---

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. That Section 6-37 of the Code of Ordinances of the County of Monroe, Florida, be amended so that such Section shall read as follows:

"Sec. 6-37. Certificates of competency.

It shall be unlawful for any person or firm to engage in the business or act in the capacity of a contractor, subcontractor, master, journeyman or maintenance personnel, as hereinafter defined, anywhere within the unincorporated areas of this county without a current valid certificate of competency approved by either Monroe County or by the State of Florida."

Section 2. That subsection (7) of Section 6-55 of the Code of Ordinances of the County of Monroe, Florida, be amended so that such subsection shall read as follows:

"(7) The provisions of this article do not apply to an owner of residential property altering or repairing his own home if occupied by the owner and not intended for

sale. An owner of residential property may construct one (1) single-family residence for his own use and occupancy without qualifying for a certificate of competency, but the application for a building permit for construction of more than one (1) single-family residence in three (3) years' time shall be construed as engaging in the construction business and such owner must secure a certificate of competency before the permit will be issued; eligibility for subsequent permits will be considered upon issuance of a certificate of competency."

Section 3. That subsection (13) of Section 6-55 of the Code of Ordinances of the County of Monroe, Florida be amended so that such subsection shall read as follows:

"(13) Any person who is licensed under Chapter 489, Florida Statutes."

Section 4. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definitional cross reference for the terms "shall" and "may" to read as follows:

"6-56. Definitions.

For the purpose of the administration and enforcement of this article, and unless otherwise stated in this article, the following words shall have the meanings indicated herein.

The definitions of "shall" and "may" are contained in Section 1-2 of this Code of Ordinances."

Section 5. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by adding the definition of "Class A air conditioning contractor" to read as follows:

"Class A air conditioning contractor means any person whose services are unlimited in the execution of contracts requiring the

experience, knowledge and skill to install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law, central air conditioning, refrigeration, heating, and ventilating systems, including duct work in connection with a complete system only to the extent such duct work is performed by the contractor as is necessary to make complete an air-distribution system, boiler and unfired pressure vessel systems, and all appurtenances, apparatus, or equipment used in connection therewith and to install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law, piping, installation of pipes, vessels and ducts, pressure and process piping, pneumatic control piping, and installation of a condensate drain from an air conditioning unit to an existing safe waste or other approved disposal other than a direct connection to a sanitary system. The scope of work for such contractor shall also include any excavation work incidental thereto, but shall not include any work such as liquefied petroleum or natural gas fuel lines within buildings, potable water lines or connections thereto, sanitary sewer lines, swimming pool piping and filters, or electrical power wiring."

Section 6. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Class B air conditioning contractor" to read as follows:

"Class B air conditioning contractor means any person whose services are limited to twenty-five (25) tons cooling and five hundred thousand (500,000) Btu heating (in any one system) in the execution of contracts

requiring the experience, knowledge, and skill to perform the following: install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law, central air conditioning, refrigeration, heating and ventilating systems, including duct work in connection with a complete system only to the extent such duct work is performed by the contractor as is necessary to make complete an air distribution system being installed under this classification; and to install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law, piping, installation of pipes, vessels and ducts, and installation of a condensate drain from an air conditioning unit to an existing safe waste or other approved disposal other than a direct connection to a sanitary system, all in such a manner as to comply with all plans, specifications, codes, laws, and regulations applicable thereto."

Section 7. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Class C air conditioning contractor" to read as follows:

"Class C air conditioning contractor means any person whose business is limited to the servicing of air conditioning, heating, or refrigeration systems, including duct alterations in connection with those systems said contractor is servicing."

Section 8. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Contractor" to read as follows:

"Contractor means a person who possesses the requisite skill, knowledge, financial responsibility and experience to supervise,

direct, manage and control the contracting activities of the business entity with which he is connected and whose technical and personal qualifications have been determined by investigation and examination as provided in this ordinance."

Section 9. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Electrical contractor" to read as follows:

"Electrical contractor is a contractor doing work on any premises or in any building or structure requiring the installation, repair, alteration, addition or changes to any system of electrical wiring, apparatus or equipment for light, heat or power. This work may include all electrical installations for which he holds a certificate of competency on private and public property and within substations and plants, and an electrical contractor may contract therefor and will be issued permits for such work by the administrative agency concerned."

Section 10. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Class III, Sub-engineering contractor" to read as follows:

"(3) Class III, Sub-engineering contractor or "land clearing and grubbing engineering contractor" is an engineering contractor having the experience and skill gained by not less than one year as a general superintendent for an engineering contractor or education equivalent thereto, or a combination thereof, and qualified and certified to clear land of surface debris and vegetation growth, including the grubbing of roots, the removal of the debris therefrom

and the general leveling of the surface thereafter and work incidental thereto. A Class III engineering contractor may take out permits for work falling within his particular specialty or specialties except in those trades for which a master is specifically required; he shall subcontract with a qualified contractor holding a current certificate of competency in that field. All permits for soakage pits, dry wells, catch basins, and connection pipes or filled property shall be secured from the proper authority and installation made in accordance with the Standard Building Code."

Section 11. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "General contractor, Class I" as follows:

"General contractor are those whose services are unlimited about the type of work they may do as follows. Any person who, for compensation, undertakes to or submits a bid to or does himself or by others, construct, repair, alter, remodel, add to, subtract from, improve any building or structure, including related improvements to real estate for others, or for resale to others. If the services affect the structural members of the building, drawings sealed by an Engineer or Architect are required. However, a contractor shall subcontract the electrical, plumbing, mechanical, roofing, sheet metal, and air conditioning work, unless he holds a certificate of competency for the respective trade. However, he shall not be required to subcontract for shingle roofing."

Section 12. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the

definition of "General contractor, Class II" to read as follows:

"Building contractors are those whose services are limited to construction of commercial buildings and single or multiple dwelling or residential buildings, neither to exceed three (3) stories in height, and accessory use structures in connection therewith, or those whose services are limited to remodeling, repair, or improving of any size building. If the services affect the structural members of the building, drawings sealed by an Engineer or Architect are required. However, they must comply with the same regulations in regards to subcontractors as a general contractor."

Section 13. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "General contractor, Class III" as follows:

"Residential contractors are those whose services are limited to construction, remodeling, repair, improvement of one, two, or three family unit residences not exceeding two (2) stories in height and accessory use structures in connection therewith. If the services affect the structural members of the building, drawings sealed by an Engineer or Architect are required. However, they must comply with the same regulations in regards to subcontractors as a general contractor."

Section 14. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Journeyman" as follows

"Journeyman. The term "journeyman" shall mean any person who possesses the required skills, knowledge and experience, as evidenced by three (3) years proven experience in the trade or craft, or

educational equivalent thereto, or a combination thereof, but not more than one-half ( $\frac{1}{2}$ ) of such experience may be by educational equivalent, and who has passed an examination in his particular trade or craft and possesses a valid Certificate of Competency as a journeyman in such trade or craft. All work shall be done under the direct supervision of a master or journeyman on all job sites."

Section 15. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by the addition of the definition of "Master Sign contractors" to read as follows:

"Master Sign contractors are those who may erect, fabricate, repair or maintain for themselves or others any sign as defined in the county zoning ordinance. They may construct meter centers or services for individual or a series of signs, install transformers and any device for and pertaining to illumination of signs. They may not connect a circuit to a panel, except for a sign."

Section 16. That Section 6-56 of the Code of Ordinances of the County of Monroe, Florida, be amended by amending the definition of "Mechanical contractors" to read as follows:

"Mechanical contractors are those whose services are unlimited in the execution of contracts requiring the experience, knowledge, and skill to perform the following: install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law central air conditioning, refrigeration, heating and ventilation systems, including duct work in connection with a complete system only to the extent such duct work is performed by the contractor as is necessary

to make complete an air distribution system, boiler and unfired pressure vessel systems, lift station equipment and piping and all appurtenances, apparatus, or equipment used in connection therewith; and to install, maintain, repair, fabricate, alter, extend, or design, when not prohibited by law, piping, insulation of pipes, vessels, and ducts, pressure and process piping, pneumatic control piping, gasoline tanks and pump installation and piping for same, fire sprinkling systems and stand pipes, air piping, vacuum line piping, oxygen lines, nitrous oxide piping, ink and chemical lines, fuel transmission lines and installation of a condensate drain from an air conditioning to an existing safe waste or other approved disposal other than a direct connection to a sanitary system, all in such a manner as to comply with all plans, specifications, codes, laws, and regulations applicable thereto. The scope of his work shall also include an excavation incidental thereto, but shall not include any work such as liquefied petroleum or natural gas fuel lines within buildings, potable water lines, or connections thereto, sanitary sewer lines, swimming pools piping and filters and electrical power wiring."

(2) Honorary certificates shall be issued without charge to any person over sixty (60) years of age providing that said person holds any of the abovesaid licenses in the county. Thereafter, said person will not be permitted to engage in business without first paying all renewal fees necessary to make said license current.

Section 35. That Section 6-64 of the Code of Ordinances of the County of Monroe, Florida, is hereby revised by amending subsections (b) and (c), and by the addition of two new

subsections to be letter (d) and (e), so that such subsections shall read as follows:

"(b) Mandatory. The Building Official shall administratively suspend, pursuant to Section 6-16.1(6)(c) of the Monroe County Code, a contractor's certificate of competency for a period of six (6) months upon receipt of sufficient evidence that said contractor has failed to obtain the required building permits prior to starting construction and that such violation is the third violation by such contractor within the preceding two-year period.

(c) The Building Official shall administratively suspend or revoke a contractor's certificate of competency if, after hearing, it is found that the contractor:

(1) Has been adjudicated bankrupt.

(2) Fails to maintain at all times with an insurance company, authorized to do business in the state, the limits of insurance required by any other applicable law or authority having jurisdiction but not less than bodily injury liability insurance with the minimum limits of fifty thousand dollars (\$50,000.00) for one person and one hundred thousand dollars (\$100,000.00) for more than one person in any one accident, and property damage insurance with a minimum limit of not less than five thousand dollars (\$5,000.00) for any one accident, including any damage to public rights-of-way or shrubbery and to file certificates, signed by the qualified agent of the insured, with the secretary of the contractors examining board showing the type of policy, the policy number, the name of the

insurer, the effective date of the policy, an agreement by the insurer to give thirty (30) days written notice by registered mail to the secretary of the examining board of the intent to cancel the policy for any reason. The Building Official may reinstate such revoked certificate of competency at such time as the contractor again supplies full insurance coverage as required by this article.

(d) The Contractors Examining Board shall suspend or revoke a contractor's certificate of competency if, after hearing, it is found that the contractor:

(1) Has been convicted of violating the provisions of section 8-33 of this Code relating to the unlawful disposal of garbage, rubbish, offal, trash or junk.

(2) Has committed any of the provisions enumerated in Section 6-66.

(3) Has been convicted of a crime and is presently serving a term of imprisonment.

(e) Effect on license. The suspension or revocation of a certificate of competency shall automatically suspend or revoke, as the case may be, any occupational license issued by the county."

Section 36. That Section 6-67 of the Code of Ordinances of the County of Monroe, Florida, be amended as follows:

"Sec. 6-67. Restriction as to number of apprentices.

In any and all trades in which a master or journeyman certificate of competency is required, such trades shall be limited to not more than three (3) apprentices per master or journeyman."

Section 37. That Section 6-69 of the Code of Ordinances of the County of Monroe, Florida, is hereby amended so that such section shall read as follows:

"Sec. 6-69. Direct Supervision Required.

All air condition, electrical, mechanical and plumbing contracting work shall be done under the direct supervision of a master or journeyman mechanic, for the respective trade, on all job sites.
