CAUTION

Hi Kaire,

If you decide to extend the contract for another year, I'll keep the monthly rate the same at \$2,004 per month.

If you prefer the 3-month extension, the rate would be \$2,345 per month.

Please let me know how you would like to proceed.

Best regards,

Albert Alvarez

Hi Kaire,

Very nice to meet you! Hope you are doing well.

I'll review the attached agreement and prepare quotes for both options:

1. 12-month warehouse services extension
2. 3-month extension (Feb–Apr 2026), including the 7 pre-prepared shipments and end-of-period disposal of any remaining materials

I'll outline everything clearly and send the quotes over later today.

Thank you for the opportunity!

Hi PrintFarm team,

Please direct this email to the correct party, if needed.

I'd like to request a quote to extend your warehouse services for 12 months.

See attached agreement for reference.

Also, I'd like to ask you to quote a second option:

3 month extension – February/March/April 2026

7 shipments to travel shows within that period, we'll be able to document what goes into each shipment all at one time and way in advance, so all 7 can be pre-prepared.

We'll be able to send the dates when these are shipping out in advance, so it can be scheduled way in advance.

Everything that may be left over that we have in the warehouse to be tossed after the last of the 7 goes out.

We may be in the process of rebranding, so all leftovers would be out of date.

Let me know what questions come up.

Thanks,
Kaire
