

MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

We strive to be caring, professional and fair

To: Monroe County Planning Commission

Through: Emily Schemper, AICP, CFM, Senior Director of Planning & Environmental Resources

From: Cheryl Cioffari, AICP, Assistant Director of Planning and
Devin Tolpin, AICP, CFM, Principal Planner

Date: October 14, 2022

Subject: An Ordinance by the Monroe County Board of County Commissioners amending the Monroe County Comprehensive Plan as a small-scale comprehensive plan amendment pursuant to Section 163.3187, Florida Statutes, amending Policy 107.1.7 Coco Palms Affordable Housing Subarea to increase the maximum net density and to modify the permitted as-of-right uses and conditional uses for property located at 21585 Old State Road 4A, Cudjoe Key, as proposed by Smith Hawks, PL on behalf of Mobile Homes Holdings Coco, LLC; and to accompany a proposed amendment to the Future Land Use Map (FLUM) from Mixed Use / Commercial (MC) to Residential High (RH) (File 2022-084)

Meeting: October 26, 2022

I. REQUEST

On May 11, 2022, the Planning and Environmental Resources Department received an application from Smith Hawks, PL on behalf of Mobile Homes Holdings Coco, LLC (the "Applicant") to amend the Monroe County Year 2030 Comprehensive Plan to amend Policy 107.1.7 "Coco Palms Affordable Housing Subarea" to accompany a proposed Future Land Use Map (FLUM) amendment from Mixed Use/Commercial (MC) to Residential High (RH) and a proposed Land Use (Zoning) District Map amendment from Suburban Commercial(SC) to Urban Residential (UR) for a portion of property located at 21585 Old State Road 4A on Cudjoe Key (the "Property").

The proposed subarea policy would increase the maximum net density of the property from 18 dwelling units per buildable acre to 25 dwelling units per buildable acre. The limitation that the only permitted use on the Property would be affordable housing and accessory uses remains. The proposed subarea policy amendment and associated FLUM amendment would be processed as "small-scale comprehensive plan amendments" pursuant to Section 163.3187, Florida Statutes, based on the size of the site and the limitation of development to affordable housing. The Applicant has also requested a corresponding Land Use District (Zoning) map amendment for the Property from Suburban Commercial (SC) to Urban

1 Residential (UR). *The subject of this staff report is the proposed comprehensive plan subarea policy (text*
2 *amendment).*

4 **II. BACKGROUND INFORMATION**

6 **Site Information:**

7 **Location:** MM 22, Cudjoe Key

8 **Address:** 21585 Old State Road 4A

9 **Description:** Lot 30, Sacarma, Plat Book 2, Page 48, Cudjoe Key, Monroe County, Florida

10 **Parcel Identification Number:** 00174960-000000

11 **Owner/Applicant:** Mobile Homes Holdings Coco, LLC

12 **Size of Property:** 3.4 acres consisting of 2.3 acres (101,958.1 SF) of upland area per survey by Eric
13 A. Isaacs of Florida Keys Land Surveying, dated September 20, 2022.

14 **FLUM Designations:** Mixed Use / Commercial (MC) and Residential Conservation (RC); pending
15 application to amend to Residential High (RH) through File 2022-085

16 **Land Use Districts:** Suburban Commercial (SC) and Native Area (NA); pending application to
17 amend to Urban Residential (UR) through File 2022-086

18 **Tier Designation:** III

19 **Flood Zones:** AE (EL 10)

20 **CBRS:** No

21 **Existing Use:** Developed with 17 mobile homes which are deed restricted affordable to a Declaration
22 of Affordable Housing Deed Restriction recorded in the Public Records of Monroe County at Official
23 Records Book 2747, Pages 1667-1677 and four (4) buildings comprised of 16 units of affordable
24 housing, which are deed restricted affordable through an Employee Housing Deed Restriction
25 recorded in the Public Records of Monroe County in Official Records Book 3030 Page 1540. A total
26 of 33 deed restricted affordable dwelling units.

27 **Existing Vegetation/Habitat:** Mangrove, Buttonwood, Developed Land and Submerged Land

28 **Community Character of Immediate Vicinity:** Adjacent land uses include vacant land to the west,
29 open water to the north, commercial and residential uses to the east, and single-family and multi-
30 family residential uses to the south across US1.

31
32 The Property currently has Land Use District (Zoning) designations of Suburban Commercial (SC) and
33 Native Area (NA) and Future Land Use Map (FLUM) designations of Mixed Use/Commercial (MC) and
34 Residential Conservation (RC).

35
36 The property was partially within a BU-2 district (Medium Business) and RU-5P (Mobile Home Park
37 Residential) prior to September 15, 1986. The mobile home park area of the site was entirely within the
38 RU-5P district. With the adoption of the Comprehensive Plan's FLUM in 1997, the Property was given
39 a FLUM designation of Mixed Use/Commercial (MC), Residential High (RH) and Residential
40 Conservation (RC). In 2019, pursuant to Ordinance 002-2019, the Property was designated within the
41 Mixed Use/Commercial (MC) and Residential Conservation (RC) FLUM category.

42
43 The Property was historically used as a mobile home and RV park (Rainbow's End Trailer Park) and
44 restaurant (Coco's Cantina) dating back to the 1970s. The Property is currently developed with 17 mobile
45 homes and 16 multifamily deed restricted affordable dwelling units. In the shoreline area of the property,

1 there is mangrove habitat (based on GIS habitat data). A vegetation survey/existing conditions report was
2 not submitted with the application to confirm the habitats.

3
4 The Applicant is requesting a text amendment to the Monroe County Comprehensive Plan to amend
5 Comprehensive Plan Policy 107.1.7 “Coco Palms Affordable Housing Subarea” to accompany a
6 concurrently proposed Future Land Use Map amendment for the upland portion of the property from
7 Mixed Use/Commercial (MC) to Residential High (RH) and a proposed Land Use District (Zoning) Map
8 amendment for the upland portion of the property from Suburban Commercial (SC) to Urban Residential
9 (UR). *The subject of this staff report is the proposed text amendment to the Comprehensive Plan.*

10
11 In the application materials, the Applicant states that the reason for the proposed amendments is “to allow
12 the maximum net density for affordable housing dwelling units pursuant to the RH FLUM designation
13 and the Urban Residential (“UR”) zoning district. The boundary of the subarea policy was previously
14 identified and will not change based on the amendments contemplated herein.”

15
16 The Applicant cites the following documents/data:

- 17 1. Affordable Workforce Housing Study for Non-Residential Development, dated June, 2017;
- 18 2. American Community Survey (ACS) conducted by U.S. Census Bureau;
- 19 3. Florida Housing data compiled by the University of Florida; and
- 20 4. Monroe County Affordable Housing Report dated November 2007.

21
22 This data indicates that in 2020, the ACS estimates that 56% of renter-occupied housing units and 32.5%
23 of owner-occupied housing units are paying 30% or more of their household income for housing¹. The
24 Applicant also states that Monroe County ranks as the county with the **most** cost burdened households
25 (along with Miami-Dade County).

26
27 The Applicant’s full explanation and justification of the proposed amendments is included in the file for
28 the application (File 2022-084).

29
30 Staff has reviewed the Applicant’s position and supporting documentation, and agrees with the position
31 that inadequate availability of affordable housing is currently a primary issue facing permanent residents
32 of unincorporated Monroe County. In 2015, the BOCC acknowledged the County’s workforce housing
33 issues and adopted Resolution 189-2015, assigning additional duties to the Affordable Housing Advisory
34 Committee directing the committee to make recommendations for steps the County may take to address
35 the need for more workforce housing options. The committee presented their recommendations to the
36 BOCC at their regular meeting on August 17, 2016. The BOCC held a special meeting on December 6,
37 2016, to discuss the recommendations, and provided direction to staff to move forward on several
38 measures to encourage and incentivize the provision of affordable and workforce housing within the
39 County. Affordable Housing continues to be a pressing issue for the County.

40
41 Additionally, Monroe County suffered the loss of a significant number of housing units due to damage
42 caused by Hurricane Irma on September 10, 2017. The BOCC has acknowledged that the pre-existing
43 affordable housing issues facing the County are even greater and more immediate now due to storm-
44 related losses.

1 In 2020, the ALICE Report was updated with information based on American Community Survey (2010-
 2 2018). The new information affirms the trend of increased difficulty in being able to afford safe, well-
 3 constructed affordable housing.

ALICE IN MONROE COUNTY

2018 Point-in-Time Data

Population: 75,027 • Number of Households: 31,362
 Median Household Income: \$71,973 (state average: \$55,462)
 Unemployment Rate: 3.1% (state average: 5.2%)
 ALICE Households: 29% (state average: 33%) • Households in Poverty: 8% (state average: 13%)

How has the number of ALICE households changed over time?

ALICE is an acronym for Asset Limited, Income Constrained, Employed – households that earn more than the Federal Poverty Level, but less than the basic cost of living for the county (the ALICE Threshold). While conditions have improved for some households, many continue to struggle, especially as wages fail to keep pace with the cost of household essentials (housing, child care, food, transportation, health care, and a basic smartphone plan).

The cost of household basics outpaces wages...

The Household Survival Budget reflects the bare minimum cost to live and work in the modern economy and includes housing, child care, food, transportation, health care, technology (a smartphone plan), and taxes. It does not include savings for emergencies or future goals like college or retirement. In 2018, household costs were well above the Federal Poverty Level of \$12,140 for a single adult and \$25,100 for a family of four.

1 As noted, this amendment is being proposed as a small scale amendment. Section 163.3187, F.S.,
2 establishes the process for adoption of a small-scale comprehensive plan amendment and provides the
3 limitations and requirements (see below).

4
5 (1) A small scale development amendment may be adopted under the following
6 conditions:

7 **(a) The proposed amendment involves a use of 50 acres or fewer and:**

8 (b) The proposed amendment does not involve a text change to the goals, policies, and
9 objectives of the local government’s comprehensive plan, but only proposes a land use
10 change to the future land use map for a site-specific small scale development activity.
11 However, **text changes that relate directly to, and are adopted simultaneously with,**
12 **the small scale future land use map amendment shall be permissible under this**
13 **section.**

14 (c) The property that is the subject of the proposed amendment is not located within an
15 area of critical state concern, unless the project subject to the proposed amendment
16 **involves the construction of affordable housing units meeting the criteria of s.**
17 **420.0004(3), and is located within an area of critical state concern designated by s.**
18 **380.0552** or by the Administration Commission pursuant to s. 380.05(1).

19
20 (2) Small scale development amendments adopted pursuant to this section require only
21 one public hearing before the governing board, which shall be an adoption hearing as
22 described in s. 163.3184(11).

23 * * *

24 (4) Comprehensive plans may only be amended in such a way as to preserve the internal
25 consistency of the plan pursuant to s. 163.3177. Corrections, updates, or modifications of
26 current costs which were set out as part of the comprehensive plan shall not, for the
27 purposes of this act, be deemed to be amendments.

28
29 While staff agrees with the position that inadequate availability of affordable housing is currently a
30 primary issue facing unincorporated Monroe County, staff is also reviewing the proposed amendment for
31 consistency with State Statutes (including 163.3187, F.S., above), Rules, internal consistency with the
32 Comprehensive Plan and balancing all the requirements and policy issues.

33
34 **Concept Meeting**

35 In accordance with LDC Section 102-158(a), a concept meeting was held on June 30, 2022 to discuss
36 proposed Comprehensive Plan text amendment. It was determined that the proposed text amendment will
37 **not** have a county-wide impact because it is a proposed site specific sub-area policy that would affect the
38 one (1) parcel identified in the application.

39
40 **Community Meeting and Public Participation**

41 In accordance with LDC Section 102-159(b)(3), a Community Meeting is not required for Land
42 Development Code text amendments that do not have a county-wide impact. However, a Community
43 Meeting is required for the accompanying Land Use District and Future Land Use Map Amendment
44 Requests (File #s 2022-085 and 2022-086), which is requested to apply the proposed zoning district and
45 FLUM category to the subject properties. The Community Meeting was held on September 1, 2022.
46 Concerns from the Community Meeting included [but were not limited to]:

- Not supportive of high density development; and
- Increased traffic and the associated negative impacts.

Prior Relevant BOCC Action

On February 20, 2019, the BOCC Adopted Ordinance 001-2019 which established Comprehensive Plan Policy 101.7.7 Coco Palms Affordable Housing Subarea. The Policy established a maximum net density of 18 dwelling units per buildable acre for a maximum development potential of 33 deed restricted affordable dwelling units designated as employee housing.

On February 20, 2019, the BOCC Adopted Ordinance 002-2019 which amended the FLUM Designation for a portion of the Property from Residential High (RH) to Mixed Use / Commercial (MC).

On February 20, 2019, the BOCC Adopted Ordinance 003-2019 which amended the Land Use (District) Zoning Designation for a portion of the Property from Urban Residential Mobile Home (URM) and Native Area to Suburban Commercial (SC).

III. PROPOSED COMPREHENSIVE PLAN TEXT AMENDMENTS

The Applicant’s proposed text, as submitted on May 9, 2022, is shown as follows: additions are set forth below in blue underline and deletions are set forth in ~~blue strikethrough~~.

* * *

GOAL 107

Monroe County shall regulate land use and development activities of scarified portions of property with 50 percent or more environmentally sensitive land that contains an existing nonconforming use by the enactment of area-specific regulations that allow development to occur subject to limitations and conditions designed to protect natural resources. For this Goal to be used, scarified portions of property shall not have been created purposefully without benefit of permit(s) as evidenced by pictorial aerial examination and/or other means available to the Growth Management Division.

Objective 107.1

Monroe County shall coordinate land use with the elements of the Comprehensive Plan through Future Land Use Element subarea policies solely applicable to a specific geographic area. These subarea policies identify parcels of land that require narrowly-tailored regulation in order to confine development potential to an area or extent less than the maximum development potential allowed by its underlying Future Land Use Map category. The development parameters established for each subarea shall be based either on an inventory of uses and facilities established on the parcel or by data and analysis supporting the specific subarea limitations. Environmentally sensitive areas shall be preserved through the application of such methods as conservation easements that require mandatory eradication of exotic invasive vegetation.

25 arc distance of 111.95 feet to the Point of Beginning. Containing 100,371 sq. ft. or 2.3 Acres, more
26 or less.

- 27
28 2. Land Use Designations. The Coco Palms Affordable Housing Subarea shall be subject to all
29 regulations applicable to the Mixed Use/Commercial (MC) Residential High (RH) Future Land
30 Use Map designation and the Suburban Commercial (SC) Urban Residential (UR) Land Use
31 District (Zoning) category, as well as the additional restrictions set forth in this Policy. Where

1 conflicts may arise, the specific restriction in this Sub Area Policy shall supersede the general
 2 criteria applicable to the underlying Future Land Use designation and Land Use District (Zoning)
 3 Category. In no case shall the subarea policy allow development potential greater than the
 4 underlying FLUM category or Land Use (Zoning) District.

5
 6 3. Density Provisions.

- 7
 8 a. For consistency with Policy 101.5.26, in order to implement the Florida Keys Carrying
 9 Capacity Study and maintain the overall County allocated density and the preservation of
 10 native habitat, the allocated density for the Coco Palms Affordable Housing Subarea shall
 11 be zero (0).
 12 b. There shall be no maximum net density standard available for market-rate dwelling units
 13 or transient units.
 14 c. The maximum floor area ratio (F.A.R.) for all nonresidential uses within the subarea shall
 15 be zero.
 16 d. In accordance with Policy 101.5.25, the following density and intensity standards shall be
 17 applicable to the Coco Palms Affordable Housing Subarea.

Estimated Maximum Development Potential						
Land Use	Allocated Density	Maximum Net Density	Gross Upland Area of Site	Open Space Ratio	Buildable Area	Development Potential

- 19 4. Only the land uses listed below shall be permitted within the Coco Palms Affordable Housing
 20 Subarea.
 21 a. Permitted as of right.
 22 i. ~~Deed-restricted attached or~~ detached affordable dwelling units ~~involving less than~~
 23 ~~six units~~, designated as employee housing as provided for in LDC Section 139-1;
 24 ii. Accessory Uses;
 25 iii. Replacement of deed-restricted affordable dwelling units (mobile homes) which
 26 are as of the effective date of this Policy subject to Chapter 723, Florida Statutes,
 27 in the event of substantial damage or destruction, for so long as such deed-

1 restricted affordable dwelling units (mobile homes) are subject to Ch. 723, Florida
2 Statutes; and

3 iv. Non-conforming mobile homes existing as of the date of this policy may remain
4 so long as they are not substantially damaged or destroyed. All current occupants
5 may remain under their current leases. Upon expiration of any mobile home lease,
6 in order to obtain a new lease, the tenant(s) must meet the qualifications for
7 affordable employee housing.

8 b. Permitted as a minor conditional use subject to the standards and procedures set forth in
9 the Monroe County Land Development Code Chapter 110, Article III.

10 i. Attached ~~or detached~~ dwellings ~~involving six to 18 units~~, designated as employee
11 housing as provided for in LDC Section 139-1.

12 ~~e. Permitted as a major conditional use subject to the standards and procedures set forth in~~
13 ~~Monroe County Land Development Code Chapter 110, Article III:~~

14 ~~i. Attached or detached dwellings involving more than 18 units, designated as~~
15 ~~employee housing as provided for in LDC Section 139-1.~~

16 d. Permitted and Conditional use limitations.

17 i. All residential units constructed within the subarea shall be deed-restricted
18 affordable in accordance with Policy 601.1.4;

19 ii. No market-rate housing shall be allocated, assigned, transferred to the Coco Palms
20 Affordable Housing Subarea, or otherwise developed within the Coco Palms
21 Affordable Housing Subarea;

22 iii. Properties within the Coco Palms Affordable Housing Subarea shall not be
23 eligible sender sites for affordable housing ROGO exemptions or TREs;

24 iv. No other residential or nonresidential uses shall be permitted within the subarea;
25 and

26 v. All new residential units developed within the subarea shall be subject to the
27 ROGO permit allocation system and after development of the ~~sixteen~~ thirteen
28 (13) new units the resulting ~~thirty three (33)~~ forty-six (46) units shall consist of
29 a maximum of ~~nineteen (19)~~ twenty-four (24) moderate income, ~~seven (7)~~ eleven
30 (11) median income and ~~seven (7)~~ eleven (11) low-income affordable allocations.
31 Once the ~~sixteen (16)~~ thirteen (13) new employee housing units are developed,
32 the affordable housing income restrictions may be reconfigured within the
33 property so as to ensure occupant(s) can meet the income requirements for the
34 unit occupied.

35
36
37 **IV. ANALYSIS OF PROPOSED COMPREHENSIVE PLAN TEXT AMENDMENT FOR**
38 **CONSISTENCY WITH THE MONROE COUNTY COMPREHENSIVE PLAN, THE LOWER**
39 **KEYS LIVABLE COMMUNIKEYS PLAN, THE PRINCIPLES FOR GUIDING**
40 **DEVELOPMENT, AND FLORIDA STATUTES.**

41
42 The Applicant's proposed amendment has two major prongs. First, there is a proposal to increase the
43 maximum net density to 25 dwelling units per buildable acre which is consistent with the proposed

1 Residential High (RH) FLUM designation and proposed Urban Residential (UR) zoning district. Second,
2 the proposed language amends the permitted as-of-right and conditional uses.

3
4 *Increase to Density*

5 As noted above in the Background Section of this Report, the maximum net density was increased on the
6 Property in 2019 through Ordinance 001-2019 to a maximum development potential of 33 deed restricted
7 affordable dwelling units designated as employee housing. At the time the BOCC considered the proposed
8 amendments, there were 337 affordable ROGO allocations available.

9
10 As of the July 20, 2022 BOCC Meeting, the County has 30 affordable ROGO allocations available. In
11 response to staff's inquiry of how the applicant intends to obtain the additional ROGO allocations in
12 response to the increased density, the applicant has provided the following statement:

13 "…In addition to the requested amendments, the project requires a minor conditional use
14 approval prior to development. The applicant intends to apply to the County for any
15 additional affordable housing ROGO allocations required post approval of the required
16 development orders. Should the County's reserve have insufficient affordable housing
17 ROGO allocations at the time the Applicant applies, the Applicant shall pursue alternative
18 avenues to provide the required additional ROGO allocations for the project."

19
20 *Changes to as-of-right and conditional uses*

21 The Applicant proposes language that would allow the following:

- 22 1. Detached affordable dwellings [*up to 46 attached dwelling units*] designated as employee housing
23 as specified in Section 139-1 permitted as-of-right use; and
24 2. Attached affordable dwellings [*up to 46 attached dwelling units*] designated as employee housing
25 as specified in Section 139-1 permitted as a minor conditional use.

26 Both of these changes would be consistent with the permitted as-of-right and minor conditional uses as
27 established in the proposed UR zoning district. However, when the BOCC considered the proposed
28 increase in 2018 specific to the Property, a discussion occurred that related to maintaining a required
29 conditional use process to address site plan review and how units are permitted on the Property. Therefore,
30 staff is not recommending changes to the as-of-right and conditional uses. Rather, staff would recommend
31 the existing language be maintained.

32
33 *Compliance with Florida Statutes Ch. 723*

34 Staff finds the maintenance of language allowing that the replacement of deed restricted affordable
35 dwelling units (mobile homes) which are subject to Chapter 723, Florida Statutes, may be permitted, for
36 so long as such deed restricted affordable dwelling units (mobile homes) are subject to Ch. 723, Florida
37 Statutes, provides sufficient protection for the mobile home owners and complies with Florida Statutes.

38
39 *Traffic Study*

40 Pursuant to Policy 301.1.2, U.S. 1 is required to maintain a LOS of "C" in order to support development.

As additional development has been approved since the adoption of the 2021 ATTDs, additional segments and the overall capacity of US1 continue to be further constrained. Therefore, Staff must consider and evaluate the impact of proposed LDC text amendment may further impact traffic concurrency within Monroe County.

The Traffic Impact Statement (the “TIS”) dated March 19, 2022 and completed by KBP Consulting, Inc., was reviewed by the County’s consultant. The TIS indicates a future development of six (6) mobile homes and 40 multifamily affordable dwelling units. The proposed increase in density would result in approximately 283 daily trips, an increase of 69 trips from the existing approved maximum development.

¹ As of October 13, 2022, there are 2,657 reserve trips available in Segment 6 with a potential remaining capacity of 2,219 trips.

A. The proposed amendment is consistent with the Monroe County 2030 Comprehensive Plan. Specifically:

Goal 101: Monroe County shall manage future growth to enhance the quality of life, ensure the safety of County residents and visitors, and protect valuable natural resources.

Objective 101.3

Monroe County shall regulate new residential development based upon the finite carrying capacity of the natural and man-made systems and the growth capacity while maintaining a maximum hurricane evacuation clearance time of 24 hours.

Policy 101.3.3

Monroe County shall allocate at least 20% of the annual allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units as part of ROGO. Any portion of the allocations not used for affordable housing shall be retained and be made available for affordable housing from ROGO year to ROGO year. Affordable housing eligible for this separate allocation shall meet the criteria specified in Policy 601.1.4 and the Land Development Code, but shall not be subject to the competitive Residential Permit Allocation and Point System in Policy 101.6.4. Any parcel proposed for affordable housing shall not be located within an area designated as Tier I as set forth under Goal 105 or within a Tier III-A Special Protection Area as set forth in Policy 205.1.1.

Objective 101.5

Monroe County shall regulate future development and redevelopment to maintain and enhance the character of the community and protect natural resources by providing for the compatible distribution of land uses consistent with the designations shown on the Future Land Use Map.

Policy 101.5.26

In order to continue to implement the Florida Keys Carrying Capacity Study, Monroe County shall promote the reduction in overall County residential density and the preservation of Monroe County’s native habitat by enacting legislation which implements the following policy statements for private applications for future land

1 use map amendments which increase allowable residential allocated density. Private application(s) means those
2 applications from private entities with ownership of the upland development and parcel(s) of land or includes
3 private upland development on County-owned land.
4

5 Private applications requesting future land use map designation amendments received after the effective date
6 of this ordinance (Nov. 20, 2012), which propose increases in allocated residential density shall be required,
7 upon amendment approval, to comply with either option (1) or (2) below:...

8
9 **Goal 102:** Monroe County shall direct future growth to lands which are most suitable for development and shall
10 encourage conservation and protection of environmentally sensitive lands (wetlands, beach berm and tropical
11 hardwood hammock).
12

13 **Goal 601:** Monroe County shall adopt programs and policies to facilitate access by residents to adequate and
14 affordable housing that is safe, decent, and structurally sound, and that meets the needs of the population based
15 on type, tenure characteristics, unit size and individual preferences.
16

17 **Policy 601.1.4**

18 All affordable housing projects which receive development benefits from Monroe County, including but not
19 limited to ROGO allocation award(s) reserved for affordable housing, maximum net density, or donations of
20 land, shall be required to maintain the project as affordable for a period of 99 years pursuant to deed restrictions
21 or other mechanisms specified in the Land Development Code, and administered by Monroe County or the
22 Monroe County Housing Authority.
23

24 **Policy 601.1.8**

25 Monroe County shall allocate at least 20% of the annual ROGO allocation, or as may be established by the
26 State of Florida, pursuant to Administration Commission Rules, to affordable housing units, as specified in
27 Policy 101.3.3. Affordable housing eligible for this separate allocation must meet the criteria established in the
28 Land Development Code.
29

30 **Policy 601.1.9**

31 Monroe County shall maintain land development regulations which may include density bonuses, impact fee
32 waiver programs, and other possible regulations to encourage affordable housing.
33

34 **B. The proposed amendment is consistent with consistent with the Lower Keys Livable**
35 **Communikeys Plan. Specifically:**
36

37 **Objective 1.2**

38 Monroe County shall continue to use the Land Use District Map and Future Land Use Map categories to regulate
39 land use by type, density, and intensity.
40

41 *Policy Item 1.2.1:* Monroe County shall continue to recognize the FLUM categories and land use districts as
42 the primary regulatory tools for evaluating development proposals.
43

44 *Policy Item 1.2.2:* Monroe County shall continue to implement the Florida Keys Area of State Critical Concern
45 and height restriction policies specified within the Monroe County Comprehensive Plan and the Monroe County
46 Land Development Code.
47

48 **Objective 4.2**

49 Monroe County shall encourage affordable and workforce housing in areas identified appropriate for higher
50 intensity commercial, mixed-use, and residential development.

1
2 **C. The amendment is consistent with the Principles for Guiding Development for the Florida Keys**
3 **Area, Section 380.0552(7), Florida Statutes.**
4

5 For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with the
6 principles for guiding development and any amendments to the principles, the principles shall be construed as
7 a whole and no specific provision shall be construed or applied in isolation from the other provisions.
8

- 9 (a) Strengthening local government capabilities for managing land use and development so that local
10 government is able to achieve these objectives without continuing the area of critical state concern
11 designation.
- 12 (b) Protecting shoreline and benthic resources, including mangroves, coral reef formations, seagrass beds,
13 wetlands, fish and wildlife, and their habitat.
- 14 (c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical
15 vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and
16 their habitat.
- 17 (d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic
18 development.
- 19 (e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
- 20 (f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and
21 ensuring that development is compatible with the unique historic character of the Florida Keys.
- 22 (g) Protecting the historical heritage of the Florida Keys.
- 23 (h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed major
24 public investments, including:
25
- 26 1. The Florida Keys Aqueduct and water supply facilities;
 - 27 2. Sewage collection, treatment, and disposal facilities;
 - 28 3. Solid waste treatment, collection, and disposal facilities;
 - 29 4. Key West Naval Air Station and other military facilities;
 - 30 5. Transportation facilities;
 - 31 6. Federal parks, wildlife refuges, and marine sanctuaries;
 - 32 7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
 - 33 8. City electric service and the Florida Keys Electric Co-op; and
 - 34 9. Other utilities, as appropriate.
- 35
- 36 (i) Protecting and improving water quality by providing for the construction, operation, maintenance, and
37 replacement of stormwater management facilities; central sewage collection; treatment and disposal
38 facilities; and the installation and proper operation and maintenance of onsite sewage treatment and
39 disposal systems.
- 40 (j) Ensuring the improvement of nearshore water quality by requiring the construction and operation of
41 wastewater management facilities that meet the requirements of ss. 381.0065(4)(l) and 403.086(10), as
42 applicable, and by directing growth to areas served by central wastewater treatment facilities through
43 permit allocation systems.
- 44 (k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.
- 45 (l) Making available adequate affordable housing for all sectors of the population of the Florida Keys.
- 46 (m) Providing adequate alternatives for the protection of public safety and welfare in the event of a natural
47 or manmade disaster and for a postdisaster reconstruction plan.
- 48 (n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the
49 Florida Keys as a unique Florida resource.
50

1 Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is not inconsistent with the
2 Principles for Guiding Development as a whole and is not inconsistent with any Principle.
3

4 **D. The proposed amendment is consistent with the Part II of Chapter 163, Florida Statute (F.S.).**
5 **Specifically:**
6

7 163.3161(4), F.S. – It is the intent of this act that local governments have the ability to preserve and enhance present
8 advantages; encourage the most appropriate use of land, water, and resources, consistent with the public interest;
9 overcome present handicaps; and deal effectively with future problems that may result from the use and
10 development of land within their jurisdictions. Through the process of comprehensive planning, it is intended that
11 units of local government can preserve, promote, protect, and improve the public health, safety, comfort, good
12 order, appearance, convenience, law enforcement and fire prevention, and general welfare; facilitate the adequate
13 and efficient provision of transportation, water, sewerage, schools, parks, recreational facilities, housing, and
14 other requirements and services; and conserve, develop, utilize, and protect natural resources within their
15 jurisdictions.
16

17 163.3161(6), F.S. – It is the intent of this act that adopted comprehensive plans shall have the legal status set out in
18 this act and that no public or private development shall be permitted except in conformity with comprehensive
19 plans, or elements or portions thereof, prepared and adopted in conformity with this act.
20

21 163.3177(1), F.S. – The comprehensive plan shall provide the principles, guidelines, standards, and strategies for the
22 orderly and balanced future economic, social, physical, environmental, and fiscal development of the area that
23 reflects community commitments to implement the plan and its elements. These principles and strategies shall
24 guide future decisions in a consistent manner and shall contain programs and activities to ensure comprehensive
25 plans are implemented. The sections of the comprehensive plan containing the principles and strategies, generally
26 provided as goals, objectives, and policies, shall describe how the local government’s programs, activities, and
27 land development regulations will be initiated, modified, or continued to implement the comprehensive plan in a
28 consistent manner. It is not the intent of this part to require the inclusion of implementing regulations in the
29 comprehensive plan but rather to require identification of those programs, activities, and land development
30 regulations that will be part of the strategy for implementing the comprehensive plan and the principles that
31 describe how the programs, activities, and land development regulations will be carried out. The plan shall
32 establish meaningful and predictable standards for the use and development of land and provide meaningful
33 guidelines for the content of more detailed land development and use regulations.
34

35 163.3187 Process for adoption of small scale comprehensive plan amendment.—

- 36 (1) A small scale development amendment may be adopted under the following conditions:
37 (a) The proposed amendment involves a use of 50 acres or fewer and;
38 (b) The proposed amendment does not involve a text change to the goals, policies, and objectives of the local
39 government’s comprehensive plan, but only proposes a land use change to the future land use map for a site-
40 specific small scale development activity. However, text changes that relate directly to, and are adopted
41 simultaneously with, the small scale future land use map amendment shall be permissible under this section.
42 (c) The property that is the subject of the proposed amendment is not located within an area of critical state
43 concern, unless the project subject to the proposed amendment involves the construction of affordable
44 housing units meeting the criteria of s. 420.0004(3), and is located within an area of critical state concern
45 designated by s. 380.0552 or by the Administration Commission pursuant to s. 380.05(1).
46 (2) Small scale development amendments adopted pursuant to this section require only one public hearing
47 before the governing board, which shall be an adoption hearing as described in s. 163.3184(11).
48 (3) If the small scale development amendment involves a site within a rural area of opportunity as defined under
49 s. 288.0656(2)(d) for the duration of such designation, the acreage limit listed in subsection (1) shall be
50 increased by 100 percent. The local government approving the small scale plan amendment shall certify to
51 the state land planning agency that the plan amendment furthers the economic objectives set forth in the
52 executive order issued under s. 288.0656(7), and the property subject to the plan amendment shall undergo
53 public review to ensure that all concurrency requirements and federal, state, and local environmental permit
54 requirements are met.

- 1 (4) Comprehensive plans may only be amended in such a way as to preserve the internal consistency of the plan
2 pursuant to s. [163.3177](#). Corrections, updates, or modifications of current costs which were set out as part of
3 the comprehensive plan shall not, for the purposes of this act, be deemed to be amendments.
- 4 (5)(a) Any affected person may file a petition with the Division of Administrative Hearings pursuant to
5 ss. [120.569](#) and [120.57](#) to request a hearing to challenge the compliance of a small scale development
6 amendment with this act within 30 days following the local government's adoption of the amendment and
7 shall serve a copy of the petition on the local government. An administrative law judge shall hold a hearing
8 in the affected jurisdiction not less than 30 days nor more than 60 days following the filing of a petition and
9 the assignment of an administrative law judge. The parties to a hearing held pursuant to this subsection shall
10 be the petitioner, the local government, and any intervenor. In the proceeding, the plan amendment shall be
11 determined to be in compliance if the local government's determination that the small scale development
12 amendment is in compliance is fairly debatable. The state land planning agency may not intervene in any
13 proceeding initiated pursuant to this section.
- 14 (b)1. If the administrative law judge recommends that the small scale development amendment be found not in
15 compliance, the administrative law judge shall submit the recommended order to the Administration
16 Commission for final agency action. If the administrative law judge recommends that the small scale
17 development amendment be found in compliance, the administrative law judge shall submit the
18 recommended order to the state land planning agency.
- 19 2. If the state land planning agency determines that the plan amendment is not in compliance, the agency shall
20 submit, within 30 days following its receipt, the recommended order to the Administration Commission for
21 final agency action. If the state land planning agency determines that the plan amendment is in compliance,
22 the agency shall enter a final order within 30 days following its receipt of the recommended order.
- 23 (c) Small scale development amendments may not become effective until 31 days after adoption. If challenged
24 within 30 days after adoption, small scale development amendments may not become effective until the state
25 land planning agency or the Administration Commission, respectively, issues a final order determining that
26 the adopted small scale development amendment is in compliance.
- 27 (d) In all challenges under this subsection, when a determination of compliance as defined in s. [163.3184](#)(1)(b)
28 is made, consideration shall be given to the plan amendment as a whole and whether the plan amendment
29 furthers the intent of this part.
30

31 163.3201, F.S. – Relationship of comprehensive plan to exercise of land development regulatory authority.—It is the
32 intent of this act that adopted comprehensive plans or elements thereof shall be implemented, in part, by the
33 adoption and enforcement of appropriate local regulations on the development of lands and waters within an area.
34 It is the intent of this act that the adoption and enforcement by a governing body of regulations for the development
35 of land or the adoption and enforcement by a governing body of a land development code for an area shall be
36 based on, be related to, and be a means of implementation for an adopted comprehensive plan as required by this
37 act.
38

39 V. STAFF-RECOMMENDED CHANGES TO PROPOSED AMENDMENT

40
41 The Applicant's proposed text, as submitted on June 9, 2022, is shown as follows: additions are in [blue](#)

43 underline and deletions are in ~~red strike through~~.

44 45 **OBJECTIVE 107.1: ESTABLISH SUB-AREA POLICIES.**

46 Monroe County shall coordinate land use with the elements of the Comprehensive Plan through Future
47 Land Use Element subarea policies solely applicable to a specific geographic area. These
48 subarea policies identify parcels of land that require narrowly-tailored regulation in order to confine
49 development potential to an area or extent less than the maximum development potential allowed by its
50 underlying Future Land Use Map category. The development parameters established for each subarea
51 shall be based either on an inventory of uses and facilities established on the parcel or by data and analysis
52 supporting the specific subarea limitations. Environmentally sensitive areas shall be preserved through

1 the application of such methods as conservation easements that require mandatory eradication of exotic
2 invasive vegetation. (Ord. No. 023-2011)

3
4 **Policy 107.1.7: Coco Palms Affordable Housing Subarea**

5 The purpose of Coco Palms Affordable Housing Subarea is to implement applicable goals, objectives,
6 and policies of the Comprehensive Plan to promote and facilitate development of affordable housing to
7 meet the needs of Monroe County.
8

- 9 4. Boundary. The Coco Palms Affordable Housing Subarea shall include the upland portion of the
10 property having Real Estate Number 00174960-000000, which consists of approximately 2.30
11 acres of upland, and is legally described as follows (upland portion):
12

5. Land Use Designations. The Coco Palms Affordable Housing Subarea shall be subject to all regulations applicable to the ~~Mixed Use/Commercial (MC)~~ **Residential High (RH)** Future Land Use Map designation and the ~~Suburban Commercial (SC)~~ **Urban Residential (UR)** Land Use District (Zoning) category, as well as the additional restrictions set forth in this Policy. Where conflicts may arise, the specific restriction in this Sub Area Policy shall supersede the general criteria applicable to the underlying Future Land Use designation and Land Use District (Zoning) Category. In no case shall the subarea policy allow development potential greater than the underlying FLUM category or Land Use (Zoning) District.

6. Density Provisions.

- a. For consistency with Policy 101.5.26, in order to implement the Florida Keys Carrying Capacity Study and maintain the overall County allocated density and the preservation of native habitat, the allocated density for the Coco Palms Affordable Housing Subarea shall be zero (0).
- b. There shall be no maximum net density standard available for market-rate dwelling units or transient units.
- c. The maximum floor area ratio (F.A.R.) for all nonresidential uses within the subarea shall be zero.
- d. In accordance with Policy 101.5.25, the following density and intensity standards shall be applicable to the Coco Palms Affordable Housing Subarea.

9 iii. Replacement of deed-restricted affordable dwelling units (mobile homes) which
10 are as of the effective date of this Policy subject to Chapter 723, Florida Statutes,
11 in the event of substantial damage or destruction, for so long as such deed-
12 restricted affordable dwelling units (mobile homes) are subject to Ch. 723, Florida
13 Statutes; and
14 iv. Non-conforming mobile homes existing as of the date of this policy may remain
15 so long as they are not substantially damaged or destroyed. All current occupants
16 may remain under their current leases. Upon expiration of any mobile home lease,
17 in order to obtain a new lease, the tenant(s) must meet the qualifications for
18 affordable employee housing.

- 9 (11) median income and ~~seven (7)~~ eleven (11) low-income affordable allocations.
- 10 Once the ~~sixteen (16)~~ thirteen (13) new employee housing units are developed,
- 11 the affordable housing income restrictions may be reconfigured within the
- 12 property so as to ensure occupant(s) can meet the income requirements for the
- 13 unit occupied.

18 **VI. PROCESS**

19
20 Comprehensive Plan Amendments may be proposed by the Board of County Commissioners, the Planning
21 Commission, the Director of Planning, or the owner or other person having a contractual interest in
22 property to be affected by a proposed amendment. The Director of Planning shall review and process
23 applications as they are received and pass them onto the Development Review Committee and the
24 Planning Commission.

25
26 The Planning Commission shall hold at least one public hearing. The Planning Commission shall review
27 the application, the reports and recommendations of the Department of Planning & Environmental
28 Resources and the Development Review Committee and the testimony given at the public hearing. The
29 Planning Commission shall submit its recommendations and findings to the Board of County
30 Commissioners (BOCC). For a small-scale comprehensive plan amendment, pursuant to Section
31 163.3187, F.S., the BOCC holds one public hearing to consider the adoption of the proposed
32 comprehensive plan amendment, and considers the staff report, staff recommendation, and the testimony
33 given at the public hearing.

34 **VIII. STAFF RECOMMENDATION**

35
36
37 With the changes as stated in this staff report, staff recommends approval of the proposed amendment
38 amending Policy 107.1.7.
