of priorities. allows dangerous driving to go on, allows residents to get screwed with high prices rent food and utilities

Let Walmart come to Big Coppit. The county has no tax base for businesses in the Lower Keys it is all funded by residents. Walmart would bring in huge revenues to the County. Monroe County needs to let businesses in for revenue.

Lets the beauty of the keys shine through.

Libraries

Libraries

Libraries

Libraries!

"Libraries!

Good county administration.

Pride in our unique way of life."

Library is fantastic

"library

law enforcement

mosquito"

Library; law enforcement

Life flight

Limit building expansion.

Limit growth

Limit taxes, encourage innovation, try new options for environmental issues

limits change

Lip service

Listen

Listen to the community

Listening to the people

listens to it's citizens to initiate change

Lobby

Looking for sustainable solutions

Looks for input.

Low crime rate

maintain recreation areas

Maintaining tax rates

Maintaining the island

Maintaining the road, clean up and sherriff's department.

Maintains a sufficient infrastructure.

maintains bridges

Maintains good roadways

Maintains most of the common areas.

Maintains schools and oversees building codes tenaciously

Make it easy to day trip and destroy our resources

Make money by putting tourists before residents time after time.

Make the county look good

Make unnecessary cross walks

Makes money

Making money or profitting from tourism!

Making sure our roads are safe.

Making the public aware of social and road information. There is abundance of sources of communication and need to know information for the public.

Making this room available to the community, trash pick up, library, law enforcement, mctv, TDC too

Manage population growth within the parameters to allow evacuation during an emergency.

Manage their budget. Tina does a fabulous hob!

Management of growth, beautification of us1, educating on environmental issues, management of liveaboard cruisers waste.

Management of US 1.

manages a diverse population spread over a wide geographic area with varying needs, although it seems Key West is under represented

Manages their fiscal budget.

Managing growth.

Managing the community needs as best as they can

Many opportunities for university and college scholarships, etc (but what percentage graduate?).

Many things!

Marathon chamber of commerce ;)

Marketing and services for tourists

Marketing for tourism

Marketing the Keys

Marketing to tourists

marketing tourism

MC website is good.

MCSO

MCSO

Mcso

MCSO doing a great job

MCSO is great

MCSO keeps us very safe here in the Keys.

MCSO outstanding !!

MCSO, they are the best

MCSO.

Monitor the budget and usually spend wisely.

Monroe County does a great job of promoting the Keys as a tourism destination which stimulates and sustains our economy.

Monroe county does actually put the environment as a higher priority than other county governments

Monroe County does an excellent job of overselling its overrated culture.

Monroe County does well at keeping us looking like a paradise island.

Monroe county has an amazing sheriff department, staffed with professionals folks who care deeply for the community.

Monroe County has an amazing staff that really showed their grit and love in the aftermath of Irma. They worked their butts off to help the public, while their own homes were trashed and needing their attention.

Monroe County has good plans and ideas to improve the Florida Keys.

MONROE County must stop reckless over-development and wasteful TDC advertising that brings TOO much traffic congestion and pollution onto our Islands.

Monroe County seems to be promoting the Keys as a destination very well in many markets.

Monroe County Sheriff's Department is excellent.

Monroe county Sherriff's department is excellent and is well run. They really do a great job for the community.

Monroe County Sherriff's Office ; new EM app and website great move

More items done well than Not so blessed to live in a County that is a small town

Mosquitos control

Mosquito and sanitary control, education

Mosquito control

Mosquito control

Mosquito control

Mosquito control

Mosquito control

Mosquito control

Mosquito control.

Mosquito control.

Mosquito Control.

Mosquito control. Police Presence. Roads.

Mosquito control/ Public school safety/Libraries

Mosquito control; law enforcement

Most County services are good.

Most everything

Most everything. I'm a happy camper

Most everything. I am pleased with the government. I like Sylvia Murphy. I am pleased with the police and volunteer fire in Key Largo. I like that Key Largo is unincorporated and not overly governed.

most everything. very impressed with the clean up, the county, the cops, etc.

Most things

MOSTLY EVERYTHING.

N

N

No comment

No opinion

No shortage of law enforcement on the street :-/

Noise control on water close to residential areas. Better laws and fines so sheriff can control better

non profits

None

None

Nonpartisan decision-making

Not a lot

Not allowing term limits.

Not enough information to assess

Not much

not much at this point in time. We are a very small community so it not very hard to run a tight ship. we appear to step on our own feet with trying to move forward.

Not much in the last few years, just chipping away at the "locals" way of life. The people that live here year round and support the Keys daily.

Not much is you lived in Georges dist for the last 20 years.

not much! 7. continued - ensure state has a pot of money each year set aside to purchase land in any county for affordable housing

Not much! They keep giving everyone who works for the County raise after raise and we the taxpayers have to foot all these big increases!

Not much! oh.. letting rich people run this town!

Not much. Sewers were a mess. Still in courts over those. Tax payers have had to pay for one BOCC mess after another.

Not sure. No one knows how to follow the basic rules/laws here. Hire intelligent, helpful people.

Not sure...

Not wasting tax payer dollars

Nothing

"Nothing good that I can see. Stop all vacation rentals in neighborhoods. Stop giving permits to these corporate building supposedly building affordable housing which is not affordable for the wages in the Keys. "

Nothing in 18yrs.

Nothing right now

Nothing! Lazy and unsafe.

Nothing! Unless you count overextending resources so we can cram more tourists in and make the rich richer.

Notifications and communications

Offering assistance to those less fortunate

Offering county jobs.

Offers some good training for citizens

Open to community input to drive decisions affecting neighborhoods.,,hope this does not change!

Our community supports each other

Our parks

Our public schools continue to improve

Our schools

Our schools

Our schools have been improving steadily.

Our schools. I love our school system.

"Our Sherrifs office is the best!

Michelle Coldiron is absolutely amazing."

Our water quality is great

Outrach

Outreach through public education and televised meetings

Outstanding law enforcement professionals, countywide.

Over coverage of fire and ambulances!

Over regulate.

Over-advertise/exploit our resources to its breaking point for the almighty dollar!

Overall a good job without income tax

overlook rules, regulations and codes based on last names.

Over-promote tourism.

Over-regulation.

Overtaxing !

Parades.

Parks

Parks & Beaches, Airports

Parks & recreation

Parks & Recreation, Public Works, Emergency Management, Strategic Planning

Parks and beaches.

Parks and recreation.

Parks And Recreational

Parks, community services like public works.

Parks, native landscaping,

Parks/ security

Pat themselves on their back.

patrol our water

Patrol the waters.

Patrolling to waterways and arresting sea life poachers and drunken boaters.

patronage

Pave the way for wealthy and connected businesses and developers to make more money, acquire more property and charge higher prices for living. "selling the keys to the world"

Pay exempt employees overtime pay during hurricanes

permit applications

Perpetuating the bubba system

PinballHD luv meetings.

Plan- exactly what you are doing with this Strategic Pan.

Planning and managing growth / building

Planning for the impacts of sea level rise

Plant trees

"Plants nice trees along the highway for the bus to run over for our workers to come work!

Cares about our tourism, sometimes a little too much. "

Plants trees along US1.

Pleased with response after hurricane

Police

Police

Police

Police & safety. Other than on the road, I always feel safe in the Keys, no matter what part of the Keys we've lived in.

Police & sheriff departments

Police and fire

Police and fire

Police and fire

Police and Fire Department

Police and Fire departments are good.

Police and fire depts.

Police and fire protection

Police and Fire Services.

Police are pretty awesome

Police department seems well run.

"Police Enforcement, EMT's and Firehouse staff of Monroe County are top notch. Need a real hospital for emergencies

-Nice airport, preserve mom and pop eateries, tourism advertising,

-good schools, garbage pickup is good"

Police force is fantastic!!!

Police highway protection

Police is very good.

Police presence

police protection

Police protection.

police response time

police response time is ,tree trimming and neighborhood mowing also very good

Police services

Police work, prisons, parks

Police, Fire Schools

Police, Fire, contracting for solid waste

Police, fire,emergency, wildlife care

Police, keeping public informed, Sheriff Dep

Police.

Police/EMS/Traumastar are great

police/fire/ambulance services

Police/fire/ems

Policing

Polling sites and early voting.

Preserve the environment of our home

Prevent rebuilding hurricane damage by requiring permits without increasing building department hours and staff.

PRMOTE TOURISM

Proactive to it's citizens' needs.

proactively addressing climate change issues and always working to protect residence and tourists

Professional county gov't

promote its attractions

promote itself

Promote itself as a tourist destination maybe a little too well.

Promote Keys tourism, but often impacting quality of life.

Promote tourism

Promote tourism

promote tourism

promote tourism

Promote tourism TOO well!

Promote tourism with no regard to citizens.

Promote tourism.

Promote tourism.

Promote tourism.

Promote tourism. Let's work on the rest of the issues all that increased tourism brings. We are foolish not to.

Promote. Tourism

Promotes locally owned businesses.

Promotes tourism

Promotes tourism

Promotes tourism

Promotes tourism and business.

Promotes tourism with lots of fun events. I am happy with all of my utilities as well and tax rates.

Promoting the Keys as a tourism destination.

Promoting tourism.

Promoting tourism. This is our lifeblood. We need to continue this especially after Irma. It's about BALANCE.

Promotion of tourism; management of cruise ships.

Protect our environment

protect sanctuaries.

Protect the developers and the tourist industry (To the detriment of everyone else's quality of life)

Protecting corrupt employees who treat residents terribly. Residents are fearful if they speak up they will not get their permits and won't be able to get into their homes.

protecting the environment

Protecting us with excellent police and fire people.

Protection. It feels safe with all the county sheriffs visible daily. Combine that with troopers, fwc, and city police and it's a nice safer place to live.

Protects its citizens and businesses. I feel safe living here.

Protect's their citizens.

Protects us

Provide information.

Provides a positive environment to raise a family.

provides a safe , yet relaxed atmosphere

Provides a safe community and creates opportunities for citizens to contribute (I just wish they shared more openly) and thinks of things like parking and general "livability" (noise, parks, historic preservation).

PROVIDES FULLY ADEQUATE REVENUE SOURCES

Provides great police force

Provides information to residents regarding building information, taxes and other governmental matters well.

Provides services to certain citizens in need.

provides services to the best of ability within economic constraints

Providing basic services efficiently.

Providing customer service from each department and agency.

Providing fire and safety personnel.

Providing opportunities for input.

Provision of infrastructure at low tax rate

Public Information :)

Public Safety

Public safety

Public safety

Public safety

Public safety and hurricane response

Public Safety, Emergencies, Code Enforcement, Keeping the Keys clean. You're the best!

Public services. I am sure a lot more however I am not sure exactly what you do.

Public works, Public health, infrastructure, police and safety

Pump out

Pursues their vision of unlimited development and Disneyland, for the Florida Keys.

Put up with stupid comments from ronnie

Question 9 is poorly worded and leaves a lot of room for interpretation. It isn't possible to answer it with any accuracy.

Quick police response

Reaches out to citizens to improve processes.

Reaching out to public for feedback

React to hurricanes

Real estate agent success. Selling to highest bidder. You are pricing locals out of taking part in anything.

Rebounding from hurricanes

Recognizing and working to preserve our natural beauty. Raising funds for charity and helping each other out. Hosting memorable events. Sharing a sense of environmental activism, regardless of party.

Recreation for children

Regulate growth.

Regulating traffic

Remains focused on water quality and big issues

Represent the entire Keys

Representatives do attend our meetings

Respecting the freedom of our local lifestyle & culture.

Respecting the history and humanities of Key West, it's special.

Responds to emergencies.

Response to Irma was fantastic. Recovery going well.

Responsive

responsiveness to concerns

Restricts development in a positive manner.

Road Construction

Road maintenance

Road maintenance and improvements

Road maintenance. Mosquito control.

Road work

Roads seem good.

Roads were cleared remarkably quickly after Irma. Crews were working non-stop. Hurricane preparedness. Good job.

Roman does a great job with the resources he has available and especially in the law enf. sector i.e. Sheriff.

Rotary presentation

Runs tourist events out of county.

Safety

Safety

safety

Safety - Sheriffs department

Safety - Sheriffs department

Safety and education but it needs improvement

Safety is a big priority and the county, state and federal law enforcement is doing a good job.

Sanitation

Sarcastically, harass full time all year around locals well. Should be focusing on tougher restrictions on vacation owners and part time residents.

Saving the working water fronts, parks

school building upgrades

School system

Schools

Schools

Schools

Schools facilities

Security

"Seek out Federal and state funding."

Seeking the public's suggestions

Self promote

Self promotes.

Self promotion

Sell out to builders.

Sheriff

Sheriff

Sheriff

Sheriff

Sheriff department is incredible. What they have to deal with down here is very hard and they do an incredible job.

Sheriff department, libraries,

Sheriff department, fire and rescuers, Library, mosquito control

Sheriff department.

Sheriff dept is run excellent with Sheriff Rick Ramsey

"Sheriff Dept

Waste Management"

Sheriff dept.

Sheriff office

Sheriff officials,

sheriff related functions, patrol, trauma star.

Sheriff's office does a great job

Sheriff's office very responsive

Sheriff's office !

Sheriff's department

Sheriff's department does an amazing job catching criminals and environmental violators.

"Sheriff's department employees

And the farm"

Sheriff's department/Trauma Star are outstanding. I feel like the county tries to communicate with us. Also I like the Emergency Operations people, I think they are trying really hard and will be more than ready for the next storm.

Sheriff's office

Sheriff's office

Sheriff's office is awesome. On top of crime as much as possible. Great community involvement.

Sheriff's Office operations, fighting for our small county within the general influence of the rest of Florida (we are different)

Sheriff's Office remains engaged in the community in a very positive manner. Great Job Sheriff Rick Ramsay!

Sheriff's office seems to do a good job

Sheriff's office.

Sheriff's dept

Sheriff office

Sheriff's Department.

Sheriff's Office is great.

Show up for photo opps.

Snow and ice removal.

Social services

social services for the elderly

Solicit for tourists, which seems to be the #1 priority.

Spend money

Spend our money

spend tax dollars

Spending a lot of money

Spending other people's money

Spending our tax money unwisely

spending too much buying land like Roswell's park but people can't use it a year after the storm as an example

Spending too much money on waterfront buildings.

Spends money like a drunken sailor

Spends money.

Spends our money like drunken sailors. Oh and they are really good at creating useless administrative positions.

Spent money

Staff and BOCC are friendly and helpful

Stay in front of Tallahassee to insure we are part of their planning

Staying in touch with the public

Steal, over charge, allow corruption, vote against anything and everything that could make the keys the perfect place to live, work and play.

Steals money from x to give to y

Steals money, hires idiots

still trying to figure this out

Storm management

storm prep and recovery, emergency services

Storm response

Storm response

Storms

Strategic Planning

Strategic planning

Suck up to tourists.

Support of nonprofit

Support of non-profits in the community

Support tourism

Support tourism efforts

Supporting non profits

Supporting residents

supports non profits that supplement underfunded social services

"Supports the arts

Waste management"

Swimming pool for the students in Marathom but the park is wonderful

Take care of our environment

take money to let big business in

Take time off and raise salaries

Take, take, take,

Taking care of parks

Taking care of tourism over the quality of life for residents

Talk alot

Talk, Talk, Talk....

Tax and spend

tax dollars going to the public schools

Tax itâ€™s Citizens

Tax rates

Taxes us

TDC

TDC

TDC operates well

TDC tourism promotions, MCSO, Trauma Star

Tell us what you are doing with this survey.

Terry as fire chief

The amount of parks and open space are better than most counties Iâ€™ve seen.

The best Police, FWC, Fire rescue, emergency Management.

The BOCC seems to respect all of the various communities.

The control of over building!

The County as a business, is managed well.

The county does a fine job of promoting tourism, which is of extreme importance to our economy.

The County handled Irma well.

The hurricane clean up has been progressing well

The Keys are safe and inviting. The county deserves a lot of credit for that.

The MCSO is a valuable asset.

The park activities

The police are great.

The police force is top notch in upper keys.

"The police officers and fire departments are very dependable. "

The residents support each other well, the government should do the same

The road repair after Irma was very quick.

The Sheriff

the sheriff and elections departments seem to be very well run

The sheriff is the best in the state

The sheriff's office does a fantastic job and could always use more deputies.

The TDC does a decent job of showing the world Key West

The TDC promotes tourism too well,

The utilities are incredible

There are individuals in the county that are phenomenal and are a wonderful asset in their roles. We need accountability.

They care about tourist more than its people.

They did an excellent job of hurricane Irma clean up.

They got us back up and running after the hurricane last year.

They have a sheriff department.

They have a vision for the community

They have no problem spending other people's money without taking their constituent's needs into consideration.

They keep the residents VERY informed, I hope that continues

They know how to prepare for a hurricane and evacuate residents in a timely manner.

They pander to the incorporated parts quite well

They take pride in our community

they try

They want to make changes to help local people.

This County does a bunch of stuff well, but there's always room for improvement.

tie things up in red tape so nothing gets done

Timely response for municipal issues.

To broad a question

Too much red tape/government

Tourism

Tourism advertisements

Tourism developments ,everything is for tourism too little for locals.

Tourism promotion

Tourism.

Tourist advertising

Tourist Development.

Tourist info

Tourists, police force

traffic control

Traffic in parts of the Keys with several lanes. Turn the old road in Islamorada to north bound, and the new road south bound.

traffic sheriff dept

Traffic stops.

Trama Star

Trama Star

"Trauma Star

MCSO

Social media"

Trauma Star, Pigeon Key, Sheriff

Trauma Star, the Sheriff's office, most County duties are performed well.

traumastar

Treat Citizens like crap at Building Dept.

Truly can't think of anything at this point in time.

Try and accommodate

Tryâ€™s to meet the needs of the people

Trying to preserve working waterfronts

Ummm.....

Unfortunately, promotes tourism.

upkeep of roads, bridges and facilities

User friendly to the taxpayer

Utilities

Utilities are amazing. The work done after Irma for water and electricity was miraculous

Utilities.

Utilities.

Utility infrastructure is good where I live in Big Coppitt. Quick recovery time after Irma. Thanks!

Utilizes multiple non-government resources.

Vegetation control

Very efficient w.r.t. resources.

Very good response fro Fire, rescue, EMS and awesome Trauma Star

Very strongly believe that the police and fire depts are the best.

Very visible

Very welcoming to tourist from around the world.

Veteran support.

Vote Republican

Waste collection and recycling

Waste management works very hard

Waste management and public safety

Waste management is pretty good.

Waste management, fire and rescue

Waste money

Waste money

Waste money and have a lack of regard for the local workers who make these islands survive and grow

Waste pickup

Water quality has continued to improve. Taxes have been fairly well controlled.

Water quality is great.

Water, collect taxes

Water, utilities, police, fire fighters, schools.

Water, power and recycling

We actually do speak well with a single voice when it counts

We are an amazingly self-sufficient community.

We are pragmatic in all approaches.

We do take care of one another in hard times

We do well with environmental regulations but still more needs to be done.

We have a good sense of community.

We have a superb hurricane plan/evacuation in place. A model for many others. We just need to improve upon reentry, or many will refuse to leave.

We have fun!

Weather warnings

Welcome tourist for fantasy Fest and mini season.

well ????

Well, I haven't been assaulted by Brett Cavanaugh so there's that.

When push comes to shove, Monroe County does an overall, great job. B+ to A-

With the exception of Key West, the schools are really good.

Wonderful cleanup after Irma !

Work slow

Work the bubba system and bow down to the developers.

Work together as a commison

Work together to get things done.

Work well with state legislators

Working extremely slow

Working extremely slow

Works well in keeping everyone informed in hurricane issues.

You are truly concerned about the future of the Keys, which are so very unique. Hey we got a red blinking light which was how it should be.

You do answer the phone.

You try to fix everything thereâ€™s just too much

| Lower Keys | Emergency management |
| Lower Keys | Communication. Rhonda Haag does it very well. |
| Lower Keys | Police, Fire, contracting for solid waste |
| Lower Keys | Polling sites and early voting. |
| Lower Keys | Information that goes out to the public is timely and well appreciated through press releases and social media. |
| Lower Keys | Not allowing term limits. |
| Lower Keys | Budget |
| Lower Keys | Hurricane planning |
| Lower Keys | Attract tourists |
| Lower Keys | listens to it's citizens to initiate change |
| Lower Keys | Attempts to balance progress/infrastructure in all communities, not always equal but they try not to forget those older undeveloped areas not leaving them to far behind. |
| Lower Keys | develops a conservative budget |
| Lower Keys | Informs the public |
| Lower Keys | Crime prevention. Lip service to climate mitigation. |
| Lower Keys | Did a great clean-up - care for others and overall it's a wonderful place to live |
| Lower Keys | Intent- such as the land use comminikeys plan etc... all made with the community authentic input. Do not just throw all that away for the sake of development |
| Lower Keys | Trying to preserve working waterfronts |
| Lower Keys | Let Walmart come to Big Coppit. The county has no tax base for businesses in the Lower Keys it is all funded by residents. Walmart would bring in huge revenues to the County. Monroe County needs to let businesses in for revenue. |
| Lower Keys | Tourism. |
| Lower Keys | Listening to the people |
| Lower Keys | Providing customer service from each department and agency. |
| Lower Keys | Response to Irma was fantastic. Recovery going well. |
| Lower Keys | cont...employees enough to live here. It should NOT fall on homeowners to provide affordable housing. They are barely making ends meet also. |
| Lower Keys | Law enforcement by Sheriff's Office |
| Lower Keys | Not wasting tax payer dollars |
| Lower Keys | Community support protection and support. |
| Lower Keys | N |
| Lower Keys | Providing fire and safety personnel. |

| | |
|------------|--|
| Lower Keys | Law enforcement |
| Lower Keys | Most everything. Iâ€™m a happy camper |
| Lower Keys | Promote tourism. |
| Lower Keys | Very welcoming to tourist from around the world. |
| Lower Keys | Plan- exactly what you are doing with this Strategic Pan. |
| Lower Keys | non profits |
| Lower Keys | They keep the residents VERY informed, I hope that continues |
| Lower Keys | The residents support each other well, the government should do the same |
| Lower Keys | . |
| Lower Keys | The road repair after Irma was very quick. |
| Lower Keys | Cater to tax payers while responding to little things. |
| Lower Keys | Brings Visitors to the island, though now the majority of that is done by private non profits. |
| Lower Keys | Over-promote tourism. |
| Lower Keys | Management of US 1. |
| Lower Keys | Promotes locally owned businesses. |
| Lower Keys | The BOCC seems to respect all of the various communities. |
| Lower Keys | Security |
| Lower Keys | Protecting us with excellent police and fire people. |
| Lower Keys | Attracting tourists. |
| Lower Keys | Best county in the US for obstructing building and development. Absolute master at not knowing what the other departments are doing. |
| Lower Keys | Keeping the streets clean. |
| Lower Keys | Pay exempt employees overtime pay during hurricanes |
| Lower Keys | Providing opportunities for input. |
| Lower Keys | Good communications |
| Lower Keys | Promotes tourism and business. |
| Lower Keys | Promotes tourism and business. |
| Lower Keys | Truly can't think of anything at this point in time. |
| Lower Keys | Monroe County Sherriffâ€™s Office ; new EM app and website great move |
| Lower Keys | Emergency services |
| Lower Keys | 2 |
| Lower Keys | chasing away tourist \$, Poker run, Ragnar, etc. |
| Lower Keys | The Keys are safe and inviting. The county deserves a lot of credit for that. |
| Lower Keys | Maintains a sufficient infrastructure. |
| Lower Keys | Does well on wasting money on inflated contracts. Does well on mind boggling bureaucracy. |
| Lower Keys | Force Residents To Pay More Money For Everything. |
| Lower Keys | Saving the working water fronts, parks |
| Lower Keys | Benefits |

| | |
|------------|---|
| Lower Keys | Just about everything. Probably the best County Level Government in the state and best county in the state to reside in. |
| Lower Keys | I believe they do well responding with the community and do there best to please people if it is a reasonable request. |
| Lower Keys | They have a vision for the community |
| Lower Keys | health dept |
| Lower Keys | Hurt the locals well beings and make life difficult for businesses |
| Lower Keys | Not much! oh.. letting rich people run this town! |
| Lower Keys | permit applications |
| Lower Keys | I believe our first responders do very well under stressful circumstance. |
| Lower Keys | protecting the enviroment |
| Lower Keys | Budgeting |
| Lower Keys | Growth control |
| Lower Keys | supports non profits that supplement underfunded social services |
| Lower Keys | Charities |
| Lower Keys | sheriff related functions, patrol, trauma star. |
| Lower Keys | The county does a fine job of promoting tourism, which is of extreme importance to our economy. |
| Lower Keys | Emergency services management. |
| Lower Keys | Law & Order |
| Lower Keys | Utility infrastructure is good where I live in Big Coppitt. Quick recovery time after Irma. Thanks! |
| Lower Keys | Tourism |
| Lower Keys | Sheriff's Office operations, fighting for our small county within the general influence of the rest of Florida (we are different) |
| Lower Keys | As a resident of Key west, there is little interaction directly with the county that I am aware of, so I am not sure what is done exceptionally well. |
| Lower Keys | Law enforcement |
| Lower Keys | Asks for input. |
| Lower Keys | Advertising and bringing more tourism into the county. |
| Lower Keys | Water,power and recycling |
| Lower Keys | Library; law enforcement |
| Lower Keys | Great sheriff. |
| Lower Keys | Stay in front of Tallahassee to insure we are part of their planning |
| Lower Keys | not sure |
| Lower Keys | Community outreach most of the time. But for all the good stuff you do in this front the one pops leaves everyone with a bad impression |
| Lower Keys | Create more affordable housing |
| Lower Keys | patronage |
| Lower Keys | Attract tourists |

| | |
|------------|--|
| Lower Keys | Police protection. |
| Lower Keys | You do answer the phone. |
| Lower Keys | storm prep and recovery, emergency services |
| Lower Keys | Excellent law enforcement |
| Lower Keys | Keeping the roadways clean |
| Lower Keys | Advertising. |
| Lower Keys | Not sure |
| Lower Keys | Communication |
| Lower Keys | Law enforcement |
| Lower Keys | Roads seem good. |
| Lower Keys | Planning for the impacts of sea level rise |
| Lower Keys | Attract tourists. |
| Lower Keys | Nothing! Lazy and unsafe. |
| Lower Keys | Great police department. |
| Lower Keys | Keeping taxes at an affordable level and hiring great staff. |
| Lower Keys | Communication. |
| Lower Keys | Not sure |
| Lower Keys | airports, libraries, |
| Lower Keys | Hold commission meetings. |
| Lower Keys | Limit building expansion. |
| Lower Keys | ? |
| Lower Keys | NA |
| Lower Keys | Environmental protection. |
| Lower Keys | Keeps crime low |
| Lower Keys | PRMOTE TOURISM |
| Lower Keys | overlook rules, regulations and codes based on last names. |
| Lower Keys | Protection. It feels safe with all the county sheriffs visible daily. Combine that with troopers, fwc, and city police and its a nice safer place to live. |
| Lower Keys | Mosquito control; law enforcement |
| Lower Keys | TRASH CLEAN UP |
| Lower Keys | They got us back up and running after the hurricane last year. |
| Lower Keys | A lot honestly, but we can do better right? |
| Lower Keys | Provides information to residents regarding building information, taxes and other governmental matters well. |
| Lower Keys | Protecting corrupt employees who treat residents terribly. Residents are fearful if they speak up they will not get their permits and won't be able to get into their homes. |
| Lower Keys | Over-regulation. |
| Lower Keys | Support tourism |
| Lower Keys | Idk |
| Lower Keys | Provides a safe community and creates opportunities for citizens to contribute (I just wish they shared more openly) and thinks of things like parking and general "livability" (noise, parks, historic preservation). |

| | |
|------------|--|
| Lower Keys | Our public schools continue to improve |
| Lower Keys | Public safety |
| Lower Keys | The TDC does a decent job of showing the world Key West |
| Lower Keys | It does a great job of ignoring the plight of your workforce. |
| Lower Keys | Keeps our beautiful waters clean. |
| Lower Keys | After the hurricane and lack of help provided by the building department to people in need, I no longer can see anything of value. |
| Lower Keys | Vote Republican |
| Lower Keys | festivals and community events |
| Lower Keys | Holds elections. |
| Lower Keys | I believe they handle emergencies like Irma well. I know people wanted to return immediately and were afraid of looting, but pointing out lack of water, electric, gasoline and assurances that police and national guard were out in force helped |
| Lower Keys | Sheriff's Office remains engaged in the community in a very positive manner. Great Job Sheriff Rick Ramsay! |
| Lower Keys | Hurricane Clean up |
| Lower Keys | The Sheriff |
| Lower Keys | I appreciate the Tree Commission's dedication to preserving native vegetation. |
| Lower Keys | Hmmm... |
| Lower Keys | Collecting property taxes |
| Lower Keys | Buses |
| Lower Keys | police protection |
| Lower Keys | Public safety |
| Lower Keys | Nothing! Unless you count overextending resources so we can cram more tourists in and make the rich richer. |
| Lower Keys | Keys energy is amazing and our politicians care about their community. We are one human family! |
| Lower Keys | tie things up in red tape so nothing gets done |
| Lower Keys | ? |
| Lower Keys | Hiring friends and family over qualified individuals |
| Lower Keys | Sherriff's Department. |
| Lower Keys | They care about tourist more than its people. |
| Lower Keys | Police Enforcement, EMT's and Firehouse staff of Monroe County are top notch. Need a real hospital for emergencies -Nice airport, preserve mom and pop eateries, tourism advertising, -good schools, garbage pickup is good |
| Lower Keys | Reaching out to public for feedback |
| Lower Keys | Excellent police service |

| | |
|------------|---|
| Lower Keys | Fishing |
| Lower Keys | ? |
| Lower Keys | Monroe County has an amazing staff that really showed their grit and love in the aftermath of Irma. They worked their butts off to help the public, while their own homes were trashed and needing their attention. |
| Lower Keys | County services throughout the county are one of the Few industries that run smoothly. |
| Lower Keys | Community involvement |
| Lower Keys | Most everything |
| Lower Keys | Veteran support. |
| Lower Keys | Not much |
| Lower Keys | Collect taxes (Side note we have one elderly relative left in Monroe county, when they pass or move we will be leaving Monroe for good. I didn't get a masters degree to live like this) |
| Lower Keys | Police and Fire departments are good. |
| Lower Keys | Nothing |
| Lower Keys | traffic control |
| Lower Keys | Hmmm I'm not sure right now. |
| Lower Keys | Steals money from x to give to y |
| Lower Keys | Spends our money like drunken sailors. Oh and they are really good at creating useless administrative positions. |
| Lower Keys | Provides services to certain citizens in need. |
| Lower Keys | User friendly to the taxpayer |
| Lower Keys | Parks & Beaches, Airports |
| Lower Keys | Beautiful , safe environment for our families |
| Lower Keys | caters to visitors |
| Lower Keys | Nothing. |
| Lower Keys | Emergency management and Puts out fires |
| Lower Keys | Advertise the Keys as a vacation destination |
| Lower Keys | Waste money and have a lack of regard for the local workers who make these islands survive and grow |
| Lower Keys | Allows endless bars. |
| Lower Keys | They pander to the incorporated parts quite well |
| Lower Keys | Mosquito control. |
| Lower Keys | Responsive |
| Lower Keys | They have no problem spending other people's money without taking their constituent's needs into consideration. |
| Lower Keys | n/a |
| Lower Keys | provides a safe , yet relaxed atmosphere |
| Lower Keys | hurricane prep |

| | |
|------------|---|
| Lower Keys | Mosquitos control |
| Lower Keys | limits change |
| Lower Keys | Work the bubba system and bow down to the developers. |
| Lower Keys | Marketing and services for tourists |
| Lower Keys | Road Construction |
| Lower Keys | Great first responders |
| Lower Keys | Not much is you lived in Georges dist for the last 20 years. |
| Lower Keys | Over regulate. |
| Lower Keys | Good communication from authorities to people |
| Lower Keys | Tourism developments ,everything is for tourism too little for locals. |
| Lower Keys | proactively addressing climate change issues and always working to protect residence and tourists |
| Lower Keys | bringing in tourist fixing "county" roads |
| Lower Keys | does very well with providing services at a tax rate less than other counties in the state |
| Lower Keys | I thought it handled hurricane cleanup and recovery well. |
| Lower Keys | n/a |
| Lower Keys | Roman does a great job with the resources he has available and especially in the law enf. sector i.e. Sheriff. |
| Lower Keys | protect sanctuaries. |
| Lower Keys | Emergency response is great. Trauma star is awesome. Emergency planning seems very good. |
| Lower Keys | Our schools |
| Lower Keys | caring for parks |
| Lower Keys | Trauma Star, the Sheriff's office, most County duties are performed well. |
| Lower Keys | Police and Fire Department |
| Lower Keys | Police work, prisons, parks |
| Lower Keys | Water quality is great. |
| Lower Keys | Tourism |
| Lower Keys | promote its attractions |
| Lower Keys | Respecting the history and humanities of Key West, it's special. |
| Lower Keys | create tourism. |
| Lower Keys | When push comes to shove, Monroe County does an overall, great job. B+ to A- |
| Lower Keys | Atmosphere |
| Lower Keys | . |
| Lower Keys | General communication |
| Lower Keys | Not much. Sewers were a mess. Still in courts over those. Tax payers have had to pay for one BOCC mess after another. |
| Lower Keys | They want to make changes to help local people. |
| Lower Keys | Overall a good job without income tax |
| Lower Keys | n/a |

| | |
|------------|---|
| Lower Keys | Informing the public about events, decisions, and problems within the community. |
| Lower Keys | They know how to prepare for a hurricane and evacuate residents in a timely manner. |
| Lower Keys | Wonderful cleanup after Irma ! |
| Lower Keys | Storms |
| Lower Keys | It is a beautiful place. I think Monroe County does Events well. |
| Lower Keys | I am very impressed with the community's value of the historical aspect of the county and the dedication to its marine life. The push towards more public transportation is wonderful. |
| Lower Keys | Tourism |
| Lower Keys | Promote tourism |
| Lower Keys | Monroe County does well at keeping us looking like a paradise island. |
| Lower Keys | Disaster planning and recovery. |
| Lower Keys | not sure |
| Lower Keys | not much at this point in time. We are a very small community so it not very hard to run a tight ship. we appear to step on our own feet with trying to move forward. |
| Lower Keys | No comment |
| Lower Keys | Let people get away with traffic violations, keeps the corruption at the top of priorities. allows dangerous driving to go on, allows residents to get screwed with high prices rent food and utilities |
| Lower Keys | Water, utilities, police, fire fighters, schools. |
| Lower Keys | Many things! |
| Lower Keys | Water quality has continued to improve. Taxes have been fairly well controlled. |
| Lower Keys | tax dollars going to the public schools |
| Lower Keys | PROVIDES FULLY ADEQUATE REVENUE SOURCES |
| Lower Keys | In the end we are one human family and that shines through the frustration. |
| Lower Keys | School system |
| Lower Keys | Helpful workforce |
| Lower Keys | Infrastructure ie repaiving roads. |
| Lower Keys | Parades. |
| Lower Keys | We do take care of one another in hard times |
| Lower Keys | Trash pick up, policing, parks |
| Lower Keys | Provide information. |
| Lower Keys | Not much! They keep giving everyone who works for the County raise after raise and we the taxpayers have to foot all these big increases! |
| Lower Keys | Great sheriff's department. |
| Lower Keys | Buys lots of new parks |

| | |
|------------|--|
| Lower Keys | Emergency management now |
| Lower Keys | Creating jobs for local residents |
| Lower Keys | Emergency Management education |
| Lower Keys | Advertises itself at solely a vacation destination. |
| Lower Keys | Law enforcement and emergency services on land |
| Lower Keys | Plants trees along US1. |
| Lower Keys | Communicating with residents. The population has a responsibility to be engaged, participate in solutions. |
| Lower Keys | To broad a question |
| Lower Keys | Spend monies |
| Lower Keys | Hurricane evacuation even amidst all complaints |
| Lower Keys | Helping to maintain our natural environment |
| Lower Keys | Collect taxes... youâ€™re very good at that. |
| Lower Keys | Encourage cultural destruction |
| Lower Keys | EOC. Sheriffs Dept. Infastructure. Utilities. |
| Lower Keys | It tries to provide basic services but I would not give it high marks. I have no sense of its priorities. |
| Lower Keys | Utilities are amazing. The work done after Irma for water and electricity was miraculous |
| Lower Keys | Law enforcement |
| Lower Keys | The MCSO is a valuable asset. |
| Lower Keys | Tourism |
| Lower Keys | Tax itâ€™s Citizens |
| Lower Keys | MCSO is great |
| Lower Keys | Law enforcement |
| Lower Keys | Communicate and transparency |
| Lower Keys | Keeping us informed. |
| Lower Keys | Caters to the tourist |
| Lower Keys | Public works, Publix health, infrastructure, police and safety |
| Lower Keys | Tourism |
| Lower Keys | Nothing |
| Lower Keys | Very strongly believe that the police and fire depts are the best. |
| Lower Keys | Employees and facilities serve residents efficiently. |
| Lower Keys | Respecting the freedom of our local lifestyle & culture. |
| Lower Keys | Promotes tourism |
| Lower Keys | Promoting tourism. |
| Lower Keys | I'm to new too new to the county to provide input. |
| Lower Keys | Safety |
| Lower Keys | Nonpartisan decision-making |
| Lower Keys | Promotes tourism |
| Lower Keys | It seems to be getting better ; unfortunately ibgjinknit yook the Hurricane to wake you up. |
| Lower Keys | Prevent rebuilding hurricane damage by requiring permits without increasing building department hours and staff. |
| Lower Keys | Garbage and junk pick up. |

| | |
|---|---|
| Lower Keys | Police is very good. |
| Lower Keys | Police and fire depts. |
| Lower Keys | Communication is good. |
| Lower Keys | Get the funds to finally clear out the hurricane debris in the many, many canals. |
| Lower Keys | Promotes tourism |
| Lower Keys | Garbage pickup is reliable. |
| Lower Keys | Continues to attract tourism |
| Lower Keys | We have fun! |
| Lower Keys | Hardening infrastructure |
| Lower Keys | Making the public aware of social and road information. There is abundance of sources of communication and need to know information for the public. |
| Lower Keys | Embraces diversity |
| Lower Keys | Keeping the town clean |
| Lower Keys | Police, fire,emergency, wildlife care |
| Lower Keys | You try to fix everything thereâ€™s just too much |
| Lower Keys | Curbing crime and variety in community events (seafood festivals, movies in the park) |
| Lower Keys | Provides great police force |
| Lower Keys | Not sure |
| Lower Keys | Excellent handling of events like Fantasy Fest. Pride. And other large events and parades. A strong and kind police force (almost always!) |
| Lower Keys | Not sure. |
| Lower Keys | not sure |
| Lower Keys | Mosquito control. Police Presence. Roads. |
| Lower Keys | The sheriff is the best in the state |
| Lower Keys | Runs tourist events out of county. |
| Lower Keys | Provides a positive environment to raise a family. |
| Lower Keys | Lip service |
| Lower Keys | promote itself |
| Lower Keys | Open to community input to drive decisions affecting neighborhoods.,,hope this does not change! |
| Lower Keys | Emergency services |
| Lower Keys | Protect the developers and the tourist industry (To the detriment of everyone else's quality of life) |
| Lower Keys | Manage their budget. Tina does a fabulous hob! |
| Lower Keys,I am not a resident of the Florida Keys. | Police |
| MAR CofC | Bring in visitors |
| MAR CofC | Communicate well |
| MAR CofC | Communicate well |
| MAR CofC | Communicate well under multiple platforms |
| MAR CofC | Communication |
| MAR CofC | Community support |

| MAR CofC | Hurricane recovery |
| MAR CofC | Keep marijuana illegal |
| MAR CofC | Listen to the community |
| MAR CofC | Marathon chamber of commerce ;) |
| MAR CofC | Police highway protection |
| MAR CofC | Staff and BOCC are friendly and helpful |
| MAR CofC | Support tourism efforts |
| MAR CofC | Talk alot |
| MAR CofC | TDC |
| MAR CofC | Tourism |
| MAR CofC | Tourism |
| MAR CofC | Work well with state legislators |
| MAR Rtry | Adapt to change |
| MAR Rtry | Concerned about thr local community and individuals |
| MAR Rtry | Encourage public participation to |
| MAR Rtry | Excellent professional staff and support of the constitutional officers organizations. |
| MAR Rtry | Helping coordinate local issues into a united voice in Tallahassee and DC |
| MAR Rtry | Listen |
| MAR Rtry | Lobby |
| MAR Rtry | Protect our environment |
| MAR Rtry | Remains focused on water quality and big issues |
| MAR Rtry | Utilizes multiple non-government resources. |
| MAR Rtry | We actually do speak well with a single voice when it counts |
| Middle Keys | Elections, evacuations. |
| Middle Keys | provides services to the best of ability within economic constraints |
| Middle Keys | well ???? |
| Middle Keys | Communication with constituents - it's easy to find information on the web & social media. |
| Middle Keys | Transparency |
| Middle Keys | Keep us safe - excellent law enforcement |
| Middle Keys | building code and other hurricane preparedness |
| Middle Keys | maintains bridges |
| Middle Keys | spending too much buying land like roswells park but people cant use it a year after the storm as a example |
| Middle Keys | Election time. |
| Middle Keys | Monroe County seems to be promoting the Keys as a destination very well in many markets. |
| Middle Keys | BOCC meetings are televised. |
| Middle Keys | ? |
| Middle Keys | Parks, native landscaping, |
| Middle Keys | I feel safe here. |
| Middle Keys | Keeping in touch on social media platforms |

| | |
|-------------|---|
| Middle Keys | Not sure |
| Middle Keys | Quick police response |
| Middle Keys | All around solid... have no complaints |
| Middle Keys | Bringing the community together, police force, safety, low crime. |
| Middle Keys | Nothing in 18yrs. |
| Middle Keys | MCSO keeps us very safe here in the Keys. |
| Middle Keys | Waste money |
| Middle Keys | Hiring quality talent. |
| Middle Keys | Emergency response services are impressive given the island geography. Unfortunately there is no adequate facility within the County to take those in need. |
| Middle Keys | BOCC names/discusses the right issues, just needs to be more progressive in dealing with them. |
| Middle Keys | Very good response fro Fire, rescue, EMS and awesome Trauma Star |
| Middle Keys | Sheriff's office |
| Middle Keys | Keeping s strong community post storm |
| Middle Keys | It is does well promoting tourism, which is needed for keys residents and the economy. It is also unfortunately good at protecting the interests of the wealthy, more than the working class. |
| Middle Keys | Promoting tourism. This is our lifeblood. We need to continue this especially after Irma. It's about BALANCE. |
| Middle Keys | Monroe County has good plans and ideas to improve the Florida Keys. |
| Middle Keys | Advertises to tourists. |
| Middle Keys | n/a |
| Middle Keys | Advertising the Keys and having events to bring tourists down. |
| Middle Keys | Road work |
| Middle Keys | Inspections |
| Middle Keys | The best Police, FWC, Fire rescue, emergency Management. |
| Middle Keys | Investigates cases well |
| Middle Keys | Taxes us |
| Middle Keys | Attract tourists |
| Middle Keys | Attract tourists and remove homes ftom rental stock by encouraging the proliferation of vacation rentals. |
| Middle Keys | Monroe county has an amazing sheriff department, staffed with professionals folks who care deeply for the community. |
| Middle Keys | Free beaches. |
| Middle Keys | Dictate to residents |
| Middle Keys | They have a sheriff department. |
| Middle Keys | First responders, |
| Middle Keys | Bonds together in times of need |
| Middle Keys | promote itself |

| | |
|-------------|---|
| Middle Keys | Everything |
| Middle Keys | Monroe County does a great job of promoting the Keys as a tourism destination which stimulates and sustains our economy. |
| Middle Keys | Marketing the Keys |
| Middle Keys | Maintaining tax rates |
| Middle Keys | Promoting the Keys as a tourism destination. |
| Middle Keys | Be greedy. |
| Middle Keys | Attempt to keep City Park in Marathon occupied with festivals. |
| Middle Keys | We are an amazingly self-sufficient community. |
| Middle Keys | Promote Keys tourism, but often impacting quality of life. |
| Middle Keys | CERT training and Traumahawk. Thank you for both services! |
| Middle Keys | Emergency evacuation plan. |
| Middle Keys | We have a superb hurricane plan/evacuation in place. A model for many others. We just need to improve upon reentry, or many will refuse to leave. |
| Middle Keys | Better medical facilities |
| Middle Keys | Suck up to tourists. |
| Middle Keys | spend tax dollars |
| Middle Keys | the sheriff and elections departments seem to be very well run |
| Middle Keys | Collect taxes. |
| Middle Keys | Excellent job with water, sewer, garbage pick up |
| Middle Keys | Build city offices and facilities |
| Middle Keys | Timely response for municipal issues. |
| Middle Keys | Our community supports each other |
| Middle Keys | Sheriff's department/Trauma Star are outstanding. I feel like the county tries to communicate with us. Also I like the Emergency Operations people, I think they are trying really hard and will be more than ready for the next storm. |
| Middle Keys | Taking care of parks |
| Middle Keys | Community activities. |
| Middle Keys | Favors big money - favors tourist dollars - looks the other way with non-compliance in construction. |
| Middle Keys | Sarcastically, harass full time all year around locals well. Should be focusing on tougher restrictions on vacation owners and part time residents. |
| Middle Keys | Not sure |
| Middle Keys | Law enforcement |
| Middle Keys | ðŸ™® |
| Middle Keys | Spending our tax money unwisely |
| Middle Keys | Monroe County Sheriff's Department is excellent. |
| Middle Keys | Not a lot |
| Middle Keys | Infrastructure upgrades in works after Irma |

| | |
|-------------|--|
| Middle Keys | Sheriffs office seems to do a good jon |
| Middle Keys | Crime Prevention |
| Middle Keys | Spends money like a drunken sailor |
| Middle Keys | Take care of our environment |
| Middle Keys | Mosquito control |
| Middle Keys | Schools |
| Middle Keys | Safety |
| Middle Keys | police response time |
| Middle Keys | We do well with environmental regulations but still more needs to be done. |
| Middle Keys | None |
| Middle Keys | Parks and beaches. |
| Middle Keys | I like that we are always striving to be a destination for travelers |
| Middle Keys | Hard question, but the sheriffs department does a good job. |
| Middle Keys | Looking for sustainable solutions |
| Middle Keys | Marketing for tourism |
| Middle Keys | N |
| Middle Keys | Attracts tourists. Promotes the Keys |
| Middle Keys | Pleased with response after hurricane |
| Middle Keys | Community events |
| Middle Keys | Sheriffs department |
| Middle Keys | Continues to work on the problems in our community. Itâ€™s great that you have this survey to ask whatâ€™s important to the community. |
| Middle Keys | Our schools |
| Middle Keys | Regulating traffic |
| Middle Keys | With the exception of Key West, the schools are really good. |
| Middle Keys | Maintains schools and oversees building codes tenaciously |
| Middle Keys | Keeps cost of electric manageable, refuse removal, has a wonderful police and fire force. |
| Middle Keys | The park activities |
| Middle Keys | Welcome tourist for fantasy Fest and mini season. |
| Middle Keys | Community service and outreach |
| Middle Keys | Collects taxes |
| Middle Keys | Funding of non-profits |

| Upper Keys | Road maintenance and improvements |
| Upper Keys | Attract tourists. |
| Upper Keys | Utilities. |
| Upper Keys | keeps taxes low |
| Upper Keys | Communication has improved greatly! |
| Upper Keys | communication |
| Upper Keys | ??? |
| Upper Keys | Safety and education but it needs improvement |
| Upper Keys | Tourism advertisements |
| Upper Keys | funding green projects |
| Upper Keys | Pave the way for wealthy and connected businesses and developers to make more money, acquire more property and charge higher prices for living. "selling the keys to the world" |
| Upper Keys | Not sure |
| Upper Keys | Communication with the community |
| Upper Keys | This County does a bunch of stuff well, but there's always room for improvement. |
| Upper Keys | Infrastructure maintenance. |
| Upper Keys | Police/EMS/Traumastar are great |
| Upper Keys | Plants nice trees along the highway for the bus to run over for our workers to come work! Cares about our tourism, sometimes a little too much. |
| Upper Keys | Asks for feedback. |
| Upper Keys | Coordinating the utilities. |
| Upper Keys | Utilities. |
| Upper Keys | emergency management |
| Upper Keys | Notifications and communications |
| Upper Keys | I think overall we get good value. |
| Upper Keys | MCSO doing a great job |
| Upper Keys | Public services. I am sure a lot more however I am not sure exactly what you do. |
| Upper Keys | Limit growth |
| Upper Keys | Control growth. |
| Upper Keys | Trash and recycling pickup |
| Upper Keys | I love living in Monroe County. No place is perfect. I think the county does a good job overall. |

| | |
|------------|---|
| Upper Keys | Promote tourism. Let's work on the rest of the issues all that increased tourism brings. We are foolish not to. |
| Upper Keys | Looks for input. |
| Upper Keys | police response time is ,tree trimming and neighborhood mowing also very good |
| Upper Keys | Patrol the waters. |
| Upper Keys | Taking care of tourism over the quality of life for residents |
| Upper Keys | responsiveness to concerns |
| Upper Keys | Not sure |
| Upper Keys | Growth control. |
| Upper Keys | Restricts development in a positive manner. |
| Upper Keys | Growth management. |
| Upper Keys | Traffic in parts of the Keys with several lanes. Turn the old road in Islamorada to north bound, and the new road south bound. |
| Upper Keys | Good infrastructure, i.e. utilities. |
| Upper Keys | Holds or supports festivals that bring thousands of people to clog up the one road available |
| Upper Keys | Police. |
| Upper Keys | Communication has improved recently. |
| Upper Keys | I applaud our officers for trying to make sure everyone drives & stays safe |
| Upper Keys | Emergency response, police, fire and utility response. Controlling crime. |
| Upper Keys | Parks and recreation. |
| Upper Keys | Frustrating it's residents. |
| Upper Keys | Trash, recycling & outdoor waste pick up |
| Upper Keys | Monroe county Sherrif's department is excellent and is well run. They really do a great job for the community. |
| Upper Keys | patrol our water |
| Upper Keys | Offering county jobs. |
| Upper Keys | MCSO |
| Upper Keys | police/fire/ambulance services |
| Upper Keys | FKEC does an outstanding job restoring power and communicating with residents. |
| Upper Keys | Planning and managing growth / building |
| Upper Keys | The County handled Irma well. |
| Upper Keys | Emergency Services. |
| Upper Keys | Police department seems well run. |
| Upper Keys | handled immediate post hurricane response quite well, eventually does listen to citizen input, handles challenges of small county over 100 miles, |
| Upper Keys | Building for Resiliency when it comes to county structures. |
| Upper Keys | Social services |
| Upper Keys | The police are great. |
| Upper Keys | Community involvement. |
| Upper Keys | nothing |

| | |
|------------|--|
| Upper Keys | Fire, EMS, and Police services |
| Upper Keys | Festivals |
| Upper Keys | Inform residents of issues Good and Bad |
| Upper Keys | Promote tourism with no regard to citizens. |
| Upper Keys | Environmental concerns are well placed |
| Upper Keys | Best in class police force. |
| Upper Keys | caters to tourists |
| Upper Keys | Communicate via social media |
| Upper Keys | Makes money |
| Upper Keys | Excellent patrolling of the waterways. |
| Upper Keys | Sheriff's office ! |
| Upper Keys | No opinion |
| Upper Keys | Hassle local residents |
| Upper Keys | Not sure |
| Upper Keys | Take, take, take, |
| Upper Keys | Maintaining the island |
| Upper Keys | Evacuation of tourists and residents. |
| Upper Keys | Make unnecessary cross walks |
| Upper Keys | Great employees |
| Upper Keys | Over-advertise/exploit our resources to its breaking point for the almighty dollar! |
| Upper Keys | I think we have done an excellent job building our new schools, installing sewer, and improving the Oversea Highway and of the course building the Bridge. We have an excellent Police force and FWC. And our Electric Co-op is the best in the country! |
| Upper Keys | Make the county look good |
| Upper Keys | I LOVE the community and the way we pull together when needed. |
| Upper Keys | NA |
| Upper Keys | Nothing right now |
| Upper Keys | FWC, Sheriff and coast guard keeping us safe. |
| Upper Keys | Fight crime |
| Upper Keys | Waste pickup |
| Upper Keys | Have no clue |
| Upper Keys | Nothing! |
| Upper Keys | Try and accommodate |
| Upper Keys | ? |
| Upper Keys | Our schools. I love our school system. |
| Upper Keys | Tourist info |
| Upper Keys | Steals money, hires idiots |
| Upper Keys | take money to let big business in |
| Upper Keys | Advertise too much for tourism |
| Upper Keys | Steal, over charge, allow corruption, vote against anything and everything that could make the keys the perfect place to live, work and play. |
| Upper Keys | Landscaping |
| Upper Keys | Alerts |
| Upper Keys | Public safety |

| | |
|------------|---|
| Upper Keys | Improved septic which will help with offshore water over time. |
| Upper Keys | Hurricane evacuation and recovery. |
| Upper Keys | The amount of parks and open space are better than most counties I've seen. |
| Upper Keys | marketing tourism |
| Upper Keys | Patrolling to waterways and arresting sea life poachers and drunken boaters. |
| Upper Keys | Protects its citizens and businesses. I feel safe living here. |
| Upper Keys | Not enough information to assess |
| Upper Keys | Mcso |
| Upper Keys | Generally, handled post hurricane response as well as it could. Eventually listens to citizen input and staff try hard to deal with a 100 mile long county. |
| Upper Keys | Provision of infrastructure at low tax rate |
| Upper Keys | Public Safety, Emergencies, Code Enforcement, Keeping the Keys clean. You're the best! |
| Upper Keys | Rebounding from hurricanes |
| Upper Keys | events |
| Upper Keys | Emergency Management Services. |
| Upper Keys | Keeping our infrastructure in good shape. Keeping taxes reasonable. |
| Upper Keys | Road maintenance. Mosquito control. |
| Upper Keys | Not sure |
| Upper Keys | Police and Fire Services. |
| Upper Keys | I think over all we are well governed and kudos to storm response. |
| Upper Keys | Law enforcement, public works, libraries |
| Upper Keys | It does a lot of things well. |
| Upper Keys | PinballHD luv meetings. |
| Upper Keys | Garbage collection services. |
| Upper Keys | Monitor the budget and usually spend wisely. |
| Upper Keys | i feel the county does well with providing bike/walk paths, bike lanes and the parks for recreation areas. the cleanup after Hurricane Irma was amazing. |
| Upper Keys | emergency response time; that is law enforcement |
| Upper Keys | Police/fire/ems |
| Upper Keys | still trying to figure this out |
| Upper Keys | Friendly personnel. |
| Upper Keys | They did an excellent job of hurricane Irma clean up. |
| Upper Keys | maintain recreation areas |
| Upper Keys | Keep up the schools |
| Upper Keys | Cant think of just one. |
| Upper Keys | A great job protecting our reefs. Beautifying the highways and bike paths. |

| | |
|------------|---|
| Upper Keys | Hurricane Clean up though still ongoing was handled well |
| Upper Keys | most everything. very impressed with the clean up, the county, the cops, etc. |
| Upper Keys | Mosquito and sanitary control, education |
| Upper Keys | Works well in keeping everyone informed in hurricane issues. |
| Upper Keys | The TDC promotes tourism too well, |
| Upper Keys | Emergency management |
| Upper Keys | Keeps streets and infrastructure well maintained and safe |
| Upper Keys | Safety is a big priority and the county, state and federal law enforcement is doing a good job. |
| Upper Keys | TDC |
| Upper Keys | Maintaining the road, clean up and sherriff's department. |
| Upper Keys | The police force is top notch in upper keys. |
| Upper Keys | Management of growth, beautification of us1, educating on environmental issues, management of liveaboard cruisers waste. |
| Upper Keys | school building upgrades |
| Upper Keys | Hurricane response |
| Upper Keys | Maintains good roadways |
| Upper Keys | Many opportunities for university and college scholarships, etc (but what percentage graduate?). |
| Upper Keys | Has excellent police and fire services. |
| Upper Keys | Sheriffsâ€™s dept |
| Upper Keys | . |
| Upper Keys | Sheriff's office. |
| Upper Keys | Code enforcement, traffic stops, and marine enforcement. Maybe being done to excess! |
| Upper Keys | Most everything. I am pleased with the government. I like Sylvia Murphy. I am pleased with the police and volunteer fire in Key Largo. I like that Key Largo is unincorporated and not overly governed. |
| Upper Keys | I appreciate the MCSO Facebook page for updates on road closures and arrests |
| Upper Keys | Preserve the environment of our home |
| Upper Keys | MONROE County must stop reckless over-development and wasteful TDC advertising that brings TOO much traffic congestion and pollution onto our Islands. |
| Upper Keys | traffic sheriff dept |
| Upper Keys | Spending too much money on waterfront buildings. |
| Upper Keys | Builds for resiliency. |
| Upper Keys | Offers some good training for citizens |
| Upper Keys | Tourist advertising |
| Upper Keys | Advertising |
| Upper Keys | gets money from federal government; |

| | |
|------------|---|
| Upper Keys | Law enforcement, emergency responders. |
| Upper Keys | MC website is good. |
| Upper Keys | Cleanliness |
| Upper Keys | Protect's their citizens. |
| Upper Keys | ?? |
| Upper Keys | Police, Fire Schools |
| Upper Keys | Reaches out to citizens to improve processes. |
| Upper Keys | County services and communications with residents. |
| Upper Keys | . |
| Upper Keys | Utilities |
| Upper Keys | Emergency services |
| Upper Keys | Basic community services (water, electric, road maintenance) and support for non-profits. |
| Upper Keys | You are truly concerned about the future of the Keys, which are so very unique. Hey we got a red blinking light which was how it should be. |
| Upper Keys | Fund raising by the locals outstanding and usually a lot of fun also. |
| Upper Keys | Land Authority program |
| Upper Keys | Good communication from. The sheriff office app |
| Upper Keys | emergency management / recovery. |
| Upper Keys | We have a good sense of community. |
| Upper Keys | Can't think of anything-quality of life is deteriorating |
| Upper Keys | Police |
| Upper Keys | communicate via social media. |
| Upper Keys | React to hurricanes |
| Upper Keys | Cater to the rich |
| Upper Keys | Don't know right now |
| Upper Keys | Mosquito control |
| Upper Keys | Supporting residents |
| Upper Keys | Keeping order |
| Upper Keys | Police presence |
| Upper Keys | Attract tourists. |
| Upper Keys | N/a |
| Upper Keys | It's like one big family. |
| Upper Keys | Keep it clean and crime low |
| Upper Keys | Tourist Development. |
| Upper Keys | Proactive to it's citizens' needs. |
| Upper Keys | Protects us |
| Upper Keys | Disaster Preparedness |
| Upper Keys | upkeep of roads, bridges and facilities |
| Upper Keys | Question 9 is poorly worded and leaves a lot of room for interpretation. It isn't possible to answer it with any accuracy. |
| Upper Keys | Community involvement |
| Upper Keys | Keeping our community clean. |
| Upper Keys | The control of over building! |
| Upper Keys | Not sure... |

| | |
|------------|--|
| Upper Keys | Tourism |
| Upper Keys | Emergency management |
| Upper Keys | Control increasing criminal behavior. |
| Upper Keys | Maintains most of the common areas. |
| Upper Keys | Trash collection, Roadway maintenance along HWY 1 |
| Upper Keys | promote tourism |
| Upper Keys | crime prevention |
| Upper Keys | Not sure |
| Upper Keys | Responds to emergencies. |
| Upper Keys | It's nice that you are asking our opinion. |
| Upper Keys | I hear the schools down here are excellent for the kids and neighborhoods are great for them as well. |
| Upper Keys | Hurricane response |
| Upper Keys | Not much in the last few years, just chipping away at the "locals" way of life. The people that live here year round and support the Keys daily. |
| Upper Keys | Garbage pick up/ Police safety |
| Upper Keys | Emergency management |
| Upper Keys | Tax rates |
| Upper Keys | Noise control on water close to residential areas. Better laws and fines so sheriff can control better |
| Upper Keys | Sheriff's department does an amazing job catching criminals and environmental violators. |
| Upper Keys | Represent the entire Keys |
| Upper Keys | Advertise tourism |
| Upper Keys | Nothing right now |
| Upper Keys | Overtaxing ! |
| Upper Keys | MCSO. |
| Upper Keys | Keeping taxes down. |
| Upper Keys | Sheriff's office is awesome. On top of crime as much as possible. Great community involvement. |
| Upper Keys | Waste management is pretty good. |
| Upper Keys | safety |
| Upper Keys | feel safe living here. |
| Upper Keys | Keeps public informed |
| Upper Keys | Marketing to tourists |
| Upper Keys | Evacuation planning |
| Upper Keys | Sherrif office |
| Upper Keys | N/A |
| Upper Keys | Our water quality is great |
| Upper Keys | Law Enforcement |
| Upper Keys | Advertising the keys as a destination |
| Upper Keys | Hinder growth. |
| Upper Keys | Good utilities |
| Upper Keys | Over coverage of fire and ambulances! |
| Upper Keys | Garbage service |
| Upper Keys | Sell out to builders. |
| Upper Keys | Nothing |

| | |
|------------|--|
| Upper Keys | Police & safety. Other than on the road, I always feel safe in the Keys, no matter what part of the Keys weâ€™ve lived in. |
| Upper Keys | Communication |
| Upper Keys | . |
| Upper Keys | Vegetation control |
| Upper Keys | 0 |
| Upper Keys | Nothing good that I can see. Stop all vacation rentals in neighborhoods. Stop giving permits to these corporate building supposedly building affordable housing which is not affordable for the wages in the Keys. |
| Upper Keys | Good schools. Tranquility Bay Senior Center is amazing. |
| Upper Keys | Enviornmental protection |
| Upper Keys | Keys advertising |
| Zonta | Boat ramps |
| Zonta | Bridges. Parks beaches |
| Zonta | Building inspectors have been working hard. |
| Zonta | More items done well than Not so blessed to live in a County that is a small town |
| Zonta | Our Sherrifs office is the best! Michelle Coldiron is absolutely amazing. |
| Zonta | Police force is fantastic!!! |
| Zonta | Recreation for children |
| Zonta | Sheriff's office does a great job |
| Zonta | Swimming pool for the students in Marathom but the park is wonderful |
| Zonta | Trauma Star, Pigeon Key, Sheriff |

Questions #2, 6, 7 and 8 responses are found in the previous sections of this report. This document provides the raw data for questions #1, 3, 4, 5 and 9.

**The raw results of the Online Public Survey was exported from CivicPlus and contains over 9000 fields of data. As such it was simply too unwieldy for inclusion in this document's format. These raw results can be provided upon request.

Zeeting Interactive Presentation Analytics

The Interactive Presentations utilized a web-based program call Zeetings. This program allowed the Office of Stratgic Planning to create 23 unique presentation with the same questions that allowed real time interactive voting and participation by the audience. The software then captured the data and ffeedback an produced a report in an Excel .CSV format. These individual files were then converted to traditional Excel format and exhaustively merged file by file. This resulted in a Master file of raw data that includes 24, 210 cells of data. Due to it’s size, it is not possible to include in this document’s format. These raw results can be provided upon request.

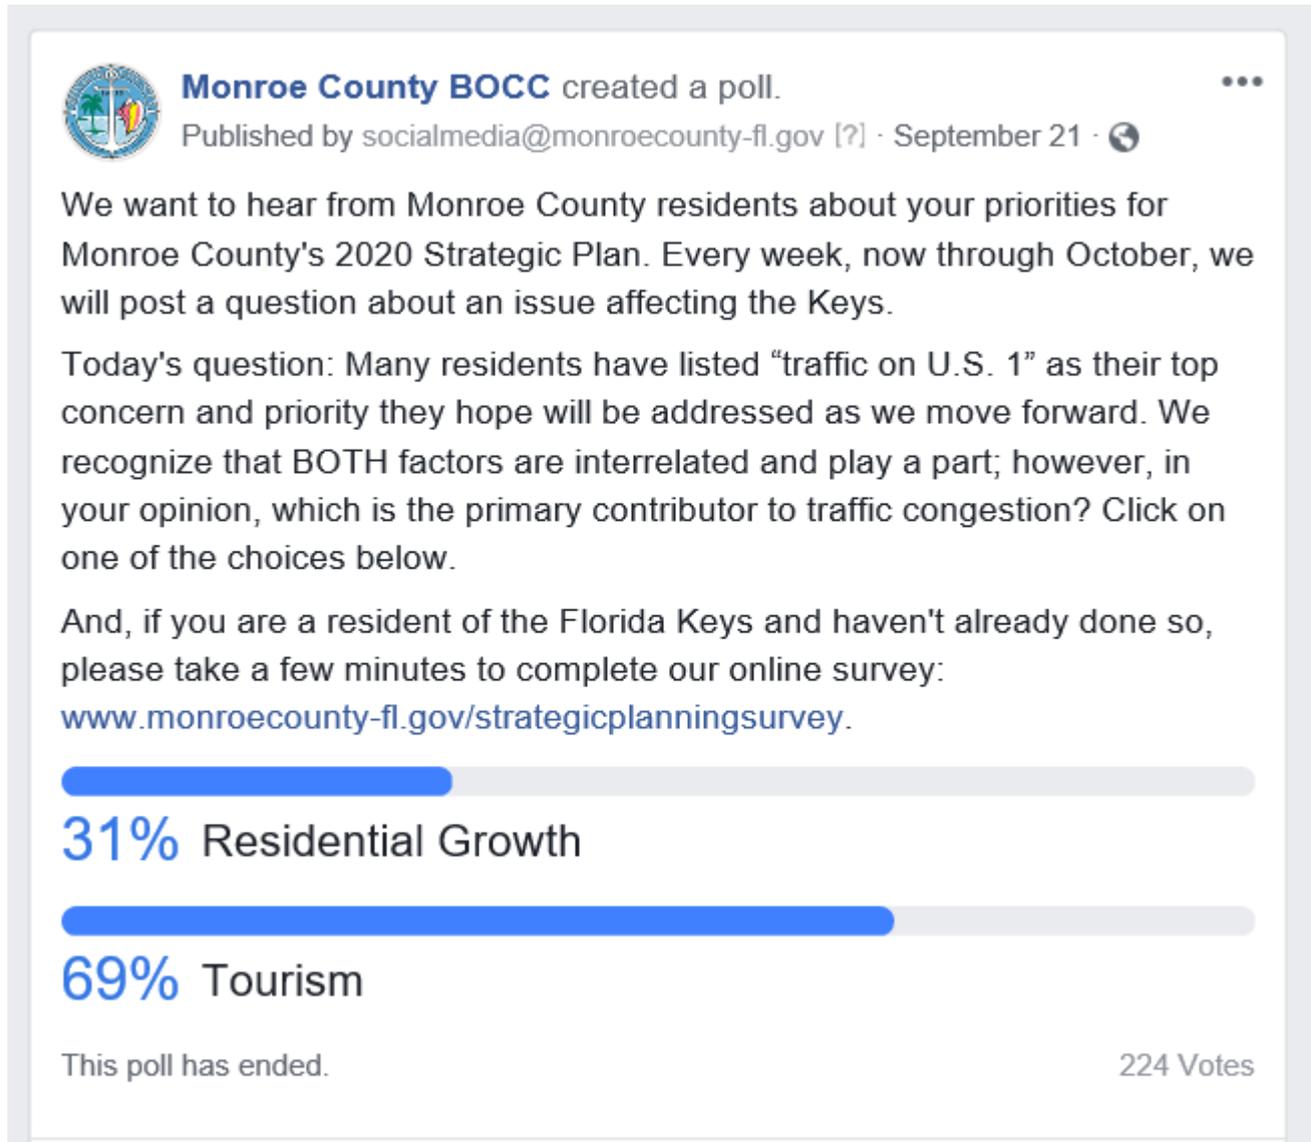

Here is a snip of the smallest group presentation :

Question Number 1:

 **Monroe County BOCC** created a poll. ⋮

Published by socialmedia@monroecounty-fl.gov [?] · September 21 · 🌐

We want to hear from Monroe County residents about your priorities for Monroe County's 2020 Strategic Plan. Every week, now through October, we will post a question about an issue affecting the Keys.

Today's question: Many residents have listed "traffic on U.S. 1" as their top concern and priority they hope will be addressed as we move forward. We recognize that BOTH factors are interrelated and play a part; however, in your opinion, which is the primary contributor to traffic congestion? Click on one of the choices below.

And, if you are a resident of the Florida Keys and haven't already done so, please take a few minutes to complete our online survey:
www.monroecounty-fl.gov/strategicplanningsurvey.

We want to hear from Monroe County residents about your priorities for Monroe County's 2020 Strategic Plan. Every week, now through October, we will post a question about an issue affecting the Keys.

Today's question builds off last week's question:

Traffic on U.S. 1 has been identified as one of the top areas of concern within the County. While we realize the issues are interrelated, why are you most concerned?

Questions Number 3:

Monroe County BOCC created a poll.

Published by socialmedia@monroecounty-fl.gov [?] · October 5 · 🌐

We want to hear from Monroe County residents about your priorities for Monroe County's 2020 Strategic Plan. Every week, now through end of October, we will post a question about an issue affecting the Keys.

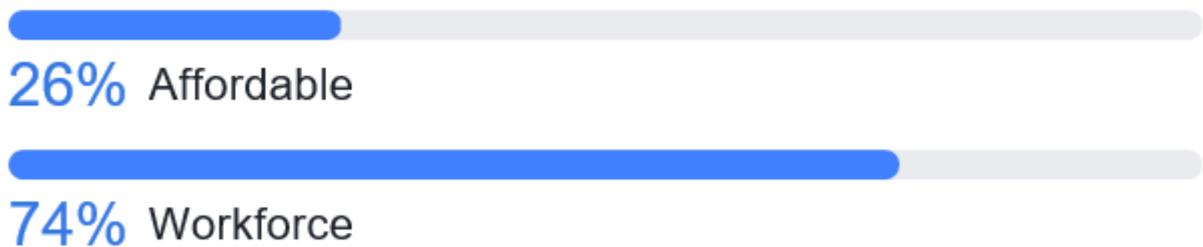

This week's question: The community has told us "Affordable/Workforce Housing" is a top concern. While most agree both are important, which would you prioritize for County efforts: "Affordable" OR "Workforce"? See definitions next.

"Affordable": essentially housing available to individuals who meet predetermined income levels.

"Workforce": essentially housing available to individuals who meet predetermined income levels AND earn at least 70% of their income from employment within the Florida Keys.

And, if you are a resident of the Florida Keys and haven't already done so, please take a few minutes to complete our short online survey:

Questions Number 4:

Monroe County BOCC created a poll.

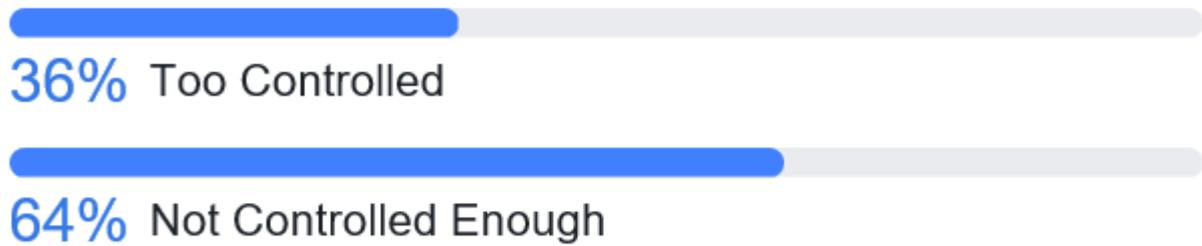

Published by socialmedia@monroecounty-fl.gov [?] · October 12 · 🌐

We want to hear from Monroe County residents about your priorities for Monroe County's 2020 Strategic Plan. Every week, now through Oct. 31, we will post a question about an issue affecting the Keys.

This week's question is about "growth management/control," which has prevailed as a top concern of both online surveys and community meetings. We often hear mixed messages with some wanting less restrictive policies for growth and others asking for more restrictive controls that will limit additional growth.

The question: Generally speaking, as a resident or property/business owner in Monroe County, do you feel that development (both residential and/or business) is TOO CONTROLLED or NOT CONTROLLED ENOUGH? If you feel it is well balanced please indicate in comment section.

And, if you are a resident of the Florida Keys and haven't already done so, please take a few minutes to complete our short online survey: www.monroecounty-fl.gov/strategicplanningsurvey.

Question Number 6 :

Monroe County BOCC created a poll.

Published by socialmedia@monroecounty-fl.gov [?] · October 26 at 10:52 AM ·

We want to hear from Monroe County residents about your priorities for Monroe County's 2020 Strategic Plan. Every week, through the end of November, we will post a question about an issue affecting the Keys.

This week's question regards "Water Quality," which repeatedly has landed in the top four concerns for residents. As a Keys resident, are you most concerned about Nearshore Waters (from land or mouth of a canal to the Three Nautical Mile Line) or inland canals (from entrance at open water to end of canal)

And, if you are a resident of the Florida Keys and haven't already done so, please take a few minutes to complete our short online survey:

www.monroecounty-fl.gov/strategicplanningsurvey.
