Summary of Proposed Ordinance and Statement of Public Purpose to be Served:

The proposed ordinance repeals in its entirety Division 2, "Florida Keys Council for People with Disabilities," within Article VIII, Chapter 2, of the Monroe County Code of Ordinances. Division 2, "Florida Keys Council for People with Disabilities," is no longer necessary due to changes in the County's organizational structure and the manner in which services and advisory functions related to persons with disabilities are currently provided.

The public purpose served by this ordinance is to remove outdated and non-operational provisions, ensure the Code accurately reflects existing County practices, and promote clarity, transparency, and administrative efficiency. Repealing Division 2 does not diminish services for persons with disabilities, which continue to be addressed through established County departments and partner agencies.

¹ Business impact statement must be posted on the county's website no later than the date the notice of proposed enactment is published.
