NEW CERTIFICATE OF COMPETENCY INSTRUCTIONS

The purpose of this application is to apply for a Monroe County Certificate of Competency by examination pursuant to MCC Sec 6-237. This application encompasses all Construction Trades categories. Please read instructions thoroughly prior to completing your application and make photocopies for your records, if desired. Be certain that the application is completely filled out; that all questions are answered truthfully, and that all information requested is furnished. If your application is incomplete, it may be returned, delaying the approval and licensing process.

Monroe County requires that *all* applicants, with the exception of journeyman and masters, take the administrative examination, and when required, the respective Trade examination.

MASTERS ARE NOT CONTRACTORS. Anyone holding a master (electrical, mechanical, or plumbing) certificate of competency **only** needs to take the administrative examination if they wish to act in the capacity of a contractor. If the administrative examination is not taken, the applicant is **PROHIBITED** from contracting, and the applicant shall only perform work in their trade while under the supervision and direction of a licensed contractor of same category.

JOURNEYMEN ARE NOT CONTRACTORS. Anyone holding a journeyman (electrical, mechanical, or plumbing) certificate of competency is **PROHIBITED** from contracting, and shall only perform work in their trade while under the supervision and direction of a licensed contractor of same category.

Monroe County certificate of competency holders are limited to certain local jurisdictions and only allowed to work in a county or municipality with which the county has a reciprocal agreement.

NOTICE: Contracting shall only be done under the qualified business name. This license does not belong to a Company and may not be renewed or used by another individual or company other than the license holder named herein for any construction purposes.

*****A certificate of competency is non-transferable*****

Applicant must have a minimum of 2-years of field experience for their desired trade/discipline and pass the administrative examination for the following categories:

- Acoustical Ceiling
- Aluminum, Vinyl, and Plastic
- Asphalt Seal and Coating
- Cabinet & Millwork
- Drilling Auger
- Fence Erector
- Flooring - All types of floors including carpet, except cementitious products, marble, or terrazzo
- Garage Door Opener/Installation
- Insulating
- Landscaping
- Landscaping Curb
- Masonry Specialty (includes Brick Pavers)
- Painting & Decorating

- Plastering/Stucco
- Sign Painting
- Solar Window Tinting
- Steel Reinforcing and Iron
- Tile, Terrazzo, and Marble including brick pavers
- Thatched Roofing – Non-structural
- Waterproofing and Roof Painting

Applicant must have the minimum field experience for their desired trade / discipline as indicated below and pass the administrative and technical examination.

Certificate of competencies with one asterisk () at the end of each trade requires registration with Department of Business and Professional Regulation Construction Industry Licensing Board or the Electrical Construction Industry Board (DBPR) within 30 days after obtaining a certificate of competency *prior* to conducting business in the state pursuant to F.S. 489.117 or F.S. 489.513.

Certificate of competencies with two asterisks () at the end of each trade only need to take the administrative examination if applicant want to act in the capacity of a contractor. Masters are **NOT** contractors, and therefore, are prohibited from contracting, and shall only perform work in their trade while under the supervision and direction of a licensed contractor of same category/discipline.

Certificate of competencies with three asterisks () at the end of each trade need not take the administrative examination. Journeyman's are **NOT** contractors, and therefore, are prohibited from contracting, and shall only perform work in their trade while under the supervision and direction of a licensed contractor of same category/discipline.

APPLICATION REQUIREMENTS

In order to apply for and be considered for a contractor license in Monroe County, applicant shall submit items 1-7:

1. Completed [Contractor Construction Trades Application](#); one trade per application.
2. Legible color copy of a valid driver's license or some other form of valid government approved identification.
3. One (1) recent color photograph full frontal view of the face and 2x2 inches in size. **NO EXCEPTIONS!**
4. Résumé must be submitted and it must account with years of employment and correspond with Affidavit of Trade Experience.
5. **Affidavit of Trade Experience**. This form must be furnished to substantiate the minimum experience required in the category for which the applicant is applying, and it is to be completed by past or present employer(s), or sub-contractors licensed in the appropriate construction service field verifying that applicant has the necessary experience in the area covered by the certificate of competency applicant is seeking. Proof of licensure by other jurisdictions, without additional experience verification, will not satisfy this requirement. Self-verifications alone are not accepted.
6. Copy of contracting license corresponding to each Affidavit of Trade Experience must be provided.
7. W-2s verifying employment in the trade/company, which must correspond with the Affidavit of Trade Experience form and résumé. **NOTE:** *If your W-2s are from a staff leasing or payroll company, please provide additional documentation verifying that the staff leasing company administers payroll functions for the company you were or are presently employed.*
Example: A letter from the leasing company on letterhead stating that you were/are employed by said company and that they provide payroll services for said company.
8. **COMPLETED APPLICATION AND SUPPORTING MATERIALS MUST BE RECEIVED 15 DAYS PRIOR TO THE NEXT AVAILABLE CEB MEETING.**
